(DANCE OF THE SUGAR PLUM FAIRY PLAYS)

Poromon came out in a fairy costume with 2 bottles of beer.

Poromon: (to the Zevo 3 team) Hello there! I'm the beer fairy! Come to give you guys 2 bottles of beer!

Centaur Man: (laughs) If you guys heard of the tooth fairy, you'll love this one!

Me: Poromon is dressed as the Beer Fairy. He comes and gives good boys and girls beer.

We laughed.

Ellie Martin: (LAUGHS) That is so cute.

Matt Martin: It sure is.

Me: But Poromon, Jason, Matt and Ellie are all too young for beer.

Poromon: Oh right.

I pulled out my cooler and gave them root beer.

Ellie Martin: Ooh! Root Beer. Thanks.

Me: You're welcome.

Electropede: Poromon made that costume after the New Year.

Matt Martin: It's really cute.

Qin: We all thought so.

Phoenix Smolderdash: It sure is adorable.

Poromon: Thanks guys.

Camie: You're welcome.

May: I'm still gonna get you for eating my chocolates Maria!

Maria: I said I'm sorry!

Ellie Martin: What's eating May?

Me: She gets really pissed off when someone swipes her food.

Nico: (GULPS) Yeah she sure does.

Jason James: Also, what's this I hear about a Winnie the Pooh Blood and Honey movie?

Me: UH OH.

Shadow: Jason, I don't think that's a good-

Manaphy: OH, I'LL GLADLY SHOW YOU THAT ABOMINATION! (shows trailer close to Jason's face) LOOK AT IT!

Jason James: Okay okay! I believe you!

May: THOSE WERE MY CHOCOLATES!

May then jumped Maria and she and Maria were fighting in a brutal fight cloud!

Nico then screamed and jumped into my arms!

Me: OOF! (Strained) You're giving me a hernia Nico!

Camie: GEEZ!

POW BLAM BIFF SMASH WHAM BAM!

Eli then grabbed them.

Eli: Pardon me you two but I must discipline the Nannygoats!

Then…

BLANG!

He bashed their heads together!

May and Maria: OUCH!

Mojo: C'mon, May. Maria said she was sorry.

Maria: Yeah May!

Me: Uh Nico can you get out of my arms? I'm getting a cramp.

Nico: Huh? Oh sorry.

He got out my arms.

Nico: Yeah May.

Me: That ridewatch made Maria open her mouth.

Maria did puppy eyes at May.

Me: The old puppy eyes.

Nico: Oh boy.

May: Oh okay Maria. But if you eat my chocolates again I will rip your tongue out and eat it!

Me: EW! May you don't even know where her tongue has been!

Lola: Yeah.

Maria: I promise I won't do it again, May. (Hugs her)

May: Aww.

Me: Nico remind me to pulverize Frankie the Squealer for this.

Nico: Noted.

Jason James: Boy May hates it when someone steals her food huh?

Me: That is a big time fucking understatement. When you steal food from May, she is going to kill you.

Brock: One thing that drives May over the edge is someone swiping her food.

Me: Yep.

Ellie Martin: Oh boy.

Jason James: Now, about that Blood and Honey Movie?

Eye Five: Well, Jason, it's basically an insult to Winnie the Pooh's history.

Me: Yeah no fucking shit. It's a psychotic slasher version of it. Pooh and Piglet turn feral and go on a horrible killing spree.

Nico: Yep.

Qin: We would never watch that movie even if you paid us.

Xenia: Yeah.

Red X: The worst part is that Eeyore was eaten alive!

Me: Shut up guys! Don't make it worse!

Red X: Sorry.

Ellie then went to a trash can and hurled her guts out!

Princess Luna: MOVE OVER!

They both threw up!

Me: Nice going Red X!

Jason James: Did we really inspire a Nike sneakers brand?

Fisticuffs: Want us to show you?

Me: But it's mostly the Skechers shoes that you guys inspire.

Qin: Yep.

We showed a commercial for it and it was awesome.

Jason James: WHOA! That is awesome!

Nico: Yep.

Lola: That was amazing.

Devack: I brought said sneakers with me.

He was wearing them.

Nico: Awesome.

Devack: Yep.

Laney: Those are great Devack.

Devack: Thanks.

Missy: And don't worry about Stankfoot mutating us.

Arixam: Our powers make us immune to his mutations.

Matt Martin: That's good!

Nico: It sure is.

Ellie came back green around the gills. Same with Princess Luna.

I gave them water.

Key: How about we have the usual battles now?

Me: Good idea.

Nico: Yeah that's good.

Qin: Okay.

Maria: I'll call it in.

Nico: Okay.

We went outside and then Maria called it in.

Then Tala, Arbormon, Ranamon, Cheshire, Eris, Myotismon, Unicorn, Yenaldoshi, Chillyfish, and Thundermon appeared.

Nico: Tala, Arbormon, Ranamon, Cheshire, Eris, Myotismon, Unicorn, Yenaldoshi, Chillyfish, and Thundermon.

Myotismon: (to Nico) You really should be proud of Missy today.

Nico: Of course I am.

Tala: Good.

Arbormon: It's only fair since she's like a sister to you.

Ranamon: We heard you went to Piñata Island.

Me: We sure did.

Cheshire: Did you eat any candy there?

Me: Yep and some of Nergal's pizzas.

Qin: Yep.

Wedding Dress Org then came.

Me: Wedding Dress Org. Back for another round?

Wedding Dress Org: Yep I sure am.

Me: Awesome.

Wedding Dress Org: Congrats on the triple wedding. I can't believe I missed it!

Takato: Thanks and don't worry maybe you'll show up at the next one.

Jeri: Yeah that's all right.

Spirit Elephant Ranger: Yeah we heard she was born on the day of the 2017 Total Solar Eclipse.

Arbormon: Wow! That is amazing!

Spirit Shark Ranger: It sure is! And coincidentally, the Another Itchy & Scratchy were twin girls and they both had an awesome fan club for them. Bart and Lisa both decided to join it because of their love for Itchy and Scratchy.

Spirit Bat Ranger: Yeah and the Pain-Yatta Gene-slammer felt right at home in Piñata Island.

Camille: And also the Nightshade Gene-slammer was really the most notorious gentleman thief in the history of the world.

Fluttershy: That was a really amazing thing to hear about there.

Tornado Bolt: Boy it sure was. Skylands had Nightshade and now Earth has Verunka Navrátilová.

Bushroot: Whoa! I've heard of her. She was responsible for tearing apart the Sicilian Mafia Branch, the Pastamongers and they were the most ruthless branch of them. INTERPOL found them brutally mangled up and their loot was never recovered. All they found was a calling card in the shape of a crescent moon with pitch black angel wings.

Kari: That's right. She is called the Midnight Owl Phantom.

Arbormon: Wow! That is amazing! Lets do it!

Kari and team used fusions for Hermos and the Agents Cards and their rider cards and they got new weapons and they fired waves of leaves, grass, flowers and fruit and smashed them down.

FLASHBACKS

TODAY

Nico: Yep. So, Monica, what's the story on Lori breaking down and crying as she finally realizes that what she's been doing to Lincoln has been wrong and awful, and when Lincoln hears it all for himself, he knew Lori was telling the truth and he hugged Lori, along with crying his heart out, and how they and you took down Lynn who was disgusted by this act of reconciliation between them?

Monica Garcia: (Spanish Accent) You're not going to like hearing it, Nico.

Monica Garcia pulled up the video as it played on the big screen. There we see Lori about to attack and kill Lincoln along with his Guardian Angels and Lynn was watching like the madwoman that she is and smirking with sadistic glee. Suddenly, Lori was hit with a sudden pang of conscience, and she was realizing what she'd been doing was wrong.

Past Lori: (Drops knife and drops to the floor on her knees) No… , I… I won't do it.

Past Lynn: What the?! Lori, you get up right now and kill Stinkoln and his Guardian Losers right now!

Past Lori: SHUT UP, LYNN! OR YOU WILL REGRET EVER ANGERING ME!

Suddenly, we saw tears coming from Lori's eyes.

Past Lori: Lincoln… ! I… , you… , you were right. I was acting like nothing more than a greedy self-obsessed control freak, and in the process I was making you miserable, and I enjoyed seeing that, along with teaming up with Lynn, Lola, Lisa, and Luan and trying to kill you and get rid of you, but looking back at what you said, about what happened to the sister you knew since the day you were born… , (Voice Breaking) Now, I finally understand, what I've been doing was both wrong and so awful. I really am nothing more than an awful older sister.

Past Lincoln: Lori?

Past Lori: I don't want to do that to you anymore, my baby brother. I… , I want to make amends and repair the bonds we had, but… , I fear it may be too late. I don't deserve to even be considered an older sister. (Takes the knife) I… , I don't even deserve to live at all!

Lincoln saw what she was about to do: she was going to kill herself. He rushed at Lori and he grabbed her wrist that had the knife. When Lori looked up, she saw Lincoln holding her wrist with the knife in hand and she also saw Lincoln's eyes watering, and she saw he was about to cry too.

Past Lincoln: Lori Loud, how… , how can you even say that?!

Past Lori: But, everything that I heard, it's true.

Past Lincoln: (Raises Voice) So, you really think killing yourself is going to fix that?!

Lori got stunned when she heard it. Suddenly, Lincoln's voice was already breaking, and he was now on the verge of breaking down, and so was Lori.

Past Lincoln: (Voice Breaking) I know that you've done nothing but hurt me at every opportunity and you teamed up with Lynn, Lola, Lisa, and Luan to ruin my life and kill me, but you have to think, will killing yourself really bring me peace?! No, it won't, if you kill yourself, it'll hurt me even more, the physical wounds I can heal from, but the mental and emotional wounds, those sorts of things can't be healed easily, and I… , I… !

Past Lori: (Voice Breaking) I… , I don't… , I don't want to die anymore! Please, please forgive me.

Lori hugged her brother as she finally broke down and cried, and those words rang true in Lincoln's ears, as he also broke down and hugged Lori and he also cried his heart out. Suddenly, Leni, Luna, Luan, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., Rita, Varie, and I heard it, and they also joined in the group hug. But, Lynn was absolutely disgusted and absolutely enraged.

Past Lynn: WHAT THE ACTUAL HELL?! I GAVE YOU A FUCKING ORDER, LORI, AND YOU BROKE DOWN AND CRIED LIKE A FUCKING BABY! IF YOU CAN'T DO THE JOB RIGHT, I'LL DO IT MYSELF! TIME TO DIE ONCE AND FOR ALL, STINKOLN, AND YOU TOO LORI! (LAUGHING MANIACALLY)

Lynn grabbed the knife and ran at Lincoln and Lori to kill them, but Monica Garcia used her dark magic and summoned imps to attack Lynn.

Past Lincoln: Lori, let's give Lynn her just desserts.

Past Lori: Let's give her two black eyes for what she tried to do.

The imps dispersed, and then, Lincoln and Lori reeled their fists back, and they punched Lynn hard in the face giving her two black eyes, and she crashed into the wall and she was now knocked out.

Past Monica Garcia: (Spanish Accent) Someone, tie this animal up and throw her in a cage!

Past Lynn Sr.: Oh, and consider yourself grounded for nineteen weeks, Lynn Jr.!

Luna grabbed the knocked out Lynn and tossed her in a cage. Then, Lori hugged Lincoln, and then, he kissed Monica Garcia as the video ended, and we literally had tears in our eyes.

Nico: (Voice Breaking) That was the sweetest act of reconciliation I've ever seen.

Me: (Voice Breaking) That still got me in the heart to this day.

Luna: Lori almost tried to take her own life, now that was just dark. But, Lincoln stopped her from the deliberate act, and he talked her out of it, but not before they broke down and cried their hearts out.

Maria Sakurai: It was really dark, but Lincoln stopped her from doing so, and as for Lynn, she got her just desserts for that act. And as a result, that made our anger and hatred for Lynn rise even more, if she didn't stop, she was going to wind up inside a coffin being lowered into a volcano!

Nico: Lynn really went way too far, and look at what happened. If she at least realized that what she had been doing to Lincoln was wrong, she'd at least reconcile with him, but no, her hardheadedness and heartless behavior because of Dark Lynn made it impossible for her to reconcile with him.

Me: That dark side was a bitch and an animal who doesn't know when to give up, now I'm so glad that Lincoln gave her The Black Gates for good along with the other Dark Sides of The Louds.

Yesterday

Nico: Yep. So, Helena, what's the story on how you and Lincoln took down Lori, Lynn, Lola, Lisa, and Luan, along with Chandler, Artie, Trent, Pablo, Anderson, Hawk, Hank, Flip, Scoots, and Killjoy Huggins, who went really insane because of Lincoln always surviving and the Guardian Angels stopping them at every turn, and they really snapped and went on a rampage and caused a ton of destruction in Royal Woods?

Helena Demeter: You're not going to like hearing it, Nico.

Helena Demeter pulled up the video as it played on the big screen. There we see Helena Demeter and Lincoln working out in their gym and Lincoln was 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, even doing yoga to clear his mind and the rest of The Guardian Angels were with him, and Alicia Brantley was doing the same routine as Lincoln. Suddenly, they heard the alarm sound, and they saw on the television: Lori, Lynn, Lola, Lisa, and Luan, along with Chandler, Artie, Trent, Pablo, Anderson, Hawk, Hank, Flip, Scoots, and Killjoy Huggins, and they've gone really insane because of Lincoln always surviving and the Guardian Angels stopping them at every turn, and they really snapped and went on a rampage and caused a ton of destruction in Royal Woods.

Past Selene Emperyous: What the heck?!

Past Laney Emperyous: Oh shit, Lori, Lynn, Lola, Lisa, and Luan, along with Chandler, Artie, Trent, Pablo, Anderson, Hawk, Hank, Flip, Scoots, and Killjoy Huggins have gone absolutely insane because of seeing Lincoln always surviving and all of us stopping them at every turn!

Past Helena Demeter: Looks like they've really snapped, we need to get out there and stop them, they've gone on a violent rampage and they're causing destruction in Royal Woods.

Past Lincoln: Let's go!

Lincoln and his Guardian Angels head outside the gym, and they saw Royal Woods was literally a big mess. Then, as they continued on through the town, they soon see Lori, Lynn, Lola, Lisa, and Luan, along with Chandler, Artie, Trent, Pablo, Anderson, Hawk, Hank, Flip, Scoots, and Killjoy Huggins, and their eyes are literally red with rage and insanity. They ran at Lincoln and his Guardian Angels and they were out for blood, but Lincoln and Helena Demeter went after Chandler, Artie, Trent, Pablo, Anderson, Hawk, Hank, Flip, Scoots, and Killjoy Huggins, and they brutally pulverized those jerks into the dirt, and then, they went after Lori, Lynn, Lola, Lisa, and Luan, and they also brutally mongrelized those five.

Past Lincoln: You guys are seriously in big trouble!

Lincoln fired red energy blasts from his massive white angel wings and he tied Lori, Lynn, Lola, Lisa, Luan, Chandler, Artie, Trent, Pablo, Anderson, Hawk, Hank, Flip, Scoots, and Killjoy Huggins up in red energy ropes, as Helena and Lincoln shared a kiss. The video ends, and we were horrified!

Nico: Oh shit, so Lori, Lynn, Lola, Lisa, and Luan, along with Chandler, Artie, Trent, Pablo, Anderson, Hawk, Hank, Flip, Scoots, and Killjoy Huggins were the ones who caused all that destruction in Royal Woods.

Me: Yep, and we were also there for their punishments. First, Chandler, Artie, Trent, Pablo, Anderson, Hawk, Hank, Flip, Scoots, and Killjoy Huggins were hit with massive penalties resulting in jail time for Chandler, Artie, Trent, Pablo, Anderson, Hawk, Hank, Flip, and Scoots, and Killjoy Huggins got a three month suspension by Superintendent Chen.

Luna: Then, Lori, Lynn, Lola, Lisa, and Luan got grounded for nineteen weeks by Mom and Pops, and Selene Emperyous tied them up in straitjackets and tossed them into that metal box prison again.

Helena Demeter: And we also made them clean up the town for all the damages they caused during their violent rampage, plus, if they didn't clean up the town, then, we'd have to get the cops involved and we'd get them sent to jail.

April 12th

Alicia Brantley: You're not going to like hearing it, Nico, and you're not going to like seeing who the masterminds were in this attempted hit on us.

Alicia Brantley pulled up the video as it played on the big screen. There we see Alicia Brantley and Lincoln working out in their gym and Lincoln was 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, even doing yoga to clear his mind and the rest of The Guardian Angels were with him, and Alicia Brantley was doing the same routine as Lincoln. Suddenly, they heard the alarm sound, and they saw a group of thugs heading right for their gym and they have weapons on them.

Past Selene Emperyous: What the heck?!

Past Laney Emperyous: Let's head outside and stop those thugs!

Past Alicia Brantley: Along with finding out who it was that hired them to kill us.

Past Lincoln: Everyone, get ready!

Lincoln and his Guardian Angels head outside the gym, and they were confronted by the thugs that were heading their way. One of the thugs came charging right at Lincoln with a knife in hand, but Lincoln grabbed his arm and twisted it, and then, he sank his fangs into his neck and sucked out every last drop of blood from his body, and dropped his lifeless body onto the ground, and that really pissed off the leader and the other thugs.

Thug Leader: KILL THEM!

The thugs came after Lincoln and his Guardian Angels, but they fought back by breaking their arms and legs, and Lincoln sank his fangs into each of their necks and sucked out every last drop of their blood from their bodies and killed them. Finally, he went up to the thug leader himself.

Past Lincoln: Now, then, it's time to find out who it was that hired you thugs to kill us.

Thug Leader: You're not getting shit out of me!

Past Lincoln: (Smirks) Too bad.

Lincoln sank his fangs into the thug leader's neck and he sucked out every last drop of his blood from his body, and as Lincoln was feeding on his blood, he saw in one of the memories who it was that'd hired those thugs to kill him and his Guardian Angels: it was Lori, Lynn, Lola, Lisa, and Luan, the five mean Loud Sisters, along with Chandler, Artie, Trent, Pablo, Anderson, Hawk, Hank, Flip, Scoots, and Killjoy Huggins, Lincoln's enemies and local jerks of Royal Woods. Lincoln let the leader's lifeless body drop to the floor.

Past Lincoln: I now know who it was that hired those thugs to kill us: it was none other than Lori, Lynn, Lola, Lisa, and Luan, along with Chandler, Artie, Trent, Pablo, Anderson, Hawk, Hank, Flip, Scoots, and Killjoy Huggins.

Past Selene Arcangela: Those five bitches, along with Royal Woods' local jerks and that stupid killjoy?! Oh, they're so dead!

The video ends, and we were horrified!

Nico: Oh shit, so the ones who hired those thugs were none other than Lori, Lynn, Lola, Lisa, and Luan, along with Chandler, Artie, Trent, Pablo, Anderson, Hawk, Hank, Flip, Scoots, and Killjoy Huggins.

Me: Lincoln told his parents and Leni, Luna, Laney, Lucy, Lana, Lily, Varie, and I about that, and they began a massive manhunt for them. First, Lincoln and his Guardian Angels had rounded up Chandler, Artie, Trent, Pablo, Anderson, Hawk, Hank, Flip, Scoots, and Killjoy Huggins, and sent them to the cops where they got hit with massive penalties resulting in jail time for Chandler, Artie, Trent, Pablo, Anderson, Hawk, Hank, Flip, and Scoots, and Killjoy Huggins getting a two month suspension by Superintendent Chen.

Luna: Then, they hunted down Lori, Lynn, Lola, Lisa, and Luan who were hiding out in the mall. They tied them up and dragged them home, and we were really angry at them. Then, Mom and Pops had them grounded for nineteen weeks, and Selene Emperyous tied them up in straitjackets and tossed them into that metal box prison again.

Alicia Brantley: And I also made sure to punch Lori, Lynn, Lola, Lisa, and Luan in their eyes, not only for what they tried to do to Lincoln, but also for what they did during their last attack that resulted in them brutally injuring Bridget and her friends.

Nico: Yeah, angering the younger siblings is a mistake that'll cost you big time.

FLASHBACKS END

Cheshire: Oh man! That is amazing! But that was crazy that happened! And Lori had a conscience bout there!

Sunset Shimmer: Yeah that was crazy! Not a dry eye was there when we heard that one.

Sunburn: Boy it sure was!

Cheshire: Yeah no kidding. Lets do it!

Nico: Yeah it was really cool! We were over at Ringworld and it was a massive and huge colony that would encompass almost the entire planet.

Lucy Dark: It was a really huge ring version of Earth. Think of it as the Stanford Torres colony on steroids. It was huge!

Luz: Boy it sure was! We were in awe with how big it was.

Amity: It sure was an amazing sight to see.

Willow: It was amazing.

Gus Porter: Yeah no kidding there! That was awesome.

Unicorn: (to Sheila) J.D. saved the entire planet by taking on a massive rocket. It had enough power to blow the entire planet to space dust

Sheila: Yeah that was unbelievable! That rocket was as big as the entire state of Alaska and it had enough explosive power to obliterate the entire planet off the face of the universe!

Meilin: I don't know what the hell Ronson was thinking in using a rocket of that incredible power but that made him a traitor to all of the world.

Selene Long: Our original intention was to through him in jail but after pulling that stunt back then he changed our minds.

Nunnally: That is for sure! What he did sealed his fate!

Nami: No kidding there!

Brock: Yeah what he did would have ultimately destroyed the entire planet!

Rarity: That was very horrible that he did all that back then darlings.

Yenaldooshi: (to Kaiba) Stankfoot did all kinds of HORRIBLE atrocities against nature by unleashing that mutagenic ooze. Reminds me of the mutagen from the 2012 TMNT world.

Seto Kaiba: It sure does remind us of that doesn't it. But yeah what Stankfoot did is completely unforgivable.

Aquarius: The crimes he did to the entirety of New Eden City and to so many people and animals can never be forgiven.

Noriko Kaiba: That is for sure there. I can't believe he did all this to so many people and animals.

Alex Ramirez: Not just them but to all kinds of inanimate objects too.

Hailey Schroedder: But this turned into a blessing in disguise for it gave New Eden City 3 awesome new heroes for them.

Neela Kaosudoragon: That is for sure.

Applejack: And we helped Jason and his friends take on so many mutated creatures.

Apple Bloom: Yeah they were gross and disgusting.

Flashwing: No kidding there.

Yenaldooshi: Yeah no kidding. Lets do it!

Seto and team used fusions for Timaeus and Blue-Eyes White Dragon Monsters and their rider Cards and they fired waves of earth, rock, mud, boulders, lava, crystal, apples and energy and smashed them down.

---

Chillyfish was next.

Chillyfish: (to Gi) Stankfoot is definitely getting the Black Gates. He and Ronson can argue in them forever, if that's even possible

Gi: That would be really funny if that happened in there. But after everything that Stankfoot and Ronson did they both deserve the Black Gates.

Zecora: The atrocities both men have done cannot be forgiven by ones eyes alone, but they brought all this on themselves and for all this they must atone.

Lumina: No kidding. Even though Ronson is gone we still have to deal with Stankfoot.

Felis: Yeah he needs to answer for his crimes in full.

Miho Nishizumi: I agree there too.

Aylene Carter: What he did cannot go unpunished.

Princess Luna: I must agree there too.

Moondust: Yeah the darkness he unleashed must be cleansed by the light.

Snowdrop: And all of us will bring down the Sword of Damocles on him.

Gari: And it will hurt really bad.

Blackout: Big time and with intense pain.

Chillyfish: That you can bet on. Lets do it!

Gi and her team used fusions for Hermos and the Lunalight monsters and their rider cards and they got new weapons and fired waves of water and darkness and smashed them down.

Sage: You're not kidding! Stankfoot is gonna be really rubbing his stench in our faces and all that and more after we're done with him.

Fujiko Mine: WHEW! You're not kidding! His feet smell worse than Patrick swimming in a cesspool and Billy when he is swimming in a pool of pig poop.

Optimus Primal: This is gonna be a really good fight for all of us though.

Rhinox: I have a feeling we're going to be in for a really good battle.

Cheetor: This will be awesome.

Rattrap: Oh we're all gonna die.

Wedding Dress Org was next.

Wedding Dress Org: Stankfoot really picked the wrong people to mess with.

Me: And those people are us and we're going to rip his head off and banish him to the black gates.

Princess Anita: That is for sure!

Camie: Yeah he has really messed around with the laws of nature.

Celica: That is for sure.

Zarya: We won't let him live for another second longer.

Wedding Dress Org: Good! Lets do it!

I teleported and opened his safe and in it was a bunch of weapons for us called The Destroyers of Stankfoot, a massive collection of massive greatswords with embedded colored gems and the anti-Stankfoot symbol etched on the 7'3" massive, wide, double-edged blades, large phoenix heads for the crossguards, large white angelic faces built into both sides of the hilts and large colored gems embedded in the foreheads, longer midnight black handles, four large phoenix heads with colored gems for eyes and large phoenix heads with large colored gems in their mouths on the bottom of the phoenix heads for the pommels.

I teleported back with them.

Wild Force Rangers: WILD ACCESS!

Troy Burrows: Rangers that's a Super Mega Win!

---

We regrouped.

Me: That was fun!

Jason James: It sure was!

Ellie Martin: Yeah that was awesome!

Me: Now it's time for the main event.

Mai: Let's pay Stankfoot a visit.

Me: You got it!

INSTIGATOR: Where is he right now?

Eli: (Concentrates) Located in the forest 120 klicks to the west.

Nico: Then that's where we'll go.

Jason James: He killed my parents, now I'm going to avenge them!

Nico: And his butt buddy Ronson isn't here to bail him out this time! Get ready Stankfoot, (EYES GLOW RED) We're going to pull the plug on your experiments for good!

Me: (EYES GLOW RED) And we're going to do that by killing you!

We were off!

---

We arrived at his castle.

Me: Stankfoot's castle. Looks like a true fortress from hell.

Xenia: The perfect dwelling for a mad scientist.

Camie: Yep.

Then a massive army of Mutated Bugs came and they were blocking our path!

Me: WHAT THE FUCK!?

Jason James: Just our luck. Stankfoot mutated some bugs to act as guards!

Missy: We need to get past them somehow!

?: Release the Dragon!

Trixie Lulamoon: The Great and Powerful Trixie knows that battle cry!

Then Artha Penn and Beau and Kitt Wonn came!

Artha: We'll face these bug!

Kitt: Go rid the world of Stankfoot!

Trixie: The Great and Powerful Trixie will help you guys!

Me: Thanks guys! We owe you one!

Trixie went and helped and we went into the castle.

Me: Boy this place reeks of his foul stench.

Lynn: Boy his feet smell worse than mine.

Turtlelini came.

Nico: Thanks for coming, Turtlelini.

Turtlelini: Anytime Nico. This will be fun.

Lola: It sure will.

We arrived and Turtlelini went into his lab and Stankfoot was laughing like a fucked up lunatic! His laughter and voice sounded so much like The Joker's.

Turtlelini: Professor Stanley K. Foot A.K.A. Stankfoot I presume?

Stankfoot: You must be Turtlelini from the Armada. It's too bad I can't mutate you. You would've been a great addition to my army.

Turtlelini: (laughs) Even if you could, my shield shell would make it difficult for you to mutate me!

Stankfoot: What a pity.

Turtlelini: Has anyone ever told you that your feet smell worse than shit?

Stankfoot: Yes and it is a delightful stench.

Turtlelini: Too bad my friends don't agree.

Stankfoot: What friends.

Then the spirits of the famous brands of shoes appeared and they swirled around Stankfoot and then converged and the area turned BUOY BASE GALAXY! Then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and a phoenix cry was heard and we landed!

Me: Stankfoot, your angel of death awaits!

Stankfoot: Team Loud Phoenix Storm!

Me: That's right! And we're going to destroy you! You are going to pay for your crimes!

Eli: I don't see your butt buddy Ronson here to help you out!

Me: Because 2 months ago we killed him for trying to destroy the planet!

Laney: YEAH!

Stankfoot laughed like the Joker!

Stankfoot: (laughs) Hello, Jason. How are your parents?

Jason James: Better. Now that they're about to be avenged!

Missy: You cost Jason his parents, Stankfoot. Now, they're about to get justice!

Me: And the only way to do that is to kill you!

Stankfoot: (LAUGHS) You all think you can kill me!?

Me: That is the whole idea! Also your voice sounds so much like a fucked up lunatic that we loathe to the very Nth degree that Batman hates more than anything.

Stankfoot: It does doesn't it?

Eli: It's pathetic.

Stankfoot: Triptoids! Tyrannodrones! Attack!

An army of Triptoids and Tyrannodrones appeared. The Triptoids were the same But something was off about the Tyrannodrones. They looked mutated.

Me: Triptoids and Tyrannodrones! Now we're talking!

Missy: You mutated the Tyrannodrones but not the Triptoids?!

Stankfoot: I felt like the Tyrannodrones needed some… improvements.

Me: You're disgusting! And your feet smell like rotten garbage!

I fired waves of energy and blasted the Triptoids and Tyrannodrones and blasted them all over and fiery explosions rang out.

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOMMMM!
KRABBBBBBBOOOOOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBBBOOOOOOOOOOOMMMM!
KRABBBBBBBOOOOOOOOOOOOOMMMM!

But then the footsoldiers jumped the Zevo-3 team!

The Zevo 3 team lay defeated at the hands of the Triptoids and Tyrannodrones.

Stankfoot: (laughs evilly) Don't worry, Jason. You'll be joining your parents soon enough. In fact, you can be the first to die!

I teleported and punched him in the face!

Mewtwo: (blasts several Tyrannodrones and Triptoids) You know what to do, Missy. Make me proud.

Missy then got an idea.

Missy: Right! (to the audience) Everyone out ther watching! Lend the Zevo 3 team your strength! They get stronger with your support!

When I give the signal, share your energy with the Zevo 3 team! Okay? Ready… go!

Everyone in the audience began sharing their energy with the X Men. And soon, Jason found the strength to get up.

Jason: Stankfoot, if you think I'm gonna let my parents' deaths be in vain, you got another thing coming!

Jason then threw a Triptoid at a Tyrannodrone, knocking them both down.

Stankfoot: WHAT!?

Jason: Thanks for the help, guys.

Matt: Didn't know we were that popular.

Ellie: After helping everyone here lots of times, are you really that surprised?

Sagacity Acumen: You shouldn't be.

Angel: Death will come to Stankfoot now.

Cotilla: Then what are we waiting for?

Me: Lets get him guys!

Missy: Let me transform with you guys!

Connor: Go right ahead, Missy.

Dino Thunder Rangers: Dino Thunder, Power Up! Ha!

Trent: White Ranger, Dino Power!

Yusuke Godai: Time to power up! Arcle, don't fail me now!

With his silent moment known, a strange silver belt materializes around his waist, with a red stone in the center, with blue, red, green, and violet button looking stones moving from right to left on either side of it.

Yusuke Godai: (Thrusting an arm in front of him while moving it slowing from left to right, with the other tucked against the side of the Arcle) Henshin!

With the famous battle cry uttered, Yusuke brings in his extended arm so his hands meet, which causes a black and red armor with golden accents, a gilded horn crest, and giant red eyes to materialize on him as he strikes an action stance.

Connor: "Tyranno Power! Red Ranger!"

Ethan: "Tricera Power! Blue Ranger!"

Kira: "Ptera Power! Yellow Ranger!"

Tommy Oliver: "Brachio Power! Black Ranger!"

Trent Fernandez: "Drago Power! White Ranger!"

All: "Roar of Thunder! Power Rangers Dino Thunder!"

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off behind them and they were ready!

Missy: Alright, that's it, I've had it up to hear with you to last an eternity, Stankfoot!

Suddenly, Missy's pink eyes turned neon pink and she was surrounded by an orange energy aura with psychic energy, lightning, and Mewtwos, she unholstered her Sword of The DNA Spliceteam from her back, and as she approached Stankfoot, she left orange energy, psychic energy, lightning, and Mewtwos with every step.

Missy: You absolutely disgust me, Stankfoot, as if what you've done in antagonizing the Zevo 3 wasn't enough, but what you've tried to do in trying to take over the city with your creations due to you messing with the Zevo Compound, that is beyond unforgivable, and you killed Jason's parents in cold blood! And for that, you shall pay the price for everything you've done!

Suddenly, Missy Rodgers was surrounded by a massive vortex of orange energy with psychic energy and lightning surrounding the vortex, there are Mews and Mewtwo flying around the vortex, and in the vortex is a red phoenix with red eyes glaring at Stankfoot: the red eyes of death. Then, as the vortex faded, Missy emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Missy Rodgers grew to 7'4" in height, she has the body of a goddess, she has orange highlights in the bangs of her long flowing red hair, she has neon pink eyes and an orange energy aura with psychic energy, lightning, and Mewtwos surrounding her, she has Mewtwo emblazoned on her forehead, she has on Mewtwo earrings with orange gems for eyes and holding the Psychic, Thunder, and Eternity Kanjis in its hands, she has on her Crystal Necklace of The Buddha with orange gems in the gold lightning bolts and orange crystal links and orange Mewtwo-shaped Element of Harmony, and on the bottom of the Element of Harmony is Mewtwo with orange gems for eyes and holding the Psychic, Thunder, and Eternity Kanjis in its hands for the pendant, she has on a sleeveless orange crop top and orange scarf, orange plaid skirt, orange pants with flowers, orange sneakers, and long white sleeveless trenchcoat with psychic energy and lightning on the coattails and on the back is Mewtwo surrounded by lightning and psychic energy. Suddenly, Missy felt a sharp pain on her back, and then, massive red angel wings with orange tips on the red feathers, grew and sprouted out of her back, she has on a Ring of The Phoenix with large orange gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps Ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Missy Rodgers' Sword of The Quantum Quartet and all the greatswords and swords that she'd gotten began to merge together and they're surrounded by a kaleidoscope of orange energy, psychic energy, lightning, and Mewtwos, and when it emerged, it was transformed into Mewtwo's Psychic Science Lightning Greatsword of Psychic Science Lightning Quantum Justice, it's a brand-new massive greatsword with embedded orange gems and Mewtwo etched on the 7'0" massive, wide, double-edged red blade, large Mewtwo heads for the crossguard, large white angelic faces built into both sides of the hilt with red gems embedded on their foreheads, longer midnight black handle, four large Mewtwo heads and a large phoenix head with red gem in its mouth on the bottom of the Mewtwo heads for the pommel, she has on her new large gold Bracers of The Champions of The Universe with red gems on her wrists and Dragon Ball Bracelet on the left bracer, her new gold Belt of Elemental Bravery with a gold version of Mewtwo's head with red gems for eyes and a large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a red kanji below Mewtwo that said, "Missy Rodgers, Gene-Slammer of Mewtwo, Friend of Nico Chan, Qin Chen, and Many, Member of The Quantum Quartet, Powerful Genius Level Science Master, Loving Girlfriend of Zelos Wilder, Loving Sister of The Zevo Three Team, Archenemy of Turtleini, Destroyer of Stankfoot, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Lightning, Science, and Psychic Energy"

We were amazed by Missy Rodgers' Super Angel-Mewtwo-Harmony Celestial Eternal Xelnaga transformation, and when Zelos Wilder saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Stankfoot saw it, he went completely insane, but Missy fired a powerful orange energy blast with psychic energy, lightning, and Mewtwos at Stankfoot, and he got hit hard and electrocuted and was sent flying into a wall, he got back up, but now, he was really mad now.

Jason James: Whoa, so that's…?!

Lincoln told them about The Legion of The Lincoln Haters, and after he was done, they were shocked and horrified.

Jason James: I remembered hearing about them, they're bad news and bad to the bone!

Me: Yep, and they all want Lincoln dead, but we're not going to let them do so. So far, Lincoln and several members of his harem have killed Wrenley Bailey, Taytum McKinley, Selena MacKenzie, Raya Taylor, Olivia Paisley, Nyra Remmington, Mylah Palmer, Michaela Maddison, Melania Narcissa, Harper Reagen, and Frejya Jordan.

Nico: A bomb!

Stankfoot: That's right. When it goes off, it'll mutate everyone in a 5 mile radius.

Jason James: Good riddance to you, Stankfoot, you've caused enough trouble to the city.

Nico: That's for sure. Awesome job, gang, Stankfoot is gone for good.

Lincoln: Now, there's only one last thing to do, and one last loose end to tie up: Flora Marley.

Lincoln: Oh great, I knew there's no mistaking that foul mouth from anywhere, you just don't know when to call it quits, do you, Flora Marley.

We saw a girl with black hair, red eyes, and dressed in a black coat, white blouse, black pants, and black knee-high boots heading our way on a motorcycle, it was Flora Marley of The Legion of The Lincoln-Haters, but we also saw Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson heading here as well.

Selene Arcangela: Oh great, that monster bitch's also got Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson with her.

Lincoln: If they think I'm going to take that lying down, they've got another thing coming.

Lincoln fired magnetic blasts at the motorcycles and destroyed them and that sent the Legion of The Lincoln Haters flying off the destroyed motorcycles, and when they got back up and saw Lincoln, they were now absolutely pissed off.

Flora Marley: You ruined everything, Lincoln Loud! We had every last loser cowering in fear before us, but you… ! YOU JUST HAD TO PLAY THE HERO AND RUIN OUR REIGN!

Brianna Grayson: And what you fucking did in killing our dads… , THAT WAS THE LAST STRAW THAT BROKE OUR FUCKING BACKS! KILL THEM ALL! LEAVE NONE OF THEM ALIVE!

But, before Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson could get after us, Lincoln trapped them in a rainbow energy field.

Alana Cameron: WHAT THE FUCK?! HE TRAPPED US INSIDE THIS AGAIN! I'LL FUCKING KILL YOU, LINCOLN!

Lincoln: Cry me a river!

Maria: You tell her, Lincoln! (Flips Middle Finger) And up yours, bitch!

Qin: They're just as, if not even worse, than Audrey Madison, and she was a heartless, sick, twisted, good-for-nothing, murderous slut!

Me: And they're still as stupid and murderous as ever.

Suddenly, Missy's pink eyes turned neon pink and she was surrounded by an orange energy aura with psychic energy, lightning, and Mewtwos, she unholstered her Mewtwo's Psychic Science Lightning Greatsword of Psychic Science Lightning Quantum Justice from her back, and as she approached Flora Marley, she left orange energy, psychic energy, lightning, and Mewtwos with every step.

Missy: You really are everything that Lincoln said you and the rest of The Legion are: remorseless, evil, black-hearted, bloodthirsty monsters who care about no one except for yourselves. Lincoln was right to end your reign of terror and send every last one of you to prison five years ago, but it seems prison was too kind to all of you, instead you decided to break out five years later to get revenge on him for something that was entirely your fault, and I cannot allow you to live a single second longer.

Suddenly, Missy Rodgers was surrounded by a massive vortex of orange energy with psychic energy and lightning surrounding the vortex, there are Mews and Mewtwo flying around the vortex, and in the vortex is a red phoenix with red eyes glaring at Stankfoot: the red eyes of death. Then, as the vortex faded, Missy emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Missy Rodgers grew from 7'4" to 7'5" in height, she has the body of a goddess, she has orange highlights in the bangs of her long flowing red hair, she has neon pink eyes and an orange energy aura with psychic energy, lightning, and Mewtwos surrounding her, she has Mewtwo emblazoned on her forehead with Third Eye with orange iris, she has on Mewtwo earrings with orange gems for eyes and holding the Psychic, Thunder, and Eternity Kanjis in its hands, she has on her Crystal Necklace of The Buddha with orange gems in the gold lightning bolts and orange crystal links and orange Mewtwo-shaped Element of Harmony, and on the bottom of the Element of Harmony is Mewtwo with orange gems for eyes and holding the Psychic, Thunder, and Eternity Kanjis in its hands for the pendant, she has on a sleeveless orange crop top and orange scarf, orange plaid skirt, orange pants with flowers, orange sneakers, and long white sleeveless trenchcoat with psychic energy and lightning on the coattails and on the back is Mewtwo surrounded by lightning and psychic energy. Suddenly, Missy felt a sharp pain on her back, and then, her massive red angel wings with orange tips on the red feathers, grew much bigger for her new body, she has on a Ring of The Phoenix with large orange gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps Ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Missy Rodgers' Mewtwo's Psychic Science Lightning Greatsword of Psychic Science Lightning Quantum Justice and all the greatswords and swords that she'd gotten began to merge together and they're surrounded by a kaleidoscope of orange energy, psychic energy, lightning, and Mewtwos, and when it emerged, it was transformed into Missy Rodgers' Mewtwo's Eternal Psychic Science Lightning Greatsword of Psychic Science Lightning Quantum Justice, it's a brand-new massive greatsword with embedded orange gems and Mewtwo etched on the 7'3" massive, wide, double-edged red blade, large Mewtwo heads for the crossguard, large white angelic faces built into both sides of the hilt with red gems embedded on their foreheads, longer midnight black handle, four large Mewtwo heads and a large phoenix head with red gem in its mouth on the bottom of the Mewtwo heads for the pommel, she has on her new large gold Bracers of The Champions of The Universe with red gems on her wrists and Dragon Ball Bracelet on the left bracer, her new gold Belt of Elemental Bravery with a gold version of Mewtwo's head with red gems for eyes and a large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were amazed by Missy Rodgers' Super Angel-Mewtwo-Harmony Universal Eternal Celestial Xelnaga transformation, and when Zelos Wilder saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Flora Marley saw it, she went fucking crazy and she got out her machine gun to fire at Missy Rodgers, but Missy Rodgers fired a barrage of orange energy blasts with psychic energy, lightning, stars, and Mewtwos at Flora Marley and it sent her flying into a tree back first, she got back up and she ran at Missy Rodgers again with a knife she got out, but she disarmed Flora Marley and dislocated her arm and sent her flying into another tree with a roundhouse kick, she got back up, but now, she was mega pissed off!

Missy Rodgers: (Divine Godly Cosmic Voice of The Psychic Quantum Science Lightning Mewtwo Angel and Divine Psychic Quantum Science Electric Lightning Mewtwo Psychic Love) Now, what you see is my Phase 2 transformation, guys. Now, then, I think it's time for you to transform, Giggles.

Giggles: Yeah, let's get her!

Suddenly, Giggles' eyes turned neon aqua blue and she was surrounded by an aqua blue energy aura with water, stars, ocean waves, sea creatures, plants, and phoenixes, and as she approached Flora Marley, she left aqua blue energy, water, ocean waves, sea creatures, plants, and phoenixes with every step.

Giggles: I can't believe that you'd break out one day to get revenge on Lincoln for something that was entirely your fault, Flora Marley, and the same goes with the rest of the monster bitches inside the energy field. You think that now that you and the rest of The Legion of The Lincoln-Haters have broken free you can just waltz in here and try and kill Lincoln, we're not standing for it. You've already put the final nail in your coffin, and now, it's time for you to die.

Suddenly, Giggles was surrounded by a massive vortex of aqua blue energy with water, ocean waves, stars, and plants, surrounding the vortex, there are sea creatures swimming and phoenixes flying around the vortex and in the vortex is a blue phoenix with red eyes glaring at Flora Marley: the red eyes of death. We were amazed by Giggles' Super Angel-Mermaid-Phoenix-Harmony Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Flora Marley saw it, she went fucking crazy and she pointed her machine gun to fire at Giggles, but Giggles fired a barrage of aqua blue energy blasts with water, ocean waves, sea creatures, stars, plants, and phoenixes at Flora Marley and it sent her flying into a tree back first, she got back up and she ran at Giggles again with a knife she got out, but she disarmed Flora Marley and dislocated her arm and sent her flying into another tree with a roundhouse kick, she got back up, but now, she was mega pissed off!

Nico: Whoa!

Me: Oh man! If I were in Flora Marley's shoes, I'd be saying my prayers.

Luan: You got that right, Giggles has transformed into her Super Angel-Mermaid-Phoenix-Harmony Universal Eternal Celestial Xelnaga form, and she disarmed Flora Marley and sent her flying into a tree with a roundhouse kick. She's really become a young woman, incredible.

Lincoln: Flora Marley has been asking for this for a long time, and what better way to administer her final judgement than right in front of the other members of The Legion of The Lincoln-Haters.

Giggles: (Divine Godly Cosmic Voice of The Cosmic Laughter Maelstrom Plant Mermaid Phoenix Angel and Divine Water Cosmic Comedic Maelstrom Plant Mermaid Phoenix Love) You got that right. Now, let's rip her apart, Linky.

Lincoln unholstered his massive Lincoln Loud's Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Phoenix-Harmony Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Angel of Divine Universal

Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Hope, and he joined Giggles and Missy Rodgers.

Lincoln: Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You and the others have caused more than enough grief and trouble to everyone in Michigan for too long, Flora Marley. We've made the right choice getting you all expelled and put in prison five years ago, but you know what, prison's too good for any of you. Now, we're going to fix that and do what should've been done to you years ago.

Giggles, Lincoln, and Missy Rodgers went after Flora Marley who went extremely ballistic and continued firing at them, but they dodged the bullets, and they fired extremely powerful blasts of rainbow energy, aqua blue energy, orange energy, fireworks, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Flora Marley and they exploded with incredible power as they hit her, and they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and he, Giggles, and Missy Rodgers attacked her with punches, kicks, and karate chops, and they were really, really, really pissing off her off now and driving her even more ballistic.

Just then, Flora Marley got out a second machine gun, but Lincoln put up a rainbow energy shield around him, Giggles, Missy Rodgers, and all of us, and she started shooting like crazy and also laughing like a deranged bitch, but the bullets were getting bounced off the energy shield. Suddenly, the machine guns ran out of bullets and Flora Marley's deranged laughter died down and she was really fucked now.

Me: Hah! You're out of bullets, bitch, and you know what that means!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smirks) You're shit out of luck!

Lincoln grabbed Flora Marley by the neck and he tossed her into the air, and Lincoln, Giggles, and Missy Rodgers fired a powerful barrage of energy balls with psychic energy, water, plants, stars, quintessence, elemental forces, and mythological animals, and as they hit Flora Marley, they exploded with incredible power and she was killed in the explosions, and that angered the rest of The Legion of The Lincoln-Haters. Then, Flora Marley's spirit appeared, and she was still incensed with anger and fury.

Flora Marley: You think you've won?! I'LL RETURN ONE DAY AND KILL YOU ALL!

Lincoln: Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) No, you're done and this time forever, Flora Marley.

Lincoln summoned the spirits of Flora Marley's victims from the past who seized her, and then, he drew the Judgement Kanji on her forehead, and as predicted, she was found guilty for her crimes, and she was fading away from existence.

Flora Marley: NO! NO! DAMN YOU, LINCOLN LOUD, DAMN YOU ALL, TEAM LOUD PHOENIX STORM! DAMN YOU ALL TO (FADES AWAY)

We cheered wildly as Missy Rodgers, Giggles, and Lincoln holstered their massive greatswords on their backs and powered down, and Missy Rodgers' new body, clothes, weapons, jewelry, Third Eye, and massive angel wings are permanent, and Giggles' new body, clothes, weapons, jewelry, Third Eye, and eleven massive and long dark brown tails, and massive dark brown wings are permanent.

Then, the rainbow energy field Lincoln put up to keep Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson inside went down, and they ran up to the dead remains of Harper Reagen. Then, they looked at Lincoln and they were absolutely really seething with rage!

Brianna Greyson: You're going to pay for this, Lincoln Loud! YOU FREAK! KILL HIM!

Suddenly, the sound of police sirens were heard, and being the criminals they were, they knew they were in huge trouble!

Brianna Greyson: This isn't over, Lincoln Loud!

Then, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson ran off, but not before they gave us the finger, and me and Nico retaliated by giving them the finger and it drove them mad as they ran off.

Nico: Yeah, up yours too, bitch!

Giggles: We've taken one down so far, and now, we got nineteen more to go. Thanks for helping me destroy Flora Marley, Linky, you too, Missy.

Lincoln: (Smiles Warmly) You're welcome, Giggles.

Missy Rodgers: No problem, Giggles.

Missy Rodgers came back to us, and suddenly, Giggles wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Giggles' face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, and Angel flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and ocean waves behind them and we cheered wildly. Then, Lincoln and Giggles absorbed the water and they came back to us as the display vanished.

Nico: Whoa, now that's what I call maelstrom justice. Lincoln, Giggles, Missy, you three did really awesome in teaching that monster bitch, Flora Marley, a lesson and pissing off the rest of those monster bitches.

Lincoln: Thanks, Nico, but this is only the beginning of The War Against The Legion.

Me: You said it.

Lincoln: And for tomorrow, the next member of The Legion of The Lincoln-Haters that's going to show her face is Emberlynn Harlow, which means you and I are up next, Tabby.

Tabby: Oh yeah, we're going to bring the house down on her!

Luna: Oh, she's in major trouble now, dude, she'll be facing Tabby and Lincoln, and they'll bring down the house on her!

Lincoln: But we've also got to keep an eye out, The Legion of The Lincoln-Haters are bound to send hired thugs after us.

Nico: We'll be ready for them since we've been dealing with hired thugs hired by our resident jerks to kill us, which always end with you killing them by sucking out their blood and pissing Flip and the other jerks off. So, which Elemental HERO of Earth are you meeting tomorrow, Lincoln?

Lincoln: The next one we're meeting tomorrow is a Gene-Slammer for Elemental HERO Elemental HERO Gaia.

Melanie Aranyani: Perfect, and there's only one person who'd be Gene-Slammed into Elemental HERO Wild Wingman: Selene Lexington, Serenity Lexington's little sister from New York, and she's one of the Elemental HEROS of Earth, and she's also a powerful and physically strong girl and awesome athlete and good sportswoman in the field of sports. Plus, she's also a very seductive and sexy hot mama with the same body as me.

Lincoln: And like you and the other Elemental HEROS of Earth, Melanie, she's also had to deal with Lynn, and she's more than once dealt with her sore loser attitude and always going on her rage-fueled rampages, along with acting like an animal and even letting out those loud belches, and trying to kill me more than once.

Nico: Jeez, how many times has Lynn pissed you girls off with her rampages?

Lincoln: Don't even ask that, Nico, Lynn has done that one too many times in the past, only for her to get beaten down like a ragdoll by their superhuman strength, but she always got back up, but when I join them in the fight, Lynn always gets knocked out.

Me: I've seen how much stronger Lincoln has gotten during those days, and I've seen what he can do especially with those massive muscles that he's been constantly developing, and it always ended with Lynn getting knocked out on her butt, tied up like an animal, and dragged away to face her doom at the hands of her angry siblings and parents.

Nico: Dang, and with how Lincoln kept on getting bigger, stronger, and smarter, Lynn kept on badly underestimating him.

Luna: She had an overinflated ego because of that animal inside her, dude, and she thought she could get away with it, but she was wrong.

Lori: It always came back to bite her on her smelly butt, she was beaten by her own little brother who was constantly getting bigger, stronger, faster, and smarter over the years thanks to help from his Guardian Angels, Luna, Leni, Laney, Lucy, Lana, Lily, Mom, and Dad, while Lynn, Luan, Lola, Lisa, and I were seething with rage and plotted to kill him, no doubt thanks to our Dark Sides.

Luan: We should've been proud of him, but no, those monsters wanted him dead. But, we'd since been freed and we repaired those bonds with Lincoln, and not only did Killjoy Huggins pay the price, but also, Dark Chase Young, who was in fact the true source of his pain and suffering.

Anna Anyanova: You got that right. But, Selene Lexington has a bit of a nasty revelation to tell you all tomorrow: she's going to reveal how Lola tried to destroy us by throwing bombs at us while we were working out at our gym, but our alarm triggered in time as soon as she stepped foot on the grounds, and Selene and Lincoln took her down hard.

We gasped in shock and horror.

Nico: Oh man.

Me: I still remember that day all too well, but we'll wait until tomorrow to hear it.

Artha rode Beau as both of them charged at the mutated insects.

And slashed them all apart and they were destroyed!

Trixie Lulamoon: That was perfect! A victory for the dragons and

The Great and Powerful Trixie!

Artha: Yeah it was!

Trixie: What should we do now?

We later came back.

Trixie Lulamoon: Is it?

Me: It's done and over. Stankfoot is dead and he is now a forgotten memory.

Nico: Lets blow this castle into kingdom come as the icing on the cake.

I fired a massive energy blast and blew his entire castle into oblivion and destroyed everything!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

Me: That's it!

Jason James: It's done. My parents have been avenged!

Eris: We're very happy for you, Jason.

Unicorn: They would be very proud of you.

We went to the graveyard where Jason's parents are buried.

Jason James: It's over mom and dad. You have been avenged. Stankfoot is dead and he is gone forever.

I put my hand on his shoulder.

Me: They would be very proud of you Jason. You did good today.

Jason James: Thanks J.D.

Yenaldooshi: (to Artha and his friends) You guys helped too.

Artha: We sure did.

Me: We owe you guys big time.

Jason James: See you in 7 days.

Artha: We'll be waiting.

Jason James: (to Beau) I'll see you too, Beau.

Beau purred as Jason petted him.

Chillyfish: Let's go home now.

Thundermon: Yeah! We need a shower! Badly!

Me: WHEW! You're not kidding!

Nico: But great job today everyone!

Qin: This was awesome!

Missy Rodgers: My mission is now complete.

Lola: It sure is!

Ellie Martin: (To the viewers) Never mess around with the laws of nature or else you will answer to all of us.

Me: You got that right.

We went back home and got Jason and friends settled in and we took a really good shower. Then we enjoyed the rest of the day and went to sleep.

But, she and the other Elemental HEROS of Earth along with Lincoln have more than once beaten Lynn into the ground, tied that animal up, and dragged her smelly butt home where she eventually got into massive trouble with her parents. Plus, during the exercise scene, she's going to reveal a very horrible revelation: about how Lola tried to destroy their gym with bombs while they were inside working out, but their alarm system alerted them early, and Selene and Lincoln took her down hard and they got that blackmailing pink-wearing pageant demon grounded big time.

Get ready for the return of Mesogog and we're going to destroy that evil dinosaur and make him pay for his crimes and we're going to make sure he is permanently extinct!

Me: A toast to Missy for her awesome completion of her ambassador mission!

All of us: HERE HERE!

Nico: That was so fun!

Rarity: It sure was darlings and we had a truly breathtaking adventure.

Laney: And the world is now free of Stankfoot.

Lana: Yeah good riddance.

Varie: That is for sure!

Cat: You got that right guys! I'm glad he is gone!

Dog: HI HO DIGGETTY! Yeah me too Cat.

Camie: That was still so fun though.

Me: Nico you should be really proud of Missy on her mission.

Nico: Oh I am. Also Cat, I want to thank you, Dog, Mr. Mittens, and your teams for coming today.

Cat: It's not a problem Nico. It's awesome that we all get to help you guys.

Dog: It sure is Cat.

Sakura Knudson: It's so awesome. By the way Cat how is that possible for you and Dog to be attached together like that?

Cat: We were actually born this way Sakura.

Dog: Yeah it's really fun.

Mr. Mittens: That was my first question when I had my first ever usual battle with them.

Cat: Good times.

Laney: Yeah.

Nico: Max, are you related to the Flash family?

Max Mercury: No I'm not. Just because I was gifted with superhuman speed doesn't mean that I am related in any way to him.

Qin: That's okay though.

Me: (SLURPS) Ahh. Mmm Kiwipaya. That's okay though.

Xenia: It sure is.

Lola: It's still awesome.

Cat: I agree there too.

Max Mercury: But I AM Wally and Bart Allen's mentor though.

Me: That DOES make you part of their family to a certain extent.

Max Mercury: I guess it does in everything but blood.

Qin: Yeah.

Camie: I agree there too. And it's awesome.

Nico: All of us needed a bath after yesterday.

Me: Boy you're telling me. Stankfoot was one stinky filthbucket.

Laney: He sure was.

Leni: And I thought Lori's farts smelled really terrible!

Lori: (Offscreen) I HEARD THAT!

Nico: Geez Lori is sharp about that.

We laughed!

Me: It's true. But man Stankfoot smelled like a rotten cesspool.

Anna Anyanova: More like Lynn when she finishes working out at the gym.

Maria: The stink was worth killing Stankfoot over.

Me: That it was.

Camie: Like J.D. said, being a superhero is a dirty job but we got to do it.

Eli: That's right. It's a really filthy job.

Tsuyu: But someone has to do it.

Sirius: I agree there.

Nico: That is true. But as a big bonus we avenged Jason's family.

Me: That is for sure and we destroyed everything that Ronson and Stankfoot did and were going to do.

Lola: Yes we sure did.

Nico: (to May and Maria) Is everything okay between you two now?

May: Yeah we made up.

Nico: Good.

Maria: That ridewatch got me to open my big mouth.

Me: We'll have to file that one under use extreme caution.

Qin: Yeah Frankie the Squealer is known for not keeping his big his big mouth shut.

Lola: That is for sure.

Xenia: Yeah no kidding.

Nico: Yeah no kidding.

Laney: (SLURPS) Mmm! Strawnana. Delicious.

Lana: But that was still an awesome mission.

Horsea: Is there anything for me to eat?

Pipp Petals: Plenty of fruits for you.

Horsea: Cool!

She gave her fruits.

Sunny had me on top of the lighthouse where the Unity Crystals are.

Me: Wow! Are those the Unity Crystals?

Sunny Starscout: That's right.

---

According to Discord, one day, a mysterious wicked unicorn pony came along and caused pandemonium by convincing some ponies into hating each other. Soon ponykind found themselves divided, which caused a terrible event to happen.

To make sure magic never pitted unicorns, pegasi, and earth ponies against one another, Twilight Sparkle gathered all the world's magic and placed it in three crystals. As long as these crystals were protected, and all ponykind lived in harmony, magic would be kept alive and well in Equestria.

The earth pony crystal is clear, and shaped like a circle. It's supposed to represent the hooves of an earth pony, and the Element of Land.

The unicorn crystal is purple, and shaped like a horn. It's supposed to represent the horn of a unicorn, and the Element of Sea.

The pegasus crystal is light blue, and shaped like wings. It's supposed to represent the wings of a pegasus, and the Element of Air.

The three crystals fit together, representing the friendship between all three pony kinds.

---

Me: Racism strikes back with a vengeance on Ponykind. And all because of Opaline.

Sunny Starscout: That's right. She was pure evil.

Me: Yeah. She destroyed everything Twilight Worked so hard to do. And all for power. Her own powerlust tore all ponykind apart. Now I'm really glad we killed her.

Sunny Starscout: Me too. Thanks to me and my friends and all of you guys we brought everypony back together.

Me: I'm glad we did and we stopped a lot of crud from happening.

But then the stones started reacting to something and they glowed with intense brightness and then my sword lifted out of my holster and I held on to it and then I felt this massive surge of intense power!

Nico and everyone sensed it and rushed to me!

Nico: What's going on!?

Everyone gasped in shock and amazement!

Qin: WHOA!

Laney: WOW! J.D. unlocked a new transformation!

Nico: WOW! J.D.'s power is incredible!

Eli: Unbelievable!

Nico: WOW! J.D. how do you feel?

Me: (Divine Echoing Godly Voice) **I feel amazing Nico! Wow!**

Nico: Incredible! Wow!

Eli: How did this happen?!

Me: **I don't know! Sunny was showing me the Unity Crystals and how she and her friends worked hard to bring them together. Then the next thing I knew they reacted to me and my sword and then this happened.**

Hitch Trailblazer: That is really awesome!

Camie: Wow! J.D. looks (TURNED ON) SO SEXY AND AWESOME!

Zuria: (TURNED ON) HE SURE IS SEXY!

I then powered down and I felt wobbly.

Nico caught me.

Me: Whoa! That was close.

Xenia: Wow! J.D. that new form is your most powerful one ever.

Me: Yeah it sure is.

Horsea: Want some fruit?

Me: Oh thanks Horsea.

I ate some Kiwipayas and they were delicious.

Me: Mmm! Delicious.

Horsea: I'm having some too

Me: It's all really good fruit though. Sunny you and everyone made awesome fruit in your garden.

Sunny Starscout: I'm glad you like it.

Mr. Mittens: Boy Vypra and everyone back at HQ is going to flip hearing about this!

Qin: They sure are!

Xenia: No kidding.

My cell phone rang.

Me: Oh excuse me. (Answers) Hello?

Lori: J.D. it's Lori! We literally felt this massive energy increase. Are you okay?

Me: Yeah I'm okay Lori. Just underwent an amazing and epic new transformation. I'll explain it to you all later and show it to you on the main mission.

Lori: I have a feeling this will literally be an awesome one to see.

Me: It will. Thanks for your concern for me.

Lori: You're welcome. Bye.

We hung up.

Horsea: This is tasty!

Nico: That is really good fruit. But I did not expect you to transform like this J.D.

Me: Me neither. But I feel incredible.

Qin: No kidding.

Laney: Whoever we're going to face is going to be in for a really rude awakening seeing your new transformation.

Lana: I'll say!

Horsea continued to eat more.

May: (LAUGHS) Looks like Horsea loves all your fruit Sunny.

Sunny Starscout: She sure does.

Zipp Storm: That is true.

Laney and Fluttershy were talking to the Raccoonicorns. They were so cute.

Laney: The Raccoonicorns are all so adorable.

Fluttershy: I think they are so adorable too.

Camie: They sure are. And the Pegasnails are cute too.

Hitch Trailblazer: All the critters are adorable.

Nico: Eli, sense for Swartz's creations

Eli: Already did and there's only three of them this time. Another Kannon, Another Superfriends Cheetah and Another Mr. Mittens.

Me: Cool!

Qin: This will be interesting.

Lola: I have a feeling that we're going to need Gusto's help for this one.

Rainbow Dash: I'll call him in.

Gusto came.

Gusto: (French Accent) You rang?

Rainbow Dash: Glad you made it Gusto. Another Kannon is among the Another Villains.

Gusto: You called the right Skylander.

Sparky was having a good time too.

Me: Oh Sparky you are so awesome.

Then a bird landed on my arm.

Me: Oh hello there pretty one.

He chirped.

Me: It sure is a beautiful day isn't it.

Nico: You can understand what the bird is saying?

Me: Wait. (GASP) I can! Lets see here.

The Raccoonicorns came to me.

Me: It's amazing that I can understand you guys.

Eli: He sure can understand them.

Me: Wow! I have the same power as Fluttershy. I can understand animals too.

Nico: Cool!

Me: I wonder what other powers I have.

Gusto: You can find out what other powers you have later.

Me: You're right. We have a job to do.

Nico: Right.

We went down to the ground.

Me: It should be here somewhere.

BANG!

Eli: LOOK OUT!

We saw a barrel coming and we ducked and it hit the wall of the Crystal Brighthouse!

SMASH!

Me: WHOA!

Nico: Where'd that come from?

Me: I think from her!

We saw a dark figure come out and it was ANOTHER KANNON!

Nicole: Another Kannon! Kannon from Donkey Kong Country 2.

BANG!

It fired another Barrel.

Me: HEADS UP!

I formed a Jewel Shield like how Rarity does! It smashed against the shield!

SMASH!

Me: Rarity's Jewel Magic! Wow!

Rarity: That is most amazing darling!

Me: I think my new transformation gave me access to all your powers! Twilight this is amazing!

Twilight Sparkle: Boy it sure is!

Me: Lets find out more later.

Another Kannon: (In a girls voice) (Australian Accent) Sorry about that mates. I was just a little triggerhappy.

Me: (GASP) That voice.

She reverted back and was a girl with aqua blue hair, aqua blue eyes and neon aqua blue clothes and had Blue Angel Wings and the symbols of the air skylanders on her skirt and in the middle of her forehead.

Me: Vina Gusto!

Vina Gusto: Long time no see J.D. How have you been mate?

Me: Great Vina.

Nico: Hurl another barrel. I want to see if J.D. has Applejack's super strength.

Vina Gusto: All right.

She turned into Another Kannon and fired many barrels at me and I punched the barrels with Applejack's incredible super strength and smashed them into matchsticks!

Nico: WHOA!

Applejack: YEEHAW! Smash those barrels!

SMASH SMASH SMASH SMASH SMASH SMASH SMASH!

Nico: YEAH! SMASH THEM UP!

Another Kannon: That was great J.D.!

Me: Boy no kidding! Now I know why Donkey Kong and the DK Crew love hitting barrels.

Another Kannon: I do Cannonballs too.

She fired Cannonballs!

I then used Pinkie Pie's Sprinkles and threw sprinkle bombs and they hit the balls and then..

BOOOM BOOM BOOM BOOM!

The balls were blasted back and they hit Another Kannon!

Me: Whoa! Pinkie Pie's Sprinkle Bomb Power! Awesome!

Gusto: Save some for me!

Me: Boy that was awesome!

Nico: Boy it sure was!

Vina turned back.

Vina Gusto: J.D. that was amazing mate!

Me: It sure was!

Vina Gusto: And it's good I am meeting Gusto too mates. I am also the gene-slammer for him.

Me: Whoa! Gusto's Gene-slammer.

Nico: That is cool!

Gusto: That is very coincidental too.

Laney: Boy Gusto VS Gusto. Very awesome matchup.

Vina Gusto: That is amazing mates.

Gusto: Keep throwing those barrels. I like a challenge!

Vina Gusto: Boy you really want more don't you.

She turned into Another Kannon and fired more barrels.

I ran fast and left a rainbow trail behind me!

Rainbow Dash: Awesome! J.D. has my super speed!

ZOOM! ZOOM ZOOM ZOOM!

I was running fast and dodging more barrels!

I then fired blasts of intense fire and burned the barrels into ashes!

Me: WHOA!

Nico: Whoa! Those are intense fire powers!

Me: Uhh Sunset can you do anything else beside probe minds?

Sunset Shimmer: I actually have intense fire powers.

Me: Whoa!

Sunset Shimmer: Yeah my geode powers enable me to use fire.

Me: That is amazing!

Sunset Shimmer: But I don't use them that much because it's incredibly dangerous.

Me: That's a good call.

She fired more barrels and I used Twilight's Magic and hurled them back! I smashed them around Vina!

Me: WHOA! Twilight's Magic as well! That is cool!

Nico: Wow! What can Starlight do?

Me: Lets see.

I then went completely invisible!

Me: Whoa!

Nico: J.D.'s Invisible!

Starlight Glimmer: I have invisibility powers. I never showed them.

Nico: That is cool!

Gusto jumped over a barrel

And I punched it and smashed it and became visible.

Me: Wow! That was awesome!

Vina reverted back.

Vina Gusto: Boy you sure have gotten lots of surprises mates.

Me: No kidding! That was awesome!

Gusto: It sure was.

Vina Gusto: That was a great show mates.

Me: Thanks. By the way are the other two Another villains friendly or hostile?

Vina Gusto: Friendly but they aren't gene-slammers like me though.

Me: So you're the only one out of the three.

Vina Gusto: That's right.

Me: Well lets save you from this first.

She turned into Another Kannon.

Gusto finally reached her and fired a blast of wind and boomerangs and blew her into the air.

Girl Jordan: Lets go Leeli.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER

AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Dark holoré in the Deep

Spring abundant holoél

Another Kannon glowed and Vina flew away from him!

Vina Gusto: Crikey! That was amazing!

Gusto and Vina fired a blast of wind and boomerangs and blasted him down.

BONK!

Vina Gusto: That was great mates!

Qin: Whoa! That was awesome!

Gusto: Gusts of Glory!

I caught the Wonder Ride Book and it was called The Australian Sky Princess and the Cannon Firing Crocodile Army.

Me: Cool title.

Gusto: I was honestly hoping to free her once I attacked her.

Girl Jordan: Sorry but it's best to free them before we knock them down.

Vina Gusto: Good call there.

Me: That was so awesome!

Qin: That one was a fun one.

Lola: Boy it sure was.

Me: Lets see what Sunset's memory probing powers can do.

I touched Nico's hand and then my eyes glowed an intense white and I peered into his mind. I saw that Nico eats chicken wings for a midnight snack when no one is looking and he accidentally ate the chocolate cake Rita made for her lunch.

Me: Whoa you have an awesome appetite Nico. But Rita made that cake for her lunch.

Nico: Oops! I had no idea! Sorry.

Rita: Oh it's all right Nico.

Nico: I always get hungry at 11:30 to Midnight.

May: I do notice that.

Nico: What can I say? I just like wings.

Me: We know Nico.

Vina Gusto: But that was a really amazing display there mates.

Laney: Boy it sure was.

Fluttershy: And J.D. displayed an amazing demonstration there.

Me: Aw it was nothing.

Qin: That was fun though.

Me: Yep. We're not done yet though.

But then…

ZOOOM!

Something ran passed us with incredible speed!

Maria: What was that!?

Me: No idea! But uhh Maria?

I pointed and she saw that her pants were pulled down!

Maria: GAAH! EYES TO YOURSELVES PERVERTS!

She pulled them back up.

Nicole: Welcome to my world Maria.

Maria: OKAY WHO'S THE WISEASS!?

Nico: (blushes) I saw nothing!

Nicole: (THREATENINGLY) YOU DO AND I WILL SMASH YOUR BRAINS OUT OF YOUR SKULL!

Nico: (GULP)

Me: But seriously who did that!?

Then a dark version of Cheetah came out and it was ANOTHER SUPERFRIENDS CHEETAH!

Me: Whoa Another Superfriends Cheetah!

She was laughing Hysterically!

Another Superfriends Cheetah: (LAUGHING) Gotcha good Maria!

Maria: (GASP) (LAUGHS) You haven't changed a bit Wendy!

She reverted back and it was a girl with orange hair and had orange cat ears and had an orange cat tail.

Maria: Guys meet Wendy Fel Lionus A.K.A. Lady Cheetah.

Nico: Awesome!

Maria: She helped me and my friends out from time to time. And she is also a silly prankster.

Me: Awesome to meet you Wendy.

Wendy Fel Lionus: Same to you J.D.

Qin: That is some really fast speed you have there.

Wendy Fel Lionus: I know.

Camie: Wow you really surprised us and got the drop of Maria.

Wendy Fel Lionus: I know. I get that a lot.

Nico: Did you prank Maria for old times' sake?

Wendy Fel Lionus: I sure did. Me and Maria were the best pranksters in all of Dakota and we knew how to make people laugh.

Carol: I remember in kindergarten you made a bad kid sit on a bag full of dog doodoo and he was so humiliated!

Wendy Fel Lionus: (LAUGHS) That was so funny! And it's awesome to see you too Carol.

Carol: It has been a while.

Me: And I'm guessing you got exposed to the Quantum Vapor yourself.

Wendy Fel Lionus: I sure did. I was running in the Track Course for the Triathlon and then the Big Bang happened. Next thing I knew I was turned into this. I got superhuman speed, night vision and I have a love for fish and powerful slashing claws.

Me: That is amazing.

Superfriends Cheetah: That is amazing. We both have exactly the same powers.

Wendy Fel Lionus: That's true we sure do.

Max Mercury: Okay, young lady. I admit you have good pranking skills. But let's see how you do against me. Separating you from the get go might not even be necessary.

Wendy Fel Lionus: This will be an awesome honor Max.

Max Mercury: It sure will be.

She turned into Another Superfriends Cheetah and they both ran superfast!

ZOOM ZOOM!

Me: WHOA!

Rainbow Dash: That is awesome speed!

Me: Boy no kidding!

ZOOM ZOOM ZOOM ZOOOM!

Nico: That is amazing speed!

I pulled out my radar gun and clocked it in.

Me: WHOA! 3,000 miles per hour! That is fast!

Qin: No kidding!

Nico: They're so fucking fast!

Me: No kidding! That's a fast as a hypersonic jet!

But then..

CRASH!

Another Superfriends Cheetah CRASHED INTO A TREE HEAD ON!

SMASH!

But the tree was not a tree at all! It was actually a standing tower of three Ducklett!

Nico: Three Ducklett!

Me: Cool!

Duckletts: (In Acapella) (In girls voices) Hello… Hello… Hello!

Ducklelt 1: Looks like you hit a roadblock.

Ducklett 2: That roadblock is us.

Ducklett 3: That is for sure!

Nico: I Don't believe it! Vina Howard, Gina Howard and Terri Fine!?

Qin: The Three Stoogettes!? WHOA!

Nico: And we're not even fighting Another Mr. Mittens yet.

Ducklett 1: Awesome to see you again Nico.

Ducklett 2: Same here.

Ducklett 3: You sure have grown a lot. Nyuk nyuk nyuk nyuk nyuk.

We laughed!

They reverted back and were three girls with Aqua Blue hair and blue clothes. Vina had a bowl cut hair, Terri had curly hair and Gina had a long short hair style.

Me: Wait are you girls…

Vina Howard: Yes we are the great granddaughters of the legendary Three Stooges.

Laney: Boy your great grandfathers are going to love having you with us!

Me: Yeah!

Terri Fine: But our great grandfathers have been dead for over 50 years.

Me: Actually they are back with us. Long story on that.

Varie: But it is a funny story.

Gina Howard: Boy that will be interesting. Hope it's as good as Vina getting hit. Nyuk nyuk nyuk nyuk.

Vina Howard: Why you!

HONK! CRUNCH! POINK! BOOF!

She honked her nose, twisted her ears, poked her eyes and hit her stomach!

We laughed!

Me: (LAUGHS) Just like their great grandfathers!

Eli: (LAUGHS) That is so funny!

Nico: Too bad Namine isn't with us.

Me: Still very funny though.

Lola: Yeah!

Terri Fine: We got this though.

They fired waves of energy and separated Wendy from Another Superfriends Cheetah.

Wendy Fel Lionus: That was crazy!

Max Mercury then came and blasted Another Superfriends Cheetah and she exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Wonder Ride Book. It was called The Cheetah Speed Princess and The Cheetah Castle.

Me: Cool title. Now Another Mr. Mittens is left.

Mr. Mittens: Wait. I smell the scent of another feline like me.

Cat: Hey me too.

Then we saw a figure come out and it was a dark version of Mr. Mittens!

Me: Uh oh. I know I'm not superstitious but I think a black cat crossed us.

Another Mr. Mittens: (In a girls voice) Actually I'm not really a black cat.

Me: (GASP) That voice!

She reverted back and it was a girl that had black hair, purple eyes, a purple dress and blue shoes.

Me: Tara Felus! Awesome to see you again!

Tara Felus: Don't forget my friends.

Then a massive number of different kinds of cats came!

Me: WHOA!

Nico: That's a lot of cats!

Me: I thought the Crazy Old Cat Lady, Springfield's Crazy Cat Lady, and Simone and Lena had so many cats.

Tara Felus: I know. They all came to me and I was taking care of them. My family loves cats.

Me: I remember that. Nico I was at her house many times and it is CRAWLING with so many cats.

Nico: WHOA! That is a lot of cats she has.

Lily: No kidding there! That reminds me of the time SpongeBob took in all those abandoned snails.

Qin: Whoa that is a lot of snails.

Me: Yeah.

Nico: Yeah.

Tara Felus: I know.

Kaito: (gets out Dekaranger gear) Did Swartz promise you anything?

Zocks: (Gets out Abaranger gear) Because we can grant it instead.

Kaito got an SPD Blaster and Zocks got the Abaranger Quill.

Tara Felus: Actually he was in a hurry to send me on my way. He is deathly allergic to cats.

Sakura Knudson: Boy I remember that! Whenever Swartz was around some cats he sneezes uncontrollably.

Me: Boy I never knew he had allergies to cats. Whenever my dad is around certain types of cats he itches like crazy!

Nico: That is weird.

Laney: Wow.

Lincoln: Yeah that is interesting.

Me: But we gave Swartz the Black Gates so he'll never worry about that again.

Nico: And Universe 666 Swartz isn't allergic to cats so that's good.

Tara Felus: Wow.

Me: I know.

Nico: But that is crazy though.

Me: Sorry we have to fight like this.

Tara Felus: No worries.

Sougo: (Gets out SPD Ridewatch) We're gonna get you back to normal and that Ridewatch out of you.

Geiz: (Gets out Dino Thunder Ridewatch) Even if it means going through all your cats!

Sougo got SPDRedArmor while Geiz got DinoThunderRedArmor.

She turned into Another Mr. Mittens!

Me: I hope this isn't considered as animal cruelty.

The cats surrounded Geiz and Sougo.

Sougo: Geiz?

Geiz: Yeah, Sougo?

Sougo: I think we bit off more then we can chew here!

Nico: (sighs and gets out Mr. Mittens' Ridewatch) Let me. You need feline power for this.

Nico activated it and called the cats over to them and Fluttershy and me were petting them.

Me: Oh they are so cute. I think they are hungry. (SPINS MAGISWORD BRACELET)

SALMON BUSH MAGISWORD!

I fired a beam of energy and formed salmon bushes for them.

Me: There you go guys.

The cats got to eating the salmon.

Nico: (gets out Superfriends Cheetah's Ridewatch) Time for more cat power!

Nico activated it and ran fast and ran around Another Mr. Mittens faster than a bullet fired from a gun and made her dizzy.

Qin: WHOA! That is fast speed.

May: (gets out Muscles Mouse's Ridewatch) Time for muscle power!

She activated it and got an awesome Female She-Hulk Body!

Me: WHOA!

Nico: WHOA MAMA!

May: Hey I look awesome as a She-Hulk!

Xenia: You sure do!

Me: I got an idea!

I snapped my fingers and made clones of Mr. Mittens as cats from Tom and Jerry and she went over and beat them up like Muscles Mouse did! She was smashing and pulverizing them brutally!

SMASH SMASH SMASH SMASH SMASH SMASH SMASH SMASH!

She was REALLY BEATING THEM UP!

Me: That was one of my favorite episodes of Tom and Jerry, Jerry's Cousin. I loved it where Muscles smashed all those cats up.

Muscles Mouse: Good times.

Me: They sure were.

Qin: Yeah that never gets old.

May: Now here is this. (ACTIVATES EPHEMERAL'S RIDEWATCH)

She fired waves of energy and buried them in cheese wheels that appeared out of nowhere.

Maria: Now watch this. (ACTIVATES MARIA WITCHBLADE'S RIDEWATCH)

She fired waves of energy and smashed the Tom and Jerry cat clones all over.

Maria: Now here is this! (ACTIVATES REPTILICUS' RIDEWATCH)

She fired Acid Slime and burned the clones all over.

The Gizmo, Eustace Bagge, Vellian Crowler, Power (Chainsaw Man), Doppelgänger, Angry Archer, New Sun, Bad Cop, Heavy Lobster (Kirby) and Pilaf Gang (Dragon Ball) came.

Nico: Nice team, Gizmo!

Gizmo: Thanks Barfbrain!

Eustace: Big deal.

Me: Yep.

Max Mercury: My turn. (ACTIVATES SUPERFRIENDS CHEETAH'S RIDEWATCH)

He ran fast and made her dizzy by running in circles.

Gizmo: These are a LOT of cats!

Me: I know.

Lola: I think all of them are cute.

Xenia: They sure are.

Gizmo: Yeah. WHOA! J.D.?! Is that you?

Me: It sure is. I had another transformation change.

Nico: Long story.

Me: Yeah.

Maria: Where is the… (YELPS)

A Swanna landed and perched on her head!

Gizmo: The next Gene Slammer's closer then you think!

Maria: I think it's right here on my head.

Me: Hey a Swanna.

Lana: That one is awesome.

Me: It sure is.

Swanna: (In a girls voice) Sorry about landing like this.

Nico: Odette Lolletta!? Wow!

She jumped down and reverted back and she was a girl with Blond hair and had blue eyes and a gorgeous sky blue dress and had blue angel wings and she had a swan on her dress.

Odette Lolletta: I got this.

Lincoln: But first this.

Lincoln fired an energy blast and Tara Felus was separated and Odette fired an energy blast and it hit Another Mr. Mittens and he exploded!

KRABBBBBOOOOOOOOOOOOOOOOOOOMMMMMM!

I caught the ridewatch and purified it.

Me: Awesome!

Odette Lolletta: That was a dazzling performance!

Max Mercury: What's your favorite memory of Nico?

Odette Lolletta: When me and Nico went to the Swan Lake Ballet and we had a lot of fun there.

Lincoln: That's an awesome ballet.

Me: It sure is.

Nico and Odette hugged.

Nico: I've really missed you.

Odette Lolletta: Me too Nico. Me too.

Lincoln: Ah, we're here in Memphis, Tennessee, and I know what we're going to do here, not only am I going to rescue the nine girls here, but we're also going to face, take down, and recruit the next hypothetical Akumatized Loud Sister into The Masters of Evil, Power Chord, the hypothetical Akumatized form of Luna.

Me: And from our talk with Gabriel on Easter, she has the powers of power chords and she causes mayhem with her loud music, but we're pulling the chord on her concert and we're taking her down.

We saw that Power Chord has massive amplifiers which are the cause of the headaches of everyone in town, and those amplifiers have excessive amounts of electricity coming off of them.

Luna: She's set up those massive amplifiers, and she's got the volume up so high, everyone's getting a major headache, and they also have excessive amounts of electricity coming off of them.

Nico: First things first, we better get rid of those blasted amplifiers, they're the source of the problem here.

Tabby: Luna said these things have excessive amounts of electricity coming off them, if we touch 'em, we're going to get electrocuted.

Lincoln: Leave that to me.

Lincoln fired blasts of water, which headed right for the amplifiers, and as the blasts of water hit all of the amplifiers, Lincoln proceeded to absorb all of the excessive electricity of the amplifiers and he'd gained a massive power boost, and all of them were destroyed.

Luna: Whoa, those blasts of water you fired not only destroyed the amps, but you also absorbed all that excess electricity from the amps. Nice one, bro.

Me: Combining water attacks with electricity absorption, that was awesome!

Suddenly, we heard a loud screech of rage.

Poromon: What was that?!

Luna: Uh oh, there's no mistaking that death screech from anywhere: Lincoln wrecked Power Chord's concert of mayhem, and now, she's out for revenge.

We then arrived at Power Chord's castle: a massive purple-colored castle of nightmares with amps at high volume.

Luna: And there's her castle. Now, to bring down that rock-and-roll

monster.

Before we could make our move, suddenly, we saw Elemental HERO Gaia appear before us, and with it are the nine girls.

Nico: Whoa, Elemental HERO Gaia, awesome!

Elemental HERO Gaia: (Girl's voice) Oops, sorry for the scare, but I managed to get the girls out of the castle, but Power Chord's really mad now.

Lincoln: (Gasps) That voice, Selene Lexington, I knew it was you.

?: OY, YOU BLOKES ARE GOING TO PAY FOR CRASHING MY CONCERT!

We saw a ball of soundwaves and music notes heading right for us, but it then crashed right onto the ground, and we saw who it was in the ball of soundwaves and music notes: Power Chord, the hypothetical Akumatized form of Luna Loud.

Luna: (Gasps) So, that's Power Chord?! Dudes, she's exactly what I could've become during the fight to stop Gabriel years ago.

Power Chord: You ruined my concert, and now, I'm going to bust your heads in with my axe!

Lincoln: Not a chance. Oh, and say goodbye to your pad!

Lincoln fired blasts of water, which headed right for the amplifiers in Power Chord's castle, and as the blasts of water hit all of the amplifiers, Lincoln proceeded to absorb all the excessive electricity of the amplifiers and he'd gained a massive power boost, and all of them were destroyed, along with Power Chord's castle.

Luna: (Smirks) You've lost your captive audience and pad, and now, you're about to be cancelled!

Sylvester: But, don't kill her, we need to take her down.

Sylvester unholstered his Sylvester's Blood-Soaked Vampiric Demon Darkness Greatsword of The Dracul and transformed into

Power Chord got extremely mad, she continued to fire soundwaves and music notes at us from her guitar, but we dodged them all. Then, Lincoln fired waves of ladybugs and red fire at Power Chord which exploded with incredible power as they hit her, and she was knocked out, tied up, and sent to The Masters of Evil. We cheered as we holstered our weapons and powered down.

Lincoln: That's another hypothetical Akumatized Loud Sister recruited into The Masters of Evil and only seven more to go. (To Selene Lexington) And it's so good to see you again, Selene Lexington.

Selene Lexington reverted back to normal, and she's a beautiful girl with long red hair, red eyes, she was tall at 7'0" in height, she has a really strong and powerful muscular physique and ample breasts, tanned skin, she has massive and beautiful red angel wings, she's dressed in a sleeveless open blouse, sleeveless orange crop top, red ankle-length skirt with black designs, white bridal gloves, necklace with red jewel pendant, red knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with earth, plants, leaves, and earth angels on the coattails and on the back is Elemental HERO Gaia, and holstered on her back is a massive Elemental HERO Gaia-themed greatsword with embedded red gems and Elemental HERO Gaia etched on the 7'0" massive, wide, double-edged red blade, large red phoenix heads for the crossguard, large white angelic faces embedded on both sides of the hilt with red gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large red gem on the bottom of the large white angel heads for the pommel.

Selene Lexington: You too, Lincoln, it's been a long time, and it's good to see you again, Serenity.

Serenity Lexington: You too, Selene.

Lincoln went up to Selene Lexington and he hugged her, and Selene Lexington is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Selene Lexington: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'9" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal.

Me: And Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Selene Lexington, Gene-Slammer of Elemental HERO Gaia and younger twin sister of Serenity Lexington, she's my Guardian Angel from New York and she's a very powerful and also a very physically strong athlete who was born with superhuman strength and she's also a skilled wilderness survival expertt. Plus, she's also a seductive and one sexy hot mama who's flirted and made out with me more than once, and she loves me with all her heart and she knows to share me among the other members of my harem and fellow Guardian Angels.

Luna: We almost busted out laughing seeing our bro's face being smooshed by her chest as she was hugging him.

Lori: And she was also kissing him all over the place and he had a love struck look on his face.

Earth: Like how we always make out with him.

Monica Anniston: Exactly, Earth. Selene Lexington's a member of The Elemental HEROS of Earth, but, unlike with The Elemental HEROS of Fire who had to deal with parents who built their business empires through the theft of intellectual property and got into criminal activity and evil siblings who are thieves and heartless thugs, The Elemental HEROS of Water who had to deal with lying conniving workers who tried to extort them and ruin their names and reputations, along with Sergio, the mastermind behind some of the early extortion plots, and the heartless evil abusive greedy parents and heartless gold-digging evil ex-little sisters, and The Elemental HEROS of Darkness who've had to deal with Lori, she and the other Elemental HEROS of Earth have had numerous clashes and dealings with Lynn, who has more than once tried to kill them and Lincoln many times over when she goes on her massive rage-fueled rampages.

Selene Lexington: But, we always saw her coming when we see her running on all fours, beating her chest like a gorilla and roaring like an animal, and the worst part was letting out those really loud belches, and catching the stench of her sweaty armpits and smelly feet.

Me: Yeah, the smell of her sweaty pits tends to make us sick.

Selene Arcangela: But, you and the other Elemental HEROS of Earth along with Lincoln had more than once beaten Lynn into the ground, tied that animal up, and dragged her smelly butt home where she eventually got into massive trouble with her parents.

Nico: Dang, and is she really that strong, Lincoln?!

Lincoln summons a 900,000,000,000,000,000-lb barbell, and Selene Lexington lifted it with one hand and we saw just how strong she really is, and my jaw and Nico's hit the floor.

Qin: (Whistles) Damn, and I thought many of our friends were that strong, but whoa!

Selene Lexington: And I'm going to reveal a very horrible revelation: and it's about how Linky and I took down Lola who tried to destroy our gym with bombs while we were inside working out, but our alarm system alerted us early, and we took her down hard and we got that blackmailing pink-wearing pageant demon grounded big time. (To Lincoln) Oh, Lincoln, there's something I also want to give you.

Lincoln: Let me guess, you want to give me your blood, right, Selene?

Selene Lexington: How'd you guess what I was about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Selene Lexington: I knew it, you marked them and fed on their blood, along with acquiring their powers as well, I knew that was coming since you'd done that more than once when he got brutally injured by Lori, Lynn, Lola, Lisa, and Luan more than once.

Lincoln went up to Selene Lexington, and he hugged her in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Selene Lexington: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Selene Lexington's neck with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Selene Lexington: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Selene Lexington.

Selene Lexington had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the nine girls, and when Lincoln saw who they were, he immediately recognized them. The nine girls are Ariel Visk, Artessa, Atreya, Azeyn, Camellia, Hagane, Miss Lotte, Riffle, and Tobimaru from Pirates of Fantasia.

Lincoln: Oh wow, it's Ariel Visk, Artessa, Atreya, Azeyn, Camellia, Hagane, Miss Lotte, Riffle, and Tobimaru from Pirates of Fantasia.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Ariel Visk: Yes, we're okay, thanks to you.

Then, when Ariel Visk and the other eight girls saw who it was that saved them from Power Chord, the hypothetical Akumatized form of

Luna Loud, their faces turned atomic red upon seeing the 17-year-old 7'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with a Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, He-Man's chest harness with colored gems on the orange crisscrossing straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Emissary of The Cosmos and The Heavens, Ambassador of Harmony, Friendship, Purity, Hope, Courage, and Love, and God of Friendship, Hope, Love, Courage, and Justice Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Fearsome Defender of His Many Guardian Angels, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, his male white Rabbit Familiar, Alistair, his white Vampire Bat Familiar, Artemis, and his white Wolf Familiar, search Seiko, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Ariel Visk: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made eight clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Ariel Visk: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ariel Visk, Artessa, Atreya, Azeyn, Camellia, Hagane, Miss Lotte, Riffle, and Tobimaru with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team was shocked to find out the villain we went after was Power Chord, the hypothetical Akumatized form of Luna Loud.

But, when Lincoln showed what happened such as Lincoln firing blasts of water at the amplifiers she had set up and he absorbed all of the excessive electricity from them and he destroyed them, and we all gave her the beatdown of her life along with sucking out the excessive electricity of the amps in her castle, and Lincoln blasting her with red fire and ladybugs which knocked her out, tied her up, and sent her to The Masters of Evil's HQ, everyone cheered and hugged us and Lincoln's harem kissed him all over. Lincoln and Selene Lexington have a lot of catching up to do, now that she's back in town.

Maria: Dang, you guys really laid quite the beatdown on Power Chord, and Lincoln, that was a smart move firing blasts of water at her amplifiers that she'd set up all over Memphis and in her castle and sucking out and absorbing all of the excess electricity from them.

Lincoln: That may have been a smart move on her part, but she knows that I can absorb electricity, along with many elemental forces.

Luna: She should've known that by now.

Lincoln: And for tomorrow's rescue for me, we're going to take down and recruit Bonkers, the hypothetical Akumatized form of Luan.

Nico: (Gulps) That's what I'm afraid of: this'll be like facing Dark Luan and Dark Connor, but this will also put our lethal prank-foiling skills to the test.

Me: You got that right, but we'll be ready for that bonkers-crazed prankster.

Laney: You bet we will.

---

After taking down Power Chord, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Selene Lexington saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Selene Lexington: My God, I was right that Lincoln's really grown into a 17-year-old, 7'9" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Selene, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Selene Lexington: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much

bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Selene Lexington: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Selene, what's the story on how Lola tried to destroy your gym with bombs while you were inside working out, but your alarm system alerted you early, and that you took her down hard and they got that blackmailing pink-wearing pageant demon grounded big time.

Selene Lexington: You're not going to like hearing it, Nico.

Selene Lexington pulled up the video as it played on the big screen. There we see Selene Lexington and Lincoln working out in their gym and Lincoln was 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, even doing yoga to clear his mind and the rest of The Guardian Angels were with him, and they were doing the same routine as Lincoln. Suddenly, they heard the alarm sound, and they saw on the television: Lola was here, and she has tons of bombs with her, and she's going to throw them at their gym to blow it up and kill them.

Past Selene Emperyous: What the heck?!

Past Laney Emperyous: Oh shit, Lola's here, and she's got tons of bombs with her, and she's going to throw them at our gym to blow it up and kill us!

Past Lincoln: Lola, you really don't know when to quit, do you?

Come on, Selene, let's take her down before she starts throwing those bombs.

Lincoln and Selene Lexington, along with the rest of the Guardian Angels, flew out of their gym, and before Lola could light and throw the bombs, Lincoln and Selene Lexington grabbed Lola and they had proceeded to beat her down, and Selene Emperyous confiscated the bombs, and after they got done with beating down Lola, Lincoln tied her up in red energy ropes he fired from his white angel wings, and they dragged her off to The Loud House and to her doom. The video ended, and we were outright horrified.

Nico: My God, I knew Lola had a bad temper because of that heartless Dark Side of hers, but she had tried to bomb their gym with them inside it and out in daylight too, that's pure evil to the extreme.

Me: Yeah, and I still remembered that day all too well. Lola went too far that day, and after Lincoln came back with a tied up Lola and he told everyone what she tried to do, she wound up getting her butt grounded for sixteen weeks and she wasn't able to do any pageants during that time, and she swore revenge on Lincoln.

Luna: Plus, it made the hatred and anger of those who hated Lola go up even more, along with ours.

Lana: I couldn't stand to be in the same room as that Glitter Monster!

Luan: So, we decided to move Lola into the basement since any attempt at revenge on Lincoln could set Lana off and that could lead to another twin rumble.

We got a shower, and then, Lincoln, Anan Kurose, Bella Bovine, Patra, and Natalie are heading to Seaside Hill.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'9", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories,

and he had his weapons holstered in case of trouble.

And Anan Kurose, Bella Bovine, Patra, and Natalie were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Anan Kurose, Bella Bovine, Patra, and Natalie fell in with Lincoln, and he also fell in love with them as well, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant, but they also got to keep their heads up, they got word that Emberlynn Harlow has not only sent some thugs to kill them, but she's also used a Dark Orb to bring Aligned Starscream back to get revenge as well.

Anan Kurose: Whoa, so our first date's here in Seaside Hill, nice.

Lincoln: I knew that you, Bella Bovine, Patra, and Natalie would love it, Anan, and it's perfect for our first date, but we also got trouble: Aligned Starscream's come back thanks to Emberlynn Harlow using a Dark Orb, and she's also sent some thugs after us as well. Shall we?

Lincoln, Anan Kurose, Bella Bovine, Patra, and Natalie dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Anan Kurose, Bella Bovine, Patra, and Natalie got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw Aligned Starscream, along with Emberlynn Harlow's hired thugs coming after them.

Aligned Starscream: I will enjoy tearing you to shreds, you ruined my plans to get revenge on those Autobots!

Lincoln: Go to Hell, Starscream.

Lincoln fired a powerful black energy blast which hit Aligned Starscream hard in the chest and went through it, and he exploded, and he was sent to The Black Gates forever, then Lincoln fired blasts of blood red energy which hit them and he sucked out all their blood and energy and killed them and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Anan Kurose, Bella Bovine, Patra, and Natalie, and they hugged the girls in their abnormally massive and powerful muscular arms, and Anan Kurose, Bella Bovine, Patra, and Natalie placed their hands on the massive pecs of Lincoln and his clones, then they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Seaside Hill, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Anan Kurose, Bella Bovine, Patra, and Natalie with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Anan Kurose, Bella Bovine, Patra, and Natalie are now in your harem.

Jenna: Flip has got some nerve trying to kill them, that cheapskate's just making things much worse for himself.

Serena Logan: Even after all this time, Flip's still the same mutant cheapskate he's always been.

Lincoln: And we also had a run-in with Emberlynn Harlow's hired thugs, and even worse, she'd also used a Dark Orb and brought Aligned Starscream back.

Nico: SHE WHAT?! Oh, that monster bitch is so dead!

Lincoln: Don't worry, Nico, I killed them all and sent them to The Black Gates, and this is going to piss her off in 3… 2… 1!

Suddenly, we heard Emberlynn Harlow scream with extreme hatred and rage.

Maria: Yeah, up yours, you monster bitch!

Carmen: Sheesh, those monster bitches just don't even know when to quit.

Nico: Serves her right, but she'll get hers later on today.

Me: They sure will, those monster bitches have gotten on our nerves five years ago, and now, they're going to pay dearly for everything they've done, but after what Emberlynn Harlow did in bringing back Aligned Starscream, now she's really crossed it now.

Lincoln: She sure has.

---

Later it was time for Julie Carolina's second mission. We got permission on Julie's first mission and we moved the Ringworld closer to Earth.

William: Anyone else want to go with Julie? Besides Superfriends Lex Luthor and Cheese?

Sunny Starscout: Me and my friends will go too.

Nico: Cool cool.

Lola: You guys will sure have fun.

Nico: Yep. Lets go.

We were off to Ringworld.

---

We arrived.

Sarge: Welcome soldiers!

Me: Hey guys.

Julie: Guys, meet my archenemy

Superfriends Lex Luthor: Awesome to meet you guys.

Me: I know what you're thinking. You're thinking this is the Lex Luthor from our universe. But this is actually the Superfriends version of Lex Luthor. He was from a show that I loved watching all the time back when I was younger.

Nico: Superfriends.

Carolina: Awesome show back then.

Superfriends Lex Luthor: Yes those were good times.

Me: Yep.

Sunny Starscout: It's so awesome to meet you all. I'm Sunny Starscout, Princess of Unity and Peace.

Pipp Petals: I'm Pipp Petals.

Zipp Storm: Zipp Storm.

Hitch Trailblazer: Hitch Trailblazer.

Izzy Moonbow: Izzy Moonbow.

Misty Brightdawn: And I'm Misty Brightdawn.

Carolina: Awesome to meet you guys.

Grif: Guys, meet my sister Kaikaina Grif, Emily Grey, Washington, C.T, New York, North Dakota, and Locus.

Me: Pleasure to meet you guys.

Kaikaina Grif: Same here and it's an honor to meet the famous Team Loud Phoenix Storm.

C.T.: It sure is.

Cheese: (dressed up like lady) Ha ha! Pretty! Pretty Cheese! (Smiles smugly) I'm pretty.

Sarge: What the Fuck?

Me: Oh this is Cheese. He's an Imaginary Friend.

Carolina: (LAUGHS) He is funny.

Me: Yeah he sure is funny. But he has a brain the size of an amoeba and he is dumber than a sack of diapers. But he is a great tool of annoyance that drives our jerk villains batty.

Izzy Moonbow: That's right and it's funny!

Eli: Yeah.

Sarge: Say J.D. you look really different somehow.

Me: Oh just got a new transformation. You'll see it in action soon.

Locus: I'm actually a former villain.

Maria: Really? What's your story?

Locus: It's not a pleasant one.

He went over his history and it was crazy.

---

Samuel Ortez, better known as Locus, is one of the main antagonists of the Chorus Trilogy (specifically the main antagonist of Season 11, the secondary antagonist of Season 12, and a major antagonist in Season 13), a secondary protagonist in Season 15, as well as one of two protagonist antiheroes (alongside Felix) in his story arc in Season 14. He is a dangerous mercenary who was hired by the Federal Army of the planet Chorus. However, his true affiliation is with the Space Pirates, taking orders from their superior named Control. He returns in Season 15 as a supporting character, reformed as an anti-hero of sorts, and even becomes an ally of the Reds and Blues.

He is voiced by Gray G. Haddock, who also voiced Roman Torchwick in RWBY.

Before becoming involved in the Chorus Civil War, Locus was enlisted into the UNSC, where he met and developed a rivalry with Felix. At some point he and his squad encountered a sentient being, most likely an alien. He proposed that they spare it while Felix felt it would be better to just kill it. Their Captain agreed with Felix, to which Locus protested. The Captain told him that he was a soldier; a suit of armor and a gun that's only purpose is to follow orders. This shattered Locus's sanity and he became exactly that. While fighting in the Great War, Locus and his squad became involved in one of the worst battles in UNSC history. In order to survive, Locus and Felix were forced to band together and fought side by side.

After the war ended, however, the two were unable to return to civilian life. Felix prevented Locus's PTSD and his sanity from healing, as Felix needed Locus at his back, and the two became bounty hunters, along with a bounty hunter named Cyrus. Eventually they were later hired by an unknown superior to eradicate the people of the planet Chorus. With the help of other mercenaries, Locus and Felix joined the Federal Army of Chorus and the New Republic respectively, and together, the mercs escalated the events of the war in order to complete their mission.

Locus discovers Washington's call for help after the Reds and Blues are left stranded on Chorus, but doesn't respond. Locus later arrives at the teams' location and begins spying on them, remarking the situation they're in as unfortunate before cloaking himself. Later on, Locus kills the pilot that dropped off Doc, Donut, and Lopez and reports in to 'Control', stating that his objective is complete and that he's returning to Crash Site Bravo.

Back at the crash site, Locus once again spies on the teams, but soon turns his sights on Felix. When the latter notices him, Locus activates his cloaking and returns to F.A.C. Outpost 22. He gathers four of his men back to Crash Site Bravo, where they proceed to attack the Blues. But when his men are killed by Tucker and Freckles, Locus attempts to shoot Wash in the head, but Felix intercepts and blocks the blow with a Hardlight Shield. Locus then injures Felix and orders the Blood Gulch Crew to come with him, but they refuse. After Locus threatens them, Wash orders Freckles to fire upon him, but Locus disappears before being hit.

Afterwards, Locus returns to the crash site, accompanied by many more Federal soldiers, and engages the group. During the battle, Locus uses a Sticky Detonator to destroy the Blue Team's tank, and later fires at a plasma grenade behind Donut, knocking the latter unconscious. As the Reds and Blues retaliate, Locus fires several blasts from his Railgun towards Wash and Sarge, incapacitating them. As New Republic reinforcements arrive, Locus attempts to stop Felix, Simmons, Grif, Tucker, and Caboose from escaping into the caves, but fails when Wash has Freckles seal off the entrance by collapsing the tunnel's roof.

Despite this, Locus manages to incapacitate Wash afterwards and the Feds take the four back to F.A.C. Outpost 37. After the battle, Locus communicates with a superior (soon revealed to be Carolina), whose voice is distorted, and informs her about a crate he recovered. He then asks if keeping Sarge, Donut, and Washington alive was the best course of action, but Carolina challenges him, asking if he feels threatened by them. When he responds negatively, Carolina reaffirms for him to obey orders before stating that she would see him soon.

Later on, General Doyle convinces Wash, Sarge, Donut, and Lopez to join the Federal Army, where Locus reveals to them that his raid on their base was fully calculated and choreographed, as his orders were to apprehend them. He then gives Wash a storage unit containing Freckles' "heart and mind," before leaving. Several weeks later, Locus returns to F.A.C. Outpost 22, where he kills a disguised Cunningham. He then discovers Felix, Tucker, and Palomo at the compound, but they escape after detonating the last C-4 charges. Afterwards, Locus radios Jackson and his team to act as escorts to the Reds and Blues, but the group reunite with their friends and learn the truth about the war.

As a result, Locus and his mercenaries kill numerous Federal soldiers at F.A.C. Outpost 37 and surround the Blood Gulch Crew. When Felix arrives, he reveals his true loyalties and, despite Locus' protests, explains to the Reds and Blues that he and Locus were hired to clear Chorus of its residents, and used them to help fan the fire. Once Carolina reveals herself, Locus attempts to kill the Reds and Blues, but the former uses a Teleportation Cube to escape with her friends. With them gone, Locus and Felix argue over the Blood Gulch Crew's escape and Carolina's infiltration of their operation without them knowing, until they are called up by Control.

Control orders the two to return to their respective armies and inform them that the Reds and Blues are dead, which Locus agrees to. As the Federal Army prepare for battle against the New Republic at Armonia, Locus informs Doyle that he is leaving to intercept Felix, and will return to "take care" of him. In actuality, Locus joins Felix at Radio Jammer Station 1C in contacting the Reds and Blues, where the two offer the group a first-class trip off Chorus. Although the Blood Gulch Crew express their distrust, Locus assures them that they will keep their word and gives them one hour to make their decision.

However, the crew instead execute a sneak attack on the mercenaries at the radio jammer station, where Locus battles Wash one-on-one. He questions why he continues to fight for the Reds and Blues, stating that he used to be a true soldier. Wash dismisses this and describes Locus as a coward for hiding behind his "soldier" ideology, prompting Locus to attack him. After the other Reds and Blues disable the radio jammer, Epsilon sends Felix's recorded words to the Feds and Rebels at Armonia, who finally learn secret behind the Pirates' involvement in the war. Because of this, Locus and Felix teleport away, with Locus vowing that they will return.

With their plans now exposed, Control scolds the two mercs for their failure and suggests the Space Pirates go to war on the planet. However, the Blood Gulch Crew intercept their transmission and acknowledge Control's true identity: Chairman Malcolm Hargrove. They then accept The Chairman's declaration of war. In order to even the odds, Locus and Felix raid the UNSC Tartarus, kill the crew members and "recruit" several of its prisoners. One prisoner in particular, Aiden Price, tells Locus and Felix that he possesses specific information about Project Freelancer that nobody else does, proving himself as an asset. Price then leads the two to another prisoner that can aid them.

Sometime later, Locus and Felix return to Crash Site Alpha on Chorus, where The Counselor informs them of his psychological sessions with Sharkface. When the tractor beam tower they are located in suddenly shuts down, a response to Tucker's reactivation of an alien temple, the two discover a map appearing behind them that emits coordinates to a location. The map's coordinates lead the two to a Jungle Temple, where they are contacted by Hargrove, who chastises them for their repeated failures against the Blood Gulch Crew. In order to motivate them, The Chairman offers a modified version of The Meta's armor if they eliminate the Reds and Blues. If they fail again, however, he will give the armor to another individual who will instead hunt down and kill him and Felix.

The two mercs later stumble upon a "gateway" at the temple and enter it to find out where it leads. After Locus goes through the gateway, he sees an illusion of an event from his past detailing him, Felix, and other UNSC soldiers interrogating a "monster"; which the soldiers believe Locus to be. When the illusory Locus proposes they restrain the monster rather than kill it, his CO angrily tells him that he is nothing more than a suit of armor and a gun, and will follow orders without question. Upon witnessing this, Locus gets angry and is exited out of the gateway; where he reunites with Felix and the pirates. Demanding to know what Felix saw, the latter replies that he saw frightening things inside. Deciding not to use the gateway, the pirates depart from the temple.

Afterward, Locus and Felix return to Crash Site Alpha and ambush Kimball's assault team. As space pirate reinforcements are brought in by the Tartarus, the two mercs are contacted by Sharkface, who informs them of the planet's Purge as well as the location of a key that activates it. As a result, Felix leaves to accompany Sharkface while Locus remains at Alpha. As the mercs gain the upper hand, Wash radios Locus and fools him into revealing his position, allowing the lieutenants to fire at him. After Locus is forced into cover, the assault team release a smokescreen and escape, with

Wash telling Locus that he is a true soldier while the latter is simply a killer.

Locus then flies a Falcon over to the east mountains and picks up Felix, who steals the key from Doyle. However, they soon discover that the key will not operate until Doyle is killed, prompting Felix to threaten Sharkface for not telling them of this, until Locus intervenes. After he orders the two to stick to their objectives, Locus contacts The Counselor and asks him about The Meta.

The Counselor explains The Meta's history as a Freelancer, Sigma's influence on him, and elaborates on his death. Locus asserts that The Meta aimed to become a weapon, much like himself, though The Counselor corrects him and states that in reality he wanted to become more human. He then notes Locus' change in behavior after his trip through the portal at the Jungle Temple, but Locus denies this. When The Counselor asks him if he wishes to know Felix's fear, Felix interrupts them and informs Locus that he is needed with the rest of the team.

After the two board the Tartarus, they initiate an attack on Armonia, led by Sharkface, in order to kill either Tucker or Doyle and obtain their keys. However, after the Chorus armies and Blood Gulch Crew evacuate the city with Tucker, the pirates proceed to chase after Doyle, who chose to remain in Armonia. As the pirates surround Doyle, the latter detonates the city's nuclear reactor in an act of self sacrifice, killing a majority of them. When a merc informs Locus and Felix of this, Locus orders the pilot to get them out of the city.

After sustaining massive casualties, Locus and Felix, who now have the key under their control after Doyle's death, return to the Jungle Temple in order to get Santa to activate the Purge. Although they will be safe, Locus expresses his concern about the safety of their comrades guarding the Communication Temple, but Felix tries to convince him that their lives are irrelevant. After Felix leaves, Locus asks Santa what Felix is most afraid of only for Santa to say that the answer is obvious.

Following this, both mercenaries arrive at the Purge but are confronted by Wash and Carolina. Upon being informed that their fellow pirates are under attack by the Feds and Rebels, Locus and

Felix engage the Freelancers. After a long and brutal fight, the Freelancers inform the two that they were simply stalling them and reveal that their base, Crash Site Alpha, has been taken over. Soon afterward, the Tartarus emerges from the sky, being pulled towards the Purge. As a result, Locus takes cover behind Felix's light shield and the two manage to survive the destruction.

Although Locus is left exhausted, Felix takes him onto their Falcon and flies over to the Communication Temple. Upon arriving, Locus admits defeat and tries to persuade Felix to stand down, but Felix snaps at him claiming that he is finishing the fight for himself only. While Felix fights the Reds and Blues alone, Locus is met by Santa, who reveals to Locus that Felix is afraid of Locus himself. Upon learning this, Locus approaches the crew and betrays Felix by giving up his weapon, admitting that he's not a soldier, but a monster.

Felix pleads with Locus telling him they need each other, but Locus shrugs him off. Angered at his betrayal, Felix attacks Locus and the crew but is eventually killed by them after the crew blast him over the Temple edge to his death below the clouds. Afterward, Locus picks up Felix's discarded sword, becoming its bearer, and activates the Temple for the Reds and Blues. Although the crew refuse to forgive Locus, the latter expresses his understanding and assures them that he will make things right, before cloaking and leaving.

Several months later, Locus comes across Lopez's helmet floating in space, becoming informed of the Reds and Blues being in danger at the hands of the Blues & Reds. Both seek out Grif, who had quit the team weeks before. Locus finds him and, after much effort, successfully recruits Grif to help him free the Reds and Blues.

When he was done we were shocked!

Me: Whoa! But at least you redeemed yourself in the end.

Nico: That is amazing!

Eli: Yeah!

Sunny Starscout: That is crazy but awesome.

Misty Brightdawn: Yeah.

Me: Also Locus I couldn't help but notice but your voice sounds a lot like Roman Torchwick's.

Locus: (LAUGHS) I do have a voice that's very similar to him don't I.

Me: You sure do.

Nico: Lots of our friends are former villains.

Locus: That's cool!

Maria: It sure is.

Nico: WAIT A FUCKING MINUTE! I just realized something. Some of you guys sound similar to our Remnant friends. Carolina for example sounds similiar to Pyrrha!

Carolina: That is coincidental!

Me: Now that you mention it! That is coincidental! No doubt about it!

Nico: YEAH!

Donut: That is awesome!

Locus: Our next target, Felix, sounds similar to your buddy Jaune.

Me: Wow! What's his story?

He went over his history.

---

Isaac Gates, better known as Felix, is a mercenary and one of the leaders of the Space Pirates on the planet Chorus. He is initially shown to be affiliated with the New Republic of Chorus, but his true affiliation is eventually revealed to be with Charon Industries. He is also the archenemy of Tucker.

Felix is one of the main antagonists of the Chorus Trilogy (alongside his partner-in-crime Locus and his superior Control). He serves as a supporting character in Season 11, the main antagonist of Season 12, the secondary antagonist of Season 13 and one of two protagonist antiheroes (alongside Locus) in his story arc in Season 14.

He is voiced by Miles Luna.

Felix was originally a soldier serving in the UNSC. He fought in the Human-Covenant War alongside Locus, and their squad became involved in one of the worst battles in UNSC history.

After the war ended, the two found themselves unable to return to civilian life and continued working together as mercenaries, taking up side jobs such as the hit on Gabriel Lozano.

The duo was eventually hired by Malcolm Hargrove to wipe out the people of the planet Chorus. Felix and Locus infiltrated the New Republic and the Federal Army of Chorus respectively. With the assistance of the other mercenaries Hargrove had hired, the two bounty hunters escalated the events of the war to kill off more of the planet's citizens.

Felix spotted the Reds and Blues when they crash landed on Chorus and went to go meet. He later catches a brief glimpse of Locus, who tells him that Control wants them alive. In order to gain their trust, Felix "saves" Washington from a bullet to the head, courtesy of Locus, by activating a Hardlight Shield. He later gets shot by Locus in the leg with his sniper rifle. Felix informs Wash about the history of the planet Chorus, how it was forgotten by the UNSC after the Human-Covenant war between the humans and the aliens, and how it has fallen into a civil war between the New Republic and the Federal Army. The mercenary requests their help in the war, but the Blood Gulch Crew initially declines.

The Federal Army later attacks again, but Felix back up arrives and holds them off. Felix takes Simmons, Grif, Tucker, and Caboose to the Headquarters of the New Republic through a cave system and has the Reds and Blues meet with Vanessa Kimball, the leader of the New Republic. The NRC leader convinces the four Reds and

Blues to join the New Republic.

Felix went with Tucker and his squad to participate in the attack on F.A.C. Outpost 22. The bounty hunter planted several C-4 explosives all around the compound. When the Feds sound off an alarm, Felix detonates a few explosives as a distraction. However, Tucker tells him about Locus' presence, prompting Felix to set off the remaining explosives. Retreating back to their base, Felix congratulates Tucker on the mission, despite getting two men killed.

When Kimball informs the Reds and Blues of where their friends' are being held, Felix offers to help rescue them for a price. The four Reds and Blues then begin their squads for the mission, using Felix as a target for practice. However, Felix manages to foil their attempts to capture him. He later communicates with Locus and Control to inform them that Simmons, Grif, Tucker, and Caboose are attempting to rescue their friends. Control orders the mercenaries to kill them if they reunite with each other.

After Locus executes the Federal Army soldiers stationed at F.A.C. Outpost 37, Felix reveals his true allegiance to the Reds and Blues. Despite Locus wanting to quickly finish them off, Felix instead keeps the Reds and Blues alive and informs them of his and Locus' mission to kill all of Chorus' citizens. Before he can kill them, however, Carolina reveals herself and gives the Reds and Blues the opportunity to escape. Felix then fights the Freelancer, managing to stab her in the leg with a combat knife. However, Carolina teleports both her and the Reds and Blues away.

Control contacted Felix and Locus soon afterward, ordering the two to return to their respective armies and inform them that the Reds and Blues are dead., Felix uses the opportunity to encourage Kimball to launch a final attack on the Federal Army. He then contacts the Reds and Blues alongside Locus via open-frequency radio and offers them a safe transportation of Chorus.

However, the Reds and Blues instead opt to attack the Space Pirates at Radio Jammer Station 1C. Felix and Locus initially fight Wash and Carolina, but Felix eventually winds up battling Tucker. Felix gloats about the Pirates' plans and how he was able to convince Kimball to launch a final attack on the Feds. However, Tucker reveals to Felix that he recorded Felix's entire speech, which Epsilon broadcasts to both the Federal Army and the New Republic. Felix and Locus then retreat and contact Control again. Control then announces to the two mercenaries that they will be going to war with the inhabitants of Chorus.

To gain more footsoldiers, Felix and Locus attack the UNSC Tartarus and "recruit" several of its prisoners, jettisoning the ones who refused their offer off the ship… into deep space. There they meet Aiden Price, the former counselor for Project Freelancer. After Price reveals his knowledge of Project Freelancer, the merc duo opts to recruit him. Price then introduces them to Sharkface, a former Insurrectionist imprisoned aboard the ship who he believes can assist them. The two recruits Sharkface and he becomes one of the three leaders of the Space Pirates alongside them.

Felix and Locus assault Kimball's forces at Crash Site Alpha and ambush Kimball's assault team. The duo are contacted by Sharkface, who informs them of the planet's Purge temple and the resting place of the key needed to activate it. Felix then goes with Sharkface at an Eastern Mountain Range to get the key, but Doyle takes it first. However, Felix goes after Doyle and steals the key from him. The bounty hunter then retreats in a Falcon after the Reds and Blues arrive.

The Space Pirates then launch a massive attack on Armonia to kill Doyle in order for Felix to use the sword. However, Doyle sacrifices himself to detonate the city's nuclear reactor and kills most of their forces. While this act severely impacted the Space Pirates' manpower, it also gave Felix full control of the key.

The mercenary duo go to the Purge temple but their path is blocked by Wash and Carolina. The two then fight the Freelancer duo, however, Wash and Carolina reveal to them that they were only trying to stall them while their base, Crash Site Alpha, was taken over. The New Republic then uses the temple to pull the Tartarus towards the Purge temple. While the Purge temple is destroyed, Felix uses his light shield to protect himself and Locus.

Felix then goes after the Reds and Blues with a reluctant Locus to get revenge. Locus soon admits defeat, he tries to persuade Felix to stand down but Felix snaps at him claiming that he is finishing the fight for himself. The bounty hunter attempts to attack the entire Blood Gulch Crew but is easily overpowered and surrounded. Locus then enters the scene and informs Felix that he is not willing to go on with killing any more innocent people. Felix attempts to attack his former partner but Simmons fires a sticky grenade at Felix. The mercenary summons a Light Shield to block it, but Tucker tosses a regular grenade at his feet. Despite his begging, the two grenades then detonate and send Felix flying over the edge. Locus immediately picks up Felix's sword and activates it, confirming Felix's death.

When he was done we were shocked!

Me: He's a Grade-A Badass Motherfucker!

Locus: I used to work with him during my villain days. He could be a good MOE recruit. Me? I think I'll settle in for being part of the Redemption Squad.

Me: Good idea.

Maria: That works perfectly.

Eli: I agree.

Me: At least he's better than Tyrian Callows.

Sarge: That Psychotic Incarnate monster that loved killing people?

Me: Yeah. He was Psychotic Incarnate and wanted nothing more than to see the whole planet Burn. He was Massively fucked up in the head.

Carolina: That is crazy.

Me: He's dead and was given the Black Gates.

Carolina: Good.

Church: So, Julie. On our way to Felix, can you tell us what your life was like before being Gene Slammed?

Julie: I sure can tell you. I was really a girl that came from a rich family. My mom and dad are both high paid anesthesiologists.

Church: Wow! That is cool!

Me: It sure is.

Julie: Yeah.

Julie: My mom and dad made a lot of money. Also I was trying to raise money to go to college by working at an ice cream parlor. It was good money.

Nico: Neat.

Julie: Yep. But then the Shredder took me and the rest writes itself.

Carolina: That's crazy!

Julie: My mom and dad also make computer games. Good money there too.

Carolina: That is awesome.

?: Hey, guys!

Me: Jaune! Where are you?

?: I'm inside! Thought you guys could use some help!

Me: Wait a second. That voice is not Jaune.

Eli: He's right. Jaune is back on Earth.

Me: This is all a trap!

I fired a blast of rainbow energy and it hit a cave and exploded and out came FELIX!

Felix: Dammit, I thought I had you guys!

Me: Nice try though you son of a bitch!

Eli: You can't fool J.D.!

Me: You had us going but it was not good enough.

Felix: Too bad.

Cheese: I LIKE CHOCOLATE MILK!

He went to Felix!

Felix: I don't have chocolate milk for you. Go away.

Cheese got on him and rode him like a horsey.

Cheese: Giddyup horsey!

Felix: WHAT THE FUCK ARE YOU DOING!?

Felix threw Cheese off him.

Superfriends Lex Luthor: You're about to find out that there's a D as in for defeat you!

Felix: There's also a D for Don't fucking count on it!

Me: No but there's a K in the word Kill as in we're going to Kill you!

Superfriends Lex Luthor: (sighs) You know what? Let's get right to action! (charges at him)

I fired waves of energy and blasted Felix all over!

Superfriends Lex Luthor blasted him all over.

I then ran and went invisible!

Sarge: What the!?

I then pulverized the living shit out of Felix and he had no idea where I was hitting him.

Caboose threw a grenade at Felix… only for it to bounce off of him.

Felix: Are you serious?

Church: Dammit, Caboose, you forgot to pull the pin!

I used Rainbow Dash's super speed and grabbed the grenade and pulled the pin.

Me: Fire in the hole!

I threw it and it hit Felix and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Rainbow Dash: That was AWESOME!

Sarge: Wow! J.D. is moving with amazing speed like you Rainbow Dash!

Nico: J.D. got new powers from the Mane 8.

Felix fired at us but Sarge ducked behind a wall.

Me: Time to heat things up!

I threw powerful fireballs and they hit Felix and blasted him all over!

KRABBBBBOOOOOOOOOOMMM!
KRABBBBBBBOOOOOOOOOOOOMMMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOOMMMM!
KRABBBBBBOOOOOOOOOOOOMMM!

Nico: OH YEAH!

Eli: Time for some Zector Power!

Eli used Baron Mordo's Zector!

He fired blasts of magic and Mystic Bolts and blasted Felix all over!

Felix got out a rocket launcher.

He fired and I formed a Jewel Shield and the rockets hit it and exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

But the shield protected us all.

Me: Nice try! Lets see here.

I then fired a beam of yellow magic and it hit him and blasted him down!

Me: WHOA! Princess Celestia's magic!? Lets see.

I fired waves of Blue Magic for Princess Luna!

Me: Moonlight Magic from Princess Luna!? Wow!

Nico: The powers of the Princesses too!? That is cool!

Me: Wow!

Twilight Sparkle: Boy Princess Celestia and Luna are going to be shocked about that!

Me: No kidding!

Felix: You know I still have the rocket launcher, right?

Me: Not for long.

I fired Sprinkle Bombs and they went into the Rocket Launcher and blew it to pieces!

Felix: Okay that was rough.

Pinkie Pie: WOOWOO!

Nico: YEAH!

Felix took out a grenade, pulled the pin, and was about to throw it when Nico fired a shot from Desdshot's gun at it.

The blast hit it and it deflected it and it hit Felix and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Me: Nice! I don't want to be a one track mind though.

I fired a blast of lightning and electrocuted him!

I spread my wings and flew at him!

Me: Try these!

I fired a massive cyclone of leaves and slashed him all over.

Tex walked up to Felix and punched him!

POW!

Me: YEAH!

Then a Vanilluxe appeared!

Me: A Vanilluxe! Wow!

Nico: Cool!

Vanilluxe: (In a girls voice) This is gonna be a really fun one!

Nico: Valentina Gruber!? Wow!

She fired a blast of energy and smashed down Felix!

Nico: (gets out Mr. Mittens and Katnappe's Ridewatches) Hope you guys aren't allergic to cats!

Nico Activated them and fired blasts of fish and catnip and smashed him all over.

Felix danced around stupidly like someone who was high on methamphetamine!

Me: That is silly.

Nico: YEAH!

Cheese: I like cereal!

He grabbed Felix and smashed his face into the ground!

BAM BAM BAM BAM BAM BAM!

Eli: That a boy Cheese!

Sunny Starscout: Lets get him!

She got out Malachite's Zector and blasted him with water.

Sarge fired at Felix and knocked him down and out.

Vanilluxe fired an ice blast and froze Felix in a block of ice.

Me: That did it!

I teleported him to the M.O.E. HQ.

Nico: YEAH!

Caboose: Are you the ice cream woman?

Vanilluxe: Yes I sure am.

She reverted back and was a girl with Aqua Blue Hair and Aqua Blue Clothes and had blue eyes.

Valentina Gruber: I worked in an ice cream parlor that I own.

Me: Awesome.

Nico: Valentina made 10,000 awesome flavors of ice cream.

Pinkie Pie: That is amazing! How many toppings do you have?

Valentina Gruber: 500 toppings with over 750,000 combinations.

Nico: WOW!

Grif: I wanna have that with pizza right now!

We laughed!

Nico: You sure love pizza.

Julie Carolina: No kidding.

Me: What's your favorite memory of Nico?

Valentina Gruber: My favorite is when the Queen Bee jerk of the cheerleading squad was being a total bitch and then me and Nico made her the most repulsive flavor ever in my ice cream flavor repertoire, Raw Sewage Chum Surprise!

Me: Raw Sewage Chum Surprise!? BLECH!

Valentina Gruber: Oh it tastes worse than it sounds. I gave it to her with chocolate syrup and then she ate it and got sick instantaneously and she hurled her guts out all over the school and inundated the entire school in vomit! She had to be rushed to the hospital and she was puking waterfalls. She died in the hospital.

Me: GEEZ!

Eli: That serves her right!

Nico: That was an incident we call the Ice Cream Vomit Storm.

Rainbow Dash: That was awesome!

Me: No fucking shit!

Nico: That ice cream was made with Raw Sewage and Chum.

Me: That would taste like puke on a stick!

Twilight Sparkle: No kidding!

Nico and Valentina hugged.

Nico: I've really missed you.

Valentina Gruber: Me too Nico. Me too.

We later went back home.

* * *

We arrived.

May: Hey guys how did it go?

Me: Really awesome.

We told everyone everything.

May: GEEZ! That is awesome!

Laney: No kidding!

May: Next time, Sonic, Turbo, and Devon should go with you.

Me: Good idea!

Julie: I agree there.

Me: Yep.

* * *

Later we were over at the beach.

Red Archery Girl: What are we looking for here?

Me: Our scans found 2 stasis pods that are here.

Jazz: Wow! I wonder who we'll meet from them.

Armada Hot Shot: Boy that's a good question.

Lola: It'll be awesome to see them though.

Nico: Yep. And there they are.

We saw the pods.

We went over to them.

Nina Thundarra: Who's inside?

Me: Lets find out.

We activated them and they woke up.

We saw that they were Live Action Smokescreen and Live Action Gears.

Live Action Optimus Prime: It's Smokescreen and Gears.

Qin: From the Live Action Universe.

Starlight Glimmer: Wow! This is amazing!

Camie: Cool!

Live Action Smokescreen and Gears woke up.

Live Action Smokescreen: What happened?

Live Action Optimus Prime: Glad to have you back.

Live Action Smokescreen: Optimus? What happened?

Me: You were in Stasis.

Live Action Optimus Prime: We have quite a story to tell you.

Live Action Gears: Can't believe we were in stasis.

Live Action Optimus Prime: You've been in stasis for a while.

Me: You're actually on the planet Earth.

Nico: And the War with the Autobots and the Decepticons is over.

We revealed everything about the war and how it ended with us helping the Autobots with stopping them from fighting and working together and how we destroyed Unicron and how Nico was made Leader of the Decepticons.

Live Action Gears: We missed the war?!

Nico: I know this is a lot to take in but yeah the war is over. Autobots and Decepticons are now living together in peace and I am now the leader of the Decepticons and I'm leading them on the road to redemption.

Nico showed his Decepticon Leadership Medal.

Nico: I was given this as my symbol of authority.

Live Action Gears: Wow!

Me: I know it's going to take a while for you both to adjust to this.

Starlight Glimmer: But missing the war was for the best for you. Lots of terrible things went down in your world.

Live Action Gears: Like what?

Me: Well we have a very terrible and scary story to tell you about what happened in your world.

We went over what went down in the world of the Live Action Transformations and everything that happened.

Live Action Gears: Oh my! Thank Primus we weren't there.

Sixshot: Just be glad you two didn't get killed.

Live Action Smokescreen: Thank Primus we weren't there.

Live Action Bumblebee: Thank goodness too.

Me: But Megatron, Cemetery Wind and Starscream are all destroyed and given the Black Gates for their crimes.

Qin: Yeah no kidding.

Lola: And everyone they destroy they destroyed were all avenged.

Me: And Sentinel Prime feels so bad about it all that happened there that he is trying hard to redeem himself.

Live Action Gears: Wow!

Live Action Smokescreen: Now, who am I gonna shoot?!

Live Action Ironhide: I know, right?

Me: Just shoot those that deserve it.

Live Action Optimus Prime: We'll show you who when the time comes.

Qin: Yeah.

Live Action Smokescreen: Okay. But it'll take a while to get used to it.

Me: Take your time to adjust.

Nico: But we're not done here though.

Me: Yep. There's still a gene-slammer.

POINK POINK.

Something tapped me on my leg.

Me: Huh?

I saw that it was a Reuniclus.

Me: Hey a Reuniclus.

Nico: Cute little one.

Reuniclus: (In a girls voice) I may be cute but I can kick some butt!

Qin: (GASP) Antoinette Gregory! Whoa!

She reverted back and was a girl with green hair and had red clothes and had red eyes.

Antoinette Gregory: This is gonna be fun.

Punch: Are you a doctor?

Antoinette Gregory: That's right. Dr. Antoinette Gregory, Gastroenterologist.

Punch: Cool!

Xenia: Nice!

Antoinette Gregory: Became the youngest ever to become one. Graduated at an advanced level in 3 years and became one.

Me: Wow! That is very impressive.

Nico: I'll say!

Lisa Loud: That is a most impressive achievement there.

Punch: What's your favorite memory of Nico?

Antoinette Gregory: My favorite is when me and Nico actually shrunk down and went inside someones stomach and found a bomb in it and brought it back out.

Me: WHOA! That's like what happened with me!

Xenia: Yeah we went inside J.D.'s stomach and fought Ricardio.

Nico: That is very awesome.

Lola: That is awesome!

Antoinette Gregory: Very amazing.

Nico and Antoinette hugged.

Nico: I've really missed you.

Antoinette Gregory: Me too Nico. Me too.

Me: Now we need to get ready for our next mission.

Nico: Whatever that is.

Lola: Yeah.

Sakura Knudson: You guys actually went inside my brother?

Me: They sure did.

Camie: It was really crazy.

Me: I had explosive vomiting problems and Lisa found out that Ricardio was inside me.

Finn: He was an anthropomorphic heart of the Ice King.

Qin: Yeah and he has a really sexy voice.

We laughed.

Carol: Yeah no kidding.

Sakura Knudson: How did you guys get out?

Maria: I gave J.D. a bottle of really fizzy soda and he belched everyone out.

Me: Loudest belch ever.

Qin: It was awesome though.

Varie: It was really awesome though.

Lola.

Osmosis Jones: It sure was awesome.

Nico: We shrunk down and went in by having J.D. drink us in a glass of water.

Me: Yeah.

The previous group came.

Tala: Can me, Arbormon, Ranamon, Cheshire, Eris, Myotismon, Unicorn, Yenaldoshi, Chillyfish, and Thundermon go with you guys?

Nico: Yes you all can come with us.

Qin: This will still be fun.

Me: Yep.

We went back to the estate and got ready.

Arbormon: How about we visit Reefside?

Me: Good idea.

Qin: This will be fun.

Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye glowed, and he had a vision and he saw who it was that we were going to confront: it was the old enemy of The Dino Thunder Power Rangers, Mesogog, and he's come back again wanting revenge on The Dino Thunder Power Rangers. When we saw it, we knew it meant big trouble.

Nico: Lincoln, what's wrong?

Lincoln: Nico, where are Connor, Ethan, Kira, Trent, and Tommy?

Just then, Connor and the Dino Thunder Power Rangers came in.

Connor McKnight: You called, Lincoln, what's wrong?

Lincoln: You and the rest of the team are so not going to like it, Connor: I had a vision and I saw who we're going to confront today: it's your old enemy, Mesogog, he's come back yet again and he still wants revenge on all of you for destroying him.

We gasped.

Me: Whoa, Mesogog's back yet again?! First, it was Galvanax, next it was Prince Vekar, then, it was Emperor Grumm, and now, we got word that Mesogog has come back for more?! This is going to be one huge fight, but we'll send that monster to The Black Gates and rid the universe of another of the Rangers' enemies.

Nico: You got that right.

Sebastian Mendez: Figures Mesogog would be brought back. Lord Zedd's really getting on our nerves bringing back the old enemies of the Rangers.

Nico: He sure is, but don't worry, Lord Zedd will get his just desserts very soon. Now, let's get out there and put an end to Mesogog and this time, for good.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Emberlynn Harlow of The Legion of The Lincoln-Haters, and she's heading here to kill Lincoln and get revenge. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, it's Emberlynn Harlow of The Legion of The Lincoln-Haters, and she's heading here to kill me and get revenge.

Selene Arcangela: Should've known Brianna Greyson would send her next. But, if we know that bitch all too well, she'll also be bringing Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson with her.

Nicholette Torrington: Just like what happened when The Chernabog Sisters came after us last year.

Lincoln: That won't be a problem, I'll trap them in a force field.

Tabby: While you and I deal with Emberlynn Harlow and put an end to her for good, Lincoln.

Lincoln: But, we also got to watch it though, Emberlynn Harlow will no doubt have her machine guns with her, along with the others.

Nico: Good thinking, if they broke out of jail, they're bound to have gotten access to high-powered machine guns they stole from the cops or got themselves from contacts outside. Alright, gang, let's go, it's time to destroy Mesogog once and for all.

Lincoln: Mesogog's time is finally done, no longer will we let that Jurassic monster be free to cause havoc on the Earth ever again, and once we get done with destroying Mesogog, you're next, Emberlynn Harlow.

Selene Arcangela: You better start praying for mercy, you remorseless bitch.

Selene Emperyous: Because, we will show you and the others none for everything you've done in the past.

Tabby: No way are we forgiving you for any of your actions, Emberlynn Harlow, you better be ready to pay the price for your foul misdeeds after we get rid of Mesogog.

Lincoln put up a rainbow energy field around The World Tree Estate and we flew off to destroy Mesogog.

We were off to Reefside.

---

We arrived in Reefside.

Me: We better be on alert.

Scrapper: You guys must be happy to be home.

Connor: We sure are.

Me: Yeah.

Camie: Who is Mesogog?

Me: You will hate this son of a bitch.

I went over his history.

---

Anton Mercer, better known as Mesogog, is a dinosaur-human hybrid, the main antagonist of Power Rangers: Dino Thunder and the archenemy of Conner McKnight and Trent Fernandez-Mercer. He was the monster-form of Anton Mercer. Mesogog was both the archenemy of the Dino Rangers and the ruthless and treacherous terrorist that wanted to conquer the world and return it to the era of dinosaurs.

He was voiced by Latham Gaines.

Mesogog was created from a groundbreaking experiment Dr. Anton Mercer had been performing with dinosaur DNA. However, this accidentally transformed him into the monstrous megalomaniac, Mesogog, who sought to send Earth back into the age of dinosaurs with all humans transformed into reptilian hybrids like himself (Tommy asks him why he can't just settle for world domination, "like all the other sickos", although the planned prehistoric reversion may be his own method of doing so). They continued from then on to shift between Mercer and Mesogog in a Jekyll and Hyde relationship with each aware of the other, but having two distinct personalities.

The dinosaur hybrid recruited Elsa and a cyborg warrior named Zeltrax, whom he created from the remains of Terrence "Smitty" Smith, a former associate of Tommy Oliver's, to aid him in his attempts to conquer the world. Mesogog also utilized an army of creatures called Tyrannodrones, dinosaur based humanoids that Mercer and Tommy had created. He then set up his lab/base, which was full of genetic samples that he could use to create monsters, and was ready to put his plans in action.

Years later, in 2004, Mesogog resurfaces after three high-school students recover the Dino Gems, sending his Tyrannodrones to catch the students and recover the Gems for him. After the three students manage to beat Mesogog's army thanks to their new powers given by the Gems, Mesogog sends his Tyrannodrones one more time to capture one of the three students, this time he succeeds and captures Kira Ford. Mesogog meets Kira and asks her where are the Dino Gems but she tells her that she gave them away. Unfortunately for Mesogog, Kira then gets into a tussle with his henchwoman Elsa as she tries to run away from her and Zeltrax, finding an Invisiportal and getting away. But Mesogog plans were interrupted when Tommy managed to steal the three Dino Gems and use them to create the Dino Thunder Power Rangers.

The next day, Mesogog orders an attack on Reefside, freeing the Biozords so they can begin their rampage through the city streets. Zeltrax then arrives with his ship and begins his attack as commanded by Mesogog but Tommy Oliver and his three students show up, they then morph into the Dino Rangers, the Rangers then defeat the Tyrannodrones and Zeltrax. The Dino Rangers tame the Zords, form the Thundersaurus Megazord and destroy Zeltrax's ship with their Tyranno Drill. When Zeltrax returns to the Island Fortress, Mesogog punishes him and Elsa for their failure with a psionic brain-blast and warns them as a lesson that he doesn't take defeat lightly.

After Mesogog realizes that Tommy found three eggs containing the unborn Raptor Riders, he orders to initiate the Geno-Randomizer and create a monster so he can stop Tommy from training the new dino creatures, unfortunately he's unsuccessful as Tommy manages to train the Raptor Riders and send them to aid the Rangers, who then quickly destroy his monster. Mesogog later finds a mysterious energy crystal stone that contained some great power but couldn't find a way to open it, so he sends his army to kidnap Tommy Oliver so that he can forced him to help him open the stone. g TV STORY-Wave Goodbye Mesogog tortures Tommy by draining him with his life-force extractor while telling him that his goal was returning Earth to its prehistoric roots, when Tommy (who asks why Mesogog can't settle for world domination like all the other villains, although the prehistoric reversion may be his own method of doing so) continues to refuse helping Mesogog, he keeps draining his life.

Just as Mesogog gives Tommy an ultimatum, the Ranger later go to his fortress in their Raptor Cycles to rescue Tommy. Mesogog meets the three Rangers in his fortress, but is stopped by his lackeys, though he and his army later confront the Rangers as they just freed Tommy from his captivity, with Mesogog taking on Tommy himself and beating him until he managed to steal the stone and run away with the Rangers through an invisiportal. When his lackeys follow the four heroes, Tommy uses the stone to block one of Zeltrax's attacks, revealing the stone to be the Black Dino Gem, which lets him transform into the Black Dino Ranger, adding a fourth Ranger to Mesogog's enemies.

Mesogog began sending his monsters against them, only to be bested again and again. However things began to sway in the dinosaur hybrid's favor when Mercer's son, Trent, found his lab and the White Dino Gem that Mesogog had in his possession. It transformed him into the White Dino Ranger, who fought against the rangers but was disloyal to Mesogog until Trent found out that he was also Mercer. The White Ranger joined his side, but Zeltrax convinced the dinosaur hybrid that Trent was a traitor, so Mesogog hooked him up to a machine that would drain his life energy. However Mercer regained control of their body and freed Trent before it could take all his life energy and told him to fight alongside his friends, the other Power Rangers.

Later, Mesogog joined forces with the returned Lothor, who had turned the Wind Ninja Power Rangers evil. But he regarded Lothor as an idiot and did not trust him completely, planning to get rid of him as soon as the other rangers were destroyed. However, the Dino Thunder Rangers, the Thunder Ninja Rangers, and the Green Samurai Ranger turned the Wind Ninja Rangers good again and defeated Lothor and Mesogog's forces. Mesogog and Lothor fought with the dinosaur hybrid emerging the victor, shrinking the evil ninja lord and putting him in one of the jars where he kept genetic samples for monsters.

Some time after this, the dinosaur hybrid succeeded in using a formula that separated him from Mercer, increasing his mental instability and determination to see his plans succeed. As a result, his insanity and determination increased as he creates his last and most powerful monster, a cycloptic amoeba-like monster called Ugly Monster. It took a bit of deception from the Rangers (using the Dino Gems as bait) to destroy the cannon and Mesogog's base.

Mesogog rid himself of Elsa, needing her energy to power a cannon he was using in his plans, but the rangers used a bit of trickery with the Dino Gems to destroy the cannon and Mesogog's base. However the dinosaur hybrid was able to survive and reappeared after the rangers' defeated Zeltrax, using energy he has absorbed from the gems to mutate into the Mesomonster. He took on the Rangers, proving nearly invincible and even split into four copies of himself, but the Rangers used all the energy in the Dino Gems to destroy the Mesomonster.

---

When I was finished everyone that hadn't heard about it was shocked!

Zuria: He is pure evil.

Me: And that's why I'm going to destroy him. No way in hell am I going to let him get him away with everything he did.

Ranamon: Lola, you should help out against Mesogog too. You ARE the pink ranger after all

Lola: I intend to.

Me: First we need to find Anton.

Nico: I was just about to say that.

Alister: We need to find Anton Mercer and see if he's Mesogog right now.

Nico: I agree.

Tommy Oliver: I know where he is.

We followed Tommy to Anton's house.

Qin: Anton's mansion.

Me: Wow! This is an amazing place. I remember seeing it.

Tommy Oliver: It's a nice place for him.

Lola: It sure is.

We went up to the door.

Cheshire: Remember, we need to be gentle about this.

Nico: Only if we're wrong. (Knocks on door)

We knocked on the door and answering it was Anton.

Anton Mercer: Team Loud Phoenix Storm! What an honor.

Me: Pleasure to meet you Anton.

Tommy Oliver: Good to see you my friend.

Anton Mercer: Same to you Tommy.

Ranamon: We just need a few minutes of your time.

Anton Mercer: Come on in.

We went in.

Me: Nice place you have here.

Anton Mercer: Thank you.

We went into the living room.

Me: Sorry to come in like this but we have some terrible information.

Anton Mercer: Mesogog is back isn't he?

Me: I'm afraid so.

Anton Mercer: I knew it. I'm not Mesogog anymore. Even if he was inside me I am not him.

Me: Let me see.

I put my hand on his hand and then my eyes glowed in an intense white.

Me: He's telling the truth! Mesogog is still no longer inside him.

Chill Bill: J.D. got this new power that he just HAD to test out.

Me: Actually I did test it out on Nico. But I wanted to be sure he is telling the truth. And he is.

Qin: How in the world did Mesogog come back?

Nico: Good question.

Me: At least Zeltrax isn't with him.

Camie: Thank goodness.

Eros: Well, the good news is that you're still free of him.

Kira: But the bad news is that Mesogog will probably be in his monstrous final form.

Me: If that's the case, we're gonna have one helluva battle.

Xenia: I know.

Tommy Oliver: He gave us a run for our money the last time.

Me: That was back in 2004. We have 19 years of pain to unleash on him.

Xenia: Yeah.

June: We should head to that Dino Lab of yours.

Trent: Right. Thanks for your time, dad!

Anton Mercer: You're welcome son. Go destroy that monster.

Me: With pleasure.

We left and went to the Dino Thunder Lab.

We arrived.

Kira: Boy this place hasn't changed at all.

Connor: Man, this brings back memories.

Myotismon: It does, doesn't it?

Me: Boy I remember this lab. So awesome.

Qin: It sure is.

Tommy Oliver: It feels good to be back here.

Kimberly: This is amazing that you were here Tommy.

Jason: It sure is.

Billy Cranston: It sure is something.

We then saw Hayley Ziktor.

Sour Sweet: You must be Hayley Ziktor.

Hayley Ziktor: I sure am. An honor to meet you all and Dr. Oliver, Connor, Ethan, Kira and Trent it's great to see you.

Tommy Oliver: Same here Hayley.

Lola: I take it you heard that…

Hayley Ziktor: Mesogog is back. Yeah.

Me: Yeah and we're going to destroy him once and for all.

Hayley Ziktor: As soon as Cassidy and Devin heard about that psycho possibly returning, they went to evacuate as many civilians as possible.

Unicorn: Didn't want to take any chances. That's understandable.

Me: That's good. We don't want people getting caught in the crossfire.

Nico: Yeah no kidding.

Me: Mesogog picked the wrong day to return.

Nico: Because we've gotten infinitely more powerful than ever.

Xenia: Yes we have.

Connor: (to Trent, Ethan, and Kira) I have a feeling you guys will be needed for the usual battles today. So, me, Dr. O, and Lola will start off the battle against Mesogog.

Icepick: (to Hayley) Lola's a Pink Dino Thunder Ranger, FYI.

Hayley Ziktor: That's amazing!

Me: She became the Pink Ranger 3 years ago?

Nico: 4 Years Ago. 2019.

Me: That's right.

Lola: It's true. I'm for the Argentinosaurus.

Hayley Ziktor: Wow!

Me: Yep. Also I want to rough up Mesogog. I got a new transformation and I don't want to waste it by not testing out its power on Mesogog.

Yenaldooshi: Let me sniff for him.

Me: Okay.

He sniffed out for him.

Camie: I have a feeling this will be epic.

Barricade: You guys should morph now.

Connor: Right!

Me: IT'S MORPHIN TIME!

Dino Thunder Rangers: Dino Thunder, Power Up! HA!

Trent: White Ranger, Dino Power!

They transformed!

Connor: "Tyranno Power! Red Ranger!"

Ethan: "Tricera Power! Blue Ranger!"

Kira: "Ptera Power! Yellow Ranger!"

Tommy: "Brachio Power! Black Ranger!"

Trent: "Drago Power! White Ranger!"

Lola: "Argentino Power! Pink Ranger!

All: "Roar of Thunder! Power Rangers Dino Thunder!"

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off behind them and they were ready!

Me: Awesome!

Yenaldooshi: I found him! He's heading for this lab!

We gasped!

Eli: I sense him! He's 3 miles from it.

Chillyfish: Let's get a move on!

Me: Lets! Mesogog, (EYES GLOW RED) This time we're making you Extinct!

We were off!

Hagger: Entrance time!

Me: I see him!

Nico: Lets go.

We went at him. He was moving slow but he was more ferocious than ever!

Then the spirits of the thousands of species of dinosaurs from millions of years ago appeared and swirled around him and then they converged and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive fiery explosion that blasted off above him and a phoenix cry was heard and then we landed in front of him!

Me: Mesogog! 66 Million years hasn't been kind on you hasn't it?

Mesogog: You killed me J.D. and now I will kill you!

Me: Bring it on lizard lips!

Eli: You will pay for everything you did!

Mesogog: You fools think you can destroy me again without sacrificing your powers?

Thundermon: They won't have to sacrifice their powers. Because they have us!

Kira: (to Connor) As soon as me, Ethan, and Trent are done with the usual battles, we're helping you!

Mesogog: If you live long enough!

Me: Don't count on it!

I then flared up my power and I was enveloped in a massive vortex of rainbow fire and elements and when it faded I was now in my new SUPER ANGEL EBONWU UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA COSMIC ELEMENTAL WOLF MOON PHOENIX FORM!

Mesogog: WHAT THE!

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14:)

Vince: WHOA!

Me: (DIVINE ECHOING GODLY VOICE) **Now you face the true wrath of a god!**

Mesogog: I think not.

KROW!

I kicked him square in the face with devastating force and sent him crashing into a car and it exploded!

KRABBBOOOOOOOOOOOOOOOOOOMMMM!

He got up and went at me and I ducked under a punch and punched him in the stomach and kicked him in his face and slashed him with my sword and fired waves of fire and blasted him all over!

I teleported and kicked him in his back and sent him crashing into a building!

He got up and went at me and I flipped over him and kicked him and sent him crashing into a car and it exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM

He got up!

Mesogog: I FUCKING HATE YOU!

My aura flared up with intense power!

I teleported and punched him in his face with devastating force and kicked him in the stomach and he belched up a huge amount of blood!

Nico: TEAR HIS FUCKING ASS APART!

Then Vanitas, El Diablo, Iron Lung, Merman, Beast Man, Doctor Octopus, Speed Demon, Boomerang, Turtle, and 2016 Morbucks appeared.

Nico: Vanitas, El Diablo, Iron Lung, Merman, Beast Man, Doctor

Octopus, Speed Demon, Boomerang, Turtle, and 2016 Morbucks.

Vanitas: I like J.D.'s new look.

Zarya: Boy he is awesome!

El Diablo: Mesogog doesn't stand a chance!

Nico: No he doesn't!

Iron Lung: As long as the Dino Thunder Rangers have their shot too.

Nico: Fair enough.

Merman: (to Nico) We heard you went to the Crystal Brighthouse.

Nico: We sure did.

Beast Man: Do anything fun there?

Nico: Had an amazing relaxing time from yesterday and J.D. demonstrated that he has all the powers of the Mane 10.

Beast Man: Wow!

Snipster then came.

Nico: Snipster! Back for another round?

Snipster: Yep. I sure am.

Eli: Awesome!

I kicked him square in his face and sent him plowing into a building and the whole thing then crashed right down onto him!

He exploded out of the rubble and he is mangled up!

Qin: WHOA! Mesogog is really pissed now!

Snipster: Funny how I'm showing up while the successors of the Rangers that I fought are about to kill their main bad guy for good.

Nico: That is funny but awesome.

Eli: It sure is!

Celica: But it's going to be fun.

Qin: Yep.

Everyone got the usual battles underway.

Yumi, Kokou, Saya Takagi, Rei Miyamoto, Saeko Busujima, Miku Yuuki, Starlight Glimmer, Cozy Glow, Undead Skylanders, Alister and Rafael VS Merman, Genbu, Eugeal, Mimet, Byruit, and Animo - Meeting a gene-slammer for Elemental HERO Gaia

---

Merman was next.

Merman: (to Yumi) I heard you guys met a gene-slammer for Elemental HERO Gaia. What's her name?

Yumi: Her name is Selene Lexington and she is a really powerful master of Earth.

Kokou: She sure is and her power over the earth is amazingly strong and powerful.

Saya Takagi: It sure is and we're really amazed that Lincoln has an awesome guardian angel like her.

Rei Miyamoto: We sure are.

Saeko Busujima: I think that it's amazing myself.

Miku Yuuki: And her story is really awesome too.

---

Nico: Yep. So, Selene, what's the story on how Lola tried to destroy your gym with bombs while you were inside working out, but your alarm system alerted you early, and that you took her down hard and they got that blackmailing pink-wearing pageant demon grounded big time.

Selene Lexington: You're not going to like hearing it, Nico.

Selene Lexington pulled up the video as it played on the big screen. There we see Selene Lexington and Lincoln working out in their gym and Lincoln was 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, even doing yoga to clear his mind and the rest of The Guardian Angels were with him, and they were doing the same routine as Lincoln. Suddenly, they heard the alarm sound, and they saw on the television: Lola was here, and she has tons of bombs with her, and she's going to throw them at their gym to blow it up and kill them.

Past Selene Emperyous: What the heck?!

Past Laney Emperyous: Oh shit, Lola's here, and she's got tons of bombs with her, and she's going to throw them at our gym to blow it up and kill us!

Past Lincoln: Lola, you really don't know when to quit, do you? Come on, Selene, let's take her down before she starts throwing those bombs.

Lincoln and Selene Lexington, along with the rest of the Guardian Angels, flew out of their gym, and before Lola could light and throw the bombs, Lincoln and Selene Lexington grabbed Lola and they had proceeded to beat her down, and Selene Emperyous confiscated the bombs, and after they got done with beating down Lola, Lincoln tied her up in red energy ropes he fired from his white angel wings, and they dragged her off to The Loud House and to her doom. The video ended, and we were outright horrified.

Nico: My God, I knew Lola had a bad temper because of that heartless Dark Side of hers, but she had tried to bomb their gym with them inside it and out in daylight too, that's pure evil to the extreme.

Me: Yeah, and I still remembered that day all too well. Lola went too far that day, and after Lincoln came back with a tied up Lola and he told everyone what she tried to do, she wound up getting her butt grounded for sixteen weeks and she wasn't able to do any pageants during that time, and she swore revenge on Lincoln.

Luna: Plus, it made the hatred and anger of those who hated Lola go up even more, along with ours.

Lana: I couldn't stand to be in the same room as that Glitter Monster!

Luan: So, we decided to move Lola into the basement since any attempt at revenge on Lincoln could set Lana off and that could lead to another twin rumble.

FLASHBACK ENDS

Merman: Man! Lola's dark side really made a lot of people angry!

Starlight Glimmer: Boy that is for sure! What she did back in those days was awful.

Cozy Glow: That was horrible back then huh.

Hex: It sure was!

Merman: I think that's an understatement. Lets do it!

Yumi and group used fusions for Hermos and the Gishki monsters and their rider cards and got new weapons and they fired waves of skulls, blood, bones, lightning, magic, stars and energy and smashed them down.

Lincoln: Oh great, I knew there's no mistaking that foul mouth from anywhere, you just don't know when to call it quits, do you, Emberlynn Harlow.

We saw a girl with black hair, red eyes, and dressed in a black coat, white blouse, black pants, and black knee-high boots heading our way on a motorcycle, it was Emberlynn Harlow of The Legion of The Lincoln-Haters, but we also saw Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson heading here as well.

Selene Arcangela: Oh great, that monster bitch's also got Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson with her.

Lincoln: If they think I'm going to take that lying down, they've got another thing coming.

Lincoln fired magnetic blasts at the motorcycles and destroyed them and that sent the Legion of The Lincoln Haters flying off the destroyed motorcycles, and when they got back up and saw Lincoln, they were now absolutely pissed off.

Emberlynn Harlow: You ruined everything, Lincoln Loud! We had every last loser cowering in fear before us, but you… ! YOU JUST HAD TO PLAY THE HERO AND RUIN OUR REIGN!

Brianna Grayson: And what you fucking did in killing our dads… , THAT WAS THE LAST STRAW THAT BROKE OUR FUCKING BACKS! KILL THEM ALL! LEAVE NONE OF THEM ALIVE!

But, before Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson could get after us, Lincoln trapped them in a rainbow energy field.

Alana Cameron: WHAT THE FUCK?! HE TRAPPED US INSIDE THIS AGAIN! I'LL FUCKING KILL YOU, LINCOLN!

Lincoln: Cry me a river!

Maria: You tell her, Lincoln! (Flips Middle Finger) And up yours, bitch!

Qin: They're just as, if not even worse, than Audrey Madison, and she was a heartless, sick, twisted, good-for-nothing, murderous slut!

Me: And they're still as stupid and murderous as ever.

Tabby: But, this'll send a clear message that we're not letting them get away with any of their plans for revenge.

Suddenly, Tabby's eyes turned neon purple and she was surrounded by a sunlight yellow energy aura with rainbow lights, stars, leaves, plants, and phoenixes, and as she approached Emberlynn Harlow, she left sunlight yellow energy, rainbow lights, stars, leaves, plants, and phoenixes with every step.

Tabby: I can't believe that you'd break out one day to get revenge on Lincoln for something that was entirely your fault, Emberlynn Harlow, and the same goes with the rest of the monster bitches inside the energy field. You think that now that you and the rest of The Legion of The Lincoln-Haters have broken free you can just waltz in here and try and kill Lincoln, we're not standing for it. You've already put the final nail in your coffin, and now, it's time for you to die, you bloke.

Suddenly, Tabby was surrounded by a massive vortex of sunlight yellow energy with rainbow lights, stars, leaves, and plants surrounding the vortex, there are phoenixes flying around the vortex and in the vortex is a purple phoenix with red eyes glaring at Emberlynn Harlow: the red eyes of death. Then, as the vortex faded, Tabby emerged, but she was changed forever.

Tabby grew to 7'5" in height, she has the body of a goddess, she has pink highlights in the bangs of her long black hair with purple highlights gelled upwards, she has neon purple eyes and purple eyeshadow and a sunlight yellow energy aura with rainbow lights, stars, plants, leaves, and phoenixes surrounding her, she has a phoenix and the sun of Iris emblazoned on her forehead with Third Eye with purple iris, she has on phoenix earrings with pink gems for eyes and holding the Light, Plants, and Eternity Kanjis in its claws, she also has a phoenix with pink gems for eyes and holding the Light, Plants, and Eternity Kanjis in the claws on the bottom of her pink phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love with pink crystal links from her merged Crystal Necklace of the Buddha and pink gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Tabby has on an aubergine jacket, mini t-shirt with horizontal stripes, pink checkered skirt, white platform boots, she has on large gold metal bands with pink gems on her biceps and thighs, and long sleeveless white trenchcoat with rainbow lights, plants, leaves, stars, and phoenixes on the coattails, and on the back is a phoenix surrounded by plants, leaves, rainbow lights, and stars. Suddenly, Tabby felt a sharp pain on her back, and then, massive black angel wings with pink tips on the feathers grew and sprouted out from her back, and she now has eleven massive and long black wolf tails with pink tips and pink markings, Tabby has on her Ring of the Phoenix with pink gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Tabby's newly forged greatsword and all the greatswords and swords that she'd gotten began to merge together and they're surrounded by a kaleidoscope of sunlight yellow energy, plants, leaves, rainbow lights, stars, and phoenixes, and when it emerged, it transformed into Tabby's Rock Star Solar Rainbow Plant Cosmic Greatsword of Solar Rainbow Plant Phoenix Iris' Justice, it's a brand-new massive greatsword with embedded rainbow gems and pink etchings and a phoenix and the Greek Goddess, Iris, etched on the 7'3" massive, wide, double-edged pink blade, large pink phoenix heads for the crossguard, large white angelic faces built into both sides of the hilt with rainbow gems embedded in the foreheads, longer midnight black handle, four large pink phoenix heads with rainbow gems in their mouths and a large purple phoenix head with a yellow gem in its mouth below the large phoenix heads for the pommel. Tabby has on her new large gold cuff Bracers of The Champions of The Universe with pink gems on her wrists and Dragon Ball Bracelet on the left bracer, her new Belt of Elemental Bravery with a gold phoenix head with pink gems for eyes and a large rainbow gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a purple kanji below the phoenix that said, "Tabby, Best Friend of Luna Loud, Sam, Mazzy, Sully, and Chunk, Fan of Mick Swagger, Wild and Energetic and Talented Rockstar, Despiser of Killjoy Huggins, Dark Chandler and His Minions, And The Rest of Lincoln's Enemies, Loving Future Wife of Lincoln Loud, Destroyer of Emberlynn Harlow of The Legion of The Lincoln-Haters, Emissary and Champion of Iris, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, and Master of Rainbow Lights, Plants, Stars, and Phoenixes"

We were amazed by Tabby's Super Angel-Phoenix-Harmony Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Emberlynn Harlow saw it, she went fucking crazy and she got out her machine gun to fire at Tabby, but Tabby fired a barrage of sunlight yellow energy blasts with light, rainbow lights, music notes, plants, leaves, stars, and phoenixes at Emberlynn Harlow and it sent her flying into a tree back first, she got back up and she ran at Tabby again with a knife she got out, but she disarmed Emberlynn Harlow and dislocated her arm and sent her flying into another tree with a roundhouse kick, she got back up, but now, she was mega pissed off!

Nico: Whoa!

Luna: No way, that's so awesome!

Sam: You got that right!

Me: Awesome, Tabby's transformed into her Super Angel-Phoenix-Harmony Universal Eternal Celestial Xelnaga form, and she disarmed Emberlynn Harlow and she sent her flying into a tree with a roundhouse kick.

Lincoln: Emberlynn Harlow's been asking for this for a long time, and what better way to administer her final judgement than right in front of the other members of The Legion of The Lincoln-Haters.

Tabby: (Divine Godly Cosmic Voice of The Rockstar Cosmic Iris Solar Rainbow Firestorm Plant Phoenix Angel and Divine Solar Cosmic Rockstar Solar Iris Rainbow Firestorm Plant Phoenix Love) You got that right. Now, let's rip her apart, Linky.

Lincoln unholstered his massive Lincoln Loud's Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Phoenix-Harmony Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Angel of Divine Universal

Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Hope, and he joined Tabby.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You and the others have caused more than enough grief and trouble to everyone in Michigan for too long, Emberlynn Harlow. We've made the right choice getting you all expelled and put in prison five years ago, but you know what, prison's too good for any of you. Now, we're going to fix that and do what should've been done to you years ago.

Tabby and Lincoln went after Emberlynn HArlow who went extremely ballistic and continued firing at them, but they dodged the bullets, and they fired extremely powerful blasts of rainbow energy, sunlight yellow energy, fireworks, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Emberlynn Harlow and they exploded with incredible power as they hit her, and they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and he and Tabby attacked her with punches, kicks, and karate chops, and they were really, really, really pissing off her off now and driving her even more ballistic.

Just then, Emberlynn Harlow got out a second machine gun, but Lincoln put up a rainbow energy shield around him, Tabby, and all of us, and she started shooting like crazy and also laughing like a deranged bitch, but the bullets were getting bounced off the energy shield. Suddenly, the machine guns ran out of bullets and Emberlynn Harlow's deranged laughter died down and she was really fucked now.

Me: Hah! You're out of bullets, bitch, and you know what that means!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smirks) You're shit out of luck!

Lincoln grabbed Emberlynn Harlow by the neck and he tossed her into the air, and Lincoln and Tabby fired a powerful barrage of energy balls with light, rainbow lights, plants, leaves, stars, quintessence, elemental forces, and mythological animals, and as they hit Emberlynn Harlow, they exploded with incredible power and she was killed in the explosions, and that angered the rest of The Legion of The Lincoln-Haters. Then, Emberlynn Harlow's spirit appeared, and she was still incensed with anger and fury.

Emberlynn Harlow: You think you've won?! I'LL RETURN ONE DAY AND KILL YOU ALL!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) No, you're done and this time forever, Emberlynn Harlow.

Lincoln summoned the spirits of Emberlynn Harlow's victims from the past who seized her, and then, he drew the Judgement Kanji on her forehead, and as predicted, she was found guilty for her crimes, and she was fading away from existence.

Emberlynn Harlow: NO! NO! DAMN YOU, LINCOLN LOUD, DAMN YOU ALL, TEAM LOUD PHOENIX STORM! DAMN YOU ALL TO (FADES AWAY)

We cheered wildly as Tabby and Lincoln holstered their massive greatswords on their backs and powered down, and Tabby's new body, clothes, weapons, jewelry, Third Eye, and eleven massive and long black wolf tails, and massive black angel wings are permanent.

Then, the rainbow energy field Lincoln put up to keep Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson inside went down, and they ran up to the dead remains of Harper Reagen. Then, they looked at Lincoln and they were absolutely really seething with rage!

Brianna Greyson: You're going to pay for this, Lincoln Loud! YOU FREAK! KILL HIM!

Suddenly, the sound of police sirens were heard, and being the criminals they were, they knew they were in huge trouble!

Brianna Greyson: This isn't over, Lincoln Loud!

Then, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson ran off, but not before they gave us the finger, and me and Nico retaliated by giving them the finger and it drove them mad as they ran off.

Nico: Yeah, up yours too, bitch!

Tabby: We've taken one down so far, and now, we got eighteen more to go. Thanks for helping me destroy Emberlynn Harlow, Linky.

Lincoln: (Smiles Warmly) You're welcome, Tabby.

Suddenly, Tabby wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Tabby's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, and Angel flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and lights behind them and we cheered wildly. Then, Lincoln and Tabby absorbed the lights and they came back to us as the display vanished.

Nico: Whoa, now that's what I call a dose of solar rockstar justice. Lincoln, Tabby, you two did really awesome in teaching that monster bitch, Emberlynn Harlow, a lesson and pissing off the rest of those monster bitches.

Luna: No kidding, you guys brought the house down on that monster.

Lincoln: Thanks, Nico and Luna, but this is only the beginning of The War Against The Legion.

Me: You said it.

Lincoln: And for tomorrow, the next member of The Legion of The Lincoln-Haters that's going to show her face is Charlotte Kensington, which means you and I are up next to face her, Cookie.

Cookie: Yes, we'll make her pay for all of her crimes in full.

Lincoln: But we've also got to keep an eye out, The Legion of The Lincoln-Haters are bound to send hired thugs after us.

Nico: We'll be ready for them since we've been dealing with hired thugs hired by our resident jerks to kill us, which always end with you killing them by sucking out their blood and pissing Flip and the other jerks off. So, which Elemental HERO of Earth are you meeting tomorrow, Lincoln?

Lincoln: The next one we're meeting tomorrow is a Gene-Slammer for Elemental HERO Core.

Melanie Aranyani: Perfect, and there's only one person who'd be Gene-Slammed into Elemental HERO Core: Naomi Knightley, the older sister of Hannah Knightley, and she's one of the Elemental HEROS of Earth, and she's a powerful and physically strong girl and awesome athlete and good sportswoman in the field of sports. Plus, she's also a very seductive and sexy hot mama with the same body as me.

Lincoln: And like you and the other Elemental HEROS of Earth, Melanie, she's also had to deal with Lynn, and she's more than once dealt with her sore loser attitude and always going on her rage-fueled rampages, along with acting like an animal and even letting out those loud belches, and trying to kill me more than once.

Nico: Jeez, how many times has Lynn pissed you girls off with her rampages?

Lincoln: Don't even ask that, Nico, Lynn has done that one too many times in the past, only for her to get beaten down like a ragdoll by their superhuman strength, but she always got back up, but when I join them in the fight, Lynn always gets knocked out.

Me: I've seen how much stronger Lincoln has gotten during those days, and I've seen what he can do especially with those massive muscles that he's been constantly developing, and it always ended with Lynn getting knocked out on her butt, tied up like an animal, and dragged away to face her doom at the hands of her angry siblings and parents.

Nico: Dang, and with how Lincoln kept on getting bigger, stronger, and smarter, Lynn kept on badly underestimating him.

Luna: She had an overinflated ego because of that animal inside her, dude, and she thought she could get away with it, but she was wrong.

Lori: It always came back to bite her on her smelly butt, she was beaten by her own little brother who was constantly getting bigger, stronger, faster, and smarter over the years thanks to help from his Guardian Angels, Luna, Leni, Laney, Lucy, Lana, Lily, Mom, and Dad, while Lynn, Luan, Lola, Lisa, and I were seething with rage and plotted to kill him, no doubt thanks to our Dark Sides.

Luan: We should've been proud of him, but no, those monsters wanted him dead. But, we'd since been freed and we repaired those bonds with Lincoln, and not only did Killjoy Huggins pay the price, but also, Dark Chase Young, who was in fact the true source of his pain and suffering.

Anna Anyanova: You got that right. But, Naomi Knightley has a bit of a nasty revelation to tell you all tomorrow: she's going to reveal how Lisa tried to destroy us by sending another robot army right at us while we were busy working out at our gym, but our alarm triggered in time as soon as she and her army of robots stepped foot on the grounds, and Naomi and Lincoln took her down hard.

We gasped in shock and horror.

Nico: Oh man.

Me: I still remember that day all too well, but we'll wait until tomorrow to hear it.

Tyler Nevarro: Monster Extinct!

Doctor Octopus: You know Mesogog wasn't one of your enemies, right?

Tyler Nevarro: Couldn't resist. Besides, Connor and his team are Dinosaur themed. And they did help us before.

Speed Demon: Good point.

Boomerang: Mesogog won't hurt anyone anymore.

Me: He's now a forgotten memory and in the Black Gates.

Nico: And that's another of the Power Rangers enemies now destroyed forever.

Lincoln: Lord Zedd must be really pissed right now.

Turtle: Where should we celebrate?

Kira: How about the Cyber Cafe?

2016 Morbucks: Good idea. You guys haven't been there for a while.

Me: I agree.

Nico: Great job today everyone! This was awesome!

Lola: (To the viewers) This was an awesome adventure! I hope Lord Zedd is watching this so we can rub it in his face.

Me: I agree there.

Nico: Yep.

We went to Cyber Cafe and had a great meal. It was awesome. We went home and enjoyed the rest of the day and went to sleep.

But, she and the other Elemental HEROS of Earth along with Lincoln have more than once beaten Lynn into the ground, tied that animal up, and dragged her smelly butt home where she eventually got into massive trouble with her parents. Plus, during the exercise scene, she's going to reveal a very horrible revelation: about how Lisa tried to destroy them by sending another robot army right at them while we were busy working out at our gym, but their alarm triggered in time as soon as she and her army of robots stepped foot on the grounds, and she and Lincoln took her down hard.

Me: Stormalong Harbor. Been a while since we were here.

Lola: Yeah it has been a while. I wonder how Flapjack and friends are doing.

Nico: I'll be awesome to see them again.

Lana: Yeah it sure will.

Qin: So far things have been great. No pirates are causing trouble.

Xenia: Even though it's out here in the middle of the Great Lakes it's still awesome.

Lie Ren: I agree there.

Nico: Ren, I want to thank you, Gizmo, and your teams for coming today.

Lie Ren: It's no problem Nico. It's really fun.

Kalolo: It sure is.

Nico: Kalolo, remember when we first met you?

Kalolo: I sure do and that was during J.D.'s rescues.

Me: Yep. Me and Joan Bolton were in Crop Circle Country and we battled McWolf and the Space Cows.

Nico: That was funny.

Kalolo: It sure was! I loved that one.

Xenia: It sure was cool.

Nico: And that was during the first ever rescues.

Me: That's right. It was so awesome.

Lola: Yep.

Kalolo: I thought it was a fun one.

Xenia: Yep.

Applejack: Yeehaw! That was a perfect farm rescue there.

Nico: Yep.

Camie: That was so awesome.

Nico: What did you guys think of Reefside?

Lincoln: It sure was awesome!

Qin: I had a lot of fun taking down Mesogog.

Me: But it was awesome testing out the power of my new transformation there.

Xenia: That was so epic! Mesogog didn't stance a chance.

Laney: He sure didn't.

Varie: Yeah that was awesome.

Laney: Mesogog is now PERMANENTLY extinct.

Nico: After that, we had fun at the Cyber Cafe.

Me: We sure did have fun.

Qin: Yep. It was awesome.

Laney: It sure was cool.

Nico: Yep.

Maria: That was si awesome.

Eustace: Big deal.

Nico: And it's the Dino Thunder Rangers' turn for the usual battles today.

Me: It sure is.

Qin: Yep.

Lola: This is always going to be fun.

Xenia: Yep.

Me: I hope Hydrax is next after that for the SPD Battle and her Usual Battle.

Camie: (LAUGHS) Up for another love-making session with her?

We laughed!

Flapjack: Hey, guys!

Me: Hey Flapjack. Ahoy Captain K'nuckles.

K'nuckles: Ahoy lads. How have ye been?

Nico: Really busy. It was one awesome adventure after the other.

Xenia: Yep.

Flapjack: So cool!

Nico: Have you guys been getting lots of candy?

Flapjack: We sure have and it's so awesome!

Xenia: Candied Island is awesome.

Camie: Boy it sure is!

Me: Mary loves that island. It's so awesome.

Sunny Starscout: That is one awesome island.

Me: It sure is. How is Bubbie doing?

Bubbie: Really awesome J.D. thank you.

Me: Oh good Bubbie.

Nico: Princess Eilonwy is excited to face Peppermint Larry.

Flapjack: We're so happy for her.

Nico: Sorry we haven't visited you guys lately.

Captain K'nuckles: It's all right guys.

Me: You know how busy we are saving the universe.

Flapjack: That's true.

Bubbie: That's okay guys. But you all are doing an amazing job.

Flapjack: Wait you guys sound like you are completely uhh what's the word?

Bubbie: Reborn and renewed?

Me: Oh yeah! (Laughs) We had a massive form of purification happen to us. It's a really long story.

Bubbie: We would like to hear it.

I told them everything.

Flapjack: Dark Orb Contamination!? Wow! That is terrible!

Me: It was. But we're now permanently dark orb free. Expect Nico because of his contingency plan.

Nico: Yeah.

Maria: Eli, can you sense for Swartz's creations?

Flapjack: That reminds me! We saw a bunch of Another Villains running around.

Eli: (Concentrates) (GASP) Holy mackerel! We got a lot of them this time!

Nico: What are they?

Eli: We have Another Lord Hotcakes, Another Shockwave (DOTM) Another Starfire the Terrible, Another Robot Patrick, Another Robot Sandy, Another Robot Spongebob, Another Baddie Undine, Another Lady Flamicorn, Another Evil Titanium Ranger, Another Three MageSisters, Another Flotsam & Jetsom and Another Gizmo! (PANTS) Someone get me some water!

Maria: Here you go.

Eli: Thanks.

Maria gave water to him.

Eli: (Gulps)

Me: WHOA! That is a lot of them!

Camie: No kidding!

Applejack: To quote Granny Smith we're going to be busier than a worm in a rotten tomater!

Nico: No kidding!

Laney: We'll have to call in each of their archenemies one at a time for them.

Lola: Good idea.

Nico: I see one of them!

Out came Another Lord Hotcakes!

Me: Another Lord Hotcakes!

Nico: I'm hungry for some pancakes!

Maria called in Krunk!

SMASH!

Krunk: Krunk and Teddy ready for battle with Pancakes!

Nico: Who are you?

Another Lord Hotcakes: (In a girls voice) I believe that J.D. knows who I am.

Me: (GASP) That voice.

She reverted back and was a girl with purple hair, blue eyes, and had a gorgeous purple dress and had purple star angel wings and had the symbols of the Magic Skylanders on her skirt and forehead.

Me: (GASP) Amelia O'Connell!

Amelia O'Connell: Awesome to see you again. You ready to shoot to the stars?

Me: Always ready.

Nico: The way you said that means you are obviously the gene-slammer for Star Strike.

Amelia O'Connell: That's right.

Me: Awesome!

Lola: Star Strike is so awesome.

Twilight Sparkle: She sure is and she is an amazing dancer and a powerful force of the stars.

Amelia O'Connell: That is for sure. Krunk sure loves pancakes doesn't he?

Krunk: Krunk love them a lot.

Girl Jordan: First, let me and Leeli-

Krunk: No. Krunk do this alone.

Girl Jordan: But Krunk-

Nico: Girl Jordan, if another version of Carnage shows up in the future, I promise I'll let you and Leeli face that one however you want. Trust me. When Krunk starts fighting, it's best to steer clear.

Girl Jordan: Oh yeah you're right. Krunk is the Justice Friends version of the Hulk. Go get her Krunk.

Krunk: Krunk ready.

Amelia O'Connell: First how about some breakfast?

She used her magic and gave him a huge plate of pancakes topped with syrup.

Krunk: Mmm-mmm! Krunk love pancakes.

He ate them and they were really great.

Krunk was finished.

Krunk: Ahh. (BURPS) Pardon Krunk. Krunk ready.

Nico: Also, Kaede can help you in said fight I just mentioned too.

Girl Jordan: Any reason why?

Nico: I dunno. Just feel like she could REALLY make Carnage suffer for some strange reason.

Girl Jordan: I like it.

Nico: Good.

Krunk: Krunk ready!

She turned into Another Lord Hotcakes!

Krunk: KRUNK SMASH!

I gave Krunk a bunch of heavy barrels and he threw them and smashed her down and she exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was down and back to normal and I caught the Wonder Ride book and it was called The Stellar Princess of Star Magic and the Kingdom of The Pancake King.

Me: Cool title.

I went and brought her over.

Amelia O'Connell: (GROANS) What a headache.

Krunk: Krunk sorry.

Amelia O'Connell: No worries.

I gave her some good pancakes.

Amelia O'Connell: Thanks J.D.

She ate them.

I gave her a block of ice for her head.

Nico: That's one down.

Me: Yep.

Nico: Here comes the next one!

We saw that it was a dark version of Shockwave! It was ANOTHER SHOCKWAVE (DOTM)

Me: Whoa! Looks like Live Action Shockwave.

Xenia: This one will be interesting.

Maria: Knight Light is needed.

She called in Knight Light.

Knight Light: See the Light!

Me: Awesome!

Knight Light: So I get to face Another Shockwave.

Another Shockwave: (In a girls voice) And one that is also your gene-slammer.

She reverted back and was a girl with blond hair, yellow eyes and had golden yellow angel wings and yellow clothes and had the symbols of the Light Skylanders on her skirt and in the middle of her forehead.

Me: (GASP) Ophelia Simpson!

Ophelia Simpson: Awesome to see you again J.D.

Me: Same here. Ophelia is know for having the strongest light powers ever known and she can light up even a pitch black world with the luminosity of 100,000 suns.

Nico: WOW! That is bright!

Me: It sure is.

Ophelia Simpson: Yep and also as I said I am the gene-slammer of Knight Light.

Knight Light: That is really cool!

Me: It sure is.

Knight Light: Okay. We've faced Decepticons before. This shouldn't be hard, right?

Nico: Nope.

Me: Oh we forgot to ask. Are the other Another Villains we're about to face friendly or hostile?

Ophelia Simpson: Friendly. And they are all gene-slammers like me.

Me: Cool!

Nico: That makes it easier.

Girl Jordan: First lets get you back to normal and separate you.

Leeli: Right!

Girl Jordan: Lets go Leeli.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Spring abundant holoél

Ophelia glowed and Another Shockwave (DOTM) was separated from her!

Ophelia Simpson: Awesome!

Knight Light: Nice! Now lets do it!

Ophelia Simpson: See the Light!

She formed a sword of White Crystal!

Nico: Who's next?

Me: Another Starfire the Terrible.

Qin: From those Legion of Doom Knockoffs they did.

Me: Now it's Blaster-Tron's turn.

Maria called in Blaster-Tron.

Blaster-Tron: Target Acquired!

Me: And there she is.

We saw a dark version of Starfire the Terrible! It was ANOTHER STARFIRE THE TERRIBLE!

Me: This is gonna be good!

Blaster Tron: Identifying Target now.

Another Starfire the Terrible: This is going to be most fun too.

She reverted back and was a girl with magenta hair, magenta eyes and had purple and magenta clothes and had rainbow angel wings and had the symbols of the Light Skylanders on her skirt and in the middle of her forehead.

Me: (GASP) Reggie Von Ludwig.

Reggie Von Ludwig: Awesome to see you again J.D.

Blaster Tron: Genetic Structure analyzed. Target confirmed to have genetic components of Blaster-Tron.

Reggie Von Ludwig: That's right. I am the gene-slammer of you.

Nico: Wow! That is really cool!

Lola: It sure is!

Camie: Wow!

Blaster-Tron: (to Leeli and Girl Jordan) Do not interfere. I will deal with this personally.

Girl Jordan: But-

Nico: That's two Carnage fights I owe you now. This seems very personal to Blaster Tron.

Me: Actually Nico they already had their turn. Now it's Lincoln's turn for purification from here on out.

Nico: Oh right. But I'll still give them two Carnage fights.

Girl Jordan: Okay.

Blaster-Tron: Lets commence the battle.

Reggie Von Ludwig: Gladly.

She turned into Another Starfire the Terrible!

Blaster-Tron fired a laser blast and it hit her and she exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was blasted down and I caught the Wonder Ride Book and it was called The Robot Princess and the Tamaranean Tyrant.

Me: Very fitting.

I brought Reggie over.

Reggie Von Ludwig: (Groans) What a headache.

Blaster-Tron: (to Reggie) Do you have any hobbies?

Reggie Von Ludwig: I like to build robots. I learned all my skills from my idol and hero Dr. Thomas Light.

Me: Boy that is cool! Dr. Light works for us and he makes Robot team mates.

Nico: That is awesome. Dr. Light can gladly show you how to make awesome robots.

Reggie Von Ludwig: I would like that.

Me: Cool. We're not done yet.

Nico: Is that Patrick?

We saw a dark robot version of Patrick! It was ANOTHER ROBOT PATRICK!

Me: It's Another Robot Patrick!

ZOOM!

Then an older version of Julie Powers came!

Julie Powers: Lightspeed is here for this.

Me: A future version of Lightspeed!? Whoa!

Julie Powers: That's right. You guys have my younger self with you all.

Me: That is cool!

Julie Powers: It sure is.

She went up to the Another Robot Patrick.

Another Robot Patrick: (In a girls voice) Boy this is gonna be an honor battling a member of the Power Pack.

She reverted back and was a girl with aqua blue hair and blue eyes and had blue clothes and angel wings and had the symbols of the Air Skylanders on her skirt and in the middle of her forehead and she had intense lightning surging on her hands.

Me: (GASP) Zinnia Zeus!

Nico: Whoa! Are you…

Zinnia Zeus: That's right. I'm the Daughter of the King of Gods, Zeus as well as his Avatar and I'm also the gene-slammer of Lightning Rod.

Rainbow Dash: That is awesome!

Lincoln: Wow! That is really amazing!

Me: It sure is. Also Lightning Rod is one of the Skylanders that doesn't have an archenemy yet.

Nico: We'll have to think of something later.

Future Lightspeed: Try to keep up.

Zinnia Zeus: I plan to.

Lincoln fired a blast of light and separated her from Another Robot Patrick!

Zinnia Zeus: Whoa! Now we can fight him together.

Future Lightspeed: Lets do it!

Another Robot Patrick smashed his ice cream onto the ground and splattered toxic hot slime onto the docks and they flew fast and circled behind him and smashed him in his back and then he screamed and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He exploded!

Nico: YEAH!

I caught the Wonder Ride Book and it was called The Princess of Lightning & the Daughter of Zeus and the Malevolent Kingdom of the Rabid Starfish.

Me: Fitting title. Reminds me of the Bikini Bottom Horror Comic.

Zinnia Zeus: I thought that comic was well drawn. It was crazy that Patrick turned into that.

Me: No fucking shit there.

Nico: Toxic ice cream. Not a good flavor.

Me: That would taste worse than Valentina Gruber's ice cream that she served that girl.

Nico: No fucking shit on that.

Me: Don't tell her I said that.

Nico: Right.

Eli: Look there!

Maria: Is that Sandy?

Me: No that's not Sandy it…

We saw that it was Another Robot Sandy!

Me: Whoa! Better call in Firestorm.

Maria did so.

Firestorm: I'm here guys! Whoa! Another Robot Sandy.

Me: Yep.

Firestorm: And you are?

Another Robot Sandy: (In a girls voice) I believe that J.D. knows me with the power of light.

She reverted back and it was a girl with blond hair and had yellow clothes and yellow eyes and she had rainbow crystal angel wings and had the symbols of the Light Skylanders on her skirt and in the middle of her forehead.

Me: Alice Elisia!

Alice Elisia: Awesome to see you again J.D.

Qin: Your wings are absolutely gorgeous.

Alice Elisia: Why thank you.

Rarity: They most certainly are darling.

Alice Elisia: I know. Also I am the gene-slammer for Light Hex.

Camie: A Light version of Hex?

Starlight Glimmer: But Hex is an Undead Skylander.

Nicole: Actually guys there is also a light version of her too. But she is on the Android App, Skylanders: Ring of Heroes.

Nico: Wow! That is amazing.

Alice Elisia: That's right. She's a totally brand new one.

Me: Wow!

Firestorm: Let's do this!

Alice Elisia: This is going to be fun.

Lincoln fired a wave of light and separated Another Robot Sandy from her and they were ready.

Alice Elisia: WHOA! Now this is gonna be fun!

Alice chanted an incantation and instead of skulls she had balls of rainbow light form and they swirled around her and smashed Robot Sandy on her head and then Firestorm blasted her with fire and she exploded!

KRABBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: YEAH!

I caught the Wonder Ride Book and it was called The Sun Sorceress and the Kingdom of the Rabid Squirrels.

Me: Nice title.

Lola: Yep.

Me: Now Robot SpongeBob is left I'll bet.

We then saw a huge figure.

Nico: There she is!

It was a dark version of SpongeBob. It was ANOTHER ROBOT SPONGEBOB!

Me: Better call in Lion-O to help us.

I pulled out the Sword of Omens!

Me: THUNDER! THUNDER! THUNDER! THUNDERCATS! HOOOOOOO!

I had the sword blade grow 3 times and then the eye turned into the symbol of the Thundercats and it projected into the sky!

RRRRRRRRRROOOOOOOOOOOOOOOOOOOOOOOOOOOAAAAAAAAAA

Out of the symbol formed a portal and out came THE THUNDERCATS!

Chorus: THUNDERCATS ARE ON THE MOVE! THUNDERCATS ARE LOOSE! FEEL THE MAGIC! HEAR THE ROAR! THUNDERCATS ARE LOOSE!

They appeared!

Lion-O: We got your call J.D.! Wow! Looks like Another Version of Robot SpongeBob.

Me: Yep.

Lion O: That's a big one!

Me: It sure is.

Another Robot SpongeBob: (In a girls voice) But it's an honor to meet the famous Lion-O.

She reverted back and she was a girl with blond hair and yellow eyes and had yellow clothes and rainbow angel wings and she had the symbol of the Light Skylanders on her skirt and in the middle of her forehead.

Me: (GASP) Alicia Vegavonda!

Alicia Vegavonda: Awesome to see you again J.D.

Lion-O: This is gonna be an awesome day for us.

Alicia Vegavonda: It sure is and I am also the gene-slammer of Light Flashwing.

Applejack: What the hay! A Light Version of Flashwing? She's an Earth Skylander.

Nicole: There is also a Light Version of her. She is on the Skylanders: Ring of Heroes Android app too.

Applejack: Well fancy that.

Qin: Neat!

Alicia Vegavonda: And I'm also an awesome crystalmancer.

She held out her hand and then a huge rainbow glowing crystal cluster appeared out of the dock.

Nico: WHOA!

Qin: Wow that is amazing!

Rarity: That is absolutely incredible! My word darling you make amazing gems.

Alicia Vegavonda: I sure do.

Lion O: Shall we?

Alicia Vegavonda: We shall and let me just say that I am a huge fan of the Thundercats. I have loved both the 1985 and 2011 Cartoons and they are so awesome.

Panthro: We are truly honored.

Cheetara: We sure are.

Lincoln fired a beam of light and separated Another Robot SpongeBob from her and she was cured.

Alicia Vegavonda: This is gonna be good!

Me: Another Robot Plankton would be an awesome one to face too.

Lion-O and Alicia fired waves of energy and blasted down Another Robot SpongeBob and it exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was destroyed! I caught the Wonder Ride Book and it was called The Sun Crystal Princess and the Krabby Patty Monster Fry Cooks.

Me: Cool title.

Me: Maybe on the next rescue. Lets see. We just have Another Baddie Undine, Another Lady Flamicorn, Another Evil Titanium Ranger, Another Three MageSisters, Another Flotsam & Jetsom and Another Gizmo left.

Flapjack: Boy this is still awesome!

Nico: Yep.

Dinah: Okay.

(THE MUMMERS DANCE BY LORENNA MCKENNITT PLAYS)

Dinah Echo: (SINGING DIVINELY AS NUMEROUS EVIL ENEMIES

ALL OVER HAD THEIR HEADS EXPLODE AND THEY MERMAIDS AND FISH AND WATER CAME AND DANCED)

Ooh, ooh, ooh, ooh

Ooh, ooh

Ooh, ooh, ooh, ooh

Ooh, ooh

When in the springtime of the year

When the trees are crowned with leaves

When the ash and oak, and the birch and yew

Are dressed in ribbons fair

When owls call the breathless moon

In the blue veil of the night

The shadows of the trees appear

Amidst the lantern light

We've been rambling all the night

And some time of this day

Now returning back again

We bring a garland gay

Who will go down to the shady groves

And summon the shadows there

And tie a ribbon on those sheltering arms

In the springtime of the year

The songs of birds seem to fill the wood
That when the fiddler plays
All their voices can be heard
Long past their woodland days
We've been rambling all the night
And some time of this day
And now returning back again
We bring a garland gay
And so they linked their hands and danced
'Round in circles and in rows
And so the journey of the night descends
When all the shades are gone
A garland gay we bring you here
And at your door we stand
It is a sprout well budded out
The work of our Lord's hand
We've been rambling all the night
And some time of this day
And now returning back again
We bring a garland gay
We've been rambling all the night
And some time of this day

And now returning back again

We bring a garland gay

We were amazed!

Me: WOW!

When it was done we were in awe.

Me: That was awesome!

Nico: It sure was!

Eli: Yeah!

Laniya Momoshiki: Nice song. Too bad we have to fight.

Dinah Echo: I know. But I'm glad you liked it.

Kalolo: It sure was.

Nico: (gets out Gizmo's Ridewatch) Time for technology power!

Nico activated it and formed a blaster with technomantic powers and he fired it and blasted her down!

Qin: Our nature and science partner! Awesome!

She jumped down and reverted back and was a girl with blond hair and had black goth clothes and had yellow angel wings.

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was back to normal and wobbling and I caught the ridewatch and purified it and I brought her over.

Elisa Nygma: (GROANS) What a headache.

Elma: Soups ready.

We got some soup and it was tasty.

Kalolo: Your favorite memory of Nico?

Elise Reginald: When me and Nico were in nature class and a bunch of bully girls were picking on the nerds and I used my plant powers and grew vines of poison ivy and shoved it down their underwear and they were itching for weeks.

Nico: (LAUGHS) That was funny!

Qin: (LAUGHS) I remember that! That was funny!

Lincoln: Whoa, we're here in Austin, Texas, and I know what we're going to do here, not only am I going to rescue the eight girls here, but we're going to face, take down, and recruit the next hypothetical Akumatized Loud Sister into The Masters of Evil, Bonkers, the hypothetical Akumatized form of Luan.

Me: And from our talk with Gabriel on Easter, she's a bonkers-crazed prankster who loves pulling harmful and lethal pranks on people!

Nico: This is going to be like facing off against Dark Luan and Dark Connor again, but this is really going to put our prank-foiling skills to the test.

Laney: You said it.

Sun Shang Xiang: And from what we heard from your Guardian Angels about Luan, she'll no doubt have some unpleasant surprises in store for us.

Lincoln: You're right, Shang Xiang. Luckily, we have our trusty secret weapon: every April 1st, Luan unleashes a Prank Apocalypse, and no one, I mean, no one is safe from her. But, Laney has created many contingency plans to outsmart Luan and put a stop to her prank spree.

Laney: Now, we can finally put an end to that prankster's mayhem for good.

As we walked through Austin, we began foiling Bonkers' pranks and we'd been getting the people to safety. Suddenly, we came across a room full of people tied up, and then, we also see familiar green canisters of gas in the room.

Lincoln: (Gasps) That lunatic, she's captured a group of people, and she's got canisters of Joker's Gas in there!

Lincoln snapped his fingers and teleported the people out before the canisters went off and filled the room with Joker Toxin.

Nico: Nice one, Lincoln.

?: Hey, that wasn't fair, you ruined my Pudding's revenge!

Luan: (Gasps) Oh crud, I wasn't expecting to hear that voice ever again. You can come out now, Dark Harley.

A figure came out, and it was none other than Dark Harley, the dark side of Harley Quinn created by Joker.

Giganta: Harley's Dark Side, I thought Luan got rid of her for good after she purified Harley and freed her from Joker.

Luan: I did, Doris. But, it looks like Dark Harley's come back, and no doubt with revenge for what we did to her "boyfriend". Well, guess what, sister?! You're joining your boyfriend in The Black Gates for good.

Suddenly, Harley Quinn came and she knocked Dark Harley out with her mallet.

Harley Quinn: That's for what you did in making my life a nightmare, you remnant of The Joker.

Luan: Nice one, Harley. Now, to take care of this last remnant of The Clown Prince of Crime.

Luan drew the Judgement Kanji on Dark Harley's head, and she was banished to The Black Gates to join The Joker.

Lincoln: I certainly didn't expect Harley's Dark Side to come back and join with Bonkers, but since we are dealing with a homicidal sadistic prankster, looks like Dark Harley couldn't stay away.

Blake: But, at least, Harley's Dark Side is gone for good, now we can take down Bonkers.

Suddenly, we heard a loud scream of rage.

Nico: Uh oh, there's no mistaking that death screech from anywhere: we just ruined every single one of Bonkers' pranks and got rid of her partner, Dark Harley, who came back only for revenge for what we did to Joker. Now, Bonkers is out for revenge.

We then arrived at Bonkers' castle: a massive black and yellow jester-themed castle of nightmares with jesters and pranks.

Luan: There's her castle, now, to bring down that sadistic prank-crazy prankster.

Before we could make our move, suddenly, we saw Elemental HERO Core appear before us, and with it are the eight girls.

Nico: Whoa, Elemental HERO Core, awesome.

Elemental HERO Core: (Girl's voice) Oops, sorry for the scare, but I managed to get the girls out of the castle, and that prankster's really mad now.

Lincoln: (Gasps) That voice, Naomi Knightley, I knew it was you.

?: YOU PRANK-WRECKING JERKS ARE GOING TO PAY FOR RUINING MY PRANK APOCALYPSE AND FOR KILLING MY PARTNER-IN-CRIME!

We saw a ball of pranks heading right for us, but it then crashed right onto the ground, and we saw who it was in the ball of pranks: Bonkers, the hypothetical Akumatized form of Luan Loud.

Luan: (Gasps) So, that's Bonkers?! She's exactly what I could've become during the fight to stop Gabriel years ago.

Bonkers: You prank wreckers have ruined my show, and now, you will all die laughing!

Bonkers threw wooden barrels at us, but Lincoln smashed them all with such incredible superhuman strength, then, she tried sending a pack of rabid wolves at us, but Lincoln howled, and the pack of wolves became loyal to him, then, she sent boxing glove rockets at us, but Lincoln fired a blast of magic which redirected the rockets at Bonkers and she got hit by them, then, she got out a cannon tried to fire cannonballs at us, but Lincoln fired powerful blasts of fire at them and melted them down to nothing, then, she tried to throw pie bombs at us, but Lincoln fired confetti bombs which hit the pie bombs and some of them hit Bonkers and exploded and she was covered in confetti, then, she tried to hit him with a mallet, but Lincoln turned invisible, then he reappeared behind her and fired bones and magic at her. Bonkers tried to run for her life, but Lincoln made a wall of sapphire gems, so she couldn't escape.

Then, Lincoln charged at Bonkers leaving an amazing rainbow trail and he grabbed Bonkers by the ruffled collar and tossed her into the rainbow trail, which gave her quite a nasty electrocution, and she got tossed out of her castle.

Nico: Just like J.D.'s demonstration, Lincoln showed he has the powers of Twilight Sparkle, Rainbow Dash, Fluttershy, Applejack, Pinkie Pie, Rarity, Sunset Shimmer, and Starlight Glimmer.

Lincoln: I also have the powers of Princess Celestia, Princess Luna, and Princess Cadence, Nico, don't forget that.

Twilight Sparkle: He's right, but that was an amazing display, Lincoln.

Applejack: You got that right, Twilight, this was just like what we saw with J.D.'s demonstration when he transformed yesterday. Now, I think it's time we rough-housed that prank-crazy prankster and send her to Vypra.

Sylvester: I may love pranks, but those pranks of yours stink!

Sylvester unholstered his Sylvester's Blood-Soaked Vampiric Demon Darkness Greatsword of The Dracul and transformed into Super Angel-Cat-Vampire-Acme Dark Knight-Harmony Universal Eternal Celestial Xelnaga Darkness Looney Tune Feline Demonic Darkness Vampire Cat Angel of Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Justice and Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Death.

Bonkers got extremely mad, she continued to fire bear traps at us, but we dodged them all. Then, Lincoln fired beams of sunlight, moonlight, and crystal hearts at Bonkers, demonstrating that he also has the powers of Princess Celestia, Princess Luna, and Princess Cadence.

Rarity: The beams of sunlight, moonlight, and crystal hearts: Linky was right, he also has the powers of Princess Celestia, Princess Luna, and Princess Cadence.

Me: It's true that Lincoln has you, Twilight Sparkle, Rainbow Dash, Pinkie Pie, Applejack, Fluttershy, Sunset Shimmer, Starlight Glimmer, and Trixie in his harem, Rarity, and he also loves Princess Celestia, Princess Luna, and Princess Cadence like he loves his sisters.

Nico: Bonds of Love and Friendship, now that's really powerful.

Sunny Starscout: And he demonstrated the powers of Twilight Sparkle and her friends, along with the Princesses of The Sun, The Moon, and The Crystal Empire, that really is incredible.

Eli: Truly amazing.

Then, Lincoln fired waves of ladybugs and red fire at Bonkers which exploded with incredible power as they hit her, and she was knocked out, tied up, and sent to The Masters of Evil. We cheered as we holstered our weapons and powered down. Suddenly, Twilight Sparkle, Rarity, Rainbow Dash, Pinkie Pie, Applejack, Fluttershy, Sunset Shimmer, Starlight Glimmer, and Trixie Lulamoon jumped Lincoln and they kissed him all over the place. When they were done, Lincoln was covered in colored lipstick marks all over his face, massive muscular body, and eight-pack abs, and steam whistled out from his ears, and an In Heaven look in his eyes.

May: (Snickers) Lincoln, if you keep on impressing your future wives like that, you're going to wind up covered in more than just lipstick marks.

Me: I think you may be too late, May.

We also saw Lincoln had lipstick marks on his wider and more muscular back and massive white angel wings, large white wolf ears, and eleven massive and long white wolf tails.

Clyde: Oh boy, looks like Lincoln's been marked.

Ronnie Anne: That's to tell anyone that's our man, and any who mess with him get no mercy from any of us.

Girl Jordan: You got that right.

Lincoln: I've seen what my harem is capable of: and they don't mess around ever! Seeing the kind of people I've had to deal with, they weren't going to tolerate any of their selfishness nor their heartless evil actions in trying to ruin my life and kill me.

Then, Bonkers' castle suddenly fell apart and it was destroyed.

Me: And just like with Princess Pink, Digital Diva, Mimica, and Power Chord, once we take down the hypothetical Akumatized Loud Sibling, their castle falls apart.

Twilight Sparkle: Without the ruling monarch, the castle falls apart and fades away into darkness.

Lincoln: You said it, Twilight. That's another hypothetical Akumatized Loud Sibling recruited into The Masters of Evil and only six more to go. (To Naomi Knightley) And it's so good to see you again, Naomi Knightley.

Naomi Knightley reverted back to normal, and she's a beautiful girl with long red hair, red eyes, she was tall at 7'0" in height, she has a really strong and powerful muscular physique and ample breasts, tanned skin, she has massive and beautiful red angel wings, she's dressed in a sleeveless red tank top, white skirt, red knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with earth, plants, leaves, and earth angels on the coattails and on the back is Elemental HERO Core, and holstered on her back is a massive Elemental HERO Core-themed greatsword with embedded red gems and Elemental HERO Core etched on the 7'0" massive, wide, double-edged red blade, large red phoenix heads for the crossguard, large white angelic faces embedded on both sides of the hilt with red gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large red gem on the bottom of the large white angel heads for the pommel.

Naomi Knightley: You too, Lincoln, it's been a long time, and it's good to see you again, Hannah.

Hannah Knightley: You too, Naomi.

Lincoln went up to Naomi Knightley and he hugged her, and Naomi Knightley is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Naomi Knightley: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'9" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal.

Me: And Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Naomi Knightley, Gene-Slammer of Elemental HERO Core and older sister of Hannah Knightley, she's my Guardian Angel from Michigan and she's a very powerful and also a very physically strong athlete who was born with superhuman strength and she's also a skilled wilderness survival expert. Plus, she's also a seductive and one sexy hot mama who's flirted and made out with me more than once, and she loves me with all her heart and she knows to share me among the other members of my harem and fellow Guardian Angels.

Luna: We almost busted out laughing seeing our bro's face being smooshed by her chest as she was hugging him.

Lori: And she was also kissing him all over the place and he had a love struck look on his face.

Earth: Like how we always make out with him.

Monica Anniston: Exactly, Earth. Naomi Knightley's a member of The Elemental HEROS of Earth, but, unlike with The Elemental HEROS of Fire who had to deal with parents who built their business empires through the theft of intellectual property and got into criminal activity and evil siblings who are thieves and heartless thugs, The Elemental HEROS of Water who had to deal with lying conniving workers who tried to extort them and ruin their names and reputations, along with Sergio, the mastermind behind some of the early extortion plots, and the heartless evil abusive greedy parents and heartless gold-digging evil ex-little sisters, and The Elemental HEROS of Darkness who've had to deal with Lori, she and the other Elemental HEROS of Earth have had numerous clashes and dealings with Lynn, who has more than once tried to kill them and Lincoln many times over when she goes on her massive rage-fueled rampages.

Naomi Knightley: But, we always saw her coming when we see her running on all fours, beating her chest like a gorilla and roaring like an animal, and the worst part was letting out those really loud belches, and catching the stench of her sweaty armpits and smelly feet.

Me: Yeah, the smell of her sweaty pits tends to make us sick.

Selene Arcangela: But, you and the other Elemental HEROS of Earth along with Lincoln had more than once beaten Lynn into the ground, tied that animal up, and dragged her smelly butt home where she eventually got into massive trouble with her parents.

Nico: Dang, and is she really that strong, Lincoln?!

Lincoln summons a 900,000,000,000,000,000-lb barbell, and Selene Lexington lifted it with one hand and we saw just how strong she really is, and my jaw and Nico's hit the floor.

Qin: (Whistles) Damn, and I thought many of our friends were that strong, but whoa!

Naomi Knightley: And I'm going to reveal a very horrible revelation: and it's about how Linky and I took down Lisa who tried to destroy us by sending another robot army along with Todd whom she'd rebuilt again, but our alarm system alerted us early, and we took her down hard and we got that evil, cold-hearted, emotionless scientist grounded big time. (To Lincoln) Oh, Lincoln, there's something I also want to give you.

Lincoln: Let me guess, you want to give me your blood, right, Naomi?

Naomi Knightley: How'd you guess what I was about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Naomi Knightley: I knew it, you marked them and fed on their blood, along with acquiring their powers as well, I knew that was coming since you'd done that more than once when he got brutally injured by Lori, Lynn, Lola, Lisa, and Luan more than once.

Lincoln went up to Naomi Knightley, and he hugged her in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Naomi Knightley: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Naomi Knightley's neck with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Naomi Knightley: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Naomi Knightley.

Naomi Knightley had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the eight girls, and when Lincoln saw who they were, he immediately recognized them. The eight girls are MC Adore, Rose Tapdancer, Ichigo Sambamix, Garnet Taplady, Magenta Tangodance, Skyla Dancerhythm, Sonia Idolsinger, and Luna Truthseeker from Rhythm Heaven.

Lincoln: Oh wow, it's MC Adore, Rose Tapdancer, Ichigo Sambamix, Garnet Taplady, Magenta Tangodance, Skyla Dancerhythm, Sonia Idolsinger, and Luna Truthseeker from Rhythm Heaven.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

MC Adore: Yes, we're okay, thanks to you.

Then, when MC Adore and the other seven girls saw who it was that saved them from Bonkers, the hypothetical Akumatized form of Luan Loud and Dark Harley Quinn, their faces turned atomic red upon seeing the 17-year-old 7'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with a Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, He-Man's chest harness with colored gems on the orange crisscrossing straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Emissary of The Cosmos and The Heavens, Ambassador of Harmony, Friendship, Purity, Hope, Courage, and Love, and God of Friendship, Hope, Love, Courage, and Justice Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, Fearsome Defender of His Many Guardian Angels, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, his male white Rabbit Familiar, Alistair, his white Vampire Bat Familiar, Artemis, and his white Wolf Familiar, search Seiko, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

MC Adore: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made seven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

MC Adore: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of MC Adore, Rose Tapdancer, Ichigo Sambamix, Garnet Taplady, Magenta Tangodance, Skyla Dancerhythm, Sonia Idolsinger, and Luna Truthseeker with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team was shocked to find out the villain we went after was Bonkers, the hypothetical Akumatized form of Luan Loud, along with Dark Harley, the dark side of Harley Quinn created by Joker, and came back for revenge on us for what we did to The Joker.

But, when Lincoln showed what happened such as all of us foiling her deadly pranks and Lincoln saving a group of people Dark Harley captured and tried to kill them by exposing them to Joker Gas and giving Dark Harley The Black Gates, and we all gave Bonkers the beatdown of her life with Lincoln demonstrating the powers of Twilight Sparkle and her friends along with The Princesses of The Sun, The Moon, and The Crystal Empire, and finally Lincoln blasting her with red fire and ladybugs which knocked her out, tied her up, and sent her to The Masters of Evil's HQ, everyone cheered and hugged us and Lincoln's harem kissed him all over. Lincoln and Naomi Knightley have a lot of catching up to do, now that she's back in town.

Maria: Dang, you guys really laid quite the beatdown on Bonkers along with foiling her sadistic pranks all over Austin, and I didn't expect Dark Harley to come back!

Lincoln: Same here, but we finally got rid of Dark Harley for good, and the last remnant of The Joker is gone for good.

Me: You said it, Lincoln.

Nico: Dark Harley was born because of The Joker, he really is nothing more than pure evil incarnate and a nightmare to all of Gotham, but we brought a permanent end to The Joker for good, and those who dare to continue his legacy deserve no mercy from any of us.

Me: You got that right.

---

After taking down Bonkers and sending Dark Harley Quinn to The Black Gates forever, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Naomi Knightley saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Naomi Knightley: My God, I was right that Lincoln's really grown into a 17-year-old, 7'9" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Naomi, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Naomi Knightley: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Naomi Knightley: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Naomi, what's the story on how Lisa tried to destroy you all by sending another robot army to your gym while you were inside working out, but your alarm system alerted you early, and that you and Lincoln took her down hard and they got that cold-hearted emotionless little nightmare grounded big time.

Naomi Knightley: You're not going to like hearing it, Nico.

Naomi Knightley pulled up the video as it played on the big screen. There we see Naomi Knightley and Lincoln working out in their gym and Lincoln was 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, even doing yoga to clear his mind and the rest of The Guardian Angels were with him, and they were doing the same routine as Lincoln. Suddenly, they heard the alarm sound, and they saw on the television: Lisa was here, and she has yet another massive robot army with her to kill Lincoln and his Guardian Angels.

Past Selene Emperyous: What the heck?!

Past Laney Emperyous: Oh shit, Lisa's here, and she's got yet another massive robot army with her, and she still wants to kill us!

Past Lincoln: Lisa, you really don't know when to quit, do you, same with Todd? Come on, Naomi, let's take her down and send those robots to the scrap heap.

Lincoln and Naomi Knightley, along with the rest of the Guardian Angels, flew out of their gym, and before Lisa could order her robots to attack, Lincoln and Naomi Knightley proceeded to smash all of the robots into scrap metal.

Past Lisa: YOU STUPID IGNORAMUS APES! YOU'RE RUINING MY GLORIOUS REVENGE! TODD, KILL THEM ALL!

Todd: (Robotic Voice) Understood!

Todd went after them, but Lincoln grabbed Todd, ripped his head off, and smashed the robot into a million pieces. Then, Lincoln and Naomi grabbed Lola and they had proceeded to beat her down, and after they got done with beating down Lisa, Lincoln tied her up in red energy ropes he fired from his white angel wings, and they dragged her off to The Loud House and to her doom. The video ended, and we were outright horrified.

Nico: My God, I knew Lisa was like that because of that heartless Dark Side of hers, but she had tried to kill them with her massive robot army and out in daylight too, that's pure evil to the extreme.

Me: Yeah, and I still remembered that day all too well. Lisa went too far that day, and after Lincoln came back with a tied up Lisa and he told everyone what she tried to do, she wound up getting her butt grounded for sixteen weeks, and she swore revenge on Lincoln.

Luna: Plus, it made the hatred and anger of those who hated Lisa go up even more, along with ours.

Lana: Lily couldn't stand living with that heartless little monster after that day.

Luan: And after Lisa got grounded, she was thrown in the cage and Lily in her Warden Lily outfit hits the cage with her mallet and gave Lisa what for and we also made sure her lab was then put into her bunker and Lily changed the password again, and that really set Lisa off.

We got a shower, and then, Clyde, Nicky Little, Rebecca Hawkins, Cozy Glow, Toola Roola, and Coconut Cream along with the rest of his harem are heading to Gelato Beach.

Clyde snapped his fingers, and the 17-year-old, black-haired, 7'5", handsome and extremely muscular man was dressed in large dark blue swim shorts with a phoenix surrounded by clocks and stars on it with silver flames coming off the swim shorts, dark blue sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Nicky Little, Rebecca Hawkins, Cozy Glow, Toola Roola, and Coconut Cream along with the rest of his harem are dressed in colored two-piece bikinis colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Nicky Little, Rebecca Hawkins, Cozy Glow, Toola Roola, and Coconut

Cream fell in with Clyde, and he also fell in love with them as well, and Clyde saved them all from an ambush by a group of thugs Flip hired to kill them, and Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Clyde fired energy blasts at him and more gold and jewels and treasures came out of that mutant, but they also got to keep their heads up, they got word that Charlotte Kensington has sent thugs after them. But, they don't know that Lincoln was also here in Gelato Beach waiting for the thugs of Charlotte Kensington.

Nicky Little: Wow, so our first date's here in Gelato Beach, awesome.

Clyde: I knew you'd love it, Nicky. Plus, I've been here before, and it's really awesome. But, we also got to watch it though.

Rebecca Hawkins: Yeah, Charlotte Kensington has sent her thugs to kill us, if she can't try to kill Lincoln, she'll try to target those close to him. She's an absolute monster!

Clyde, Rebecca Hawkins, Cozy Glow, Toola Roola, and Coconut Cream along with the rest of his harem dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Rebecca Hawkins, Cozy Glow, Toola Roola, and Coconut Cream along with the rest of his harem got a massive and extreme deep atomic red blush on their faces when they saw Clyde lift thirteen 900,000,000,000,000-lb barbells he summoned in his large and strong hands and thirteen massive and long black wolf tails, but then, he saw Charlotte Kensington's thugs heading for them.

Clyde: There's Charlotte Kensington's thugs, let's get them.

But, before they could get after Charlotte Kensington's thugs, Lincoln appeared from a tornado of rainbow energy, mythological animals and beings, stars, planets, and elemental forces, and he fired blasts of blood red energy which hit Charlotte Kensington's thugs and he sucked out all their blood and energy and killed them and sent them to The Black Gates forever.

Clyde: Lincoln?! Wow, you really responded quick.

Lincoln: I wasn't going to let you or your harem be put in danger by the hired thugs of those monster bitches. See you guys at home.

Lincoln teleported back home, and then, Clyde and his harem had lunch, and then, as the sun was about to set, Clyde made clones of himself and he and his clones went up to Rebecca Hawkins, Cozy Glow, Toola Roola, and Coconut Cream along with the rest of his harem, and they hugged the girls in their abnormally massive and powerful muscular arms, and Rebecca Hawkins, Cozy Glow, Toola Roola, and Coconut Cream along with the rest of his harem placed their hands on the massive pecs of Clyde and his clones, then they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico, Lincoln, and I also saw Clyde had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Nico: (Smirks) I take it you and your harem had tons of fun at Gelato Beach, eh, Clyde?

Clyde: (In Heaven) It… was… so… awesome!

Cozy Glow: And we also ran into Charlotte Kensington's thugs who came here to kill us. But, Lincoln appeared and he fired those blasts of blood red energy which hit Charlotte Kensington's thugs and he sucked out all their blood and energy and killed them and sent them to The Black Gates forever.

Starlight Glimmer: Those insane monster bitches, now they're going after Linky's friends and family?!

Lincoln: They sure are, and it stemmed from what I did to The Blood Dragons, their dads, and now that I killed Charlotte Kensington's thugs, she should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Emberlynn Harlow scream with extreme hatred and rage.

Maria: Yeah, up yours, you monster bitch!

Carmen: Sheesh, those monster bitches just don't even know when to quit.

Nico: Serves her right, but she'll get hers later on today.

Me: They sure will, those monster bitches have gotten on our nerves five years ago, and now, they're going to pay dearly for everything they've done, but after what Charlotte Kensington did in sending those thugs to kill Clyde, now she's really crossed it now.

Lincoln: She sure has, and she'll die a horrible death later on today.

* * *

Later we were watching TV and then Jayden came.

Jayden: I'm going on patrol. You guys wanna come,

Lana (Pokémon): We sure would, Jayden.

Me: Sure Jayden.

We went down to the planet with him.

* * *

We were walking through the city.

Misty: Hey, who's that guy over there?

We saw Shirai.

Me: (In my head) I know him! That's Shirai and he was the predecessor blue ranger of Shinichi.

Nico: (In his head) This is gonna be an interesting one.

Laney: Lets go see.

Shirai: Excuse me. Are you Team Loud Phoenix Storm?

Me: We certainly are and it's awesome to meet you Shirai.

Shirai: Pleasure is all mine.

Me: Is there anything in particular you need some help with?

Shirai: I just would like to ask some questions. Just to know more about you all.

Me: Oh certainly.

Qin: Ask us anything.

Laney: Sure.

Shirai: I know you guys know I'm SaruBrother. And that I lost said powers because I used them for personal gain. But you guys aren't punished if you use your own powers to make your own lives better.

Nico: I hope you're not asking us to go back in time to do what I think you're asking.

Shirai: No. I'm talking about here in the present where there are no consequences. You can easily snap your fingers to end all evil so you guys can have peaceful lives and so no one else suffers at the hands of scumbags. Why don't you?

Jayden: Every single day, we think about that. I'm glad you're not asking us to time travel. But if we ended all evil here and now with just a snap of a finger, we wouldn't be using our powers responsibly.

Me: Yeah that would be far too easy. Then there wouldn't be any challenge, fun or adventure or anything like that if we did that.

Nico: What's the point of being a superhero if there was nothing like that.

Shirai: I definitely see what you mean there.

Xenia: Yeah.

Jayden: Believe me, there are times when we think about using our powers to make our own lives better. But we have to use them responsibly, even if it isn't fair to us.

Me: That's right. With Great Power Comes Great Responsbility.

Shirai: (sighs) I see. There's still some things I don't understand. But unfortunately, there's only one way for me to get answers.

Me: Uh oh.

With that, he was surrounded by an energy circle with the Shinkenger logo and turned into Samuraiki from episode 21 of Donbrothers!

---

Shirai once used the DonBlaster and became the first Saru Brother. However, he used the powers for personal gain and not for fighting monsters. Because of this, Shirai lost his Saru Brother powers as a result.

Shirai was first seen witnessing his successor, Shinichi. Then, he appears to rescue Shinichi from the Matsui Family in which then have a talk with him, Shirai reveals that Shinichi was mistaken for him because he was the previous Saru Brother and did something to upset them.

Later on, Shirai is having lunch at the Ramen shop and figured out the secret ingredient in the ramen just by tasting it. The master is impressed but Shirai modestly says he isn't an expert on ramen. Shinichi arrives and orders soy ramen with extra bamboo shoots, the master gives him an empty bowl and he "eats" his imaginary ramen. Shirai is confused about what he is doing, to which Shinichi says he has no money so he uses his imagination to sustain himself. Shirai asks if that's even possible, but Shinichi says that is the awesome power of imagination. Shirai thinks Shinichi is a very interesting person upon his response.

On a rainy rooftop, Shirai talks to Shinichi about his past, he used to be Saru Brother but did use the power for selfish reasons. He did not see a reason for having power, only to just risk his life and endanger his safety fighting monsters using it. It made more sense to Shirai to enjoy what was given to him for his own use. Shinichi thinks that does make sense and when asked why he fights with no expectation of rewards in return for doing so, he says it just comes naturally to him. Shirai thinks Shinichi really is interesting and wants to take action on dealing with the Matsui Family.

Shirai and Shinichi then arrive at a ramen restaurant owned by the Matsui Family. The boss upon seeing the two of them barks that they go in the back room and wait since they are still serving customers. Shinichi didn't expect that the Matsui Family were a "ramen family". Later, the boss explains that Shirai used to work for him almost like a right hand man, but when he could "turn into a monkey", he slacked off.

Shirai explains that he used his abilities to pick up women and take them to various locations on dates with the invisible doors, win sports competitions such as track marathons and skip lines at events such as meeting idols for a handshake using the doors. Shinichi finds Shirai's abuse of power disgusting. The boss says he fired Shirai after his antics, but something he treasures was stolen from him by the monkey, which he demands returned to him. Shirai puts a gift bag on the table and slides it to the boss. He unwraps the contents and it is revealed to be an autograph from Tetsu, the actor from The Ultimate Chef Path of Tetsu. The boss considers it a treasure because the actor visited his establishment and loved his ramen so much that Tetsu did something he never had before for any fan: sign an autograph, as Tetsu normally hated and refused to give them to anyone.

In exchange for the autograph, Shirai asks for what the boss promised him, a large pot of the restaurant's secret ramen sauce. Later, Shirai admires his prize, which he plans on using for his own ramen business. Shinichi wonders why doesn't he just make his own sauce instead, with Shirai not wanting to work that hard to get successful. He tastes the sauce, only to find its flavor is all wrong, the boss tricked him as the sauce is a fake. The boss bursts in, outraged that the autograph he received from Shirai was a forgery since the structure of one of the characters in the Tetsu's full name is incorrect. Shirai admits he sold the real autograph for cash when he was getting low on funds. Both argue and demand the authentic version of what they want, but Shinichi tries to deescalate this through telling them to put aside their avarice and use their imagination to set aside their differences. He visualizes a burning desert that is drying up their throats and it begins to affect them.

Shirai and the boss can't take much more of the imaginary desert heat, Shinichi says a single bottle of water is on the ground but only one person can drink it. The boss pleads Shirai for the water, promising to forget about the autograph if he does. He is pulled back into the real world, snags the water and runs outside to drink it.

Shirai is impressed with Shinichi, admitting he had doubts, but if he was more of a hero like him his life could have been different.

Shirai wants to know what makes Shinichi so special and why he fights monsters, feeling compelled to fight him. This desire turns Shirai into Samuraiki and Shinichi accepts his challenge.

Shinichi battles Samuraiki, and while the others do try to help, some of them get burned by the Hitotsuki using Shinken Red's fire techniques to unleash a flurry of blazing sword slashes. After knocking Samuraiki off balance with his Robotaro form, Shinichi combines with the rest of the Donbrothers to form Don Onitaijin. They engage Samuraiki at human size and blow him into the air with a cyclone created by Don Onitaijin's fan, flying up and sending him plummeting back down after a Heaven Monkey Barrage attack.

The fight ends with a clash of swords, though Don Onitaijin proves the superior sword warrior as it defeats Samuraiki with a furious rapid onslaught of dual Robotaro Slashes.

Some time later, Shinichi goes to a new ramen cart that recently opened up and orders imaginary ramen from Shirai, who has now decided to live earnestly and work hard to achieve his dreams. Shinichi thanks him for the meal, saying his soy ramen with extra bamboo is delicious.

We gasped!

Me: Samuraiki! I knew it!

Xenia: Whoa! The Japanese Samurai Rangers Hitotsuki!

Me: And I remember him too! He was pissed off that he couldn't get an answer as to why Shinichi fights!

Nico: Yeah!

Me: Time for a little reunion.

I snapped my fingers and then the Donbrothers appeared!

Taro: Oh man! Samuraiki!

All: Donbrothers!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off behind us and we were ready to kick some butt!

Jayden: SAMURAIZER! GO GO SAMURAI!

He transformed and he was ready!

Samuraiki used Sarubrother's arms to lunge at Jayden.

I teleported and kicked him in the face.

I fired blasts of fire and blasted him all over and Nico fired waves of light and darkness and smashed and blasted him all over.

Qin: YEAH!

Qin fired waves of fire and blasted him all over.

Samuraiki used his katana to emit fire and slash at Jayden.

He blocked it with his sword and I kicked Samuraiki and me and Samuraiki clashed ferociously with our swords and sparks flew all over the place and fire burned all over and we absorbed it.

Me: Hey you want to hear the most annoying sound in the world?

Samuraiki: What is it?

Me: (STUPID SOUNDING SCREAM)

The scream immobilized him!

WE LAUGHED HYSTERICALLY!

Nico: (LAUGHS) I LOVE THAT SCREAM FROM DUMB AND DUMBER!

Jayden swung his spin sword at Samuraiki but he manipulated origami papers to block it.

Konan: He has Origami powers too? Very impressive. But so do I.

She formed Paper Cranes and they flew and hit him and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOMMMMM!
KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOMMMMMMM!
KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMM

Nico: Nice one!

Me: Top this too!

I used explosive clay with Deidara's powers and blasted him all over with fiery explosions!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOMMMM!
KRABBBBBBBBBBOOOOOOOOOOOOOOOOMMMM!
KRABBBBBBBBOOOOOOOOOOOOOOOOOOMMMM!
KRABBBBBBBOOOOOOOOOOOOOOMMMM!

Me: Art is an explosion! WHY THE FUCK DID I JUST SAY THAT!?

Jayden and Samuraiki clashed swords.

Fire exploded out of their swords and ignited everything around us and we absorbed a lot of fire.

Laney: YEAH!

Nico: YEAH GO JAYDEN!

They clashed ferociously and fire blasted off all over.

Jayden: Is your sword similar to Xandred's?!

Samuraiki: I assure you that it's only a coincidence that this sword is similar to the one your late enemy used in the past. I don't choose what it looks like!

Jayden: That makes sense.

Jayden and Samuraiki clashed and more fire blasts blasted all over the place.

Xenia: YEAH!

Shinichi charged at Samuraiki

He bashed him down.

I clashed more with Samuraiki.

Me: You know the most epic thing? When Master Xandred died he exploded with the force of a nuclear explosion. He also tried to take Nico with him in a Kamikaze explosion. But it was all for nothing.

Samuraiki: That's what I heard.

I clashed more all over with him.

Samuraiki: But I assure you. It's only coincidence my sword is similar to Xandred's!

Me: That's good.

I clashed more with him and sparks flew all over.

Me: Xandred was shocked last year when he saw that Nico survived his failed Suicide Detonation.

Samuraiki: Good and I bet it was priceless.

Me: Oh it was.

I clashed more with him and fireballs flew everywhere.

Shinichi: Avatar Change!

He turned into the Blue Samurai Ranger!

Kevin: Oh yeah!

Shinichi fired water energy arrows and blasted him all over.

Nico fired waves of energy and blasted him all over.

Lyra kicked and punched him all over the place and kicked him down.

Taro: You are not doing this alone, Shinichi. Avatar Change!

He turned into Kyuranger Red!

Lucky: LUCKY! That is amazing!

Me: YEAH!

He fired waves of stars and blasted Samuraiki all over.

Taro then used the Kyuranger Alter and fell unconscious. The Kyuranger Alter then charged at Samuraiki.

He smashed him down in a powerful charge.

Xenia then fired arrows and blasted him all over.

Me: YEAH!

But then I saw a Super Hot Head appear!

Me: A Super Hot Head!

I teleported and slashed it and then I got THE MONSTER FLAME ABILITY!

Me: TIME TO BURN!

Haruka: Where did that come from?!

Nicole: Our world is merged with Kirby's world. You never know what will happen.

Haruka: Cool!

I then had fire swirl above me and I fired a powerful dragon made of super intense fire and it hit Samuraiki and smashed him head on!

Nico: YEAH!

Eli: TAKE THAT!

Samurai Jack joined in with a slash from his sword.

He slashed Samuraiki and kicked him down.

Me: (Imitating Samurai Jack) No matter what form you take Aku you will never defeat the side of righteousness!

Samurai Jack: Well said J.D.

Me: I thought that was good.

Samuraiki: This is the only form I'm able to use right now.

Nico: Not for long!

But then a Sawsbuck appeared!

Me: Hey a Sawsbuck!

Nico: Cool!

But then 3 More Sawsbuck came! They were in each of its forms for the 4 seasons!

Me: Wow! 4 Sawsbuck! And they are all in their forms for each of the 4 seasons.

Lana: Cool!

Spring Sawsbuck: (In a girls Voice) And this guy can say his prayers.

Nico: The Salisbury Sisters!

Qin: Haru, Natsu, Aki and Fuyu!

Nico: Cool!

They fired waves of fire, water, leaves and wind and blasted him all over.

Octane: Well, I didn't see this coming!

Nico: Sawsbuck is one of the gene-slammers I was hoping to meet.

Me: I also had a feeling that all four of their forms would appear too.

Xenia: That is awesome.

Nico: It sure is!

Me: Lets finish him!

Jayden: With pleasure!

Me: YEAH!

Jayden: Fire Buster Cannon Mode!

He had it ready and I put in disks for the Samurai Rangers.

Donbrothers and Jayden: PHOENIX FESTIVENESS BLAST!

We fired a combo blast and the blasts all hit Samuraiki and then…

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He exploded!

I caught the Samurai Rangers Gear!

Me: Yeah! Samuraiki you have failed this city!

Lyra: Demon Elimination Complete!

Donbrothers: All's Well That Ends Well!

Jayden: Rangers, Victory is ours.

We went over to Shirai.

Shirai: (smiles) I think I understand you all now.

Ni o: We're glad you do.

Shirai: Keep doing what you're doing. Never change who you guys are.

Me: That you can count on.

With that, Shirai vanished.

He was sent back to Japan.

Qin: That was an awesome battle.

The 4 Sawsbuck reverted back. Haru was a girl with pink hair, green eyes and green and pink clothes and had pink butterfly wings and the kanji for Spring emblazoned in the middle of her forehead, Natsu was a girl with yellow hair and had blue eyes and yellow and green clothes and had green angel wings and had the kanji for Summer emblazoned in the middle of her forehead, Aki was a girl with red hair and had orange eyes and red and orange clothes and had red angel wings and had the kanji for autumn in the middle of her forehead and Fuyu was a girl that had aqua blue hair and had blue eyes and ocean blue clothes and blue angel wings and had the kanji for winter in the middle of her forehead.

Haru Salisbury: That was really awesome though.

Aki Salisbury: It sure was!

Fuyu Salisbury: Yeah it was!

Sandstorm: What are your favorite memories of Nico?

Haru Salisbury: Us helping to discover that the rich life of one of our friends is a lie.

Natsu Salisbury: We found out that our friend Madison Lancelot the Escavalier gene-slammer that you'll meet soon was living a lie because her parents stole money that was rightfully that of another girl.

Aki Salisbury: Her parents stole everything they had that was rightfully another friend of ours and we used our detective skills to bring her evil parents to justice.

Fuyu Salisbury: We helped Nico as some of his partners back then in the CIA.

Me: WOW! Wait a second I remember seeing that case. The Lancelot family stole $750,323,234,235,000,000,000,000 and they were arrested and sentenced to eternity in federal prison. That was you guys?

Nico: Yep.

Me: Wow! And apparently we found out that the next gene-slammer is for Escavalier.

Grave Clubber: Thanks for helping us, guys. Sorry that it seems we always need your help before the big day.

Taro: We don't mind it. After all, the Hitotsukis started with us.

Me: That's true and now they are messing with us.

Nico: Yep.

Lola: Yeah,

Me: Soon whoever is sending them will pay.

Taro: Yeah. See ya soon.

They teleported back to Japan.

Nico: Now we need to get ready for our next mission.

We went back to the estate and got ready.

Nico: You guys are going to love our next mission. It's for the movie The Pirates! In An Adventure with Scientists.

Lana: Awesome! I love that movie!

Eli: That was a good one!

Xenia: It sure was!

Nico: Yep. First we're going to watch the movie and then we'll head out.

The previous group came.

Boomerang: Can me, Vanitas, El Diablo, Iron Lung, Merman, Beast Man, Doctor Octopus, Speed Demon, Turtle, and 2016 Morbucks go with you guys?

Nico: Yes you all can come with us.

Qin: Yeah.

Nico: Awesome.

Cheetah: Nico, we already know one of the Gene Slammers you're meeting next. What about the others?

Nico: Amoonguss and Jellicent.

Me: So Escavalier, Amoonguss and Jellicent

Nico: Yep.

Me: Neat.

Lola: Awesome!

Nico: Now we can watch the movie.

El Diablo: I'll heat up the popcorn.

He did so and we got the popcorn and watched the movie.

In London, 1837, Queen Victoria is told by her servants that England rules the entire ocean, with the exception of pirates, whom she despises (simply because they shouldn't be around anymore). Meanwhile, The Pirate Captain leads an unorthodox group of amateur pirates who are trying to make a name for themselves on the high seas. To prove his worth, The Captain enters the annual Pirate of the Year competition, with the winner being whoever can plunder the most treasure. After several failed attempts to plunder mundane ships, they come across the HMS Beagle and capture its lone passenger, Charles Darwin, who recognizes the crew's pet "parrot", Polly, as the last living dodo bird. Darwin recommends that they enter Polly in the Scientist of the Year competition at the Royal Society of London, and The Captain accepts, believing that winning the competition can help him win the Pirate of the Year award, despite his assistant, The Pirate with the scarf, advising him not to. Allowing The Pirate Captain and his crew to stay at his house for the night, Darwin plans to steal Polly for himself in order to impress Queen Victoria, whom he's smitten with. He has his trained chimpanzee Mr. Bobo steal Polly, but the plan fails.

The next day, the pirates disguise themselves as scientists to enter the competition, and the dodo display wins the top prize, which turns out to be a meeting with the Queen. The Queen requests that Polly be put in her petting zoo, but the Captain refuses and accidentally reveals his true identity. The Captain is about to be executed when Darwin reminds the Queen that Polly has been hidden and only the Captain knows where. The Queen pardons the Captain of his crimes and orders Darwin to find Polly by any means necessary. Darwin and Mr. Bobo take the Captain to a tavern, get him intoxicated, and steal Polly, but The Captain chases them into the Tower of London, where the Queen is waiting. She dismisses Darwin and Mr. Bobo and offers The Captain enough treasure to ensure his win for Pirate of the Year in exchange for Polly. The Captain accepts the offer and returns to his crew, assuring them Polly is still safe.

At the Pirate of the Year ceremony, the Captain is announced as the winner, but rival pirate Black Bellamy finds a newspaper revealing the Queen's pardon and explains that if pardoned, one is no longer a pirate. The Captain is stripped of his treasure and pirate attire and admits to his crew that he sold Polly to the Queen for the treasure, prompting them to abandon him. The Captain returns to London and reunites with Darwin, who has discovered that the Queen is part of a society of world leaders that dine on endangered creatures, and Polly is to be served at their next banquet. The Captain and Darwin work together to steal an airship and find the Queen's flagship, the QV1, while Mr. Bobo sets off to retrieve the Captain's crew members.

Aboard the QV1, the Captain and Darwin find Polly before she's cooked and eaten, but the Queen finds them and attempts to kill both of them. Mr. Bobo and the crew come to their aid, but while fighting the Queen, they accidentally mix the ship's stash of baking soda with vinegar, causing a violent reaction that explodes and breaks the ship in two. The Queen tries to escape with Polly in the airship that the Captain and Darwin came on. Polly causes her to rip a hole in the airship and drop Polly, and the Captain catches her before she falls into the ship's propeller. The Captain, along with Darwin, Mr. Bobo and the rest of his crew, escape safely, leaving the furious Queen behind on her deflating airship. Due to their actions, the Captain is targeted with the highest bounty known to pirates, with 100,000 Doubloons placed by the Queen, restoring his pirate reputation as well as marking him as the most dangerous pirate alive. Darwin stays on an island to study more exotic animals, and The Pirate Captain continues his exploits with his crew, now joined by Mr. Bobo.

---

When it was done we cheered wildly and it was awesome!

Qin: YEAH!

Xenia: That was so awesome and fun!

Lola: Yep.

Nico: Yep.

Qin: So our target is a Xenophobic version of Queen Victoria.

Camie: What does it say about her?

Me: Lets see.

I pulled up her info.

Queen Alexandrina Victoria Hannover, also simply known as Queen Victoria, is the main antagonist of Sonny Pictures Animation's sixth and Aardman's fifth feature film The Pirates! In an Adventure with Scientists!.

She is the ruler/monarch of the British Empire and the head of the Church of England with a severe hatred of pirates. She was part of a secret world society in which they eat exotic animals that are endangered. As a member of the society, she planned to eat Polly the pet dodo bird of the Pirate Captain, but was foiled when the latter sinks her massive flagship the QV1. Queen Victoria is also the last British ruler from the house of Hanover due to her marriage to Prince Albert of the house of Saxe-Coburg and Gotha.

She was voiced by Imelda Staunton, who also played Dolores

Umbridge in the Harry Potter film series, Angorra in The Snow Queen, and Mrs. Lovett in the 2012 West End adaption of Sweeney Todd.

Queen Alexandrina Elizabeth Christina Victoria is the queen of London and has a severe hatred of pirates. She revealed the reason behind her hatred; she believed that pirates are obsolete and also because of other ridiculous reasons. She was also the leader of a secret party of world leaders who join together every year to eat the rarest of creatures. When the Pirate Captain won Scientist of the Year, she arrived on her horse to meet him. She proceeded to congratulate him on his success, unaware of his true identity. When she asked him on where his dodo is, the Pirate Captain tells her that Polly is resting while hidden away and that he had let her out only for his performance during the award. When he tells Queen Victoria that he did this in case if "sinister forces" wants to make off with her, the queen buys this and reveals that she has a petting zoo where Polly will be safe.

During their conversation, Queen Victoria became suspicious of the Pirate Captain when he unknowingly said "There is nothing more to a pirate than his trusted dodo." When he eventually exposes his true identity by accident, she immediately has him executed. Queen Victoria then watches as the executioner was about to behead the Pirate Captain. However, when Charles Darwin reminds her that the only latter knows on where Polly is that she'll never know if he is dead, the queen immediately stops the execution at the last moment. After the Pirate Captain introduces himself, Queen Victoria proceeded to pardon him, which is considered treason back on Blood Island, the isle home of all pirates.

Then, she also was seen capturing Polly (the last dodo bird) with the other world leaders to eat all the rarest animals on the QV1. She almost had beheaded Polly, but Mr. Bobo saves her to disrupt the meal. Then, the Pirate Captain and his crew have a confrontation with her to keep Polly alive, making her get stranded on an island.

Near the end of the film, the other rare animals decide to eat Queen Victoria. It is completely unknown if Queen Victoria was eaten alive by the rare animals or if she managed to make it to London in order to resume her mandate. Because of the Pirate Captain's action against her, he received a bounty of one hundred-thousand Doubloons, which is the highest bounty for a pirate in the Seven Seas, effectively making him a most dangerous pirate alive and restoring his reputation among his peers. Consequently, this infamy makes his rival Black Bellamy to lose the title "pirate of the year"

---

When it was done we were shocked and horrified!

Applejack: Why that stupid snake in the grass queen!

Xenia: That is a mockery of the Queen Victoria we know!

Camie: Yeah!

Nico: Our mission is to battle her and dethrone her and then throw her in prison where she belongs.

Me: Yep.

Bruiser Cruiser: Let's get a move on.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Charlotte Kensington of The Legion of The Lincoln-Haters, and she's heading here to kill Lincoln and get revenge. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, it's Charlotte Kensington of The Legion of The Lincoln-Haters, and she's heading here to kill me and get revenge.

Selene Arcangela: Should've known Brianna Greyson would send her next. But, if we know that bitch all too well, she'll also be bringing Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie

Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson with her.

Nicholette Torrington: Just like what happened when The Chernabog Sisters came after us last year.

Lincoln: That won't be a problem, I'll trap them in a force field.

Cookie: While you and I deal with Charlotte Kensington and put an end to her for good, Lincoln.

Lincoln: After that stunt she tried to pull by sending thugs to kill Clyde and his harem, she's done for good. But, we also got to watch it though, Charlotte Kensington will no doubt have her machine guns with her, along with the others.

Nico: Good thinking, if they broke out of jail, they're bound to have gotten access to high-powered machine guns they stole from the cops or got themselves from contacts outside. Alright, gang, let's go, we got ourselves an adventure on the high seas! We're heading to the world of The Pirates! In an Adventure with Scientists!

Lincoln: This is going to be one awesome adventure on the high seas, and once we get done with this high seas adventure, you're next, Charlotte Kensington.

Selene Arcangela: You better start praying for mercy, you remorseless bitch.

Selene Emperyous: Because, we will show you and the others none for everything you've done in the past.

Cookie: No way are we forgiving you for any of your actions, Charlotte Kensington, you better be ready to pay the price for your foul misdeeds.

We went to the garage and then went to the TLPS Phoenix Maelstrom and opened a portal and we were off.

## EASTERN EUROPEAN SEAS - 1837

---

We arrived.

Me: Wow!

Xenia: Amazing!

Eli: We're almost 200 years into the past.

Lisa Loud: 186 years actually.

Qin: Yeah.

Merman: I'll swim to find anything out.

Nico: Okay. Laney, monitor things from the crows nest and watch for any ships matching the ship of the Pirate Captain.

Laney: Aye aye Captain!

Merman dove into the water and went ahead.

Nico: Jared set course to path 5155.

Jared: Aye aye captain. Where Queen Victoria was last spotted.

Jared had the ship sail for that spot.

Jindrax: Avast, mateys! Queen Victoria of this world will tremble before our might and walk the plank!

Me: To quote Long John Peter, AHA That wench better be ready for a fight that be sending her to Davy Jones Locker!

We laughed like pirates!

Mr. Krabs: (LAUGHS) Good pirate talk lads!

Nico: (LAUGHS) I love swashbuckling adventures on the high seas!

Doctor Octopus: It's gonna be some time before they get here.

Me: We be waiting a while then.

Jack Sparrow: As long as we get to slay that bilgerat queen mate.

Lola: That is for sure.

Applejack was turning green around the gills.

Lola: Uh oh. Captain Nico, Applejack is getting seasickness sir.

Nico: Oh boy. This happens every time we get on our ship. Laney, Applejack needs seasickness remedy.

Laney: Aye aye Captain Nico.

She came down and gave some to her.

Spoiled Rich: (pats Applejack on the back) There there.

Applejack then threw up!

YUCK!

Me: Ew I hate it when that happens.

Spoiled Rich: Me too.

Laney gave Applejack some medicine.

Applejack was better.

Applejack: Ahh thank you sugarcube.

Laney: You're welcome.

Lana got up to the crows nest.

Lana saw something.

Lana: Captain Nico! Pirate Captain's Ship off the Starboard Bow!

Nico: There it is.

We pulled up to them.

2016 Morbucks: Ahoy, mateys!

Pirate Captain: Ahoy Team Loud Phoenix Storm!

Me: Ahoy there!

Nico: Pleasure to meet ya Captain.

Pirate Captain: Ye too Nico.

Pirate Captain's ship was hooked up to ours and we had them aboard.

Pirate Captain: Nice ship ye have here.

Me: Thank ye kindly.

Scrap Shooter: Do you have a real name, see?

Pirate Captain: Sadly no. I just like to be called Pirate Captain.

Nico: That be all right then.

Qin: Yeah.

Pirate Captain: Ye be good pirates you are. Heard all about yer adventures with the famous Jack Sparrow.

Jack Sparrow: That's me mate. And they are great friends and true pirates they are.

Turtle: Have you ever met Blackbeard before?

Me: Turtle this is 1837. Blackbeard lived over 100 years prior to this.

Turtle: Oh right.

Pirate Captain: Aye. Blackbeard lived many moons prior before me.

Nico: That be true.

Lola: But we have found all sorts of amazing treasures in many parts of the world.

Vice: I can assure you that the Queen Victoria we know is much nicer then this one.

Me: That be true. In our world she be an angel. Alas the age of pirates in our world ended many moons ago before this. The year 1730 actually.

Laney: It's true.

Nico: Thank goodness that she never hated anyone in our time.

Qin: That be a good thing.

Pirate Captain: Aye good thing.

Speed Demon: Dammit, I can run fast on water. But not underwater!

Nico: We'll just have to search for her the old fashioned way.

Me: Captain, I can have our dragons fly in the air to search that way.

Nico: Capital idea J.D.

Shield Shredder: We also got lots of rum. We wanted to bring beer from Poromon's stash but…

Poromon: My beer! Mine!

Nico: Poromon. What did we say about sharing?

Poromon: But Nico?

Nico: No butts.

Pirate Captain: We be fine with rum.

Beast Man: Glad to hear it.

Nico: Good.

We got them barrels of rum.

Starlight Glimmer: I think I see her!

Rainbow Dash: It's definitely her!

We saw her on an island up ahead and she was MASSIVELY PISSED!

Nico: Target sighted! Lets give her a Drunken Sailor Sea Shanty Entrance.

Iron Lung: Raise the helms!

Nico: Jared forward.

Jared: Aye captain!

We went on.

Queen Victoria was infuriated and then the spirits of the great ships and pirates appeared and then they swirled around her and then they converged and then…

KRABBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off and then a phoenix cry was heard and then Drunken Sailor by the Irish Rovers was heard and she went insane hearing it!

Then our ship bursted through the explosion and we were ready!

Me: Queen Victoria you are under arrest!

Xenia: That's right! Your reign of terror is over!

Khybon: Time for you to walk the plank!

Queen Victoria: I will never stop until this world is rid of pirates! They are menaces to everyone!

Me: No pirates are the real menace. YOU ARE!

Qin: That's right!

Me: Also has anyone ever told you that your voice sounds like Delores Umbridge?

Nico: Now that you mention it… YEAH IT DOES! I HATE THAT BITCH!

Eli: ME TOO!

Xenia: YEAH!

Vanitas: Oh, you're REALLY getting dethroned now!

Me: BIG TIME!

Qin: YEAH!

The Rangers had a hard time battling the monster due to his strength and explosive pomegranates, but Kira managed to clog shut Donkeyvac's nose with tennis balls. Donkeyvac was destroyed from the Z-Rex Blaster.

Yumi Korra: Yeah she sure is.

Dawnstar: We all were impressed with her power.

Sun Lad: And her story is really cool too.

---

Nico: Yep. So, Naomi, what's the story on how Lisa tried to destroy you all by sending another robot army to your gym while you were inside working out, but your alarm system alerted you early, and that you and Lincoln took her down hard and they got that cold-hearted emotionless little nightmare grounded big time.

Naomi Knightley: You're not going to like hearing it, Nico.

Naomi Knightley pulled up the video as it played on the big screen. There we see Naomi Knightley and Lincoln working out in their gym and Lincoln was 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, even doing yoga to clear his mind and the rest of The Guardian Angels were with him, and they were doing the same routine as Lincoln. Suddenly, they heard the alarm sound, and they saw on the television: Lisa was here, and she has yet another massive robot army with her to kill Lincoln and his Guardian Angels.

Past Selene Emperyous: What the heck?!

Past Laney Emperyous: Oh shit, Lisa's here, and she's got yet another massive robot army with her, and she still wants to kill us!

Past Lincoln: Lisa, you really don't know when to quit, do you, same with Todd? Come on, Naomi, let's take her down and send those robots to the scrap heap.

Lincoln and Naomi Knightley, along with the rest of the Guardian Angels, flew out of their gym, and before Lisa could order her robots to attack, Lincoln and Naomi Knightley proceeded to smash all of the robots into scrap metal.

Past Lisa: YOU STUPID IGNORAMUS APES! YOU'RE RUINING MY GLORIOUS REVENGE! TODD, KILL THEM ALL!

Todd: (Robotic Voice) Understood!

Todd went after them, but Lincoln grabbed Todd, ripped his head off, and smashed the robot into a million pieces. Then, Lincoln and Naomi grabbed Lola and they had proceeded to beat her down, and after they got done with beating down Lisa, Lincoln tied her up in red energy ropes he fired from his white angel wings, and they dragged her off to The Loud House and to her doom. The video ended, and we were outright horrified.

Nico: My God, I knew Lisa was like that because of that heartless Dark Side of hers, but she had tried to kill them with her massive robot army and out in daylight too, that's pure evil to the extreme.

Me: Yeah, and I still remembered that day all too well. Lisa went too far that day, and after Lincoln came back with a tied up Lisa and he told everyone what she tried to do, she wound up getting her butt grounded for sixteen weeks, and she swore revenge on Lincoln.

Luna: Plus, it made the hatred and anger of those who hated Lisa go up even more, along with ours.

Lana: Lily couldn't stand living with that heartless little monster after that day.

Luan: And after Lisa got grounded, she was thrown in the cage and Lily in her Warden Lily outfit hits the cage with her mallet and gave

Lisa what for and we also made sure her lab was then put into her bunker and Lily changed the password again, and that really set Lisa off.

Lincoln: Whoa, now that's what I call one awesome high-seas adventure.

Nico: We haven't had one in quite a long while, and it was so good to get out there and sail the seas once again.

Lincoln: Now, there's only one last thing to do and one more loose end to tie up: Charlotte Kensington.

Suddenly, the eight large planets and stars orbiting around my legs, the ten large multi-colored orbs orbiting around Lincoln's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eight large dark blue orbs orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the nine large black orbs orbiting around Lucy's legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the nine large search pink orbs orbiting around Lola's legs, the eight large search pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's

Lincoln: Oh great, I knew there's no mistaking that foul mouth from anywhere, you just don't know when to call it quits, do you, Charlotte

Kensington.

We saw a girl with black hair, red eyes, and dressed in a black coat, white blouse, black pants, and black knee-high boots heading our way on a motorcycle, it was Charlotte Kensington of The Legion of The Lincoln-Haters, but we also saw Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson heading here as well.

Selene Arcangela: Oh great, that monster bitch's also got Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson with her.

Lincoln: If they think I'm going to take that lying down, they've got another thing coming.

Lincoln fired magnetic blasts at the motorcycles and destroyed them and that sent the Legion of The Lincoln Haters flying off the destroyed motorcycles, and when they got back up and saw Lincoln, they were now absolutely pissed off.

Charlotte Kensington: You ruined everything, Lincoln Loud! We had every last loser cowering in fear before us, but you… ! YOU JUST HAD TO PLAY THE HERO AND RUIN OUR REIGN!

Brianna Grayson: And what you fucking did in killing our dads… , THAT WAS THE LAST STRAW THAT BROKE OUR FUCKING BACKS! KILL THEM ALL! LEAVE NONE OF THEM ALIVE!

But, before Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson could get after us, Lincoln trapped them in a rainbow energy field.

Alana Cameron: WHAT THE FUCK?! HE TRAPPED US INSIDE THIS AGAIN! I'LL FUCKING KILL YOU, LINCOLN!

Lincoln: Cry me a river!

Maria: You tell her, Lincoln! (Flips Middle Finger) And up yours, bitch!

Qin: They're just as, if not even worse, than Audrey Madison, and she was a heartless, sick, twisted, good-for-nothing, murderous slut!

Me: And they're still as stupid and murderous as ever.

Cookie: But, this'll send a clear message that we're not letting them get away with any of their plans for revenge.

Suddenly, Cookie's eyes turned neon purple and she was surrounded by a lavender purple energy aura with rainbow lights, stars, sweets, and phoenixes, and as she approached Charlotte Kensington, she left lavender purple energy, rainbow lights, stars, sweets, and phoenixes with every step.

Cookie: I can't believe that you'd break out one day to get revenge on Lincoln for something that was entirely your fault, Charlotte Kensington, and the same goes with the rest of the monster bitches inside the energy field. You think that now that you and the rest of The Legion of The Lincoln-Haters have broken free you can just waltz in here and try and kill Lincoln, we're not standing for it. You've already put the final nail in your coffin, and now, it's time for you to die.

Suddenly, Cookie was surrounded by a massive vortex of lavender purple energy with rainbow lights, stars, and sweets surrounding the vortex, there are phoenixes flying around the vortex and in the vortex is a purple phoenix with red eyes glaring at Charlotte Kensington: the red eyes of death. Then, as the vortex faded, Cookie emerged, but she was changed forever.

Cookie grew to 7'5" in height, she has the body of a goddess, she has pink highlights in the bangs of her long brown hair, she has neon purple eyes and and a purple energy aura with rainbow lights, stars, hearts, and phoenixes surrounding her, she has a phoenix and a heart emblazoned on her forehead with Third Eye with purple iris, she has on phoenix earrings with pink gems for eyes and holding the Light, Heart, and Eternity Kanjis in its claws, she also has a phoenix with pink gems for eyes and holding the Light, Heart, and Eternity Kanjis in the claws on the bottom of her pink phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love with pink crystal links from her merged Crystal Necklace of the Buddha and pink gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Cookie has on a purple jacket, sleeveless light purple dress, pink socks, black shoes, she has on large gold metal bands with pink gems on her biceps and thighs, and long sleeveless white trenchcoat with rainbow lights, light, hearts, stars, and phoenixes on the coattails, and on the back is a phoenix surrounded by hearts, light, rainbow lights, and stars. Suddenly, Cookie felt a sharp pain on her back, and then, massive brown angel wings with pink tips on the feathers grew and sprouted out from her back, and she now has eleven massive and long brown wolf tails with pink tips and pink markings, Cookie has on her Ring of the Phoenix with pink gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Cookie's newly forged greatsword and all the greatswords and swords that she'd gotten began to merge together and they're surrounded by a kaleidoscope of purple and pink energy, hearts, rainbow lights, stars, and phoenixes, and when it emerged, it transformed into Cookie's Solar Heart Rainbow Light Cosmic Greatsword of Solar Rainbow Solar Hearts Justice, it's a brand-new massive greatsword with embedded rainbow gems and pink etchings and a phoenix and etched on the 7'3" massive, wide, double-edged purple blade, large pink phoenix heads for the crossguard, large white angelic faces built into both sides of the hilt with rainbow gems embedded in the foreheads, longer midnight black handle, four large pink phoenix heads with rainbow gems in their mouths and a large purple phoenix head with a pink gem in its mouth below the large phoenix heads for the pommel. Cookie has on her new large gold cuff Bracers of The Champions of The

Universe with pink gems on her wrists and Dragon Ball Bracelet on the left bracer, her new Belt of Elemental Bravery with a gold phoenix head with pink gems for eyes and a large rainbow gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a purple kanji below the phoenix that said, "Cookie, Talented Dancer, Despiser of Killjoy Huggins, Dark Chandler and His Minions, And The Rest of Lincoln's Enemies, Loving Future Wife of Lincoln Loud, Destroyer of Charlotte Kensington of The Legion of The Lincoln-Haters, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, and Master of Rainbow Lights, Hearts, Stars, and Phoenixes"

クッキー、才能あるダンサー、キルジョイ・ハギンズの軽蔑者、ダーク・チャンドラーと彼の手下、そしてリンカーンの敵の残り、リンカーン・ラウドの愛する未来の妻、リンカーン・ヘイターズ軍団のシャーロット・ケンジントンの破壊者、悪の破壊者とスレイヤー、混乱した、殺人的で冷酷でサディスティックなろくでなし、驚くほど強力な教師の驚くべき強力な学生、天界のゼルナガの怒りのマスター、黒い門のマスター、虹の光、ハート、星、フェニックスのマスター

Cookie has transformed into SUPER ANGEL-PHOENIX-HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA SOLAR COSMIC SWEETHEART DANCER SOLAR SUN HEART PHOENIX ANGEL OF DIVINE SOLAR COSMIC SWEETHEART DANCER SOLAR SUN HEART PHOENIX JUSTICE AND DIVINE SOLAR COSMIC SWEETHEART DANCER SOLAR SUN HEART PHOENIX LOVE!

We were amazed by Cookie's Super Angel-Phoenix-Harmony Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Charlotte Kensington saw it, she went fucking crazy and she got out her machine gun to fire at Cookie, but Cookie fired a barrage of purple energy blasts with light, rainbow lights, hearts, stars, and phoenixes at Charlotte Kensington and it sent her flying into a tree back first, she got back up and she ran at Cookie again with a knife she got out, but she disarmed Charlotte Kensington and dislocated her arm and sent her flying into another tree with a roundhouse kick, she got back up, but now, she was mega pissed off!

Nico: Whoa!

Me: Awesome, Cookie's transformed into her Super Angel-Phoenix-Harmony Universal Eternal Celestial Xelnaga form, and she disarmed Charlotte Kensington and she sent her flying into a tree with a roundhouse kick.

Lincoln: Charlotte Kensington's been asking for this for a long time, and what better way to administer her final judgement than right in front of the other members of The Legion of The Lincoln-Haters.

Cookie: (Divine Godly Cosmic Voice of The Solar Cosmic Sweetheart Solar Rainbow Phoenix Angel and Divine Solar Cosmic Sweetheart Solar Rainbow Phoenix Love) You got that right. Now, let's rip her apart, Linky.

Lincoln unholstered his massive Lincoln Loud's Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Phoenix-Harmony Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Hope, and he joined Cookie.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You and the others have caused more than enough grief and trouble to everyone in Michigan for too long, Charlotte Kensington. We've made the right choice getting you all expelled and put in prison five years ago, but you know what, prison's too good for any of you. Now, we're going to fix that and do what should've been done to you years ago.

Cookie and Lincoln went after Charlotte Kensington who went extremely ballistic and continued firing at them, but they dodged the bullets, and they fired extremely powerful blasts of rainbow energy, purple energy, fireworks, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Charlotte Kensington and they exploded with incredible power as they hit her, and they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and he and Cookie attacked her with punches, kicks, and karate chops, and they were really, really, really pissing off her off now and driving her even more ballistic.

Just then, Charlotte Kensington got out a second machine gun, but Lincoln put up a rainbow energy shield around him, Cookie, and all of us, and she started shooting like crazy and also laughing like a deranged bitch, but the bullets were getting bounced off the energy shield. Suddenly, the machine guns ran out of bullets and Charlotte Kensington's deranged laughter died down and she was really fucked now.

Me: Hah! You're out of bullets, bitch, and you know what that means!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smirks) You're shit out of luck!

Lincoln grabbed Charlotte Kensington by the neck and he tossed her into the air, and Lincoln and Cookie fired a powerful barrage of energy balls with light, rainbow lights, lights, hearts, stars, quintessence, elemental forces, and mythological animals, and as they hit Charlotte Kensington, they exploded with incredible power and she was killed in the explosions, and that angered the rest of The Legion of The Lincoln-Haters. Then, Charlotte Kensington's spirit appeared, and she was still incensed with anger and fury.

Charlotte Kensington: You think you've won?! I'LL RETURN ONE DAY AND KILL YOU ALL!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) No, you're done and this time forever, Charlotte Kensington.

Lincoln summoned the spirits of Charlotte Kensington's victims from the past who seized her, and then, he drew the Judgement Kanji on her forehead, and as predicted, she was found guilty for her crimes, and she was fading away from existence.

Charlotte Kensington: NO! NO! DAMN YOU, LINCOLN LOUD, DAMN YOU ALL, TEAM LOUD PHOENIX STORM! DAMN YOU ALL TO (FADES AWAY)

We cheered wildly as Cookie and Lincoln holstered their massive greatswords on their backs and powered down, and Cookie's new body, clothes, weapons, jewelry, Third Eye, and eleven massive and long brown wolf tails, and massive brown angel wings are permanent.

Then, the rainbow energy field Lincoln put up to keep Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson inside went down, and they ran up to the dead remains of Harper Reagen. Then, they looked at Lincoln and they were absolutely really seething with rage!

Brianna Greyson: You're going to pay for this, Lincoln Loud! YOU FREAK! KILL HIM! KILL THE FUCKER!

Suddenly, the sound of police sirens were heard, and being the criminals they were, they knew they were in huge trouble!

Brianna Greyson: This isn't over, Lincoln Loud!

Then, Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson ran off, but not before they gave us the finger, and me and Nico retaliated by giving them the finger and it drove them mad as they ran off.

Nico: Yeah, up yours too, bitch!

Cookie: We've taken one down so far, and now, we got seventeen more to go. Thanks for helping me destroy Charlotte Kensington, Linky.

Lincoln: (Smiles Warmly) You're welcome, Cookie.

Suddenly, Cookie wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Cookie's face, they kissed passionately as she moved her arms and placed her hands on

Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, and Angel flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and lights behind them and we cheered wildly. Then, Lincoln and Cookie absorbed the lights and they came back to us as the display vanished.

Nico: Whoa, now that's what I call a dose of solar justice. Lincoln, Cookie, you two did really awesome in teaching that monster bitch, Charlotte Kensington, a lesson and pissing off the rest of those monster bitches.

Lincoln: Thanks, Nico, but this is only the beginning of The War Against The Legion.

Me: You said it.

Lincoln: And for tomorrow, the next member of The Legion of The Lincoln-Haters that's going to show her face is Arleth Presley, which means you and I are up next to face her, Paula.

Paula: Yes, we'll make her pay for all of her crimes in full.

Lincoln: But we've also got to keep an eye out, The Legion of The Lincoln-Haters are bound to send hired thugs after us.

Nico: We'll be ready for them since we've been dealing with hired thugs hired by our resident jerks to kill us, which always end with you killing them by sucking out their blood and pissing Flip and the other jerks off.

Suddenly, the symbol of the Magic Element on Crash Bandicoot's Skylands' Elemental Wolf Draconic Bandicoot Greatsword of Ten Elemental Justice and Eternal Skylanders Bravery began glowing.

Crash Bandicoot: I think we may have gotten a clue as to who we're meeting tomorrow on Lincoln's rescue.

Lincoln: One of the Skylanders Gene-Slammers, this time for my side.

Selene Arcangela: And thanks to the glowing Magic Element

Symbol on Crash Bandicoot's Skylands' Elemental Wolf Draconic Bandicoot Greatsword of Ten Elemental Justice and Eternal Skylanders Bravery, it's one of the Magic Skylanders, and there's one Magic Skylanders Gene-Slammer on your side who we are meeting tomorrow on your rescue, Lincoln: Marie MacDougal, Gene-Slammer of Spyro.

Nico: Whoa!

Selene Arcangela: That's right, Marie MacDougal is Lincoln's Guardian Angel and The Master of The Element of Magic, and you're also in for a huge surprise: Melanie MacDougal's also among the first humans who were actually born in The Skylands and grew up there under the guidance of Master Eon and the Skylanders.

We gasped.

Eli: I had no idea about that, but that's still awesome!

Selene Arcangela: We were just as shocked as you, Eli. As Marie grew, she'd discovered that she's a master of the Element of Magic, one of the Ten Elements of The Skylands, and she trained a lot under the tutelage of Master Eon and the Magic Skylanders and she proved to be quite the master of magic and elemental forces. She left The Skylands and she moved to Royal Woods, Michigan, and this was way before Kaos, The Dark Portal Master, had launched his hostile takeover of The Skylands. Marie and the others really hated that world-conquering warlord, and Marie formed and became the leader of a very massive and powerful coalition called The Skylanders Liberation Coalition, a coalition formed for the one purpose: to free The Skylands and make Kaos pay for all his crimes against Skylands and against all The Skylanders.

Melanie Aranyani: After you guys freed The Skylands from Kaos and The Skylands merged with our world, The Skylanders Liberation Coalition had become part of The Earth-Skylands Federation. Plus, we also saw she fell in love with Lincoln when they first met, and she really trained him intensely on how to use the element of Magic, and she also had the additional help of Spyro and the other Magic Skylanders, who really helped Lincoln in advancing his training in mastering the element of Magic, and over time, he really proved to be a master and at the same level as Marie MacDougal.

Me: Hey, now I remember her all too well, and now I know why she went missing, she was Gene-Slammed by Team Rocket.

Lincoln: Yep.

Selene Arcangela: And although Marie hates Kaos with a blazing passion for all his crimes against Skylands, there's only one person Marie hates with a passion ever since she came to Royal Woods: that person is Lori, and Marie has more than once used her skills in Magic to put Lori in her place and cause a little magic mischief on that bossy, out-of-control, immature control freak witch, and she even told her off saying that Lori's a control freak, that she's as cuddly as a gargoyle, and even worse, Marie also said that Lori has the fashion sense of a druid!

Nico's jaw dropped to the ground.

CLANG!

Nico: She called her all that?! Man, was she playing with fire, doesn't she know what'll happen if she gets Lori that angry.

Lincoln: She does, and what she said to her, that really set Lori off, and right before she could kill her, I saved Marie by firing a blast of magic at Lori freezing her, and Marie went over and we kissed on the lips and right in front of Lori, who was left steaming with rage and wanting revenge, but Lori got busted by Mom and Dad who saw what she tried to do and she also got grounded big time.

Eli: Oh, we're so in for hearing this story tomorrow. Plus, we'll be taking down the next hypothetical Akumatized Loud Sibling.

Lincoln: Fowl Sport, the hypothetical Akumatized form of Lynn. We better be ready for her, this'll be like facing Dark Lynn and Evil Lynn, but on a far more dangerous scale.

Nico: We will, Lincoln, and you'll definitely teach that sore loser a lesson.

Lincoln: I'll show that sore loser no mercy, and I'll make her eat chum!

Me: Now, that I'm so going to enjoy seeing.

Lori: Same here, for years, Lynn's gotten on our nerves with her showboating and aggressive nature, and she's more than once hurt Lincoln with her violent "sparring" sessions Lynn's Dark Side sprung on him, not to mention the Dutch Ovens, farting all over the place, disgusting others with her bad manners, and hurting everyone around her with her monstrous strength.

Luan: And let's not forget (GULPS) Packing Day!

Lana: Now the cycle of violence is about to come full circle, and Lincoln's going to give her a taste of her own medicine, and you know, I won't be surprised if he flattens her.

Luna: He'll probably crush her like a soda can, use her like a jump-rope or barbell, and turn her into a human pretzel and break her arms and legs.

Lincoln: We'll save that for tomorrow, but those are some good ideas.

Billy Numerous: That's one queen dethroned.

Deker: She's lucky she's only getting prison.

Me: Yep.

Mummy: Unlike Umbridge.

Nico: Thank goodness.

Pirate Captain: Excellent job, lads!

Diabolico: Thanks!

Brick: Can we celebrate at your ship?

Me: Good idea.

Nico: Yep. Great job everyone. Queen Victoria of this world was dethroned.

Me: Good riddance.

Jack Sparrow: (To the viewers) Hope you liked this swashbuckling adventure lads.

Me: I know I did.

We had a great celebration and we later went back home and enjoyed the rest of the day and went to sleep.

the next match-up in The War Against The Legion of The Lincoln-Haters is Paula Price and Lincoln VS. Arleth Presley

For Lincoln's rescue tomorrow, we're heading to Athens, Greece, and we're going to face, take down, and recruit the next hypothetical Akumatized Loud Sister into The Masters of Evil, Fowl Sport, the hypothetical Akumatized form of Lynn Loud, she's a bad sport who loves to showboat and hurt others with her monstrous strength! And we're in for a treat: we're going to meet the first Skylanders Gene-Slammer on Lincoln's side, her name is Marie MacDougal, Gene-Slammer of Spyro, she's Lincoln's Guardian Angel and Master of

The Element of Magic, and we're also in for a huge surprise, Marie MacDougal's among the first humans who were actually born in The Skylands and grew up there under the guidance of Master Eon and the Skylanders. As she grew, she discovered that she's a master of the Element of Magic, one of the Ten Elements of The Skylands, and she trained a lot under the tutelage of Master Eon and the Magic Skylanders and she proved to be quite the master of magic and elemental forces. She left The Skylands and moved to Royal Woods, Michigan, and this is way before Kaos, The Dark Portal Master, had launched his hostile takeover of The Skylands. Marie and the others really hated that world-conquering warlord, and Marie formed and became the leader of a very massive and powerful coalition called The Skylanders Liberation Coalition, a coalition formed for the one purpose: to free The Skylands and make Kaos pay for all his crimes against Skylands and against all The Skylanders. After we freed The Skylands from Kaos and The Skylands merged with our world, The Skylanders Liberation Coalition had become part of The Earth-Skylands Federation. Plus, we also saw she fell in love with Lincoln when they first met, and she really trained him intensely on how to use the element of Magic, and she also had the additional help of Spyro and the other Magic Skylanders, who really helped Lincoln in advancing his training in mastering the element of Magic, and over time, he really proved to be a master and at the same level as Marie MacDougal. Though she hates Kaos with a blazing passion for all his crimes against Skylands, there's one person Marie hates with a passion ever since she came to Royal Woods: and that person is Lori, and Marie has more than once used her skills in Magic to put Lori in her place and cause a little magic mischief on that bossy, out-of-control, immature control freak witch, and she even told her off saying that Lori's a control freak, that she's as cuddly as a gargoyle, and even worse, Marie also said that Lori has the fashion sense of a druid! That really set Lori off, and right before she could kill her, Lincoln saved her by firing a blast of magic at Lori freezing her, and Marie went over to Lincoln and they kissed on the lips and right in front of Lori, who was left steaming with rage and wanting revenge, but Lori got busted by her parents who saw what she tried to do and she also got grounded big time.

Me: Been a while since we were on Mobius.

Qin: It sure has been a while. I wonder how Sonic and friends are doing.

Laney: We'll find out.

Nico: I have a feeling this is going to be a good one.

Rika Noralenshikov: (Russian Accent) It sure will be good comrades.

Nico: Yes it will.

Lisa Loud: Indeed. This is going to be most fun.

Nico: Lisa, I want to thank you, Calamitous, and your teams for coming.

Lisa Loud: My pleasure Nico and it's going to be a good adventure for all of us.

Xenia: It sure will.

Nico: Rika, remember when we first met?

Rika Noralenshikov: I sure do Nico. We were in Russia and busted members of the Russian Mafia.

Qin: I remember hearing about that.

Xenia: That is cool.

Nico: Yeah good times.

Rika Noralenshikov: They sure were.

Nico: And now, you're part of my harem.

Lisa Loud: Indeed and that is a most amazing love sight.

Rika Noralenshikov: It sure is. Also yesterday's mission was great comrades.

Nico: A True swashbuckling adventure!

Xenia: Yeah!

Nico: I can't believe the Pirate Captain doesn't have a real name.

Me: I know. He'll go down as The Pirate Captain with No Name.

Qin: Ooh I like it.

Nico: Me too. Like the Man With No Name but for pirates.

Lola: Yeah. That is awesome.

Applejack: I can't believe I got seasick again.

Me: I know. But it's something that can't be helped. It's caused by equilibrium imbalance in the inner ear.

Xenia: Yeah.

Nico: At least we helped you get better.

Applejack: That's true. Y'all sure did.

Qin: But we now have an evil version of Queen Victoria locked up and they threw away the key.

Xenia: Yep.

Lola: That is for sure.

Camie: Yep.

Me: The Pirate Captain Decided to use Bloodbath Bay as his hideout.

Nico: Smart thinking there. No one will dare go near there.

Qin: That was still fun though.

Nico: That evil queen is lucky not to share Umbridge's fate!

Me: That is for sure!

Then we heard zooming and we saw Sonic and Tails!

Me: Here comes Sonic and Tails.

Xenia: Awesome!

Nico: Hey, Sonic!

Sonic: Hey guys! Awesome having you all here.

Tails: Yeah its been a while and we're glad we found you.

Rainbow Dash: Is Dr. Robotnik back to cause more trouble?

Sonic: Not this time.

Nico: Uh oh.

Sonic: We saw 6 Another Villains and they are heading this way.

Eli: (Concentrates) Oh man! They are Another Dr. Ivo Robotnik, Another Chain Lightning, Another Florentine the Flurkey, Another McWolf (Tex Avery), Another Albedo and Another Calamitous!

We gasped!

Qin: Oh man!

Nico: This is gonna be good!

Sonic: But it has been a while since you all were with us.

Nico: It hasn't been THAT long since we last saw you two. You two helped out several times last year, remember?

Sonic: I know that. And it's so awesome.

Tails: Having you all with us is great.

Lola: Yes it is.

Sonic: Yeah. And it's fun to challenge Rainbow Dash and the fastest members of your team to a race.

Rainbow Dash: It sure is. And J.D. just recently got a new transformation that got him all the powers of the Mane 10.

Nico: It's true. He has Rainbow Dash's super speed now.

Me: Yep.

Sonic: Lets see what he can do.

Me: All right.

Qin: Yeah!

Nico: Anyway, who's first?

Me: Another Dr. Robotnik is first right?

Eli: Yes that's right.

Nico: Better call in Jeanne Sorensson.

Maria did so.

She arrived in a portal of clocks.

Jeanne Sorensson: (Swedish Accent) I'm here Nico. This will be good.

Sonic: But there is something you should know guys.

Tails: She sounded like she was really sad and full of despair.

Me: Uh oh.

Nico: I hope it's not that bad.

Me: I have a feeling it is.

Eli: I sense it.

Me: Oh boy.

Nico: There she is!

We saw a figure and it was a dark version of Dr. Robotnik. It was ANOTHER DR. IVO ROBOTNIK!

Me: Another Dr. Robotnik.

Another Dr. Robotnik: (In a girls voice) (Crying) Is it true J.D.?

Me: (GASP) That voice.

She reverted back and it was a girl with blue hair, blue eyes with blue sclera, and had blue clothes and a sailor hat on her head and she had blue angel wings and she had the symbol of the Water Skylanders on her skirt and in the middle of her forehead and she had a pregnant belly.

We gasped!

Me: (GASP) Sapphire Nautilus!

Nico: She's pregnant?

Me: Yes. But no, worse.

Sapphire Nautilus: (Crying hard) IT WAS BECAUSE OF MY FATHER!

She told us what happened.

Her father raped her on a daily basis and then after she got gene-slammed she got pregnant with HIS baby and then he locked up the entire school with all the kids in it and burned down the entire building and killed them all while laughing like a madman. She WILLINGLY went to Swartz with the promise of revenge on her father

WE GASPED IN UTTER SHOCK, HORROR AND DISBELIEF!

But Nico's sadness quickly turned into absolute rage and anger and hatred!

Applejack: WHY THAT HEARTLESS LOW DOWN SNAKE IN THE GRASS!

Laney: Uh Nico? Are you okay?

Nico: ..I'm going to kill him.

Calamitous: Nico?

NICO THEN EXPLODED IN A MASSIVE EXPLOSION OF RAGE AND POWER! HE ROARED IN EXPLOSIVE FURY!

Nico: (IN EXPLOSIVE RAGE AND FURY!) I'M GONNA FUCKING MURDER THAT SON OF A BITCH! I'M GONNA RIP HIS LIMBS OFF ONE BY ONE, THEN I'M GONNA SKIN HIM ALIVE AND ROLL HIM AROUND IN SALT, AND THEN I'M GONNA SLICE HIM OPEN AND RIP OUT HIS ORGANS AND STRANGLE HIM WITH THEM, AND THEN I'M GONNA CUT HIS FUCKING HEAD OFF AND HE IS GONNA GO STRAIGHT TO HELL, AND THEN THE DEVIL WILL FEEL SORRY FOR HIM AFTER I'M DONE WITH HIM!

WE GASPED AND I SCREAMED AND JUMPED INTO MAY'S ARMS IN FRIGHT!

Me: MAY YOUR HUSBAND REALLY IS SCARY!

Qin: NO KIDDING!

Nico then teleported to God knows where.

Jeanne Sorensson: (to Sapphire) How about we blow off some steam to make you feel better?

Me: I guess I should have told him that her father was on Death Row in San Quentin Prison.

Sapphire Nautilus: Okay.

She got up.

Girl Jordan: First lets get you back to normal and separate you.

Leeli: Right!

Girl Jordan: Lets go Leeli.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

She glowed and Sapphire was separated from Another Dr. Robotnik!

Jeanne Sorensson: That's more like it.

Varie came and took her over.

Another Dr. Robotnik: I HATE THAT HEDGEHOG!

Jeanne: (to Sapphire) Ready to do this?

Varie: Jeanne Lets let her sit this one out. She is pregnant and has been through a horrible ordeal.

Jeanne Sorensson: You're right. Okay then.

Another Dr. Robotnik: You will not stop me from conquering Mobius.

Sonic: Bring it on Dr. Robuttnik!

Another Dr. Robotnik: I HATE THAT HEDGEHOG!

They both went at him and fired waves of energy and blasted him and then he exploded!

Nico: NOW I'M GOING TO DISMEMBER YOU ALIVE YOU SON OF A BITCH!

Nico then got out a crowbar and started beating him with it.

BLAM! BLAM BLAM BLAM BLAM BLAM BLAM!

Nico plunged his hand into his stomach and ripped his intestines!

Nico then grabbed his spine and ripped it right out of his body!

WE GASPED IN SHOCK!

Then we saw him rip out his heart!

Then Nico got out and wood chipper hand then put him in it and splattered him all over the place as a pile of pieces!

Nico: Nicole, send him to the Book of Vile Darkness. I want him to come back in the future so I can beat him some more! I'm actually disappointed this didn't last long!

Nicole: Okay.

She did so.

Me: That was brutal.

I tried to get out of May's arms but I was stuck to her.

Me: (STRAINS) Uh oh. Uh Nico I'm stuck.

Nico sighed and used Box Ghost's powers to get me unstuck from May.

RIP!

Me: OUCH!

May: OUCH!

Nico: Sorry.

I went over to Sapphire and she went and hugged me and cried hard and she was wailing hard.

Nico: We'll give those two some alone time.

Varie: Okay.

Eli: Poor Sapphire.

Qin: Yeah. And she is due any day now.

Xenia: I hope her mother is all right.

Nico: She is. I found out from the Warden that she is hiding out on an isolated uncharted island in the Indian Ocean.

Eli: Good.

Xenia: No one will ever find her there.

Nico: Yep.

Eli: Next up is Another Chain Lightning so lets call in Phoebe Miller for this.

Maria did so.

Phoebe Miller: I'm here guys.

Nico: By the way are the rest of the Another Villains friendly or hostile?

Lola Thunderbolt: Friendly. The 2 after me are gene-slammers and the rest aren't.

Nico: Okay then.

Phoebe Miller: I got some pies with your name on them!

Lola Thunderbolt: Bring it on!

Lincoln fired a beam of light and separated Another Chain Lightning from her!

Lola Thunderbolt: This will be good! (Summons Thunderbolt Sword) A STORM IS COMING!

Lincoln: Whoa, we're here in Athens, Greece, and I know what we're going to do here, not only am I going to rescue the six girls here, but we're going to face, take down, and recruit the next hypothetical Akumatized Loud Sister into The Masters of Evil, Fowl Sport, the hypothetical Akumatized form of Lynn.

Me: And from our talk with Gabriel on Easter, she's a bad sport who loves to showboat and hurt others with her monstrous strength!

Nico: This is going to be like facing off against Dark Lynn and Evil Lynn again, but on a much worse scale.

Lincoln: You said it, Nico, but we'll be ready for her. It's time we showed her what happens when she acts like a bad showboating sore loser and hurts others for her own amusement.

Polly Pain: Dark Lynn had caused everyone around her nothing but pain, and I didn't get a chance to get a shot at her, but I'll make due with getting shots at Fowl Sport.

Suddenly, a powerful flame descended right in front of Polly Pain and it transformed into Nike, the Greek Goddess of Victory, and the very deity that Polly got her powers from.

Me: Lady Nike? What brings you here?

Nike: I apologize for arriving unexpectedly, J.D., but I can already guess that you're all here to take down Fowl Sport. She's been causing nothing but pain to everyone here in Greece, and too many innocent people are getting hurt by her monstrous strength.

Polly Pain: That sore loser, don't worry, Lady Nike, we'll take care of her.

Nike: I'm glad to hear it, Polly, but you won't be doing this alone.

Suddenly, Nike turned into a flame and she went in the phoenix and Torch of Nike emblazoned on Polly Pain's forehead, and then, she was surrounded by a massive vortex of sunlight yellow energy with flames, stars, sports equipment, and rainbow lights surrounding the vortex, there are phoenixes flying around the vortex and in the vortex is a purple phoenix with red eyes glaring at Fowl Sport: the red eyes of death. Then, as the vortex faded, Polly Pain emerged, but she was changed forever.

Polly Pain remained tall at 7'5" in height, she has the body of a goddess, she has purple highlights in the bangs of her long dark brown hair, she has neon purple eyes and a sunlight yellow energy aura with rainbow lights, flames, stars, and phoenixes surrounding her, she has a phoenix and the Torch of Nike emblazoned on her forehead with Third Eye with purple iris, she has on phoenix earrings with purple gems for eyes and holding the Fire and Eternity Kanjis in its claws, she also has a phoenix with purple gems for eyes and holding the Fire and Eternity Kanjis in the claws on the bottom of her purple phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love with purple crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Polly Pain has on a sleeveless yellow tank top, purple short, pink sneakers, she has on large gold metal bands with purple gems on her biceps and thighs, and long sleeveless white trenchcoat with rainbow lights, flames, stars, and phoenixes on the coattails, and on the back is a phoenix surrounded by flames, rainbow lights, and stars. Suddenly, Polly Pain felt a sharp pain on her back, and then, massive dark brown angel wings with purple tips on the feathers grew and sprouted out from her back, and she now has eleven massive and long dark brown wolf tails with purple tips and purple markings, Polly Pain has on her Ring of the Phoenix with purple gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Polly Pain's newly forged greatsword and all the greatswords and swords that she'd gotten began to merge together and they're surrounded by a kaleidoscope of sunlight yellow energy, flames, rainbow lights, sports equipment, stars, and phoenixes, and when it emerged, it transformed into Polly Pain's Athletic Solar Flame Cosmic Greatsword of Athletic Solar Flame Phoenix Nike's Justice, it's a brand-new massive greatsword with embedded rainbow gems and purple etchings and a phoenix and the Greek Goddess of Victory, Nike, etched on the 7'3" massive, wide, double-edged purple blade, large yellow phoenix heads for the crossguard, large white angelic faces built into both sides of the hilt with rainbow gems embedded in the foreheads, longer midnight black handle, four large purple phoenix heads with rainbow gems in their mouths and a large purple phoenix head with a yellow gem in its mouth below the large phoenix heads for the pommel. There's a purple kanji below the phoenix that said, "Polly Pain, Best Friend of Lynn Loud, Margo Roberts, and Paula Price, Member of The Gotham Royal York Roller Derby, Good Sportswoman and Talented Athlete, Despiser of Killjoy Huggins, Dark Chandler and His Minions, And The Rest of Lincoln's Enemies, Loving Future Wife of Lincoln Loud, Destroyer of Frejya Jordan of The Legion of The Lincoln-Haters, Emissary and Champion of Nike, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, and Master of Fire, Light, Stars, and Phoenixes"

We were amazed by Polly Pain's Super Angel-Phoenix-Harmony Universal Eternal Celestial Xelnaga transformation, and when

Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding.

Polly Pain: (Divine Godly Cosmic Voice of The Athletic Cosmic Nike Solar Firestorm Phoenix Angel and Divine Solar Cosmic Athletic Solar Nike Solar Firestorm Phoenix Love) Incredible, Nike has suddenly connected with me, and I feel even more stronger than ever.

Lincoln: When she made that spiritual connection with you, that connection automatically triggered your transformation and you ascended even more, Polly. Fowl Sport's in a world of trouble now.

Darren Arcangela: Indeed she is. Oh, J.D., can you unholster Phoenixcalibur for a second, I want to show you guys a little something.

Me: Uh, okay, Darren.

I unholstered Phoenixcalibur from my back, and then, Darren took out his dagger and he slit his left palm with it.

Nico: What are you…?!

Darren Arcangela: It's okay, Nico. Just keep looking.

Then, a drop of Darren's blood dropped from his hand and onto the 7'5" massive, wide, double-edged blade of Phoenixcalibur. Suddenly, Phoenixcalibur and all the greatswords and swords I'd gotten in the past treasure battles began to merge together, and they're surrounded by a massive kaleidoscope of rainbow and aura energy, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, and Aurora, and when it emerged, it was transformed into J.D. Knudson's Universal Eternal Celestial Cosmic Elemental Wolf Moon Phoenix Greatsword of Universal Eternal Cosmic Elemental Wolf Moon Justice, it's a brand-new massive greatsword with large gems of many shimmering colors and The Unity Gems embedded and the symbol of The Wolf Moon Phoenix etched on the 7'5" massive, wide, double-edged golden blade, large golden wolf heads with rainbow gems for eyes for the crossguard, large white angel faces built into both sides of the golden hilt with large rainbow gem embedded in its forehead and surrounding the angel faces are the Elements of Harmony and Unity Gems, longer midnight black handle, four large golden phoenix heads with colored gems for eyes, and large golden wolf head with rainbow gem in its mouth for the pommel.

We were absolutely amazed: a drop of Darren's blood gave Phoenixcalibur a serious upgrade as it made all the greatswords and swords I'd gotten in the treasure battles merge together.

Nico: That's so awesome! But, are you going to be okay, Darren?

Darren's hand healed as the wound closed up.

Darren Arcangela: Yeah, I'll be okay, Nico. Now, then, let's get after Fowl Sport before she hurts yet another innocent bystander.

Lincoln: Right.

Levi: Even if we find that overly-aggressive animal, how do you even propose we stop her?

Sebastian Mendez: Watch the condescending remarks, Levi. Lincoln already knows what to do with her because of his experience wrangling Lynn in.

Suddenly, we saw another Spyro appear before us, and with it are the six girls.

Nico: What the?! Am I seeing double, there's another Spyro?!

Spyro: It's not Nina Nefertiti since she's with us and I'm here with you.

Spyro: (Girl's voice) Sorry about the scare, but I had to get the girls away from that overly super aggressive animal before she broke their limbs.

Lincoln: (Gasps) That voice, Marie MacDougal, I knew it was you.

Spyro: What, Marie's here?! Oh man, I should've known it was her.

Crash Bandicoot: The Master of Magic herself, I knew she'd be here.

Suddenly, we heard a loud and thunderous roar of anger echoing in the air.

?: YOU CHUMPS ARE GOING TO PAY FOR GETTING MY TEST DUMMIES OUT OF THE WAY OF MY FIST!

Suddenly, we saw a figure heading our way: it was Fowl Sport, the hypothetical Akumatized form of Lynn Loud, but Fowl Sport's a musclebound girl with red eyes and red sclera.

Lynn: (Gasps) So, that's Fowl Sport?! She's exactly what I could've become during the fight to stop Gabriel years ago.

Fowl Sport: You weak chumps are going to pay for getting my "sparring" partners out of the way!

Lincoln: What you consider fun, I consider nothing but sheer violence. You're nothing more than a rabid dog who needs to be put down!

Fowl Sport ran at Lincoln, and she began throwing punches and kicks at him, but he dodged them all with ease.

CLANG!

Fowl Sport punched him in his eight-pack abs, but big mistake: her hand became red and swollen.

Lynn: (Smirks) (Laughs) You made a big mistake, my bro's got the massive muscular body of a God and bodybuilder with solid upper and lower body muscles that look like they're made of the strongest steel and metals combined.

Nico: And look at that, you bruised your hand when you punched his abs.

Sylvester: As much as I want to kill you, I can't. But, I can settle with putting you in a cage!

Sylvester unholstered his Sylvester's Blood-Soaked Vampiric Demon Darkness Greatsword of The Dracul and transformed into Super Angel-Cat-Vampire-Acme Dark Knight-Harmony Universal Eternal Celestial Xelnaga Darkness Looney Tune Feline Demonic Darkness Vampire Cat Angel of Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Justice and Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Death.

Fowl Sport got so extremely angry, she beat her chest like a gorilla and roared like an animal, and she went at Lincoln again, but he responded in kind by putting that animal in an armlock, and he applied all his strength into it.

Fowl Sport: Okay, okay, I give, I give!

Lincoln let go of Fowl Sport, but not knowing when to give up, she ran at Lincoln again, only for him to fire waves of ladybugs and red fire at Fowl Sport which exploded with incredible power as they hit her, and she was knocked out, tied up, and sent to The Masters of Evil. We cheered as we holstered our weapons and powered down.

Lincoln: That'll teach you, you aggressive animal.

Twilight Sparkle: If she even had a castle, it would've stunk like a gym bag.

Lincoln: Yeah, and we would've needed gas masks to stay awake inside that castle, but she didn't have a castle, but either way, that's another hypothetical Akumatized Loud Sibling recruited into The Masters of Evil and only five more to go. (To Marie MacDougal) And it's so good to see you again, Marie MacDougal.

Marie MacDougal reverted back to normal, and she's a beautiful girl with long purple hair with magenta streaks, purple eyes, she was tall at 6'11" in height, she has the body of a goddess, and ample breasts, fair skin, she has massive and beautiful purple angel wings, she's dressed in a short-sleeved purple blouse, sleeveless purple top, purple skirt with the Magic Skylanders logo on it, black pants, purple knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with magic, sparkles, elemental forces, dragons, and angels on the coattails and on the back is Spyro and on top is the symbol of The Magic Skylanders, and holstered on her back is a massive Spyro-themed greatsword with embedded magenta gems and Spyro etched on the 7'0" massive, wide, double-edged purple blade, large purple dragon heads for the crossguard, large white angelic faces embedded on both sides of the hilt with magenta gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large red gem on the bottom of the large white angel heads for the pommel.

Marie MacDougal: You too, Lincoln, it's been a long time, and it's good to see you again, Spyro.

Spyro: You too, Marie.

Lincoln went up to Marie MacDougal and he hugged her, and Marie MacDougal is is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Marie MacDougal: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'9" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Marie MacDougal, Gene-Slammer of Spyro, she's my Guardian Angel and Master of The Element of Magic, and we're also in for a huge surprise, Marie MacDougal's among the first humans who were actually born in The Skylands and grew up there under the guidance of Master Eon and the Skylanders.

May: Just like what you told us yesterday, that's really awesome!

Qin: It sure is.

Lincoln: And as she grew, Marie discovered that she's a master of the Element of Magic, one of the Ten Elements of The Skylands, and she trained a lot under the tutelage of Master Eon and the Magic Skylanders and she proved to be quite the master of magic and elemental forces. She had left The Skylands and moved to Royal Woods, Michigan, and this is way before Kaos, The Dark Portal Master, had launched his hostile takeover of The Skylands. Marie and the others really hated that world-conquering warlord, and Marie formed and became the leader of a very massive and very powerful coalition called The Skylanders Liberation Coalition, a coalition formed for the one purpose: to free The Skylands and make Kaos pay for all his crimes against Skylands and against all The Skylanders.

Nico: That's really powerful.

Me: Yeah, and I remembered her all too well. And after we freed The Skylands from Kaos and The Skylands merged with our world, The Skylanders Liberation Coalition had become part of The Earth-Skylands Federation. Plus, we also saw that she fell in love with Lincoln when they first met, and she really trained him intensely on how to use the element of Magic, and she also had the additional help of Spyro and the other Magic Skylanders, who really helped Lincoln in advancing his training in mastering the element of Magic, and over time, he really proved to be a master and at the same level as Marie MacDougal.

Luna: It was so awesome, and though she hates Kaos with a blazing passion for all his crimes against Skylands, there's one person Marie hates with a passion ever since she came to Royal Woods: and that person is Lori, and Marie has more than once used her skills in Magic to put Lori in her place and caused a ton of magic mischief on that bossy, out-of-control, immature control freak witch, but the one thing I could never forget was how she told her off.

Eli: What did she say to Lori?

Crash Bandicoot: I can fill that in, Marie MacDougal said Lori's a control freak, that she's as cuddly as a gargoyle, and even worse, she also said that Lori has the fashion sense of a druid!

Everyone who wasn't with us on that day gasped in shock!

Nico: She said all that to Lori?! WHEW, oh man, she must've set off big time when she said it.

Me: She did, and that really set Lori off, and right before she could kill her, Lincoln saved her by firing a blast of magic at Lori freezing her, and Marie went over to Lincoln and they kissed on the lips and right in front of Lori, who was left steaming with rage and wanting revenge, but Lori got busted by her parents who saw what she tried to do and she also got grounded big time.

Twilight Sparkle: And it's really incredible to meet you.

Marie MacDougal: You too, Princess Twilight.

Me: Twilight Sparkle's not only the Princess of The Magic of Friendship, but she's also the Princess of The Magic Skylanders, and she's also one of Lincoln's many future wives.

Marie MacDougal: I knew Lincoln would wind up getting a harem one day, and over time, that harem has grown completely.

Girl Jordan: And he's also a father of many children.

Marie MacDougal: Just like his Dad, and I've got a story on how Lincoln and I had a first date at Lake Huron, and it's after he saved me from Lori. (To Lincoln) Oh, Lincoln, there's something I also want to give you.

Lincoln: Let me guess, you want to give me your blood, right, Marie?

Marie MacDougal: How'd you guess what I was about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Marie MacDougal: I knew it, you marked them and fed on their blood, along with acquiring their powers as well, I knew that was coming since you'd done that more than once when he got brutally injured by Lori, Lynn, Lola, Lisa, and Luan more than once.

Lincoln went up to Marie MacDougal, and he hugged her in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Marie MacDougal: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Marie MacDougal's neck with purple gems on the gold lightning bolts and magenta crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Marie MacDougal: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Marie MacDougal.

Marie MacDougal had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw who they were, he immediately recognized them. The six girls are Ayano Yamada, Ichiru Mishima, Miya Goto, Momoka Fujimiya, Sayo Tomoe, and Yui Ooki from Keetai Girl.

Lincoln: Oh wow, it's Ayano Yamada, Ichiru Mishima, Miya Goto, Momoka Fujimiya, Sayo Tomoe, and Yui Ooki from Keetai Girl.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Ayano Yamada: Yes, we're okay, thanks to you.

Ayano Yamada: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Ayano Yamada: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ayano Yamada, Ichiru Mishima, Miya Goto, Momoka Fujimiya, Sayo Tomoe, and Yui Ooki with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team was shocked to find out the villain we went after was Fowl Sport, the hypothetical Akumatized form of Lynn Loud.

But, when Lincoln showed what happened such as all of us giving Fowl Sport the beatdown of her life and Fowl Sport breaking her hand when she punched Lincoln on his eight-pack abs, and finally Lincoln putting her in a painful armlock, and she said she gives, but she faked it and ran at him, but he turns and he blasted her with red fire and ladybugs which knocked her out, tied her up, and sent her to

The Masters of Evil's HQ, everyone cheered and hugged us and Lincoln's harem kissed him all over. Lincoln and Marie MacDougal have a lot of catching up to do, now that she's back in town.

Maria: Dang, you guys really laid quite the beatdown on Fowl Sport. Plus, Polly ascended even more and your Phoenixcalibur gained a serious upgrade and transformation when Darren's blood hit it.

Me: It sure did, and Fowl Sport didn't stand a chance against us nor against Lincoln.

Lincoln: That sore loser got her just desserts and we sent her to Vypra.

Polly Pain: She'll keep her in line.

Margo: After everything Dark Lynn's done to us in the past, Vypra's showing her no mercy at all.

Paula: And it felt good to get payback on Dark Lynn by beating Fowl Sport up, glad we got that out of our system.

---

After taking down Fowl Sport, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Marie MacDougal saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Marie MacDougal: My God, I was right that Lincoln's really grown into a 17-year-old, 7'9" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Marie, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Marie MacDougal: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Marie MacDougal: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Marie, what's the story on yours and Lincoln's first date at Lake Huron, and you said it was right after he saved you from Lori who was about to kill you after you told her off?

Marie MacDougal: Oh, you're going to love this.

Marie MacDougal pulled up the video as it played on the big screen, and we saw Marie MacDougal standing in between Lori and Lincoln was beside her, and Lori was steaming mad and her eyes were red with hatred.

Past Marie MacDougal: You've gone too far in trying to hurt your little brother just because he's not going to do any of your dumb bidding, but you know what, you've been asking for it for a long time, you've criticized your brother many times and you've shown absolutely no remorse for any of your insidious actions, and now, you're going to get some of my criticism. You're a control freak, you're as cuddly as a gargoyle, and you have the fashion sense of a druid!

We gasped at her harsh words.

Nico: Damn, now that was harsh!

Me: Varie and I still remembered those harsh words she said to Lori, and man, did they sting!

We continued watching the video, and then, we saw Lori's face turn boiling red and her mouth turn into fangs, and she went outright ballistic and charged at Marie MacDougal to kill her, but Lincoln fired a blast of magic at Lori, and it froze her in her place.

Past Marie MacDougal: Lincoln… , you saved me?

Past Lincoln: I wasn't going to let Lori kill you, Marie.

This made Marie MacDougal smile, and she went up to Lincoln and they kissed on the lips while Lori could watch seething with rage.

Past Rita: Kids, why don't you go out and have fun, I've got a few harsh words to say to my "mature" daughter.

Past Lincoln: Okay, Mom. Let's go for a swim at Lake Huron.

Lincoln and Marie grabbed some beach stuff and they went off to Lake Huron and leaving a frozen Lori to face her doom. Then, the scene transitioned to Lake Huron and Lincoln was wearing orange swim shorts and Marie was in a purple two-piece bikini, and they were swimming and having fun in Lake Huron, then, they shared a romantic kiss as the video ended.

Nico: Wow, now that's what I call an awesome date!

Me: It was really awesome, and as for Lori, she got grounded for nine weeks, and worse, she tried to force me and Varie to help her take revenge on Lincoln, and we told her these words: "Not a chance in Hell, Loud!", and we threw Lori in a cage and slammed the cage door behind her. Then, Lori lost it as she went batshit crazy screaming and shrieking like a banshee.

Eli: JEEZ!

Qin: Lori Loud, of all the idiotic immature bone-headed things you've ever done because of your Dark Side, trying to force J.D. and Varie to help you take revenge on Lincoln for something that's your fault, that is by far the lowest! I ought to swat your behind with a paddle until you have a bad case of Baboon Butt!

Nico: Now, now, Qin, we saw that J.D. and Varie refused to do so, and what they did in throwing Lori in a cage and closing it proves their love for Lincoln can never be messed with.

Luna: And seeing her go crazy like that, she made a really big mistake, dude.

We got a shower, and then, Lincoln, Pink Pearl, Yellow Pearl, Blue Pearl, DC SHG Star Sapphire, Rose Wilson A.K.A. Ravager, Gusty the Great, and Aligned Slipstrike / Slipstream are heading to Seaside Hill.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'9", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories,

and he had his weapons holstered in case of trouble.

And Pink Pearl, Yellow Pearl, Blue Pearl, Star Sapphire, Rose Wilson A.K.A. Ravager, Gusty the Great, and Aligned Slipstrike / Slipstream were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Pink Pearl, Yellow Pearl, Blue Pearl, DC SHG Star Sapphire, Rose Wilson A.K.A. Ravager, Gusty the Great, and Aligned Slipstrike / Slipstream fell in with Lincoln, and he also fell in love with them as well, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant, but they also got to keep their heads up, they got word that Arleth Presley has sent some thugs to kill them.

Anan Kurose: Whoa, so our first date's here in Seaside Hill, nice.

Lincoln: I knew that you, Yellow Pearl, Blue Pearl, Star Sapphire, Rose Wilson A.K.A. Ravager, Gusty the Great, and Aligned Slipstrike / Slipstream would love it, Pink Pearl, and it's perfect for our first date, but we also got trouble: Arleth Presley has sent some thugs after us as well. Shall we?

Lincoln, Pink Pearl, Yellow Pearl, Blue Pearl, Star Sapphire, Rose Wilson A.K.A. Ravager, Gusty the Great, and Aligned Slipstrike / Slipstream dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Pink Pearl, Yellow Pearl, Blue Pearl, Star Sapphire, Rose Wilson A.K.A. Ravager, Gusty the Great, and Aligned Slipstrike / Slipstream got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw Arleth Presley's hired thugs coming after them, but Lincoln fired blasts of blood red energy which hit them and he sucked out all their blood and energy and killed them and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Pink Pearl, Yellow Pearl, Blue Pearl, DC SHG Star Sapphire, Rose Wilson A.K.A. Ravager, Gusty the Great, and Aligned Slipstrike / Slipstream, and they hugged the girls in their abnormally massive and powerful muscular arms, and Pink Pearl, Yellow Pearl, Blue Pearl, Star Sapphire, Rose Wilson A.K.A. Ravager, Gusty the Great, and Aligned Slipstrike / Slipstream placed their hands on the massive pecs of Lincoln and his clones, then they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Seaside Hill, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Pink Pearl, Yellow Pearl, Blue Pearl, DC SHG Star Sapphire, Rose Wilson A.K.A. Ravager, Gusty the Great, and Aligned Slipstrike / Slipstream with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Pink Pearl, Yellow Pearl, Blue Pearl, DC SHG Star Sapphire, Rose Wilson A.K.A. Ravager, Gusty the Great, and Aligned Slipstrike / Slipstream are now in your harem.

Jenna: Flip has got some nerve trying to kill them, that cheapskate's just making things much worse for himself.

Serena Logan: Even after all this time, Flip's still the same mutant cheapskate he's always been.

Lincoln: And we also had a run-in with Arleth Presley's hired thugs, but I killed them all, and she should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Arleth Presley scream with extreme hatred and rage.

Maria: Yeah, up yours, you monster bitch!

Carmen: Sheesh, those monster bitches just don't even know when to quit.

Nico: Serves her right, but she'll get hers later on today.

Me: They sure will, those monster bitches have gotten on our nerves five years ago, and now, they're going to pay dearly for everything they've done.

Lincoln: You got that right.

* * *

Later it was time for Julie's 3rd mission.

William: Anyone else want to go with Julie? Besides Sonic and Turbo?

Me: How about Sakura my sister comes with?

Nico: Okay. Anyone else?

No one answered.

Nico: All right lets go.

We were off to Ringworld.

* * *

We arrived.

Sarge: Hey guys!

Me: Hey everyone.

Julie: Guys, meet Sonic the Hedgehog and Turbo.

Sonic: Awesome to meet you. Sonic the Hedgehog, leader of the Anti-Robotnik Freedom Fighters.

Turbo: I'm Turbo the Fastest snail in the world.

Nico: Yep.

Zipp Storm: It's true and I am a fast one.

Devon: I can only use my powers when I'm morphed.

Nico: It's true.

Julie: But it's awesome.

Grif: Now, before we go into the target for today, we need to solve an important mystery.

Nico: What's that?

Grif: I ordered a large pizza yesterday. When I woke up this morning, it was gone! Meaning someone who lives on this base ate it!

Church: Grif, I don't think this is the time-

Grif: OF COURSE IT IS! YOU DON'T MESS WITH A MAN'S PIZZA! Now, who did it?!

Sakura Knudson: He sure likes pizza doesn't he?

Me: Yes he does.

Eli: Can't eat enough of it.

Sonic: Just like how I love chili dogs so much.

Devon: That's funny.

Grif: (to Us) It obviously wasn't any of you guys since you just arrived here.

Me: No it wasn't.

Eli: Lets see.

He concentrated.

Eli: AHA! Donut ate the pizza.

We saw Donut had some pizza sauce on his armor

Donut: I forgot to wash that off!

BUSTED!

Nico: Uh oh.

Grif: YOU THIEF!

Donut: I'm sorry, Grif! The pizza was so good that I just wanted a bite!

Grif then pulverized Donut all over the place in a brutal fight cloud!

Sarge: STOP THIS SOLDIERS!

Eli: I got this!

Eli went and grabbed them.

Eli: Pardon me guys but I must discipline the nannygoats!

BLANG!

He bashed their heads together!

Donut and Grif: OUCH!

Me: All this over pizza?

Grif: You know what, Donut? Apology accepted.

Donut: Really?

Grif: Yes.

Me: Good.

Sarge: Anyway, our target today is South Dakota.

Grif: You guys are not going to like her.

We were told all about her.

---

Freelancer Agent South Dakota, often referred to as simply South, is an agent in the Special Operation's program Project Freelancer, as well as the Special Operations Recovery Unit, with her call sign being Recovery Two. She serves as the hidden secondary antagonist in Recovery One, a minor antagonist in Reconstruction and a main character turned antagonist in the Project Freelancer Saga.

South and her twin brother, North Dakota, were part of an experiment to see how one agent who did not receive an A.I. would react.

She was voiced by Shana Merlin.

North and South were both part of a superfluous experiment to study what would happen if one agent received an A.I. while the other did not. Being that they were twins, they were the ideal subjects for said experiment. In addition, with being both siblings and participating in a specific experiment, it is most likely they were assigned their respective code names to colloquially refer to them and the experiment as "the Dakotas." The result of the experiment was South betraying her brother, allowing The Meta to kill him, due to her jealousy of his A.I. South later regrets her action as she wonders how she'll be able to continue on without him. She is often shown in the series as being a smart aleck, jealous, and traitorous.

During their early time at Project Freelancer, South and North Dakota are sent to the Bjørndal Cryogenics Research Facility to recover a data file from the Insurrectionists. South goes in to recover the file while North provides reconnaissance. South skillfully infiltrates the command center and recovers the needed file; but things go awry, however, when the body of a dead guard accidentally hits an alarm, alerting the entire facility of North and South's presence. As a result, South and North make their way to the helipad for extraction, killing anybody that gets in their way. However, once they reach the helipad, they find they are surrounded by Insurrectionists.

Surrounded, Freelancer Carolina, who was sent to their aid, revealed herself and aided South and North in dispatching all the guards. While fighting, the Demo Man grabs a turret attempts to shoot South, but North intercepts and gets injured instead. At that moment, the three are extracted from the area by a pelican waiting for them. With the data file successfully captured, the Freelancers escape the facility. However, as they flee, several enemy Longswords pursue them in an attempt to prevent their escape. As the ship dodges incoming attacks, South is constantly knocked against the walls of the ship, and is knocked unconscious.

As North was temporarily recovered, he strapped her into a seat, before leaving to fend off the Longswords. The pelican managed to destroy the two Longswords with help from a Project Freelancer frigate, the Mother of Invention, which opens up its landing bay for the pelican to land. Later, all three soldiers are briefed on what the data chip contained. Afterwards, the Director orders the Counselor to update the board, putting South in 5th place and North in 4th. Enraged by this change, South demanded to know why the change was necessary, to which the Director claimed that one of the mission objectives involved stealth, something that South failed to execute.

South was seen watching a battle between Wyoming, York, and Maine, against Tex, where she corrects Wash on Tex's gender after the latter assumes Tex to be a male. She then made a comment about Tex rivaling Carolina for top Freelancer, causing Carolina to insult her, telling her to watch the fight as she may learn something. Later, she is yelled at by the Director, along with everyone else who was watching. South, due to the results of her previous mission, was not allowed to accompany her brother on the mission for the Sarcophagus.

The Freelancers then fly through space and enter the main hangar of the spacecraft, eliminating every soldier they see. South works alongside her brother North to fight off the Insurrectionists. After the battle, South is ordered to access the "Leader's" location and then informs Carolina that the Leader is hiding out in Bone Valley. She leaves with the rest of the team, minus C.T., to go to their extraction so they can go to Bone Valley. While they are flying back, the Staff of Charon attacks the Mother of Intervention and, as it is leaving, leaves behind a nuclear device. South and the rest of the team make it aboard the Pelican safely before it detonates.

After the mission, she is seen along North, Washington and York meeting Theta, North's A.I., though she makes no effort to appear friendly to Theta. Later, she and the other Freelancers are seen learning A.I. theory, though she is visibly uninterested and questions why she needs to take part, as she has not been given an A.I. She is openly hostile and antagonistic throughout the class, making sarcastic and contemptuous remarks towards Carolina and Maine, and offending Theta and Delta by comparing them to household appliances.

Sometime later, South, along with Carolina, North Dakota, Washington, and York, was sent on a mission to the Longshore Shipyards to find C.T. When the Freelancers arrive, they immediately attack, with South taking cover from behind a Warthog with her brother North. With the help of Theta, the twins managed to eliminate a group of Insurrectionist snipers. South is later seen with North and Maine watching the Insurrectionist Leader's ship escape the Longshore Base.

After the mission, South was scheduled to receive either units Eta or Iota for A.I. implantation. However, because agent Carolina demanded for both A.I. units, South's scheduling, along with Washington's, was pushed back in order to implant the two A.I. into Carolina. This led to South having a temper tantrum in the locker room, where she punched Tex's locker in a bit of rage, breaking the name tag as well. South angrily leaves the locker room after a brief confrontation with Tex. Several days later, after Carolina's incident, Tex informs North that South has petitioned for one of Carolina's A.I., and then tells him to keep an eye on her.

When Wash recovers from his breakdown of Epsilon, South snaps at him for halting the A.I. procedures and informs him that Tex went rogue and attacked Wyoming. When North expresses his doubt over Tex actually doing this, South retorts that he's not sure. When Tex begins her assault against the Director's forces, South appears with a Missle Pod and attempts to kill Tex; but North intervenes. He eliminates her rockets with a pair of sniper rifles. Outraged, South retorts that Tex is a traitor and asks him what side he is on. North has Tex leave the room while he and his sister have a "little chat". The two siblings then begin to fire on each other.

After the break-in, South and North joined the Recovery team. While operating for the Recovery team, South and her brother ran into The Meta, who was hunting down other Freelancer agents to steal their A.I. and armor enhancements. The twins engage in a shootout against The Meta, but he is able to outmatch them, which leads South to betraying her brother. She turns her brother to The Meta in exchange for her own life and is knocked out and left behind by The Meta after he kills her brother. Agent Washington later finds her and her deceased brother and, after disposing of North's body, takes her with him in order to set up a trap for The Meta. Delta is implanted into South in order to attract The Meta, who takes the bait and attacks them.

Washington attempts to fight off The Meta and asks for South's assistance; however, since she'd already gotten what she wanted, South betrays Washington and shoots him in the back. She then lies to The Meta and tells him she put explosive charges on Washington in order to convince him to search through Wash's body while she flees. After her escape, South contacts Freelancer command and informs them that she has accomplished her mission by recovering Delta. However, when asked to return the A.I. to base, South refuses, claiming that since she has her own A.I. she no longer needs Project Freelancer. An arrest warrant is issued for South and she has officially gone rogue.

South's first appearance during the Recollections was at the end of Reconstruction Chapter 4, when Agent Washington is leaving the base that Church was stationed. South comes out of some rubble and watches Washington leave. Delta then appears beside South mentioning that if he and South were tracking Washington, someone else likely was as well. Soon afterward, The Meta attacks her. In Reconstruction Chapter 6, Washington, Church, and Caboose come to South's aid.

She originally intended to abandon Delta in order to save herself from The Meta, but as she is about to leave, two Mongooses carrying the three other soldiers come flying out of nowhere and cause The Meta to escape. Church uses Caboose's habit of friendly fire to stop South from escaping by telling Caboose to "help" her. This results in Caboose shooting South, causing her to collapse on the ground. After the fight, Wash and the Blues discover South Dakota was crippled by Caboose's friendly fire.

Following this, Washington transferred Delta into Caboose as Delta informed Washington of South's plan to abandon him to The Meta to save herself. Delta also revealed that South had also sacrificed her brother North in a similar fashion, and combined with her injuries and the likelihood of her betraying them, prompt him to suggest that they should not let her "hamper our progress." Washington then immediately points his pistol at South. South mockingly expresses doubt that Wash would kill a person in cold blood, only for Wash to shoot her in the head mid-sentence.

Following her death, Washington destroys her corpse by first blowing it up, then by shooting at it, then by using a flamethrower to incinerate whatever is left, then blowing her up again. He then he pins the blame on Caboose who, due to already being registered by Freelancer command as a team killer (them having a shortcut on their keyboard to report his team kills) is believed and gets away scot-free.

When he was done we were shocked!

Nico: She'll be another MOE recruit.

Me: Yeah after we rough her up.

Eli: Yep.

Nico: It will be fun.

Twilight Sparkle: And fun.

Nico: Where is she right now?

Sarge: In the mountains over there.

He pointed to the mountains.

Me: Over there huh?

Eli: I sense her.

Nico: This is gonna be fun.

Julie: Let's get over there.

We were off.

Me: Hope you're ready South Dakota.

Nico: Yeah.

Devon: Activate Beast Power!

He transformed!

Devon: UNLEASH THE BEAST!

Nico: Yeah!

We arrived and saw SOUTH DAKOTA!

Me: There she is.

We went at her.

South Dakota: The Reds and Blues. So nice to see you all again. And I see you got new friends.

Tex: That's right bitch! We did.

Me: And you are about to get a massive buttkicking!

South Dakota: You known who you're up against boy!

Me: I know exactly what I'm up against and let me tell you, I'm going to bash your brains out.

Tex: That's right you bitch! So you better surrender if you know what's good for you.

South Dakota: Think you're so fucking tough, don't you, Texas? Well, let me ask you something: who's the monster now, bitch?

Me: Not you that's for sure.

South Dakota: The Reds and Blues. So nice to see you all again. And I see you got new friends.

Tex: That's right bitch! We did.

Me: And you are about to get a massive buttkicking!

South Dakota: You known who you're up against boy!

Me: I know exactly what I'm up against and let me tell you, I'm going to bash your brains out.

Tex: That's right you bitch! So you better surrender if you know what's good for you.

South Dakota: Think you're so fucking tough, don't you, Texas? Well, let me ask you something: who's the monster now, bitch?

Me: Not you that's for sure.

Turbo: Time to do this!

South Dakota went silent for a minute before laughing.

South Dakota: (laughs) Oh, what's this? You guys sent a cute little snail. What's he gonna do? Slither all over me?!

Turbo: (gets out Savitar's Zecter) I'm no ordinary snail!

He zoomed really fast and activated Savitar's Zector and bashed and blasted her all over and smashed her down!

Me: Not a fan of escargot are you?

Sakura Knudson: How do you like this!?

She ran fast and kicked her in her chest and punched her in her face and kicked off her helmet!

Nico: YEAH!

Sakura kicked her in her stomach and punched her in her face and knocked her into a rock! South Dakota got up and she was pissed!

Sarge: Wow your sister is an awesome fighter.

Me: She learned a lot over the last 10 years since she was away.

Eli: Yep.

Sonic: (gets out Broodals' Zecter) My turn!

Sonic activated it and zoomed fast and slashed and bashed South Dakota all over.

Sakura Knudson: Take this!

She dealt a powerful roundhouse kick to South Dakota's face and knocked out some of her teeth.

Nico: (gets out Calamitous and Gizmo's Ridewatches) Time to get smart about this!

Nico activated them and fired waves of Futurecannon Laser Blasts and they hit South Dakota and exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was blasted down!

Nico: YEAH!

Me: Nice shot!

Sonic: Now I'll show you!

Sonic gathered the Chaos Emeralds and became Super Sonic.

He was surging with intense power!

He ran fast and bashed her down with devastating force!

SMASH!

Me: NICE!

Eli: Yeah!

Grif fired at her.

He blasted her all over.

Nico: Time for some fire power!

He fired waves of fire and blasted her all over.

Me: UP OVER AND GONE!

ZOOM!

I ran fast and bashed her all over and left rainbow trails all over with each punch.

Tex punched her some more.

POW BLAM BLANG SMASH!

Tex: TAKE THAT BITCH!

BLAM SMASH BLAM!

Me: Take this!

I fired blasts of fire and blasted her all over.

Eli fired waves of Force Lightning and electrocuted her all over.

Then an Amoonguss came!

Nico: An Amoonguss!

Caboose: Look! A mushroom!

Amoonguss: (In a girls voice) I'm not just a mushroom!

Nico: Giselle Amorbus!? Wow!

Amoonguss: I got this clod!

She fired waves of energy and blasted her down and we tied her up.

She reverted back and she was a girl with red hair and had red clothes and she had a mushroom tattoo on her right arm.

Nico: Yeah!

Grif: Got any favorite memories of Nico?

Giselle Amorbus: When me and Nico made mushroom soup for a queen bee bitch we hate and she ended up releasing explosive diarrhea all over the classroom.

Me: (LAUGHS) That is funny!

Eli: Spiked it with heavy duty laxatives?

Giselle Amorbus: Yep. That was funny.

Grif: (LAUGHS) Funny.

They hugged.

Nico: I really missed you.

Giselle Amorbus: Me too Nico. Me too.

We later went back home.

* * *

We arrived.

May: Hey guys. How did it go?

Me: Really awesome!

We told everyone everything and it was awesome.

Lola: WHOA! That is cool!

Nico: Yeah!

May: Next time, TJ, Maggie Peyton, Herbie, and the rest of the Underground Girls should go with you.

Nico: Good idea.

Julie: Yeah!

Me: Yep.

Later we were at the park relaxing.

Me: Ahh. Sure is an awesome day.

Lupe Toucan: Sure is a beautiful day out, huh?

Me: You said it.

Qin: Yep.

Nico: Nothing can ruin this moment.

?: (ENRAGED SCREAMING) J.D. KNUDSON!

Nico: Or maybe not.

Me: Uh oh.

We got up and we saw a girl that had a red prison jumpsuit and she had brown hair and had eyes blazing red with intense fury!

Me: Donna Sells!

Donna Sells: YOU RUINED MY LIFE J.D.! I WILL KILL YOU IF IT'S THE LAST THING I DO!

Me: You just never learn do you.

Nico: You know her?

Me: Unfortunately yes and I wish I never did. Years ago she was a queen bee girl that hated me with a ruthless vengeance. She did everything she could to break me but it wasn't enough. She did so many despicable things to set me off and get back on top but I constantly was always 20 steps ahead of her. But the straw that broke the camels back was when I caught her picking on the disabled and I recorded it and sent it to the principal and posted it all over social media. The entire school saw it they were outraged and because of that they all turned against her in a heartbeat! The entire school saw what she really was and everyone told the principal that she was a selfish, manipulative, heartless, sociopathic, conniving, gold-digging shrew and a heartless bully. She was made an outcast for it in minutes and she was not only expelled but when her parents found out, they were shocked and horrified and they called her a Spawn of Satan. She was disowned and disinherited from their family's fortune and sent to juvie and then permanently sent to a boarding school in up in Alaska. Her father and her sister moved to Hawaii. They we so disgusted with Donna's behavior that they burned all her stuff and made her a forgotten memory.

Everyone gasped!

Donna Sells: I HATE YOU SO MUCH J.D! I HATE YOU! I HATE YOU! I HATE YOU! I HATE YOU MORE THAN LIFE ITSELF!

My aura flared up with explosive force!

Woody Woodpecker: Picking on disabled people is low!

Me: Yep. And now I'm going to do something I should have done 12 years ago!

Nico: You don't mean!?

Me: Yep. I'm going to kill her!

Sakura Knudson: I remember this bitch! Been a long time Donna!

Donna Sells: Sakura Knudson!? You're alive! I thought you were dead!

Sakura Knudson: So did everyone else! But I wasn't. And bro is right! Now we're going to rip you apart!

Eli: Yeah! You make me sick!

She went at me roaring at the top of her lungs and she had a dangerous looking knife in her hands and she was going to stab me! But then I kicked it out of her hands and kicked her in her face and smashed her down.

Blitzwing: You sure you can top what Nico did to Sapphire's dad earlier?

Nico: No I'm not going to do that. She was a kid back then.

Lincoln: So I'll do the next best thing.

Nico: Turn her into a gold statue.

Lincoln: Yep.

Blitzwing: Hey, I'm just saying that no death can top what you did to Sapphire's dad earlier.

Nico: True but J.D. said that it happened 12 years ago and it goes against our code to kill her.

Blitzwing: Good point.

Nico: How's Sapphire doing, by the way?

Varie: REALLY shaken up. The whole ordeal left her with extremely severe P.T.S.D.

Nico: Oh man.

Varie: Yeah. Nico you should have just given her so-called dad the Black Gates.

Nico: I should have.

Varie: Yeah.

Nico: But I WANT her dad to keep coming after us. That way, I can keep on making him suffer. I felt that my beatdown on him ended too quickly.

Varie: Good point.

I kicked Donna in her stomach and Sakura kicked her in the back of the head.

Dahlia used her Earth Magic and grew vines and they tied her to a cross.

Lincoln: Time for you to never see the light of day again.

Lincoln fired a beam of energy and it entombed her in gold! She was now a solid gold statue for all eternity!

Sky Lynx: Think we should've waited for the next Gene Slammer to show up?

Nico: Nah. Not worth it.

?: She wasn't worth my time anyway.

We saw an Escavalier.

Me: An Escavalier! Awesome!

Haru Salisbury: There's our Escavalier.

Nico: Madison Lancelot?

Escavalier: That's right. Awesome to see you again Nico.

She reverted back and was a girl with brown hair and had red eyes and blue clothes that are really beautiful.

Qin: Awesome to see you again Madison.

Madison Lancelot: You too Qin. Its been a long time.

Maria: What's your favorite memory of Nico?

Me: I think we already know what it was.

Haru: Yeah we told you guys what happened yesterday.

Madison Lancelot: That's right and that is my favorite memory, bringing my fraudulent parents to justice.

Lola: That was awesome detective work.

Madison Lancelot: It sure was and I decided that I want to be part of the CIA too.

Nico: Wow! I would be more than happy to show you the ropes.

Haru: Same with me and my sisters.

Nico and Madison hugged.

Nico: I really missed you.

Madison Lancelot: Me too Nico. Me too.

Me: I just can't believe that your mother and father stole all that money! That is insane!

Madison Lancelot: I know. That was awful.

Lola: Yeah.

Nico: But at least your parents are in prison.

Me: Now it's time for our next mission.

Nico: You guys are in for a treat. Because Dr. Evil is coming with us on this mission.

Camille: That's nice. What's the occasion?

Me: Wait if I remember watching the Austin Powers movies it means that his son Scott Evil is causing trouble.

Nico: Bingo.

We went back to the estate and got ready.

Me: I got a club with a rusty nail in it with his name on it.

I had it ready.

The Previous Group came.

Crimson Dynamo: Can me, Killer Shrike, Wolf, Captain Boomerang, Shiva, Billy Numerous, Deker, Mummy, Diabolico, and Rowdyruff Boys go with you guys?

Boomer: And I hope Sapphire's doing okay now.

Varie: She's going to need a lot of intense therapy from Ino and all that. But she will be fine.

Nico: Also yes you guys can come with us.

Dr. Evil came.

Dr. Evil: I heard my son is back.

Qin: Yes he is.

Me: And I got a club ready to stab his butt.

Lola: Nice!

Lemon Zest: Nico, which Gene Slammers do you think you'll meet next?

Nico: Alomomola and Galvantula next.

Qin: Cool!

Lola: Those are gonna be awesome.

Xenia: Yep.

Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye glowed, and he had a vision and he saw who it was that we were going to confront: it was Scott Evil, the smart aleck love child of Dr. Evil and Frau Farbissina, the nephew of Austin Powers and the grandson of Nigel Powers, and that dimwit's causing trouble again. When we saw it, we knew it meant trouble.

Nico: Lincoln, what's wrong?

Lincoln: Nico, you remember when we first met Dr. Evil on your rescue?

Nico: Yeah?

Lincoln: Well, I had a vision and I saw who it was that we're going to face today: it's Scott Evil, the smart aleck love child of Dr. Evil and Frau Farbissina, the nephew of Austin Powers and the grandson of

Nigel Powers, and that dimwit's causing trouble again.

We gasped.

Me: Uh oh, That guy's a moderately intelligent young man with common sense, but Scott was resentful for his father being absent for so long and his father's comment that he wasn't "evil enough" on national television.

Nico: Yeah, I remember that all too well. Now, that dimwit's causing trouble again?! Looks like we'll need to give that guy what for, and send him to Dr. Evil who'll straighten him out, and I've got an idea on how to make sure Scott Evil behaves himself.

Lincoln suddenly puts his hand on Nico's shoulder, and then, his eyes glowed white.

Lincoln: Let me guess, you want me to put Scott Evil in a Containment Card and have him handed over to Dr. Evil, right?

Nico: (Gasps) You used Sunset Shimmer's powers to read my mind, didn't you?!

Lincoln: Yep, and I also have psychic and telekinetic powers as well.

Me: Forgot about that one. Anyways, we should join up with Austin Powers and get after Scott Evil.

Nico: Right.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Arleth Presley of The Legion of The Lincoln-Haters, and she's heading here to kill Lincoln and get revenge. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, it's Arleth Presley of The Legion of The Lincoln-Haters, and she's heading here to kill me and get revenge.

Selene Arcangela: Should've known Brianna Greyson would send her next. But, if we know that bitch all too well, she'll also be bringing Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson with her.

Nicholette Torrington: Just like what happened when The Chernabog Sisters came after us last year.

Lincoln: That won't be a problem, I'll trap them in a force field.

Paula: While you and I deal with Arleth Presley and put an end to her for good, Lincoln.

Lincoln: But, we also got to watch it though, Arleth Presley will no doubt have her machine guns with her, along with the others.

Nico: Good thinking, if they broke out of jail, they're bound to have gotten access to high-powered machine guns they stole from the cops or got themselves from contacts outside. Alright, gang, let's go, we're going to meet up with Austin Powers and take down Scott Evil.

Lincoln: This is so going to be one awesome adventure and that we're also meeting Austin Powers, and once we get done taking down that smart aleck love child of Dr. Evil and Frau Farbissina, you're next, Arleth Presley.

Selene Arcangela: You better start praying for mercy, you remorseless bitch.

Selene Emperyous: Because, we will show you and the others none for everything you've done in the past.

Paula: No way are we forgiving you for any of your actions, Arleth Presley, you better be ready to pay the price for your foul misdeeds.

Me: Lets head to London.

Nico: You got it. Lets fly.

We were off! Lincoln put up a rainbow energy field around The World Tree Estate and we headed off to meet Austin Powers and take down Scott Evil, and after we got done taking down Scott Evil, then Lincoln and Paula are going to kill Arleth Presley of The Legion of The Lincoln Haters.

---

We arrived in London.

Wolf: Here we are.

Butch (to Dr. Evil): How do you think Austin Powers has been doing since you last saw him?

Dr. Evil: Good question there.

Me: You know Max who was on Total Drama wears the same style clothes as you Doctor.

Dr. Evil: That's what I heard.

Qin: Awesome.

Camie: What can you tell us about Scott Evil?

Me: You guys are not going to like him.

I went over his history.

---

Scott Powers, or better known as Scott Evil, is a major antagonist of the Austin Powers film series.

He is a major antagonist in Austin Powers: International Man of Mystery and Austin Powers: The Spy Who Shagged Me and the secondary antagonist of Austin Powers: Goldmember.

He is the son of Dr. Evil and Frau Farbissina, the nephew of Austin Powers and the grandson of Nigel Powers and was conceived in the 1960s when Dr. Evil took some of Powers' Mojo, although he was told as a child that he was artificially conceived in a laboratory.

He was portrayed by Seth Green, who also played Squint in Ice Age: The Great Egg-scapade.

Scott grew up in one of Dr. Evil's lairs while Dr. Evil was still frozen. Once Dr. Evil returned and learned that he had a son, he tried to bond with Scott, but Scott was resentful for his father being absent for so long and his father's comment that he wasn't "evil enough" on national television.

While Dr. Evil is an over-the-top villain with gratuitously elaborate schemes for world domination, Scott is a moderately intelligent young man with common sense. When learning of his father's evil schemes, Scott suggests ideas that are more straightforward and that would guarantee success (i.e. rather than slowly lowering the captured secret agent into a pool filled with mutated sea bass, why not just shoot him immediately with the gun you are pointing at him now?) Dr. Evil then dismisses Scott's ideas because, in his mind, Scott isn't evil enough to be taken seriously.

In the second film, Scott follows his father back through time and says that they may be able to work their differences out. Dr. Evil replies that his clone, Mini-Me is his heir now, as he was created in Dr. Evil's own image. Scott asserts that Mini-Me will probably try to kill him; both Dr. Evil and Mini-Me himself quickly agree ("He'll kill me the first chance he gets!" "Probably.") Later, Mini-Me draws a picture of Scott dying. Scott is angered and somewhat disturbed by the image but Dr. Evil refers to it as 'sweet' (although he does grimace as he hands the picture to Scott).

When Dr. Evil is released from prison in the third film, he returns to his Hollywood Lair to find a surprise. Scott has started to go bald, signifying that he is becoming more evil. He has also gotten a present for his father, a pit full of sharks with laser-beams on their heads (a reference to the first film in which Dr. Evil requested sharks "with frickin' lasers attatched to their heads" instead of the ill-tempered mutated sea bass procured by his henchmen). Scott quickly replaces Mini-Me at his father's side (causing Mini-Me to join Austin Powers.).

Also, when he helped his father dump Mr. Roboto into the shark tank to avoid having to pay a bonus, he seemed extremely exhilirated at Roboto's death to the point that even Dr. Evil was somewhat disturbed. At the end of the movie, however, Dr. Evil renounces his evil ways, enraging Scott, who takes over the criminal empire.

In the movie's final scene, Scott is dressed in black and is now completely bald. He says "I'm gonna get you, Austin Powers!" and mimics his father's evil laugh before dancing about the lair in the manner of the late Michael Jackson.

---

We gasped!

Nico: He's Austin Powers nephew but Dr. Evil's son.

Xenia: That is crazy!

Nico: Yep.

Frost Man: First, let's find Austin Powers.

Me: Okay.

We went and arrived at his house.

Me: Here we are.

Nico: Boy this is an awesome mansion.

Me: It sure is. Swank and stylish.

Xenia: Yep.

We went up to the mansion and then the door opened. Out came Austin Powers himself!

Austin Powers: Well well Team Loud Phoenix Storm!

Me: Austin Powers! Love to get down and funky dude!

Billy Numerous: Mind if we come in?

Austin Powers: Come on in everyone!

We went in.

Me: Nice place you have here.

Austin Powers: Thanks and it is home!

Luna: Rockin pad dude.

Me: Yeah!

Austin Powers: (sees Dr. Evil) Dr. Evil.

Dr. Evil: Austin Powers.

Me: UH OH.

There was a silence for a few minutes.

Android 17: Okay, are you two gonna say anything or-

They both laughed and hugged each other.

Austin Powers: How've you been?! I haven't seen you in about a year!

CLANG!

My jaw dropped!

Nico put it back.

Me: I was expecting them to try and kill each other. But I remember in the movies that Dr. Evil renounced his evil ways.

Nico: I know.

Austin Powers: Yeah, the two of us are cool now. It was a happy ending for everyone. Well, almost everyone.

Mummy: Yeah, we know who you're referring to.

Me: Yeah Scott Evil is back and he is out for revenge.

Qin: Yep.

Lola: But we're not going to kill him.

Me: We're going to lock him up in a containment card.

Xenia: Yeah we sure are.

Birdbrain: Oh, do you like Soul Bossa Nova by Quincy Jones?

Austin Powers: YEAH BABY!

Me: Rockin song! My dad loved lots of songs from the 1960s.

Austin Powers: He has great tastes.

Me: Yes he does.

Lola: Yeah!

Brick: Okay, dude. We need you to be honest. How bad is Scott right now?

Austin Powers: Admittingly, he hasn't gone insane. Which is a good thing. He's taken his dad's place as my archenemy. I always foil his plans. But he always rants that his dad abandoned him all those years ago.

Maria: Dr. Evil renouncing his evil ways doesn't count as abandoning him.

Me: His rants must really give you a headache.

Austin Powers: They sure do.

Xenia: We'll give him a massive rant.

Me: When he is put in a full body cast in a containment card.

Austin Powers: How DID you all meet Dr. Evil anyway?

Dreadwind: It was on one of Nico's rescues.

Me: Yeah it was really awesome.

Qin: Yeah.

Diabolico: You got any other friends that can help us?

Austin Powers: Just the ladies. (WHISTLES)

We saw all the ladies he knows appear!

Me: WHOA!

Xenia: Nice!

Me: Good afternoon ladies.

Ladies: Hello J.D.!

Weirdwolf: To answer your previous question, the rescue Nico met Dr. Evil was the day after Zarya's big mission.

Kaito: Involving me and my team.

Me: On a planet made of Pork Butts and Taters.

Qin: That was tasty and awesome.

Lola: Yeah.

Austin Powers: That is amazing. I think it's awesome you guys met him there.

Xenia: Yeah it was!

Deker: We're sorry it took us this long to meet you.

Austin Powers: No worries chaps. It's going to be awesome to have you help me.

Me: Yeah it is!

Nico: And we're going to kick some butt!

Laney: Big time!

Xenia: YEAH!

Pounce: What can you tell us about Scott's lair?

Dr. Evil: He lives in my old lair.

Me: That mountain with your face on it.

Dr. Evil: Yep.

Me: But we're going to give him a thrashing.

Austin Powers: This will be a good one!

Nico: Yep.

Shiva: After we take him down, you can have your lair back. It's only fair.

Dr. Evil: Good idea. I'll have that as a secondary base for the M.O.E.

Me: Good idea.

Qin: That will be cool.

Lola: It sure will.

Nico: Shall we head out?

Drag Strip turned into his Formula 1 race car mode and opened his door to Austin.

Drag Strip: Ever been in a Formula 1 race car before?

Austin Powers: Yeah I have baby!

Me: Yeah! Lets head out!

Nico: What he said!

Austin got in and we were off!

We saw the mountain.

Captain Boomerang: (Australian Accent) Is that it?

Me: That's it all right.

Nico: Yep. No mistake. Entrance time people!

Austin Power: YEAH BABY!

We went at the mountain.

Scott Evil was FUMING WITH RAGE! Then the spirits of the great spies and the cartoon comedy shenanigans appeared and they swirled around him and then they converged and then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted through the wall and a phoenix cry was heard and then we came in!

Me: Scott Evil! You are under arrest!

Nico: Yeah! Okay cueball we can do this the easy way or the hard way. Easy way: You come with us quietly.

Me: Or the hard way we kick your big ugly fucking ass! What's it going to be!?

Scott Evil: So, my traitorous father returns.

Rubberband Man: Oh, so just because he left his evil ways makes him a traitor now?

Me: People like him can change. But too bad we have to kick your butt!

Scott Evil: Bring it!

BLANG BAM KROW!

I hit him on his back and feet and leg with the club I brought!

Qin: TAKE THAT!

I kicked him in the face and smashed him into the floor!

Scott Evil: HE ABANDONED ME!

Killer Shrike: All he did was reform. He didn't abandon you. You just came to that decision yourself!

Me: Yeah! And he changed his ways. Unlike you…

Then I kicked him SQUARE IN THE CROTCH!

DING!

He screamed like a little girl!

Everyone covered their crotches and winced!

Nico: (WINCES) AY YI YI!

Then Xaldin, Cavalier, Chemistro, Count Vertigo, Overdrive, DC Enchantress, Tar Pit, Black Spider, Bronze Kneecap, and Ebon appeared.

Nico: Xaldin, Cavalier, Chemistro, Count Vertigo, Overdrive, DC Enchantress, Tar Pit, Black Spider, Bronze Kneecap, and Ebon.

Chemistro: (to Matau) I got a feeling that your missions are after Julie's.

Matau: I got that feeling too.

Xaldin: Good luck on them.

Cavalier: No telling what you're in for.

Matau: Thanks for the heads up.

Count Vertigo: (To Nico) We heard you went to Mobius.

Nico: We sure did.

Overdrive: You haven't been there often.

Me: I know we haven't been there in a while.

Qin: Yeah.

Hydrax came.

Me: Hydrax. (PURRS) Up for another love-making session in bed?

Hydrax: Oh you know I am hon.

Me: (ROMANTIC PURR)

EVERYONE LAUGHED!

Qin: (LAUGHS)

Bridge: If you wanted payback for me foiling your plan the first time, then you got it.

Hydrax: What do you mean?

Bridge: I could hear your love fest!

WE LAUGHED!

Me: (LAUGHS) Bridge that was just her thank you for destroying Gruumm.

Bridge: Oh.

Nico: Yeah.

We got the battles underway.

Beast Boy, Rapunzel, Dim, Slim, Francis, Gypsy, Fluttershy, Tornado Bolt, Life Skylanders, Camille and Jarred VS Xaldin, Yost Whirlwind, Attacky Sack, Puffer (Yoshi's Island), Jellyfish (Mario), and Lunge Fish - Nico's rescue on Mobius

---

Xaldin was first.

Xaldin: (to Beast Boy) Nico's rescue was on Mobius. It's been a while since you guys were there.

Beast Boy: It was a while since we were there. But it was so awesome to see it.

Rapunzel: It sure was awesome hearing from Sonic though.

Dim: Yeah it sure was.

Slim: We all thought so as well.

Francis: Sonic and friends are doing really well too.

Gypsy: They sure are.

Fluttershy: It was good to see them again.

Tornado Bolt: Yeah it sure was.

Stealth Elf: And all of Mobius and everyone there are doing good now that Dr. Robotnik is not causing trouble.

Xaldin: That's good. Lets do it!

Beast Boy and team used fusions for Hermos and the Gladiator Beasts and their rider cards and they got new weapons and they fired waves of leaves, grass, flowers, fruit and energy and smashed them down.

---

Count Vertigo was next.

Count Vertigo: (to Courtney) I heard you guys met a gene-slammer for Spyro on Lincoln's Side. What's her name?

Courtney: Her name is Maria MacDougal and she is a really powerful and awesome girl with magic and the powers of Spyro.

---

Nico: Yep. So, Marie, what's the story on yours and Lincoln's first date at Lake Huron, and you said it was right after he saved you from Lori who was about to kill you after you told her off?

Marie MacDougal: Oh, you're going to love this.

Marie MacDougal pulled up the video as it played on the big screen, and we saw Marie MacDougal standing in between Lori and Lincoln was beside her, and Lori was steaming mad and her eyes were red with hatred.

Past Marie MacDougal: You've gone too far in trying to hurt your little brother just because he's not going to do any of your dumb bidding, but you know what, you've been asking for it for a long time, you've criticized your brother many times and you've shown absolutely no remorse for any of your insidious actions, and now, you're going to get some of my criticism. You're a control freak, you're as cuddly as a gargoyle, and you have the fashion sense of a druid!

We gasped at her harsh words.

WHOA! THAT IS CRUEL!

Nico: Damn, now that was harsh!

Me: Varie and I still remembered those harsh words she said to Lori, and man, did they sting!

We continued watching the video, and then, we saw Lori's face turn boiling red and her mouth turn into fangs, and she went outright ballistic and charged at Marie MacDougal to kill her, but Lincoln fired a blast of magic at Lori, and it froze her in her place.

Past Marie MacDougal: Lincoln… , you saved me?

Past Lincoln: I wasn't going to let Lori kill you, Marie.

This made Marie MacDougal smile, and she went up to Lincoln and they kissed on the lips while Lori could watch seething with rage.

Past Rita: Kids, why don't you go out and have fun, I've got a few harsh words to say to my "mature" daughter.

Past Lincoln: Okay, Mom. Let's go for a swim at Lake Huron.

Lincoln and Marie grabbed some beach stuff and they went off to Lake Huron and leaving a frozen Lori to face her doom. Then, the scene transitioned to Lake Huron and Lincoln was wearing orange swim shorts and Marie was in a purple two-piece bikini, and they were swimming and having fun in Lake Huron, then, they shared a romantic kiss as the video ended.

Nico: Wow, now that's what I call an awesome date!

Me: It was really awesome, and as for Lori, she got grounded for nine weeks, and worse, she tried to force me and Varie to help her take revenge on Lincoln, and we told her these words: "Not a chance in Hell, Loud!", and we threw Lori in a cage and slammed the cage door behind her. Then, Lori lost it as she went batshit crazy screaming and shrieking like a banshee.

Eli: JEEZ!

Qin: Lori Loud, of all the idiotic immature bone-headed things you've ever done because of your Dark Side, trying to force J.D. and Varie to help you take revenge on Lincoln for something that's your fault, that is by far the lowest! I ought to swat your behind with a paddle until you have a bad case of Baboon Butt!

Nico: Now, now, Qin, we saw that J.D. and Varie refused to do so, and what they did in throwing Lori in a cage and closing it proves their love for Lincoln can never be messed with.

Luna: And seeing her go crazy like that, she made a really big mistake, dude.

FLASHBACK ENDS

Count Vertigo: That is horrible! Lori asking J.D. and Varie to get revenge on Lincoln!? Good thing they said no fucking way to that!

Lincoln: Oh great, I knew there's no mistaking that foul mouth from anywhere, you just don't know when to call it quits, do you, Arleth Presley.

We saw a girl with black hair, red eyes, and dressed in a black coat, white blouse, black pants, and black knee-high boots heading our way on a motorcycle, it was Arleth Presley of The Legion of The Lincoln-Haters, but we also saw Arleth Presley, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson heading here as well.

Lincoln: If they think I'm going to take that lying down, they've got another thing coming.

Lincoln fired magnetic blasts at the motorcycles and destroyed them and that sent the Legion of The Lincoln Haters flying off the destroyed motorcycles, and when they got back up and saw Lincoln, they were now absolutely pissed off.

Arleth Presley: You ruined everything, Lincoln Loud! We had every last loser cowering in fear before us, but you… ! YOU JUST HAD TO PLAY THE HERO AND RUIN OUR REIGN!

Brianna Grayson: And what you fucking did in killing our dads… , THAT WAS THE LAST STRAW THAT BROKE OUR FUCKING BACKS! KILL THEM ALL! LEAVE NONE OF THEM ALIVE!

But, before Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson could get after us, Lincoln trapped them in a rainbow energy field.

Alana Cameron: WHAT THE FUCK?! HE TRAPPED US INSIDE THIS AGAIN! I'LL FUCKING KILL YOU, LINCOLN!

Lincoln: Cry me a river!

Maria: You tell her, Lincoln! (Flips Middle Finger) And up yours, bitch!

Qin: They're just as, if not even worse, than Audrey Madison, and she was a heartless, sick, twisted, good-for-nothing, murderous slut!

Me: And they're still as stupid and murderous as ever.

Paula: But, this'll send a clear message that we're not letting them get away with any of their plans for revenge.

Suddenly, Paula's eyes turned neon pink and she was surrounded by a pink energy aura with lightning bolts, lightning sparks, stars, sports equipment, and phoenixes, and as she approached Arleth Presley, she left pink energy, lightning bolts, lightning sparks, stars, sports equipment, and phoenixes with every step.

Paula: I can't believe that you'd break out one day to get revenge on Lincoln for something that was entirely your fault, Arleth Presley, and the same goes with the rest of the monster bitches inside the energy field. You think that now that you and the rest of The Legion of The Lincoln-Haters have broken free you can just waltz in here and try and kill Lincoln, we're not standing for it. You've already put the final nail in your coffin, and now, it's time for you to die.

Suddenly, Paula was surrounded by a massive vortex of pink energy with lightning bolts, lightning sparks, stars, and sports equipment surrounding it, there are phoenixes flying around the vortex and in the vortex is a blue phoenix with red eyes glaring at Arleth Presley: the red eyes of death. Then, as the vortex faded, Paula emerged, but she was changed forever.

Paula grew to 7'5" in height, she has the body of a goddess, she has pink highlights in the bangs of her long blonde hair tied up in a ponytail, she has neon pink eyes and a pink energy aura with bolts of lightning, lightning sparks, stars, and phoenixes surrounding her, she has a phoenix and lightning bolt emblazoned on her forehead with Third Eye with pink iris, she has on phoenix earrings with pink gems for eyes and holding the Thunder and Eternity Kanjis in its claws, she also has a phoenix with pink gems for eyes and holding the Thunder and Eternity Kanjis in the claws on the bottom of her pink phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love with pink crystal links from her merged Crystal Necklace of the Buddha and pink gems embedded on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Paula has on a light pink buttoned shirt, light blue jean shorts, pink shoes, she has on large gold metal bands with pink gems on her biceps and thighs, and long sleeveless white trenchcoat with bolts of lightning, lightning sparks, stars, and phoenixes on the coattails, and on the back is a phoenix surrounded by lightning bolts and stars. Suddenly, Paula felt a sharp pain on her back, and then, massive blonde angel wings with pink tips on the feathers grew and sprouted out from her back, and she now has eleven massive and long blonde wolf tails with pink tips and pink markings, Paula has on her Ring of the Phoenix with purple gem and heart-shaped gem embedded in it on her right ring finger and

Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Paula's newly forged greatsword and all the greatswords and swords that she'd gotten began to merge together and they're surrounded by a kaleidoscope of pink energy, bolts of lightning, lightning sparks, stars, and phoenixes, and when it emerged, it transformed into Paula Price's Athletic Lightning Cosmic Greatsword of Athletic Cosmic Lightning Phoenix Justice, it's a brand-new massive greatsword with embedded yellow gems and pink etchings and a phoenix etched on the 7'3" massive, wide, double-edged pink blade, large pink phoenix heads for the crossguard, large white angelic faces built into both sides of the hilt with pink gems embedded in the foreheads, longer midnight black handle, four large pink phoenix heads with pink gems in their mouths and a large pink phoenix head with a yellow gem in its mouth below the large phoenix heads for the pommel. Paula has on her new Bracers of The Champions of The Universe with pink gems on her wrists and Dragon Ball Bracelet on the left bracer, her new gold Belt of Elemental Bravery with a gold phoenix head with pink gems for eyes and a large pink gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a pink kanji below the phoenix that said, "Paula Price, Best Friend of Lynn Loud, Margo Roberts, and Polly Pain, Member of The Gotham Royal York Sports Teams, Good Sportswoman and Talented Athlete, Despiser of Killjoy Huggins, Dark Chandler and His Minions, And The Rest of Lincoln's Enemies, Loving Future Wife of Lincoln Loud, Archenemy of Electropede, Destroyer of Arleth Presley of The Legion of The Lincoln-Haters, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, and Master of Lightning, Stars, and Phoenixes"

Paula Price has transformed into SUPER ANGEL-PHOENIX-HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA LIGHTNING COSMIC ATHLETIC ELECTRIC LIGHTING THUNDERSTORM PHOENIX ANGEL OF DIVINE LIGHTNING COSMIC ATHLETIC ELECTRIC LIGHTING THUNDERSTORM PHOENIX JUSTICE AND DIVINE LIGHTNING COSMIC ATHLETIC ELECTRIC LIGHTING THUNDERSTORM PHOENIX LOVE!

We were amazed by Paula Price's Super Angel-Phoenix-Harmony Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Arleth Presley saw it, she went fucking crazy and she got out her machine gun to fire at Paula, but Paula fired a barrage of pink energy blasts with lightning bolts, lightning sparks, sports equipment, stars, and phoenixes at Arleth Presley and it sent her flying into a tree back first, she got back up and she ran at Paula again with a knife she got out, but she disarmed Arleth Presley and dislocated her arm and sent her flying into another tree with a roundhouse kick, she got back up, but now, she was mega pissed off!

Nico: Whoa!

Margo: No way, that's so awesome!

Lynn: You got that right!

Me: Awesome, Paula's transformed into her Super Angel-Phoenix-Harmony Universal Eternal Celestial Xelnaga form, and she disarmed Arleth Presley and she sent her flying into a tree with a roundhouse kick.

Lincoln: Arleth Presley has been asking for this for a long time, and what better way to administer her final judgement than right in front of the other members of The Legion of The Lincoln-Haters.

Paula: (Divine Godly Cosmic Voice of The Athletic Cosmic Electric Lightning Thunderstorm Phoenix Angel and Divine Athletic Cosmic Electric Lightning Thunderstorm Phoenix Love) You got that right. Now, let's rip her apart, Linky.

Lincoln unholstered his massive Lincoln Loud's Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Phoenix-Harmony Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Hope, and he joined Paula.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You and the others have caused more than enough grief and trouble to everyone in Michigan for too long, Arleth Presley. We've made the right choice getting you all expelled and put in prison five years ago, but you know what, prison's too good for any of you. Now, we're going to fix that and do what should've been done to you years ago.

Paula and Lincoln went after Arleth Presley who went extremely ballistic and continued firing at them, but they dodged the bullets, and they fired extremely powerful blasts of rainbow energy, pink energy, fireworks, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Arleth Presley and they exploded with incredible power as they hit her, and they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and he and Paula attacked her with punches, kicks, and karate chops, and they were really, really, really pissing off her off now and driving her even more ballistic.

Just then, Arleth Presley got out a second machine gun, but Lincoln put up a rainbow energy shield around him, Paula, and all of us, and she started shooting like crazy and also laughing like a deranged bitch, but the bullets were getting bounced off the energy shield. Suddenly, the machine guns ran out of bullets and Arleth Presley's deranged laughter died down and she was really fucked now.

Me: Hah! You're out of bullets, bitch, and you know what that means!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smirks) You're shit out of luck!

Lincoln grabbed Arleth Presley by the neck and he tossed her into the air, and Lincoln and Paula fired a powerful barrage of energy balls with lightning bolts, stars, quintessence, elemental forces, and mythological animals, and as they hit Arleth Presley, they exploded with incredible power and she was killed in the explosions, and that angered the rest of The Legion of The Lincoln-Haters. Then, Arleth Presley's spirit appeared, and she was still incensed with anger and fury.

Arleth Presley: You think you've won?! I'LL RETURN ONE DAY AND KILL YOU ALL!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) No, you're done and this time forever, Arleth Presley.

Lincoln summoned the spirits of Arleth Presley's victims from the past who seized her, and then, he drew the Judgement Kanji on her forehead, and as predicted, she was found guilty for her crimes, and she was fading away from existence.

Arleth Presley: NO! NO! DAMN YOU, LINCOLN LOUD, DAMN YOU ALL, TEAM LOUD PHOENIX STORM! DAMN YOU ALL TO (FADES AWAY)

We cheered wildly as Paula and Lincoln holstered their massive greatswords on their backs and powered down, and Paula's new body, clothes, weapons, jewelry, Third Eye, and eleven massive and long blonde wolf tails, and massive blonde angel wings are permanent.

Then, the rainbow energy field Lincoln put up to keep Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson inside went down, and they ran up to the dead remains of Arleth Presley. Then, they looked at Lincoln and they were absolutely really seething with rage!

Brianna Greyson: You're going to pay for this, Lincoln Loud! YOU FREAK! KILL HIM! KILL THE FUCKER!

Suddenly, the sound of police sirens were heard, and being the criminals they were, they knew they were in huge trouble!

Brianna Greyson: This isn't over, Lincoln Loud!

Then, Angelique Sawyer, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson ran off, but not before they gave us the finger, and me and Nico retaliated by giving them the finger and it drove them mad as they ran off.

Nico: Yeah, up yours too, bitch!

Paula: We've taken one down so far, and now, we got sixteen more to go. Thanks for helping me destroy Arleth Presley, Linky.

Lincoln: (Smiles Warmly) You're welcome, Paula.

Suddenly, Paula wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Paula's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, and Angel flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and lightning bolts crashing behind them and we cheered wildly. Then, Lincoln and Paula absorbed the lightning bolts and they came back to us as the display vanished.

Nico: Whoa, now that's what I call a dose of electric athlete justice. Lincoln, Paula, you two did really awesome in teaching that monster bitch, Arleth Presley, a lesson and pissing off the rest of those monster bitches.

Lincoln: Thanks, Nico, but this is only the beginning of The War Against The Legion.

Me: You said it.

Lincoln: And for tomorrow, the next member of The Legion of The

Lincoln-Haters that's going to show her face is Angelique Sawyer, which means you and I are up next to face her, Nikki.

Nikki: Yes, we'll make her pay for all of her crimes in full.

Lincoln: But we've also got to keep an eye out, The Legion of The Lincoln-Haters are bound to send hired thugs after us.

Nico: We'll be ready for them since we've been dealing with hired thugs hired by our resident jerks to kill us, which always end with you killing them by sucking out their blood and pissing Flip and the other jerks off.

Suddenly, the symbol of the Fire Element on Crash Bandicoot's Skylands' Elemental Wolf Draconic Bandicoot Greatsword of Ten Elemental Justice and Eternal Skylanders Bravery began glowing.

Crash Bandicoot: I think we may have gotten a clue as to who we're meeting tomorrow on Lincoln's rescue.

Lincoln: Now, next is a Gene-Slammer for Sunburn, The Phoenix Dragon Skylander.

Selene Arcangela: And thanks to the glowing Fire Element Symbol on Crash Bandicoot's Skylands' Elemental Wolf Draconic Bandicoot Greatsword of Ten Elemental Justice and Eternal Skylanders Bravery, it's indeed for one of the Fire Skylanders, and there's one Fire Skylanders Gene-Slammer on your side who we are meeting tomorrow on your rescue, Lincoln: Elizabeth Dracona Adalinda, Gene-Slammer of Sunburn.

Nico: Whoa!

Selene Arcangela: Elizabeth Dracona Adalinda is Lincoln's Guardian Angel and The Master of The Element of Fire, and among the first humans who were actually born in The Skylands and grew up there under the guidance of Master Eon and the Skylanders.

Nico: Just like with Marie MacDougal.

Selene Arcangela: Yep, and as Elizabeth grew, she'd discovered that she's a master of the Element of Fire, one of the Ten Elements of The Skylands, and she trained a lot under the tutelage of Master Eon and the Fire Skylanders and she proved to be quite the master of fire. She left The Skylands and she moved to Royal Woods, Michigan, and this is way before Kaos, The Dark Portal Master, had launched his hostile takeover of The Skylands. Elizabeth really hated that world-conquering warlord, and when Marie formed The Skylanders Liberation Coalition, Elizabeth became one of the members and she had sworn to make Kaos pay for all his crimes against Skylands and against all The Skylanders.

Melanie Aranyani: After you guys freed The Skylands from Kaos and The Skylands merged with our world, The Skylanders Liberation Coalition had become part of The Earth-Skylands Federation. Plus, we also saw she fell in love with Lincoln when they first met, and she really trained him intensely on how to use the element of Fire, and she also had the additional help of Sunburn and the other Fire Skylanders, who really helped Lincoln in advancing his training in mastering the element of Fire, and over time, he really proved to be a master and at the same level as Elizabeth Dracona Adalinda.

Me: Hey, now I remember her all too well, she went missing long ago, and now I know why she went missing, she was Gene-Slammed by Team Rocket.

Lincoln: Yep.

Selene Arcangela: And although Elizabeth hates Kaos with a blazing passion for all his crimes against Skylands, there's only one person that Elizabeth hates with a passion ever since she came to Royal Woods: that person is Lola, and Elizabeth has more than once used her skills in Fire to put Lola in her place and cause trouble on that rampaging pink-wearing blackmailing pageant demon, and she even told her off saying that Lola's a powerhungry, violent, easily angered, sociopathic control freak, that she's as cuddly as a porcupine, and even worse, Elizabeth also said that Lola's dress is tacky!

Nico's jaw dropped to the ground.

CLANG!

Nico: She called her all that?! Man, was she playing with fire, doesn't she know what'll happen Lola gets mad

Lincoln: She does, and when she said that to her, that really set Lola off, and before she could kill her, I saved Elizabeth by firing a blast of fire at Lola and trapped her in a fire orb, and Elizabeth went over and we kissed on the lips and right in front of Lola, who was left steaming with rage and wanting revenge, but Lola got busted by Mom and Dad who saw what she tried to do and she also got grounded big time.

Eli: Oh, we're so in for hearing this story tomorrow. Plus, we'll be taking down the next hypothetical Akumatized Loud Sibling.

Lincoln: Book Butterfly, the hypothetical Akumatized form of Laney. We better be ready for her, she's going to be a tough one to crack since she's the level-headed one.

Nico: We will, Lincoln, but you'll find some way to make her crack.

Me: We have many ways to lure Book Butterfly out since she's the hypothetical Akumatized form of Laney.

Lincoln: That's right.

DC Enchantress: (to Dr. Evil) Was it like old times?

Dr. Evil: It was.

Tar Pit: Good.

Me: That was so awesome!

Black Spider: We're sorry your son turned out this way.

Bronze Kneecap: But there's always hope for him.

Dr. Evil: Yes there is.

Ebon: Now, let's celebrate at Austin's place!

Me: Yeah!

Nico: Great job today everyone! This was a mission worthy of the awesome sixties!

Lola: YEAH!

Eli: (To the viewers) Hope you loved this awesome funny spy mission and we all did have fun on it.

Me: OH YEAH!

We went back to Austin's place and had a great party and then we went back home and enjoyed the rest of the day and went to sleep.

THE END

Naruto was relaxing on a hill enjoying the scenery and view of the clouds.

Naruto: So far things have been very quiet.

Naruto heard scraping and he saw a girl on the hill painting a picture. He went to go see.

Naruto: That's a pretty picture you're doing. Hmm. It's of the Hokage Tower in a thunderstorm.

Naruto saw no storm clouds in the area. Suddenly Storm Clouds came in out of nowhere.

Naruto: That's weird. The weather forecast didn't call for Storms today.

Naruto saw the storm clouds crackle with lightning. Then he sensed what was about to happen next.

Naruto: Oh no! WATER STYLE: TSUNAMI SHIELD!

A huge wall of water appeared behind the Hokage Tower and protected it as a huge bolt of lightning was about to strike. The Lightning hit the wave and went into the ground.

Naruto: That was a close one. What was… Huh?

Naruto spread his wings and found the girl walking back somewhere. Then she was ambushed by the Leaf Medical Corp.

Naruto swooped in and grabbed her as they were about to knock her out.

Naruto: What is your problem? Why were you trying to attack this girl?

An ANBU came out.

Goat: This is none of your concern Naruto. Give her back, leave and forget everything you've seen.

Naruto: Sorry but this just became my concern when I saw the Hokage Tower about to be hit and I figured that she caused it. So I'm gonna get to the bottom of this.

Medic: You have no idea what you're getting yourself into Naruto.

Yakumo there is unstable and she's very dangerous.

Naruto: Sorry but she looks like a beautiful girl to me and I have a very strong feeling that she needs help. [To Yakumo] Yakumo my name is Naruto Uzumaki Namikaze of the Lifewing and I'm gonna help you.

Naruto met Yakumo Kurama.

Yakumo: It's a pleasure to meet you Naruto. I'm Yakumo Kurama.

Naruto: It's a pleasure. I've heard about the Kurama Clan. They are a very talented clan of Genjutsu Users that live in the southwest quadrant of the village.

Yakumo: Yes. That's right.

Medic: Give her back Naruto. She's very dangerous.

Naruto: No. Me and Team Cosmic Dragon are gonna help her. She's a fellow Leaf Kunoichi in trouble and she needs our help.

Naruto flew off with Yakumo.

He arrived at the Namikaze Estate and put her on the couch. He called Team Cosmic Dragon and they came in.

Nicole: What's going on bro?

Naruto: Yakumo here is a Leaf Kunoichi in trouble and the Hokage Tower was about to be struck by lightning because of her. I found her about to be knocked out by the Medical Corp. I made it my mission to help her. They called her unstable and very dangerous.

Lincoln: It's good you found her Naruto. There must be a reason why she attacked the Hokage Tower.

Nicole: Lets ask.

Nicole and Team Cosmic Dragon were with her.

Nicole: Yakumo Kurama. It's a pleasure to meet you. We are Team

Cosmic Dragon. I'm Nicole Knudson of the Star Dragon. The Leader.

Lincoln: I'm Lincoln Loud of the Thunderbird.

Sakura: You already know Naruto. I'm Sakura Haruno of the Oceanwing.

Fu: I'm Fu of the Blazewing.

Juri: I'm Juri the Sea Dragon Maiden.

Ami: I'm Ami Mitarashi the Cobra Swordmistress.

Akiko: I'm Akiko Suzuki the Maiden of The Nebula.

Sasuke: I'm Sasuke Uchiha the Knight of The Raven.

Rin: I'm Rin Nohara of the Phoenix Wing, Veteran of The 3rd Great War.

Yamiko: I'm Yamiko Kaguya the Bonemancer.

Natsumi: I'm Natsumi the 9-Tailed Kitsune.

Isaribi: I'm Isaribi of the Ocean.

Hokuto: And I'm Hokuto of the Star Aura.

Yakumo: It's a pleasure to meet all of you and it's a great honor. I heard that you all killed the traitorous Orochimaru.

Nicole: Yes we have. Yakumo we have to know so we can help you. Why did you attack the Hokage Tower?

Yakumo: It was because the 3rd Hokage ordered my teacher Kurenai Yuhi to kill me.

They gasped.

Naruto: Why would you believe that Yakumo?

Yakumo: I overheard Kurenai-sensei talking to the 3rd Hokage and I figured that he was telling her to kill me.

Lincoln: I don't think the 3rd Hokage would tell Kurenai-sensei to do that Yakumo.

Nicole: I agree. There has to be more to it than that and there has to be a reason why.

Fu: I agree. How about you tell us what happened and your story.

Yakumo: Okay. I come from the Kurama Clan. A clan of powerful genjutsu users as Naruto deduced. I wanted to be a powerful kunoichi that only uses Genjutsu. Just like Rock Lee is a shinobi that only wants to use Taijutsu. I couldn't attend the Academy because of my frailty. The 3rd Hokage assigned Kurenai-sensei to be my tutor. But tragedy struck about a year ago. My parents died in a tragic fire that burned my home to the ground.

They gasped in horror.

Nicole: Yakumo that's horrible.

Sasuke: You have our sympathies and condolences Yakumo.

Fu: Yes. We're very sorry that happened to you.

Yakumo: Thank you. I think it was the Third Hokage that ordered it and he killed my family.

Naruto: I don't think so Yakumo. I'm gonna go ask grandpa.

Nicole: Okay Naruto.

Naruto left for the Sarutobi Compound.

Nicole: Yakumo the 3rd Hokage would never authorize such a terrible thing to happen. There has to be more to it than that.

Naruto arrived at the Sarutobi complex and knocked on the door. Konohamaru answered it.

Konohamaru: Oh hey big bro.

Naruto: Hey Konohamaru.

Konohamaru: You come to play ninja with me?

Naruto: Actually I came to talk to your grandpa. Is he there?

Konohamaru: He is. Come on in.

In the complex he found Lord Third and Asuma playing Shogi.

Konohamaru: Grandpa. Naruto is here to see you.

Naruto: Hey Grandpa. Asuma-sensei.

Lord Third: Naruto my boy how have you been?

Naruto: Good. Grandpa I need to talk to you.

Lord Third: Okay.

Asuma and Konohamaru left and Naruto sat down.

Naruto: Okay. Grandpa the Hokage Tower was attacked by a freak lightning storm that I believe was caused by a genjutsu created by a girl named Yakumo Kurama. I saved her from the Medical Corp and they told me she was unstable and very dangerous. Yakumo thinks you ordered Kurenai-sensei to kill her and her family. But I have a very strong feeling that there's more to it than that.

Lord Third: (Laughs) Naruto you are so much like your father. All right. What I'm about to tell you is an S-Rank Secret. Yes. I assigned Kurenai Yuhi to Yakumo Kurama so she can help her because she has a dangerous power inside her. The Kurama Clan has a very powerful Kekkei Genkai that enables them to utilize genjutsu and it enables the Genjutsu to actually deal physical damage to their target.

Naruto gasped.

Naruto: That's incredible grandpa. I had no idea that they had this kind of power.

Lord Third: Yes. But Yakumo has an extremely dangerous persona inside her and it poses a tremendous threat to the entire village should it ever gets out. We had no choice but to Seal Yakumo's powers.

Naruto: Do you know what this evil persona is grandpa?

Lord Third: Yes. Her uncle Unkai Kurama told me all about it. ANBU!

An ANBU came in.

Eagle: Yes Lord Third?

Lord Third: Please bring me Unkai Kurama.

Eagle: Right away sir.

5 Minutes later Eagle came back and with him was Unkai Kurama.

Naruto: You must be Unkai Kurama. It's a pleasure to meet you.

Unkai: Same here Naruto. You look so much like your father. The resemblence is completely uncanny.

Naruto: I get that all the time.

Unkai: I believe it.

Lord Third: Unkai. I'm sorry to call you here but Naruto is curious about the evil power inside Yakumo.

Unkai: I see. Yakumo wanted to be a kunoichi that utilises Genjutsu. But Kurenai tried very hard to work with her and she failed and told her to end her training. Yakumo returned to her parents completely disspirited and my brother Murakumo and sister-in-law Uruko tried to console her. That's when tragedy struck. The Kurama residence burned to the ground and I saw Yakumo standing in front of the house in a daze. But in the flames I saw a horrific monster looking at us and smiling. When I found out what it was, I became frozen with terror.

Naruto: What was this creature?

Unkai: We wanted to find out what caused the tragedy. So we ordered a complete medical examination on Yakumo.

A flashback showed Yakumo hooked up to all kinds of brain scan machines and the results revealed a horrific sight.

Unkai: (Narrating) They arrived at the conclusion that the creature which appeared at the fire came from Yakumo's deep subconscious. In other words it was a manifestation of her Ido.

A ghostly vicious figure appeared on the screen and the medics were horrified.

The flashback ended.

Naruto: An Ido Monster? I've read about those. They are the monsters from the deepest parts of the Human Subconscious and they are the living embodiment of our evil desires.

Unkai: That's right. I immediately went to Lord Third here and asked for guidance.

Another flashback showed Unkai in Lord Third's office.

Unkai: Ultimately the girl was unable to endure the physical expectations that the village placed on her and soon her subconscious cracked under the pressure. To protect itself it released her pent up fury. Sir, we do not believe that Yakumo's Ido Monster is finished. It will keep going until the whole Kurama Clan is decimated and then the entire Hidden Leaf Village.

Lord Third: I understand the risk. But I refuse to authorize any violence. Yakumo isn't even aware that this evil power exists inside of her and this village does not take innocent life.

Unkai: But Lord Hokage once her subconscious completely awakens there will be nothing we can do to stop it.

Lord Third: In that case we'll have to work with Yakumo until she can learn to control the power by herself. And if that's not possible then we'll have to seal her genjutsu.

Unkai: How can we?

Lord Third: It's slightly different but there has been one precident. In a similar situation the spirit of the 9-Tailed Fox was sealed away inside the body of a newborn.

Unkai: That's absurd. There isn't a ninja alive strong enough to seal away the immense power that Yakumo possesses.

Lord Third: Actually there might be one person I know of that fits the bill. However the mission will be brutal. I pray that this person can teach Yakumo how to control it. I pray that this person will bear Yakumo's resentment. And if that's not possible, we will erase all the good Yakumo could have accomplished in her life and attempting to end the lineage of the Kurama Clan's powers.

The 3rd Hokage wept when this was gonna happen.

The Flashback ended.

Unkai: Then Lord Third lowered his head and wept.

Naruto: So Kurenai-sensei was given this incredible mission and shouldered a powerful burden.

Lord Third: Yes. This is Kurenai's most difficult mission.

Naruto: I believe it grandpa. Yakumo is going through a lot of pain because of her resentment towards Kurenai-sensei because she believes that you ordered her to kill her and her family. But now I see what's going on. You told her to kill the Ido Monster inside her.

Lord Third: That's right. This evil power Yakumo has poses a big danger to the village and we have to stop it at all costs.

Naruto: I agree grandpa. Yakumo is a Leaf Kunoichi in trouble. When she attacked the Hokage tower with a genjutsu, I knew she was going through some hard times. Unkai can you meet us at the Namikaze estate and have Kurenai-sensei come with?

Unkai: Okay.

Naruto: Thank you for telling me this. Now we know what we're up against.

Later Naruto and Team Cosmic Dragon regrouped and Unkai, Kurenai, Lady Tsunade and Shizune were with them.

Naruto: I found some interesting developments with Yakumo.

Naruto revealed everything and everyone was shocked.

Nicole: An Ido Monster killed her family and is now gonna destroy the Leaf? That's horrible.

Sasuke: I don't know much about this kind of thing. But from the way this looks this Ido Monster sounds like it poses a tremendous danger to the Leaf.

Sakura: Yeah.

Rin: I've heard about Ido Monsters and how dangerous they are. But I never knew that Yakumo was going through all this.

Fu: I've read about this and this is bad.

Hokuto: This is really bad. If Yakumo's Ido Monster awakes then we are in serious trouble.

Isaribi: Yeah.

Nicole: But I have an idea. We'll fight Yakumo's Ido Monster on a distant planet away from the Leaf and this way no one is gonna get hurt.

Kurenai: That's a great idea Nicole. But how are we gonna get Yakumo to awaken her Ido Monster?

Nicole: I have an idea.

At the safehouse on Satome Hill they went into Yakumo's art room and saw numerous paintings.

Nicole: This paintings are amazing Yakumo.

Yakumo: Yes. They are pictures of my memories.

Lincoln: My sister Laney would love your pictures Yakumo. She and you would be great friends.

Yakumo: I'm sure. Thank you Lincoln.

Lincoln: You're welcome.

Nicole: Okay Yakumo you know what to do.

Yakumo: Okay.

Yakumo called forth the Ido Monster by faking a suicide attempt and a painting of herself grabbed her arm.

Painting: Why? Why do you do this to yourself when you are not to blame. The ones who must be crushed are those who imposed such a heavy burden on your psyche. Those who tried to get rid of me just as you are reaching your full potential.

Yakumo: Who are you?

Ido: I merely crept into a fracture in one corner of your mind and there I was nurtured. My name is Ido.

A hideous figure emerged from the painting and it's eyes were glowing red with Pure Evil. Yakumo's Ido Monster HAS BEEN UNLEASHED!

Sasuke: What is that thing!?

Nicole: This must be Yakumo's Ido Monster. It's power is unreal. He makes even Orochimaru look like a tamed kitten.

Natsumi: No kidding. The level of evil coming off of him is unbelievable.

Kurenai: Yes. You all are right. The 3rd Hokage didn't order me to eliminate Yakumo. I was to kill this monster within her.

Naruto: I knew it.

Yakumo: You were right guys. All of you.

Nicole: But it doesn't know the true power of Team Cosmic Dragon.

Nicole snapped her fingers and the area changed into the planet Tuitan.

Planet Tuitan is a mountain desert planet located in the Andromeda Galaxy 2.3 million light-years away from Earth in the constellation of Andromeda the Princess. It is covered with mountains, deserts and sandhills and it has a surface temperature of 86 degrees fahrenheit. It has 4 moons and it orbits a Yellow Dwarf star. Violent dust storms and sandstorms ravage the surface and they are more violent than those on Mars or Earth. The planet is home to a race of Centaur creatures that have a similar lifestyle to the Native American Indians of the Old West. They are very peaceful and treat everyone like family.

Ido: So you planned all this. But I will still settle the score for good.

Nicole: I don't think so.

Nicole went Super Angel 4, Lincoln went Super Angel 2 and everyone spread their wings.

Naruto: Natsumi can I have 3 tails of Chakra?

Natsumi: Coming at you Naruto.

Naruto was enveloped in a Red Chakra Cloak with 3 Tails.

Naruto: This is gonna be awesome.

They went at the Ido Monster and it erupted into an extremely savage and ferocious fight. Massive explosions of fire destroyed much of the land and thunderous shockwaves from their punches and kicks were blowing the sand around and forming craters everywhere. Yakumo was watching the fight in utter disbelief. She had never seen a fight of such explosive power.

Nicole: You killed Yakumo's parents and ruined her life. You will now pay for everything you've done to her.

Naruto: I agree.

Naruto fired a stream of fire at Ido and burned him.

Akiko used her powers and the area became the Witch Head Nebula.

Nicole: (Echoing) Wow! The Witch Head Nebula in the constellation of Eridanus the River.

Lincoln: (Echoing) It's beautiful.

Yakumo: (Echoing) Where are we?

Kurenai: (Echoing) Akiko has the power to transform the land into a Nebula from another part of the galaxy. Her powers are what gave her the Moniker Akiko Suzuki the Maiden of The Nebula.

Yakumo: That's incredible.

The Ido Monster was not having a very good day. He was being pulverized all over the place. Naruto was slashing it apart with such extreme ferocity that it was unbelievable.

Yakumo: Why is Naruto enveloped in a cloak of chakra?

Kurenai: Naruto is the Jinchuriki of the 9-Tailed Fox that nearly destroyed our village 13 years ago. He was hated and scorned by the village because of our council's corruption and their bias-motivated ambitions and lies. When Nicole came she adopted him as her little brother and took care of him. Naruto and Natsumi have a powerful bond and partnership and they work together in battle. They are very strong together.

Yakumo: That's incredible. Naruto has been through so much.

Kurenai: That's right Yakumo. You can help them as well.

Hokuto formed a whip of pure Alien Chakra and lashed the Ido Monster. She was now flying with glowing purple-pink Angel Wings and she has a full mastery over the Alien Chakra from the Cicean Meteorite.

Yakumo: How can I help them?

Kurenai: Inside every one of us Yakumo is a fanged beast that exists within the very depths of our minds. It lies there in wait in the very reaches of a persons soul and appears when they are most vulnerable. And when the beast awakes, it is impossible to control.

Sasuke formed a sword made of the Black Fires of Amaterasu and slashed the Ido Monster in the face and back.

Kurenai: You can even end up hurting those that are closest to you. But if the monster can be tamed, reigned in with the strength of your own will it can become a magnificent power and can even make your own dreams a reality. Now you must fight it! Obliterate the monster that the depths of your own mind created!

Yakumo: I don't know how.

Kurenai: Yakumo, you are the only one who can finish this.

Ami slashed the Ido Monster in the leg and kneed it in the face.

Yakumo saw a paint scraper on the floor and she knew what she had to do.

Yakumo: I'll beat the darkness in my mind!

She took the paint scraper and the blade glowed white and she dashed toward the Ido Monster and appeared in front of it and stabbed it in the face.

The Ido was dying.

Ido: (Weakly) But why? I did my best to serve you. I only wanted what's best for you.

Nicole: You're an evil monster that deserves to be forever damned. Enjoy the darkest pits of the Netherworld.

Ido's face came off and revealed a glowing purple face of Yakumo with glowing red eyes and it inflated and disintegrated into nothing.

The area reverted back and Yakumo collapsed because of mild chakra exhaustion and Naruto caught her.

Naruto: You were amazing Yakumo. You did it. You defeated the darkness in your soul.

Yakumo: Thank you all. Thank you.

Lady Tsunade: Great job today Team Cosmic Dragon.

Nicole: Thank you Lady Hokage. We'll take Yakumo to the hospital to rest and I'll be by later to file my report.

Lady Tsunade: Okay.

They dropped Yakumo off at the hospital and they promised to help Yakumo with her condition. Her stamina was poor and she needed a lot of help. So when the time comes she will become a member of Team Cosmic Dragon.

FLASHBACK ENDS

When she was finished everyone that hadn't heard about it was shocked!

Camie: That monster burned down her home and killed her parents!? That's horrible!

Tsuyu: Yeah no kidding!

Me: Yeah that was awful. Same thing happened in 150,000 years.

Fu: That was awful.

Kaito: How did you manage to move past that?

Yakumo: It was a rough path but thanks to Naruto and everyone they helped me with my frailty and made me stronger than ever.

Me: That's right.

Nicole: I remember that. That was rough but it really was helpful.

Lola: Wow.

Lincoln: That was so awesome.

Nico: That sure was.

Me: Yep. Man Yesterday's mission was both funny and awesome.

Nico: It was an honor meeting Austin Powers.

Laney: It sure was.

Yakumo: He was really funny.

Qin: Yeah he sure was.

Camie: I'll say!

Varie: And the ladies he has are awesome.

Me: Oh yeah they are.

Xenia: Yep.

Lola: He is quite the guy to have so many awesome girls.

Nico: And we helped take down Scott Evil.

Xenia: That was so awesome.

Me: Yeah. Nico to be honest I was really expecting Dr. Evil and Austin to try and kill each other.

Nico: Me too.

Eli: But it's good that Dr. Evil is now a good guy.

Maria: He'll make an awesome addition to the Redemption Squad as well.

Camie: He sure will.

Nico: He redeemed himself at the final movie. What did you expect?

Me: That.

Nico: Good.

Maria: Yeah.

Qin: Besides it was still a fun mission.

Maria: Yep and we're here.

We saw that we were at a pink planet.

Me: Wow this one is really pink.

Nico: No kidding. Looks like a flower planet from up here.

Maria: Yep.

We went down to the planet and then we landed and we saw that it was a planet made of pink cotton!

Me: A Pink Cotton planet?

Lana tasted it and she saw that it was a planet made of Cotton Candy!

Lana: It's a planet made of cotton candy!

We gasped!

Me: I don't believe it! A Planet made entirely out of cotton candy! This is amazing!

Nico: Let's dig in!

Eli ate some and it was awesome!

Eli: Strawberry flavor!

Xenia: This is awesome!

Laney: (Eats some) This is amazing!

Xenia: (Eats some) Boy this is awesome seeing this.

Nico: This is amazing!

Qin: Wow!

Nico ate some.

Nico loved it!

Nico: DELICIOUS!

Qin: Boy this is amazing!

Lola: Yeah! (Eating Cotton Candy) (SUGAR RUSH) AI YIYIYIYIYIYIYIYIYIYI!

SHE RAN AROUND IN CIRCLES FASTER THAN A BULLET FIRED FROM A GUN!

ZOOM!

She ran fast!

Maria ate some.

Maria: Boy this is awesome.

Qin: It sure is!

Nico: The mascots will love this planet!

Xenia: They sure will!

May ate some.

May: It's like we're at a carnival.

Me: Except the carnival is a planet made entirely out of cotton candy.

Qin: No kidding.

Eli: Yeah no kidding.

But then we heard the howl of a wolf!

AWWWWWWWOOOOOOOOOOOOOOOOOO!

We heard it.

Me: (GASP) Hear that?

Nico: Sounded like a wolf.

Maria: Eli, can you sense for Swartz's creations?

Eli: I already did and we have a lot of them. We have Another Elephant Undead, Another Lion Undead, Another Scarab Undead, Another Plant Undead, Another Giraffa Undead, Another Wolf Undead, Another Quadra Org, Another Moltor, Another Moltar, Another Yost Crimson Dynamo and Another P'andor.

We gasped!

Qin: WHOA! So the Another Undead are here.

Me: Boy this is gonna be a dangerous one.

Lola: Yeah.

Me: But it will be fun. The Wolf Undead will be perfect for me since I love the wolf.

Nico: That sure will be fun.

Lola: Yeah!

Nico: We need to get Dark Neos here!

Maria: Right.

Eli: First will be Another Wolf Undead.

Me: In that case… KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

Me: (HOWLS)

Zuria: WOW!

Camie: J.D. can turn into Wolf Moon with the Wolf Miraculous.

Me: Yep and it's awesome.

Nico: So awesome.

Maria called it in and Elemental HERO Dark Neos came in a vortex of darkness.

Dark Neos: I'm here guys.

Me: Perfect.

Nico: Your howl was an UNDEAD giveaway!

We laughed!

Me: (LAUGHS) That was a good one!

Nico: Yeah! That was funny!

Me: It should be coming. (HOWLS)

I howled like a wolf and then it echoed and then a howl was heard and it was closer.

Dark Neos: I think I see something!

We saw a figure and it was a dark version of the Wolf Undead! It was ANOTHER WOLF UNDEAD!

Dark Neos: Another Wolf Undead!

Xenia: This is gonna be crazy!

Kazuma: It's like I'm seeing what I was on the outside!

Nico: And you are?

Another Wolf Undead: (Irish Accent) I believe that J.D. knows who I am.

Me: (GASP) Ciara Canavan!

She reverted back and was a girl with red hair made of pure fire and she red eyes and had wolf ears and had a wolf tail and fangs and she had red, orange and yellow clothes and fire angel wings and had the symbol of the Fire Skylanders on her skirt and in the middle of her forehead.

Ciara Canavan: That's right and it's great to see you again J.D.

Me: Same here and being Another Wolf Undead is fitting for you because of you being a Wolfwalker.

Ciara Canavan: That's right.

Nico: Are you also a gene-slammer for one of the fire skylanders?

Ciara Canavan: I sure am. I'm for Torch.

Sunset Shimmer: Torch is an awesome skylander! She is a great blacksmith too.

Qin: And the fire bellows gun she has is awesome too.

Ciara Canavan: I agree there.

Me: Are the rest of the Another Villains friendly or hostile?

Ciara Canavan: Friendly but you need to know that the Another Giraffa Undead has a dark story to tell you. Maria may go ballistic.

Me: Uh oh.

Qin: This is gonna be crazy.

Dark Neos: Let's do this!

Girl Jordan: First lets get you back to normal and separate you.

Leeli: Right!

Girl Jordan: Lets go Leeli.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had sugar and cotton candy flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

She glowed and Sapphire was separated from Another Wolf Undead!

Ciara Canavan: Oh man! So that was the monster I turned into!?

Me: It sure is!

Nico: Yeah!

Ciara Canavan: Lets get him!

Me, Ciana, and Dark News fired waves of fire and darkness and it exploded!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It was destroyed and I caught the Wonder Ride Book. It was called The Fire Wolf Princess and the Kingdom of The Undead Wolves.

Me: Cool title.

Ciara: That was amazing lads!

Nico: Yeah!

Lola: That was amazing guys!

Nico: Who's next?

Eli: Another Giraffa Undead.

Nico: Flare Neos is next.

Maria: Okay.

Maria called him in and in a swirl of fire came Elemental HERO Flare Neos!

Flare Neos: Flare Neos is on the job.

Qin: Awesome!

Nico: There she is!

We saw a figure and it was ANOTHER GIRAFFA UNDEAD!

Qin: Whoa Another Giraffa Undead!

Lola: This will be a scary one.

Me: Yeah.

But then we saw her crying?

Me: Uh oh.

Nico: What's your name?

Another Giraffa Undead reverted back and it was a girl with blue hair and she had blue eyes and had black clothes and had pitch black angel wings.

Me: (GASP) Carla Romaine! Oh my god what happened!?

Carla Romaine: (CRYING) Oh J.D.!

I went over and hugged her.

Me: Carla it's okay. Calm down.

She calmed down.

Ciana: Maria you are not going to like what she has to share with you lass.

Maria: What is it?

Carla told us that her aunts are trying to kill her and take all her inheritance that she was going to get from her parents. Her aunts killed her parents and they want to kill her too to get a massive fortune all for themselves. It was a fortune totaling $100,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 They tried to kill her several times and failed. She was going to the police but she was kidnapped by Swartz before that could happen and she ran away when she was turned into Another Giraffa Undead!

We gasped in shock and utter horror and disbelief!

Me: OH MAN!

Applejack: WHY THOSE LOW DOWN DIRTY SNAKES IN THE GRASS!

Maria then growled in rage and then she had a look of intense burning hatred plastered all over her face!

Me: Those gold-digging bloodsucking leaches!

May: Uhh Maria? Are you okay?

SHE THEN ROARED IN A MASSIVE AND EXPLOSIVE BURST OF POWER AND RAGE AND FURY!

Maria: IT'S JUST LIKE WHAT HAPPENED WITH JAMES! THEY WON'T GET AWAY WITH IT!

SHE SCREAMED IN EXPLOSIVE RAGE AND TELEPORTED TO WHO KNOWS WHERE!

Then she came back with Carla's aunts!

Me: Oh man! I remember Carla's aunts and she told me what they were doing and I wanted to help her. But she vanished before that could happen.

Lincoln: Flare Neos you destroy Another Giraffa Undead after I separate Carla from it.

Flare Neos: Right.

Lincoln did so with a blast of light and I brought Carla over.

Maria turned into her water form.

Aquamaria: I'm going to drown you gold-digging shrews!

She fired waves of water and drenched them!

Flare Neos blasted Another Giraffa Undead with a powerful ball of fire and it exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was destroyed and I caught the Wonder Ride Book. It was called the Fortune Heiress Princess and the Evil Scarab Kingdom.

Me: Fitting.

Lincoln fired a wave of lightning and electrocuted the 2 evil aunts.

Nico: You two crazy douchebags have failed this world!

Laney: Your own greed proved to be your undoing!

Xenia: Yeah!

Xenia fired energy arrows and skewered their legs. Carla then got a look of avenging determination on her face!

Carla Romaine: You took my parents from me but now I will NEVER LET YOU hurt another soul again! And I will make sure you never get a single cent of my inheritance!

She fired a blast of darkness and blasted her aunts and trapped them in a cube of metal with a cell window and door on it!

Carla was then crying hard into my chest and Maria reverted back.

Maria: Carla, my little brother James knows your pain.

Carla Romaine: (Sniffles) He… He does?

Maria: Yeah.

Me: It's a crazy story.

Qin: It's true.

Carla Romaine: (Sniffles) At least I know I'm not the only one.

Me: No you aren't. But we aren't done yet though.

Eli: I sense that the Another Elephant Undead, Another Lion Undead, Another Scarab Undead and Another Plant Undead are next and they are Quadruplet girls.

Me: Better call in Grand, Aqua, Air and Glow Neos.

Maria did so.

In a vortex of water came Aqua Neos, out of a Crystal came Grand Neos, Out of a tornado came Air Neos and out of a ball of light came Glow Neos.

Aqua Neos: We're here!

Glow Neos: And we're ready.

Grand Neos: This is gonna be good.

Air Neos: It sure will be.

Lola: Yeah!

Nico: There they are!

We saw 4 figures and they were Another Elephant Undead, Another Lion Undead, Another Scarab Undead and Another Plant Undead!

Me: WHOA! These guys are gonna be awesome.

Nico: Yep.

They reverted back and they were each 4 girls!

Me: (GASP) Earth, Fire, Wind and Water Masamune!

Earth was a girl with green hair, green eyes, green angel wings and had green clothes and the kanji for Earth in the middle of her forehead and she had a sword made of crystal.

Fire was a girl with red hair, red eyes, fire angel wings and had red clothes and the kanji for fire in the middle of her forehead and had a sword made of fire.

Wind was a girl with aqua blue hair, aqua blue eyes, aqua blue angel wings and had aqua blue clothes and had the kanji for Wind in the middle of her forehead and had a wind sword.

Water was a girl with ocean blue hair, ocean blue eyes, ocean blue angel wings and had ocean blue clothes and had the kanji for water in the middle of her forehead and had a water sword.

Water Masamune: Awesome to see you again J.D.

Wind Masamune: We heard from Father Masamune of the Donbrothers that you guys were battling their monsters and we're glad you guys have been doing that.

Fire Masamune: That is so awesome.

Earth Masamune: Yes we are Don Masamune's adopted Children.

We gasped!

Me: Your father is a very powerful fighter and an awesome member of the Donbrothers and the Masters of Evil.

Qin: Yeah he sure is.

Nico: We did not expect your father to be Don Masamune.

Eli: That is really something.

Glow Neos: Yeah it sure is.

Fire Masamune: I know. He taught us all of our Swordfighting skills.

Me: You girls have really come a long way under his tutelage.

Nico: The last Hitotsuki your dad helped us beat was Samuraiki.

Earth Masamune: That's right we heard about that.

Wind Masamune: And we're so honored that he is your ally.

Me: He has been a massive help not just to the Don Brothers but us as well.

Twilight Sparkle: That is for sure.

Earth Masamune: But we're glad that he redeemed himself.

Me: We are too. Lyra is going to be honored having you girls help out with her.

Fire Masamune: Dad told us all about Lyra Heartstrings and it will be an honor to help her out.

Nico: Yep.

Me: Sorry we have to fight like this though girls.

Earth Masamune: I know.

Lincoln: But I got this.

He fired beams of light and separated the Another Undead from

them.

Earth Masamune: Whoa! You guys are ugly!

Fire Masamune: Yeah!

Glow Neos: Pick a body part, guys!

Wind Masamune: Lets get them!

Grand Neos: Yeah!

They blasted each Another Undead with light, darkness, fire, water, earth and wind and they exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Wonder Ride Books!

Earth's was called Earth Masamune and The Kingdom of the Elephant Skeletons

Fire's was called Fire Masamune and the Kingdom of the Lion Skeletons.

Wind's was called Wind Masamune and the Kingdom of the Scarab Skeletons

Water's was called Water Masamune and the Kingdom of the Plant Skeletons.

Me: Neat.

Nico: Awesome too.

Water Masamune: That was amazing!

Nico: Who's next?

Eli: Another Quadra Org is next.

Me: Boy that one is gonna be tough! Especially with the powers of the Polar Bear, Black Bear, Giraffe and Elephant Zords.

Lincoln: Better call in Jennifer Torrence the Divine Neos Gene-slammer.

Maria: On it.

She did so and in a flash of rainbow light came Jennifer Torrence the Gene-Slammer of Elemental HERO Divine Neos.

Jennifer Torrence: So Another Quadra Org is coming.

Me: Yeah.

Nico: She's already here!

We saw a figure and it was ANOTHER QUADRA ORG!

Me: WHOA!

Nico: This one is gonna be tough.

Another Quadra Org: (In a girls voice) Help me sis!

Jennifer Torrence: (GASP) That voice! But it can't be!

She reverted back and it was a little girl with red hair and she had a red dress.

Jennifer Torrence: (GASP!) Jenny!

She went over.

Jennifer Torrence: Jenny! I thought you were dead!

Nico: You know her?

Jennifer Torrence: She's my little sister! (Tears stream down her face) I thought she died in a tragic fire.

Me: She survived!? Whoa!

Nico: Oh man!

Jenny Torrence: You got to help me! This power is horrible! I can't control it!

Jennifer Torrence: I'm on it!

She glowed in a powerful light and separated Another Quadra Org.

Jenny Torrence: Thank you sis. (FAINTS)

Jennifer Torrence: She's okay. Just tired.

Jennifer fired a blast of rainbow energy and it hit Another Quadra Org and it exploded!

KRABBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Wonder Ride Book and it was called The Princess Goddess of The Elements and the Abomination of All Animals.

Me: Wicked.

Jennifer brought Jenny over.

Nico: Oh man.

Jennifer Torrence: I'm just happy to have my sister back.

Lincoln: Me too Jennifer.

Eli: We have Another Moltor, Another Moltar, Another Yost Crimson Dynamo and Another P'andor.

Nico: So 4 left.

Eli: Yep. Another Moltor first.

Nico: Better call in Sarah Tinsley.

Me: Yeah.

Eli: I sense that this one has a crazy family story.

Me: Oh great.

Nico: What the fuck happened to this one?

Me: I have a feeling it is crazy.

In a total solar eclipse came Sarah.

Sarah Tinsley: I'm here!

Me: Awesome.

Qin: And perfect timing.

We saw a figure and it was ANOTHER MOLTOR!

Me: Another Moltor! This one is gonna be hot.

Sarah Tinsley: No kidding.

Another Moltor: (In a girls voice) This is gonna be fun.

Me: (GASP) That voice.

She reverted back and was a girl with red hair and red eyes and had brown and red clothes and the kanji for Volcanic Demon of Fire on her arm.

Me: (GASP) Pamela Krafft Krafla!

Pamela: Been a long time J.D.

Me: It has been a while.

Nico: You know her?

Me: I sure do.

I told everyone that her story is a crazy one and how her father became a really damaged man because of a cancerous tumor inside his brain! He raped a woman and gambled everything he had away and while in prison he collapsed from a crippling headache and in the hospital the doctors did an M.R.I. and found a tumor inside his brain and it made him into someone he wasn't! It altered his personality!

WE GASPED IN SHOCK!

Nico: WHOA MAN!

Camie: That is crazy!

Me: Yeah.

Laney: Your dad alright?

Pamela Krafft Krafla: (SIGHS) (Tears stream down her face) No. He died. The cancer came back aggressively and he died a week later after I was kidnapped by Swartz.

We gasped!

Me: Oh man! I'm really sorry Pamela.

Pamela Krafft Krafla: Yeah I know.

Laney: Did your father get chemo and radiation and all that?

Pamela Krafft Krafla: I'm afraid there was nothing the doctors could do. They warned that if it came back it would be terminal and it would kill him in less than a week.

Me: That's terrible. What a painful way to die.

Sarah Tinsley: At least you loved your dad.

Pamela Krafft Krafla: I know. I hated my dad before but after realizing that it was not his fault I loved him.

Me: I'm sorry Pamela.

Pamela Krafft Krafla: I know.

Sarah Tinsley: I hated my dad.

Pamela Krafft Krafla: I know Sarah. I heard all about what your father did and that was awful! But at least he is gone forever.

Sarah Tinsley: Let's do this!

Lincoln: First this.

Lincoln fired a wave of light and separated Another Moltor from her.

Pamela Krafft Krafla: Whoa! This will be awesome.

Sarah Tinsley: It sure will.

They fired waves of light and darkness and fire and blasted him down and he exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Wonder Ride Book and it was called The Volcanic Demon Princess and The Lord of Fire.

Me: Cool title.

Nico: Yep.

Me: Another Moltar is next. Too bad Space Ghost isn't here for that one.

Laney: I know.

Lincoln: Better call in Sophia Presley.

Lincoln did so.

Nico: Hey, Space Ghost can join in too.

Me: Moltar is one of his enemies after all.

I pressed the Space Ghost button on my arm device.

Me: J.D. calling Space Ghost. Do you read?

Space Ghost: Space Ghost here.

Me: We are on a planet made of Cotton Candy and we're about to face Another Version of Moltar. Want to join the battle?

Space Ghost: I would be honored. I'm just next to that planet now.

Me: All right then.

He flew in and landed.

Space Ghost: I'm here guys.

A volcano then appeared and it erupted and out came Sophia Presley.

Sophia Presley: So am I.

Me: Awesome.

Nico: And here she comes.

We saw a figure and it was ANOTHER MOLTAR!

Me: Another Moltar!

Nico: This one is too hot to handle.

Another Moltar: (In a girls voice) And I like it.

She reverted back and was a girl made of pure fire!

Me: (GASP) WHOA! Elena Moltara!

Nico: WHOA! She's a pure fire elemental!

Elena Moltara: That's right. I was born on the planet of Firus.

Me: Wow!

Shanan: The Firusians are pure fire elementals from the Cartwheel Galaxy and the planet was thrown out of their solar system when their parent star went nova.

Elena Moltara: That's right.

Space Ghost: Very interesting.

Me: Yeah.

Space Ghost: Just like old times!

Me: Except it's Another version of Moltar. And Moltar is now in the M.O.E.

Elena Moltara: That's right.

Space Ghost: It sure is.

Me: Sorry we have to fight like this.

Elena Moltara: No worries.

Lincoln: That's where I come in.

He fired a wave of light and separated Another Moltar.

Me: NOW it's like old times.

Another Moltar: I will burn you Space Ghost!

Me: I don't think so! This will cool you down.

The 3 Star Dragonball on my bracelet glowed and I fired a beam of energy, Sophia fired a ball of lava and Space Ghost fired an energy ray and Elena fired a blast of fire and we blasted him down! I caught the wonder Ride Book. It was called The Fire Elemental Princess and The Volcanic Lord of Doom.

Me: Fitting title.

Space Ghost: Yes indeed.

Yost Crimson Dynamo: We'll still fight the Another version of my Prime self in the future.

Me: That's right.

Yakumo: And that fight is for me.

Nico: Yep.

Qin: This will be good.

Nico: Speaking of Another Yost Crimson Dynamo, there she is!

We saw her and it was ANOTHER YOST CRIMSON DYNAMO!

Qin: WHOA!

Me: This one is going to be tough.

Nico: Yep.

Another Yost Crimson Dynamo: (In a girls voice) Looks like you guys had fun.

Me: (GASP) That voice.

She reverted back and it was a girl with a powerful muscular build and she had athletic clothes on.

Me: (GASP) Brooke Escadano!

Brooke Escadano: Awesome to see you again J.D.

Me: Same here.

Nico: Wow! The famous weightlifting champion! That is awesome.

Me: Yep. I rooted for her in her competitions.

Sakura Knudson: That is awesome! Cool to see you again Brooke.

Brooke Escadano: Its been a long time Sakura. You are looking great.

Sakura Knudson: Thanks.

Yakumo: We're still fighting Another Crimson Dynamo in the future.

Brooke Escadano: I know.

Yakumo: Sorry we have to fight like this.

Brooke Escadano: I know.

Lincoln fired a blast of light and it separated her from Another Yost Crimson Dynamo.

Brooke Escadano: Whoa!

Yakumo: Time for some buttkicking! GENJUTSU: DESCENDING HELL!

Brooke got out of the way and Yakumo had a huge illusion that formed a massive fireball and it headed for Another Yost Crimson Dynamo and then it slammed into him and exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion destroyed Another Yost Crimson Dynamo and I caught the Wonder Ride Book and it was called The Champion Weight Lifter and the Russian Dynamo of Doom.

Me: Cool title.

Nico: Now Another P'andor left.

Me: And that one is going to be INTENSELY Radioactive!

Maria: Time for backup! (TURNS DIAL) BARFBRAINS!

She summoned Gizmo, Eustace Bagge, Vellian Crowler, Doppelgänger, Angry Archer, New Sun, Bad Cop, Power (Chainsaw Man), Heavy Lobster (Kirby) and Pilaf Gang (Dragon Ball).

Me: Nice!

Gizmo: I really got to change my team name to something else.

Qin: Yeah you are the only one that calls bad guys barfbrains.

Eustace: I don't mind it.

Me: I was expecting you to say big deal.

Lana: Yeah.

Eustace: Well yeah.

But then my Geiger Counter started clicking loudly like mad!

Me: Uh oh! We got intense radiation!

Nico: Stand ready!

Maria: It's Another NRG all over again!

Me: You got that right! And there it is!

We saw a dark glowing figure come and it was a dark version of NRG! It was ANOTHER P'ANDOR!

Me: WHOA! Another P'andor!

P'andor: This one is definitely like me!

Another P'andor: (In a girls voice) (Russian Accent) This is definitely going to be amazing comrades.

Me: (GASP) That voice!

She reverted back and was a girl with pink hair and had blue eyes and had a red shirt, orange vest, yellow skirt, green pants, blue leg warmers, indigo shoes, purple gloves and had Butterfly Wings that were overflowing with intense elemental energy and had butterfly antennae.

Me: GASP! Alisa Noralenshikov!

Alisa Noralenshikov: Good to see you J.D.

Me: You too.

Nico: Wait are you related to Rika Noralenshikov?

Alisa Noralenshikov: I sure am Nico. She is my elder sister.

We gasped!

Me: Wow! Rika never really talked much about you unfortunately.

Alisa Noralenshikov: That's because we had a falling out a long time

ago.

Me: I see. Alisa is a girl that got into a crazy accident. She was driving home and then she crashed into a tanker carrying Nuclear Waste and it got on her and mutated her and turned her into the Elemental Butterfly.

Alisa Noralenshikov: That's right. I became this as a result. Elemental Manipulation, Butterfly Wings surging with elements, enhanced smell and hearing and I have immortality and invincibility and plant powers.

Nico: Wow! That is amazing!

Kaito: (gets out Shinkenger gear) Did Swartz promise you anything?

Zocks: (gets out Goseiger gear) Because we can grant it instead.

Kaito got a Samurai Ranger sword and Zocks got a Goseiger sword.

Alisa Noralenshikov: No he didn't. He was in a hurry to send me out.

Me: I think I know why. Because P'andor is Intensely Radioactive.

Alisa Noralenshikov: That's right.

Me: You were turned into what's called a Prypiatosian-B. They are Radiation Aliens and they are intensely radiation that are much more radioactive than all the nuclear power plants in the world combined.

Qin: Yeah.

Alisa Noralenshikov: Wow that is amazing.

Me: Yep.

Sougo: (gets out Samurai Ridewatch) That's the second time Swartz made a version of a Prypiatosian-B.

Geiz: (gets out MegaforceRidewatch) I don't know why he couldn't replicate the containment suits though.

Sougo got SamuraiRedArmor while Geiz got MegaforceRedArmor.

Me: No idea.

Alisa Noralenshikov: No idea.

Me: Sorry we have to fight like this.

Alisa Noralenshikov: No worres.

She turned back into Another P'andor!

Me: Time to cool you down.

I fired waves of water and steam came off her.

Nico: (gets out P'andor's Ridewatch) It's like I'm using NRG's powers!

Nico activated it and fired a powerful radiation beam and smashed her down!

Me: Atomically Powerful!

Nico: Yeah! And this too. (ACTIVATES YOST CRIMSON DYNAMO'S RIDEWATCH)

Nico got an awesome suit of armor and smashed her down with a powerful punch!

Me: YEAH!

Nico: WHOA!

Lola: Awesome armor!

May: (gets out X-Ray's Ridewatch) It's weird how I'm using one of the U Foes' powers individually.

May activated it and fired a beam of light and blasted her down.

May: NICE!

Qin: Radiation VS Radiation.

Lola: Awesome.

May: (gets out X-Squad Universe Pyron's Ridewatch) Now for this!

May activated it and fired waves of fire and blasted her down.

Me: Nice! Time for this.

I fired waves of water and blasted her down.

Maria: (gets out Dennis' Ridewatch) Dennis always gets his man!

Dennis: You got that right!

Maria activated it and turned her foot into a DEADLY SPIKED BOOT!

Me: WHOA! Nice spines!

Maria: Thanks.

Maria then accidentally tripped and then stepped on Nico's foot!

Nico: YEEEEEEOWCH!

Me: OOH! OUCH!

Maria: Oh man! Nico sorry about that! I tripped.

Me: Dennis I don't know how you do it.

Dennis: I wasn't used to them either.

Maria: (gets out Reign of Fire Dragons' Ridewatch) Time for Dragon Fury!

Maria activated it and took a deep breath and fired a massive blast of fire from her mouth and it hit Another P'andor and blasted her down!

Me: BAD BREATH!

Maria coughed and choked on smoke and her tongue was burned!

Maria: OUCH! HOT HOT HOT HOT!

Me: Geez!

I gave her some water and steam came out of her mouth.

Eli: Boy that can't feel good.

Then Firebrand, Comrade Red, Volcamon, Count Dooku, La-Doldo-Gu and Dabi came.

Nico: Nice team Firebrand!

Firebrand: Thanks Nico.

Yakumo: My turn!

She activated Yost Crimson Dynamo's ridewatch and got an awesome suit of armor and smashed down Another P'andor!

Maria: Ah. Much better.

Me: I hope your tongue didn't get burned that bad like how Homer had his burned off. (Season 20 Episode 18)

Sakura Knudson: Me and Swartz loved that episode. That was his favorite.

Me: He sure liked the Simpsons quite a lot huh.

Sakura Knudson: He sure did bro.

Lola: Who DOESN'T like the Simpsons.

Nico: Yeah.

Sakura Knudson: Yeah he loved both the Simpsons and Futurama and even Disenchanted.

Qin: Cool!

Maria: Where's the next Gene Slammer?

THUNDERCLAP!

Me: WHOA! LOOK!

We saw lightning in the sky and it was moving at us. Then we saw a Galvantula!

Me: Wow! A Galvantula!

Qin: Electrifying!

Galvantula: (In a girls voice) (Japanese Accent) I sure can shock people.

Nico: Naomi Raijin! Wow!

She reverted back and was a girl with purple hair and yellow highlights and had purple eyes and was in a Japanese Purple Kimono.

Naomi Raijin: This is gonna be awesome. I got this.

She fired a blast of lightning and it hit Another P'andor and smashed her down and I caught the Ridewatch and purified it.

Me: Got it.

Then I felt my hand burn!

Me: YEOWCH!

Maria cooled it down.

Me: AHHH! That's better.

I brought Alisa over to us.

Naomi Raijin: That was fun.

Yakumo: What's your favorite memory of Nico?

Naomi Raijin: Well I have a lot of them. But my favorite is when me and Nico and me went after the Yakuza and we electrocuted them and brought them down.

Nico: That was awesome.

Qin: Yeah I remember that!

Me: Wait are you also?

Naomi Raijin: Yes I am the daughter of Raijin.

Me: WHOA! The God of Thunder in Japanese Myth.

Naomi Raijin: That's right.

Me: Wow!

Nico and Naomi hugged.

Nico: I've really missed you.

Naomi Raijin: Me too Nico. Me too.

Me: Boy this was a really eventful rescue.

Qin: No kidding there!

Xenia: Yeah.

Me: Lets get back home.

We brought some cotton candy back for the mascots.

Poromon: Yay! Cotten candy!

Manaphy: Oh boy!

We told everyone what happened and it was awesome.

Luna: That was awesome dudes!

Lori: Literally fun.

After Nico's rescue, Lincoln and his harem, Me and my harem, Sakura Knudson, Stellar, Stardust, Ken Knudson, Nico and his harem, Clyde and his harem, Naruto and his harem, Ed Cowart and his harem, Ets and his harem, Gage the Hegehog, Sasuke, Itachi, and their family, Sakura and her family, Qin, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., Rita, Harriet Loud, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Yakko, Cherry Hunter, Cammy, Milan Flare, Yoko, Wakko, Poison, Pyrrha Alexandra, Alice, Mimi Kitagami, Dot, Haneru Tobitatsu, Sir William the Good, Lady Mary the Good, The Z-Fighters, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Baloo, Sora, Donald, Goofy, Roxas, Xion, Riku, Kairi, Lea, Elena, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, Juniper Lee, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, Anatankha, The Bakugan Battle Brawlers, The Power Rangers, The Kamen Riders, Izuku and his friends, The Goths of Darkness, Sebastian Mendez, Darren Arcangela, Norbert and Daggett, Heathcliff, Riff-Raff, Hector, Wordsworth, Mungo, Cleo, Leroy, Sylvester, Timmy Turner, Cosmo, Wanda, Poof, Trixie Tang, Sapphire, Emerald, Chester, A.J., Sanjay, Elmer, Chloe Carmichael, Tootie, Universe 666 Lincoln, his good sisters, parents, harem, and Guardian Angels, Universe 666 Me, Universe 666 Varie, The Lion Guard, Marinette and her friends, Sabrina Spellman, Vakama, Beast Wars Inferno, Kaito, Jenelle Torres, Malefic Cyber End Dragon and Malefic Stardust Dragon are heading to the lush jungles of Guatemala near the Mayan Ruins, and not only is Lincoln going to rescue the ten girls here, but we're also going to face, take down, and recruit the next hypothetical Akumatized Loud Sibling, Book Butterfly, the hypothetical Akumatized form of Laney Loud, she's the level-headed of the hypothetical Akumatized Loud Sisters, but she also has to break up their fights.

Lincoln: Whoa, we're here in the lush jungles of Guatemala near the Mayan Ruins, and I know what we're going to do here, not only am I going to rescue the ten girls here, but we're also going to face, take down, and recruit the next hypothetical Akumatized Loud Sibling, Book Butterfly, the hypothetical Akumatized form of Laney.

Me: And from our talk with Gabriel on Easter, she's the level-headed of the hypothetical Akumatized Loud Sisters, but she also has to break up their fights.

Nico: She's going to be a tough one to crack, since she's the level-headed of the group. Any ideas on how to make her crack, Lincoln?

Lincoln: There's only one thing that'll lure Book Butterfly out, and it's the very thing that grabs the attention of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, and Lily: chocolate.

Lincoln took out a chocolate bar. When Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, and Lily saw it, their eyes went into a trance and their mouths opened up. They tried to rush to grab the bar of chocolate, but Nicholette Torrington made a shield of dark energy to keep them back.

Nicholette Torrington: Oh boy, if there's one thing Lincoln's sisters can't resist, it's chocolate, those chocoholics catch the smell of it, and they'll wolf it down. This'll draw Book Butterfly out, and instead of rough-housing her, we'll put her in a cage.

Vakama: That's a good idea, besides, she'll be needing all her strength to keep her siblings from trying to get at each others' throats.

Lincoln: Good thinking, Vakama.

Me: Plus, she chose a good place to hide out: the lush rainforests of Guatemala are beautiful, and the Maya ruins were beautifully carved pyramids, palaces, and plazas, but after generations of prosperity, it collapsed, and the bustling cities became ghost towns and the ruins were reclaimed by nature.

Lincoln: We've seen the Aztec ruins in Mexico City, but not the Mayan ruins in Guatemala, plus, it's just amazing that the Mayan civilization used their environment to their advantage to engineer the temples, pyramids, palaces, and plazas.

Nico: You said it, that's what I call innovation.

Suddenly, we saw Sunburn, and with it are the ten girls.

Cynder: Sunburn?! But, aren't you still back at the Estate?!

Sunburn: (Girl's voice) Sorry about that, Cynder, but I think you know who I am, and same goes with you, Lincoln.

Lincoln: (GASPS) Elizabeth Dracona Adalinda, I knew it was you.

Crash Bandicoot: The Master of Fire herself, I should've guessed it. Now, I think it's time we lure out Book Butterfly.

Lincoln: Right.

Lincoln took out the chocolate bar and placed it on a plate, and then, he fired a blast of wind, which picked the scent up and made it blow across the air. Suddenly, we saw something heading our way: it was Book Butterfly, the hypothetical Akumatized form of Laney.

Lincoln: Here she comes, hide.

We hid, and then, Book Butterfly landed, and she saw the bar of chocolate. Then, she grabbed it and she began eating it.

Laney: So, that's Book Butterfly, She's exactly what I could've become during the fight to stop Gabriel years ago.

Lincoln: Now!

Then, a cage appeared out of nowhere and caged Book Butterfly.

Book Butterfly: What the?! How on Earth did you…?!

Lincoln: You didn't count on the fact that I used your weakness to lure you out.

Me: Yep, we've already taken down Princess Pink, Digital Diva, Mimica, Power Chord, Bonkers, and Fowl Sport, now we've taken you down.

Nico: But, we're not going to beat you down, besides, you need your strength to keep your siblings from ripping each other apart.

Book Butterfly: Yes, I have to keep them from ripping each other apart, and it's not an easy task.

Lincoln: I hear that.

Laney: Now, we've taken you down in the same way we took down Mimica, but not Princess Pink, Digital Diva, Power Chord, Bonkers, and Fowl Sport, we had to get extremely rough with them.

Me: And they were that vicious and dangerous.

Nico: They were absolutely crazed with world domination on the brain, but we took them down and taught them a lesson.

Book Butterfly: But, it won't be that easy: Queen of Darkness, Mudslinger, Math Magician, and Fear Fox know of my defeat, and they'll be coming for all of you.

Lincoln: We know, but let them come, we'll take them down in the same way we took down Princess Pink, Digital Diva, Power Chord, Bonkers, and Fowl Sport.

Me: We're definitely going after Queen of Darkness tomorrow.

Eli: That vampire will probably be in Transylvania.

Book Butterfly: Not quite, Eli, I know exactly where they're at: Queen of Darkness is hiding out at Yi Ling, Mudslinger is hiding out at Lake Superior, Math Magician is hiding out at Italy, and Fear Fox is hiding out in Madagascar, and the last one, your hypothetical Akumatized self, Lincoln: Wolf Carnage, is hiding out in Belgium.

Book Butterfly showed us Wolf Carnage, Lincoln's hypothetical Akumatized self, and we gasped: he's a werewolf with an endless thirst for blood, he has moonlight powers and he's a monster of chaos.

Me: Oh my God! So, that's Lincoln's hypothetical Akumatized self!

Nico: Wolf Carnage, a werewolf with an endless thirst for blood.

Lincoln: According to this, he has moonlight powers and he's a monster of chaos. It's true I've had to deal with the chaos of The Loud House, but it became more chaotic due to the dark sides of Lori, Lynn, Lola, Lisa, and Luan emerging because of Killjoy Huggins, the dark side of Principal Huggins who came into existence because of Dark Chase, the dark side of Chase Young.

Luna: Which means we're in for one bloody fight with Wolf Carnage later on, dude, hope you're ready to beat that werewolf down.

Lincoln: I am, Luna, I won't let that monster of chaos cause havoc in Belgium.

Lincoln beamed Book Butterfly to The Masters of Evil's HQ.

Lincoln: That's another hypothetical Akumatized Loud Sibling recruited into The Masters of Evil, and only Queen of Darkness, Mudslinger, Math Magician, Fear Fox, and Wolf Carnage are left. (To Elizabeth Dracona Adalinda) And it's so good to see you again, Elizabeth Dracona Adalinda.

Elizabeth Dracona Adalinda reverted back to normal, and she's a beautiful girl with long crimson red hair, red eyes, she was tall at 6'11" in height, she has the body of a goddess, and ample breasts, fair skin, she has massive and beautiful red angel wings and phoenix tails, she's dressed in a short-sleeved crimson red blouse, sleeveless crimson red top, crimson red skirt with the Fire Skylanders symbol on it, black pants, crimson red knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with fire, phoenixes, dragons, and angels on the coattails and on the back is Sunburn and on top is the symbol of The Fire Skylanders, and holstered on her back is a massive Sunburn-themed greatsword with embedded crimson red gems and Sunburn etched on the 7'0" massive, wide, double-edged crimson red blade, large crimson red dragon heads for the crossguard, large white angelic faces embedded on both sides of the hilt with crimson red gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large crimson red gem on the bottom of the large white angel heads for the pommel.

Elizabeth Dracona Adalinda: You too, Lincoln, it's been a long time, and it's good to see you again, Marie, Spyro, Cynder, and Crash.

Marie MacDougal: You too, Elizabeth.

Lincoln went up to Elizabeth Dracona Adalinda and he hugged her, and Elizabeth Dracona Adalinda is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Elizabeth Dracona Adalinda: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'9" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness. You've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or

massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal, and Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Elizabeth Dracona Adalinda, Gene-Slammer of Sunburn, she's my Guardian Angel and Master of The Element of Fire, and she's also among the first humans who were actually born in The Skylands and grew up there under the guidance of Master Eon and the Skylanders.

Eli: That's really awesome.

Lincoln: And as she grew, she discovered that she's a master of The Element of Fire, one of the Ten Elements of The Skylands, and she really trained a lot under the tutelage of Master Eon and the Fire Skylanders and she proved to be quite a powerful Master of Fire. She left The Skylands and moved to Royal Woods, Michigan, and this is way before Kaos, The Dark Portal Master, had launched his hostile takeover of The Skylands. Elizabeth really hated that world-conquering warlord with a fiery passion, and when Marie formed and became the leader of The Skylanders Liberation Coalition, Elizabeth became one of its members and she'd sworn to make Kaos pay for all his crimes against Skylands and against all The Skylanders.

Nico: Just like what we heard when we first met Marie MacDougal yesterday.

Me: Yeah, and I remembered her all too well. After we freed The Skylands from Kaos and The Skylands merged with our world, The Skylanders Liberation Coalition had become part of The Earth-Skylands Federation. Plus, we also saw she fell in love with Lincoln when they first met, and she really trained him intensely on how to use the element of Fire, and she also had the additional help of Sunburn and the other Fire Skylanders, who really helped Lincoln in advancing his training in mastering the element of Fire, and over time, he really proved to be a master and at the same level as her.

Luna: It was so awesome, and though she hates Kaos with a blazing passion for all his crimes against Skylands, there's one person Elizabeth hates with a passion ever since she came to Royal Woods: and that person is Lola, and Elizabeth has more than once used her skills in Fire to put Lola in her place and cause trouble on that bossy, out-of-control, blackmailing sociopathic pageant demon, and she told her off saying that Lola's a powerhungry, violent, easily angered, sociopathic control freak, that she's as cuddly as a porcupine, and even worse, Elizabeth also said that Lola's dress is tacky!

Nico and Eli gasped in shock, and Nico's jaw dropped to the ground.

CLANG!

Nico: She called her all that?! Doesn't she know what happens when she makes Lola mad?!

Lincoln: She does, and when she said that to her, that really set Lola off, and right before she could kill her, I saved her by firing a blast of fire at Lola trapping her in a fire orb, and Elizabeth went over to me and we kissed on the lips and right in front of Lola, who's left seething with rage and wanting revenge, but Lola got busted by Mom and Dad who saw what she tried to do and she also got grounded big time.

Sunset Shimmer: That's so awesome, you saved her like the shining knight in armor that you are, Linky, and it's really incredible to meet you.

Elizabeth Dracona Adalinda: You too, Princess Sunset Shimmer.

Me: Sunset Shimmer's not only the Princess of Forgiveness, but she's also the Princess of The Fire Skylanders, and she's also one of Lincoln's many future wives.

Elizabeth Dracona Adalinda: I knew Lincoln would wind up getting a harem one day, and over time, that harem has grown completely.

Girl Jordan: He's already a father of many children.

Elizabeth Dracona Adalinda: Just like his Dad, and I've also got a story on how Lincoln and I had a first date at Lake Michigan, and it's after he saved me from Lola. (To Lincoln) Oh, Lincoln, there's something I also want to give you.

Lincoln: Let me guess, you want to give me your blood, right, Elizabeth?

Elizabeth Dracona Adalinda: How'd you guess what I was about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Elizabeth Dracona Adalinda: I knew it, you marked them and fed on their blood, along with acquiring their powers as well, I knew that was coming since you'd done that more than once when he got brutally injured by Lori, Lynn, Lola, Lisa, and Luan more than once.

Lincoln went up to Elizabeth Dracona Adalinda, and he hugged her in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Elizabeth Dracona Adalinda: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Elizabeth Dracona Adalinda's neck with crimson red gems on the gold lightning bolts and crimson red crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Elizabeth Dracona Adalinda: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal

Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Elizabeth Dracona Adalinda.

Elizabeth Dracona Adalinda had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the ten girls, and when Lincoln saw who they were, he immediately recognized them. The ten girls are Tamar Zaken A.K.A. Ace, Madame Xiu, Florence Jacques A.K.A. Cavalière, and Yu-Mi Kwon A.K.A. YU-MI from Deceive Inc. and Ayuka, Hadori, Hina, Miki Kagurazaka, Mimoza, and Nanami from Nangoku Sakunyuu Island.

Lincoln: Oh wow, it's Tamar Zaken A.K.A. Ace, Madame Xiu, Florence Jacques A.K.A. Cavalière, and Yu-Mi Kwon A.K.A. YU-MI from Deceive Inc. and Ayuka, Hadori, Hina, Miki Kagurazaka, Mimoza, and Nanami from Nangoku Sakunyuu Island.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Tamar Zaken: Yes, we're okay, thanks to you.

Then, when Tamar Zaken and the other nine girls saw who it was that saved them from Book Butterfly, the hypothetical Akumatized form of Laney Loud, their faces turned atomic red upon seeing the 17-year-old 7'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with a Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, He-Man's chest harness with colored gems on the orange crisscrossing straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Emissary of The

Tamar Zaken: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made nine clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Tamar Zaken: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Tamar Zaken A.K.A. Ace, Madame Xiu, Florence Jacques A.K.A. Cavalière, Yu-Mi Kwon A.K.A. We returned home to The World Tree Estate, and the rest of the team was shocked to find out the villain we went after was Book Butterfly, the hypothetical Akumatized form of Laney Loud.

But, when Lincoln showed what he did by luring her out by using a bar of chocolate and when she got near and got the chocolate, she got caged and sent to The Masters of Evil's HQ, everyone cheered and hugged us and Lincoln's harem kissed him all over. Lincoln and Elizabeth Dracona Adalinda have a lot of catching up to do, now that she's back in town.

Maria: Wow, that was one awesome strategy you had to lure her out, Lincoln.

Lincoln: Yep, and she also told us where to find Queen of Darkness, Mudslinger, Math Magician, Fear Fox, and my hypothetical Akumatized self, Wolf Carnage.

Nico: Yep, she told us that Queen of Darkness is hiding out at Yi Ling, Mudslinger is hiding out at Lake Superior, Math Magician is hiding out at Italy, Fear Fox is hiding out in Madagascar, and the last one, Lincoln's hypothetical Akumatized self, Wolf Carnage, is hiding out in Belgium.

William: Whoa!

Me: Which means tomorrow, we're heading to Yi Ling to face Queen of Darkness.

Lincoln: This won't be an easy task. Yi Ling was a really bloody battle, and it's one that's brought back bad memories.

Sun Shang Xiang: For me mostly, Yi Ling left bad memories for me, but I have to face my fears, we can't let Lucy's hypothetical Akumatized self run free.

Lincoln: We won't, Shang Xiang.

Ina: Lincoln's right, we're not letting her run free any longer, Shang Xiang. Tomorrow, we're going after her.

Elizabeth Lioncourt: Queen of Darkness isn't going to flee, we'll make sure she gets captured. Oh, and later on today, we'll be meeting twelve more of Lincoln's Guardian Angels, and they're all sisters.

Me: More of Lincoln's Guardian Angels are coming, and they're sisters as well.

Kira Gutierrez: Just like us and the Huntington Sisters. (Thinking) If it's who I think it is, we're so in for one awesome reunion.

---

After taking down Book Butterfly, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Elizabeth Dracona Adalinda saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Elizabeth Dracona Adalinda: My God, I was right that Lincoln's really grown into a 17-year-old, 7'9" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Elizabeth, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Elizabeth Dracona Adalinda: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting

smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Elizabeth Dracona Adalinda: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Elizabeth, what's the story on yours and Lincoln's first date at Lake Michigan, and you said it was right after he saved you from Lola who was about to kill you after you told her off?

Marie MacDougal: Oh, you're going to love this.

?: (Girls' Voices) And so are we.

Suddenly, we saw Tortt, Blasoom, Hornacle, Attmoz, Glaishur, Syncopite, Scaratar, Loodvigg, Plixie, Furnoss, Vhamp, and Galvana come inside.

Lincoln: (GASPS) Those twelve voices, Antonia Celestialstar, Barbara Celestialstar, Dominga Celestialstar, Esmeralda Celestialstar, Fernanda Celestialstar, Gabriela Celestialstar, Helia Celestialstar, Isabela Celestialstar, Justina Celestialstar, Luz Celestialstar, Nadia Celestialstar, and Vicenta Celestialstar!

Kira Gutierrez: The Celestialstar Siblings and the Guardians of The My Singing Monsters World?! Oh, I knew it was them!

Antonia Celestialstar, Barbara Celestialstar, Dominga Celestialstar, Esmeralda Celestialstar, Fernanda Celestialstar, Gabriela Celestialstar, Helia Celestialstar, Isabela Celestialstar, Justina Celestialstar, Luz Celestialstar, Nadia Celestialstar, and Vicenta Celestialstar reverted back to normal, and they're twelve extremely beautiful girls they're tall at 6'11" in height, they had the bodies of goddesses with large breasts with their bust size measuring at 120 cm, they have blue eyes, but they were different because of the color of their hair, angel wings, and clothes: Antonia Celestialstar has bubblegum pink hair, angel wings, and clothes, Barbara Celestialstar has lapis blue hair, angel wings, and clothes, Dominga Celestialstar has cherry red hair, angel wings, and clothes, Esmeralda Celestialstar has lime green hair, angel wings, and clothes, Fernanda Celestialstar has lemon yellow hair, angel wings, and clothes, Gabriela Celestialstar has tangerine orange hair, angel wings, and clothes, Helia Celestialstar has plum purple hair, angel wings, and clothes, Isabela Celestialstar has ebony black hair, angel wings, and clothes, Justina Celestialstar has snow white hair, angel wings, and clothes, Luz Celestialstar has mocha brown hair, angel wings, and clothes, Nadia Celestialstar has azure blue hair, angel wings, and clothes, and Vicenta Celestialstar has golden yellow hair, angel wings, and clothes, and they also have on long white sleeveless trenchcoats.

Antonia Celestialstar: (Spanish Accent) You too, Lincoln, and you've really really grown into quite the man.

Barbara Celestialstar: (Spanish Accent) He sure has, sister, and our training really helped out greatly, along with his hyperpuberty and family genes, along with getting turned into a vampire and werewolf.

Nico: Whoa, Lincoln, you know these twelve girls?!

Lincoln: Indeed I do, Nico, meet Antonia Celestialstar, Barbara Celestialstar, Dominga Celestialstar, Esmeralda Celestialstar, Fernanda Celestialstar, Gabriela Celestialstar, Helia Celestialstar, Isabela Celestialstar, Justina Celestialstar, Luz Celestialstar, Nadia Celestialstar, and Vicenta Celestialstar, the Gene-Slammers of Tortt, Blasoom, Hornacle, Attmoz, Glaishur, Syncopite, Scaratar, Loodvigg, Plixie, Furnoss, Vhamp, and Galvana and Guardians of The My Singing Monsters World, they're my Guardian Angels from Spain, and when I was eight years old, Antonia and her sisters met me and my family and they brought us to the My Singing Monsters world and the Celestialstar sisters fell in love with me and have joined the ranks of my Guardian Angels to protect me from those who would hurt me. Years later, when I was 12, me and my family came to the My Singing Monsters world, and when I discovered that Dr. Regal who was with working for Team Rocket at the time was attempting to steal the DNA of the My Singing Monsters, I decided to help the Celestialstar Sisters stop Dr. Regal from stealing the DNA, and I along with my NetNavi, Serenade, were able to stop Dr. Regal and forced Team Rocket out of the My Singing Monsters World.

Nico gasped in shock.

Nico: What?! Oh, Dr. Regal really is nothing more than a monster if he was working with and helping Team Rocket at attempting to steal the DNA of the My Singing Monsters!

Me: He sure was, Nico.

Lincoln: I should've killed him five years ago, but if he shows his face again, I will finish him off once and for all and send him to join Team Rocket in The Black Gates.

Me: And you will, Lincoln.

Lincoln: Anyways, besides being The Guardians of The My Singing Monsters World, they're also also extremely beautiful not to mention having large breasts with their bust size measuring at 120 cm, plus, they're also talented artists as well as being powerful witches.

Lori: And it's literally easy to tell them apart: Antonia Celestialstar has bubblegum pink hair, angel wings, and clothes, Barbara Celestialstar has lapis blue hair, angel wings, and clothes, Dominga Celestialstar has cherry red hair, angel wings, and clothes, Esmeralda Celestialstar has lime green hair, angel wings, and clothes, Fernanda Celestialstar has lemon yellow hair, angel wings, and clothes, Gabriela Celestialstar has tangerine orange hair, angel wings, and clothes, Helia Celestialstar has plum purple hair, angel wings, and clothes, Isabela Celestialstar has ebony black hair, angel wings, and clothes, Justina Celestialstar has snow white hair, angel wings, and clothes, Luz Celestialstar has mocha brown hair, angel wings, and clothes, Nadia Celestialstar has azure blue hair, angel wings, and clothes, and Vicenta Celestialstar has golden yellow hair, angel wings, and clothes.

Eli: Good.

Lincoln: And they and all of us love to paint pictures together, and we even sang during the holidays. They and I would also love to swim together, and we also love to cosplay together, and surprisingly, we even did a Lego version of New York City. I also made the Celestialstar Sisters beautiful necklaces and bikinis with their favorite colors, and to show thanks, they each kissed me on the lips. They hate the jerks with a passion, and they even hated Dr. Regal with a burning passion.

Nico: Damn, if that fucked-up mad scientist and one-time partner of Team Rocket shows up, he'll join them and that genocidal mad scientist fuck, Kurata, in The Black Gates.

Elizabeth Dracona Adalinda: He sure will. Okay, now for the video.

Elizabeth Dracona Adalinda pulled up the video as it played on the big screen, and we saw Elizabeth Dracona Adalinda standing in between Lola and Lincoln was beside her, and Lori was steaming mad and her eyes were red with hatred.

Past Elizabeth Dracona Adalinda: You've gone too far in trying to hurt your older brother just because he's not going to do any of your dumb bidding, but you know what, you've been asking for it for a long time, you've criticized your brother many times and you've shown absolutely no remorse for any of your insidious actions, and now, you're going to get some of my criticism. You're a powerhungry, violent, easily angered, sociopathic control freak, you're as cuddly as a porcupine, and your dress is tacky!

We gasped at her harsh words.

Nico: Damn, now that was harsh!

Me: Varie and I still remembered those harsh words she said to Lola, and man, did they sting!

We continued watching the video, and then, we saw Lola's face turn boiling red, her mouth turn into fangs, her hair turned to living fire, and she screamed with out of control rage and she went outright ballistic and charged at Elizabeth Dracona Adalinda to kill her, but Lincoln fired a blast of fire at Lori, and imprisoned her in a fire orb.

Past Elizabeth Dracona Adalinda: Lincoln… , you saved me?

Past Lincoln: I wasn't going to let Lori kill you, Elizabeth.

This made Elizabeth Dracona Adalinda smile, and she went up to Lincoln and they kissed on the lips while Lola could watch seething with rage.

Past Rita: Kids, why don't you go out and have fun, I've got a few harsh words to say to my daughter.

Past Lincoln: Okay, Mom. Let's go for a swim at Lake Michigan.

Lincoln and Elizabeth grabbed some beach stuff and they went off to Lake Michigan and leaving a trapped Lola to face her doom. Then, the scene transitioned to Lake Michigan and Lincoln was wearing orange swim shorts and Elizabeth was in a crimson red two-piece bikini, and they were swimming and having fun in Lake Michigan, then, they shared a romantic kiss as the video ended.

Nico: Wow, now that's what I call an awesome date!

Me: It was really awesome, and as for Lola, she got grounded for ten weeks, and she swore to get her revenge on Lincoln and Elizabeth, and worse, she tried to force me and Varie to help her take revenge on Lincoln, and we told her these words: "Not a chance in Hell, Loud!", we threw Lola in a cage and slammed the cage door behind her. Then, Lola lost it as she went batshit crazy screaming and shrieking like a banshee and she swore revenge on us as well.

Eli: JEEZ!

Qin: Lola Loud, of all the idiotic immature bone-headed things you've ever done because of your Dark Side, trying to force J.D. and Varie to help you take revenge on Lincoln for something that's your fault, that is by far the lowest, and you even threatened their lives as well! I ought to swat your behind with a paddle until you have a bad case of Baboon Butt!

Nico: Now, now, Qin, we saw that J.D. and Varie refused to do so, and what they did in throwing Lola in a cage and closing it proves their love for Lincoln can never be messed with.

Luna: And seeing her go crazy like that, she made a really big mistake, dude.

We got a shower, and then, Lincoln, Tuki the Naga, Shana Ratatouille, and Holly Lingerbean are heading to Sirena Beach

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'9", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Tuki the Naga, Shana Ratatouille, and Holly Lingerbean were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Tuki the Naga, Shana Ratatouille, and Holly Lingerbean fell in with Lincoln, and he also fell in love with them as well, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant, and Lincoln removed Holly's Dark Side and sent her to The Black Gates, but they also got to keep their heads up, they got word that Angelique Sawyer has sent some thugs to kill them.

Tuki the Naga: Whoa, so our first date's here in Sirena Beach, nice.

Lincoln: I knew that you, Shana Ratatouille, and Holly Lingerbean would love it, Tuki, and it's perfect for our first date, but we also got trouble: Angelique Sawyer has sent some thugs after us as well. Shall we?

Lincoln, Tuki the Naga, Shana Ratatouille, and Holly Lingerbean dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Tuki the Naga, Shana Ratatouille, and Holly Lingerbean got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen

900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw Angelique Sawyer's hired thugs coming after them, but Lincoln fired blasts of blood red energy which hit them and he sucked out all their blood and energy and killed them and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Tuki the Naga, Shana Ratatouille, and Holly Lingerbean, and they hugged the girls in their abnormally massive and powerful muscular arms, and Tuki the Naga, Shana Ratatouille, and Holly Lingerbean placed their hands on the massive pecs of Lincoln and his clones, then they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Sirena Beach, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Tuki the Naga, Shana Ratatouille, and Holly Lingerbean with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Tuki the Naga, Shana Ratatouille, and Holly Lingerbean are now in your harem.

Jenna: Flip has got some nerve trying to kill them, that cheapskate's just making things much worse for himself.

Serena Logan: Even after all this time, Flip's still the same mutant cheapskate he's always been.

Lincoln: And we also had a run-in with Angelique Sawyer's hired thugs, but I killed them all, and she should be screaming with pure

vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Angelique Sawyer scream with extreme hatred and rage.

Maria: Yeah, up yours, you monster bitch!

Carmen: Sheesh, those monster bitches just don't even know when to quit.

Nico: Serves her right, but she'll get hers later on today.

Me: They sure will, those monster bitches have gotten on our nerves five years ago, and now, they're going to pay dearly for everything they've done.

Lincoln: You got that right.

* * *

Later we were watching TV.

Andros then came.

Sandy Cheeks: Hey, Andros. Where are you off to?

Andros: My new job. You guys wanna come?

Me: Hey sure. What job did you get?

Andros: I now work as an IT.

Me: An Information Technology specialist. That's what Mr. Lynn was before he opened his restaurant.

Nico: Was he really?

Me: Yep. He had a lot of fun. Especially on Bring your Daughter to Work Day.

Lynn: Good times back then.

Me: We had a lot of fun there.

Eddy: We sure did.

Me: Yep. But sure Andros we'll go.

We went with Andros.

We followed him into the city.

Foghorn Leghorn: I have a, I say, I have a feeling that later, us Looney Tunes are going to encounter an old enemy.

Me: That will be interesting to see Foghorn.

Qin: Yeah.

Andros: Here we are.

We arrived at the building and surprisingly and shockingly it was the same IT company that Lynn Sr. Worked at before.

Me: Wow! You got a job at Lynn Sr.'s old IT company.

Lola: Boy we had a lot of good times here.

Lily: We sure did.

Lisa Loud: Indeed. Those were good times.

Me: Never thought we would be here again too.

Nico: This will be awesome.

Lynn Sr.: Boy it sure feels great to see this place again.

Rita: Good times there.

Qin: That is awesome.

We arrived at the top floor.

Andros: Here we are.

Me: Awesome place.

Lynn Sr.: Boy this is my old work floor.

Lori: Those were literally good times.

Nico: Wow.

Me: This brings back memories. I remember we had laser tag blasters and had fun here.

Luna: That was so fun dudes.

Qin: Boy it sure must've been.

Kentaro Goda: You all must be Team Loud Phoenix Storm.

Me: (In my head) Kentaro Goda! I remember him. So he is Andros' boss I think. (Out Loud) Kentaro Goda. Awesome to meet you.

Kentaro Goda: Pleasure to meet you too J.D. Andros must have told you he is working here.

Me: He sure did. And believe it or not this is also the very same building where Lynn Loud Sr. used to work at before he opened his restaurant.

Kentaro Goda: That is something. I'm glad Andros picked a good job here.

Me: He sure did.

Eddy: Boy I remember this building. It was so fun.

Lisa Loud: Indeed and there was our mother parental unit's former work place.

We saw Dr. Feinstein's office.

Me: That's the dentist alright. Hard to imagine it was right across the street from here.

Qin: Just a short hop away.

Me: I said the same thing.

Lola: Yeah.

Nico: That is really interesting. Their work places were both right across the street from each other.

May: That is awesome.

Me: You never saw that before didn't you Nico?

Nico: Nope.

Me: Yeah Lincoln was upset that his dad's work place was having Take Your Daughter to Work Day and he wanted to go too but it was only for the girls. Lincoln was disappointed. So his mom intervened and arranged to have a Take Your Son To Work Day. We had fun on that in both spots.

Nico: Neat.

Andros: That is awesome.

Kentaro Goda: I really am glad that Andros picked a good job. But, that doesn't cure me of my boredom. I have everything a millionaire can want. And you know what? I'm bored to death because of that fact.

Me: Kentaro we actually know the feeling ourselves. We have practically all the money in the world but just because you're rich doesn't mean that you will be happy. There are lots of things that money will never buy. Like power, love, friendship and a good family.

Kentaro knew I was right.

Kentaro Goda: I greatly appreciate that advice J.D.

Me: You're welcome.

Kentaro Goda: (chuckles) But I guess you told me that too late, huh? Andros, you really have been a good employee. But the thing is, I need to cure my boredom somehow. So, don't take this the wrong way.

Me: Here it comes.

With that, he was surrounded by an energy circle with the Megaranger logo and turned into Denjiki from episode 22 of Donbrothers!

---

Taro has delivered a package to Goda at a large mansion. He tells Goda they have now formed a bond and offers to help him with any problems he might have. Goda is interested in Taro's proposed assistance and invites him into his home.

Taro is then given a gourmet steak dinner while Goda explains he is absolutely bored with his life. He has made every achievement and obtained everything he possibly could want, even simple pleasures such as a fine meal bore him. To have everything you could ever desire is like having nothing to Goda. Taro cannot really understand that problem, but is asked by Goda to ease his boredom by telling an interesting story about himself. Taro says he isn't an entertainer and then his brutal honesty comes out, saying Goda might be bored with life because he is in fact a boring person.

Goda is depressed as Taro drives off, asking his butler if he is a boring person. His servant reassures him he is not, but becomes flustered when asked to tell an interesting story. Goda gets angry that he cannot alleviate his boredom and his desire to just feel something other than boredom turns him into Denjiki.

Later at the Goda Digital Holdings, the office workers are attacked by Denjiki, who demands to be told something interesting and if they fail to do so, he will vacuum them into his body. Then, Haruka arrives at the office transformed and overhears Denjiki shouting about wanting to hear interesting stories. The office worker he is harassing says he heard a story about Heaven from one of his supervisors, which satisfies Denjiki who lets the worker go. Sonoza appears and unaware that Oni Sister is Haruka, transforms into his armor and immediately attacks her. She gets dragged into a small office and they fight until the other Donbrothers show up. Taro wonders where she has been, to which Haruka says it is complicated as she fends off Sonoza. Taro thinks she was slacking off somewhere and then rescues an office worker from Denjiki by blasting him with his Donblaster. Haruka is chased by Sonoza while her teammates chase after a fleeing Denjiki.

Later at a beach, Denjiki attacks again as the Donbrothers teleport to the location. Denjiki screams he demands to be told an interesting story, to which Haruka says it is difficult for a person to make stories interesting. Shinichi recites a haiku about shaved ice on a summer date, Denjiki decides to spare Shinichi for the haiku, much to Haruka's exasperation. Don Momotaro orders the team to Avatar Change, with all of them transforming into the avatars of Fiveman.

Jiro arrives to help, but Shinichi coldly rejects the offer and Tsubasa pushes him into the sand as he will only get in the way. Tsuyoshi tries to call them out on being mean to Jiro, but they are too focused on the Hitotsuki to care. They use their Five Blasters on Denjiki, who summons a surfboard to fly on (emulating the Megaranger's Cyber Sliders). He proves too fast for the team to shoot at, so Taro uses Five Red's V-Sword and ducks under Denjiki, slicing the surfboard in half and sending the Hitotsuki flying and crashing into the sand. The Donbrothers then change into their Robotaro forms and use the Frenzied Peach: Blast Party to defeat Denjiki, who changes into Denjiking and the main group becomes Don Onitaijin to fight Denjiking.

Fired up from her long and frustrating day, Haruka unleashes a powerful barrage of Oni Kicks on Denjiking, who tries to strike Don Onitaijin with an energy whip (copying Galaxy Mega's Saber Electromagnetic Whip). He then tries to do a knockoff of the Super Galaxy Knuckle attack but Tsuyoshi shoots down the rocket fists with his Kiji Missiles. Don Onitaijin takes to the air and Shinichi unleashes his Continuous Sky Monkey Strike. Taro suggests that they use the Optic Beam attack, firing a quintet of lasers from each of their Robotaro's eyes to critically weaken Denjiking enough to be finished off by the DonBros Paradise attack.

With no clue of what actually happened, Goda returns home believing he had a very interesting dream.

Denjiki: For one, you can tell me an interesting story!

Me: I think we got a couple of them.

He summoned a surfboard and rode on it at us.

Andros: Two can play at that game! (gets on Galaxy Glider)

Me: SURFS UP!

Earth and Fire fired waves of rock and fire and blasted Denjiki down and Andros bashed him down.

Nico: You want to know an interesting story? Fine. Once upon a time, there was an evil worm named Mr. Mind! He was one of Billy Batson's enemies. One day, he came up with a plan to try and get rid of us. So, he took advantage of one of the few mistakes we made and recruited several villains for his own team.

Lugnut: Including one from the world I come from!

Denjiki: Tell me more!

He emitted a megaton-class attack from his head at Lugnut.

I teleported and kicked the blast high into the sky.

Me: Many villains were gathered and he formed his own team of 24 villains named Team Dark Phoenix Storm! And he used a castle in Loch Loud in Scotland as a trap. His plan was to fire 24 powerful Nuclear Missiles and blow the Louds and the entire planet to smithereens!

Nico: I admit we never would've figured it out on our own. So, we managed to get to one of his recruits before he did and convinced him to be a spy for us!

Denjiki: Now, it's getting interesting

Denjiki electrified his sword and used it as a whip on Andros.

Lincoln grabbed the whip and absorbed the lightning from it!

Lincoln: Thanks to the intel of one of their own we found out what they were going to do and devised our own counterattack on them!

Me: And one by one we flew out into groups and defeated all 24 members of them.

Denjiki: I take it you took Mr. Mind down?

Andros: No. I defeated SaberLeomon. The real hero… was Poromon.

Poromon: Mr. Mind was yummy!

Denjiki: Say what?!

Denjiki shots his two fists in a twisted trajectory at Poromon

Poromon dodged them.

Poromon: He tasted like chicken.

Me: What did you expect? Poromon is a Bird Digimon and Mr. Mind was a worm villain. Birds eat worms.

Denjiki: SAY WHAT!?

He opened his jaw wide to the point where his skeleton literally fell out!

Taro: What were they talking about?

I jumped beside him.

Me: We were talking about the great battle we had with Team Dark Phoenix Storm. On October 10th, 2021 we went into battle with Mr. Mind and 23 big villains that we battled in 24 major adventures. It was epic. Here.

I gave Taro a book I made on it.

Me: Hot off the presses.

Taro: "Team Loud Phoenix Storm Adventure 1537: Team Loud Phoenix Storm VS Team Dark Phoenix Storm." Cool!

Me: Yeah we made our own adventures as books. I work really fast. They are bestsellers.

Lola: Yep.

Denjiki: That… really is interesting.

Me: You'll see the adventure in detail later on in the books.

Haruka: So is this. Avatar Change!

Haruka turned into IN SPACE YELLOW!

Me: That was one of the most epic adventures we ever did.

Eli: It sure was and we discovered an awesome ancestral heritage about the Louds.

Lucille Loud: (Scottish Accent) Aye. They found out that they are descended from me and my siblings. We have family ties now.

Me: The Louds have Scottish in their blood and they have family ties that date back to 1621.

Denjiki: Over 402 years ago!

Me: Yep. It was an awesome family tree.

Haruka charged at Denjiki.

She smashed him down with a powerful charge!

Qin: OH YEAH!

Fluttershy: Take this!

She activated Carmen Dillo's Zector and rolled into a ball and charged and smashed him down with a powerful smash!

Nico: YEAH!

Xenia: WHOA! Nice one Fluttershy!

Lincoln: Nice job Flutters!

Applejack: YEEHAW! That was great!

Me: Here's a Final Smash I invented from Angry Birds Rio! BIRD SWARM ASSAULT!

I did a bird call and summoned a massive swarm of birds and they flew and blasted down Denjiki!

Qin: YEAH!

Matau: WOW! That was great J.D.!

Nico: Yeah!

Maria: Glad you like it, Matau. Because tomorrow is Julie's final mission.

Matau: I know. But that was an awesome start to get me going for it.

Maria: I wonder where the next gene-slammer is.

Qin: Uhh Maria don't look now but there is SOMETHING CRAWLING INSIDE YOU!

Maria saw it and she screamed in fright!

Nico: GAH SWEET UNCLE JOSEPH WHAT THE FUCK IS THAT!

Maria: (SCREAMS!) AAAAAAHHH! GETITOUT GETITOUT GETITOUT GETITOUT GETITOUT!

Varie: Maria turn into your water form!

She did so and she saw that it was an Alomomola and it was swimming inside her!

Nico: An Alomomola!

Maria: How did that get in me!?

Tsubasa: It was probably small enough.

It popped out and reverted back and was a girl with pink hair and had pink beach clothes.

Rhonda Delaney: Sorry about the scare.

Qin: Rhonda Delaney!? Wow!

Nico: Wow! Awesome to see you again!

Rhonda Delaney: Same here Nico. Let me get some shots.

She fired waves of bubbles and blasted Denjiki all over with them.

I slashed Denjiki and Wind and Water blasted and slashed him.

Rhonda Delaney: That was awesome!

Maria: Don't do that again!

Rhonda Delaney: Sorry about that.

Andros slashed and pulverized Denjiki.

I kicked him down and blasted him with intense energy.

Nico: Andros, I get the feeling you might be out of a job after this

Andros: I know.

Me: But you have a much more important job with us. Come on guys! Lets bring him down!

Taro: You got it!

Twilight Sparkle: Lets do it!

(TWO WORLDS ONE FAMILY BY PHIL COLLINS PLAYS)

Somewhere something is calling for you

Two worlds, one family

Trust your heart

Let fate decide

To guide these lives we see

Twilight Sparkle and friends joined hands and me and the Donbrothers formed a powerful FRIENDSHIP SOLAR SYSTEM and we fired it in a rare planetary alignment and it slammed into Denjiki and exploded with incredible power!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was blasted down and I caught the Megaranger gear!

Me: Oh yeah! Denjiki you have failed this city!

Donbrothers: Demon Elimination Complete! All's Well that Ends Well.

Twilight Sparkle: Knights of the Friendship Table, Friendship is Magic!

Nico: YEAH!

I went over the Kentaro Goda.

Me: Sorry about that Kentaro.

Kentaro: (Groans) I'll be okay.

Me: Good.

I gave him a copy of my book for the battle we had with Team Dark Phoenix Storm.

Me: Take a copy for our story. You'll love it.

Kentaro: Thank you.

With that, he vanished.

Me: At least he'll have an awesome story to read back in Japan.

Qin: Yeah he sure will.

Don Masamune: That is for sure. But girls you all did great. Mother would be really proud of you.

Earth Masamune: Thanks dad.

Fire Masamune: I'm sure she would be.

Me: You girls ALL were awesome.

Rhonda Delaney: That was awesome!

Elita One: Your favorite memory of Nico?

Rhonda Delaney: When me and Nico were at the mall and we foiled a jewelry store robbery and we got the medal of merit for stopping them.

Nico: That was fun and cool.

Qin: That was awesome! Those jerks were the most wanted robbers in the country and they caught them.

Nico: Yep.

Nico and Rhonda hugged.

Nico: I've really missed you.

Rhonda Delaney: Me too Nico. Me too.

Lola: But this was awesome.

Me: Sorry you got canned Andros.

Andros: Oh it's all right J.D. Besides you were right. Being a Power Ranger is a much bigger and larger responsibility.

Me: That's right.

Haruka: Before we go, I want a copy of that book.

Me: I made plenty of all our adventures for everyone.

I gave her a book.

Me: Thanks again for helping us guys.

Taro: Our pleasure J.D.

Me: And an awesome bonus is that we reunited Don Masamune with the girls.

Earth Masamune: You sure did.

Qin: That was awesome.

Don Masamune: Be careful girls.

Wind: We will dad.

They teleported back to Japan.

Sandman: He wanted an interesting story? He got one.

Me: Yep.

Nico: That was still an awesome Hitotsuki battle.

Lyra: It sure was!

Nico: Now we got the main event to do. Lets get ready for our next mission.

We went back to the estate and got ready.

The Previous group came.

Tar Pit: Can me, Xaldin, Cavalier, Chemistro, Count Vertigo, Overdrive, DC Enchantress, Black Spider, Bronze Kneecap, and Ebon go with you guys?

Nico: Yes you all can come with.

Qin: But we don't even known what our mission is.

Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye glowed, and he had a vision and he saw who it was that we were going to confront: it was the ACME Chairman, and he's back to steal The Blue Monkey Diamond and transform the world's population into subservient monkeys and take over the world along with getting revenge on Bugs and Daffy for ruining his scheme long ago. When we saw it, we knew it meant trouble.

Nico: Lincoln, what's wrong?

Lincoln: Nico, where are Bugs, Daffy, and the other toons? We got big trouble.

Just then, Bugs Bunny, Daffy Duck, and the other Looney Tunes and Tiny Toons came in.

Bugs Bunny: Eh, what's the situation, doc?

Lincoln: You and Daffy aren't going to like it one bit, I just had a vision and I saw who we're going to confront: it's your old enemy, The ACME Chairman, and he's back to steal The Blue Monkey Diamond and transform the world's population into subservient monkeys and take over the world along with getting revenge on you and Daffy for ruining his scheme long ago.

Bugs Bunny and Daffy Duck freaked out and did wild takes galore when they heard the news.

Buster Bunny: The ACME Chairman's back?! I thought you and Daffy took care of him and he got turned into a monkey.

Bugs Bunny: We did, Buster. But, it looks like he's been turned back into a human, and no doubt, it's from a Dark Orb's assistance.

Daffy Duck: If he's back, this isn't going to end well.

Nico: It sure isn't.

Me: Especially since I've got The Blue Monkey Diamond right here.

I took out The Blue Monkey Diamond.

Buster Bunny: Wait, so that person who beat up The ACME Chairman and turned him into a monkey, that was you, J.D.?!

Me: Yep.

Bugs Bunny: (Remembers the event) Wait, now I remember. Yeah, you were there alright, you really laid a beatdown on The ACME Chairman. You helped, Daffy and I along with DJ Drake and Warner Bros. executive Kate Houghton on the journey to thwart the Chairman's plot, which also doubled as a mission to rescue the former's abducted father, Damian.

Daffy Duck: That was an epic showdown alright! So, he'll be after you again not only for The Blue Monkey Diamond but also revenge.

Me: He's not going to get that chance, he's getting a major beatdown once and for all, and this time, we're throwing him in jail forever.

Nico: The Warner Bros. executives and toons are so going to want his head on a pike for this.

Lincoln: You said a mouthful.

Camie: Who is the Chairman?

Me: He was the former president of the ACME corporation and he wants turn everyone in the world into monkeys with the Blue Diamond and then hold them for ransom and then once he is paid with all the money in the world turn them back to buy ACME products.

I told everyone about him.

---

Luther J. Chairman, better known as Mr. Chairman, is the main antagonist of the 2003 Warner Bros. hybrid film Looney Tunes: Back in Action.

He is the immature president of the famous ACME Corporation, who plans to to use the power of the Blue Monkey Diamond to transform everyone in the world into monkey slaves, and then transform them back to buy ACME Products. He is also the arch-nemesis of Damian, D.J. Drake and Daffy Duck.

He was portrayed by Steve Martin in the movie, who also played Orin Scrivello in Little Shop of Horrors, Hotep in The Prince of Egypt and Captain Smek in Home. In the video game adaptation, he was voiced by the late Joe Alaskey, who also played Bugs Bunny and Daffy Duck in the movie.

The Chairman is first seen rambling about getting the Blue Monkey diamond to his "evil purposes" (as his minion, Bob Smith, reveals the gem to him) with his two Slovak-like henchmen Morty Badlock and Nathalia Inferna, and then showing interest on his Bad Ideas VP, Mary.

Later, he orders his first henchman, Yosemite Sam, to capture DJ (the film's protagonist) and Daffy Duck in his casino at Las Vegas. After they escape along with Kate and Bugs Bunny to the Nevada Desert, the Chairman contacts his desert operative (Wile E. Coyote) to destroy them, but needless to say, he fails.

At Area 52, the heroes learn that the Chairman's goal is to use the diamond's power to turn every person in the world except himself and Mary into monkeys to use to massively produce ACME's machines and gadgets, then turn them human again to buy the products for profit.

Meanwhile, Mr. Chairman contacts Marvin the Martian and orders him to execute a breakout and get the map card DJ has, but they escape in the nick of time. His last attempt of taking the Looney Tunes out of the way is having Elmer Fudd to chase them at the Louvre Museum, but Kate's cellphone with a photo of the map to the diamond is stolen by Mr. Chairman's bodyguard, Bob Smith. The group travels to Africa and finally reaches the diamond, but the Chairman, Bob, and Taz the Tasmanian Devil (disguised as Granny, Tweety, and Sylvester, respectively) corner them and teleport them all to ACME's headquarters (with some minor complications). He ties Kate and DJ next to a train rail where DJ's father, Damien Drake (who was kidnapped before) is tied to, waiting for ACME's Death Train to come. Mr. Chairman then gives the Blue Monkey to Marvin, ordering him to get to ACME's satellite in order to unleash the monkey laser.

Daffy and Bugs then chase Marvin through space, trying to stop him from attaching the Blue Monkey to ACME's satellite to unleash the monkey laser. However, Daffy (as Duck Dodgers) manages to throw his beak at the satellite's antenna, unleashing only two small shots, one of which hits the Chairman, turning him into a monkey, much to Mary's sorrow. Damien Drake, who had been rescued earlier, put him in handcuffs. When Daffy and Bugs crash-land through the window in their ship, Monkey Chairman runs away in horror. It's unknown if Monkey Chairman escaped to avoid being arrested and even if he ever returned to normal or spend the rest of his days as a monkey due to the Diamond being lost in space.

When I was done everyone that hadn't heard about it was shocked!

Qin: He is a monster!

Lola: No kidding!

Xenia: Yeah!

Me: Well he will not get away with this.

Ember McLean: Nico, which Gene Slammers do you think you'll meet next?

Nico: Ferrothorn, Klinklang and Eelektross.

Me: Ooh! Awesome!

Lola: Yeah!

Xenia: That will be cool.

Nico: But this time lets go for 6 Anothers. Including the Neo-Core and Main Core one.

Me: Okay.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Angelique Sawyer of The Legion of The Lincoln-Haters, and she's heading here to kill Lincoln and get revenge. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, it's Angelique Sawyer of The

Legion of The Lincoln-Haters, and she's heading here to kill me and get revenge.

Selene Arcangela: Should've known Brianna Greyson would send her next. But, if we know that bitch all too well, she'll also be bringing Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson with her.

Nicholette Torrington: Just like what happened when The Chernabog Sisters came after us last year.

Lincoln: That won't be a problem, I'll trap them in a force field.

Nikki: While you and I deal with Angelique Sawyer and put an end to her for good, Lincoln.

Lincoln: But, we also got to watch it though, Angelique Sawyer will no doubt have her machine guns with her, along with the others.

Nico: Good thinking, if they broke out of jail, they're bound to have gotten access to high-powered machine guns they stole from the cops or got themselves from contacts outside. Alright, gang, let's go, we're taking down The ACME Chairman and ending his insane plot to turn the world's population into monkeys and take over the world.

Lincoln: There's no way we're letting an insane madman like him get away with such an insidious plot, he's going down hard, and once we get done taking down The ACME Chairman and sending that madman off to jail for good, you're next, Angelique Sawyer.

Selene Arcangela: You better start praying for mercy, you remorseless bitch.

Selene Emperyous: Because, we will show you and the others none for everything you've done in the past.

Nikki: No way are we forgiving you for any of your actions, Angelique Sawyer, you better be ready to pay the price for your foul misdeeds.

Me: Looks like we're heading to New York City.

Qin: Yep.

Nico: Lets head out people.

We were off.

Lincoln put up a rainbow energy field around The World Tree Estate and we headed off to take down The ACME Chairman who's been turned back into a human and is back for revenge, and after we get done taking down The ACME Chairman, Lincoln and Nikki are going to kill Angelique Sawyer of The Legion of The Lincoln Haters.

---

We were flying.

Xaldin: Bugs, who helped you guys against the Chairman last time?

Bugs: You guys will like him. His name is Damian Drake. He's really awesome.

Foghorn: He sure, I say, he sure is funny and you would like him.

Daffy Duck: He sure is a great guy.

Qin: This will be awesome.

Yosemite Sam: But we're going to blast that brackin frackin varmint!

Molly Hale: Where is he right now?

Entei: I think he's over in that building there.

We saw a radio station.

Me: That's it.

Qin: Yep. Looks like it.

Bugs Bunny: He is a D.J. So we'll be excited to see him.

Chemistro: This is the place, right?

Me: Yep.

We went in and we saw him.

Damien Drake: We'll be back after these messages.

Then he came off the air.

Damien Drake: (Sees us) Team Loud Phoenix Storm!? WOW! Awesome to meet you guys.

Bugs Bunny: Ehh What's up doc?

Damien Drake: Bugs Bunny! Guys!

Daffy Duck: What's up buster.

They hugged.

Gravity Man: (laughs) Bugs and the others really missed you.

Me: They sure did.

Qin: Yeah.

Lola: All the Looney Tunes cartoons are awesome iconic classics and we love them.

Granny: I'm so glad you all do.

Sylvester: It's so awesome.

Lana: You guys have been making us laugh since 1930 and it's awesome.

Yakko: That was awesome and fun.

Overdrive: Are there any vehicles I can use here?

Me: Plenty of cards down on the street.

Overdrive: Good good.

Slappy Squirrel: I had my fair share of cartoons in Looney Tunes too.

Bugs Bunny: I remember that Slappy.

Lola Bunny: Those were really funny times.

Nico: Yes they were.

Tweety Bird: Those were weally fun times.

Lola: They sure were.

Threatpack: They even got descendants too.

Ace Bunny: That's us.

Me: They are from the 28th Century.

Qin: Yeah.

Damien Drake: That is really cool.

Ace Bunny: Yep. We are called the Loonatics.

Qin: Yep.

Xenia: It was awesome meeting them.

Damien Drake: That is awesome! I take it you guys heard about The Chairman coming back?

Me: Yep. He's after me for ruining his plans before. Long story.

Qin: Yeah.

Me: But I have a gag to start our attack on him.

I snapped my fingers and then air whistling was heard.

I pointed to the Chairman's building and we saw an Anvil falling down towards it and then it crashed through the roof and then…

KRASMASH!

It smashed right on top of his head!

Nico: OOH! Ouch!

Bronze Kneecap: That should buy us some time.

Me: I still got plenty more where that came from. (SNAPS FINGERS)

Then the chairman sat down and then…

SNAP!

HE SCREAMED IN PAIN!

He sat on a bear trap and it clamped onto his butt! Then…

KRABBBBBBBOOOOOOOOOOOMMMM!
KRABBBBBBBBBBOOOOOOOOOOOMMMMMM!
KRABBBBBBBBOOOOOOOOOOOOOMMMMMM!

Explosives blasted off in his face!

Nico: Nice one!

Then…

KRASMASH!

He got hit on his head with a piano and it crushed him! He emerged from it with piano keys for teeth.

Then a safe crashed onto him!

SMASH!

He was flatter than a pancake.

Strike Man: Now that really should stun him long enough.

Me: I got a million of them.

Damien Drake: That was great though!

Me: Thanks.

Bugs Bunny: Guy's a natural at cartoon comedy.

Qin: Yep.

Ebon: Are any of his goons disguised as any of us?

Me: Hmm.

Eli: (Concentrates) Don't sense anything.

Me: Good.

Qin: That will make this easier.

CHAIRMAN SCREAMS!

He sat on a pin I stuck in his chair and it went into his butt!

Qin: Ouch.

BANGBANGBANGBANGBANGBANGBANGBANG!

Numerous hunters appeared in his office and blasted him all over with their shotguns!

Daffy Duck: (LAUGHS) Now he knows how I feel every Hunting Season!

We laughed!

Bomb Burst: Don't jinx it.

Me: That was funny though.

SMACK!

Chairman: YEEEEEEEEEOOOOOOOOOOWWWWWW!

He got hit by a cactus and sent crashing into his ceiling.

Me: I told you guys that I have a million of them.

Laney: Yep.

Then…

THUNDERCLAP! THUNDERCLAP!

He got struck by lightning twice! Then…

ZAP ZAP ZAP ZAP ZAPZAPZAPZAPZAPZAPZAPZAPZAPZAPZAPZAP!

He got struck by lightning from me 20 times!

Qin: Nice shooting!

Lola: (LAUGHS) Funny!

Fluttershy: I know a good one.

Fluttershy did a song call and then an ACME WILDCAT YOWLED AND MAULED CHAIRMAN ALL OVER FEROCIOUSLY!

Nico: Ooh! Ouch!

Lincoln: Nice one Flutters!

Xenia: That was funny!

Black Spider: Are there any friends of yours that can help us?

Kate Houghton then came.

Kate Houghton: I can help.

Bugs: Hey Kate!

Kate Houghton: Long time no see Bugs.

Bugs: Same here.

Totally Spies Timmy: Bet you're happy to see them again.

Kate Houghton: I sure am.

CRASH!

A boulder fell through his roof and smashed him flatter than a pancake!

Nico: Ouch!

Lola: Nice.

DC Enchantress: That's gotta hurt!

Me: That was just the start. Like I said I got a million of them.

Swarms of bees flew into his office and stung him all over the place.

Nico: OUCH!

Then angry dogs ran in and mauled the Chairman!

Then a hose got shoved down his throat and then a massive tank full of super spicy hot sauce poured in and fire exploded out of his mouth as he was running around like a chicken with his head cut off!

Napalm Man: I think we should go after him now.

Me: Good idea. That was just the falling stuff. I'm going to hit him with everything INCLUDING the kitchen sink.

Nico: This will be good.

Damien Drake: This is gonna be funny.

Qin: It sure will.

Lola: Yep.

Count Vertigo: Where is he right now?

Me: Uhh in that building all those cartoon pranks were hitting.

Count Vertigo: Oh right.

Nico: Lets get a move on.

Sonata Dusk: Entrance time!

We went at the building.

The Chairman was really beat up from all the gags that hit him. His clothes were all torn up and burned and he was brutally battered and bruised big time. He got up all dizzy and painfully dazed.

Chairman: (Dazed and stupid) Mommy I don't want to go to school today. (BLUBBERS) When I find out who hit me with those pranks I'm going to kill them!

Then the spirits of the Looney Tunes characters came and swirled around him and then they converged and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted through the roof and a phoenix cry was heard and then we landed in his office.

Me: Hello Chairman. Miss me?

Chairman: YOU! YOU DID THIS TO ME!?

Me: YOU'RE CORRECT SIR!

Chairman: Of course! Who else could cause so much pain?!

Cavalier: Be grateful you still have all your limbs! If we're going to turn you into a monkey, we need all of them attached!

Me: That's right!

I gave him an exploding cigar and lit it and ran and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM!

It exploded in his face!

Then I opened a chest and smashed him over the head with a skillet pan, an anchor, a shovel, a plate, a spittoon, a monkey wrench, an alcohol jug, a safe, a rolling pin, a hammer, a wooden club and a vase!

Me: I did say I was going to hit you with everything, INCLUDING the kitchen sink.

I then smashed a sink onto his head!

KRASMASH!

He really felt that one!

Nico: OUCH!

Xenia: Nice one!

Then Shiv, Villamax, Madame Masque, Dr. Light, Multiple Man, Nergal, El Oso, Duff Killigan, Anti Wanda, and Firepower appeared.

Nico: Shiv, Villamax, Madame Masque, Dr. Light, Multiple Man, Nergal, El Oso, Duff Killigan, Anti Wanda, and Firepower.

Shiv: Jumping Cyclones! What a mess!

Qin: No shit! But it was funny!

Shiv: (to Andros) Look on the bright side. At least you still got paid in your temporary job.

Andros: Of course I did.

Nico: True.

Villamax: You'll find another job in the future.

Madame Masque: One that isn't shady.

Me: Yeah.

Dr. Light: (to Nico) We heard you went to a cotton candy planet.

Nico: We sure did.

Multiple Man: How much did you eat?

Me: He ate a lot.

Nico: Yep.

Koragg then appeared.

Me: Koragg! Wow!

Sarah Gunnerson: But you already have a usual battle.

Koragg: I know. But it's my turn today.

Me: Oh I get it.

Koragg: There's no rule against me being in Power Ranger battles once in a while.

Me: No there isn't.

Qin: This will be fun.

Xenia: Yes it will.

We got the battles underway.

Mimi Tachikawa: Sunset Shimmer took an awesome liking to her.

Yolei: She sure did and it was awesome.

Catherine: We all were amazed.

Mina: Yeah and her story is awesome too.

---

Nico: Yep. So, Elizabeth, what's the story on yours and Lincoln's first date at Lake Michigan, and you said it was right after he saved you from Lola who was about to kill you after you told her off?

Marie MacDougal: Oh, you're going to love this.

?: (Girls' Voices) And so are we.

Suddenly, we saw Tortt, Blasoom, Hornacle, Attmoz, Glaishur, Syncopite, Scaratar, Loodvigg, Plixie, Furnoss, Vhamp, and Galvana come inside.

Lincoln: (GASPS) Those twelve voices, Antonia Celestialstar, Barbara Celestialstar, Dominga Celestialstar, Esmeralda Celestialstar, Fernanda Celestialstar, Gabriela Celestialstar, Helia

Celestialstar, Isabela Celestialstar, Justina Celestialstar, Luz Celestialstar, Nadia Celestialstar, and Vicenta Celestialstar!

Kira Gutierrez: The Celestialstar Siblings and the Guardians of The My Singing Monsters World?! Oh, I knew it was them!

Antonia Celestialstar, Barbara Celestialstar, Dominga Celestialstar, Esmeralda Celestialstar, Fernanda Celestialstar, Gabriela Celestialstar, Helia Celestialstar, Isabela Celestialstar, Justina Celestialstar, Luz Celestialstar, Nadia Celestialstar, and Vicenta Celestialstar reverted back to normal, and they're twelve extremely beautiful girls they're tall at 6'11" in height, they had the bodies of goddesses with large breasts with their bust size measuring at 120 cm, they have blue eyes, but they were different because of the color of their hair, angel wings, and clothes: Antonia Celestialstar has bubblegum pink hair, angel wings, and clothes, Barbara Celestialstar has lapis blue hair, angel wings, and clothes, Dominga Celestialstar has cherry red hair, angel wings, and clothes, Esmeralda Celestialstar has lime green hair, angel wings, and clothes, Fernanda Celestialstar has lemon yellow hair, angel wings, and clothes, Gabriela Celestialstar has tangerine orange hair, angel wings, and clothes, Helia Celestialstar has plum purple hair, angel wings, and clothes, Isabela Celestialstar has ebony black hair, angel wings, and clothes, Justina Celestialstar has snow white hair, angel wings, and clothes, Luz Celestialstar has mocha brown hair, angel wings, and clothes, Nadia Celestialstar has azure blue hair, angel wings, and clothes, and Vicenta Celestialstar has golden yellow hair, angel wings, and clothes, and they also have on long white sleeveless trenchcoats.

Antonia Celestialstar: (Spanish Accent) You too, Lincoln, and you've really really grown into quite the man.

Barbara Celestialstar: (Spanish Accent) He sure has, sister, and our training really helped out greatly, along with his hyperpuberty and family genes, along with getting turned into a vampire and werewolf.

Nico: Whoa, Lincoln, you know these twelve girls?!

Lincoln: Indeed I do, Nico, meet Antonia Celestialstar, Barbara Celestialstar, Dominga Celestialstar, Esmeralda Celestialstar, Fernanda Celestialstar, Gabriela Celestialstar, Helia Celestialstar, Isabela Celestialstar, Justina Celestialstar, Luz Celestialstar, Nadia Celestialstar, and Vicenta Celestialstar, the Gene-Slammers of Tortt, Blasoom, Hornacle, Attmoz, Glaishur, Syncopite, Scaratar, Loodvigg, Plixie, Furnoss, Vhamp, and Galvana and Guardians of The My Singing Monsters World, they're my Guardian Angels from Spain, and when I was eight years old, Antonia and her sisters met me and my family and they brought us to the My Singing Monsters world and the Celestialstar sisters fell in love with me and have joined the ranks of my Guardian Angels to protect me from those who would hurt me. Years later, when I was 12, me and my family came to the My Singing Monsters world, and when I discovered that Dr. Regal who was with working for Team Rocket at the time was attempting to steal the DNA of the My Singing Monsters, I decided to help the Celestialstar Sisters stop Dr. Regal from stealing the DNA, and I along with my NetNavi, Serenade, were able to stop Dr. Regal and forced Team Rocket out of the My Singing Monsters World.

Nico gasped in shock.

Nico: What?! Oh, Dr. Regal really is nothing more than a monster if he was working with and helping Team Rocket at attempting to steal the DNA of the My Singing Monsters!

Me: He sure was, Nico.

Lincoln: I should've killed him five years ago, but if he shows his face again, I will finish him off once and for all and send him to join Team Rocket in The Black Gates.

Me: And you will, Lincoln.

Lincoln: Anyways, besides being The Guardians of The My Singing Monsters World, they're also also extremely beautiful not to mention having large breasts with their bust size measuring at 120 cm, plus, they're also talented artists as well as being powerful witches.

Lori: And it's literally easy to tell them apart: Antonia Celestialstar has bubblegum pink hair, angel wings, and clothes, Barbara Celestialstar has lapis blue hair, angel wings, and clothes, Dominga Celestialstar has cherry red hair, angel wings, and clothes, Esmeralda Celestialstar has lime green hair, angel wings, and clothes, Fernanda Celestialstar has lemon yellow hair, angel wings, and clothes, Gabriela Celestialstar has tangerine orange hair, angel wings, and clothes, Helia Celestialstar has plum purple hair, angel wings, and clothes, Isabela Celestialstar has ebony black hair, angel wings, and clothes, Justina Celestialstar has snow white hair, angel wings, and clothes, Luz Celestialstar has mocha brown hair, angel wings, and clothes, Nadia Celestialstar has azure blue hair, angel wings, and clothes, and Vicenta Celestialstar has golden yellow hair, angel wings, and clothes.

Eli: Good.

Lincoln: And they and all of us love to paint pictures together, and we even sang during the holidays. They and I would also love to swim together, and we also love to cosplay together, and surprisingly, we even did a Lego version of New York City. I also made the Celestialstar Sisters beautiful necklaces and bikinis with their favorite colors, and to show thanks, they each kissed me on the lips. They hate the jerks with a passion, and they even hated Dr. Regal with a burning passion.

Nico: Damn, if that fucked-up mad scientist and one-time partner of Team Rocket shows up, he'll join them and that genocidal mad scientist fuck, Kurata, in The Black Gates.

Elizabeth Dracona Adalinda: He sure will. Okay, now for the video.

Elizabeth Dracona Adalinda pulled up the video as it played on the big screen, and we saw Elizabeth Dracona Adalinda standing in between Lola and Lincoln was beside her, and Lori was steaming mad and her eyes were red with hatred.

Past Elizabeth Dracona Adalinda: You've gone too far in trying to hurt your older brother just because he's not going to do any of your dumb bidding, but you know what, you've been asking for it for a long time, you've criticized your brother many times and you've shown absolutely no remorse for any of your insidious actions, and now, you're going to get some of my criticism. You're a powerhungry, violent, easily angered, sociopathic control freak, you're as cuddly as a porcupine, and your dress is tacky!

We gasped at her harsh words.

Nico: Damn, now that was harsh!

Me: Varie and I still remembered those harsh words she said to Lola, and man, did they sting!

We continued watching the video, and then, we saw Lola's face turn boiling red, her mouth turn into fangs, her hair turned to living fire, and she screamed with out of control rage and she went outright ballistic and charged at Elizabeth Dracona Adalinda to kill her, but Lincoln fired a blast of fire at Lori, and imprisoned her in a fire orb.

Past Elizabeth Dracona Adalinda: Lincoln… , you saved me?

Past Lincoln: I wasn't going to let Lori kill you, Elizabeth.

This made Elizabeth Dracona Adalinda smile, and she went up to Lincoln and they kissed on the lips while Lola could watch seething with rage.

Past Rita: Kids, why don't you go out and have fun, I've got a few harsh words to say to my daughter.

Past Lincoln: Okay, Mom. Let's go for a swim at Lake Michigan.

Lincoln and Elizabeth grabbed some beach stuff and they went off to Lake Michigan and leaving a trapped Lola to face her doom. Then, the scene transitioned to Lake Michigan and Lincoln was wearing orange swim shorts and Elizabeth was in a crimson red two-piece bikini, and they were swimming and having fun in Lake Michigan, then, they shared a romantic kiss as the video ended.

Nico: Wow, now that's what I call an awesome date!

Me: It was really awesome, and as for Lola, she got grounded for ten weeks, and she swore to get her revenge on Lincoln and Elizabeth, and worse, she tried to force me and Varie to help her take revenge on Lincoln, and we told her these words: "Not a chance in Hell, Loud!", we threw Lola in a cage and slammed the cage door behind her. Then, Lola lost it as she went batshit crazy screaming and shrieking like a banshee and she swore revenge on us as well.

Eli: JEEZ!

Qin: Lola Loud, of all the idiotic immature bone-headed things you've ever done because of your Dark Side, trying to force J.D. and Varie to help you take revenge on Lincoln for something that's your fault, that is by far the lowest, and you even threatened their lives as well! I ought to swat your behind with a paddle until you have a bad case of Baboon Butt!

Nico: Now, now, Qin, we saw that J.D. and Varie refused to do so, and what they did in throwing Lola in a cage and closing it proves their love for Lincoln can never be messed with.

Luna: And seeing her go crazy like that, she made a really big mistake, dude.

FLASHBACK ENDS

Dr. Light: GEEZ! Lola really was a rabid dog back then because of her dark side!

Evil Bright Man: Boy she sure was!

Fluttershy: That dark side of her made her into a monster.

Tornado Bolt: NO kidding and I'm glad that we gave her dark side the Black Gates.

Seabreeze: (Swedish Accent) So am I.

Stealth Elf: Me too. I'm glad for that.

Dr. Light: No kidding there! Lets do it!

Rarity: We told him all about the many adventures we had where we battled some of our most dangerous villains and always won in the end.

Papillon: It was a really awesome and great story we gave him.

Preciomon: It was good for him. But he ended up still turning into the Megaranger Hitotsuki.

Varodurumon: Yeah the poor guy.

Plumeria: In my opinion being turned into a Hitotsuki is a fate worse than death.

Ymir: Yeah it sure is.

Sweetie Belle: But he is back to normal and he is going to have a nasty headache from the beatdown we gave him.

Gill Grunt: No kidding there. What happened was crazy for him.

Duff Killigan: Aye poor lad. Lets do it!

Firecracker Burst: It's really amazing and it comes from the jungles of Brazil.

Sougo: It sure is awesome. I didn't know an artifact like that existed.

Jaime Marchesano: It sure is amazing. And Nicole was trying to find that for years.

Akira Shinmei: But we did not expect J.D. to have the Blue Monkey with him and that he faced the Chairman once before.

Jolyne Cujoh: Yeah that was awesome!

Applejack: It threw us for a loop on that one.

Apple Bloom: It sure did and that was awesome.

---

Nergal was next.

Nergal: (to Blake) The Blue Monkey is very similar to the Anubis Head that Mojo Jojo used to turn the world into dogs. Could it affect your Faunus half?

Blake: I honestly don't know about that. But I have a feeling it would.

Strawberry Sunrise: The Powerpuff Girls faced Mojo Jojo doing that plan with the Anubis Head 3 times and 2 times were just them and the 3rd time was with us. Even though most of us weren't with the team back then.

Little Audrey: That was a crazy time back then though.

Lincoln: Consider yourself fired, you sorry excuse for a chairman!

Lincoln made a blue sapphire focusing lens and he'd fired a rainbow energy blast into it, and thanks to the focusing lens, the rainbow energy blast became even more concentrated and more powerful, and it hits The ACME Chairman and he was permanently turned into a monkey.

Bugs Bunny: Clever move using a variation of Nuova Shenron's Nuova Death Ray, but this one led to that madman getting turned into a monkey permanently.

Then, we cuffed him, put him in a cage, and sent him to The Sun Prison for World-Conquering Tyrants where he'll be condemned for an eternity to suffer.

Nico: That's one madman we're never going to see again. Awesome job, gang, we've taken down The ACME Chairman and saved the world from his insidious plot to turn everyone into monkeys so he can take over the world.

Lincoln: Now, there's only one last thing to do and one last loose end to tie up: Angelique Sawyer.

Suddenly, the eight large planets and stars orbiting around my legs, the ten large multi-colored orbs orbiting around Lincoln's legs, the eight large orange orbs orbiting Linka's legs the nine large orange orbs orbiting around TLPS Ms. Tarantula's legs, the ten multi-colored orbs orbiting around Duke Lincoln's legs, the eight large dark blue orbs orbiting around Ed Cowart's legs, the nine large midnight blue orbs orbiting around TLPS Mr. Wolf's legs, the nine large crimson red orbs orbiting around Naruto's legs, the eight large crimson red orbs orbiting around Tahu, Vakama, and Nate Adams' legs, the eight large fiery red orbs orbiting around Zach Gurdle's legs, the eight large silver orbs orbiting around Clyde McBride's legs, the eight large black orbs with the Eye of Horus orbiting around Cody (OC)'s legs, the nine large black orbs orbiting around Lucy's legs, the eight large black orbs orbiting around Lars and Dudley Puppy's legs, the nine large search pink orbs orbiting around Lola's legs, the eight large search pink orbs orbiting around Lexx Loud's legs, the nine large rose pink orbs orbiting around Steven Universe's legs, the nine large green orbs orbiting around Lynn Sr.'s legs, the nine emerald green orbs orbiting around Yakko Warner's legs, the nine large sapphire blue orbs orbiting around Wakko Warner's legs, the nine large hot pink orbs orbiting around Dot Warner's legs, the nine large marine blue orbs orbiting around Lana's legs, the eight large marine blue orbs orbiting around Liam and Leif Loud's legs, the nine large scarlet red orbs orbiting around Lynn's legs, the eight large scarlet red orbs orbiting around Lynn Jr.'s legs, the ten coral red orbs orbiting around Timon's legs, the eight large blood red orbs around Marco Diaz's legs, the nine large aqua blue orbs orbiting around TLPS Mr. Shark's legs, the eight large blue orbs orbiting around Skippy, Sean Bolton, and Loki Loud's legs, the nine large sky blue orbs orbiting around Lori's legs, the eight large sea-foam green orbs orbiting around Loni Loud's legs, the nine large sea-foam green orbs orbiting around Leni's legs, the nine large yellow orbs orbiting around TLPS Mr. Snake and Luan's legs, the eight large yellow orbs orbiting around Lane Loud's legs, the nine large brown orbs orbiting around Laney's legs the eight large brown orbs orbiting around Larry Loud's legs, the nine large light green orbs orbiting around Lisa's legs, the eight large light green orbs orbiting around Levi Loud's legs, the nine large lavender orbs orbiting around Lily's legs, the eight large lavender orbs orbiting around Leon Loud's legs, the eight large colored orbs orbiting around Bobby Santiago and Nico's legs, the eight large rainbow orbs orbiting around Rainbow Dash's legs, the eight large aqua and ocean blue orbs orbiting around Varie, William Dunbar, and Adam Lyon's legs, the ten large aqua blue orbs orbiting around Girl Jordan's legs, the nine large colored orbs orbiting around Timmy Turner's legs, the eight large gold orbs orbiting around Alex the Lion and Takanuva's legs, the

nine large purple orbs orbiting around Luna's legs, the nine large search pink orbs orbiting around Rita's legs, and the eight large purple orbs orbiting around Luke Loud's legs and Menat's legs, along with our gems on our Bracelets of The Champions of the Universe and the Stones of Gelel that were embedded in the backs of our left hands were glowing, and that means we've got big trouble incoming, and the imps of The Fabled Gene-Slammers were already hissing with anger.

Lincoln: Oh great, I knew there's no mistaking that foul mouth from anywhere, you just don't know when to call it quits, do you, Angelique Sawyer.

We saw a girl with black hair, red eyes, and dressed in a black coat, white blouse, black pants, and black knee-high boots heading our way on a motorcycle, it was Angelique Sawyer of The Legion of The Lincoln-Haters, but we also saw Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson heading here as well.

Selene Arcangela: Oh great, that monster bitch's also got Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson with her.

Lincoln: If they think I'm going to take that lying down, they've got another thing coming.

Lincoln fired magnetic blasts at the motorcycles and destroyed them and that sent the Legion of The Lincoln Haters flying off the destroyed motorcycles, and when they got back up and saw Lincoln, they were now absolutely pissed off.

Angelique Sawyer: You ruined everything, Lincoln Loud! We had every last loser cowering in fear before us, but you… ! YOU JUST HAD TO PLAY THE HERO AND RUIN OUR REIGN!

Brianna Grayson: And what you fucking did in killing our dads… , THAT WAS THE LAST STRAW THAT BROKE OUR FUCKING BACKS! KILL THEM ALL! LEAVE NONE OF THEM ALIVE!

But, before Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson could get after us, Lincoln trapped them in a rainbow energy field.

Alana Cameron: WHAT THE FUCK?! HE TRAPPED US INSIDE THIS AGAIN! I'LL FUCKING KILL YOU, LINCOLN!

Lincoln: Cry me a river!

Maria: You tell her, Lincoln! (Flips Middle Finger) And up yours, bitch!

Qin: They're just as, if not even worse, than Audrey Madison, and she was a heartless, sick, twisted, good-for-nothing, murderous slut!

Me: And they're still as stupid and murderous as ever.

Nikki: But, this'll send a clear message that we're not letting them get away with any of their plans for revenge.

Suddenly, Nikki's eyes turned neon blue and she was surrounded by a blue energy aura with flames, skateboards, stars, and phoenixes, and as she approached Angelique Sawyer, she left blue energy, flames, skateboards, stars, and phoenixes with every step.

Nikki: I can't believe that you'd break out one day to get revenge on Lincoln for something that was entirely your fault, Angelique Sawyer, and the same goes with the rest of the monster bitches inside the energy field. You think that now that you and the rest of The Legion of The Lincoln-Haters have broken free you can just waltz in here and try and kill Lincoln, we're not standing for it. You've already put the final nail in your coffin, and now, it's time for you to die.

Suddenly, Nikki was surrounded by a massive vortex of blue energy with flames, stars, and skateboards surrounding it, there are phoenixes flying around the vortex and in the vortex is a blonde phoenix with red eyes glaring at Angelique Sawyer: the red eyes of death. Then, as the vortex faded, Nikki emerged, but she was changed forever.

Nikki grew to 7'5" in height, she has the body of a goddess, she has sky blue highlights in the bangs of her long blonde hair that covers part of her right eye, she has neon sky blue eyes and a sky blue energy aura with flames, skateboards, stars, and phoenixes surrounding her, she has a phoenix and skateboard emblazoned on her forehead with Third Eye with blue iris, she has on phoenix earrings with blue gems for eyes and holding the Fire and Eternity Kanjis in its claws, she also has a phoenix with blue gems for eyes and holding the Fire and Eternity Kanjis in the claws on the bottom of her blue phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love with blue crystal links from her merged Crystal Necklace of the Buddha and blue gems embedded on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Nikki has on a sky blue hoodie, navy blue Capri jeans, pink low tops, she has on large gold metal bands with blue gems on her biceps and thighs, and long sleeveless white trenchcoat with flames, skateboards, stars, and phoenixes on the coattails, and on the back is a phoenix surrounded by flames. Suddenly, Nikki felt a sharp pain on her back, and then, massive blonde angel wings with sky blue tips on the feathers grew and sprouted out from her back, and she now has eleven massive and long blonde wolf tails with sky blue tips and sky blue markings, Nikki has on her Ring of the Phoenix with sky blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Nikki's newly forged greatsword and all the greatswords and swords that she'd gotten began to merge together and they're surrounded by a kaleidoscope of sky blue energy, flames, skateboards, stars, and phoenixes, and when it emerged, it transformed into Nikki's Skateboarder Firestorm Cosmic Greatsword of Skateboarding Cosmic Firestorm Phoenix Justice, it's a brand-new massive greatsword with embedded yellow gems and sky blue etchings and a phoenix etched on the 7'3" massive, wide, double-edged navy blue blade, large sky blue phoenix heads for the crossguard, large white angelic faces built into both sides of the hilt with blue gems embedded in the foreheads, longer midnight black handle, four large sky blue phoenix heads with yellow gems in their mouths and a large sky blue phoenix head with a yellow gem in its mouth below the large phoenix heads for the pommel. Nikki has on her new Bracers of The Champions of The Universe with sky blue gems on her wrists and Dragon Ball Bracelet on the left bracer, her new gold Belt of Elemental Bravery with a gold phoenix head with sky blue gems for eyes and a large sky blue gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a sky blue kanji below the phoenix that said, "Nikki, Best Friend of Ronnie Anne, Syd Chang, Casey, Sameer, and Laird, Member of The Great Lakes City Shredders, Talented Skateboarder, Despiser of Killjoy Huggins, Dark Chandler and His Minions, And The Rest of Lincoln's Enemies, Loving Future Wife of Lincoln Loud, Archenemy of Universe 666 Masato Kusaka, Destroyer of Angelique Sawyer of The Legion of The Lincoln-Haters, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, and Master of Fire, Skateboards, Stars, and Phoenixes"

Nikki has transformed into SUPER ANGEL-PHOENIX-HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA FIRESTORM COSMIC SKATEBOARD SHREDDING INFERNO FIRESTORM

PHOENIX ANGEL OF DIVINE FIRESTORM COSMIC SKATEBOARD SHREDDING INFERNO FIRESTORM PHOENIX JUSTICE AND DIVINE FIRESTORM COSMIC SKATEBOARD SHREDDING INFERNO FIRESTORM PHOENIX LOVE!

We were amazed by Nikki's Super Angel-Phoenix-Harmony Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Angelique Sawyer saw it, she went fucking crazy and she got out her machine gun to fire at Nikki, but Nikki fired a barrage of sky blue energy blasts with fire skateboards, stars, and phoenixes at Angelique Sawyer and it sent her flying into a tree back first, she got back up and she ran at Nikki again with a knife she got out, but she disarmed Angelique Sawyer and dislocated her arm and sent her flying into another tree with a roundhouse kick, she got back up, but now, she was mega pissed off!

Nico: Whoa!

Ronnie Anne: Oh man, Nikki's transformed!

Syd Chang: So awesome!

Me: Awesome, Nikki's transformed into her Super Angel-Phoenix-Harmony Universal Eternal Celestial Xelnaga form, and she disarmed Angelique Sawyer and she sent her flying into a tree with a roundhouse kick.

Lincoln: Angelique Sawyer has been asking for this for a long time, and what better way to administer her final judgement than right in front of the other members of The Legion of The Lincoln-Haters.

Nikki: (Divine Godly Cosmic Voice of The Firestorm Cosmic Skateboard Shredding Firestorm Phoenix Angel and Divine Firestorm Cosmic Skateboard Shredding Firestorm Phoenix Love) You got that right. Now, let's rip her apart, Linky.

Lincoln unholstered his massive Lincoln Loud's Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back

and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Phoenix-Harmony Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Hope, and he joined Nikki.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You and the others have caused more than enough grief and trouble to everyone in Michigan for too long, Angelique Sawyer. We've made the right choice getting you all expelled and put in prison five years ago, but you know what, prison's too good for any of you. Now, we're going to fix that and do what should've been done to you years ago.

Nikki and Lincoln went after Angelique Sawyer who went extremely ballistic and continued firing at them, but they dodged the bullets, and they fired extremely powerful blasts of rainbow energy, sky blue energy, fireworks, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Angelique Sawyer and they exploded with incredible power as they hit her, and they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and he and Nikki attacked her with punches, kicks, and karate chops, and they were really, really, really pissing off her off now and driving her even more ballistic.

Just then, Angelique Sawyer got out a second machine gun, but Lincoln put up a rainbow energy shield around him, Nikki, and all of us, and she started shooting like crazy and also laughing like a deranged bitch, but the bullets were getting bounced off the energy shield. Suddenly, the machine guns ran out of bullets and Angelique Sawyer's deranged laughter died down and she was really fucked now.

Me: Hah! You're out of bullets, bitch, and you know what that means!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smirks) You're shit out of luck!

Lincoln grabbed Angelique Sawyer by the neck and he tossed her into the air, and Lincoln and Nikki fired a powerful barrage of energy balls with fire, skateboards, stars, quintessence, elemental forces, and mythological animals, and as they hit Angelique Sawyer, they exploded with incredible power and she was killed in the explosions, and that angered the rest of The Legion of The Lincoln-Haters. Then, Angelique Sawyer's spirit appeared, and she was still incensed with anger and fury.

Angelique Sawyer: You think you've won?! I'LL RETURN ONE DAY AND KILL YOU ALL!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) No, you're done and this time forever, Angelique Sawyer.

Lincoln summoned the spirits of Angelique Sawyer's victims from the past who seized her, and then, he drew the Judgement Kanji on her forehead, and as predicted, she was found guilty for her crimes, and she was fading away from existence.

Angelique Sawyer: NO! NO! DAMN YOU, LINCOLN LOUD, DAMN YOU ALL, TEAM LOUD PHOENIX STORM! DAMN YOU ALL TO (FADES AWAY)

We cheered wildly as Nikki and Lincoln holstered their massive greatswords on their backs and powered down, and Nikki's new body, clothes, weapons, jewelry, Third Eye, and eleven massive and long blonde wolf tails, and massive blonde angel wings are permanent.

Then, the rainbow energy field Lincoln put up to keep Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson inside went down, and they ran up to the dead remains of Angelique Sawyer. Then, they looked at Lincoln and they were absolutely really seething with rage!

Brianna Greyson: You're going to pay for this, Lincoln Loud! YOU FREAK! KILL HIM! KILL THE FUCKER!

Suddenly, the sound of police sirens were heard, and being the criminals they were, they knew they were in huge trouble!

Brianna Greyson: This isn't over, Lincoln Loud!

Then, Isabella Morgana, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson ran off, but not before they gave us the finger, and me and Nico retaliated by giving them the finger and it drove them mad as they ran off.

Nico: Yeah, up yours too, bitch!

Nikki: We've taken one down so far, and now, we got fifteen more to go. Thanks for helping me destroy Angelique Sawyer, Linky.

Lincoln: (Smiles Warmly) You're welcome, Nikki.

Suddenly, Nikki wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Nikki's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, and Angel flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and flames raging behind them and we cheered wildly. Then, Lincoln and Nikki absorbed the flames and they came back to us as the display vanished.

Nico: Whoa, now that's what I call a dose of firestorm skateboard shredding justice. Lincoln, Nikki, you two did really awesome in teaching that monster bitch, Angelique Sawyer, a lesson and pissing off the rest of those monster bitches.

Lincoln: Thanks, Nico, but this is only the beginning of The War Against The Legion.

Me: You said it.

Lincoln: And for tomorrow, the next member of The Legion of The Lincoln-Haters that's going to show her face is Isabella Morgana, which means you and I are up next to face her, Stella.

Stella: Yes, we'll make her pay for all of her crimes in full.

Lincoln: But we've also got to keep an eye out, The Legion of The Lincoln-Haters are bound to send hired thugs after us.

Nico: We'll be ready for them since we've been dealing with hired thugs hired by our resident jerks to kill us, which always end with you killing them by sucking out their blood and pissing Flip and the other jerks off.

Lincoln: And I've got an idea for which Gene-Slammers we're meeting tomorrow: the Gene-Slammers for Elemental HERO Clay Guardian, Cynder, and a Double Gene-Slammer of Gnarls and Dark Magician Girl.

Melanie Aranyani: Two regular Gene-Slammers and a Double Gene-Slammer, that's awesome, and there's only one person we know who'd be Gene-Slammed into Elemental HERO Clay Guardian: Briana Granmorg, the younger sister of Gina Granmorg, she's Lincoln's Guardian Angel from New York and she's a very powerful and also a very physically strong athlete who was born with superhuman strength and she's also a skilled wilderness survival expert, and she's also a seductive and one sexy hot mama who's flirted and made out with Lincoln more than once, and she loves him with all her heart which is also shared among the other members of his harem and Guardian Angels. She's also a member of The Elemental HEROS of Earth, but, unlike with The Elemental HEROS of Fire who had to deal with parents who built their business empires through the theft of intellectual property and got into criminal activity and evil siblings who are thieves and heartless thugs, The Elemental HEROS of Water who had to deal with lying conniving workers who tried to extort them and ruin their names and reputations, along with Sergio, the mastermind behind some of the early extortion plots, and the heartless evil abusive greedy parents and heartless gold-digging evil ex-little sisters, and The Elemental HEROS of Darkness who've had to deal with Lori, she and the other Elemental HEROS of Earth have had numerous clashes and dealings with Lynn, who has more than once tried to kill them and Lincoln many times over when she goes on her massive rage-fueled rampages, but they always saw her coming when they see her running on all fours, beating her chest like a gorilla and roaring like an animal, and the worst part was letting out those really loud belches, and catching the stench of her sweaty armpits and smelly feet. But, she and the other Elemental HEROS of Earth along with Lincoln have more than once beaten Lynn into the ground, tied that animal up, and dragged her smelly butt home where she eventually got into massive trouble with her parents. Plus, during the exercise scene, she's going to reveal a very horrible revelation: about how Chandler tried to destroy our gym with bombs while we were inside working out, but our alarm system alerted them early, and Briana and Lincoln took him down hard and got that sewage rat sent to jail for two months.

Selene Arcangela: And there's only one person who'd be Gene-Slammed into Cynder: Marianna Nightingale, Lincoln's Guardian Angel and The Master of The Element of The Undead, and among the first humans who were actually born in The Skylands and grew up there under the guidance of Master Eon and the Skylanders, and as Marianna grew, she'd discovered that she's a master of the Element of The Undead, one of the Ten Elements of The Skylands, and she trained a lot under the tutelage of Master Eon and the Undead Skylanders and she proved to be quite the master of the undead. She left The Skylands and she moved to Royal Woods, Michigan, and this is way before Kaos, The Dark Portal Master, had launched his hostile takeover of The Skylands. Marianna really hated that world-conquering warlord, and when Marie formed The Skylanders Liberation Coalition, Marianna became one of the members and she had sworn to make Kaos pay for all his crimes against Skylands and against all The Skylanders.

Melanie Aranyani: After you guys freed The Skylands from Kaos and The Skylands merged with our world, The Skylanders Liberation Coalition had become part of The Earth-Skylands Federation. Plus, we also saw she fell in love with Lincoln when they first met, and she really trained him intensely on how to use the element of The Undead, and she also had the additional help of Cynder and the other Undead Skylanders, who really helped Lincoln in advancing his training in mastering the element of The Undead, and over time, he really proved to be a master and at the same level as Marianna.

Me: Hey, now I remember her all too well, she went missing long ago, and now I know why she went missing, she was Gene-Slammed by Team Rocket.

Lincoln: Yep.

Selene Arcangela: And although Marianna hates Kaos with a blazing passion for all his crimes against Skylands, there's only one person that Marianna hates with a passion ever since she came to

Royal Woods: that person is Lynn, and Marianna has more than once used her skills in summoning The Undead to put Lynn in her place and cause trouble on that rampaging, farting, smelly gym bag, and she even told her off saying that Lynn's a superstitious, overly aggressive, super violent, easily angered, sociopathic control freak, that she's as cuddly as a cactus, and even worse, Marianna also called Lynn a pig!

Nico: She called her a pig?! Oh, I'm surprised Lynn didn't pull a Pumbaa and charged at her.

Lincoln: She should've known if she messes with the bull, she gets the horns!

Selene Arcangela: You got that right, and there's only one person who would be the Double Gene-Slammer of Gnarls and Dark Magician Girl: Mana Mystictree, she's Lincoln's Guardian Angel from Michigan and classmate in Gym, but she's also a powerful magician of nature and dark magic as well as one of the most beautiful Goths. Plus, she has large breasts, in fact, her bust size is 112 cm and she's the cousin of Lincoln's future wife, Solange Blanchefleur de Lux. On every occasion, she also flirts with Lincoln, and she, Lincoln, and Lucy would often practice dark magic together, and she and Lincoln would love to swim in lakes as well. Lincoln made Mana a beautiful necklace with black and green jewels, and to show thanks, she kissed him on the lips. She hates the jerks with a passion, however, there's one other villain she hates as well, and that's Dr. Regal. The reason why? Get this, because like that genocidal mad scientist lunatic, Dr. Akihiro Kurata, Dr. Regal was also part of Team Rocket and also helped Team Rocket by gathering Bakugan and My Singing Monsters creatures, and on top of that, he used different combinations of Yu-Gi-Oh Duel Monsters, Pokemon, Digimon, Bakugan, and My Singing Monsters to Double Gene Slam innocent girls.

We gasped.

Nico: Just like what we heard from the Celestialstar Sisters. If we run into Dr. Regal tomorrow at Yi Ling when we're going after Queen of Darkness, he's so getting The Black Gates!

Lincoln: He may have escaped death five years ago, but this time, he's not going to escape ever again, tomorrow, he dies.

Firepower: Now, that's all folks!

El Oso: Couldn't have said it better myself!

Me: Yeah!

Duff Killigan: I think we should put the Blue Monkey Diamond somewhere safe.

Anti Wanda: We'll worry about that later.

Nergal: I'm making pizza for the celebration!

Me: Awesome!

Damien Drake: That was so awesome!

Lola: Yeah! And now Chairman will have all of eternity to think about his crimes in the Sun Prison.

Xenia: Yeah he sure will.

Nico: But great job everyone! We saved the world from having Chairman pull a Mojo Jojo plan on us.

Qin: Yep.

Lola: That it for sure.

Bugs Bunny: (To the viewers) Hope ACME gets a new chairman after today because they will need it.

Lola: Yep.

We went back home and had awesome pizza and then we went home and enjoyed the rest of the day and went to sleep.

THE END

The next match-up in The War Against The Legion of The Lincoln-Haters is Stella Zhau and Lincoln VS. Isabella Morgana

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Yi Ling, and we're going to face, take down, and recruit the next hypothetical Akumatized Loud Sibling, Queen of Darkness, the hypothetical Akumatized form of Lucy Loud, she's a Gothic Dark Queen with the powers of darkness, but even her darkness can easily be conquered by a bright light that shines through even the darkest of shadows. But, she won't be alone, we're also going to face Dr. Regal, the madman responsible for helping Team Rocket with stealing the DNA of The My Singing Monsters and on top of that, he used different combinations of Yu-Gi-Oh Duel Monsters, Pokemon, Digimon, Bakugan, and My Singing Monsters to Double Gene Slam innocent girls, so we're going to send that monster to The Black Gates just like what we did to Team Rocket and that genocidal mad scientist lunatic, Kurata. And we're going to meet three Gene-Slammers: two regular Gene-Slammers and a Double Gene-Slammer. The two regular Gene-Slammers are

Briana Granmorg, Gene-Slammer of Elemental HERO Clay Guardian and the younger sister of Gina Granmorg, she's Lincoln's

Guardian Angel from New York and she's a very powerful and also a very physically strong athlete who was born with superhuman strength and she's also a skilled wilderness survival expert, and she's also a seductive and one sexy hot mama who's flirted and made out with Lincoln more than once, and she loves him with all her heart which is also shared among the other members of his harem and Guardian Angels. Marianna Nightingale, Gene-Slammer of Cynder, she's Lincoln's Guardian Angel and The Master of The Element of The Undead, and among the first humans who were actually born in The Skylands and grew up there under the guidance of Master Eon and the Skylanders, and as Marianna grew, she'd discovered that she's a master of the Element of The Undead, one of the Ten Elements of The Skylands, and she trained a lot under the tutelage of Master

That set Lynn off and she tried to pull a Pumbaa and charge at her, but Lincoln fired a blast of spectral lightning and electrocuted her and he fired bones at her which formed into a cage imprisoning her, and Marianna went over to Lincoln and they kissed on the lips and right in front of Lynn, who was left seething with rage and wanting revenge, but Lynn got busted by her parents who saw what she tried to do and she also got grounded big time.

And Mana Mystictree, Double Gene-Slammer of Gnarls and Dark Magician Girl, she's Lincoln's Guardian Angel from Michigan and classmate in Gym, but she's also a powerful magician of nature and dark magic as well as one of the most beautiful Goths. Plus, she has large breasts, in fact, her bust size is 112 cm and she's the cousin of Lincoln's future wife, Solange Blanchefleur de Lux. We're going to the park again and help Mordecai and Rigby take down Doug and we're going to make him pay.

See you next time.

Applejack: We're going to be really excited to see it.

Apple Bloom: We sure are.

Amelia Cornflake: Yep and we're walking by the apple orchard.

We saw a massive orchard of many kinds of apples.

Amelia Cornflake: That open land there is our cornfields.

We saw acres of cornfields.

Me: Wow! Lots of awesome corn field space.

Xenia: I'll say

Nico: Blossom, did you like meeting your Z counterpart?

Blossom: Boy I sure did and it was really awesome.

Twilight Sparkle: We had a lot of awesome fun in that one.

Camie: We sure did and hearing about it was awesome.

Me: That was so fun. Cadance had an awesome time with that one.

Lola: That was really awesome to see.

Blossom: It sure was and helping Fuzzy Lumpkins there was just like what happened here.

Me: Except that version didn't have a rifle on him.

Qin: No kidding.

Me: So that one was significantly easier than what happened a while back.

Varie: That is true.

Lana: Too bad we didn't face the Powerpuff Girls Z Counterpart of

Roach Coach. I would have loved to eat all those roaches.

Nico: Like how you did with Oogie's bugs.

Me: YUCK!

Nico: Actually, UA Deadpool confirmed that there's no Roach Coach Z.

Lana: I know that. But it's a shame.

Me: That would have been awesome though.

Qin: It sure would.

Varie: YUCK!

Me: Even though I hate roaches it's always fun to see Lana eat awesome bugs like Timon and Pumbaa.

Xenia: That's true.

Lana: Thanks guys.

Amelia Cornfield: There's our cows.

We saw a massive herd of dairy cows!

Me: WHOA! That's about as many dairy cows like in Ogallala, Nebraska.

Nico: Yeah.

Amelia Cornfield: We expanded quite a bit since the last time you were here Nico.

Nico: No kidding.

Me: Yeah. Yesterday's mission was awesome!

Nico: It was awesome helping Bugs and the others.

Me: It sure was!

Eli: And that was so funny how bro pulverized Chairman with all kinds of cartoon comedy gags.

Me: (LAUGHS) That was the most fun I've ever had doing that.

Camie: That was so funny!

Leeli: (LAUGHS) That was awesome!

Girl Jordan: Geez! J.D. really delivered on his promise to hit him with everything including the kitchen sink.

Amelia Cornflake: (LAUGHS) He sure did. That was great!

Nico: (LAUGHS) That was funny and awesome.

We laughed!

Me: I hope I have just as much fun doing all that again.

Varie: Yeah!

Nico: It was good to meet Damien as well.

Me: It sure was.

Qin: Yeah he was happy to reunite with Bugs and friends.

Lola: That was awesome too.

Varie: It sure was.

Vinyl Scratch: I liked Damien. He is awesome because he is a D.J. like me.

Qin: Yep.

Rainbow Dash: That was fun too.

Maria: It was good to meet another of the Looney Tunes friends.

Me: Yes it was.

Amelia Cornflake: That was a fun mission.

Apple Bloom: It sure was.

We arived.

Amelia Cornflake: Here we are y'all.

We saw the Cornflake farm.

Me: Wow!

Nico: Boy the farm is looking good.

We saw horses, cows, pigs, chickens, ducks, sheep, everything. And it had an amazing victory garden.

Nico: Boy it sure is awesome being on the farm again.

Qin: Boy Liam and Carmen would love coming here.

Maria: They sure would.

Applejack: Your farm is really amazing Amelia.

Amelia Cornflake: My family makes all the fruit and vegetables every year for the Iowa Farmers Market and the West Point Corn Festival.

Me: Wow! That's amazing.

Amelia Cornflake: It sure is.

We saw Amelia's mom feeding the chickens and collecting eggs and her dad was feeding slop to the pigs.

Me: Boy being on a farm is amazing.

Maria: It sure is.

Me: And I learned a lot about farming while working with Applejack.

Applejack: Ya sure did J.D.

Juran: (grins) Well, howdy, ya'll!

Nico: Nice going, Juran. Now I'm dead thanks to you!

Amelia Cornflake: Howdy Ma and pa.

Mrs. Cornflake: Well if it isn't Amelia!

She and Amelia hugged.

Amelia Cornflake: It's great to see you and pa again.

Mr. Cornflake: Glad to have ya back corn fritter.

Amelia Cornflake: Thanks Pa.

Mr. Cornflake: Team Loud Phoenix Storm an honor to have y'all here.

Me: Pleasure to be here Mr. Cornflake.

Varie: It's an honor.

Nico: (Nervous) H-h-h-howdy Mr. and Mrs. Cornflake.

Mrs. Cornflake: Well turn me into a fish and grind me into chum! If it ain't little Nico! You have grown into a fine young man these days.

Nico: I sure have, huh?

Mr. Cornflake: Little Nico. How have y'all been. I heard y'all did quite an amazing job on many of them there adventnures.

Nico: Yeah.

Me: He sure has. Nico has come a long way ever since he joined up with us in 2018.

Nico: Yep.

Me: Your farm is really amazing.

Mr. Cornflake: Thank y'all kindly.

Amelia Cornflake: Ma, Pa, the reason we're here is because we have a tale to tell y'all about how everyone found me and all that.

Mrs. Cornflake: Sure thang. Just let me finish feeding the pigs.

Me: I got that.

I helped with her.

Me: SOOEY!

I called the pigs and then the pigs came and they were eating.

Mrs. Cornflake: Y'all sure know all about farming.

Me: Did a lot of jobs on a farm ourselves and we know a lot about it.

Applejack: Your farm is amazing!

Mr. Cornflake: Thank ya kindly. It's good money and food too.

Me: It sure is.

Amelia Cornflake told her parents about what happened and how sure was turned into the gene-slammer for Number 50: Black Corn and how many awesome adventures she did with us and more and it was amazing. Also she told them how she is part of Nico's harem.

Mr. Cornflake: Wow that is something. Well Nico y'all have our blessings for Amelia.

Nico: Really?

Mrs. Cornflake: Sure. Y'all have been part of the family in helping us out and we love ya like one of ours sonny.

Nico: Thank you.

Maria: He was worried you were gonna blow his head off with a shotgun.

Mr. Cornflake: Oh goodness no! I only use my gun to ward off people that are bad.

Me: Like what you see in those movies like with people that cause trouble like people that want to burn the corn and all that.

Mr. Cornflake: Exactly.

Nico: Thank goodness.

Lincoln: Thank goodness this farm isn't like what I saw in The Harvester.

Mrs. Cornflake: The Harvester?

Me: It's a Slasher Horror Film about a farmer that went mad after a drought ravaged his farm and he turned into a homicidal maniac and slashed and killed numerous people by dismembering them alive for their organs.

They gasped!

Mrs. Cornflake: My goodness!

Anya Anyanova: I remember seeing that movie! That was terrible!

Me: Yeah. Gave Lincoln really bad nightmares.

Lincoln: And I still have them every now and then.

Nico: Lincoln had to learn the hard way not to see scary movies like that.

Mr. Cornflake: I can see that.

Nico: We actually fought said Harvester a few times.

Me: Yeah. In Lincoln's Dreams and in real life. Crazy story.

Twilight Sparkle: It sure is.

Me: Maybe I should go into Lincoln's dreams with my Dreamwalking powers and have Princess Luna and Natilee help me out in that one against him.

Lincoln: Good idea too.

Nico: Yeah.

Mr. Cornflake: That's amazing y'all can do that.

Camie: Yeah it sure is.

Me: Yep.

Nico: But thanks for giving me your blessing.

Mr. Cornflake: Y'all are welcome Nico.

Me: By the way have you guys seen anything unusual around here like Another versions of villains that we have in our frenemies?

Mrs. Cornflake: As a matter of fact yes we sure did.

Eli: Lets see.

Eli concentrated.

Eli: Found them! We have Another Robot Plankton, Another Ghost of The Hooded Heffer, Another Firebird (Hanna Barbara Godzilla), Another Tinkermon, Another Comrade Red and Another Firebrand.

We gasped!

Lily: So we're facing Another Robo-Plankton too?

Nico: This will be interesting.

Lola: Yeah.

Nico: Better get Yuriko Yamaguchi here.

Maria: On it.

In a burst of blood red fire came Yuriko Yamaguchi the gene-slammer for Red Dragon Archfiend.

Yuriko Yamaguchi: Here I am!

Nico: Awesome!

Qin: Cool!

Me: Lets be ready for her.

Lily: When we separate her from him he is going to be blasting us left and right.

Nico: Yep.

Nico: There she is!

We saw a figure come and it was a dark version of Robo-Plankton! It was ANOTHER ROBO-PLANKTON!

Me: Oh boy.

Qin: This is gonna get ugly.

Camie: Yep.

Another Robo-Plankton: (In a girls voice) I sure am glad I found you guys.

Me: That voice!

She reverted back and was a girl with blue hair and amber eyes and had blue clothes and lightning was surging in her hands and she had blue angel wings and she had the symbols of the water skylanders on her skirt and in the middle of her forehead.

Me: (GASP!) Hailey Aquos! Wow!

Nico: You know her?

Me: Hailey is the gene-slammer for Zap.

Hailey Aquos: That's right. Also I was cursed with lactose intolerance and I would grow every time I drink milk. As you can see I am now 6' 4" and I have been called a tall one.

Me: I remember and I didn't care you were so tall. I am pretty tall for my height too.

Nico: You're a good guy J.D.

Qin: Yeah.

Yuriko Yamaguchi: Sorry we have to do this.

Hailey Aquos: I know.

Girl Jordan: First lets get you back to normal and separate you.

Leeli: Right!

Girl Jordan: Lets go Leeli.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Dark holoré in the Deep

Spring abundant holoél

She glowed and Hailey separated from Another Robo-Plankton!

Hailey Aquos: Awesome!

Yuriko Yamaguchi: This will be fun!

Lily: I'm ready for this pipsqueak!

Another Robo-Plankton: (Tech Voice) You have interfered with my plans for the last time! Prepare to die!

Yuriko Yamaguchi: Bring it on!

Robo-Plankton fired energy blasts and Lily ignited her lightsaber and deflected the blasts back at him and blasted him all over.

Yuriko fired waves of blood red fire and Hailey fired a blast of lightning and electrocuted him all over and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He exploded!

I caught the Wonder Ride Book and it was called The Lightning Dragon Princess and the Maniacal Plot of the Robot Malignant Microbe.

Me: Fitting and funny title.

Xenia: It sure is.

Nico: Yep. 1 down and 5 to go.

Nico: Girl Jordan, no need to seperate her. I want her to feel every moment of this!

Girl Jordan: I know and Lincoln's turn is for the rest.

Nico: Oh right. Keep forgetting that.

May: It's payback time!

Qin: Big time! You had this coming for a long time you bitch!

She turned into Another Ghost of the Hooded Heffer and Nico, May and Qin blasted her all over.

Rikochet: PULVERIZING PINBALL!

He went at her and smashed her down by bashing her in the stomach and she exploded!

I caught the Wonder Ride Book and it was called The Queen Bee Girl and the Mad Cow Wrestler.

Me: Fitting.

Then Nico, May and Qin went up to her and Nico cracked his knuckles.

Lauren Parker: You wouldn't hit a girl would you?

Nico: A girl? No. You? YES!

Then Nico, Qin and May punched her in her face and knocked her out!

We tied her up.

Me: She is going back to jail.

Qin: But this time we'll send her there as a gold statue.

Nico: Yep.

Lily: She had this coming.

Nico: What's next?

Me: The Firebird Kaiju.

Qin: Wow. This one is gonna be a hot one.

Nico: Tell me the next ones are friendly!

Eli: Yes I sense that they are.

Nico: Good.

Me: Yep. Better call Eclair.

Maria: Right.

In a swirl of fire came Eclair!

Eclair: Here I am!

Me: Awesome! You and me will face the Another Firebird.

Eclair: Okay.

Then a HUGE FIGURE CAME! It was a dark version of The Firebird from Godzilla! It was ANOTHER FIREBIRD KAIJU!

Me: WHOA!

Lola: This one is too hot to handle!

Xenia: Yeah!

The heat coming off of it was incredible!

Me: Wow!

Another Firebird Kaiju: (In a girls voice) This is gonna be a really awesome battle.

Me: (GASP) That voice.

She reverted back and it was a girl with red hair and had red eyes and had wings made of pure fire and had red beach clothes and had the Mark of Scath in the Fire Attribute Duel Monsters Symbol emblazoned in the middle of her forehead.

Me: (GASP) Hailey Phoenix!

Nico: WHOA! Her fire power is incredible!

Me: Yep.

Hailey Phoenix: Awesome to see you again J.D.

Me: Same to you. And guys you are going to be amazed with this. Hailey is the gene-slammer of EVERY single Fire Monster in the Duel Monsters universe.

We gasped!

Nico: WHOA! That is incredible!

Lola: Wow! Your fire powers must be so strong that not even water can put them out.

Hailey Phoenix: That's right and it's how I got the name The Avatar of Fire.

Qin: Wow!

Camie: That is incredible!

Eclair: This is going to be hot!

Me: I was just going to say the same thing.

Camie: Me too!

Hailey Phoenix: I know.

Me: Sorry we have to fight like this Hailey.

Hailey Phoenix: No worries.

She turned into Another Firebird!

Me: Lets get her!

Eclair: (SINGING SIREN SONG BY YUKI KAJIURA DIVINELY)

omeriata esta dikore

She was enveloped in a vortex of fire and it swirled around her and then she fired a blast of fire and I fired a massive blast of fire and the blasts hit her and she was down and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She exploded with incredible power! She was back to normal and I caught the Wonder Ride Book and it was called The Phoenix Avatar of Fire and the Firebird Dragon.

Me: Wow fitting.

Eclair: That was so awesome!

Me: It sue was!

I brought Hailey over and she had a huge headache!

Nico: That was amazing!

Lola: Yeah!

Lincoln: I didn't even get the chance to seperate her!

Me: Probably because she was too big to do so.

Qin: Yeah.

Lincoln: You're right.

Me: Another Tinkermon is next.

Nico: Oh boy.

Me: Bring in Cosmo.

Laney: If he tries anything stupid I'm going to bash his head in with a frying pan.

Nico: Okay.

PING!

He appeared.

Cosmo: Hi, everyone!

Me: Hey Cosmo.

Cosmo then was picking his nose and then…

BLANG!

Laney bashed him on his head with a frying pan!

WHAT A MORON!

Sakura Knudson: Is Cosmo always like that?

Me: Don't ask.

Nico: There she is!

We saw a figure and it was a dark version of Tinkermon. It was ANOTHER TINKERMON!

Me: Another Tinkermon!

Xenia: This is gonna be tough.

Another Tinkermon: It sure will be.

Me: That voice! Ino!?

She reverted back and it was really Ino Yamanaka and she was turned into a Fairy!

Me: Ino!? Whoa! You were turned into a fairy!

Nico: SAY WHAT!?

Cosmo: For the record, it wasn't me!

Me: I know it wasn't you.

I held out my hands.

Me: How did this happen?

Ino: I sniffed this rare flower and then I got turned into a fairy.

Brittney: Lets see.

She pulled out her book on Mystical Objects.

Brittney: Here it is! The Flower of The Rainbow Fairy. It says that anyone who sniffs it will be turned into a fairy by its pollen. They will be given the power to transform into a fairy at will.

Ino: Wow that is cool! I actually like being a fairy too. But then I got turned into Another Tinkermon.

Me: We didn't expect this. Ino you look amazing as a Fairy.

Xenia: You sure do.

Ino: Thanks guys.

Me: Lets get you separated from Another Tinkermon before we fight.

Lincoln fired a light blasted and did so.

Nico: How did you get turned into Another Tinkermon? We made sure Swartz never made contact with you before we killed him!

Ino: That's what I want to know.

Cosmo: Lets get it on!

He got a pitchfork and a torch.

Me and Ino and Cosmo fired waves of magic and energgy and blasted Another Tinkermon and she exploded!

I caught the Wonder Ride Book. The title was called The Flower Nature Princess and the Fairy of Neverland VS The Pirate of Evil.

Me: Fitting Title.

Nico: Maybe you stepped on the Ride Book after turning into a fairy.

Ino: I did step on something and thought it was a rock.

Qin: Oops.

Me: That could be it.

Xenia: Yeah.

Me: We'll worry about that later.

Blossom: Now for Another Comrade Red.

Nico: I see her!

We saw a figure and it was a dark version of Comrade Red! It was ANOTHER COMRADE RED!

Me: Another Comrade Red.

Nico: Awesome.

Another Comrade Red: (In a girls voice) (Russian Accent) This is going to as awesome as Borscht.

She reverted back and it was a girl with magenta hair and had pink clothes.

Me: (GASP) Sofia Nikolaevnakov!

Nico: The legendary Queen of Borscht!

Sofia Nikolaevnakov: That's right Nico and I am also the girl that has borscht powers.

Eli: How did that happen?

Sofia Nikolaevnakov: Accident that fused me with borscht and gave me powers of borscht.

Qin: Whoa! Love Borscht.

Nico: Nice.

Blossom: Sorry we have to do this.

Sofia Nikolaevnakov: No worries.

Lincoln fired a blast of energy and separated Another Comrade Red!

Me: (Imitating Major Glory) SO it's battle you want is it!? Then the Justice Friends will be happy to oblige you Comrade Red!

Another Comrade Red: (Russian Accent) Ah J.D. Knudson! It is time that my most powerful comrades and I are showing you who will be big boss of entire world. (HOLDS UP EARTH BALL) First we will be crushing you. (Crushes the Earth Ball) (Forms a hammer and sickle symbol) Then we shall be ruling all that we are seeing!

Me: Not this time!

Me, Blossom and Sofia fired waves of energy and borscht and blasted him down and then he exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Wonder Ride Book and it was called The Powerpuff Girl and The Russian Villain Glory.

Me: Fitting.

Ino: I'm going to go back to human now.

She was enveloped in flowers and then turned back to her human form.

Ino: That was awesome though.

Maria: It sure was.

Lola: There's Another Firebrand!

We saw Another Firebrand!

Nico: Target sighted.

Me: Yep.

Another Firebrand: (In a girls voice) This will be awesome and fun.

She reverted back and was a girl with red hair and red eyes and had red and yellow clothes and wings made of pure fire.

Me: (GASP) Aurora Firestar!

Aurora Firestar: Awesome to see you again J.D.

Me: Aurora has fire powers and she is essentially the polar opposite of Firebrand when he was in his villain days.

Firebrand: That is really interesting and amazing! She is a hero version of me.

Aurora Firestar: Yep.

Kaito: (gets out Kiramager gear) Did Swartz promise you anything?

Zocks: (gets out Ryusoulger gear) Because we can grant it instead.

Kaito got a Kiramai Sword and Zocks got a Dino Fury Sword.

Aurora Firestar: Just to eat all the chum I can want.

Me: You like chum too!?

Aurora Firestar: That was a fake promise I asked for to get away from him. I lied to him to make him throw up and run away.

Me: Ooh that was clever!

Nico: Nice!

Sougo: (gets out Kiramager Ridewatch) Funny you mentioned that fake promise.

Geiz: (gets out Dino Fury Ridewatch) We battled Another Robo Plankton earlier.

Sougo got KirameiRedArmor while Geiz got DinoFuryRedArmor.

Me: Yeah crazy.

Aurora Firestar: That is funny.

She turned into Another Firebrand!

Nico: Time for some buttkicking! (ACTIVATES FIREBRAND'S RIDEWATCH)

He fired a wave of fire and blasted her all over.

Comrade Red: Lets dance! (ACTIVATES COMRADE RED'S RIDEWATCH)

(RUSSIAN DANCE MUSIC PLAYS)

Nico danced Russian Style and punched and kicked her all over like how Popeye did to Bluto!

May: HEY! Feel the power of the Volcano! (ACTIVATES VOLCAMON'S RIDEWATCH)

She fired waves of flaming meteors and smashed her all over.

May: The Force is with you. (ACTIVATES COUNT DOOKU'S RIDEWATCH)

She fired a blast of Force Lightning and electrocuted her.

Maria: Time for this one! (ACTIVATES LA-DOLDO-GU'S RIDEWATCH)

She fired waves of energy and blasted her down.

Maria: FEEL THE HEAT! (ACTIVATES DABI'S RIDEWATCH)

She fired a blast of blue fire and blasted her down.

Blossom: Time for some fun! (ACTIVATES COMRADE RED'S RIDEWATCH)

(RUSSIAN DANCE MUSIC PLAYS)

She danced and kicked and pulverized her all over.

SMASH!

Then Leonard and his team came!

Leonard had the Beagle Boys, Rowdy, Movie Scarecrows, Cosma and Carmen Sandiego!

Qin: Cool!

Nico: Nice team Leonard!

Leonard: Thanks Nico. It's awesome.

Maria: Where's the next Gene Slammer?

SLAP!

Maria: YEOWCH!

A Ferrothorn slapped her on her butt!

Maria: A Ferrothorn!

Nico: Nice!

Ferrothorn: (In a girls voice) I was with you all getting ready to make my appearance.

Nico: Camille Appleseed! Wow!

She reverted back and was a girl with green hair and green farmer clothes.

Camille Appleseed: I got this.

She fired waves of energy and blasted her down and I caught the ridewatch and purified it.

Me: YEAH!

I brought Aurora Firestar over.

Blossom: What's your favorite memory of Nico?

Camille Appleseed: When me and Nico planted over 3,000 acres of apple trees in Maine and the Northeast.

Nico: Yep.

Me: That is awesome.

Laney: Yeah!

Nico and Camille hugged.

Nico: I've really missed you.

Camille Appleseed: Me too Nico. Me too.

Me: Awesome rescue.

We went back home.

But, she won't be alone, we're also going to face Dr. Regal, the madman responsible for helping Team Rocket with stealing the DNA of The My Singing Monsters and on top of that, he used different combinations of Yu-Gi-Oh Duel Monsters, Pokemon, Digimon, Bakugan, and My Singing Monsters to Double Gene Slam innocent girls, so we're going to send that monster to The Black Gates just like what we did to Team Rocket and that genocidal mad scientist lunatic, Kurata.

Lincoln: Whoa, we're here in Yi Ling, and I know what we're going to do here, not only am I going to rescue the nineteen girls here, but we're going to face, take down, and recruit the next hypothetical Akumatized Loud Sibling, Queen of Darkness, the hypothetical Akumatized form of Lucy.

Me: And from what we heard from Gabriel, she's a Gothic Dark Queen with the powers of darkness, but even her darkness can easily be conquered by a bright light that shines through even the darkest of shadows.

Nico: You got that right.

Lincoln: But, she won't be alone, we're also going to face my old enemy, Dr. Regal, the very madman responsible for helping Team Rocket with stealing the DNA of The My Singing Monsters and on top of that, he's also used different combinations of Yu-Gi-Oh Duel Monsters, Pokemon, Digimon, Bakugan, and My Singing Monsters to Double Gene Slam innocent girls, so we're going to send that monster to The Black Gates just like what we did to Team Rocket and that genocidal mad scientist lunatic, Kurata.

Lori: That madman literally deserves to die, we should've killed him five years ago, but we didn't.

Lu Xun: That may be true, Lori, but this time, he won't escape.

Lincoln: No, he won't, Lu Xun. And I want to thank you and your team for joining us, Beast Boy.

Beast Boy: You're welcome, Lincoln. Now, who should we go after first?

Lincoln: I believe we should get after Dr. Regal first.

Suddenly, we checked our wrist computers, and we saw that Dr. Regal is cutting a path through The Stone Sentinel Maze, and he's been driven mad by revenge against Lincoln.

Rayman: He's going through The Stone Sentinel Maze, Lincoln. If he makes it through that, he'll arrive at our current location: Bai Di Castle.

Lincoln: He won't make it far.

Suddenly, The Stone Sentinel Maze activated and the traps suddenly sprang to life, and we saw it through a one way window Lincoln made.

Me: Whoa!

Zhuge Liang: I see, you activated The Stone Sentinel Maze to impede his progress. Most impressive, Lincoln. Now, we just need to deal with him before he heads for Bai Di Castle.

Rayman: Right.

We headed for the exit of The Stone Sentinel Maze, and we saw Dr. Regal head out of there, and he was incredibly beaten up and bloody, and when he saw Lincoln, his seething rage awakened once more.

Dr. Regal: You have ruined everything that Team Rocket was set to achieve, Lincoln Loud! You ruined our Gene-Slammer Project, and now, I will have my revenge.

Lincoln: Sadly, you won't be achieving that goal, Dr. Regal.

Lincoln then unholstered his massive Lincoln Loud's Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and he drove it into Dr. Regal's black heart and he exploded in black flames as he was erased by The Black Gates.

Lincoln: Give our regards to Team Rocket and Kurata when you see them.

Nico: That was an impressive move activating The Stone Sentinel Maze, Lincoln, Dr. Regal had gotten himself lost in there, and he was overwhelmed by the traps.

Lincoln: Now, all that's left is to take down Queen of Darkness.

Suddenly, we saw Elemental HERO Clay Guardian, Cynder, and Gnarls and Dark Magician Girl appear before us, and with them are the nineteen girls.

Nico: (Gasps) Elemental HERO Clay Guardian, another Cynder, and Gnarls and Dark Magician Girl?!

Elemental HERO Clay Guardian: (Girl's voice) Oops, sorry about the scare.

Cynder: (Girl's voice) But, we got the girls away from Queen of Darkness before she could feed on their blood.

Gnarls and Dark Magician Girl: (Girl's voice) And we made sure to throw a clove of garlic at her which caused her to hiss in anger, now she's coming after us.

Lincoln: (Gasps) Those voices, Briana Granmorg, Marianna Nightingale, and Mana Mystictree, I knew it was you three.

?: (Transylvanian Accent) I will kill you all for ruining my dinner!

Suddenly, we saw a group of bats and darkness heading right for us, and then, it transformed into Queen of Darkness, the hypothetical Akumatized form of Lucy.

Lucy Loud: Gasp, so that's Queen of Darkness?! She's exactly what I could've become during the fight to stop Gabriel years ago.

Queen of Darkness: (Transylvanian Accent) And now, I will drink your blood!

Lincoln: From one powerful vampire to another, you're not drinking our blood, Queen of Darkness.

Sylvester: You may be a powerful vampire, but we've dealt with evil vampires before, and we have good vampires on our side.

Sylvester unholstered his Sylvester's Blood-Soaked Vampiric Demon Darkness Greatsword of The Dracul and transformed into Super Angel-Cat-Vampire-Acme Dark Knight-Harmony Universal Eternal Celestial Xelnaga Darkness Looney Tune Feline Demonic Darkness Vampire Cat Angel of Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Justice and Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Death.

Lincoln: Sorry I had to get that vicious when dealing with Queen of Darkness, Lucy.

Lucy Loud: It's okay, Lincoln. Besides, you outclassed her when it came to using the powers of darkness and the vampires.

Lori: No doubt, you had her on the ropes and you took her down, now we only got Mudslinger, Math Magician, Fear Fox, and Wolf Carnage to deal with.

Lincoln: You got that right, Lori. (To Briana Granmorg, Marianna Nightingale, and Mana Mystictree) And it's so good to see you all again, Briana Granmorg, Marianna Nightingale, and Mana Mystictree.

Briana Granmorg reverted back to normal, and she's a beautiful girl with long brown hair with blue-streaked bangs, light blue eyes, she was tall at 7'0" in height, she has a really strong and powerful muscular physique and ample breasts, tanned skin, she has massive and beautiful white angel wings, she's dressed in a sleeveless dark brown crop top, dark brown skirt, dark brown knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with earth, plants, leaves, and earth angels on the coattails and on the back is Elemental HERO Clay Guardian, and holstered on her back is a massive Elemental HERO Clay Guardian-themed greatsword with embedded red gems and Elemental HERO Clay Guardian etched on the 7'0" massive, wide, double-edged dark brown blade, large dark brown phoenix heads for the crossguard, large white angel faces embedded on both sides of the hilt with dark brown gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large dark brown gem on the bottom of the large white angel heads for the pommel.

And Mana Mystictree reverted back to normal, and she's a beautiful girl with long dark purple hair, purple eyes, she was tall at 6'11" in height, she has the body of a goddess, and ample breasts, fair skin, she has massive and beautiful purple angel wings, she's dressed in a short-sleeved purple blouse, sleeveless purple top, purple skirt, black pants, purple knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with magic, sparkles, elemental forces, dragons, and angels on the coattails and on the back is Gnarls and Dark Magician Girl, and holstered on her back is a massive Gnarls and Dark Magician Girl-themed greatsword with embedded magenta gems and Gnarls and Dark Magician Girl etched on the 7'0" massive, wide, double-edged purple blade, large purple dragon heads for the crossguard, large white angelic faces embedded on both sides of the hilt with magenta gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large red gem on the bottom of the large white angel heads for the pommel.

Briana Granmorg: You too, Lincoln, it's been a long time, and it's so good to see you again, Gina.

Gina Granmorg: You too, Briana.

Mana Mystictree: And we're finally rid of Dr. Regal once and for all, finally.

Marianna Nightingale: Both he and Kurata have gone too far in their attempts at world destruction and chaos.

Lincoln went up to Briana Granmorg, Marianna Nightingale, and Mana Mystictree and he hugged the three girls, and Briana Granmorg, Marianna Nightingale, and Mana Mystictree are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Mana Mystictree: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'9" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new.

Briana Granmorg: Along with getting He-Man's chest harness, man, you've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass.

Marianna Nightingale: You said it, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal,

Me: And Lincoln, you know these three sexy hot mamas?

Lincoln: Indeed I do, J.D., The first girl is Briana Granmorg, Gene-Slammer of Elemental HERO Clay Guardian and the younger sister of Gina Granmorg, she's my Guardian Angel from New York and she's a very powerful and also a very physically strong athlete who was born with superhuman strength and she's also a skilled wilderness survival expert, and she's also a seductive and one sexy hot mama who's flirted and made out with me more than once, and she loves me with all her heart which is also shared among the other members of my harem and Guardian Angels. She's also a member of The Elemental HEROS of Earth, but, unlike with The Elemental HEROS of Fire who had to deal with parents who built their business empires through the theft of intellectual property and got into criminal activity and evil siblings who are thieves and heartless thugs, The Elemental HEROS of Water who had to deal with lying conniving workers who tried to extort them and ruin their names and reputations, along with Sergio, the mastermind behind some of the early extortion plots, and the heartless evil abusive greedy parents and heartless gold-digging evil ex-little sisters, and The Elemental HEROS of Darkness who've had to deal with Lori, she and the other Elemental HEROS of Earth have had numerous clashes and dealings with Lynn, who has more than once tried to kill them and me many times over when she goes on her massive rage-fueled rampages, but they always saw her coming when they see her running on all fours, beating her chest like a gorilla and roaring like an animal, and the worst part was letting out those really loud belches, and catching the stench of her sweaty armpits and smelly feet. But, she and the other Elemental HEROS of Earth along with me have more than once beaten Lynn into the ground, tied that animal up, and dragged her smelly butt home where she eventually got into massive trouble with her parents. Plus, during the exercise scene, she's going to reveal a very horrible revelation: about how Chandler tried to destroy our gym with bombs while we were inside working out, but our alarm system alerted them early, and Briana and I took him down hard and got that sewage rat sent to jail for two months.

Selene Arcangela: The second girl is Marianna Nightingale, Gene-Slammer of Cynder, she's Lincoln's Guardian Angel and The Master of The Element of The Undead, and among the first humans who were actually born in The Skylands and grew up there under the guidance of Master Eon and the Skylanders, and as Marianna grew, she'd discovered that she's a master of the Element of The Undead, one of the Ten Elements of The Skylands, and she trained a lot under the tutelage of Master Eon and the Undead Skylanders and she proved to be quite the master of the undead. She left The Skylands and she moved to Royal Woods, Michigan, and this is way before Kaos, The Dark Portal Master, had launched his hostile takeover of The Skylands. Marianna really hated that world-conquering warlord, and when Marie formed The Skylanders Liberation Coalition, Marianna became one of the members and she had sworn to make Kaos pay for all his crimes against Skylands and against all The Skylanders. After we freed The Skylands from Kaos and The Skylands merged with our world, The Skylanders Liberation Coalition had become part of The Earth-Skylands Federation. Plus, we also saw she fell in love with Lincoln when they first met, and she really trained him intensely on how to use the element of The Undead, and she also had the additional help of Cynder and the other Undead Skylanders, who really helped Lincoln in advancing his training in mastering the element of The Undead, and over time, he really proved to be a master and at the same level as Marianna Nightingale, and although Marianna hates Kaos with a blazing passion for all his crimes against Skylands, there's only one person that Marianna hates with a passion ever since she came to Royal Woods: that person is Lynn, and Marianna has more than once used her skills in summoning The Undead to put Lynn in her place and cause trouble on that rampaging, farting, smelly gym bag, and she even told her off saying that Lynn's a superstitious, overly aggressive, super violent, easily angered, sociopathic control freak, that she's as cuddly as a cactus, and even worse, Marianna also called Lynn a pig! That set Lynn off and she tried to pull a Pumbaa and charge at her, but Lincoln fired a blast of spectral lightning and electrocuted her and he fired bones at her which formed into a cage imprisoning her, and Marianna went over to Lincoln and they kissed on the lips and right in front of Lynn, who was left seething with rage and wanting revenge, but Lynn got busted by her parents who saw what she tried to do and she also got grounded big time.

Nicholette Torrington: And the third girl is Mana Mystictree, Double Gene-Slammer of Gnarls and Dark Magician Girl, she's Lincoln's Guardian Angel from Michigan and classmate in Gym, but she's also a powerful magician of nature and dark magic as well as one of the most beautiful Goths. Plus, she has large breasts, in fact, her bust size is 112 cm and she's the cousin of Lincoln's future wife, Solange

Blanchefleur de Lux. On every occasion, she also flirts with Lincoln, and she, Lincoln, and Lucy would often practice dark magic together, and she and Lincoln would love to swim in lakes as well. Lincoln made Mana a beautiful necklace with black and green jewels, and to show thanks, she kissed him on the lips. She hates the jerks with a passion, however, there's one other villain she hates as well, and that's Dr. Regal. The reason why? Get this, because like that genocidal mad scientist lunatic, Dr. Akihiro Kurata, Dr. Regal was also part of Team Rocket and also helped Team Rocket by gathering Bakugan and My Singing Monsters creatures, and on top of that, he used different combinations of Yu-Gi-Oh Duel Monsters, Pokemon, Digimon, Bakugan, and My Singing Monsters to Double Gene Slam innocent girls.

We gasped.

Nico: WHOA! This is exactly what we heard from The Celestialstar Sisters when we met them yesterday, and Briana and Marianna have dealt with Chandler and Lynn, and I know you two have the videos to prove it.

Briana Granmorg: You bet we do. (To Lincoln) Oh, Lincoln, there's something I also want to give you.

Lincoln: Let me guess, you, Marianna, and Mana want to give me your blood, right, Briana?

Briana Granmorg: How'd you guess what I was about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them, and yesterday, he marked The Celestialstar Sisters, and they also got twelve Elemental Thunderbird Necklaces of Eternal Love with colored gems on the gold lightning bolt links and colored crystal links from their merged Crystal Necklaces of The Buddha and twelve Elemental Thunderbird Chokers of Eternal Love.

Marianna Nightingale: I knew it, you marked them and fed on their blood, along with acquiring their powers as well, I knew that was coming since you'd done that more than once when he got brutally injured by Lori, Lynn, Lola, Lisa, and Luan more than once.

Mana Mystictree: And you've marked The Celestialstar Sisters yesterday when you met them.

Me: Luckily, the strong shield he put up when he had an intense lovemaking session with them last night lasted throughout the night.

Lincoln: (Face turns red with embarrassment) With my really strong Incubus powers and magic, I'd have thought the shields wouldn't last for long.

Lincoln first went up to Briana Granmorg, and he hugged her in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Marianna Nightingale: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, three Elemental Thunderbird Necklace of Eternal Love appeared on the necks of Briana Granmorg, Marianna Nightingale, and Mana Mystictree with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with three Elemental Thunderbird Choker of Eternal Love on their necks.

Mana Mystictree: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Briana Granmorg, Marianna Nightingale, and Mana Mystictree.

Briana Granmorg, Marianna Nightingale, and Mana Mystictree had a smile on their faces and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around them, and he leans down to each of their faces and he kissed each of them passionately on the lips, and they also returned it, and we cheered for them. Then, we went up to the nineteen girls, and when Lincoln saw who they were, he immediately recognized them. The nineteen girls are Cecilia Lynn Adlehyde, Emma Hetfield, Jane Maxwell, Mariel, Avril Vent Fleur, Belial, Clarissa Arwin, Enil Aidem, Farmel Arianhod, Kanon, Lilka Eleniak, Loretta Oratorio, Marina Irrington, Marivel Armitage, Maribelle Graceland, Persephone, Raquel Applegate, Rebecca Streisand, and Yulie Ahtreide from Wild Arms.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Cecilia Lynn Adlehyde: Yes, we're okay, thanks to you.

Then, when Cecilia Lynn Adlehyde and the other eighteen girls saw who it was that saved them from Queen of Darkness, the hypothetical Akumatized form of Lucy Loud and Dr. Regal who was out for revenge, their faces turned atomic red upon seeing the 17-year-old 7'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with a Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, He-Man's chest harness with colored gems on the orange crisscrossing straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made eighteen clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Cecilia Lynn Adlehyde: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, nineteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Cecilia Lynn Adlehyde, Emma

Hetfield, Jane Maxwell, Mariel, Avril Vent Fleur, Belial, Clarissa Arwin, Enil Aidem, Farmel Arianhod, Kanon, Lilka Eleniak, Loretta Oratorio, Marina Irrington, Marivel Armitage, Maribelle Graceland, Persephone, Raquel Applegate, Rebecca Streisand, and Yulie Ahtreide with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team was shocked to find out the villains we went after were Queen of Darkness, the hypothetical Akumatized form of Lucy Loud and Dr. Regal, the mad scientist madman who's also responsible for helping Team Rocket with their Gene-Slammer project.

But, when Lincoln showed what happened first to Dr. Regal by having him go through Hell inside The Stone Sentinel Maze and when he got out he was killed by Lincoln and sent to The Black Gates and then we beat down Queen of Darkness and sent her to The Masters of Evil, everyone cheered and hugged us and Lincoln's harem kissed him all over. Lincoln, Briana Granmorg, Marianna Nightingale, and Mana Mystictree have a lot of catching up to do, now that she's back in town.

Maria: Whoa, first you guys had to deal with Dr. Regal who got sent to The Black Gates, and finally, you beat down Queen of Darkness and sent her to The Masters of Evil, awesome!

Eli: And Lincoln had a brilliant idea in using The Stone Sentinel Maze to cause trouble for Dr. Regal.

Lincoln: And as soon as he got out and was right near Bai Di Castle, he was already a mess, and I put him out of his misery.

Mana Mystictree: And we made sure he paid for his crimes, but there's more Double Gene-Slammers out there, Lincoln.

Lincoln: I know, Mana, and we'll run into them in the future.

Me: We sure will, and this'll be another of Team Rocket's mess we're cleaning up, and we'll be facing Mudslinger in France.

Lana: We sure will, this'll be awesome!

Marianna Nightingale: Better bring buckets of water to deal with her, Lincoln.

Lincoln: I'll do better than that: not only do I have water powers, but I'll also be bringing The Water Skylanders and every water wielder to spray her with water.

Me: Yeah, we'll give her a bath she'll never forget.

---

After taking down Queen of Darkness and sending Dr. Regal to The Black Gates, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Briana Granmorg, Marianna Nightingale, and Mana Mystictree saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they have an atomic red blush on their faces, hearts in their eyes, and their nose were bleeding.

Briana Granmorg: My God, I was right that Lincoln's really grown into a 17-year-old, 7'9" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan.

Marianna Nightingale: And he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years.

Mana Mystictree: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Marianna Nightingale: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Mana Mystictree: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Marianna, what's the story on yours and Lincoln's first date at Lake Michigan, and you said it was right after he saved you from Lynn who was about to kill you after you told her off?

Marianna Nightingale: Oh, you're going to love this.

Marianna Nightingale pulled up the video as it played on the big screen, and we saw Marianna Nightingale standing in between Lynn and Lincoln was beside her, and Lynn was steaming mad and her eyes were red with hatred.

Past Marianna Nightingale: You've gone too far in trying to hurt your younger brother just because he's not going to be your punching bag, but you know what, you've been asking for it for a long time, you've criticized your brother many times and you've shown absolutely no remorse for any of your insidious actions, and now, you're going to get some of my criticism. You're a superstitious, overly aggressive, super violent, easily angered, sociopathic control freak, you're as cuddly as a cactus, and you're a pig!

We gasped at her harsh words.

Nico: OH, DAMN! Now, that was harsh!

Me: Varie and I still remembered those harsh words she said to Lynn, and man, did they sting!

We continued watching the video, and then, we saw Lynn's face turn boiling red, her mouth was foaming, and she screamed with out of control rage and she went outright ballistic and charged at Marianna Nightingale to kill her, but Lincoln fired a blast of spectral lightning at Lynn and electrocuted her, and then, he fired bones at her which formed into a cage imprisoning her.

Past Marianna Nightingale: Lincoln… , you saved me?

Past Lincoln: I wasn't going to let Lynn kill you, Marianna.

This made Marianna Nightingale smile, and she went up to Lincoln and they kissed on the lips while Lynn could watch seething with rage.

Past Rita: Kids, why don't you go out and have fun, I've got a few harsh words to say to my daughter.

Past Lincoln: Okay, Mom. Let's go for a swim at Lake Michigan.

Lincoln and Marianna Nightingale grabbed some beach stuff and they went off to Lake Michigan and leaving a trapped Lynn to face her doom. Then, the scene transitioned to Lake Michigan and Lincoln was wearing orange swim shorts and Marianna Nightingale was in a dark purple two-piece bikini, and they were swimming and having fun in Lake Michigan, then, they shared a romantic kiss as the video ended.

Nico: Wow, now that's what I call an awesome date!

Me: It was really awesome, and as for Lynn, she got grounded for ten weeks, and she swore to get her revenge on Lincoln and Marianna Nightingale, and worse, she also wanted revenge on me and Varie for siding with Lincoln and she swore to kill us, we threw Lynn in a cage and slammed the cage door behind her. Then, Lynn lost it as she went batshit roaring like an animal and beating her chest like a gorilla!

Eli: JEEZ!

Qin: Lynn Loud, of all the moronic bone-headed things you've ever done because of your Dark Side, you swearing revenge on Lincoln, J.D., and Varie for something that's your fault, that is by far the lowest, and you even threatened their lives as well! I ought to swat your smelly behind with a paddle until you have a bad case of Baboon Butt!

Nico: Now, now, Qin, we saw that J.D. and Varie refused to do so, and what they did in throwing Lynn in a cage and closing it proves their love for Lincoln can never be messed with.

Luna: And seeing her go crazy like that, she made a really big mistake, dude.

We got a shower, and then, Lincoln, Glacia, Drasna, and Danika are heading to Torch Lake Beach in Michigan.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'9", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Glacia, Drasna, and Danika were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Glacia, Drasna, and Danika fell in with Lincoln, and he also fell in love with them as well, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant, but they also got to keep their heads up, they got word that Isabella Morgana has sent some thugs to kill them.

Glacia: Whoa, so our first date's here in Torch Lake Beach, nice.

Lincoln: I knew that you, Drasna, and Danika would love it, Glacia, and it's perfect for our first date, but we also got trouble: Angelique Sawyer has sent some thugs after us as well. Shall we?

Lincoln, Glacia, Drasna, and Danika dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Glacia, Drasna, and Danika got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw Isabella Morgana's hired thugs coming after them, but Lincoln fired blasts of blood red energy which hit them and he sucked out all their blood and energy and killed them and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Glacia, Drasna, and Danika, and they hugged the girls in their abnormally massive and powerful muscular arms, and Glacia, Drasna, and Danika placed their hands on the massive pecs of Lincoln and his clones, then they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Torch Lake Beach, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Glacia, Drasna, and Danika with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Glacia, Drasna, and Danika are now in your harem.

Jenna: Flip has got some nerve trying to kill them, that cheapskate's just making things much worse for himself.

Serena Logan: Even after all this time, Flip's still the same mutant cheapskate he's always been.

Lincoln: And we also had a run-in with Isabella Morgana's hired thugs, but I killed them all, and she should be screaming with pure murderous vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Angelique Sawyer scream with extreme hatred and rage.

Maria: Yeah, up yours, you monster bitch!

Carmen: Sheesh, those monster bitches just don't even know when to quit.

Nico: Serves her right, but she'll get hers later on today.

Me: They sure will, those monster bitches have gotten on our nerves five years ago, and now, they're going to pay dearly for everything they've done.

Lincoln: You got that right.

After Lincoln and the girls came back from his date, we decorated the World Tree Estate with balloons and streamers in cyan blue and metallic silver, because today's Ets' birthday, and his harem took him out of the place, so we can get the place ready.

Lincoln: This is going to be so awesome that we're planning Ets' party.

Me: I know, he's going to be so excited.

Nico: And his harem took him out of the Estate while we're decorating the place. Where did you send them to, Lincoln?

Lincoln: They got word that remnants of Evil Sebastian's demonic followers were running loose, and they were causing havoc, so Ets and his harem are going around killing them. So, we'll be rid of them for good.

Suddenly, Lori saw Ets and his harem coming.

Lori: Guys, they're coming back, looks like they got done with literally killing every last one of Evil Sebastian's followers.

Me: Awesome.

We turned the lights off, and we hid, and just in time as well, Ets opened the door.

Ets: Hey, why's the place so dark?

Ets turned on the lights, and then, the streamers went off and the silver banner unfurled and written on the banner was the words, "HAPPY BIRTHDAY, ETS!", written in cyan blue. Then, we came out of our hiding places.

Everyone: SURPRISE! HAPPY BIRTHDAY, ETS!

Ets: (SHOCKED AND SURPRISED) WHOA!? You… , you guys did all this for me?!

Lincoln: Yep, we haven't forgotten your birthday, Ets.

Ets: Thanks, you guys.

Then, Vypra and the Masters of Evil came.

Vypra: Happy birthday, Ets.

Ets: Thanks, Vypra. Alright then, let's PARTY!

We got the party started, and we handed Ets our gifts: from Lincoln, his is a comic based on our big adventure in The Ridonculous Race, and man, it sold like hotcakes, along with a comic that's based on the death of Evil Sebastian in Metropolis, and it was so awesome.

Ets: Whoa, these comics are awesome, Lincoln!

Nico: They sold like hotcakes in the stores, and Lincoln was lucky to get the last two.

We also gave our gifts as well, everything from new clothes, cellphones, gadgets, blasters, drones, and weapons to new exercise equipment.

Ets: Wow, guys, this is so awesome, thanks!

Me: You're welcome, buddy.

We continued on with the party, and wouldn't you know it: Sancho and his gang were keeping an eye on Sergio, who was now in prisoners' clothes with chains and he was really furious.

Sergio: (Growls)

Sancho: (Coos Angrily)

We gasped in shock!

Ets: What did Sancho say to Sergio?!

Lincoln: Sancho just cursed out Sergio, and he said a lot of things that I really don't want to repeat!

Me: Man, Sancho's got one dirty beak!

Nico: Sheesh, first he cursed at Sergio like that, and he said why he was ever friends with an animal like him, and Sancho warned him not to do anymore stunts for revenge or else he and his gang are going to throw him to the Alley Cats of Great Lakes City and they'll rip his feathers off!

Eli: Jeez!

Maria Garcia: (Spanish Accent) Sancho's already pissed off at Sergio big time!

Monica Garcia: (Spanish Accent) I have no shred of remorse for Sergio at all, sis. That stupid bird's always gotten himself into trouble and he's always started trouble and drama for his own sick and twisted amusement, along with being greedy and stupid. Plus, I'm so glad he's no longer going to be partying ever again and he's paid the price for that Chip he implanted on Lincoln in another revenge scheme.

Luna: You got that right, brah, now he can watch while we have Ets' party and he's stuck in a cage playing The Jailhouse Blues.

Nico: Jailhouse Blues in his cage?! That's a good way to put it, Luna, that parrot's going to be playing The Jailhouse Blues for a very long time! But, you know what they say, Sergio: you do the crime, you do the time!

Hitch Trailblazer: That is for sure!

Bobby Santiago: He's caused us enough drama and trouble for the last time!

Mariposa Santiago: You said it, Bobby.

Then, Mariposa Santiago swung a mallet and it hit Sergio's cage and he was vibrating like crazy!

Mariposa Santiago: That's for molting your gross feathers onto our Huevos Rancheros years ago, you greedy sack of pillow feathers!

Ronnie Anne: Mariposa was coughing up Sergio feathers, and she was so mad, we had to get her out of here before she tried to rip Sergio apart!

Lincoln: Jeez.

Later it was time for Julie's final mission.

William: Anyone else want to go with Julie, besides the other Underground Girls, TJ, Maggie Peyton, and Herbie?

Lincoln: Me and my siblings will go.

Girl Jordan: And so will me and Leeli.

Leeli: Awesome!

Nico: Okay then.

Tecna: (British Accent) And I will go with too.

Nico: Cool cool.

Eli: All right are we ready?

Nico: Yep. Lets go.

We were off to Ringworld.

Leo: Uha.

Carolina: Wow! That's a lot of kids there.

Me: It sure is and yes their mom and dad all thought it would be cute if all their names started with the letter L.

Sarge: I think it's awesome.

Me: (Whispers to Sarge) Their family has never been one that believes in condoms.

Sarge, Texas, Church, Donut and Grif snickered at that remark.

Girl Jordan: My name is Girl Jordan.

Leeli: And I'm Leeli Wingfeather.

Donut: Awesome to meet you all.

Tecna: Same here.

Nico: Long story on how we met them too.

Lincoln: It was all fun though.

Nico: What have you guys been up to since last visit?

Sarge: Pulverizing minor villains.

Nico: Good good.

Eli: Cool.

Laney: We can tell you guys have been busy.

Lana: I'll say.

Me: Also one of your enemies is now on the loose right?

Texas: That's right. Wyoming.

Texas went over his history.

---

Freelancer Agent Wyoming (real name: Reginald) is a British former agent of Project Freelancer turned bounty hunter. He serves as the secondary antagonist of The Blood Gulch Chronicles, the main antagonist of the Out of Mind miniseries, a minor antagonist in Recovery One and a supporting protagonist turned antagonist in The Project Freelancer Saga. Wyoming made his debut in Visiting Old Friends, where he was hired by O'Malley to kill Tucker.

He was voiced by Matt Hullum.

In the episode Captive Audience, Wyoming, York, and Maine fight in a training exercise against new recruit Agent Texas. During the battle, York attempted to coordinate his team's attacks, but Maine and Wyoming preferred to attack by themselves, leading to repeated failures. In the ninth round, Wyoming and Maine switch the ammo in their guns, leaving behind the paralyzing paint and instead using live rounds to fight Tex. Wyoming manages to fire a well-placed shot onto Tex's shoulder, but he is beaten when Tex shoots him full of paralyzing paint and then slams his head into a stone pillar, leaving him stuck to it. Maine later punches him through the pillar in an attempt to attack Tex, sending Wyoming (still paralyzed) flying across the battlefield.

Wyoming is later seen being debriefed about the mission to recover the Sarcophagus from a 110 story building filled with UNSC troops loyal to the Insurrection. He is revealed to be on Team B, who will attack a high ranking official and get a passcode to the Sarcophagus. Wyoming is later seen listening to North in Team B's pelican. However, Team B's mission did not go well and Wyoming was injured. He is later seen in the bay of the Pelican that picks up Agent Carolina.

In Season 10, Wyoming attends a class about A.I. theory along with Freelancers South, Carolina, North, York, Washington, and Maine. Wyoming and the unrevealed Agent Florida are later seen spying on the Insurrectionists at the Longshore Shipyards, when C.T. and the Insurrectionist Leader arrive, in which Wyoming reports to Command. The two make it inside the enemy bunker, closely in pursuit of C.T and the Leader, but the Leader suspects they are being followed and tosses his tomahawk upwards, striking Florida. Wyoming retaliates by firing back with his sniper rifle.

Twin Insurrectionist Chain Gunners engage Wyoming by firing their machine gun turrets, allowing the Leader and C.T. to escape. As a result, Wyoming is forced to take cover. York, Washington, and Carolina soon regroup with Wyoming and take cover from the oncoming fire. Carolina orders Wyoming to move up, but Wyoming refuses. When Tex suddenly arrives, Carolina follows in pursuit, leaving Wyoming, York, and Washington to fend for themselves. Soon after, Wyoming, Wash, and York watch as Florida recover and fires his assault rifle at a crane, causing it to collapse and its cargo to crush the Twin Insurrectionist Chain Gunners.

Sometime after the mission, Wyoming and Maine are seen loading up their weapons in a locker room aboard the Mother of Invention. Carolina storms inside and throws her helmet at the wall in anger. Sigma and Gamma talk with her afterward. Throughout a heated conversation between Carolina, The Director, The Counselor and Texas; Maine, Sigma, Gamma, and Wyoming watch in the viewing room from above. Afterward, Wyoming watches over Carolina, after her implantation, in the recovery room. When Carolina wakes up, she demands a match. As Wyoming, and the other Freelancers, witness the match from above, The Director enters and yells out, "No Allison!", upon seeing Tex. A.I.s then begin to mutter "Allison" in response, causing Wyoming and the other Freelancers to remove their helmets in agony.

After several days pass, it is revealed that Wyoming had been attacked, supposedly, by Texas with an intent to steal his A.I. and equipment. Wyoming is seen during the break-in accompanied by two soldiers. He follows the soldiers into the locker room, searching for the infiltrators. York suddenly appears and takes out the soldiers, and then fights Wyoming. As they battle, York makes fun of Wyoming's "knock knock" jokes by mimicking him, but Wyoming simply replies with "who's there?" several times until York throws a locker at him, defeating him.

During Wyoming's search for Tucker, he singlehandedly eliminates the entire Sidewinder Red Team (Tex had already killed the Sidewinder Blues before the events of the series proper, explained in a flashback in Episode 10). In Episode 43, he is also responsible for shooting a rocket launcher out of Tucker's hands, thereby preventing Tucker from killing Church before the bomb inside the latter explodes (although according to one of the time-traveling Churches, this act had little consequence, as the present was destroyed either way).

In the middle of Season 4, the quest team discovers that Wyoming had survived the explosion, as he appears in the temple at the Great Freezing Plains, kills the Alien, and destroys his ship. He then flees from the scene, pursued by a furious Tex. In Out Of Mind, he uses a

Warthog to escape from Tex, but she manages to place a homing device on it. However, Wyoming has a conversation with a thus-far unnamed associate in which it is evident that both he and his benefactor are planning something for Tex. Later in the mini-series, York's A.I. Delta mentions Wyoming underwent mental damage after his A.I., Gamma, removed itself from his system, and York mentions that "Reggie" had a penchant for knock-knock jokes, something Gary is notorious for.

After O'Malley leaves his base behind to travel to Blood Gulch (as seen in Season 4), Wyoming remains behind to safeguard the base. Tex and York stage an assault, and Wyoming, with two underlings, confronts them. Wyoming kills York but finds himself at the mercy of Tex, who threatens to "pummel Wyoming senseless" and extract information from his gear after he reveals he knows of O'Malley's jump into someone else. After the threat, Wyoming decides to tell her, but Tex decides to use her method anyway. According to Tex, Wyoming teleported away before she could interrogate him.

Later when Agent Washington returned to the scene to recover Delta from the dead York, Wyoming attacked Washington. As Wyoming was about to finish Washington off he was forced to flee due to York's armor exploding. After learning the name of Wyoming's A.I., Gamma, Church deduces that the computer Gary is, in actuality, Gamma, and therefore is the one responsible for teleporting Wyoming to his location.

Wyoming has since retrieved Gary from the computer terminal of O'Malley's fortress and reappeared in Blood Gulch, taking the Blues hostage with the help of Gary, controlling the tank which used to house Sheila. As part of the same super-soldier program as Tex, Wyoming was granted not only an AI but a special ability. The ability is revealed during Wyoming's attack on the Blues (occupying the Red Base at the time) when he continually loops a particular stretch of time in order to modify events in his favor.

His use of the time looping is discovered by Tucker, who was aware of the time loop thanks to his sword. Tucker eventually lulled Wyoming into complacency and stabbed him with the sword early in the loop, killing him. However, he and Church quickly discovered that, as with the time loop that Church once experienced, several copies of Wyoming were being created and were congregating under the Red Base. In the resulting chaos, Gary was disabled and, to the surprise of the Blues, the Reds attacked the Wyomings, leaving only one alive. Cornering him, the Blues discovered the villain's ultimate plot. In Episode 100, Tex executes the last Wyoming by shooting him in the head with his own Battle Rifle.

---

When he was done we were shocked!

Julie: Me and my friends will get changed into jumpsuits first.

Me: Okay.

They went inside a bathroom in the base and did so.

Lana: Another awesome member to be added to the M.O.E.

Lola: Yeah.

Eli: But we're going to be ready for him.

Church: You girls okay in there?

Julie: Almost ready!

Church: Okay.

Me: Here Grif you can have all the pizza you want with this.

I gave him a…

PIZZA MAGISWORD!

Grif: Oh wow!

Nico: And you guys can have these Legend items too.

Me: We still are working on archenemies for all of you guys.

Sarge: Take your time.

We gave the Legend Items to them.

Grif was REALLY STUFFING his face with pizza!

Nico: (LAUGHS) He sure is hungry.

Lori: (LAUGHS) He literally loves pizza.

Me: Just like the Turtle Brothers.

Carolina: That is Grif for you.

Church: (to Girl Jordan) I'm surprised you didn't freak out at Julie's monster form.

Nico: You know Cletus Kasady's a boy, right?

Me: And one of the most mentally deranged monsters ever.

Girl Jordan: Yeah I know. But I'm trying to get over my vendetta. But the pain of what he did to me still hurts.

Nico: Yeah that day really hurt her.

Me: Ever since that day she HATES All the versions of him with a vengeance and wants to kill ALL of them.

Nico: Not all the versions of him.

Tucker: Damn, you girls look sexy!

Kita: Thank you very much.

Irena: We get around.

Nico: Awesome. Now it's time to tear Wyoming apart.

Eli: I sense that he's over by the lake here.

Nico: This will be good.

T.J.: Shift into Turbo!

He transformed into Turbo Red!

Nico: YEAH!

Me: Lets roll!

We were off!

Twilight Sparkle: This is gonna be awesome and fun.

Sunset Shimmer: It sure will!

Herbie: I see someone.

Herbie found Wyoming first and drove at him.

Then he smashed him into the ground!

Herbie: Take that!

Then we flew in and landed.

Me: Okay buttface! There's a new sheriff in town!

Wyoming: Did I just get hit by a car?

Maggie Peyton: That's MY car!

Herbie: And I'm not just any car dirtface!

Nico: Yeah! Herbie is special!

Laney: And I hope you like a nasty buttkicking that will send you plummeting through Earth's atmosphere!

Wyoming: We'll see about that!

Eli: Yes we will!

Eli fired a blast of Force Lightning and it hit him and electrocuted him.

Nico: (gets out Firebrand and P'andor's Ridewatches) Feel the heat!

He activated the Ridewatches and fired waves of fire and blasted him all over.

Lola: Feel the heat!

She fired a wave of fire and blasted him all over.

Julie: Lets do it!

Sydney: Here we go!

They concentrated and their stomachs grumbled and then they grew and transformed into their monster forms!

Their ripped jumpsuits fell to the ground and they roared ferociously!

Stonebiter: YEAH!

Quarry: Time to tear him apart!

Shredlegs: This will be awesome.

Queen Nail: Lets kick some butt!

They fired waves of energy and smashed him all over.

Me: Take this!

I fired blasts of fire and energy and blasted him all over.

Church: (Gets out Bad Paper Chicken's Zecter) Let's see what this does.

He activated it and turned thin as paper and then ran fast and slashed Wyoming with a Paper Cut!

Nico: OUCH!

Me: I hate it when that happens. Getting a paper cut is painful.

Lola: It sure is.

Me: Try this one!

I activated Stinky Butt's Zector and teleported and kicked Wyoming's helmet and shoved his face in my butt and then…

LOUD FART TOOT!

I farted and he coughed and gagged and threw up!

Nico: (LAUGHS) Nice one!

Bloodstorm charged at Wyoming.

She formed a hammer and smashed him on his face and bashed his nose!

Me: WHY YOU LITTLE!

I then grabbed Wyoming by his neck and strangled him like Homer.

I jumped back.

TJ: (Gets out Key's Zecter) See how you like this!

He activated it and fired waves of energy and blasted Wyoming all over.

Nico: Try this steak on! (ACTIVATES FLAMIN YAWN'S ZECTOR)

He breathed and fired a wave of fire from his mouth and blasted down Wyoming.

Lola: YEAH!

Laney fired waves of coconuts and bashed him in his head.

BASH BASH BASH BASH BASH!

Maggie Peyton: (gets out Cobalt Blue's Zecter) My turn!

She activated it and fired a blast of blue energy and blasted him all over.

Wyoming got up.

Wyoming: I WILL RIP YOUR THROAT OPEN J.D.!

Me: Bite my big fat fucking ass!

Sarge fired at Wyoming.

He blasted him all over the place!

Nico: YEAH!

Me: Taste these lasers! (ACTIVATES UNIVERSE 666 DREJ QUEEN SUSQUEHANNA'S RIDEWATCH)

I fired blue laser blasts and blasted him all over the place.

Nico: WHOA!

Lola: YEAH!

Lana and Lily fired waves of water and ice and blasted him all over.

Luan: What's that!?

We then saw a Klinklang!

Me: Hey a Klinklang!

Caboose: That's a lot of gears.

Klinklang: (In a girls voice) I'm more than just a lot of gears.

Nico: Circe Salazar II! Wow!

She fired a blast of energy and blasted down Wyoming!

Klinklang: Take that buttpants!

Nico: YEAH!

Eli and Lincoln fired waves of lightning and electrocuted Wyoming.

Church threw a grenade.

Church: FIRE IN THE HOLE!

He pulled the pin and it hit Wyoming and exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was blasted down and then Laney tied up Wyoming with vines.

Nico: Take that!

I beamed him to the M.O.E. HQ.

Circe reverted back and she was a girl with black hair and purple eyes and had blue and purple clothes and to our amazement we saw her grow Rex's jet back.

Me: WHOA! You're an E.V.O.!?

Circe Salazar II: I sure am. I have my father and mother's powers.

Me: Ability to form machines and the powerful sonic megaphone mouth right?

Circe Salazar II: That's right.

Me: But let me guess, you're from the future right?

Circe Salazar II: That's right. 25 years actually.

Me: Wow!

Lana: Amazing!

Church: Any favorite memories of Nico?

Circe Salazar II: Just him and me taking down Black Knight. He and I did that in secret after he joined the team.

Me: Wow! That is awesome!

Lori: You literally saved us the trouble of having to do that.

Nico: Yeah they were dangerous to the brink.

Me: Good riddance.

Nico and Circe hugged.

Nico: I've really missed you.

Circe Salazar II: Me too Nico. Me too.

Me: Lets get Julie and the girls back to normal.

I had a dome of darkness ready and I gave them their clothes and I covered them and they put the clothes on. They came out dressed.

Julie Carolina: That was awesome!

Church: Julie, ever since I met you, I've seen you as a little sister.

Julie Carolina: Really? Oh Church!

She hugged him.

Carolina did the same.

Carolina: That makes me a sister too.

Nico: Aww.

Lincoln: So awesome.

Lily: Yeah.

We later went back home.

---

We later arrived.

May: How did it go?

Me: Really awesome.

We told everyone everything.

Xenia: WHOA!

Qin: That is awesome!

Lola: Yeah it was!

May: Matau, for your first mission, Jak, Daxter, and 2 Rabbids should go with you.

Matau: Awesome!

Lola: That will be so awesome to meet Blu and Jewel.

Nico: It sure will.

---

Later we were watching TV.

William: I'm gonna be heading out, guys.

Nico: What's the occasion?

William: Rigby called a few minutes ago. He said that Jo escaped from the Noto Prison, like we feared. She's hiding out in a warehouse.

Lincoln: (growls) I knew it! Well, I've had enough of her to last a goddamn eternity. Time for us to end her for good!

William: No. He said that just me should be able to end her. I'll confront her, kill her with the Black Gates, and be back here before it's even lunchtime.

Me: Okay.

Nico: Be careful.

Lola: Go get her!

Maria: Should I go with you?

William: If you want.

Maria went with.

Timon: Well, nothing to do now except wait.

Pumbaa: Wanna eat bugs while waiting?

Lana: I do!

Timon and Pumbaa and Lana ate bugs.

Me and Natilee were showing Sakura awesome dreams that she showed us in her sketchbook.

Me: This dream is for when I found Gari and the Children of the Night. I had that during the 20 Days of Darkness.

Natilee: That was awesome.

Poromon: How about showing her me and the mascots' dreams?

Lupin: (snickers) Egotistical much?

Poromon: Yeah.

Natilee showed her and they were dreams of beer and funny stuff.

Natilee: That was funny.

Laney: It was.

Nico: Yep.

Poromon: Hey, that's MY dream!

Fellbat: Show her the dreams of the other mascots.

She did so and they were funny and great dreams of the mascots.

Sakura Knudson: You guys have a lot of crazy dreams.

Natilee: Yeah. But here is one of Lincoln's dreams.

She showed her the dream Lincoln had when we met Johnny Test the first time and it was a horrible nightmare.

Sakura Knudson: Oh man! That is a scary one!

Nico: Yeah it was.

May: Terrifying, isn't it?

Sakura Knudson: No kidding there!

Nico: Lincoln had that dream when he snuck leftovers for a midnight snack.

Qin: That was crazy.

Lola: Yeah. We had to call Clyde in to help.

Laney: Yeah.

Nico: You think William and Maria are okay?

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM

We heard an explosion!

Me: What the fuck was that!

Maria and William then came in.

Me: Are you guys alright?

Maria: Yes we sure are.

Me: We heard an explosion! What happened!?

Maria: It was all a trap in a warehouse! Someone planted a bomb and it was all a trick!

Earlier…

William: Alright, Jo. Come out quietly so we can end you once and for all!

Maria: William, I don't think Jo's here.

William: Hmm.

Then they heard beeping and saw a bomb and there was only 30 seconds left!

Maria: A BOMB! LETS GET OUT OF HERE!

They ran fast!

3… 2… 1… 0

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The entire warehouse exploded!

An Eelektross saw everything.

It then went over to them.

Eelektross: Are you guys okay?

Maria: An Eelektross. Yeah we got out alive. Thank goodness.

William: Yeah. We were played for saps on that one.

Eelektross: (In a girls voice) Glad you're all safe.

Maria: Yeah are you one of Nico's friends?

Eelektross: I sure am.

William: Lets head back to the estate.

They did so.

PRESENT

Maria: I'm glad we're okay though.

Eelektross: Thank goodness there.

Nico: Lila Poseidon! Wow!

She reverted back and was a girl with aqua blue hair and had blue clothes and blue angel wings and in her hands was the Trident of Poseidon.

Lila Poseidon: Awesome to see you again Nico.

Nico: Same here.

Me: You have the Trident of Poseidon in your hands.

Lila Poseidon: I know. I am the Avatar of Poseidon.

Percy Jackson: Wow! So in a way I guess we're cousins or siblings.

Lila Poseidon: I guess so.

Me: Cool.

Nico: Did you get a good look at who planted that bomb?

Lila Poseidon: I sure did. It looked like a raccoon.

Mordecai: That doesn't make sense! Rigby would never do that!

Z Delgado: Mordecai, if I were you, I'd tell your buddy to come quietly. Or he's going down.

Me: Wait! Lets not rush to judgement! Mordecai can you think of anyone that might want to do this?

Mordecai: Let me see.

Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye glowed, and he had a vision and he saw who it was that we were going to confront: it was Doug, the shape-shifting con artist who tried to take Rigby's job, he's broken out of jail and he wants revenge on Mordecai and Rigby. When we saw it, we knew it meant trouble.

Nico: Lincoln, what's wrong?

Lincoln: Nico, where are Elaine, Rigby, Benson, Skips, Muscle Man, High Fives Ghost, and Pops? We got big trouble at the park again.

Just then, Elaine, Rigby, Benson, Skips, Muscle Man, High Fives Ghost, and Pops came in.

Elaine: We just heard you call, Lincoln. What's up?

Lincoln: You're not going to like it one bit, I just had a vision and I saw who we're going to confront: it's your old enemy, Doug, the shape-shifting con artist who tried to take Rigby's job, he's broken out of jail and he wants revenge on you, Rigby, and everyone who stopped him.

Mordecai and the others gasped.

WE GASPED!

Mordecai: What?! Doug's busted out of jail!?

Skips: But we killed that guy!

Rigby: We got to stop him and throw him back in jail!

Me: You guys faced him before?

Mordecai: We sure did.

Nico: But, it's not going to be an easy task: he can take on Rigby's appearance, since you were the one who hired him years ago as a temp.

Mordecai: Right, that's going to be a tough one.

Suddenly, Lincoln chanted an incantation and fired a blast of rainbow mist which made Rigby's aura appear: it was green and white.

Lincoln: This'll mark you out from Doug: while you have a green and white aura, his will be black and red.

Rigby: Nice.

Chromia: What's your favorite memory of Nico?

Lila Poseidon: When me Nico were down in the Great Barrier Reef and we found an awesome treasure there. It was the Blue Jewels of Poseidon.

Qin: Wow!

Nicole: I was trying to find that treasure for years. Awesome find guys.

Lila Poseidon: Thanks Nicole.

Me: Yeah.

Nico and Lila hugged.

Nico: I've really missed you.

Lila Poseidon: Me too Nico. Me too.

Me: What can you tell us about Doug?

Mordecai: His name is Doug Shablowski and he goes by The Dobbelgänger and he is bad news.

He went over his history.

---

Doug "The Doppelganger" Shablowski is the primary antagonist in the episode "Temp Check", and has only appeared twice in the series. He is a serial shapeshifting scam artist whose strategy involves presenting himself as a drifter seeking work. Unaware of his criminal status and intentions, Rigby hires him as a temporary employee at the park to perform duties typically assigned to him by Benson.

His demeanor is initially lively and overly enthusiastic, despite Rigby's poor compensation and subpar accommodations during his stay at the park. Rigby quickly takes advantage of his seemingly kind-hearted nature by underpaying him.

His behavior begins to draw suspicion from Rigby when he makes subtle changes to mimic Rigby's voice and demeanor, then gradually copies his actual appearance. Finally during a confrontation with Rigby, he is able to fully replicate his physical form. To the dismay of the rest of the park employees, this makes him effectively indistinguishable from Rigby himself. They propose a series of physical and trivia challenges to them and although Doug is able to mislead them into thinking that he is actually Rigby, a discrepancy in one of their responses reveals the true Rigby to Mordecai as real Rigby hates hugging. Upon realizing his mistake, Doug attempts to flee but is quickly apprehended by Skips and placed in custody by the local authorities.

His true intentions are explained to the group by a police officer (presumably a detective). His criminal record warrants his incarceration for an undisclosed period of time. He is last seen restrained in handcuffs, but as a last sign of good faith he reminds Rigby that although he himself does not have much to be thankful for, Rigby does and should never forget so.

---

We gasped!

Me: Oh man!

Me: How did you guys beat Doug before Mordecai?

Skips: I caught him when we saw that the real Rigby hates Hugging.

Me: Very clever.

Qin: So that's one trait we can use against him.

Nico: Yep.

Numbuh 274: Who knows what kind of crimes he might be doing with Rigby's face?

Me: One thing is for sure we are not going to sit here and let Doug ruin his good name.

Qin: Thanks to Lincoln's aura spell he is marked like a beacon.

Nico: Yep.

Lola: That guy is definitely going to jail.

Benson: Yeah he is nothing but trouble.

Timon, Pumbaa and Lana came back.

Timon: Boy it sounds like this guy is a total mook.

Lana: (Eating a Cream Filled Kind Bug) Mmm! Yeah no kidding! (GULPS)

Pumbaa: But we're with you guys and we're going to make that guy pay.

Lana: Big time! (LOUD BELCH!)

Pumbaa: Nice one Lana.

Lana: Thanks.

Me: Anyone getting a strong sense of déjà-vu with this one?

Nico: Now that you mention it, Yeah. We faced a Lymax and he was assuming the form of Hawk Moth and framing him.

Lola: Yeah I remember that!

Xenia: Yeah!

The Previous group came.

Madame Masque: Can me, Shiv, Villamax, Dr. Light, Multiple Man, Nergal, El Oso, Duff Killigan, Anti Wanda, and Firepower go with you guys?

Nico: Yes you all can come with.

Shiv: Boy that is crazy this is happening again where someone is framing one of you guys.

Me: I know.

Kerchak: Nico, which Gene Slammers do you think you'll meet next?

Nico: Beheeyem and Chandelure next.

Brittney: Ooh looking forward to the Chandelure one.

Qin: That one is spooky.

Nico: Yes it sure is

Starfire: The Beheeyem is one I would most look forward to because it looks like a Pokemon from another planet.

Nico: That is true.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Isabella Morgana of The Legion of The Lincoln-Haters, and she's heading here to kill Lincoln and get revenge. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, it's Isabella Morgana of The Legion of The Lincoln-Haters, and she's heading here to kill me and get revenge.

Selene Arcangela: Should've known Brianna Greyson would send her next. But, if we know that bitch all too well, she'll also be bringing Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson with her.

Nicholette Torrington: Just like what happened when The Chernabog Sisters came after us last year.

Lincoln: That won't be a problem, I'll trap them in a force field.

Stella: While you and I deal with Isabella Morgana and put an end to her for good, Lincoln.

Lincoln: But, we also got to watch it though, Isabella Morgana will no doubt have her machine guns with her, along with the others.

Nico: Good thinking, if they broke out of jail, they're bound to have gotten access to high-powered machine guns they stole from the cops or got themselves from contacts outside. Alright, gang, let's go, we're taking down Doug and we're throwing him right back in jail.

Lincoln: There's no way we're letting that shape shifting con-artist get away with his schemes, he's going down hard, and once we get done taking down Doug and sending that criminal back to jail for good, you're next, Isabella Morgana.

Selene Arcangela: You better start praying for mercy, you remorseless bitch.

Selene Emperyous: Because, we will show you and the others none for everything you've done in the past.

Stella: No way are we forgiving you for any of your actions, Isabella Morgana, you better be ready to pay the price for your foul misdeeds.

Me: Lets head down to the park and clear Rigby's name.

Nico: And bring Doug the Doppelgänger to justice! Lets roll!

We were off Lincoln put up a rainbow energy field around The World Tree Estate and we headed off to The Park and take down Doug who's escaped from jail and he's back for revenge on Mordecai, Rigby, and the gang, and after we get done taking down Doug, Lincoln and Stella are going to kill Isabella Morgana of The Legion of The Lincoln Haters

---

We arrived.

Shiv: The good old park.

Me: It sure is beautiful as always.

Nico: Yep.

Camie: But how are we going to find a creep like Doug?

Nico: He is marked with a red Aura so he won't be hard to spot.

Laney: That's true.

Moosk: (Russian Accent) And Happy Birthday to Ets!

Ets: Oh why thank you.

Me: That was an awesome party.

Lola: Yep.

Nico: It sure was an awesome party for him.

Ets: Yes it was.

Multiple Man: Did you like the party?

Ets: You bet I did.

Sakura Knudson: Boy all the parties you all do are awesome.

Me: Yeah they are some of the best and they are all made by our awesome Party Planning team.

Pinkie Pie: Me, Cheese Sandwich and Leni.

Nico: Yep.

Lola: Awesome.

Twilight Sparkle: It's always fun to see the parties done.

Me: Yep. Also Sakura you are not going to believe how Pinkie does all her planning.

Sakura Knudson: How does she do it?

Me: She has an awesome secret party planning cave right under the floor of Sugar Cube Corner.

Pinkie Pie: It's true.

Me: That was back when we met Hikari Yukimura.

Nico: I remember that.

Zhalia: Too bad she didn't do any of that for Buzz's party.

Pinkie Pie: Actually I did. It was really fun decorations.

Qin: Wow.

Megan McCallister: At least that door was replaceable.

Me: Always keep a bunch of spares in case of an emergency.

Nico: Smart thinking there.

El Oso: I brought some goats as backup.

Me: Good thinking.

Goats bleet.

Me: We'll need all the help we can get from all our animal friends.

Nico: Good idea.

Me: (WHISTLES)

I summoned a bunch of eagles and birds.

Nico: Wow!

Fire Masamune: That is so cool that you can do that J.D.!

Nico: J.D. got all kinds of amazing powers.

Me: Yep. Awesome and cool story.

Laxus: We should remember to feed them.

I formed bushes and plants and more filled with their foods for them.

Me: Already done.

Nico: That was awesome.

Lola: J.D. is full of surprises.

Camie: He sure is.

Bird (H.O.O.D.): That is so awesome.

Lola: Yep.

Anti Wanda: Let me wish more up!

She did so and gave them more food.

Me: Perfect.

Qin: Awesome.

Nico: Cool.

Pickle Barrel: This is awesome seeing all this too.

Barley Barrel: It sure is awesome.

Carol: Yeah I'll say!

Muscle Man: You know who else loves parties?

RD Lana: I know what's coming next.

Muscle Man: My Mom!

We laughed at his joke!

Qin: (LAUGHS) Love his jokes.

Sakura Knudson: I don't get it.

Me: We don't either but he makes us laugh every time.

Xenia: Yep.

Nico: It's true.

Firepower: But just don't ACTUALLY insult his mom.

Me: Or ELSE.

Nico: You don't want to know.

Qin: Yeah.

Smithers: What do you think Doug's causing right now?

Me: Hmm.

Eli: (Concentrates) Oh man! I sense that he's trying to steal something that belongs to Muscle Man.

Muscle Man: What!?

Me: Shh!

Eli: He's trying to steal… (GASP) He's trying to steal Muscle Man's Trailer!

Magmon: We have to stop him!

MUSCLE MAN ROARED AND WENT AT THE TRAILER!

Muscle Man was on the warpath!

We went after him.

Nico: Forget waiting! Entrance time!

Doug laughed malevolently!

But then the spirits of the park appeared and blasted Doug down and then they converged and then…

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted out in front of him and blew him back and a phoenix cry was heard and we came out!

Me: Doug the Doppelgänger you're under arrest!

Nergal: Fuck! He's still running with the trailer!

But then MUSCLE MAN GRABBED THE TRAILER AND PUNCHED DOUG OFF AND STOPPED THE TRAILER!

Me: YEAH!

Doug: Give me that trailer! IT'S MINE NOW!

Me: No it isn't! Give him his trailer back before I kill you!

Doug: I would like to see you try!

POW!

I punched him square in his face and sent him crashing into a boulder!

Doug came out of the pile of rocks disguised as Rigby.

Doug: Guys, it's me, Rigby!

Ratso: Seriously?

Me: Nice try but you are not fooling us!

Maria: You tried to kill me and William with that bomb at the warehouse!

Nico: No one tries to kill my sister!

Xenia: YEAH!

Dr. Light: Okay. Just like how we discussed to flush him out.

Me: No need. We have him marked with a red aura.

Rigby: Yeah and mine is green.

Doug: Oh crap.

Varie: But just in case.

She went over and hugged him.

Doug: Get off me! I HATE Hugging!

Rigby: Admittingly, I'm more open to hugging

Anemone: But even still.

Me: BUSTED!

I teleported and kicked Doug right in his face and smashed out all his teeth!

Nico: Take this!

We fired waves of laser blasts and blasted him all over the place.

Villamax: You can't fool us with your shapeshifting anymore, Doug!

Me: Time to pound your brains out!

Muscle Man: NO ONE STEALS MY TRAILER AND GETS AWAY WITH IT!

He smashed and pulverized Doug brutally!

Then Six Gum Gang, Dodgeball Wizard, Count Spankulot, David Cain, White Lightning, Black Lance, Metalseadramon, Lythos, Black Manta, and Puppetmon appeared.

Nico: Six Gum Gang, Dodgeball Wizard, Count Spankulot, David Cain, White Lightning, Black Lance, Metalseadramon, Lythos, Black Manta, and Puppetmon.

Dixie: Sonoi said Jo is still in the Noto prison.

Wilbur: She never really escaped!

Goof: And that's good.

Me: Thank goodness.

Lythos: It'll be a surprise if she gets out at all.

Me: Yeah.

Dodgeball Wizard: But she'll be dealt with if she does

Me: Yep.

David Cain: (to Nico) We heard you met with Amelia Cornflake's parents.

Nico: Yep.

Spankulot: (Transylvanian Accent) Were you nervous?

Nico: I was.

?: Boy that is crazy.

A stone, samurai statue monster summoned by Kamdor alongside other monsters to battle the Rangers, so he could snag the Star of Isis located somewhere in the Everglades. He can shoot beams from his eyes and wields a sword.

He fought Ronny after being created. He was the third monster to be destroyed by the Red Sentinel Ranger using his Operation Overdrive logo finisher.

Mack: Statue Warrior!

Statue Warrior: Been a while rangers.

Me: I remember you! You were sent to destroy the rangers by Kamdor.

Statue Warrior: Yep. Good memory.

---

David Cain was next.

David Cain: (to Lady Palutena) I heard you guys met gene-slammers for Elemental HERO Clay Guardian, Cynder and Gnarls and Dark Magician Girl. What are their names?

Lady Palutena: Their names are Marianna Nightingale, Briana Granmorg and Mana Mystictree. They are really awesome.

Elemental Woman: They sure are and they all are amazing guardian Angels.

Wendy Traviston: They sure are.

Sailor Land Before Time: You got that right.

Silina Odaiba: Yeah they sure are and their story is awesome too.

Lillian Van Damme: Yeah and crazy.

---

Nico: Yep. So, Marianna, what's the story on yours and Lincoln's first date at Lake Michigan, and you said it was right after he saved you from Lynn who was about to kill you after you told her off?

Marianna Nightingale: Oh, you're going to love this.

Marianna Nightingale pulled up the video as it played on the big screen, and we saw Marianna Nightingale standing in between Lynn and Lincoln was beside her, and Lynn was steaming mad and her eyes were red with hatred.

Past Marianna Nightingale: You've gone too far in trying to hurt your younger brother just because he's not going to be your punching bag, but you know what, you've been asking for it for a long time, you've criticized your brother many times and you've shown absolutely no remorse for any of your insidious actions, and now, you're going to get some of my criticism. You're a superstitious, overly aggressive, super violent, easily angered, sociopathic control freak, you're as cuddly as a cactus, and you're a pig!

We gasped at her harsh words.

Nico: OH, DAMN! Now, that was harsh!

Me: Varie and I still remembered those harsh words she said to Lynn, and man, did they sting!

We continued watching the video, and then, we saw Lynn's face turn boiling red, her mouth was foaming, and she screamed with out of control rage and she went outright ballistic and charged at Marianna Nightingale to kill her, but Lincoln fired a blast of spectral lightning at Lynn and electrocuted her, and then, he fired bones at her which formed into a cage imprisoning her.

Past Marianna Nightingale: Lincoln… , you saved me?

Past Lincoln: I wasn't going to let Lynn kill you, Marianna.

This made Marianna Nightingale smile, and she went up to Lincoln and they kissed on the lips while Lynn could watch seething with rage.

Past Rita: Kids, why don't you go out and have fun, I've got a few harsh words to say to my daughter.

Past Lincoln: Okay, Mom. Let's go for a swim at Lake Michigan.

Lincoln and Marianna Nightingale grabbed some beach stuff and they went off to Lake Michigan and leaving a trapped Lynn to face her doom. Then, the scene transitioned to Lake Michigan and Lincoln was wearing orange swim shorts and Marianna Nightingale was in a dark purple two-piece bikini, and they were swimming and having fun in Lake Michigan, then, they shared a romantic kiss as the video ended.

Nico: Wow, now that's what I call an awesome date!

Me: It was really awesome, and as for Lynn, she got grounded for ten weeks, and she swore to get her revenge on Lincoln and Marianna Nightingale, and worse, she also wanted revenge on me and Varie for siding with Lincoln and she swore to kill us, we threw Lynn in a cage and slammed the cage door behind her. Then, Lynn lost it as she went batshit roaring like an animal and beating her chest like a gorilla!

Eli: JEEZ!

Qin: Lynn Loud, of all the moronic bone-headed things you've ever done because of your Dark Side, you swearing revenge on Lincoln, J.D., and Varie for something that's your fault, that is by far the lowest, and you even threatened their lives as well! I ought to swat your smelly behind with a paddle until you have a bad case of Baboon Butt!

Nico: Now, now, Qin, we saw that J.D. and Varie refused to do so, and what they did in throwing Lynn in a cage and closing it proves their love for Lincoln can never be messed with.

Luna: And seeing her go crazy like that, she made a really big mistake, dude.

FLASHBACK ENDS

David Cain: That is nuts!

Fluttershy: It sure was crazy but it was amazing to see Marianna tell Lynn off.

Tornado Bolt: That was awesome too.

Seabreeze: (Swedish Accent) It sure was amazing.

Stealth Elf: It sure was cool.

David Cain: Boy it sure was. Lets do it!

Lincoln made a focusing lens and he'd fired a rainbow energy blast into it, and thanks to the focusing lens, the rainbow energy blast became even more concentrated and more powerful, and it hits Doug and he was forced out of his Rigby disguise.

Me: Yeah, we got him!

Then, we cuffed Doug and got ready to send him to The Uranus Prison where he'll be condemned for an eternity to suffer.

Nico: You're through, you shape-shifting con artist. Awesome job, gang, we've taken down Doug and made him pay for all his crimes and we sent him back to prison.

Lincoln: Now, there's only one last thing to do and one last loose end to tie up: Isabella Morgana.

Lincoln: Oh great, I knew there's no mistaking that foul mouth from anywhere, you just don't know when to call it quits, do you, Isabella Morgana.

We saw a girl with black hair, red eyes, and dressed in a black coat, white blouse, black pants, and black knee-high boots heading our way on a motorcycle, it was Isabella Morgana of The Legion of The Lincoln-Haters, but we also saw Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson heading here as well.

Selene Arcangela: Oh great, that monster bitch's also got Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson with her.

Lincoln: If they think I'm going to take that lying down, they've got another thing coming.

Lincoln fired magnetic blasts at the motorcycles and destroyed them and that sent the Legion of The Lincoln Haters flying off the destroyed motorcycles, and when they got back up and saw Lincoln, they were now absolutely pissed off.

Isabella Morgana: You ruined everything, Lincoln Loud! We had every last loser cowering in fear before us, but you… ! YOU JUST HAD TO PLAY THE HERO AND RUIN OUR REIGN!

Brianna Grayson: And what you fucking did in killing our dads… , THAT WAS THE LAST STRAW THAT BROKE OUR FUCKING BACKS! KILL THEM ALL! LEAVE NONE OF THEM ALIVE!

But, before Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson could get after us, Lincoln trapped them in a rainbow energy field.

Alana Cameron: WHAT THE FUCK?! HE TRAPPED US INSIDE THIS AGAIN! I'LL FUCKING KILL YOU, LINCOLN!

Lincoln: Cry me a river!

Maria: You tell her, Lincoln! (Flips Middle Finger) And up yours, bitch!

Qin: They're just as, if not even worse, than Audrey Madison, and she was a heartless, sick, twisted, good-for-nothing, murderous slut!

Me: And they're still as stupid and murderous as ever.

Stella: But, this'll send a clear message that we're not letting them get away with any of their plans for revenge.

Suddenly, Stella's eyes turned neon green and she was surrounded by a red, orange, and yellow energy aura with flames, stars, dragons, and phoenixes, and as she approached Isabella Morgana, she left red, orange, and yellow energy, flames, stars, dragons, and phoenixes with every step.

Stella: I can't believe that you'd break out one day to get revenge on Lincoln for something that was entirely your fault, Isabella Morgana, and the same goes with the rest of the monster bitches inside the energy field. You think that now that you and the rest of The Legion of The Lincoln-Haters have broken free you can just waltz in here and try and kill Lincoln, we're not standing for it. You've already put the final nail in your coffin, and now, it's time for you to die.

Suddenly, Stella was surrounded by a massive vortex of red, orange, and yellow energy with flames and stars surrounding it, there are phoenixes and dragons flying around the vortex and in the vortex is a red phoenix with red eyes glaring at Isabella Morgana: the red eyes of death. Then, as the vortex faded, Stella emerged, but she was changed forever.

Stella grew to 7'5" in height, she has the body of a goddess, she has red, orange, and yellow highlights in the bangs of her long black hair, she has neon green eyes and a red, orange, and yellow energy aura with flames, stars, dragons, and phoenixes surrounding her, she has a phoenix and dragon emblazoned on her forehead with Third Eye with green iris, she has on phoenix earrings with green gems for eyes and holding the Fire and Eternity Kanjis in its claws, she also has a phoenix and dragon with green gems for eyes and holding the Fire and Eternity Kanjis in the claws on the bottom of her orange phoenix-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love with orange crystal links from her merged Crystal Necklace of the Buddha and red gems embedded on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Stella has on her white shirt with red cuffs and collar and red star on it, black skirt, green sneakers, she has on large gold metal bands with green gems on her biceps and thighs, and long sleeveless white trenchcoat with flames, dragons, stars, and phoenixes on the coattails, and on the back is a phoenix and dragon surrounded by flames. Suddenly, Stella felt a sharp pain on her back, and then, massive black angel wings with red, yellow, and orange tips on the feathers grew and sprouted out from her back, and she now has eleven massive and long black wolf tails with red, orange, and yellow tips and red, orange, and yellow markings, Stella has on her Ring of the Phoenix with onyx gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Stella's newly forged greatsword and all the greatswords and swords that she'd gotten began to merge together and they're surrounded by a kaleidoscope of red, orange, and yellow energy, flames, stars, dragons, and phoenixes, and when it emerged, it transformed into Stella Zhau's Eternal Firestorm Cosmic Greatsword of Eternal Cosmic Firestorm Draconic Phoenix Justice, it's a brand-new massive greatsword with embedded fire-colored gems and red etchings and a dragon and phoenix etched on the 7'3" massive, wide, double-edged red-orange and yellow blade, large red dragon heads for the crossguard, large white angelic faces built into both sides of the hilt with fire-colored gems embedded in the foreheads, longer midnight black handle, four large red phoenix heads with yellow gems in their mouths and a large red dragon head with a yellow gem in its mouth below the large phoenix heads for the pommel. Stella has on her new Bracers of The Champions of The Universe with fire-colored gems on her wrists and Dragon Ball Bracelet on the left bracer, her new gold Belt of Elemental Bravery with a gold phoenix head with fire-colored gems for eyes and a large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a fire-colored kanji below the phoenix and dragon that said, "Stella Zhau, Best Friend of Clyde McBride, Liam Hunnicut, Rusty Spokes, and Zach Franklin, Member of The Gotham Royal York News Team, Intelligent Student, Despiser of Killjoy Huggins, Dark Chandler and His Minions, And The Rest of Lincoln's Enemies, Loving Future Wife of Lincoln Loud, Archenemy of The Bronze Kneecap, Destroyer of Isabella Morgana of The Legion of The Lincoln-Haters, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, and Master of Fire, Stars, Dragons, and Phoenixes"

Stella Zhau has transformed into SUPER ANGEL-DRAGON-PHOENIX-HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE FIRESTORM ETERNAL COSMIC ETERNAL INFERNO FIRESTORM DRAGON PHOENIX ANGEL OF DIVINE FIRESTORM ETERNAL COSMIC ETERNAL INFERNO FIRESTORM DRAGON PHOENIX JUSTICE AND DIVINE FIRESTORM ETERNAL COSMIC ETERNAL INFERNO FIRESTORM DRAGON PHOENIX LOVE!

We were amazed by Stella Zhau's Super Angel-Dragon-Phoenix-Harmony Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Isabella Morgana saw it, she went fucking crazy and she got out her machine gun to fire at Stella, but Stella fired a barrage of red, orange, and yellow energy blasts with fire, stars, dragons, and phoenixes at Isabella Morgana and it sent her flying into a tree back first, she got back up and she ran at Stella again with a knife she got out, but she disarmed Isabella Morgana and dislocated her arm and sent her flying into another tree with a roundhouse kick, she got back up, but now, she was mega pissed off!

Nico: Whoa!

Ronnie Anne: Oh man, Stella's transformed! Now, things are really going to heat up even more, Isabella Morgana is facing the wrath of the fires of the dragon and phoenix, and she's going to get mega burned.

Me: You said it, Ronnie Anne, Stella's transformed into her Super Angel-Dragon-Phoenix-Harmony Universal Eternal Celestial Xelnaga form, and she disarmed Isabella Morgana and she sent her flying into a tree with a roundhouse kick.

Lincoln: Isabella Morgana has been asking for this for a long time, and what better way to administer her final judgement than right in front of the other members of The Legion of The Lincoln-Haters.

Stella: (Divine Godly Cosmic Voice of The Firestorm Cosmic Eternal Firestorm Dragon Phoenix Angel and Divine Firestorm Cosmic Eternal Firestorm Dragon Phoenix Love) You got that right. Now, let's rip her apart, Linky.

Lincoln unholstered his massive Lincoln Loud's Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Phoenix-Harmony Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Hope, and he joined Stella.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You and the others have caused more than enough grief and trouble to everyone in Michigan for too long, Isabella Morgana. We've made the right choice getting you all expelled and put in prison five years ago, but you know what, prison's too good for any of you. Now, we're going to fix that and do what should've been done to you years ago.

Stella and Lincoln went after Isabella Morgana who went extremely ballistic and continued firing at them, but they dodged the bullets, and they fired extremely powerful blasts of rainbow energy, red, orange, and yellow energy, fireworks, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Isabella Morgana and they exploded with incredible power as they hit her, and they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and he and Stella attacked her with punches, kicks, and karate chops, and they were really, really, really pissing off her off now and driving her even more ballistic.

Just then, Isabella Morgana got out a second machine gun, but Lincoln put up a rainbow energy shield around him, Stella, and all of us, and she started shooting like crazy and also laughing like a deranged bitch, but the bullets were getting bounced off the energy shield. Suddenly, the machine guns ran out of bullets and Isabella Morgana's deranged laughter died down and she was really fucked now.

Me: Hah! You're out of bullets, bitch, and you know what that means!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smirks) You're shit out of luck!

Lincoln grabbed Isabella Morgana by the neck and he tossed her into the air, and Lincoln and Stella fired a powerful barrage of energy balls with fire, stars, quintessence, elemental forces, and mythological animals, and as they hit Isabella Morgana, they exploded with incredible power and she was killed in the explosions, and that angered the rest of The Legion of The Lincoln-Haters. Then, Isabella Morgana's spirit appeared, and she was still incensed with anger and fury.

Isabella Morgana: You think you've won?! I'LL RETURN ONE DAY

AND KILL YOU ALL!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) No, you're done and this time forever, Isabella Morgana.

Lincoln summoned the spirits of Isabella Morgana's victims from the past who seized her, and then, he drew the Judgement Kanji on her forehead, and as predicted, she was found guilty for her crimes, and she was fading away from existence.

Isabella Morgana: NO! NO! DAMN YOU, LINCOLN LOUD, DAMN YOU ALL, TEAM LOUD PHOENIX STORM! DAMN YOU ALL TO (FADES AWAY)

We cheered wildly as Stella and Lincoln holstered their massive greatswords on their backs and powered down, and Stella's new body, clothes, weapons, jewelry, Third Eye, and eleven massive and long black wolf tails, and massive black angel wings are permanent.

Then, the rainbow energy field Lincoln put up to keep Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson inside went down, and they ran up to the dead remains of Isabella Morgana. Then, they looked at Lincoln and they were absolutely really seething with rage!

Brianna Greyson: You're going to pay for this, Lincoln Loud! YOU FREAK! KILL HIM! KILL THE FUCKER!

Suddenly, the sound of police sirens were heard, and being the criminals they were, they knew they were in huge trouble!

Brianna Greyson: This isn't over, Lincoln Loud!

Then, Natalie Everett, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson ran off, but not before they gave us the finger, and me and Nico retaliated by giving them the finger and it drove them mad as they ran off.

Nico: Yeah, up yours too, bitch!

Stella: We've taken one down so far, and now, we got fourteen more to go. Thanks for helping me destroy Isabella Morgana, Linky.

Lincoln: (Smiles Warmly) You're welcome, Stella.

Suddenly, Stella wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Stella's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, and Angel flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and flames raging behind them and we cheered wildly. Then, Lincoln and Stella absorbed the flames and they came back to us as the display vanished.

Nico: Whoa, now that's what I call a dose of draconic phoenix firestorm justice. Lincoln, Stella, you two did really awesome in teaching that monster bitch, Isabella Morgana, a lesson and pissing off the rest of those monster bitches.

Lincoln: Thanks, Nico, but this is only the beginning of The War Against The Legion.

Me: You said it.

Lincoln: And for tomorrow, the next member of The Legion of The Lincoln-Haters that's going to show her face is Natalie Everett, which means you and I are up next to face her, Maggie.

Maggie: Yes, we'll make her pay for all of her crimes in full.

Lincoln: But we've also got to keep an eye out, The Legion of The Lincoln-Haters are bound to send hired thugs after us.

Nico: We'll be ready for them since we've been dealing with hired thugs hired by our resident jerks to kill us, which always end with you killing them by sucking out their blood and pissing Flip and the other jerks off.

Lincoln: And I've got an idea for which Skylander Gene-Slammer we're meeting tomorrow: we're going to meet the Gene-Slammer for Zap.

Selene Arcangela: Awesome, and there's only one person who'd be Gene-Slammed into Zap: Adriana Monsoon, Lincoln's Guardian Angel and The Master of The Element of Water, and among the first humans who were actually born in The Skylands and grew up there under the guidance of Master Eon and the Skylanders, and as Adriana grew, she'd discovered that she's a master of the Element of Water, one of the Ten Elements of The Skylands, and she trained a lot under the tutelage of Master Eon and the Water Skylanders and she proved to be quite the master of water. She left The Skylands and she moved to Royal Woods, Michigan, and this is way before Kaos, The Dark Portal Master, had launched his hostile takeover of The Skylands. Adriana really hated that world-conquering warlord, and when Marie formed The Skylanders Liberation Coalition, Adriana became one of the members and she had sworn to make Kaos pay for all his crimes against Skylands and against all The Skylanders.

Melanie Aranyani: After you guys freed The Skylands from Kaos and The Skylands merged with our world, The Skylanders Liberation Coalition had become part of The Earth-Skylands Federation. Plus, we also saw she fell in love with Lincoln when they first met, and she really trained him intensely on how to use the element of Water, and she also had the additional help of Zap, Gill Grunt, and the other Water Skylanders, who really helped Lincoln in advancing his training in mastering the element of Water, and over time, he really proved to be a master and at the same level as Adriana.

Me: Hey, now I remember her all too well, she went missing long ago, and now I know why she went missing, she was Gene-Slammed by Team Rocket.

Lincoln: Yep.

Selene Arcangela: And although Adriana hates Kaos with a blazing passion for all his crimes against Skylands, there's only one person that Adriana hates with a passion ever since she came to Royal Woods: that person is Chandler, and Adriana has more than once used her skills in summoning The Undead to put Chandler in his place and cause trouble on that heartless, sadistic, psychopathic, evil sewage rat, and she even told him off saying that Chandler's a heartless, sadistic psychopath who smells like sewage, that he's a conniving dumbass who has no respect for anyone except for himself, and even worse, Adriana called Chandler a dumb chauvinistic pig like his heartless dad!

We gasped in shock, and Nico's jaw dropped to the floor!

CLANG!

Nico: She called him all that?! Oh, I wouldn't be surprised if Chandler came charging right at her with intent to murder and kill her.

Lincoln: He did, but he should've known if he messes with the bull, he gets the horns! You'll hear the whole story about that tomorrow.

Me: Trust me, Nico, you're going to like hearing this story, and the next hypothetical Akumatized Loud Sibling we'll be facing tomorrow on Lincoln's rescue is Mudslinger, the hypothetical Akumatized form of Lana Loud, she's a muddy tomboy who loves playing in mud and getting dirty and smelly, and hates taking a bath, and she can also create mud minions to cause havoc.

Lincoln: We'll be bringing the Water Skylanders and every last water wielder in for this battle, and she's hiding out at Lake Superior.

Sheila and Tom came and grabbed him and loaded him in the car.

Doug: I would have gotten away with it if it weren't for you meddling kids.

Me: Wrong cartoon dingus.

Nico: Have a nice time in the Stony Lonesome.

Qin: Because you're going to be there for Life.

He was taken to the Uranus Prison.

White Lightning: Doug's not gonna impersonate anymore people.

Black Lance: Not where he's going.

Me: Yep.

Metalseadramon: And Muscle Man's trailer is safe.

Black Manta: Thank goodness.

Puppetmon: Let's celebrate the rest of Ets' birthday!

Nico: Yeah! Great job today everyone. This was awesome.

Ets: It sure was!

Muscle Man: (To the viewers) You know who else likes to destroy Doug? MY MOM!

We laughed!

We went to Lynn's Table for Ets's birthday and then enjoyed his party and then we enjoyed the rest of the day and went to sleep.

Doug the Doppelgänger was found guilty of his crimes and sentenced to eternity in the Uranus prison with no possibility of parole.

THE END

Nico: Wow! (Echoing)

Me: This cave is amazing.

Leeli: Boy it sure is.

Qin: It must've taken a long time to form a cave like this.

Camie: No kidding.

Lori: This cave is literally amazing and awesome.

Varie: It sure is.

Leni: This cave is totes amazing to see.

Aylene C.: It sure is awesome.

Nico: Lori, I want to thank you, Leonard, and your teams for coming today.

Lori: No problem Nico. This is literally going to be so awesome.

Lincoln: It sure is Lori.

Anna Anyanova: We're really excited for this.

Lola: Me too.

Nico: Bisca, what do you like to do in your free time?

Bisca Mulan: Well I am mostly a bounty hunter as you know and it's good money. But when I'm not hunting bad guys I like to work for Sheila at the Police Department to help her organize case files.

Me: That's a good idea Bisca. Also Bounty Hunting is very profitable.

Eli: It is really good money.

Fu: It sure is.

Nico: It has done wonders for us. But organizing case files is a good idea and a good job for you.

Qin: I agree there.

Nico: Did Homer tell you about the time he and Ned became bounty hunters like you? (Season 20 Episode 1)

Bisca Mulan: Did they really? That is awesome.

Me: Yeah it sure is and they were a really good team. Until Homer broke the law himself.

Nico: Yeah.

Xenia: That was still funny though.

Laney: It was.

Varie: It sure was.

Bisca Mulan: I can tell they did it all though.

Me: In a cesspool dump like Springfield, Oregon they needed better cops and all that.

Camie: Yeah.

Maria: Boy yesterday was a crazy one.

Qin: Yeah it sure was! I can't believe that Doug tried to kill you and William.

Laney: No kidding!

Lori: That freak literally disgusts me.

Maria: Yesterday just proved that Jo didn't escape the Noto Prison.

Lincoln: Yet.

Me: And I did some scans and it shows that Jo is still in the Noto Prison. But she is now nothing but a pile of decomposing rotting flesh and bones.

Nico: Yuck.

Lola: That is gross.

Nico: I don't think anything is going to get her out of there.

Lana: One can only hope.

Nicole: Yeah that is for sure.

Maria: And then he tried stealing Muscle Man's trailer!

Me: Yeah no kidding! Muscle Man was really pissed at that.

Lola: He sure was.

Nico: That was crazy!

Varie: Yeah.

Eli: But either way Doug is now in prison for all eternity.

Camie: Hope he likes smashing rocks for the rest of his miserable like.

Maria: And we celebrated Ets' birthday.

Me: We sure did and that was fun.

Laney: It sure was.

Camie: Yep.

Twilight Sparkle: Ets had a lot of fun on that.

Sunset Shimmer: He sure did.

Varie: Yep.

Bisca Mulan: That was a great day though.

Nico: But this cave is amazing.

Nicole: Yes it sure is. And you guys are going to like the Quarry we're going for on this treasure hunt.

Maria: Is this the place?

Nicole: The treasure is in this cave. It's called The Sword of Wisconsinazuma. It's a Cheese weapon.

Nico: Did you say cheese?

Nicole: Yes I did. It has the powers of all the known cheeses in the world.

Nico: (DROOLS)

Daring Do: Sounds like Nico is going to love that one.

Qin: With his love of cheese there is no doubt.

Lori: (LAUGHS) That is literally true.

Nico: CHEESE!

We laughed.

Me: That is our cheese loving leader.

Laney: Yeah and this cave is perfect for it. Wisconsin has been widely known for its cheese.

Lola: Yeah.

Nicole: That's right. This map says that it's in a grotto.

Nico: Really?

Nicole: Yep.

Nico: Who gets it?

Me: Well who loves cheese as much as you do?

Nico: Hmm.

Olivia Houou: I do. I love all cheeses including the stinky ones.

Qin: Wow! You have a lot of awesome tastes Olivia.

Olivia Houou: I know. It's awesome.

Camie: Yeah.

We then saw a light from a room and then we entered it and in it was a massive grotto! But it was a grotto with waterfalls made of sauces of different kinds of cheeses!

Me: WOW!

Starlight Glimmer: This is amazing! A Cheese Grotto!

Nico: (DROOLS) I'M IN CHEESY HEAVEN!

Xenia: (LAUGHS)

Me: Look there.

We saw A sword with a golden yellow blade and it had jewels of yellow on it all over.

Nico: There it is!

Nicole: At long last! The Sword of Wisconsinazuma!

Daring Do: That is an awesome sword.

Nico: (SLURPS)

Nicole: This is gonna be awesome.

Nico: Go for it Olivia.

She went over to the sword and then gulped. Then she grabbed the sword and then she pulled it out! It glowed and then its power flowed into her! She got cheese powers as well as fire powers too!

Me: WHOA! Olivia how do you feel?

Olivia Houou: Amazing! Lets see.

She fired a wave of golden energy and turned Nico's shirt into Cheddar Cheese!

Nico: WHOA!

I gave Nico a spare shirt and Nico took off his shirt and put on the spare and he ate the cheese shirt!

Nico: CHEESY! Delicious!

Lola: (LAUGHS) That was funny!

Nico: Yummy! That is so awesome Olivia!

Olivia Houou: It sure is! Lets see.

She had cheese sauce from the cheese sauce waterfalls flow toward her and she drenched Nico in nacho cheese sauce!

SPLAT!

Nico: (SLURPS) Nacho Cheese sauce! Delicious.

Maria: Eli can you sense for Swartz's creations?

Eli: I already found them. They are Another Sirenia Quincia, Another Dark Naruto, Another Shredder 1987, Another Mysterians, Another Beagle Boys and Another Leonard.

We gasped!

Qin: Whoa this is gonna be tough.

Me: Especially the Dark Naruto.

Nico: Who's first?

Me: Anastasia Clockwerk will face Another Sirenia Quincia.

Nico: This will be interesting to see.

Lola: Yeah.

Maria called her in.

Anastasia Clockwerk came in a vortex of darkness and glowing blue fire.

Anastasia Clockwerk: (Russian Accent) I'm here everyone.

Nico: Awesome.

Camie: This is gonna be awesome and cool.

Me: We don't want to ruin the cheese so lets head outside.

We did so.

Then we saw a massive vortex of water appear.

Nico: There she is!

Out of the vortex of water came a dark mermaid. It was ANOTHER SIRENIA QUINCIA!

Me: WHOA!

Anastasia Clockwerk: Another Sirenia Quincia.

She went over to her.

Anastasia Clockwerk: I have a feeling you have an amazing voice.

Another Sirenia Quincia: I sure do.

Me: (GASP) That voice.

She reverted back and was a girl with red hair and red eyes and had orange sclera and had red and orange clothes and had fire angel wings and had the symbol for the Fire Skylanders on her skirt and in the middle of her forehead.

Me: Cierra Sirenia! Wow!

Cierra Sirenia: Awesome to see you again J.D.

Nico: You know her?

Me: I sure do. She is a powerful mermaid that I know from when I was down in Australia.

Nico: Wow!

Cierra Sirenia: I sure am and I'm also the gene-slammer for Volcanomaid.

Me: Whoa! That's a Swashbuckler Fire Skylander that I made. She's a mermaid of Fire.

Nico: Wow! An Imaginator! This is a first!

Camie: Yeah!

Anastasia Clockwerk: That is amazing! You are the first ever gene-slammer of an Imaginator Skylander that we encountered.

Cierra Sirenia: I sure am. First of many.

Me: And with so many combos and creations out there there are an infinite number of possibilities.

Nico: That's for sure.

Anastasia Clockwerk: By the way are the others with you friendly or hostile?

Cierra Sirenia: They are all friendly but the one that's Another Dark Naruto is in trouble.

Me: Uh oh. I'll have to face the Another Dark Naruto when we separate that one.

Anastasia Clockwerk: Let's do this!

Girl Jordan: First lets get you back to normal and separate you.

Leeli: Right!

Girl Jordan: Lets go Leeli.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

She glowed and Another Sirenia Quincia separated from her.

Anastasia Clockwerk: That is really amazing you two!

Girl Jordan: It sure is.

Anastasia Clockwerk: I'll consider this my first ever usual battle.

Cierra Sirenia: This will be so fun.

Another Sirenia Quincia: This will be the song of your demise!

Anastasia Clockwerk then sang the Song of the Sirens in a divine voice and she fired a blast of energy and smashed her down and she exploded!

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Wonder Ride Book and it was called The Volcanic

Mermaid and the Song of The Evil Siren!

Me: Cool title.

Me: Look there!

We saw a figure and it was a darker version of Dark Naruto! It was ANOTHER DARK NARUTO!

Qin: This is gonna get ugly!

Nico: Okay, buddy. Who are you?!

They she clutched her head.

Me: Whoa! She's trying to fight Another Dark Naruto.

Another Dark Naruto: (In a girls voice) Help me J.D.

I gasped!

Me: That voice!

She reverted back and it was a girl that I hadn't seen for 150,000 Years.

It was a girl with purple hair and had blue eyes and had the symbol of the Uzumaki and the Yuki Clan and she had the Anti-Uchiha symbol on her sash and had blue and purple clothes.

Me: (GASP) Hiyori Yuki Uzumaki!

Nico: You know her?

Me: I sure do. I met her in the Land of Waves. She was going to be recruited by us but she disappeared before the worlds with the Shinobi and this one merged.

Qin: WHOA!

Nico: Now we know why. Swartz kidnapped her!

Lincoln: Lets get you back to normal first.

Lincoln fired a wave of light and separated Another Dark Naruto from her!

Hiyori Yuki Uzumaki: (Tired) Thank you.

She fainted.

Another Dark Naruto: I am the true Naruto and I will make sure that I take over his life and kill everyone who wronged me!

Me: I don't think so! (GOES SUPER ANGEL 3) It will be a cold day in hell before that happens!

Qin: YEAH!

I flew at him and kicked him in his face with devastating force into a rock.

I then formed a LIGHTNING STYLE: THUNDERSTORM RASENSHURIKEN!

I sensed him behind me and he had a Rasengan ready and I slammed the Lightning Rasenshuriken into his gut and it exploded with incredible power in a massive explosion of lightning and blasted him all over and smashed him down.

Nico: Slifer, you know what to do!

Eli: THUNDER FORCE ATTACK!

He fired a powerful blast of red energy from his mouth and it hit Another Dark Naruto and exploded with incredible power!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion was intensely powerful and it completely obliterated Another Dark Naruto in an instant with a massive fiery explosion! When the smoke cleared I caught the Wonder Ride Book and it was called The Ice Uzumaki Princess and the Evil 9-Tails Jinchuriki.

Qin: Wow! That was intense!

Lola: Wow! What power!

Lori: That was literally incredible!

Camie: No kidding!

Nico: Unbelievable!

Misty Tredwell: That was awesome!

Me: It sure was! Nice job Eli and Slifer!

Eli: That was awesome!

Nico: Who's next?

Me: Another Shredder 1987.

Nico: This will be interesting. Better call in Erebus Raven.

Nico did so and in a vortex of darkness came Erebus Raven the Gothitelle Gene-slammer.

Lola: YEAH!

Erebus Raven: I am ready to unleash darkness.

Me: This version of the Shredder I can handle. Anyone else? No fucking way.

Qin: Good.

Laney: I hate the Shredder.

Xenia: Me too.

Nico: There she is!

We saw a dark figure come and it was ANOTHER SHREDDER 1987!

Me: Whoa!

Nico: This one is gonna be good.

Another Shredder 1987: (In a girls voice) It most sure will be.

She reverted back and was a girl with Aqua Blue Hair, Aqua Blue Angel Wings, Aqua Blue Clothes and had the Symbol of the Air Skylanders on her skirt and in the middle of her forehead and she had Wild Storm's Sword in her hands.

Me: (GASP) Abigail Sirocco!

Abigail Sirocco: That's right. Awesome to see you again J.D.

Me: Same here.

Erebus Raven: I take it you are also an Air Skylanders Gene-slammer.

Abigail Sirocco: That's right. I am the gene-slammer for Sirocco, An Air Skylander of the Imaginators.

Me: That's an Air Skylander I made. I named her Sirocco after the Mediterranean Sea Air Current.

Abigail Sirocco: That's interesting and a great reason.

Erebus Raven: That is cool. Sirocco we're trying to find a good archenemy for in the future.

Abigail Sirocco: I can tell.

Erebus: Sorry we have to do this.

Lincoln: But first will be this.

He fired a beam of light and Separated her from Another Shredder 1987.

Abigail Sirocco: This will be fun!

Me: Lets bring the Turtle Brothers.

I snapped my fingers and they appeared.

Me: I learned this one from a Robot Chicken Sketch!

We pulled out Pizza Throwers!

Another Shredder 1987: All shall fall before the Shredder! (Laughs)

Leonardo: Order up!

Donatello: Say hello to Military-grade mozzarella!

Me: Say hello to our cheesy little friends!

He summoned footsoldiers!

(We all fired hot pizzas from the tank into the faces of the Foot Soldiers, who fall to the ground and scream in pain)

Michelangelo: Whoa! That was easy.

Another Shredder 1987: Not so fast, turtles. Tonight, I dine on turtle sou- (he is hit in the face with a hot pizza and screams in agony) It burns!

Erebus and Abigail fired lightning and darkness and blasted him all over.

Raphael: (approaching Another Shredder 1987 with a nightstick) Hands behind your back, dude!

We fired more pizzas

Another Shredder 1987: Please. This cheese is so hot, it's inside my mask! (grunts)

(Raphael begins to beat Shredder with the nightstick)

Raphael: Hey, stop resisting!

Another Shredder 1987: I'm not! I can't even see!

(Raphael whips out a taser and uses it on Another Shredder 1987)

Raphael: STOP RESISTING!

Another Shredder 1987: AAH! IT'S MAKING THE CHEESE HOTTER! (groans)

(Raphael continues to taser Another Shredder 1987 until he passes out)

He then exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

We laughed hysterically and I caught the Wonder Ride Book and it was called The Mediterranean Wind Princess and the Evils of The Foot Clan.

Nico: That was too funny!

Mikey: Aww, I wanted to do the rest of it!

Me: We all had a shot. That was still funny though.

Mikey: Yeah! But it was still funny.

Lola: Yeah!

Me: Three down. Another Mysterians next.

Nico: Ooh! This will be interesting.

Me: That was a movie from 1957.

Lincoln: Better call in Elsa Long.

Lincoln did so and he called in Elsa Long the Gene-slammer of B.E.S. Big Core MK-2

Elsa Long the came as B.E.S. Big Core MK-2 and like a transformer she reverted back.

Elsa Long: I'm here guys.

Lola: Awesome entrance.

Elsa Long: Thanks.

THE MYSTERIANS! The Mysterians! THE MYSTERIANS!

We saw 3 dark spaceships flying in and we saw that it was the ships of the MYSTERIANS!

Me: There they are!

Nico: I hope there isn't a whole city of Anothers in there.

Qin: That would set a record.

They landed and 2 of the ships vanished and then a figure came out of one of them and it was a dark version of a Mysterian! It was ANOTHER MYSTERIAN!

Nico: WHOA!

Elsa Long: I had a good feeling it was just one of them.

Nico: And you are?

Another Mysterian: (In a girls voice) I believe that J.D. knows me.

She reverted back and was a girl with pitch black hair and had black angel wings and black clothes and purple eyes and had the symbol for the Dark Skylanders on her skirt and in the middle of her forehead and she had a sword of pure darkness.

Elsa Long: (GASP!) Lindsay Moonbow!

Lincoln: Lindsay Moonbow?! Whoa! I haven't seen you since I was in 4th grade!

Lindsay Moonbow: Its been a while Lincoln and you too Elsa.

Elsa Long: It has been a while.

Me: Are you another of Lincoln's Guardian Angels?

Lindsay Moonbow: I'm afraid not but I was a good friend and supporter of Lincoln and his guardian angels for a while. But also I'm the gene-slammer for Starcast.

Me: The Ninja Sensei of the Dark Skylanders. That is awesome.

Lindsay Moonbow: It sure is.

Elsa Long: You definitely have what it takes to become one of Lincoln's Guardian Angels and you will always be a great ally, friend and supporter of us.

Lindsay Moonbow: I appreciate that Elsa.

Shanan: You were turned into a Mysterian. That was a creature from an old movie from 1957.

Me: It was called the Mysterians.

Lindsay Moonbow: I actually love that movie. It was really awesome.

Qin: That is a cool movie.

Elsa Long: Let's do this!

Lincoln: Lets get you separated first.

Lincoln fired a beam of light and separated her from Another Mysterians.

Lindsay Moonbow: Whoa! This is gonna be good!

Elsa and Lindsay fired waves of darkness and energy and blasted the Mysterians down! ALL OF THEM!

Xenia: Take that!

They all exploded and turned the area around us into a sea of fire! I caught the Wonder Ride Book and it was called The Interstellar Dark Ninja Princess and the Alien Invaders of Mysterionna.

Me: Nice title and Mysterionna?

Shanan: That was the Home Planet of the Mysterians dad. It was wiped out when a comets smashed into it and blasted it into space dust.

Me: Geez!

Elsa Long: That is crazy.

Nico: You're up, Bisca!

Bisca Mulan: Look forward to this one.

We then saw The Another Beagle Boys!

Me: Another Beagle Boys!

Bisca Mulan: This will be good.

Another Beagle Boy Leader: (In a girls Voice) (Japanese Accent) I am amazed with how far you have come J.D.

Me: (GASP) Its been a long time since I heard that voice. Emiko Yamane.

They merged and reverted back and it was a girl with black hair and green clothes. She looked as young as she was back in 1954 when Godzilla first attacked.

Nico: Whoa! Are you?

Me: Yes everyone this is Emiko Yamane, She's the daughter of famous paleontologist Dr. Kyohei Yamane. Almost 70 years ago when Godzilla appeared for the first time, she and my grandfather helped save as many people as possible from the terrible destruction that Godzilla caused back then in 1954. My grandfather and Emiko saved the lives of many including Steve Martin.

Emiko Yamane: I remember it like it was yesterday too. That was awful.

Me: It was. Godzilla forever etched a name for himself in history.

Nico: Yeah he sure did and we destroyed Godzilla here.

Emiko Yamane: I heard about that. I'm so proud of all of you.

Nico: We all are and it's an awesome pleasure to meet you. J.D. told us so much about you.

Emiko Yamane: I'm glad he did and he looks so much like his grandfather.

Me: All good genes. Boy you had 69 years taken off of you. You look amazing.

Emiko Yamane: I don't know how this happened but it was amazing. I have all the things I lost from back then back with me.

Qin: You sure do.

Olivia Houou: Godzilla really left his mark on Japan back then.

Me: Yeah no kidding.

Emiko Yamane: I know. And it was amazing how you all used Dr. Serazawa's work to destroy him.

Nico: That was really amazing.

Me: It really was.

Bisca: That is really something. I'm sorry we have to fight like this but it's to save you.

Emiko Yamane: I know.

Lincoln: First this.

Lincoln fired a blast of light and separated her from the Another Beagle Boys!

Emiko came over to us.

Bisca Mulan: Spreading your mind across them can't be healthy.

Emiko Yamane: I know. It wasn't.

Qin: It was hard.

Bisca Mulan: I got this.

She summoned her rifle and fired energy blasts and blasted them all down and I caught the Wonder Ride Book. It was called The Scientist and the Thieving Dogs.

Me: Fitting.

Qin: Yeah.

Emiko Yamane: But I'm happy to be with you all.

Me: You will love it.

Nico: Yeah.

Me: Now we have Another Leonard here and then we'll be done.

Maria: Better call in for backup.

Nico: Right.

Maria pulled out the M.O.E. Cannon.

Maria: (TURNS DIAL) FIRESTORM VOLCANO 6!

She summoned Firebrand, Comrade Red, Volcamon, Flame Stag, Zhao, Dabi, Count Dooku and La-Doldo-Gu!

Firebrand: This is gonna be awesome.

Lola: Yeah it is!

Camie: Yeah!

Nico: There she is!

We saw Another Leonard!

Me: This will be good.

Lori: Literally funny!

Nico: Yep.

Another Leonard: (In a girls voice) This is gonna be fun and awesome.

Me: (LAUGHS) I had a feeling it was you Yumi Rare.

She reverted back and was a girl with black hair and had green clothes and she smelled REALLY HORRIBLE!

Nico: WHEW! That stinks!

Yumi Rare: Sorry. I am the gene-slammer of Wall of Putrid Flesh.

Me: She can't help it. It comes with the form. Also she worked on a pig farm.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Geiz: (gets out Geiz Majesty Ridewatch) Because we can grant it instead.

Majesty Time! G3, Knight, Kaixa, Garren, Ibuki, Gattack~! Zeronos, Ixa, Diend, Accel~! Birth, Meteor, Beast, Baron! Mach, Specter, Bra~ve! Cro~ss-Z! Kamen Rider~! GeizMaje~sty!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Yumi Rare: He was in a hurry to send me away because of my stench.

Me: Didn't like your gene-slammer form huh?

Yumi Rare: Nope.

Qin: Don't blame him there.

Me: Sorry we have to fight like this.

Yumi Rare: No worries. Lets do it.

She turned into Another Leonard!

Kaito and Zocks: Zenkaiju gear!

They donned their Zenkaiju Armor!

Nico: Feel the mud and eat eggs! (ACTIVATES LEONARD'S RIDEWATCH)

He fired waves of mud and TNT crates and they hit her and exploded all over!

Nico: And this! (ACTIVATES THE BEAGLE BOYS RIDEWATCH)

He fired waves of energy and blasted her all over.

Me: OH YEAH!

May: (gets out Rowdy's Ridewatch) My turn!

She activated it and fired energy waves and bashed her all over.

May: Taste fear! (ACTIVATES MOVIE SCARECROWS RIDEWATCH)

She fired flaming pumpkins and they laughed malevolently and smashed her all over in fiery explosions!

Qin: EXPLOSIVELY TERRIFYING!

Xenia: YEAH!

Maria: (Gets out Cosma's Ridewatch) Don't leave me out!

Maria activated it and fired waves of stars and energy and smashed her all over/

Maria: And this! (ACTIVATES CARMEN SANDIEGO'S RIDEWATCH)

She fired waves of energy and blasted her all over.

Me: YEAH!

Bisca: Time for some thievery. (ACTIVATES BEAGLE BOY'S RIDEWATCH)

She fired waves of energy and blasted her all over.

Nico: Nice!

The Cheese Shogun, Cheese Monster, Chunky Chicken, Universe 666 Bio Broly, Cheese Crocker and Stinky Cheese came.

Nico: Nice team Roquefort!

Roquefort: It sure is!

Me: Cheesy!

Lola: Oh yeah!

Maria: Where's the next Gene Slammer?

But then…

HOING!

Maria: (SQUEALING)

She was being given an atomic wedgie by an invisible force!

Me: WHAT THE!?

Nico: A GHOST!

Laney: YIKES!

SNAP!

Maria: HELP! I CAN'T SEE!

Then 3 Litwicks came.

Me: 3 Litwicks.

Nico: Awesome. I feel like I know these 3.

Then a Chandelure appeared from behind Maria.

Me: Hey a Chandelure!

Qin: Cool!

Chandelure: (In a girls voice) (Transylvanian Accent) That was a haunted prank.

Nico: Cheryl Velarrian! Wow!

She reverted back and was a girl with purple hair and blue eyes and had pitch black clothes and had bat wings with blue flames on them.

Cheryl Velarrian: Good to see you again Nico. I got this.

She and her Litwicks fired waves of blue and purple fire and blasted down Another Leonard and I caught the Ridewatch and purified it and brought Yumi over.

Bisca Mulan: What's your favorite memory of Nico?

Cheryl Velarrian: When me and Nico were at a halloween party and 3 bullies came and we scared the shit out of them by having everyone do gruesome Thing Transformations.

Me: OOH! Nice! Bet they were scared shitless after that.

Cheryl Velarrian: They were.

Me: And these 3 Litwick's are yours?

Cheryl Velarrian: They sure are.

Laney: Looks like we have 3 more mascots.

Nico: Yep.

Nico and Cheryl hugged.

Nico: I've missed you.

Cheryl Velarrian: Me too Nico. Me too.

Maria got her underwear back to normal.

Maria: Whew. GIVE ME AN ATOMIC WEDGIE WILL YOU!?

* * *

Lincoln: Ah, we're here in Lake Superior, and I know what we're going to do here, not only am I going to rescue the thirteen girls here, but we're also going to face, take down, and recruit the next hypothetical Akumatized Loud Sibling, Mudslinger, the hypothetical Akumatized form of Lana.

Me: And from what we heard from Gabriel, she's a muddy tomboy who loves playing in mud and getting dirty and smelly, and hates taking a bath, and she can also create mud minions to cause havoc.

Lana: Cool.

Lola: Yuck! It's like dealing with Lana, but ten times grosser!

Lincoln: Don't even think about getting into another twin rumble or Eli's going to discipline you two.

Eli cracked his knuckles and Lola and Lana both knew if they got into a twin rumble, he was going to discipline those two nanny goats.

Lori: We still should've thought about that long ago.

Nico: Luckily, since her mud minions are made of mud, all we have to do is fire water at them, and they'll melt away into the sands, but as for Mudslinger, she's getting a bath alright, and I also brought some of this.

Nico took out a bottle of laundry detergent.

Lincoln: What's that?

Nico: It's some of my mom's laundry detergent, this stuff can get out some of the toughest grass and mud stains on our clothes, which is perfect for a mud bomb like Mudslinger.

Just then, The Water Skylanders and every water wielder on the team had arrived.

Gill Grunt: We're all ready for that mudslinging mud bomb.

Lincoln: Awesome, Gill Grunt, and I want to thank you and your team for joining us, Loki.

Loki: No problem, Lincoln. Plus, were you shocked to find out that Doug lied saying that Jo escaped yesterday?

Lincoln: I should've known better than to believe the words of a lying conniving con-artist like Doug, but he's back in prison where he rightfully belongs, and I had no idea he got killed by Mordecai and Rigby long ago.

Me: Me neither. But, you're right about one thing, Lincoln: Doug's back in prison where he belongs and he'll stay there until the day he dies, and you also made the right call to press charges on him when he tried to kill William with that bomb.

Nico: Yeah, now he's really in trouble. Plus, from what I heard from the guards, Doug's also got a target on his back courtesy of the other inmates, and many of them were those he'd also conned in the past, so we'd put him in Maximum Security Solitary Confinement and restrain him in a rainbow energy straitjacket and rainbow energy chains and we chained to the wall of his doorless cell with Neutronium chains lined with rainbow energy.

Me: Man, he's nothing but scum.

Suddenly, we saw Zap appear before us, and with Zap are the thirteen girls.

Zap: (Gasps) Another me, but how is this?!

Zap: (Girl's voice) Sorry about the scare, Zap, but I had to get the girls away from Mudslinger, she was about to throw mud at them and send her mud minions on them.

Lincoln: (Gasps) That voice, Adriana Monsoon, I knew it was you!

Crash Bandicoot: The Master of Water herself has arrived, now the fun's truly about to begin.

?: AW, YOU RUINED MY CHANCES TO COVER THEM ALL IN MUD!

Suddenly, we saw a wave of mud heading right for us, and it crashed onto the ground, and we saw who it was: Mudslinger, the hypothetical Akumatized form of Lana Loud, and she's a living pile of mud and she's a muddy tomboy who loves playing in mud and getting dirty and smelly and hates taking a bath.

Lana: (Gasps) So, that's Mudslinger?! She's exactly what I could've become during the fight to stop Gabriel years ago.

Mudslinger: You will all drown in mud!

Mudslinger threw globs of mud at us, but Lincoln made a ball of water to protect all of us, and the mud was washed away.

Mudslinger: That water ball's not going to protect you. Mud Minions, get him!

Mudslinger summoned mud minions to attack, only to get washed away by blasts of water from the water shield.

Sylvester: Yeesh, someone needs a bath!

Mudslinger: B-B-BATH?!

Sylvester unholstered his Sylvester's Blood-Soaked Vampiric Demon Darkness Greatsword of The Dracul and transformed into Super Angel-Cat-Vampire-Acme Dark Knight-Harmony Universal Eternal Celestial Xelnaga Darkness Looney Tune Feline Demonic Darkness Vampire Cat Angel of Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Justice and Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Death.

Then, Lincoln fired waves of ladybugs and red fire at Mudslinger which then exploded with incredible power as they hit her, and she was knocked out, tied up, and sent to The Masters of Evil. We cheered as we holstered our weapons and powered down.

Lincoln: Man, I knew Lana loved getting muddy, but that was a lot of mud we've had to deal with.

Me: Thank goodness you put up that water shield to protect us from a lot of mud.

Nico: That'll teach that mud-slinging tomboy, now all that's left are Math Magician, Fear Fox, and Wolf Carnage.

Lincoln: Yeah, and we got to watch it with Math Magician, Fear Fox, and Wolf Carnage, those three will no doubt be the more vicious of the hypothetical Akumatized Loud Siblings. (To Adriana Monsoon) And it's so good to see you again, Adriana Monsoon.

Adriana Monsoon reverted back to normal, and she's a beautiful girl with long dark blue hair, aqua blue eyes, she was tall at 6'11" in height, she has the body of a goddess, and ample breasts, fair skin, she has massive and beautiful dark blue angel wings, she's dressed in a short-sleeved dark blue blouse, sleeveless aqua blue top, dark blue skirt with the Water Skylanders symbol on it, black pants, dark blue knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with water, ocean waves, dragons, and angels on the coattails and on the back is Zap and on top is the symbol of The Water Skylanders, and holstered on her back is a massive Zap-themed greatsword with embedded aqua blue gems and Zap etched on the 7'0" massive, wide, double-edged dark blue blade, large dark blue dragon heads for the crossguard, large white angelic faces embedded on both sides of the hilt with dark blue gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large dark blue gem on the bottom of the large white angel heads for the pommel.

Adriana Monsoon: You too, Lincoln, it's been a long time.

Lincoln went up to Adriana Monsoon and he hugged her, and Adriana Monsoon is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire

Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Adriana Monsoon: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'9" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness, man, you've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal.

Me: And Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Adriana Monsoon, Gene-Slammer of Zap, she's my Guardian Angel and The Master of The Element of Water, and among the first humans who were actually born in The Skylands and grew up there under the guidance of Master Eon and the Skylanders, and as Adriana grew, she'd discovered that she's a master of the Element of Water, one of the Ten Elements of The Skylands, and she trained a lot under the tutelage of Master Eon and the Water Skylanders and she proved to be quite the master of water. She left The Skylands and she moved to Royal Woods, Michigan, and this is way before Kaos, The Dark Portal Master, had launched his hostile takeover of The Skylands. Adriana really hated that world-conquering warlord, and when Marie formed The Skylanders Liberation Coalition, Adriana became one of the members and she had sworn to make Kaos pay for all his crimes against Skylands and against all The Skylanders.

Nico: Wow, that's awesome!

Me: Yep, and after we freed The Skylands from Kaos and The Skylands merged with our world, The Skylanders Liberation Coalition had become part of The Earth-Skylands Federation. Plus, we also saw she fell in love with Lincoln when they first met, and she really trained him intensely on how to use the element of Water, and she also had the additional help of Zap, Gill Grunt, and the other Water Skylanders, who really helped Lincoln in advancing his training in mastering the element of Water, and over time, he really proved to be a master and at the same level as Adriana Monsoon.

Marie MacDougal: And although Adriana hates Kaos with a blazing passion for all his crimes against Skylands, there's only one person that Adriana hates with a passion ever since she came to Royal Woods: that person is Chandler, and Adriana has more than once used her skills with Water to put Chandler in his place and cause trouble on that heartless, sadistic, psychopathic, evil sewage rat, and she even told him off saying that Chandler's a heartless, sadistic psychopath who smells like sewage, that he's a conniving dumbass who has no respect for anyone except for himself, and even worse, Adriana called Chandler a dumb chauvinistic pig like his heartless dad!

Eli: Jeez.

Me: I still remembered the words all too well, and that prick went completely insane and was about to kill her, until Lincoln blasted him with water and sent him flying out of the school and into a police car that took him to jail.

Adriana Monsoon: And you're going to see it for yourselves. (To Lincoln) Oh, Lincoln, there's something I also want to give you.

Lincoln: Let me guess, you want to give me your blood, right,

Adriana?

Adriana Monsoon: How'd you guess what I was about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Adriana Monsoon: I knew it, you marked them and fed on their blood, along with acquiring their powers as well, I knew that was coming since you'd done that more than once when he got brutally injured by Lori, Lynn, Lola, Lisa, and Luan more than once.

Lincoln went up to Adriana Monsoon, and he hugged her in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Adriana Monsoon: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Adriana Monsoon's neck with dark blue gems on the gold lightning bolts and dark blue crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Adriana Monsoon: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Adriana Monsoon.

Adriana Monsoon had a smile on her face and tears in her eyes as

Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the thirteen girls, and when Lincoln saw who they were, he immediately recognized them. The thirteen girls are Nell, Sami, Sonja, Isabella, Jess, Kindle, Lash, Lin, Penny, Rachel, Sasha, Tabitha, and Tasha from Advance Wars.

Lincoln: Oh wow, it's Nell, Sami, Sonja, Isabella, Jess, Kindle, Lash, Lin, Penny, Rachel, Sasha, Tabitha, and Tasha from Advance Wars.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Nell: Yes, we're okay, thanks to you.

Then, when Nell and the other twelve girls saw who it was that saved them from Mudslinger, the hypothetical Akumatized form of Lana Loud, their faces turned atomic red upon seeing the 17-year-old 7'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with a Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, He-Man's chest harness with colored gems on the orange crisscrossing straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the

Nell: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made twelve clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Nell: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, thirteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Nell, Sami, Sonja, Isabella, Jess, Kindle, Lash, Lin, Penny, Rachel, Sasha, Tabitha, and Tasha with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team was shocked to find out the villain we went after was Mudslinger, the hypothetical Akumatized form of Lana Loud.

But, when Lincoln showed what we did such as firing blasts of water to wash away her mud minions and finally laying the beatdown on that mudslinging tomboy and sending her to The Masters of Evil's HQ, everyone cheered and hugged us and Lincoln's harem kissed him all over. Lincoln and Adriana Monsoon have a lot of catching up to do, now that she's back in town.

Maria: Oh man, we really had a lot of fun teaching that mud bomb a lesson!

Nico: We sure did, and we didn't get covered in mud.

Lana: Which stunk!

Lincoln: Now, Lana, we know you love rolling around in mud, but Mudslinger had to be stopped or else all of Michigan would be covered in mud.

Nico: Lincoln's right about that, and Vypra's going to make sure Mudslinger's going to be kept an eye on.

---

After taking down Mudslinger, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Adriana Monsoon saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Adriana Monsoon: My God, I was right that Lincoln's really grown into a 17-year-old, 7'9" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Adriana, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Adriana Monsoon: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling

and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Adriana Monsoon: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Adriana, what's the story on how you told off Chandler and that not only did it drive him mad, but he tried to rush at you to kill you and how Lincoln saved you from his attack?

Adriana Monsoon: Oh, you're so going to like seeing this.

Adriana Monsoon pulled up the video as it played on the big screen, and we saw Adriana Monsoon standing in between Chandler and Lincoln who was beside her, and Chandler was out for blood, he had a psychopathic grin on his face, and his eyes were red with hatred.

Past Adriana Monsoon: You've gone too far in trying to hurt Lincoln just because you see him as an easy target, but you know what, you've been asking for it for a long time, and if you think that stupid killjoy's going to save you, I think not, he's already in big trouble for his part.

We then saw Principal Huggins being forced to flee for his life after Superintendent Chen suspended him for three months.

Past Adriana Monsoon: And now, it's time for you to get the lashing of your miserable life. You think yourself as better than everyone around you, but you know what, you're not. You're a worthless, evil, heartless, sadistic psychopath who smells like sewage, you're a conniving dumbass who has no single shred of respect for anyone except for yourself, and you're a dumb chauvinistic pig like your heartless dad!

We gasped at her harsh words.

Nico: OH, DAMN! Now, that was harsh!

Me: Varie and I still remembered those harsh words she said to Chandler, and man, did they sting!

We continued watching the video, and then, we saw Chandler's face turn boiling red, his mouth was foaming, and he screamed with out of control rage and he went outright ballistic and he charged at Adriana Monsoon to kill her, but Lincoln fired a blast of water at Chandler and drenched that bastard, and then, he fired more blasts of water at him which forced him outside and into a police car which'd escorted him to jail.

Past Adriana Monsoon: Lincoln… , you saved me?

Past Lincoln: I wasn't going to let Chandler kill you, Adriana.

This made Adriana Monsoon smile, and she went up to Lincoln and they kissed on the lips and every last student and teacher cheered while Chandler could watch seething with rage as he was sent to jail and Killjoy Huggins could also watch seething with rage as his attempt to get rid of Lincoln was ruined once again, and the video ended.

Nico: Wow, Chandler really got soaked big time by Lincoln!

Me: And it was awesome to see karma do its thing, Chandler got his just desserts, and the same went with that killjoy. Chandler got sent to jail for three months and Principal Huggins got a three month suspension for another attempt to kill Lincoln.

Luna: That little punk should've learned his lesson, but he didn't, and same went with that killjoy who went on the warpath seeking revenge on Lincoln, only to get clobbered by the other Guardian Angels.

We got a shower, and then, Lincoln, M.O.M., Amanda Robinson, Beatrice, Emma, Jane, Katie, Louise, Michelle DuBois, Olivia, Polly

Potswagal, Sadie, and Zowie Quinn are heading to Gelato Beach.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'9", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And M.O.M., Amanda Robinson, Beatrice, Emma, Jane, Katie, Louise, Michelle DuBois, Olivia, Polly Potswagal, Sadie, and Zowie Quinn were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out M.O.M., Amanda Robinson, Beatrice, Emma, Jane, Katie, Louise, Michelle Dubois, Olivia, Polly Potswagal, Sadie, and Zowie Quinn were introduced to Lincoln thanks to Diana Lombard, Jenni Anderson, Jenni Anderson, Caitlin, and Darla Simmons, who've known these girls both from when they went to Torrington Academy and from Diana's missions at The Centre, and they heard a lot about him, and when they first met, it was love at first sight. Plus, Sam, Clover, and Alex knew of M.O.M. when they had to work alongside Diana's stepbrother, Martin Mystery, on a joint mission that got the attention of both WHOOP and The Centre, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant, but they also got to keep their heads up, they got word that Natalie Everett has sent some thugs to kill them.

M.O.M.: So, this is Gelato Beach. Diana was right that you always have a knack for choosing some really spectacular places for a first date, Lincoln.

Lincoln: Thanks, however we also got to be on high alert.

Michelle DuBois: Diana did say that you've been dealing with The Legion of The Lincoln Haters, and they won't stop until they kill you, but we won't allow it.

Lincoln, M.O.M., Amanda Robinson, Beatrice, Emma, Jane, Katie, Louise, Michelle Dubois, Olivia, Polly Potswagal, Sadie, and Zowie Quinn dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and M.O.M., Amanda Robinson, Beatrice, Emma, Jane, Katie, Louise, Michelle DuBois, Olivia, Polly Potswagal, Sadie, and Zowie Quinn got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw Natalie Everett's hired thugs coming after them, but Lincoln fired blasts of blood red energy which hit them and he sucked out all their blood and energy and killed them and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to M.O.M., Amanda Robinson, Beatrice, Emma, Jane, Katie, Louise, Michelle DuBois, Olivia, Polly Potswagal, Sadie, and Zowie Quinn, and they hugged the girls in their abnormally massive and powerful muscular arms, and M.O.M., Amanda Robinson, Beatrice, Emma, Jane, Katie, Louise, Michelle DuBois, Olivia, Polly Potswagal, Sadie, and Zowie Quinn placed their hands on the massive pecs of Lincoln and his clones, then they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Gelato Beach, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, twelve Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of M.O.M., Amanda Robinson, Beatrice, Emma, Jane, Katie, Louise, Michelle DuBois, Olivia, Polly Potswagal, Sadie, and Zowie Quinn with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of

Eternal Love on their necks.

Lily the Mermaid: Wow, now M.O.M., Amanda Robinson, Beatrice, Emma, Jane, Katie, Louise, Michelle DuBois, Olivia, Polly Potswagal, Sadie, and Zowie Quinn are now in your harem.

Jenni Anderson: You can thank me, Diana, Caitlin, and Darla for introducing them to Lincoln, we knew Amanda, Polly, Katie, and Louise from Torrington Academy.

Diana Lombard: And I knew Beatrice, Emma, Jane, Katie, Louise, Michelle, Sadie, and Zowie from my missions from The Centre, and M.O.M.'s also the head of The Centre and the one who recruited me as an agent. Martin's going to be in for quite the shock when he sees that some of the girls he's been trying to hit on and fail miserably are now part of Lincoln's harem. And Flip had some nerve trying to kill them, that cheapskate's just making things much worse for himself.

Serena Logan: Even after all this time, Flip's still the same mutant cheapskate he's always been.

Lincoln: And we also had a run-in with Natalie Everett's hired thugs, but I killed them all, and she should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Natalie Everett scream with extreme hatred and rage.

Maria: Yeah, up yours, you monster bitch!

Carmen: Sheesh, those monster bitches just don't even know when to quit.

Nico: Serves her right, but she'll get hers later on today.

Me: They sure will, those monster bitches have gotten on our nerves five years ago, and now, they're going to pay dearly for everything they've done.

Lincoln: You got that right.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Natalie Everett of The Legion of The Lincoln-Haters, and she's heading here to kill Lincoln and get revenge. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, it's Natalie Everett of The Legion of The Lincoln-Haters, and she's heading here to kill me and get revenge.

Selene Arcangela: Should've known Brianna Greyson would send her next. But, if we know that bitch all too well, she'll also be bringing Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson with her.

Nicholette Torrington: Just like what happened when The Chernabog Sisters came after us last year.

Lincoln: That won't be a problem, I'll trap them in a force field.

Maggie: While you and I deal with Natalie Everett and put an end to her for good, Lincoln.

Lincoln: But, we also got to watch it though, Natalie Everett will no doubt have her machine guns with her, along with the others.

Nico: Good thinking, if they broke out of jail, they're bound to have gotten access to high-powered machine guns they stole from the cops or got themselves from contacts outside. Alright, gang, let's go, we may not have a mission today, but we can't let that monster bitch run free.

Lincoln: You got that right, Nico. Natalie Everett, your time's finally up, and now, you shall die a very horrible death for your crimes.

Selene Arcangela: You better start praying for mercy, you remorseless bitch.

Selene Emperyous: Because, we will show you and the others none for everything you've done in the past.

Maggie: No way are we forgiving you for any of your actions, Natalie Everett, you better be ready to pay the price for your foul misdeeds.

Lincoln put up a rainbow energy field around The World Tree Estate and we headed off to the park to hunt down and kill Natalie Everett of The Legion of The Lincoln Haters.

We arrived at the park to hunt down and kill our next target: Natalie Everett of The Legion of The Lincoln Haters.

Nico: Alright, now where's that bitch hiding?!

Maggie: She's here somewhere, I can hear the screams of her victims in the air along with catching the smell of blood.

?: LINCOLN LOUD, I WILL FUCKING KILL YOU FOR GETTING US EXPELLED FIVE YEARS AGO, YOU WHITE-HAIRED FREAK!

Lincoln: Oh great, I knew there's no mistaking that foul mouth from anywhere, you just don't know when to call it quits, do you, Natalie Everett.

We saw a girl with black hair, red eyes, and dressed in a black coat, white blouse, black pants, and black knee-high boots heading our way on a motorcycle, it was Natalie Everett of The Legion of The Lincoln-Haters, but we also saw Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson heading here as well.

Selene Arcangela: Oh great, that monster bitch's also got Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson with her.

Lincoln: If they think I'm going to take that lying down, they've got another thing coming.

Lincoln fired magnetic blasts at the motorcycles and destroyed them and that sent the Legion of The Lincoln Haters flying off the destroyed motorcycles, and when they got back up and saw Lincoln, they were now absolutely pissed off.

Natalie Everett: You ruined everything, Lincoln Loud! We had every last loser cowering in fear before us, but you… ! YOU JUST HAD TO PLAY THE HERO AND RUIN OUR REIGN!

Brianna Grayson: And what you fucking did in killing our dads… , THAT WAS THE LAST STRAW THAT BROKE OUR FUCKING BACKS! KILL THEM ALL! LEAVE NONE OF THEM ALIVE!

But, before Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson could get after us, Lincoln trapped them in a rainbow energy field.

Alana Cameron: WHAT THE FUCK?! HE TRAPPED US INSIDE

THIS AGAIN! I'LL FUCKING KILL YOU, LINCOLN!

Lincoln: Cry me a river!

Maria: You tell her, Lincoln! (Flips Middle Finger) And up yours, bitch!

Qin: They're just as, if not even worse, than Audrey Madison, and she was a heartless, sick, twisted, good-for-nothing, murderous slut!

Me: And they're still as stupid and murderous as ever.

Maggie: But, this'll send a clear message that we're not letting them get away with any of their plans for revenge.

Suddenly, Maggie's eyes turned neon red and she was surrounded by a black and red energy aura with darkness, dark flames, stars, vampire bats, creatures of the night, and phoenixes, and as she approached Natalie Everett, she left black and red energy, darkness, dark flames, stars, vampire bats, creatures of the night, and phoenixes with every step.

Maggie: I can't believe that you'd break out one day to get revenge on Lincoln for something that was entirely your fault, Natalie Everett, and the same goes with the rest of the monster bitches inside the energy field. You think that now that you and the rest of The Legion of The Lincoln-Haters have broken free you can just waltz in here and try and kill Lincoln, we're not standing for it. You've already put the final nail in your coffin, and now, it's time for you to die.

Suddenly, Maggie was surrounded by a massive vortex of black and red energy with darkness, dark flames, and stars surrounding it, there are vampire bats, creatures of the night, and phoenixes flying around the vortex and in the vortex is a midnight black phoenix with red eyes glaring at Natalie Everett: the red eyes of death. Then, as the vortex faded, Maggie emerged, but she was changed forever.

(A DEMON'S FATE BY WITHIN TEMPTATION PLAYS)

Maggie grew from 6'11" to 7'5" in height, she has the body of a goddess, she has blood red highlights in the bangs of her long black hair and she now has vampire fangs, she has neon red eyes and a black and blood red energy aura with darkness, dark flames, stars, vampire bats, creatures of the night, and phoenixes surrounding her, she has a vampire bat with blood drops on its belly emblazoned on her forehead with Third Eye with blood red iris, she has on vampire bat earrings with blood red gems for eyes and holding the Dark, Death, and Eternity Kanjis in its claws, she also has a vampire bat with blood red gems for eyes and holding the Dark, Death, and Eternity Kanjis in the claws on the bottom of her blood red vampire bat-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love with blood red crystal links from her merged Crystal Necklace of the Buddha and blood red gems embedded on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Suddenly, Maggie's newly forged greatsword and all the greatswords and swords that she'd gotten began to merge together and they're surrounded by a kaleidoscope of black and blood red energy, darkness, dark flames, vampire bats, creatures of the night, stars, dragons, and phoenixes, and when it emerged, it transformed into Maggie's Eternal Cosmic Darkness Demonic Dragon Vampire Greatsword of Eternal Cosmic Darkness Demonic Dragon Vampire Phoenix Justice, it's a brand-new massive greatsword with embedded blood red gems and blood red etchings and a vampire bat, dragon, and phoenix etched on the 7'3" massive, wide, double-edged midnight black blade, large midnight black dragon heads for the crossguard, large white angelic faces built into both sides of the hilt with blood red gems embedded in the foreheads, longer midnight black handle, four large black dragon heads with blood red gems for eyes and in their mouths and a large black dragon head with a blood red gem in its mouth below the large phoenix heads for the pommel. Maggie has transformed into SUPER ANGEL-VAMPIRE-DRAGON-PHOENIX-HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE DARKNESS ETERNAL COSMIC DARK SHADOW DARKNESS VAMPIRE DRAGON PHOENIX ANGEL OF DIVINE DARKNESS ETERNAL COSMIC DARK SHADOW DARKNESS VAMPIRE DRAGON PHOENIX JUSTICE AND DIVINE DARKNESS ETERNAL COSMIC DARK SHADOW DARKNESS VAMPIRE DRAGON PHOENIX LOVE!

We were amazed by Maggie's Super Angel-Vampire-Dragon-Phoenix-Harmony Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Natalie Everett saw it, she went fucking crazy and she got out her machine gun to fire at Maggie, but Maggie fired a barrage of black and blood red energy blasts with darkness, dark fire, vampire bats, creatures of the night, stars, dragons, and phoenixes at Natalie Everett and it sent her flying into a tree back first, she got back up and she ran at Maggie again with a knife she got out, but she disarmed Natalie Everett and dislocated her arm and sent her flying into another tree with a roundhouse kick, she got back up, but now, she was mega pissed off!

Nico: Whoa!

Haiku: Gasp!

Brittney: This is so incredible, Maggie's transformed! Now, the true dark vampiric wrath of Erebus' emissary and champion is about to be unleashed.

Me: You said it, Brittney, Maggie's transformed into her Super Angel-Vampire-Dragon-Phoenix-Harmony Universal Eternal Celestial Xelnaga form, and she disarmed Natalie Everett and she sent her flying into a tree with a roundhouse kick.

Lincoln: Natalie Everett has been asking for this for a long time, and what better way to administer her final judgement than right in front of the other members of The Legion of The Lincoln-Haters.

Maggie: (Divine Godly Cosmic Voice of The Demonic Cosmic

Eternal Darkness Blood Vampire Dragon Phoenix Angel and Divine Demonic Cosmic Eternal Darkness Vampire Dragon Phoenix Love) You got that right. Now, let's rip her apart, Linky, my King of The Eternal Night.

Lincoln unholstered his massive Lincoln Loud's Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Phoenix-Harmony Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Hope, and he joined Maggie.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You and the others have caused more than enough grief and trouble to everyone in Michigan for too long, Natalie Everett. We've made the right choice getting you all expelled and put in prison five years ago, but you know what, prison's too good for any of you. Now, we're going to fix that and do what should've been done to you years ago.

Maggie and Lincoln went after Natalie Everett who went extremely ballistic and continued firing at them, but they dodged the bullets, and they fired extremely powerful blasts of rainbow energy, black and blood red energy, fireworks, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Natalie Everett and they exploded with incredible power as they hit her, and they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and he and Maggie attacked her with punches, kicks, and karate chops, and they were really, really, really pissing off her off now and driving her even more ballistic.

Just then, Natalie Everett got out a second machine gun, but Lincoln put up a rainbow energy shield around him, Maggie, and all of us, and she started shooting like crazy and also laughing like a deranged bitch, but the bullets were getting bounced off the energy shield. Suddenly, the machine guns ran out of bullets and Natalie Everett's deranged laughter died down and she was really fucked now.

Me: Hah! You're out of bullets, bitch, and you know what that means!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smirks) You're shit out of luck!

Lincoln grabbed Natalie Everett by the neck and he tossed her into the air, and Lincoln and Maggie fired a powerful barrage of energy balls with darkness, stars, quintessence, elemental forces, and mythological animals, and as they hit Natalie Everett, they exploded with incredible power and she was killed in the explosions, and that angered the rest of The Legion of The Lincoln-Haters. Then, Natalie Everett's spirit appeared, and she was still incensed with anger and fury.

Natalie Everett: You think you've won?! I'LL RETURN ONE DAY AND KILL YOU ALL!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) No, you're done and this time forever, Natalie Everett. Give my regards to your lowlife dad when you see him.

Lincoln summoned the spirits of Natalie Everett's victims from the past who seized her, and then, he drew the Judgement Kanji on her forehead, and as predicted, she was found guilty for her crimes, and she was fading away from existence.

Natalie Everett: NO! NO! DAMN YOU, LINCOLN LOUD, DAMN YOU ALL, TEAM LOUD PHOENIX STORM! DAMN YOU ALL TO (FADES AWAY)

We cheered wildly as Maggie and Lincoln holstered their massive greatswords on their backs and powered down, and Maggie's new body, clothes, weapons, jewelry, Third Eye, and eleven massive and long black wolf tails, and massive black angel wings are permanent.

Then, the rainbow energy field Lincoln put up to keep Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson inside went down, and they ran up to the dead remains of Isabella Morgana. Then, they looked at Lincoln and they were absolutely really seething with rage!

Brianna Greyson: You're going to pay for this, Lincoln Loud! YOU FREAK! KILL HIM! KILL THE FUCKER!

Suddenly, the sound of police sirens were heard, and being the criminals they were, they knew they were in huge trouble!

Brianna Greyson: This isn't over, Lincoln Loud!

Then, Morgana Wesley, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana

Cameron, and Brianna Greyson ran off, but not before they gave us the finger, and me and Nico retaliated by giving them the finger and it drove them mad as they ran off.

Nico: Yeah, up yours too, bitch!

Maggie: We've taken another one down so far, and now, we got thirteen more to go. Thanks for helping me destroy Natalie Everett, Linky.

Lincoln: (Smiles Warmly) You're welcome, Maggie.

Suddenly, Maggie wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Maggie's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, and Angel flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and darkness behind them and we cheered wildly. Then, Lincoln and Maggie absorbed the darkness and they came back to us as the display vanished.

Nico: Whoa, now that's what I call a dose of dark vampiric justice. Lincoln, Maggie, you two did really awesome in teaching that monster bitch, Natalie Everett, a lesson and pissing off the rest of those monster bitches.

Lincoln: Thanks, Nico, but this is only the beginning of The War Against The Legion.

Me: You said it.

Lincoln: And for tomorrow, the next member of The Legion of The Lincoln-Haters that's going to show her face is Morgana Wesley, which means you, Trixie, and I are up next to face her, Hannah.

Hannah: Yes, we'll make her pay for all of her crimes in full.

Trixie: We sure will.

Lincoln: But we've also got to keep an eye out, The Legion of The Lincoln-Haters are bound to send hired thugs after us.

Nico: We'll be ready for them since we've been dealing with hired thugs hired by our resident jerks to kill us, which always end with you killing them by sucking out their blood and pissing Flip and the other jerks off.

Lincoln: And I've got an idea for which Skylander Gene-Slammer we're meeting tomorrow: we're going to meet the Gene-Slammer for Blackout.

Selene Arcangela: Awesome, and there's only one person who'd be Gene-Slammed into Blackout: Sabrina Devereaux, and no, she has no relation to Darren, but she's Lincoln's Guardian Angel and The Master of The Element of Darkness, and among the first humans who were actually born in The Skylands and grew up there under the guidance of Master Eon and the Skylanders, and as Morgana grew, she'd discovered that she's a master of the Element of Darkness, one of the Ten Elements of The Skylands, and she trained a lot under the tutelage of Master Eon and the Dark Skylanders and she proved to be quite the master of darkness. She left The Skylands and she moved to Royal Woods, Michigan, and this is way before Kaos, The Dark Portal Master, had launched his hostile takeover of The Skylands. Sabrina really hated that world-conquering warlord, and when Marie formed The Skylanders Liberation Coalition, Sabrina became one of the members and she had sworn to make Kaos pay for all his crimes against Skylands and against all The Skylanders.

Melanie Aranyani: After you guys freed The Skylands from Kaos and The Skylands merged with our world, The Skylanders Liberation Coalition had become part of The Earth-Skylands Federation. Plus, we also saw she fell in love with Lincoln when they first met, and she really trained him intensely on how to use the Element of Darkness, and she also had the additional help of Blackout and the other Dark Skylanders, who really helped Lincoln in advancing his training in mastering the element of Darkness, and over time, he really proved to be a master and at the same level as Sabrina.

Me: Hey, now I remember her all too well, she went missing long ago, and now I know why she went missing, she was Gene-Slammed by Team Rocket.

Lincoln: Yep.

Selene Arcangela: And although Sabrina hates Kaos with a blazing passion for all his crimes against Skylands, there's only one person that Sabrina hates with a passion ever since she came to Royal Woods: that person is Lisa, and Sabrina has more than once used her skills in darkness to put Lisa in her place and cause trouble on that heartless, emotionless, psychopathic, cold, mad scientist, and she even told her off saying that Lisa's a heartless, emotionless, sadistic psychopath who enjoys torturing her older brother and everyone around her for her so-called "research", that she's a cold-hearted evil monster who has no respect for anyone except for herself, and even worse, Sabrina called Lisa a cold, emotionless, sadistic, black-hearted scumbag who used her love for science to kill anyone who got in her way!

We gasped in shock, and Nico's jaw dropped to the floor!

CLANG!

Nico: She called her all that?! Oh, I wouldn't be surprised if Lisa came charging right at her with intent to kill her.

Lincoln: She did, but she should've known if she messes with the bull, she gets the horns! You'll hear the whole story about that tomorrow.

Me: Trust me, Nico, you're going to like hearing this story, and the next hypothetical Akumatized Loud Sibling we'll be facing tomorrow on Lincoln's rescue is Math Magician, the hypothetical Akumatized form of Lisa Loud, an intelligent prodigy whose equations cause nothing but havoc, but if she's outsmarted by someone smarter than her, she'll lose her emotionless cool and go crazy.

Lincoln: And I've got a lot of ways to make her lose her emotionless cool and go completely crazy.

* * *

We were watching TV and Casey came in.

Casey Rhodes: Let's head to the library to discuss Trixie's big mission.

Me: Good idea.

Trixie Lulamoon: It will be a perfect plan for The Great and Powerful Trixie!

Nico: Yes it will.

Twilight Sparkle: It'll be good to go to the library.

Nico: Yep.

We were off to the Library.

We arrived.

Me: Awesome.

Poromon: Okay. What do we know about the target?

Me: We need to use the powers of our dragons to hit him hard right where it hurts.

Camie: It's not going to be easy.

Me: No it isn't.

Poliwag: And can you remind us who the target is?

Me: His name is Word Paynn and he is going to try and start another Dragon Human War if we don't stop him.

Nico: Yeah we have to stop him.

Eli: Yeah we can't let him get away with what he will do.

Lola: We need to make sure he pays for it with his life.

Nico: I agree.

Someone came over.

Tamaru: Excuse me. Can you guys keep it down? I'm trying to study.

Me: (In my head) Tamaru, I remember him! He was trying to look for a place to study and he came to the library.

Nico: Oh sorry about that.

Me: Tamaru right?

Tamaru: Yeah. Wait Team Loud Phoenix Storm it's an honor.

Me: Same here. Sorry to disturb you we're just coming up with a battle plan for Trixie's mission tomorrow.

Tamaru: Oh no worries. I didn't know you were in the middle of briefing.

Me: Yeah sorry about that. Got a big test coming up?

Tamaru: Yeah Trigonometry and it really hurts my brain.

Lori: We literally know how that feels.

Me: Yeah. Sorry about disturbing you.

He went back to his spot to study.

I put up a sign that said we were briefing.

We whispered our plan.

But just then, Eddy sneezed.

Me: Bless you Eddy.

Tamaru: ARGH! PLEASE CUT THAT OUT!

Eddy: Sorry. I just sneezed.

Casey Rhodes: Eddy didn't mean to be noisy. It was just a harmless sneeze.

Tamaru: I DON'T CARE! It's so noisy! All of you… why?! Why are you distracting my studies?!

Me: Uh oh.

With that, he was surrounded by an energy circle with the Gekiranger logo and turned into Jukenki from episode 23 of Donbrothers!

---

At a cafe, Tamaru is trying to study for an exam, only to have the noise of the surrounding customers and employees increase his stress as he cannot concentrate. The waitress bringing his cup of coffee and the clatter of the chinaware setting on the table causes Tamaru to snap, screaming that he wishes everyone would be quiet. The stress and desire for silence turns Tamaru into Jukenki, who attacks the cafe. Tsubasa is teleported to the location of Jukenki along with Tsuyoshi, Haruka and Shinichi. Jukenki becomes even more agitated when Taro makes his bombastic grand entrance and blasts Tsubasa with a Gekiwaza style technique, sending him flying into the air. The others are too focused on chasing the fleeing Jukenki despite Tsuyoshi being worried about Tsubasa.

The next day, Jukenki appears and attacks Tsubasa and Miho because Tsubasa was making affectionate puppy noises. The blast knocks Tsubasa out of Miho's arms and he then gets up and uses his weapons to drive Jukenki away, who cannot stand the sounds of gunfire and the shuriken crashing into him.

Jukenki runs into an open field where four of the Donbrothers surround him. Shinichi notices that they are one member short, but Taro thinks they can take Jukenki on their own without Inu Brother. The team matches the Hitotsuki's Gekiranger power with a

Dairanger Avatar Change, using the Dairinkens in combat.

Jiro arrives to help, driven by his friend's encouragement to be stronger, only for something strange to happen as Dangerous Jiro splits into a separate body from Jiro. With both now fully aware of each other, Dangerous Jiro criticizes his good half's admiration of Taro, believing it holds back their potential to be strong and surpass him. Jiro can feel all of Dangerous's hate for Taro, but asks him to put that aside for now as he needs his help. Both Avatar Change into Don Doragoku and Don Torabolt and then after a short fight with Jukenki, unlock their Robotaro Gears to become Robogoku and Robobolt.

While both fight Jukenki, Robobolt's wild nature wasn't above unleashing friendly fire upon Robogoku to hit its target or clashing with him at times. The two fire powerful energy blasts to finish Jukenki, who becomes Jukenking. Jiro commands that they combine but Dangerous Jiro isn't a willing participant and fusses a bit after being caged as the combined Toradragonjin, until Jiro persuades his other half to settle down. The Donbrothers are amazed at the new robot, but concerned about where its loyalty is. Their concerns are put to rest as the two giants engage in a Chinese style kung fu brawl. The fight turns in Jiro's favor as he uses a platform to outpace Jukenking, despite the latter trying to use his swiped sword. Jiro then unleashes the Dragon-Tiger Art: Jiro's Hurricane attack to defeat Jukenking. Jiro celebrates his first victory with his new robot.

---

We gasped!

Me: Jukenki the Gekiranger Hitotsuki!

Qin: Not good!

Me: And I remember this one! He was pissed that he couldn't find a place quiet enough to study!

Nico: Not good!

Twilight Sparkle: And in a library!? NO WAY!

She teleported all of us and Jukenki out and we were outside.

Me: That's better. Thanks Twilight.

Jukenki: I WILL HAVE QUIET! I WILL SHUT THE WHOLE FUCKING WORLD UP FOREVER!

Me: This guy is a ticking time bomb!

Eddy: For a minute, I was afraid that the Librarian would kick us out.

Casey Rhodes: Jungle Beast! Spirit Unleashed!

He transformed!

Casey Rhodes: WITH THE STRENGTH OF THE TIGER! JUNGLE FURY RED RANGER!

I teleported the Donbrothers to us!

Tsubasa: We're here!

Taro: Jukenki! Not good.

Me: Lets give this guy a time out!

Jukenki: QUIET! SHUT UP!

Ben turned into Ghostfreak and tried to sneak up on Jukenki. But he heard him with his enhanced hearing.

Jukenki: I can hear you!

Jukenki blew Ghostfreak away with his Beast-Fist attack

Ghostfreak: His hearing is good!

Taro: HAHAHAHAHA! Avataro Sentai!

All: Donbrothers!

KRABBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion went off behind us and we were ready!

Nico: This guy needs ear muffs.

Qin: He sure does!

Jukenki got out a pair of fans and tried striking Casey with it.

Theo Martin: He's got his own Jungle Fan too?!

I kicked the fans out!

Me: He is the Jungle Fury Hitotsuki! What did you expect?

Theo: True.

Isabel: Time to show him the power of the spirits!

Isabel chanted a powerful incantation and fired spirits in the form of a school of Electric Eels!

---

An Electric Eel dream where you see yourself eating this spirit animal represents fertility and conception.

---

Isabel had them go at him and they bit him and electrocuted him all over!

Isabel: The Electric Eel is not your spirit. That is more Sakura Valencia's spirit.

Nico: I agree there.

Sakura Valencia: I am honored.

She then had the Spirit Ring of the Electric Eel appear on her right finger and it was in a pink gem!

Sakura Valencia: Cool!

Jukenki tried hitting Casey with enhanced kung-fu skills. But Casey fought back with hand to hand combat.

He bashed him down.

Isabel: Feel the sting of the Box Jellyfish!

She chanted an incantation and out came a swarm of Box Jellyfish spirits!

---

In Native American culture, the box jellyfish is a symbol of transformation. The box jellyfish represents the cycle of life, death, and rebirth. In some cultures, the box jellyfish is also seen as a symbol of protection.

---

She sent them out and they hit Jukenki and electrocuted him all over with intense stinging lightning!

Me: OOH! OUCH!

Nico: YIKES!

Me: They don't call the Box Jellyfish the most venomous Jellyfish in the world for nothing.

Isabel: That is for sure and the perfect candidate for that spirit of Anna Anyanova.

Anna Anyanova: Wow! Me!? I'm honored.

She then had a Box Jellyfish spirit ring appear on her right finger in a blue gem.

Lola: Awesome Anna!

Anna Anyanova: Thanks.

Tsubasa: Avatar Change!

He turned into Dino Fury Black!

He fired waves of energy and blasted Jukenki all over.

Isabel: Try these noisy birds.

She chanted an incantation and summoned a flock of Quails!

---

If you have a Quail Totem Animal, you strive to remain aware of everything around you. Your inner eye catches danger long before most other people. When you trust your instincts, things don't find you unprepared. People cannot disguise their intentions from your scrutiny.

---

They chirped and Jukenki screamed in fury and he was REALLY INFURIATED!

Qin: WHOA! Take that!

Nico: YEAH!

Isabel: And the Spirit of the Quail is for Trixie Lulamoon.

Trixie Lulamoon: Me!? Wow!

She then got a spirit animal ring and it was a blue Quail!

Trixie Lulamoon: The Great and Powerful Trixie is a quail!

Nico: Fitting since your big day tomorrow!

Trixie Lulamoon: It sure is!

Qin: Yeah!

Jukenki: QUIET! I WILL SHUT YOU ALL UP!

I fired waves of energy at him.

George Beard: This guy is just as crazy as Avocadwoe!

Harold Hutchins: Marty Fyde! Yeah!

Krupp: Yeah he was a ticking time bomb!

Me: Literally.

Echo Echo Unleashed a Sonic Scream at him!

JUKENKI SCREAMED IN PAIN FROM THE INTENSE NOISE!

Nico: YEAH!

I fired waves of energy and blasted him all over.

Me: Take that!

Fire Masamune blasted him with fire and blasted him all over.

Nico: YEAH!

Casey Rhodes: Call to the beast inside! Free the tiger!

He fired a blast of energy and it formed into a tiger and smashed him down.

Qin: Take that!

Then a Beheeyem came!

Me: Whoa a Beheeyem!

Xenia: Awesome!

Starfire: Oh this will be glorious.

Beheeyem: (In a girls voice) I will bring interstellar pain.

Nico: (GASP) Marean Xextroppia!

Beheeyem: That's right. Awesome to see you Nico.

She fired waves of energy and blasted Jukenki all over!

Nico: Loud enough for you?

Jukenki: (SCREAMS) SHUT YOUR FUCKING TRAP! I WILL KILL YOU AND ANYONE THAT DOESN'T SHUT UP!

He fired numerous waves of energy at Nico and he deflected the blasts back and they hit numerous items and numerous fiery explosions blasted off all oer the place and blasted cars and more.

Nico: You really have a nasty problem!

Tsubasa: I was actually cursed as a dog when he first appeared.

Me: I remember that.

Qin: That was awesome.

Lola: Yeah.

Jukenki: YOU SHUT YOUR FUCKING TRAPS!

He fired a massive energy blast and I fired a powerful energy blast and the blasts collided and exploded!

KRABBBBBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive fiery explosion!

He screamed in pain from the explosion!

Nico: Jeez! All this just for some quiet.

Camie: Yeah.

Taro: But we can use that to our advantage!

Kirby: I got this.

He turned into Mike Kirby!

HE SCREAMED INTO A MEGAPHONE AND BLASTED JUKENKI SCREAMED IN MORE PAIN!

Nico: Lets finish him!

Me: Yeah!

Donbrothers, Me, Nico, Lyra and the Knights of the Friendship Table: SOLAR SYSTEM OF MAGIC FRIENDSHIP!

We formed a Solar System and they had the cutie marks of all of us and we fired waves of energy and the blasts all hit Jukenki and he exploded!

KRABBBBBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOO

He was back to normal and I caught the Gekiranger gear.

Me: YEAH! Jukenki you have failed this city!

Donbrothers: Demon Elimination complete! All's Well that Ends Well!

Twilight Sparkle: Knights of the Friendship Table…

All: FRIENDSHIP IS MAGIC!

Me: Yeah!

We went over to him. He was really mangled up.

Me: Jeez we really did a number on you. I hope we didn't hurt you that badly.

Tamaru: Oh, it's alright.

Me: If you wanted some peace and quiet for your studying just go over into the quiet serene beauty of the forest of a meadow. Plenty of quietness there.

Tamaru: I will remember that.

I gave him some ear muffs.

Me: Use these if you feel bothered.

Tamaru: Thank you. (Vanishes)

Nico: That was awesome!

Isabel: It sure was!

Qin: Yeah!

Taro: That sure was epic!

Marean Xextroppia Reverted back and she was a girl with blue hair and had antennae on her head and she had blue butterfly wings and had blue eyes and blue sclera and had blue clothes.

Marean Xextroppia: That was so awesome though!

Shanan: Whoa! You're a Lepisormagian from the planet Aqualepira.

Marean Xextroppia: That's right Shanan.

Me: That's amazing.

Shanan: Yeah the planet is from the Cigar Galaxy and it was unfortunately destroyed when a comet crashed into it.

Marean Xextroppia: That's right. Like Superman I came to Earth to start a new life.

Me: Wow!

Nico: That's right.

Me: Do you have any favorite memories of Nico?

Marean Xextroppia: When me and Nico were flying over the city and we saved a jet that was falling out of the sky and saved all those people.

Me: Wow! That is amazing!

Nico: It sure was.

Qin: I remember seeing that. That was cool.

Nico: Yep.

Nico and Marean hugged.

Nico: I really missed you.

Marean Xextroppia: Me too Nico. Me too.

Nico: That was awesome though.

Me: It sure was. Thanks for helping us again Taro.

Taro: Anytime guys.

Sonoza: On the chance Jo DOES return, you guys can destroy her with the Black Gates

Me: That you can count on.

Sonoza: Yes.

They teleported back to Japan.

Qin: That was awesome though.

Maria: Nico, which Gene Slammers do you think you'll meet next?

Nico: Iris will like this one. Haxorus, Beartic and Cryogonal.

Me: Ooh! 2 Cold ones and a dragon.

Nico: Yep.

Lola: That will be awesome.

Lana: Yeah!

Nico: A planet made of ice cream would be perfect for the Beartic.

Qin: (LAUGHS) Yeah!

Camie: Yeah that would be cool!

Iris: It's the Haxorus I like!

Me: That one would be perfect for tomorrow's mission.

Nico: Because we're going to a world of dragons.

Qin: Yep.

Lola: That is for sure.

Nico: Yep. And Matau's missions start that day too.

Matau: Can't wait.

Lola: Yeah.

Nicole: Well I know what will be good to pass the time till then.

May: What do you have in mind?

Nicole: I found another awesome treasure map and this one is for a cave outside of Dallas, Texas. This one is said to be a cave filled with Krabby Patties.

Nico: A cave of Krabby Patties? Whoa!

Lola: That would be awesome.

Nico: Yep.

SpongeBob: Oh boy!

Patrick: All right!

Qin: This will be a tasty one.

Maria: It sure will.

Lola: Yeah!

Nicole: Lets head out guys.

Nico: You heard the lady! Lets go!

We went out.

---

We arrived into the forests outside of Dallas.

Me: Texas is known as the Burger Capital of The World and this is perfect for this.

Qin: Yep.

Nicole: Lets see.

Nicole held up the map and she found the cave entrance and it was in the shape of the bottle that holds the Krabby Patty Secret Formula.

Me: That cave Entrance looks like the Krabby Patty Secret Formula.

Xenia: It sure does.

Qin: Very interesting and unusual.

Spongebob: Let's go in!

Me: Here we go.

We went into the cave and it was amazing.

Me: Wow! This is amazing that this cave is here.

We walked down into the cave further.

Nicole: According to the map, we're looking for a grotto that is filled with Krabby Patties and the rocks and all that are the Krabby Patty Toppings.

Nico: Interesting.

Patrick: I see it.

We saw the grotto and we saw that it was a giant room filled with Krabby Patties!

Squidward: HOLY SHRIMP! I don't know where to start!

Poromon: This is amazing!

Nico: Boy it sure is awesome!

Me: Bubble Bass is going to be infuriated seeing us eat all these. But let him get angry.

Squidward was the first to eat some! eats two patties. Squidward eats a bunch of Krabby Patties in all sorts of ways, even a dozen at a time. Squidward keeps eating all the Krabby Patties in the vault, Pac-Man style.

Patrick finishes a whole plate of patties!

The Mascots are eating bunches of patties in numerous ways!

Poromon was shoveling them in!

Manaphy was eating them like Pac Man.

Horsea was sucking them in like a vacuum.

Poliwag was eating them and flushing them in like a toilet.

Poromon: (to the mascots) Let's have a Krabby Patty eating contest!

Manaphy: You're on!

They were shoveling and eating patties like you wouldn't believe!

Perch Perkins: But wait! Patrick Star is on the move, and patties are starting to disappear, look at that little sea star eat! He's inching closer to the mascots, and it looks like the mascots can feel the heat, never have there been a more pretentious display of competitive eating! The amount of patties being consumed is astounding. [Patrick finishes a whole plate of patties and is starting to suck everything in.] And now, yes, yes! Patrick Star has matched the Mascots! And they are tied as they come into the home stretch! All the eaters are so full they could barely eat but eat they do, moving so slowly now. One can't help but wonder if they are going to hit the patty wall at some point.

Me: Boy they are bottomless pits!

Qin: No kidding!

Maria: Go Horsea!

May: Go Manaphy!

Nico: YEAH!

They were eating and eating and eating them all!

Kirby ate some too.

He was inhaling them!

Me: Boy these guys are all bottomless pits!

Nico: No kidding!

Me: (Whispering to Nico) Can you imagine if it was a cave of chum?

Nico: (Whispering to me) That would be disgusting.

Manaphy kept eating some.

But Squidward was eating the most!

SpongeBob was getting frantic!

SpongeBob: Squidward, you can't eat all those patties at one time! Squidward! [As soon as he ate dozens of Krabby Patties]

Squidward: What's gonna happen? Am I gonna blow up?

SpongeBob: No, worse- it'll go right to your thighs!

Squidward: [surprised] My thighs? [pan down showing Squidward's enlarged thighs, he looks at thighs]

SpongeBob:… and then you'll blow up.

Me: Uh oh! HIT THE DIRT!

We ducked and then…

EXTREMELY MASSIVE FIERY EXPLOSION!

HE WAS BLOWN TO PIECES!

We gathered them all.

Squidward: (laughs) It was worth it!

Qin: Funny.

SpongeBob: (LAUGHS)

We laughed!

Nico: That was funny!

Poromon: Who won?

Manaphy: (BELCH!) I did.

Nico: Manaphy won.

Poromon: All right Manaphy!

Xenia: Yeah!

Lola: But Squidward exploded.

Nico: Yep.

Me: I think that was fun.

Qin: Boy it sure was!

Nico: (LAUGHS) That was awesome.

Lola: Yeah.

Nico: Now we must get ready for tomorrow's mission. Trixie's big day is next.

Trixie Lulamoon: And it will be an awesome adventure for The Great and Powerful Trixie!

Me: Yes it will!

We went back home and enjoyed the rest of the day and went to sleep.

---

Meanwhile on the world of Dragon Booster, Artha Penn and friends were getting ready for our arrival and we were going to make sure that Word Paynn pays for his crimes.

Artha Penn: I'm ready to kick Word Paynn's butt.

Kitt: Me too and it will be awesome.

Moordryd: I'm ready to face father.

Artha Penn: We all are. Lets do it! RELEASE THE DRAGON!

They glowed and went at the screen and it froze with them…

TO BE CONTINUED!

The next match-up in The War Against The Legion of The Lincoln-Haters is Trixie Lulamoon, Hannah, and Lincoln VS. Morgana Wesley.

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Italy, and we're going to face, take down, and recruit the next hypothetical Akumatized Loud Sibling, Math Magician, the hypothetical Akumatized form of Lisa Loud, she's an intelligent prodigy whose equations cause nothing but havoc, but if she's outsmarted by someone smarter than her, she'll lose her emotionless cool and go crazy. And we're going to meet the next Skylanders Gene-Slammer, this time, it's Sabrina Devereaux, Gene-Slammer of Blackout, she's Lincoln's Guardian Angel and The Master of The Element of Darkness, and among the first humans who were actually born in The Skylands and grew up there under the guidance of Master Eon and the Skylanders, and as Sabrina grew, she'd discovered that she's a master of the Element of Darkness, one of the Ten Elements of The Skylands, and she trained a lot under the tutelage of Master Eon and the Dark Skylanders and she proved to be quite the master of darkness. She left The Skylands and she moved to Royal Woods, Michigan, and this is way before Kaos, The Dark Portal Master, had launched his hostile takeover of The Skylands. Sabrina really hated that world-conquering warlord, and when Marie formed The Skylanders Liberation Coalition, Sabrina became one of the members and she had sworn to make Kaos pay for all his crimes against Skylands and against all The Skylanders. After we freed The Skylands from Kaos and The Skylands merged with our world, The Skylanders Liberation Coalition had become part of The Earth-Skylands Federation. Plus, we also saw she fell in love with Lincoln when they first met, and she really trained him intensely on how to use the element of Darkness, and she also had the additional help of Blackout and the other Dark Skylanders, who really helped Lincoln in advancing his training in mastering the element of Darkness, and over time, he really proved to be a master and at the same level as Sabrina Devereaux. And although Sabrina hates Kaos with a blazing passion for all his crimes against Skylands, there's only one person that Sabrina hates with a passion ever since she came to Royal Woods: that person is Lisa, and Sabrina has more than once used her skills in the dark arts and darkness to put Lisa in her place and cause trouble on that emotionless, unethical, sadistic, cold-hearted, mad scientist and she even told her off by saying that Lisa's a heartless, sadistic, evil, condescending psychopath who enjoys torturing Lincoln, her family, and everyone around her for her so-called "scientific research", that she's a conniving scumbag who has no respect for anyone except for herself, and even worse, Sabrina called Lisa a monster who has no humanity at all! That set Lisa off and she tried to kill her in her fury, but Lincoln blasted her with orbs of darkness and trapped her in a dark energy orb, and Sabrina and Lincoln kissed and it left that mad scientist seething with rage and thoughts of heartless revenge, but she got grounded big time and was thrown in a cage like a criminal and with Warden Lily watching her like a hawk.

Get ready for an awesome dragon adventure as we go to the world of Dragon Booster and we're going to destroy Word Paynn and make him pay for his crimes including trying to start another Dragon Human War. Trixie's big day mission is next.

See you next time.

Me: Boy these caves are amazing.

Lola: They sure are. I think this is so awesome.

Nico: It sure is.

Eli: They sure are amazing.

Nicole: It must've taken thousands of years to form this cave.

Lana: Yep.

Raven: It's a really amazing cave I must say.

Nico: Raven, I want to thank you, Roquefort, and your teams for coming.

Raven: It's my pleasure Nico. And this will be a really fun adventure for all of us too.

Brittney: It sure will.

Derpy Hooves: I think so too.

BONK!

Derpy bonked into a stalagmite.

Lincoln then held on to her hand.

Derpy Hooves: Sorry.

Nico: Derpy, don't you think you bumping into things might be taking a toll on you.

Derpy Hooves: That's what I keep asking myself every day.

Me: She can't help it Nico. She has an eye condition.

Derpy Hooves: Yeah it's part of me. I can't help but crash into stuff.

Lola: That must hurt a lot.

Derpy Hooves: I know.

Nico: Maybe we can help treat your eye condition.

Varie: I'm afraid there's no cure. They tried everything.

Qin: Oh man.

Lola: Yeah sorry.

Nico: Oh. Okay then.

Pipp Petals: Sorry she has to go through that.

Me: Yeah. One time she crashed into me and broke my leg.

Nico: I remember that.

Me: Yeah but I'm okay.

Derpy Hooves: Yeah but everyone gets a good laugh out of me doing silly stuff.

Nico: It's true.

Qin: Yeah.

Me: But yesterday's adventure into a Krabby Patty Cave was awesome.

Nico: I can't believe the mascots ate so many Krabby Patties!

Maria: Boy they sure did and Squidward exploded.

Lily: He sure did.

We laughed.

Nico: (LAUGHS) That was funny.

Camie: It sure was.

Eli: That was awesome seeing a cave of Krabby Patties though.

Lola: Yeah.

Laney: That was awesome.

Raven: It sure was amazing seeing that.

May: Manaphy won the contest.

Me: She sure did.

Camie: That was a lot of Krabby Patties.

Qin: It sure was.

Lola: No kidding.

Lily: If Mr. Krabs were still a greedy cheapskate he would like charge us a lot for them.

Nico: That is for sure.

Me: But it was still a fun and awesome adventure.

Nico: We took many of them home.

Me: We sure did.

Laney: And we have lots of patties for lunch.

Qin: Yep.

Nicole: You guys will love our quarry. This map is for The Sword of Buffalorgalas. It's a Buffalo Chicken Sword. It has the power to turn anything into buffalo chicken and fire buffalo chicken too.

Me: Wow!

Nico: (DROOLS)

Qin: That sounds like my kind of sword!

Nico: Who gets it?

Qin: I will. And knowing how much Nico loves Buffalo Chicken he is getting an awesome buffalo chicken buffet from me.

Nico: Aww thanks Qin.

Nicole: According to the map it's in a grotto made with buffalo chicken and buffalo sauce waterfalls.

Lola: That sounds spicy and awesome.

Nico: Yep.

We smelled the spice.

Me: Smell that spice?

Nico: (SLURPS) Buffalo Spice.

We saw the grotto and we went in and saw that it was A BUFFALO CHICKEN AND SAUCE GROTTO! Just like Nicole said!

Nico: OH WOW!

Qin: (SLURPS) This is all so awesome!

Me: (SLURPS) This is my kind of cave!

Raven: Boy this is amazing.

Lincoln: Boy this is awesome!

Me: And it's very fitting because Buffalo, New York is known as the Buffalo Chicken Capital of the World.

Qin: Yeah!

Maria: There it is!

We saw on an alter THE SWORD OF BUFFALORGALAS! It was an orange bladed sword that had buffalo sauce dripping and pouring from the blade and it had a golden hilt with jewels.

Qin: Wow! That is an amazing sword!

Lola: It sure is.

Nicole: At long last! The Sword of Buffalorgalas!

Qin: Wow!

Nico: Go ahead, Qin.

Qin went up to the sword and then she grabbed the hilt and then she pulled it out! IT GLOWED AND QIN WAS GIVEN IT'S AWESOME POWER!

Qin: WOW!

Nico: That is awesome!

Qin: It sure is! Here Nico.

She fired a massive stream of Buffalo Chicken Wings and Nico opened his mouth and they flowed in and Nico chewed them and spat out the bones and he was stuffed and man he was bloated!

Nico: (BURPS) That was great!

May: Have all the wings you want, honey!

Nico: OKAY!

Qin fired waves of more wings and they filled him up big time!

Nico spat out all the bones.

Nico: (GROANS) (LOUD BURP) Oh man I am stuffed!

Me: Boy that is awesome.

Qin: With infinite wings comes infinite responsibility.

We laughed at that one.

Me: (LAUGHS) That was funny.

Camie: Yeah!

Nico: (LOUD BELCH) Oh boy.

Me: Nico had his meal for the day.

Nico: That might not be accurate.

Me: I know.

Nico: But it was still a great meal though.

Lola: Yeah.

Me: Nico lets get to work on the rescue now shall we?

Nico: We shall.

Eli: I already sensed for Swartz's creations. Another Cheese Monster and Another Roquefort.

Nico: Cheesy.

Lola: Yep.

Derpy: I'm up first!

Me: Yep.

Lincoln: Just be careful Derpy. We don't want you to hurt yourself.

Derpy: I know. I'll be fine.

Eli: This will be one that is funny.

Me: Hey Nico what do you call a cheese that isn't yours?

Nico shrugged.

Me: Nacho Cheese!

We laughed at that one!

Rita Loud: (LAUGHS) That was a good one!

Luan: (LAUGHS) Good one!

Eddy: (LAUGHS) That was a good one!

Nico: (LAUGHS) I get it!

Qin: (LAUGHS) That was funny.

Me: That was a Gouda one! (LAUGHS TO RIMSHOT)

We laughed at that one!

Nico: (LAUGHS) Love cheese puns.

Xenia: Me too!

Nico: There she is!

We saw a dark version of the cheese monster and it was a pitch black version of him! It was ANOTHER CHEESE MONSTER! Or a ROTTEN CHEESE MONSTER in this case!

Cheese Monster: Cheese! This one looks like me but black.

Me: A Rotten Cheese Monster!

Laney: YUCK!

Me: Nothing smells worse than Ed's feet like Rotten Cheese.

Nico: Too true.

Another Cheese Monster: (In a girls voice) (Minnesota Accent) That is very funny and I do look like rotten cheese don't I?

Me: (GASP) That voice.

She reverted back and it was a girl with blond hair and orange eyes and had yellow and orange clothes and she had yellow angel wings.

Me: Hailey Havarti!

Hailey Havarti: Awesome to see you again J.D. doncha know.

Me: You too Hailey. Hailey is one of the best cheese makers in the country. She was born in Wisconsin and comes from a family that's a long line of cheese makers. But she got in a terrible cheese accident and it mutated her and gave her awesome cheese powers.

Nico: Whoa that is amazing!

Hailey Havarti: It sure is and I love having cheese powers.

Kora Lexington: Boy you would be perfect for my team against Cheese Crocker. He is Denzel Crocker made entirely out of pure cheese.

Hailey Havarti: That is awesome.

Derby: When you're seperated, I hope I don't bump into you!

Hailey Havarti: I know.

Me: By the way is the Another Roquefort hostile or friendly?

Hailey Havarti: Friendly and she is a great cheesemaker too.

Qin: Cool!

Me: Boy this is gonna be a good and cheesy one.

Nico: Yeah and I love cheese.

Girl Jordan: First lets get you back to normal and separate you.

Leeli: Right!

Girl Jordan: Lets go Leeli.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

Sea dragons were singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Hailey glowed and Another Cheese Monster separated from her!

Hailey Havarti: Whoa! I was one bad piece of cheese!

Derpy Hooves: Lets get him!

They fired waves of cheese and light and blasted him down and he exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Wonder Ride Book and it was called The Cheese Superhero and the Kingdom of the Rotten Cheese Fiend.

Me: Fitting and funny.

Maria: Time for backup! (TURNS DIAL) FIRESTORM VOLCANO 6!

She summoned Firebrand, Comrade Red, Volcamon, Flame Stag, Zhao, Dabi, Count Dooku and La-Doldo-Gu.

Nico: Oh yeah!

Qin: This will be awesome.

Firebrand: This is amazing that there's a Buffalo Chicken cave.

Nico: Can I have some cheese while waiting?

Hailey Havarti: Sure.

She fired cheese from her hands into his mouth and filled him up.

Nico: (SLURPS) Yummy!

Me: Just in time too! Look!

We saw a dark version of Cheese Shogun Roquefort! It was ANOTHER ROQUEFORT!

Me: Another Roquefort.

Fluttershy: This one looks like a cheesy one.

Pinkie Pie: It sure does.

Another Roquefort: (In a girls voice) But I love awesome cheese.

Me: (GASP) That voice.

She reverted back and it was a girl with blond hair and had orange eyes and Yellow Clothes and yellow angel wings.

Me: (GASP) Gina Gouda!

Gina Gouda: Awesome to see you again J.D.

Me: You too.

Nico: Gouda is awesome cheese.

Me: It sure is. Gina is a cheese maker and she makes ALL KINDS of awesome smoked cheeses. My favorites are Smoked Brie, Smoked Gouda, Smoked Limburger and (DROOLS) Smoked Mozzarella and Smoked Cheddar. (SLURPS)

Nico: Yummy!

Sougo: (gets out Operation Overdrive Ridewatch) Can you give Nico some cheese after this?

Geiz: (gets out Mystic Force Ridewatch) He pretty much loves the stuff?

Sougo got OperationOverdriveRedArmor while Geiz got MysticForceRedArmor.

Another Roquefort: I would be honored.

Nico: Lets make this cheesy! (ACTIVATES CHEESE SHOGUN ROQUEFORT'S RIDEWATCH)

He fired cheese wheels and smashed her all over with them.

Nico: Time for some cheese sauce! (ACTIVATES CHEESE MONSTER'S RIDEWATCH!)

He fired waves of cheese sauce and drenched her.

May: Want some chicken with that? (ACTIVATES CHUNKY CHICKEN'S RIDEWATCH)

She fired waves of chicken and blasted her all over.

May: Boy this is gonna be a crazy one. (ACTIVATES UNIVERSE 666 BIO BROLY'S RIDEWATCH)

She formed a green energy ball and fired it and it hit her and exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was blasted down!

May: WHOA! What power!

Maria: That was intense! But so is this one. (SPAZZING) FAIRY GODPARENTS! FAIRY GODPARENTS! FAIRY GODPARENTS! (ACTIVATES CHEESE CROCKER'S RIDEWATCH)

She fired waves of cheese and blasted her down.

Maria: Nico if I ever do that again hit me on the head with a mallet.

Nico: Noted.

Maria: Plug your noses.

We did so.

Maria activated Stinky Cheese's ridewatch and fired waves of cheese that smelled horrible and smashed her down.

Derpy Hooves: Time for some more cheese! (ACTIVATES CHEESE MONSTER'S RIDEWATCH)

She fired waves of cheese and smashed her down!

Then Chemistro, M.O.E. Sinestro, Cenicienta, Kazarina, Yost Chemistro and Soupy Man appeared.

Nico: Nice team Chemistro!

Chemistro: Thanks Nico. This is awesome too.

Lola: Boy it sure is!

Maria: Where's the next Gene Slammer?

But then Maria froze into a BLOCK OF ICE!

Me: WHAT THE!?

Nico: MARIA!

We then saw a Cryogonal come out!

Me: Whoa a Cryogonal! This one is cold.

Cryogonal: (In a girls voice) Boy that was funny though.

Nico: Emmie Arctica! Wow!

She reverted back and was a girl with blue hair and had blue arctic eskimo clothes on.

Emmie Arctica: I got this.

She fired waves of ice and blasted down Another Roquefort and I caught the Ridewatch and purified it. I brought Gina Gouda over and she had a headache.

Gina Gouda: What a headache. And here is the cheese like I said.

She gave Nico numerous cheese wheels of gouda and brie.

Nico: OH BOY!

Me: Lets thaw Maria out first.

I fired a blast of fire and melted her and she reformed and was back to normal.

Maria: Ahh! That's better.

Derpy: What's your favorite memory of Nico?

Emmie Arctica: When me and Nico were ice fishing and we caught enough fish to feed my village. He also taught me how to make ice castles.

Nico: It was awesome. I showed her and her village how to make beautiful ice mansions too. They were awesome.

Me: That is awesome. I hope the ice mansions don't melt up there.

Emmie Arctica: I lived up in the north pole so I'm pretty much used to extreme cold.

She touched my shoulder.

Me: (SHIVERS) Geez you are really cold.

Emmie Arctica: Sorry.

Nico and Emmie hugged.

Nico: I missed you.

Emmie: Me too Nico. Me too.

We later went back home and told everyone what happened and it was awesome.

Nico then hugged Maria to comfort her. She was drinking some hot cocoa.

Nico: Boy that must've been a cold one.

Maria: (SNEEZES) It was.

Me: She caught a big chill.

Qin: I hope it doesn't turn into a cold.

Lola: Yeah.

Emmie Arctica: Sorry about that.

Maria: No worries.

Lincoln: Ah, we're here in Italy, and I know what we're going to do here, not only am I going to rescue the six girls here, but we're going to face, take down, and recruit the next hypothetical Akumatized Loud Sibling, Math Magician, the hypothetical Akumatized form of Lisa.

Me: And from what we heard from Gabriel, she's an intelligent prodigy whose equations cause nothing but havoc, but if she's outsmarted by someone smarter than her, she'll lose her emotionless cool and go crazy.

Nico: Yeah, and it's going to be a problem to get her if she remains emotionless and cool.

Lincoln: Not exactly, Nico, I've got an idea on how to make her lose her emotionless cool and go crazy. She may be smart, but not that smart to solve the one thing Elaine Wittgenstein has done.

Qin: (GASPS) You don't mean…?!

Lincoln: Yep, I'm going to trick her into trying to solve The 12th Dimensional String Equation, and you will also get to see her break down and go crazy, and I want to thank you and your team for joining us, Gwen.

Gwen T.: You're welcome, Lincoln. Now, let's go find Math Magician and make her go crazy.

Suddenly, we saw Blackout appear before us, and with Blackout are the six girls.

Cynder: Blackout? But, how are you…?

Blackout: (Girl's voice) Sorry about the scare, Cynder, but I had to get the girls away from Math Magician, she was about to dissect them until I fired an orb of darkness blinding her and got them out of here.

Lincoln: (Gasps) That voice, Sabrina Devereaux, I knew it was you.

?: YOU IGNORAMUS HAIRLESS APES WILL PAY FOR RUINING MY EXPERIMENT!

Suddenly, we saw who it was heading our way in an extremely furious rage: it was Math Magician, the hypothetical Akumatized form of Lisa Loud.

Lisa Loud: (Gasps) Holy Newton's Knickers! So, that's Math Magician, she's exactly what I could've become during the fight to stop Gabriel years ago.

Lincoln: And right on time. Try to solve this, genius!

Lincoln summoned a chalkboard and he wrote up the problem: solving The 12th Dimensional String Equation and even figuring out the mass of all the stars put together in the entire universe. Math Magician took the bait, and she tried to solve both The 12th Dimensional String Equation and figure out the mass of all the stars put together in the entire universe, but she wasn't as smart as Elaine Wittgenstein is, and she was unable to solve it, and she went bonkers, and her brain crashed!

Me: (Gasps) You made her brain crash, awesome!

Sylvester: Let's get her before she recovers.

Sylvester unholstered his Sylvester's Blood-Soaked Vampiric Demon Darkness Greatsword of The Dracul and transformed into Super Angel-Cat-Vampire-Acme Dark Knight-Harmony Universal Eternal Celestial Xelnaga Darkness Looney Tune Feline Demonic Darkness Vampire Cat Angel of Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Justice and Divine Darkness Looney Tune Feline Demonic Darkness Vampire Cat Death.

Then, Lincoln fired waves of ladybugs and red fire at Math Magician which exploded with incredible power as they hit her, and she was knocked out, tied up, and sent to The Masters of Evil. We cheered as we holstered our weapons and powered down.

Lincoln: Looks like my plan paid off.

Me: It sure did.

Nico: That was a smart move you did tricking her to solve The 12th Dimensional String Equation and figuring out the mass of all the stars in the universe, and it caused her brain to crash like what had happened to J.D. Now, all that's left is to deal with Fear Fox and Wolf Carnage.

Lincoln: No doubt, these two will be the more vicious of the hypothetical Akumatized Loud Siblings. (To Sabrina Devereaux) And it's so good to see you again, Sabrina Devereaux.

Sabrina Devereaux reverted back to normal, and she's a beautiful girl with long midnight black hair, purple eyes, she was tall at 6'11" in height, she has the body of a goddess, and ample breasts, fair skin, she has massive and beautiful black angel wings, she's dressed in a sleeveless midnight black top, black skirt with the Dark Skylanders symbol on it, black pants, necklace with purple gem for the pendant, white bridal gloves, black knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with darkness, dragons, and angels on the coattails and on the back is Blackout and on top is the symbol of The Dark Skylanders, and holstered on her back is a massive Blackout-themed greatsword with embedded purple gems and Blackout etched on the 7'0" massive, wide, double-edged black blade, large black dragon heads for the crossguard, large white angelic faces embedded on both sides of the hilt with purple gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large purple gem on the bottom of the large white angel heads for the pommel.

Sabrina Devereaux: You too, Lincoln, it's been a long time.

Lincoln went up to Sabrina Devereaux and he hugged her, and Sabrina Devereaux is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Sabrina Devereaux: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'9" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness, man, you've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal.

Me: And Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Guardian Angel and The Master of The Element of Darkness, and among the first humans who were actually born in The Skylands and grew up there under the guidance of Master Eon and the Skylanders, and as Sabrina grew, she'd discovered that she's a master of the Element of Darkness, one of the Ten Elements of The Skylands, and she trained a lot under the tutelage of Master Eon and the Dark Skylanders and she proved to be quite the master of darkness. She left The Skylands and she moved to Royal Woods, Michigan, and this is way before Kaos, The Dark Portal Master, had launched his hostile takeover of The Skylands. Sabrina really hated that world-conquering warlord, and when Marie formed The Skylanders Liberation Coalition, Sabrina became one of the members and she had sworn to make Kaos pay for all his crimes against Skylands and against all The Skylanders.

Nico: Wow, that's awesome!

Me: Yep, and after we freed The Skylands from Kaos and The Skylands merged with our world, The Skylanders Liberation Coalition had become part of The Earth-Skylands Federation. Plus, we also saw she fell in love with Lincoln when they first met, and she really trained him intensely on how to use the element of Darkness, and she also had the additional help of Blackout and the other Dark Skylanders, who really helped Lincoln in advancing his training in mastering the element of Darkness, and over time, he really proved to be a master and at the same level as Sabrina Devereaux.

Marie MacDougal: And although Sabrina hates Kaos with a blazing passion for all his crimes against Skylands, there's only one person that Sabrina hates with a passion ever since she came to Royal

Woods: that person is Lisa, and Sabrina has more than once used her skills in the dark arts and darkness to put Lisa in her place and cause trouble on that emotionless, unethical, sadistic, cold-hearted, mad scientist and she even told her off by saying that Lisa's a heartless, sadistic, evil, condescending psychopath who enjoys torturing Lincoln, her family, and everyone around her for her so-called "scientific research", that she's a conniving scumbag who has no respect for anyone except for herself, and even worse, Sabrina called Lisa a monster who has no humanity at all! That set Lisa off and she tried to kill her in her fury, but Lincoln blasted her with orbs of darkness and trapped her in a dark energy orb, and Sabrina and Lincoln kissed and it left that mad scientist seething with rage and thoughts of heartless revenge, but she got grounded big time and was thrown in a cage like a criminal and with Warden Lily watching her like a hawk.

Eli: Jeez.

Me: I still remembered the words all too well, and Lisa went completely insane and was about to kill her, until Lincoln blasted her with orbs of darkness and trapped her in a dark energy orb, and Sabrina and Lincoln kissed and it left that mad scientist seething with rage and thoughts of heartless revenge, but she got grounded big time and was thrown in a cage like a criminal and with Warden Lily watching her like a hawk.

Sabrina Devereaux: And you're going to see it for yourselves. (To Lincoln) Oh, Lincoln, there's something I also want to give you.

Lincoln: Let me guess, you want to give me your blood, right, Sabrina?

Sabrina Devereaux: How'd you guess what I was about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Sabrina Devereaux: I knew it, you marked them and fed on their blood, along with acquiring their powers as well, I knew that was coming since you'd done that more than once when he got brutally injured by Lori, Lynn, Lola, Lisa, and Luan more than once.

Lincoln went up to Sabrina Devereaux, and he hugged her in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Sabrina Devereaux: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Sabrina Devereaux's neck with purple gems on the gold lightning bolts and purple crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Sabrina Devereaux: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Sabrina Devereaux.

Sabrina Devereaux had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw who they were, he immediately recognized them. The six girls are Lucia and Cierra, Fia, Lina, Marietta, and Serene from Riviera: The Promised Land.

Lincoln: Oh wow, it's Lucia and Cierra, Fia, Lina, Marietta, and Serene from Riviera: The Promised Land.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Cierra: Yes, we're okay, thanks to you.

Then, when Cierra and the other five girls saw who it was that saved them from Math Magician, the hypothetical Akumatized form of Lisa Loud, their faces turned atomic red upon seeing the 17-year-old 7'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with a Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, He-Man's chest harness with colored gems on the orange crisscrossing straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The

Cierra: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Cierra: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Lucia, Cierra, Fia, Lina, Marietta, and Serene with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team was shocked to find out the villain we went after was Math Magician, the hypothetical Akumatized form of Lisa Loud.

But, when Lincoln showed what he did by tricking Math Magician into trying to solve the one thing Elaine Wittgenstein had done: The 12th Dimensional String Equation and even figuring out the mass of all the stars put together in the entire universe, she couldn't handle it and she lost her cool and lost it big time, and then, we pulverized her and sent her to The Masters of Evil's HQ, everyone cheered and hugged us and Lincoln's harem kissed him all over. Lincoln and Sabrina Devereaux have a lot of catching up to do, now that she's back in town.

Maria: Oh man, I can't believe it! You tricked Math Magician into trying to solve The 12th Dimensional String Equation and even figuring out the mass of all the stars put together in the entire universe, but she couldn't, and she freaked out and lost it, I should've gone with you to see it for myself.

Qin: We already took the liberty to put it on social media, and everyone loved it!

Me: Plus, Lincoln's been getting a lot of likes from female fans like crazy!

May: Which is even more proof positive that Lincoln's a babe magnet!

Lincoln: May, don't try to give me a swelled head.

We laughed.

---

After taking down Math Magician, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Sabrina Devereaux saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Sabrina Devereaux: My God, I was right that Lincoln's really grown into a 17-year-old, 7'9" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Sabrina, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Sabrina Devereaux: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Sabrina Devereaux: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Sabrina, what's the story on how you told off Lisa and that not only did it drive her mad, but she tried to rush at you to kill you and how Lincoln saved you from her attack?

Sabrina Devereaux: Oh, you're so going to like seeing this.

Sabrina Devereaux pulled up the video as it played on the big screen, and we saw Sabrina Devereaux standing in between Lisa and Lincoln who was beside her, and Lisa was completely driven insane by her rage, she had a psychopathic grin on her face, and she had a scalpel.

Past Sabrina Devereaux: You've gone too far in trying to hurt Lincoln just because you see him as an easy target for your so-called experiments, Lisa, but you know what, you've been asking for it for a long time, and if you think anyone's going to save you, you're wrong. Lincoln's not a test subject for you to abuse and murder, he's your older brother and you should've treated him with respect, but you know what, you're so condescending and evil, you don't even know what respect is, and now, you're going to get a taste of your own condescending medicine, you parasite. You're a heartless, sadistic, evil, condescending, emotionless, cold-blooded psychopath who enjoyed torturing Lincoln, your own family, and everyone around you for your so-called "scientific research", you're a conniving scumbag who has no respect for anyone except for herself, and you're a monster who has no humanity at all!

We gasped at her harsh words.

Venom: OH! Now, that was just harsh!

Nico: You got that right, Venom. Damn, Sabrina really laid down the law on her!

Me: Varie and I still remembered those harsh words she said to Lisa, and man, did they sting!

We continued watching the video, and then, we saw that set Lisa off and she absolutely lost it big time, and she tried to kill her in her fury, but Lincoln blasted her with orbs of darkness and trapped her in a dark energy orb.

Past Sabrina Devereaux: Lincoln… , you saved me?

Past Lincoln: I wasn't going to let Lisa kill you, Sabrina.

This made Sabrina Devereaux smile, and she went up to Lincoln and they kissed on the lips and it left that mad scientist seething with rage and thoughts of heartless revenge.

Past Rita: Why don't you kids go upstairs? I've got a few words to say to my heartless "prodigy"

Lincoln and Sabrina went up to Lincoln's room, but they did hear Rita tell Lisa off big time, and that resulted in Lisa getting grounded big time and was thrown in a cage like a criminal and with Warden Lily watching her like a hawk, and the video ended.

Nico: Jeez, Lisa really went way too far that day!

Luna: She sure did, and I was expecting Sabrina to blast her, but Lincoln saved her and blasted her with Blackout's orbs of darkness, and that made Blackout smile.

Blackout: I also taught him how to use his angel wings as whips, and he mastered it quickly, along with using dark energy clouds and black holes.

Lucy Loud: He proved to be a master of that as well.

We got a shower, and then, Lincoln, Kimball, Ms. Roskoff, The Legendary Chalire / Ms. Chalice, Hilda Berg, Baroness Von Bon Bon, Rumor Honeybottoms, Taffyta Muttonfudge, Cold Forecast, Orange Sherbelle, Ginger Owlseye, and Thunderblast are heading to Emerald Coast.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'9", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Kimball, Ms. Roskoff, The Legendary Chalire / Ms. Chalice, Hilda Berg, Baroness Von Bon Bon, Rumor Honeybottoms, Taffyta Muttonfudge, Cold Forecast, Orange Sherbelle, Ginger Owlseye, and Thunderblast were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Kimball, Ms. Roskoff, The Legendary Chalire / Ms. Chalice, Hilda Berg, Baroness Von Bon Bon, Rumor Honeybottoms, Taffyta Muttonfudge, Cold Forecast, Orange Sherbelle, Ginger Owlseye, and Thunderblast had feelings for Lincoln and he also had feelings for them, plus, he was also willing to give Taffyta a second chance after he was a little harsh on her after what happened to Vanellope, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant, but they also got to keep their heads up, they got word that Morgana Wesley has sent some thugs to kill them.

Kimball: Wow, so this is Emerald Coast, this is really awesome!

Lincoln: It sure is, Kimball, and it's perfect for our first date before Trixie's big mission to destroy Word Paynn and make him pay for his crimes. Shall we?

Lincoln, Kimball, Ms. Roskoff, The Legendary Chalire / Ms. Chalice, Hilda Berg, Baroness Von Bon Bon, Rumor Honeybottoms, Taffyta Muttonfudge, Cold Forecast, Orange Sherbelle, Ginger Owlseye, and Thunderblast dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Kimball, Ms. Roskoff, The Legendary Chalire / Ms. Chalice, Hilda Berg, Baroness Von Bon Bon, Rumor Honeybottoms, Taffyta Muttonfudge, Cold Forecast, Orange Sherbelle, Ginger Owlseye, and Thunderblast got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw Morgana Wesley's hired thugs coming after them, but Lincoln fired orbs of black and blood red energy which hit them and he sucked out all their blood and energy and killed them and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Kimball, Ms. Roskoff, The Legendary Chalire / Ms. Chalice, Hilda Berg, Baroness Von Bon Bon, Rumor Honeybottoms, Taffyta Muttonfudge, Cold Forecast, Orange Sherbelle, Ginger Owlseye, and Thunderblast, and they hugged the girls in their abnormally massive and powerful muscular arms, and Kimball, Ms. Roskoff, The Legendary Chalire / Ms. Chalice, Hilda Berg, Baroness Von Bon Bon, Rumor Honeybottoms, Taffyta Muttonfudge, Cold Forecast, Orange Sherbelle, Ginger Owlseye, and Thunderblast placed their hands on the massive pecs of Lincoln and his clones, then they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Lily the Mermaid: (Snickers) Looks like someone's enjoyed their beach date at Emerald Coast, eh, Linky?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, eleven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Kimball, Ms. Roskoff, The Legendary Chalire / Ms. Chalice, Hilda Berg, Baroness Von Bon Bon, Rumor Honeybottoms, Taffyta Muttonfudge, Cold Forecast, Orange Sherbelle, Ginger Owlseye, and Thunderblast with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Kimball, Ms. Roskoff, The Legendary Chalire / Ms. Chalice, Hilda Berg, Baroness Von Bon Bon, Rumor Honeybottoms, Taffyta Muttonfudge, Cold Forecast, Orange Sherbelle, Ginger Owlseye, and Thunderblast are now in your harem.

Rarity: Flip had some nerve trying to kill them, that cheapskate's just making things much worse for himself.

Serena Logan: Even after all this time, Flip's still the same mutant cheapskate he's always been.

Lincoln: And we also had a run-in with Morgana Wesley's hired thugs, but I killed them all, and she should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Morgana Wesley scream with extreme hatred and rage.

Maria: Yeah, up yours, you monster bitch!

Carmen: Sheesh, those monster bitches just don't even know when to quit.

Nico: Serves her right, but she'll get hers later on today.

Me: They sure will, those monster bitches have gotten on our nerves five years ago, and now, they're going to pay dearly for everything they've done.

Lincoln: You got that right.

---

Later it was time for Matau's first ever mission and he was going to Brazil to meet Blu and Jewel and their bird friends from the movie Rio.

Nico: This is gonna be one awesome party.

Me: Yeah it is!

Qin: Love the movie Rio.

Nico: Me too.

William: Anyone else want to go with Matau? Besides, 2 Rabbids, Jak, and Daxter?

Twilight Sparkle: Me and my friends will come with.

Nico: Cool cool.

Sunny Starscout: And so will me and my friends too.

Nico: Awesome. First we'll watch both movies of Rio and then head out.

Me: Okay.

We got to watching.

First Rio

---

Exotic birds are smuggled out of Brazil. In Moose Lake, Minnesota, a crate containing a male Spix's macaw hatchling falls from a truck and is found by a child named Linda Gunderson, who names him Blu. Fifteen years later, Blu is frequently ridiculed for being unable to fly by the Canada geese that come by Linda's bookstore. Ornithologist Túlio Monteiro invites Blu and Linda to Rio de Janeiro for Blu, the last known male of his species, to mate with the last known female. At Túlio's aviary in Rio, Blu meets his prospective mate, the fiercely independent Jewel who longs to flee back to the wilderness. The macaws are captured by orphan boy Fernando and sulphur-crested cockatoo Nigel, who both work for a smuggler gang led by Marcel, who wants to leave the country quickly to sell Blu and Jewel on the black market.

While Fernando has second thoughts, Nigel wants revenge on "pretty birds" after a parakeet replaced him on a television show. Blu's familiarity with cages lets him escape to the jungle with Jewel. Fernando helps Linda and Túlio search for the birds, while Blu and

Jewel meet the toco toucan Rafael, whose bulldog friend, Luiz, will remove the legcuffs holding them together. Rafael tries to teach Blu to fly. They meet red-crested cardinal Pedro and his yellow canary friend Nico. Nigel coerces a horde of marmosets led by Mauro to capture Blu and Jewel. Pedro and Nico take the macaws to a samba dance party, where they begin to fall in love, until the marmosets arrive. The five birds escape on a tram.

At the smugglers' hideout Fernando, Linda, and Túlio discover the birds are no longer there. Henchmen Armando and Tipa reveal they plan to use the Rio Carnival parade to take the birds to the airport. Blu and the others meet Luiz, who breaks the chain holding Blu and Jewel together. Once released, Jewel flies happily into the sky with the others. Hurt, Blu goes to look for Linda, but Jewel does not want to leave Blu behind. After a brief argument, they go their separate ways.

When Nigel captures Jewel, Blu and Rafael rush to the carnival to rescue her. As Linda and Túlio pose as dancers in Spix's macaw costumes, Nigel captures Blu and the group. The smugglers take off in their aircraft. Blu breaks out of his cage and releases the other birds. Nigel injures Jewel's wing. Blu sends Nigel into the plane's propellers and the plane begins to fall. The smugglers jump from the plane while Jewel falls out of the open cargo hatch. Jumping out of the plane to rescue her, Blu discovers he can fly. He and Jewel kiss and he carries her to Linda and Túlio.

Linda and Túlio adopt Fernando and live in their jungle sanctuary. Blu and Jewel raise three chicks together and celebrate with Rafael, Nico, Pedro, Luiz, Linda, and Túlio, who have set up a branch of Blu and Linda's Minnesota bookstore in Rio. Nigel has survived the plane crash, but Mauro ridicules him for losing his feathers. The smugglers are sent to jail.

---

Then Rio 2

---

Three years after the events of the first film, Blu and Jewel are raising their three children - Carla, Bia, and Tiago - in the city but Jewel is disappointed to see her children becoming too domesticated like their father. Meanwhile, Linda and Tulio are on an expedition in the Amazon and, after a fall down a waterfall, discover a Spix's macaw that loses one of its feathers. When words about the encounter were broadcast through television, Jewel believes that they should go to the Amazon to help find the blue macaws. While the kids are ecstatic, Blu is uncertain, but he is pressured into going along. Rafael, Nico and Pedro also decide to come along to scout talent for Carnival. Luiz tries to follow, but is unknowingly left behind by the birds. Blu brings a fanny pack full of supplies, including a GPS, much to Jewel's chagrin.

Big Boss, the leader of a group of illegal loggers, discovers Linda and Tulio's expedition to find the macaws and orders his henchmen to hunt them down. At the same time, Nigel plots to exact revenge on Blu along with his new comrades, an anteater named Charlie and a poison dart frog named Gabi. After they arrive at the jungle, Blu, his family, and their friends initially find nothing. However, they are eventually taken to a flock of blue macaws that are hiding in an uncharted section of the Amazon. There, Jewel is reunited with her long-lost father, Eduardo, paternal aunt Mimi, and childhood friend, Roberto. Eduardo seems unimpressed with Blu, but thanks him for bringing Jewel back home. Having lost their previous habitat to arson from the illegal loggers Eduardo is anti-human, and brushes off Blu's suggestion to expose the sanctuary to Linda and Tulio to ensure their protection.

While searching for the macaws, Linda and Tulio are eventually captured by the loggers. Meanwhile, Blu does his best to fit in with the flock, as his family are doing, but his continued reliance on human tools prevent him from connecting with anyone. Meanwhile, in another attempt to get closer to Blu, a disguised Nigel wins a talent show to become a performer for a Carnival show that Rafael, Pedro, Nico and Carla are hosting. When Blu tries to pick a Brazilian nut for Jewel, he accidentally tries to get it in the territory of the Spix macaw's enemies, the scarlet macaws, led by the hostile Felipe. Blu inadvertently causes war between the two tribes for food when he accidentally swats Felipe with a branch. The war turns out to be a football (soccer) match, but Blu accidentally costs the flock their territory when he scores on his team's own goal.

After an argument with Jewel, Blu ultimately decides that he will leave Linda and his human roots behind him for the sake of his family, but when he witnesses the loggers' destruction of the forest, he returns to the flock and rallies them, finally gaining Eduardo's trust. With Blu's knowledge of human technology and help from the scarlet macaws, the flock disable the loggers' machinery. During the fight, Eduardo flies into a tractor and gets knocked onto the ground. As the tractor attempts to kill him, Linda tackles the machine in another tractor and wins. As Eduardo is on the ground between the tractors, Tulio picks him up and lets him fly away. Big Boss tries blowing up the trees with dynamite instead, but Blu thwarts him. Big Boss tries to stop Blu, but Nigel intervenes, wanting Blu to himself, leaving Big Boss to encounter an anaconda. Nigel then attacks Blu in a final attempt to get revenge, but Gabi, while trying to help, accidentally knocks Nigel out with a porcupine's quill filled with her poison. However, Bia reveals that Gabi isn't a poison dart frog at all, but a species of tree frog, and an overjoyed Gabi lovingly smothers a dismayed Nigel and drags him away, while Charlie leaves. The anaconda is shown with a bloated belly, wearing Big Boss's hat and spitting out his signature lollipop.

With the flock now under Linda and Tulio's protection, Blu and Jewel decide to live in the Amazon with their kids, though still agreeing to visit Rio in the summer. Eduardo drops his anti-human stance by wearing a fanny pack of his own, and accepts Blu into the flock. Nigel and Gabi are sent to Rio for study, Nico and Pedro's Carnival show called Amazon Untamed goes on, and Luiz arrives at the Amazon for a visit.

He told us about him.

* * *

Nigel was once the popular star of many animal TV shows. He was suave, handsome, intellectual, and ambitious, albeit a bit selfish and arrogant.

However, Nigel was later meanly kicked out of fame and replaced by a green parakeet called Petricious. Since then, Nigel despised all "pretty birds" and became evil, bitter, hideous, vituperative and mean-spirited.

At some point, Nigel later became the "evil henchbird" of a group of smugglers led by Marcel, and he vowed to cause pain to all "pretty birds" as revenge for his acting role being ruined.

Nigel is first seen as a "patient" at Tulio's aviary. He was claimed to have been found and recovered by smugglers. However, his sickness is quickly revealed to be an act; that night, he tricks a guard into picking him up by pretending to be injured, then knocks him out with a chloroform-soaked rag and steals his keys. He then lets Fernando in and he steals Blu and Jewel and brings them to Marcel's hideout.

When Jewel tries to escape, Nigel pins her down and starts choking her, taunting her by asking, "What's the matter? Cockatoo got your throat?". However, Marcel orders him to bring her back alive, so the cockatoo returns her to the cage. After Blu and Jewel are locked up, Nigel comes to them and explains the motivation of his evil nature through the song "Pretty Bird," saying that he plans on making them "ugly" as well. He then bids them sweet nightmares and flies off, laughing evilly.

Later, Nigel hears the macaws trying to escape and tries to stop them. The chase leads into the slums of Rio de Janeiro, where Nigel collides with an electrical transformer, botching his attempt to catch the birds and blacking out the whole city of Rio in the process including a stadium which held a soccer game that Armando and Tipa were watching. After recovering, Nigel heads back to the smugglers' hideout.

Nigel is sent by Marcel to retrieve Blu and Jewel, while Marcel and the other smugglers (Tipa and Armando) plan to use the Carnival show to hide the smuggling of the birds to get to the nearest airport.

Nigel hires a group of mischievous marmosets to help him catch Blu and Jewel, in doing so, he abuses their leader Mauro, and threatens to give them "flying lessons" if they do not find them by the end of the day.

Mauro and his henchmen manage to find Blu and Jewel, but they get into a battle with the Samba Club birds and they fail to capture them. When Nigel arrives at the place where the battle had been he finds a green bird and asks her a question on the whereabouts of the Blue Macaws. Nigel then abuses Mauro for his failure, then goes after Blu and Jewel himself. He eventually captures Jewel and uses her as bait to lure in Blu and his best friends. The plan works and he locks them all in cages.

After the captives are loaded into the smugglers' plane, the plane takes off. But, Blu later manages to free himself and all the other birds, letting them escape out of the plane. However, as Blu tries to get over his fear of flying, Nigel attacks Blu, pins him and attempts to strangle him. Jewel tries to help, but Nigel throws her aside, causing a cage to fall on Jewel's wing, injuring it. Nigel darkly mocks the macaws, but an angered Blu manages to hook a fire extinguisher onto the cockatoo's foot and sets it off. Nigel is blasted out of the plane and manages to get the extinguisher off. However, a propeller flies at him, seemingly killing him and eventually causing the plane to fall. Blu finally learns how to fly, and escapes the crashing plane with Jewel. Marcel and the smugglers escape the plane as well.

Sometime later, Nigel is revealed to have survived, but not without losing most of his feathers and getting humiliated by a "photo finish" by (presumably) Mauro as payback for his abuse against him and the other marmosets earlier.

A few years after the first film, Nigel, who suffered the most undignified of indignities (defeated by what he calls "the pretty birds" and losing his feathers in the process), is back. However, he now flies like a chicken and wears an Elizabethan vest (which hides a large bald patch on his chest) due to his previous accident. Shortly after the plane crash at the end of the first film, he was found by humans, taken into a veterinary surgery and operated on. The head surgeon commented that "he'll live, but he'll never fly again". After that, Nigel began working as a fortune-teller's assistant at a third-rate street fair. Nigel is at the lowest point in his life and he isn't happy about it at all.

When Nigel sees Blu and his family passing by, he remembers how Blu caused him so much misery and he decides to get revenge against him, he follows them to the Amazon and is now hungry for payback. Along the way, he liberates a big mute anteater called Charlie and a poison dart frog named Gabi from the street-fair. He enlists them as his minions and together they track Blu and Jewel to the Amazon and plan Nigel's revenge.

Nigel's predominant passions are Shakespeare, evil, alliteration, revenge, and attention. For Nigel, revenge is a dish best served cold, and with lots of blood-stained feathers.

Nigel's dreams of show business glory take flight in a particularly telling moment. As he prepares to deal with Blu once and for all, Nigel ends up taking center stage, in disguise, at the auditions overseen by Nico, Pedro, and Rafael. Nigel comes up with an act, on the fly, which sparks his inner artist. He goes under the name of Bob the bird to avoid the suspicion of Nico, Pedro, and Rafael as they point out that he looked familiar to them.

He uses his newfound attention to his advantage as he wins the audition, and plots to kill Blu with a poisonous dart, using a porcupine quill as a dart, Gabi's venom for poison and Charlie's long snout to fire the dart.

His performance is canceled, as the loggers attack the jungle to get their wood and a battle ensues between the loggers and the jungle animals. During the battle, Nigel attempts to shoot Blu with the poisoned dart but fails. When Blu removes a strap of lit TNT from a site of designated trees to be demolished, Nigel prevents Big Boss, the head logger, from stopping him, wanting Blu for himself. As Blu flies the TNT upwards into the air, Nigel grabs on and attacks him, revealing himself to Blu just as the TNT blows up. However, both Nigel and Blu survive the explosion and end up tangled in vines, upside-down and unconscious. When they both regain consciousnesses, Nigel attacks Blu and they have a feather fight. Gabi and Charlie try to help Nigel by shooting Blu with another poison dart, but it accidentally hits Nigel. Nigel, thinking that he is about to die, gives an Elizabethan death speech, then seemingly dies and falls off his branch to the ground below. Gabi, thinking that she killed Nigel and unwilling to live without him, drinks a drop of her poison and presumably dies. However, it is revealed that Gabi is not poisonous at all, but was convinced that she was as a child. Nigel, still alive, tries to attack Blu and Jewel one last time, but Gabi drags Nigel away and showers him with affection against his will as he tries to escape her grasp.

What happened to Nigel after the events of the film is currently unknown, but he could have escaped from Gabi, Linda and Tulio or he could want revenge on Blu and Jewel and make a plan for escaping from the same observatory where Blu and Jewel met each other and just like Jewel did in the first film. He could also remain imprisoned in the observatory or he could have been released by Linda and Tulio once the observation was over otherwise. However, the second theory is more possible. If Rio 3 will actually be made, Nigel's ultimate fate would probably be revealed.

When he was done we were shocked and horrified!

Me: That is one rotten egg bird.

Nico: No kidding.

Blu: I agree there. What a jerk. The guy has had it out for me for a long time.

Eli: That is unhealthy.

Jewel: It sure is. By the way how are Red and his flock?

Me: Oh they are great. They talk about you guys a lot and how they helped you all bring down Nigel before.

Matau: Yeah we were over in Brazil during the Ridonculous Race and they mentioned helping you guys before. That was awesome.

Eli: It sure was.

Blu: That's great that Red and his flock still talk about us.

Jewel: Yeah I heard that Leonard tried to take over their island before.

Me: He did and he wanted to eat their eggs.

Eli: But not anymore. Now he is a great frenemy for Lori Loud.

Me: Yep and he and his pig army are awesome.

Nico: And we fought an Another Leonard yesterday.

Blu: The creations of Swartz? We heard about those.

Me: Word sure gets around fast. Yeah.

Twilight Sparkle: But we're going to help you guys take down some of Nigel's minions.

Fluttershy: We saw that he has marmosets with him.

Blu: He does.

Nico: And we might see some Another MOE members with him too.

Blu: Now that you mention it. I did see Another version of Nigel here.

Me: That's a first. Nigel isn't even in the M.O.E. Yet and we already have Another version of him.

Nico: Yeah that is crazy.

Eli: No kidding.

Rabbid Gibbering.

Matau: (Sighs) And these are Rabbids.

Me: Rabbids are funny little guys. But they are not the brightest lightbulbs in the closet.

Eli: But they are really funny guys.

Eddy: They sure are.

One of the Rabbids licked Blu.

Blu: EW!

Rabbid gibbering.

Me: See they are idiots. But their farts make them sound like bagpipes.

We laughed at that.

Fluttershy: They are funny.

Nico: Yeah.

Me: They sure are.

Nico: I have a feeling we'll also fight Another Beany the Braindead Bison

Me: Whoa! Better call in Jean Bison and Ophelia Simpson.

Nico: Good idea.

Me: I hope this one isn't as big an idiot as Beany is.

Nico: Yeah that will be silly.

Eli: No kidding.

Eddy: And be on the lookout for an evil version of me.

Me: Oh right thanks for reminding me. There's an evil version of Eddy out there that is coming to kill us. He was made when Eddy got hit on his head by 2 bowling balls and a bowling pin.

Blu: Ouch!

Me: Yeah. We call him Dark Eddy and he is going to try and kill all of us and be the ONLY hero.

Nico: Yeah. But I used my magic to put a curse on him. After 24 first missions of each ambassador mission, He will be banished to the black gates.

Blu: Wow!

Jewel: That is amazing!

Me: Yep. And this will be number 22?

Nico: Yeah 22.

Me: We just got to hold out for 18 more days after this.

Eddy: Time sure flies, doesn't it?

Me: It sure does! After waiting for 8 months it will be worth it.

Eli: It sure will.

Nico: Let's get going.

Me: I'll call them in too.

I did so.

Ophelia Simpson and Jean Bison were on their way.

We went into the jungle.

Nico: Look at this place.

Me: I know. The Amazon Rainforest covers 1.656 billion acres.

Eli: Wow! That is amazing.

Fluttershy: It sure is and the birds and animals are so amazing.

She was talking to so many beautiful birds and monkeys and more.

Blu: Fluttershy sure loves talking to the animals.

Me: So does Hitch. He has all kinds of awesome animal friends like Fluttershy does and they help him with his police work.

Hitch Trailblazer: That's right and they are great friends and helpers.

Blu: That is awesome.

Me: And I do too. (WHISTLES)

I called a bunch of beautiful birds and they were awesome.

Nico: See?

Blu: Wow. That is awesome.

Me: Also the Amazon Rainforest creates over 20% of the worlds Oxygen.

Nico: Wow that is amazing. So the Amazon is a really important part of our ecosystem.

Me: Yep.

We then arrived in a clear cut area.

Me: Whoa!

Eli: Clear-cutting. How horrible.

Nico: Yeah.

Fluttershy: Oh this is awful.

Me: I know. One of the biggest Ecological disasters is clearcutting.

Nico: And tomorrow is Earth Day.

Blu: This was done by the last battle we did with Nigel. We faced a bunch of bulldozers.

Me: Oh man I saw that. Luckily I can do this.

I put my hand on the ground and then the land and trees and flowers and plants were restored and grown back!

Nico: WHOA!

Fluttershy: Wow!

Nico: Wait. You hear something?

We heard monkey chittering.

Me: Marmosets! Their close.

Eli: I sense them. Hundreds of them.

Nico: Here they come!

We saw them!

Blu: You guys again?!

Fluttershy: These guys need a lesson in love.

She then stood ready and then used her stare on them!

WARBLING NOISE!

The Marmosets gasped and looked like they were staring into the face of a demon! They then ran away like frightened mice!

Me: That was easy.

Nico: Yep. But they were just an appetizer.

Eli: Here comes the main course.

Ophelia Simpson and Jean Bison arrived.

Ophelia Simpson: We're here guys.

Jean Bison: And ready to kick some butt.

Nico: Who's first?

Eli: Another Beany the Braindead Bison is first.

Nico: This one will be funny.

Me: Yep.

Eli: And there she is.

We saw a figure come out and drooling like a stupid idiot was a dark version of Beany! It was ANOTHER BEANY THE BRAINDEAD BISON!

Me: Another Beany.

Another Beany: (In a girls voice) Duh What's up.

She reverted back and was a girl with brown hair and had blue eyes and had brown clothes.

Me: (GASP) Tellia Santiago!

Tellia Santiago: I hate being in that form! It makes me look like a total idiot.

Me: That's because Beany really IS a total idiot. He has no brain.

Tellia Santiago: I can see why. But it's awesome to see you again J.D.

Me: Same here.

Nazz: Strange. This is usually the part where Dark Eddy shows up.

Me: He must be pulling a fast one.

But then I saw a laser on being pointed at Tellia's head and I saw a red dot in the trees.

Me: Nice try you turd!

I pulled out my blaster and fired a blast and it hit the figure and blasted DARK EDDY OUT in a powerful explosion!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was blasted out and landed in front of us!

Me: Nice try Dark Eddy!

Dark Eddy: Looks I get fried birds for dinner!

Jak: (gets out Zombizou's Amazon Weapon) Not if we have anything to say about it!

Zombizou's weapon was a staff and he fired waves of magic and blasted Dark Eddy in his face.

Me: Let me separate you from this Tellia.

I fired a wave of light and it hit her and separated Another Beany.

Tellia: Whoa! So I turned into an Idiotic Buffalo!

Me: Yeah in a way.

Eli: He is in need of a brain transplant!

Nico: (gets out Leonard and Roquefort's Ridewatches) Blu, you'll love this one!

Nico activated them and fired waves of pork and cheese and blasted down Another Beany and he exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Wonder Ride Book and it was called the Genius Princess and the Moronic Bison.

Me: Fitting. Insulting to Jean Bison.

Nico: Yeah.

Dark Eddy fired at Blu.

Blu dodged the blasts and I fired energy blasts and blasted Dark Eddy all over!

Ophelia Simpson blasted Dark Eddy all over.

Me: Take that you no-neck chump!

Eli: Yeah!

Matau: (gets out Chemistro's Amazon Weapon) My turn!

Chemistro's weapon was a science blaster and Matau blasted Dark Eddy and blasted him all the way back into the Book of Vile Darkness dimension.

Me: 22 down. Now for Another Nigel.

Ophelia Simpson: Yep.

Me: Should be coming.

Blu: We fought Nigel before. This shouldn't be too hard.

Me: Nope.

Then we saw a dark version of Nigel! It was ANOTHER NIGEL!

Me: Another Nigel.

Eli: This is gonna be awesome.

Another Nigel: (In a girls voice) It sure will.

Me: (GASP) That voice!

She reverted back and it was a girl with blue hair and had blind man glasses on and had blue clothes and blue angel wings.

Me: (GASP) Natsuhi Eleasar!

Natsuhi: J.D. is that really you?

Me: Yeah it is Natsuhi. Natsuhi was made permanently blind because she was in a house fire and a flaming piece of wood burned her eyes.

Nico: Ouch!

Eli: Yikes.

Nico: We can fix that!

Me: We sure can.

I went over to her and put my hand on her face and it glowed and then her vision came back and then I took off her glasses and for the first time in a while she saw my face!

Natsuhi: (GASP) J.D.!? Is that really you!? I can see! I can see!

Me: I healed your eyes and restored your sight.

She then hugged me and cried happily.

Me: Yeah you can see again. But wait we got to save you from this.

I jumped back and fired a beam of light and separated her from Another Nigel!

Another Nigel laughed!

Natsuhi: I was turned into a bird!? Whoa!

Nico: Confusing huh?

Blu: Just like old times!

Another Nigel: YOU RUINED MY LIFE YOU STUPID BLUEBIRD!

Me: Who wants fried chicken!

I fired rocks and smashed him all over.

Natsuhi fired waves of water and blasted Another Nigel all over.

Then a Haxorus came!

Me: Whoa a Haxorus!

Eli: Awesome!

Fluttershy: Amazing.

Nico: You're in trouble now!

Haxorus: (In a girls voice) Big trouble you putrid chicken!

Nico: Jacqueline Nephthys!? Whoa!

Haxorus fired a blast of blue fire and it hit Another Nigel and he exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Wonder Ride Book and it was called The Water Mage of the Ocean and the Evil Cockatiel.

Me: Cool title.

Jacqueline reverted back and was a girl with red hair and had red clothes and red angel wings.

Jacqueline Nephthys: That will teach that bird never to mess with the Avatar of Nephthys.

Nico: Yeah!

Me: Wait you are the daughter of Nephthys in Egyptian Myth?

Jacqueline Nephthys: Yep. I sure am.

Me: Cool!

Blu: That was a warmup for the real thing.

Me: Yes it was.

Sunset Shimmer: That is true.

Me: What is your favorite memory of Nico?

Jacqueline Nephthys: My favorite is when me and Nico stopped and sent a massive bunch of the Italian Mafia to jail and made sure they paid big time.

Me: Wow! That is awesome!

Eli: Yeah!

Rarity: That was most fun darling.

Nico and Jacqueline hugged.

Nico: I've really missed you.

Jacqueline Nephthys: Me too Nico. Me too.

Matau: This was worth the wait!

Me: Yeah it was!

Eli: I'll say!

Nico: Yep.

Starlight Glimmer: That was so awesome and fun.

Sunny Starscout: I can't wait to see who we face next.

Me: Me too.

---

We came back.

May: Hey guys. How did it go?

Me: Really awesome.

We told them everything.

May: WHOA! That is awesome!

Nico: Yep.

May: Next time, Chemistro and Cheese should go with you guys.

Nico: Cool!

Matau: This will be awesome.

Lola: Yeah!

We were watching Itchy and Scratchy.

Cybertron Scattershot: Good ol Itchy and Scratchy.

Nico: Yeah.

We were watching some of our favorites. We watched the one where Scratchy was in Seattle, Itchy giving Scratchy a volcanic bungee jump, Itchy and Scratchy having Dinner and an Amish version of them and Scratchy got turned into butter.

We were laughing hysterically.

Qin: YEAH!

Lola: (LAUGHS) So funny!

Cybertron Red Alert: There's also one where Scratchy got cloned.

Me: Yep. That was awesome.

We laughed hysterically.

Eli: So funny!

Qin: YEAH!

Camie: (LAUGHS) SO FUNNY!

We were laughing all over.

Ransack: How about we watch a few more?

Me: Sure.

We watched a lot of them. We watched the one where Itchy made a Frankenstein monster from Scratchy, The Cops and the bad gangster cats and it was funny seeing Itchy blast them all, The one where Scratchy died in the plane crash on The Day the Music Died, The one where Scratchy got squished by the moon, The Olympics, The Bowling Alley one and many more. WE WERE LAUGHING HYSTERICALLY!

Me: (LAUGHS) So funny!

Bart and Lisa: (LAUGHING HYSTERICALLY)

Nico: Man, it never gets old.

Me: No it doesn't!

Qin: Yeah!

Camie: So funny and cool.

Nico: Think we should make an Itchy and Scratchy cartoon sometime?

Bart: Yeah, I wouldn't go that far.

Me: Can't hurt to try though.

Nico: That would be awesome if we did that.

Xenia: Yeah it sure will.

Maria: (to Bart and Lisa) You two making your own cartoon couldn't have been that bad.

Lisa Simpson: It wasn't. We made a great one but we dedicated it to our so-called grandpa.

Me: Ooh. Ouch.

Qin: What was your cartoon?

Bart: Here.

They showed it to us. It was where Scratchy was getting a haircut and Itchy was a barber. Instead of shampoo, he poured barbecue sauce on Scratchy's head and opened a box of flesh-eating ants and reduced Scratchy's head down to a skull and boosted him into the TV of an Elvis pig and then it said that the show was no good and blasted it.

We laughed hysterically!

Me: Whoa that was great!

Qin: It sure was!

Nico: Was it really hated?

Lisa Simpson: Not the cartoon. Just who we had it dedicated to.

Me: Oh.

Qin: That was still funny though.

Xenia: It sure was.

Varie: Yeah you guys did great.

Camie: I agree there too.

Nico: Maybe we SHOULD do our own.

Me: Okay but not today. We got Trixie's big mission to prepare for.

Nico: Okay.

Then we felt a cold chill!

Me: (SHIVERING) Is there a cold wave in here?

Eli: I think it's from her!

We saw a Beartic!

Me: Hey a Beartic!

Lola: Awesome!

Ed: Hi there, Mr. Bear!

Beartic: (In a girls voice) Hello to you Ed.

Nico: Vicky Ann Ursus!? Whoa!

She reverted back and was a girl with aqua blue hair and blue eyes and purple clothes and blue angel wings.

Vicky Ann Ursus: Sorry about the cold wave guys.

Me: No worries.

Camie: What's your favorite memory of Nico?

Vicky Ann Ursus: When me and Nico had an ice cream eating contenst and we both turned into blocks of ice from brain freeze. We won at the same time.

Me: That is cold and cool!

Lola: Yeah!

Nico and Vicky Ann hugged.

Nico: I've missed you.

Vicky Ann Ursus: Me too Nico. Me too.

G1 Firestar: We should definitely take you and Emmie to an ice cream planet.

Nico: I would like that.

Emmie: That would be fun.

Lynn: Boy it sure would.

Nico: Shall we get ready for this?

Roy Koopa: I hope Artha and his friends are doing okay.

Trixie Lulamoon: Me too Roy.

Me: Boy we'll get there and help them out.

Qin: Yeah.

The Previous group came.

Lythos: Can me, Six Gum Gang, Dodgeball Wizard, Count Spankulot, David Cain, White Lightning, Black Lance, Metalseadramon, Black Manta, and Puppetmon go with you guys?

Goof: I can't believe we missed watching Itchy and Scratchy!

Me: It's all right guys.

Nico: Yes you guys can come with. But we're ready for this too.

Qin: Yeah!

Skarr: Nico, which Gene Slammers do you think you'll meet next?

Dixie: I hope one of them is fast!

Nico: Accelgor and Stunfisk next.

Me: Good choices.

Qin: Yep.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Morgana Wesley of The Legion of The Lincoln-Haters, and she's heading here to kill Lincoln and get revenge. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, it's Morgana Wesley of The Legion of The Lincoln-Haters, and she's heading here to kill me and get revenge.

Selene Arcangela: Should've known Brianna Greyson would send her next. But, if we know that bitch all too well, she'll also be bringing Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson with her.

Nicholette Torrington: Just like what happened when The Chernabog Sisters came after us last year.

Lincoln: That won't be a problem, I'll trap them in a force field.

Hannah: While you, Trixie, and I deal with Morgana Wesley and put an end to her for good, Lincoln.

Lincoln: But, we also got to watch it though, Morgana Wesley will no doubt have her machine guns with her, along with the others.

Nico: Good thinking, if they broke out of jail, they're bound to have gotten access to high-powered machine guns they stole from the cops or got themselves from contacts outside. Alright, gang, let's go, it's time to destroy Word Paynn once and for all and make him pay for his crimes.

Lincoln: There can be no forgiveness for a genocidal monster such as Word Paynn, he will pay for all of his crimes with his own blood, and once we get through with destroying Word Paynn once and for all, you're next, Morgana Wesley.

Selene Arcangela: You better start praying for mercy, you remorseless bitch.

Selene Emperyous: Because, we will show you and the others none for everything you've done in the past.

Hannah: No way are we forgiving you for any of your actions, Morgana Wesley, you better be ready to pay the price for your foul misdeeds.

Trixie: Artha, hang on, we're coming.

We were off. We went to the ship and got it ready and then we were off.

Lincoln put up a rainbow energy field around The World Tree Estate and we headed off to help Artha and his friends kill his father, Word

Paynn, and after that, kill Morgan Wesley of The Legion of The Lincoln Haters.

---

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's' Log, Stardate 7902.0: The U.S.S. Valorous Phoenix is en route to the planet Draconis and it was Trixie Lulamoon's big day mission. Our mission is to bring Artha Penn to justice and make sure he pays for all his crimes.

Me: This is gonna be so awesome.

Trixie Lulamoon: The Great and powerful Trixie is ready for some fun!

Qin: We all are!

Lisa Loud: we have arrived at our destination.

Nico: On screen.

We saw that we were at the planet Draconis.

Wilbur: Here we are!

Dodgeball Wizard: Unless we took a wrong turn.

Bugs Bunny: I knew I should have taken that left turn at Albuquerque.

We laughed!

Me: Funny.

Nico: Yeah. Lets engage landing and then get our dragons.

Brad Morton: Trixie, you have your own dragon, right?

Trixie Lulamon: I sure do.

We landed.

She summoned the Sapphire Dragon of Love!

We got out and flew out on our dragons and we were off into the city.

David Cain: There they are!

We saw them and they were fighting troops of Paynn.

Me: Whoa we got here just in time!

Nico: Yeah!

Me: Lets get them!

Nico: YEAH!

We flew at them and then our dragons roared and fired blasts of energy and blasted the troops apart and destroyed them.

Artha Penn: There they are!

Kitt Wonn: All right!

Nico: Sorry we're late guys!

Artha Penn: You made it just in time.

We sent the troops running.

Kouta: How have you guys been?

Artha Penn: Busy as ever. But we're glad you all came.

Xenia: We are too.

Kitt Wonn: Thanks for helping us out.

Me: Anytime.

Artha Penn: Lets head to the garage and talk.

Me: All right.

We followed Artha and team.

Trixie: I missed you, Beau

Beau: (Roars in happiness)

Artha Penn: He missed you too Trixie.

Qin: He sure did.

Nico: Yep.

We arrived.

Nico: Wow!

Eli: Awesome.

We sat down.

Thetis: We want to thank you guys for helping to defeat those bug mutants.

Me: Yeah we owe you big time for that.

Artha Penn: That was fun and I'm glad that Stankfoot is dead.

Nico: So is the whole world. Stankfoot and Ronson are both dead and forgotten memories.

Me: At least I'm not going to get hit by a massive planet destroying rocket ever again.

Qin: That is for sure.

Xenia: Yeah no kidding.

Nico: Yeah.

Black Lance: Are any of your dragons a Bahamut?

Kitt Wonn: Not that we now of.

Me: There are made kinds of dragons.

Hiccup: Yeah there sure are.

Astrid: We all think that all dragons are awesome.

Lola: They sure are.

(DANCE OF THE SUGAR PLUM FAIRY PLAYS)

Poromon came out in a fairy costume with 3 bottles of beer.

Poromon: (to Artha and his friends) Hello there! I'm the beer fairy! Come to give you guys 3 bottles of beer!

Mokuba: (laughs) I'm surprised you can still do that considering the Krabby Patties you ate yesterday.

Me: We went into a cave full of Krabby Patties.

Artha Penn: That is crazy.

Me: It sure is.

Kitt Wonn: Digimon and Pokemon that drink beer?

Me: Don't fucking ask.

Connor Penn: (LAUGHS) But Poromon's costume is really cute.

Me: Yeah it sure is.

Qin: We all thought so.

Nico: Yeah.

Artha Penn: But unfortunately we don't drink beer.

Me: But I do have alternatives.

I pulled out my cooler and gave them root beer.

Kitt Wonn: Thanks.

Artha Penn: Thank you.

Poliwag: What about you, Beau? Would you like some beer?

Puppetmon: Is a drunk dragon a good thing?!

Artha Penn: No it isn't.

Me: Not really sure Dragons can drink beer. Marianas do dragons drink beer?

Marianas: No we can't. It causes us to fart out fire and burn everything like flamethrowers in reverse.

Me: Oh boy.

Poromon: Okay okay. Sorry.

Nico: I did not need to know that part.

Artha: I can't wait to see what Gotham Royal York is like.

Nelson Muntz: It's got plenty of awesome stuff!

Poliwag: And plenty of not so awesome stuff. LIKE THE BLOOD AND HONEY MOVIE! (shows trailer close to Artha's face) LOOK AT IT!

Me: Oh for fucks sake!

UGH! ROUNDY SPINNY THING MAGISWORD!

I calmed down Poliwag with it.

Me: That was a movie trailer we saw for a horrifying version of Winnie The Pooh where he and Piglet go feral and go on a rampage and kill everyone in their path.

Nico: Yeah.

Me: But Gotham Royal York is an amazing city.

I showed everyone a postcard from it and it was amazing.

Connor Penn: Wow! That is an amazing city.

Me: It sure is. And there is so much to do too.

Black Manta: But dragons aren't common there.

Me: No but many other creatures are. Earth is really awesome.

Artha Penn: That is awesome. But I think I saw an uncommon creature too. I saw a feral version of him.

He pointed to Ezekiel.

Ezekiel: Does that ring any bells!?

All of us: FREAKZEKIEL!

Rothar: (laughs) Oh, that fucker's gonna be easy!

Me: I've had enough of that fucker to last a goddamn eternity. I want to kill him by ripping his heart out and eating it.

Kitt Wonn: EW!

Nico: It's gross but it works.

Me: Then we'll send that feral freak to the Black Gates.

MetalSeadramon: Our main concern though is Moordryd's father. Who is probably out of the Warp by now.

Eli: MetalSeadramon is right. He is out of the Warp. I sense him.

Lola: This is gonna be good.

Me: But we're not going to kill him. Moordryd still loves his father so we're going to throw him in jail.

Xenia: Yeah.

Moordryd: Hey, he might have done some crimes. But I still care about him.

Loud House Taylor: I'm glad you do. I still hate my dad.

Sarah Tinsley: Me too. Even though he is dead.

Me: Dark Story with Sarah and Taylor's dads.

Camie: Yeah.

Artha Penn: Oh boy.

Me: I know. And both their dads are dead and were given the black gates.

Lola: They sure were.

Nico: Yep.

Artha: Hang on. You said the Blood and Honey movie involved Pooh and Piglet, right?

White Lightning: Yes, Why?

Artha: Well, we know what happened to that version of Eeyore. But what about those versions of Rabbit and Owl?

Nico: I honestly have no idea.

Me: Me neither. But some things are best left unanswered. We blacklisted that movie from our watch list. We vowed to never watch that movie even if you held a gun to our heads and threatened to blow our brains out.

Kitt Wonn: I don't blame you guys.

Nico: No kidding.

Skunk Fu Dragon: (to Beau) It will be an honor to fight alongside a fellow dragon like you.

Beau agreed.

Me: That is gonna be awesome. Don't forget Dojo, Mushu, Sisu, Draco and all the dragons we know. They will love this too.

Nico: That's true.

Qin: Yep.

Count Spankulot: (Transylvanian Accent) Let's have the usual battles now.

Me: I agree.

Qin: Okay.

Me: It'll be awesome to show you guys more of our power and teamwork.

Nico: Yep. Maria call it in.

Maria: You got it.

We went outside and then we got ready.

Then Felix Faust, Dumbbelltron, Gameface, SkullMeramon, Grundy, Marluxia, Black Knight Ghost, Xigbar, Pyros, and Goro appeared.

Nico: Felix Faust, Dumbbelltron, Gameface, SkullMeramon, Grundy, Marluxia, Black Knight Ghost, Xigbar, Pyros, and Goro.

Felix Faust: An ice cream planet rescue is a good idea.

Dumbbelltron: Either tomorrow or the day after.

Gameface: Let's note it down.

Me: Okay then.

SkullMeramon: (to Nico) We heard you went to a cave of Buffalo Wings.

Nico: We sure did.

Grundy: Grundy wanted to eat wings!

Me: It was for a treasure there.

Then Gakko came and he also had 3 new Rinshi.

Me: Gakko! And who are these three?

Gakko: Meet Lionblood, Tangra and Trumpetdoom.

Lionblood: I am the Rinshi for the Lionfish.

Tangra: I represent the Blue Tang.

Trumpetdoom: And I'm for the Trumpetfish.

Me: Cool! Three new monsters.

Lola: This will be cool!

Gakko: I knew you guys finished gathering the main spirits.

Me: So you decided to have some new ones ready.

Gakko: Yep.

Me: Isabel had an awesome time finding spirits for us when the Gekiranger Hitotsuki showed up.

Nico: It's true. That was awesome.

Lola: It sure was.

Gakko: Wow! That is awesome.

Me: Yep.

We got the battles underway.

Margo: They sure did and it was fitting too because Italy is where some of the most famous mathematicians came from. Also we made Math Magician go bonkers.

Arrowette: We sure did and it was crazy.

Charlotte Hazelrink: Yeah that was awesome.

Vivi Nefertari: Not even she could match someone that's smarter.

Marle: Yeah that is for sure.

Orta: That was awesome.

Pinkie Pie: It sure was and everyone brought her down. Now we have another Hypothetical Akumatized Loud Kid in your ranks.

Mizore Shirayuki, Shazam, Andrea San Juan, Nico Robin, Boa Hancock, Monet, Rarity, Sweetie Belle, Water Skylanders, Thetis and Driscoll VS SkullMeramon, Creepy Lighthouse Keeper, McWolf

# (Tom & Jerry Kids), Pineoctopus, Red Claw, and Mzingo's Parliament - Meeting a gene-slammer for Blackout

SkullMeramon was next.

SkullMeramon: (to Mizore) I heard you guys met a gene-slammer for Blackout. The Skylander, not the Decepticon.

Mizore: We sure did and her name is Sabrina Devereaux. She is an amazing force of darkness and a powerful Skylander Gene-slammer too.

Shazam: She sure is and her powers over darkness are awesome.

Andrea San Juan: They sure are and she is a powerful master of the shadows.

Nico Robin: And her story is really awesome too.

Boa Hancock: It sure is and she really told Lisa off.

Monet: We were really impressed with it.

Nico: Yep. So, Sabrina, what's the story on how you told off Lisa and that not only did it drive her mad, but she tried to rush at you to kill you and how Lincoln saved you from her attack?

Sabrina Devereaux: Oh, you're so going to like seeing this.

Sabrina Devereaux pulled up the video as it played on the big screen, and we saw Sabrina Devereaux standing in between Lisa and Lincoln who was beside her, and Lisa was completely driven insane by her rage, she had a psychopathic grin on her face, and she had a scalpel.

Past Sabrina Devereaux: You've gone too far in trying to hurt Lincoln just because you see him as an easy target for your so-called experiments, Lisa, but you know what, you've been asking for it for a long time, and if you think anyone's going to save you, you're wrong. Lincoln's not a test subject for you to abuse and murder, he's your older brother and you should've treated him with respect, but you know what, you're so condescending and evil, you don't even know what respect is, and now, you're going to get a taste of your own condescending medicine, you parasite. You're a heartless, sadistic, evil, condescending, emotionless, cold-blooded psychopath who enjoyed torturing Lincoln, your own family, and everyone around you for your so-called "scientific research", you're a conniving scumbag who has no respect for anyone except for herself, and you're a monster who has no humanity at all!

We gasped at her harsh words.

Venom: OH! Now, that was just harsh!

Nico: You got that right, Venom. Damn, Sabrina really laid down the law on her!

Me: Varie and I still remembered those harsh words she said to Lisa, and man, did they sting!

We continued watching the video, and then, we saw that set Lisa off and she absolutely lost it big time, and she tried to kill her in her fury, but Lincoln blasted her with orbs of darkness and trapped her in a dark energy orb.

Past Sabrina Devereaux: Lincoln… , you saved me?

Past Lincoln: I wasn't going to let Lisa kill you, Sabrina.

This made Sabrina Devereaux smile, and she went up to Lincoln and they kissed on the lips and it left that mad scientist seething with rage and thoughts of heartless revenge.

Past Rita: Why don't you kids go upstairs? I've got a few words to say to my heartless "prodigy"

Lincoln and Sabrina went up to Lincoln's room, but they did hear Rita tell Lisa off big time, and that resulted in Lisa getting grounded big time and was thrown in a cage like a criminal and with Warden Lily watching her like a hawk, and the video ended.

Nico: Jeez, Lisa really went way too far that day!

Luna: She sure did, and I was expecting Sabrina to blast her, but Lincoln saved her and blasted her with Blackout's orbs of darkness, and that made Blackout smile.

Blackout: I also taught him how to use his angel wings as whips, and he mastered it quickly, along with using dark energy clouds and black holes.

Lucy Loud: He proved to be a master of that as well.

FLASHBACK ENDS

SkullMeramon: WHOA! Lisa really got a nasty of a Harsh Meg Style Reprimanding! That was well done!

Rarity: Indeed it was truly amazing that Sabrina laid down the law on her.

Sweetie Belle: That was really amazing and well done.

Gill Grunt: Boy Sabrina really told her off!

SkullMeramon: She sure did! Well done to her. Lets do it!

Then 3 lights appeared on each other their right ring fingers. Adagio had a ring with a Yellow Lionfish in the gem, Aria had a ring with a purple Trumpetfish in the gem and Sonata had a ring with a Blue Tang in the gem!

Adagio Dazzle: (GASP) Our own spirit animal rings!

Me: Cool!

Isabel came.

Isabel: Those three are perfect for you girls. Adagio, The Lionfish totem means that you are courageous. These folks might appear gentle and even weak-kneed on the outside, but don't be deceived; they are fearless and can take on any foe or opposition. In life, they are determined and have an unrelenting drive to succeed. Sonata, The tang fish was said to be able to swim upward against the strongest currents and was never afraid to take on challenges. As a result, the gods blessed the tang fish with good luck and prosperity. In addition to its symbolism of good fortune, the tang fish is also associated with strength and power. In Chinese culture, the tang fish is often seen as a symbol of strength and virility. This is likely due to its reputation for being able to swim against strong currents. As such, the tang fish is an ideal symbol for those looking to boost their strength and power. And Aria, The Trumpetfish is perfect for you When the fish spirit animal appears in your life, it brings a message of hope, and it empowers you to make the right decisions. The fish also brings the power of the water depths. People guided by the fish spirit have tremendous psychic powers and authority. Your spirit guide urges you to make use of these abilities. Fish spirit animal meaning is also linked to emotional healing. Are you feeling unstable? The spirit guide will show you how to find balance. Sometimes you may find yourself asking what do dreams about fish mean.

Aria Blaze: Wow! That is amazing.

Sonata Dusk: It sure is.

Then 3 lights came and they landed in their hands and they got Animal Crystals for the Lionfish, Blue Tang and the Trumpetfish. And they also got Crystal Sabers too.

Nico: Yep. Get ready Word, (EYES GLOW RED) YOUR WAR CRIMES WILL NOT GO UNPUNISHED! IT'S TIME YOU PAY THE PRICE WITH HIGH QUALITY JAIL TIME!

We were off.

* * *

We arrived at the mountains and then we saw FREAKZEKIEL!

Artha: That's Freakzekiel!?

Me: Yep. He's Ezekiel that turned totally feral.

HE VOMITED and we jumped back and it burned a hole into the ground!

Kitt Wonn: THAT IS SICK!

Me: He has acid vomit.

Maria: (to me) I don't care if you want to eat his heart. We don't have time to be messing around with him.

That's when a figure snuck up behind him and pecked him in the back. We saw that it was Valiant!

Me: Valiant!

Valiant: Hey guys! I got this. You stop Word.

Me: Thanks Valiant. We owe you one.

Lewa: Let me help you guys!

Valiant: Okay.

We went into the mountains.

Tempest came.

Nico: Thanks for coming, Tempest.

Tempest: Anytime Nico. This is gonna be fun.

Qin: It sure will.

We hid behind some rocks and Tempest went up to WORD PAYNN!

Word Paynn: You must be Tempest. You're just in time for the second war between Dragons and humans to start.

Tempest: Or stop it just in time!

Word Paynn: Oh I think… Not!?

The spirits of the dragons appeared and they swirled around him and then converged and then a massive jet of fire exploded out of the ground and it formed into a fire dragon! It roared ferociously and then out of a blast of fire it breathed from its mouth came us!

Me: Been a while Word.

Nico: Word Paynn you're under arrest for war crimes, terrorism and attempted murder.

Word Paynn: Nice to see you again Team Loud Phoenix Storm.

Moordryd: Dad you have to stop this now.

Word Paynn: Son, you don't have to side with Team Loud Phoenix Storm. If you rejoin me again, I promise you'll have a place at. my side.

Moordryd: I admit to being conflicted, Dad. I've seen your noble side. But you leave me no choice. As long as you waste your gifts on villainy, I WILL stand against you.

Word Paynn: It seems I've been too permissive. Clearly, boy, you require… discipline.

Me: The only one that needs discipline is you Word. While spending the rest of your days in a nice dark prison cell in solitary confinement.

Word Paynn: Kelzaks, attack!

An army of Kelzaks appeared.

Me: Kelzaks! Now we're talking! Too bad Lothar is dead and banished to the Black Gates or he would have appeared tomorrow.

Nice: That's for sure.

I fired waves of fire and energy and blasted them all over the place.

I fired waves of lightning and blasted them all over.

The Kelzaks jumped Artha and friends.

Artha and his friends lay defeated at the hands of the Kelzaks.

Word Paynn: Now, Penn, you and your friends get to watch as the second war between humans and dragons begins. (to Moordryd)

And as for you. Moordryd, when we get home, I'm going to make you see things my way.

Maria: (fires water at Kelzaks) Fuck! What do we do?!

I teleported and kicked Word in his stomach and punched him down.

Trixie then got an idea.

Trixie: (to everyone watching) Everyone out there! Lend Artha and his friendsyour strength! They get stronger with your support! When I go "1,2", shout "Release the Dragon"! Okay? 1,2…

All: RELEASE THE DRAGON!

Trixie: One more time! 1,2…

All: RELEASE THE DRAGON!

Trixie: Louder! 1,2…

All: RELEASE THE DRAGON!

Jamesdean5842: RELEASE THE DRAGON!

At this, Artha found the strength to get up.

Artha: Word, the second war between Dragons and humans will never come to pass!

With that, Beau knocked a nearby Kelzak to the ground.

Word: WHAT!

Artha: Thanks for the help, everyone.

Lance Penn: Didn't know we had so many people cheering for us.

Connor Penn: In this world and Gotham Royal York.

Kitt Wonn: You sure you're okay with fighting your dad, Moordryd?

Moordryd: I'm cool with it. There's no other choice anyway.

Parmon Sean: Let's get to it then!

Me: Lets bring the pain!

Laney: And it's going to hurt really bad!

Trixie: Can I transform with you guys?

Shane Clarke: Sure thing, Trixie.

Dan: Me and my team will send out our Bakugan too!

Ninja Storm Rangers: NINJA/THUNDER/SAMURAI STORM! RANGER FORM! HA!

Bakugan Brawlers: BAKUGAN BRAWL!

The Ninja Storm Rangers transformed!

With that, Kouta uses his almost godly power to summon forth a strange blue belt with a latch on the top and what looks like a knife on the right, and a lock with an orange on it labeled "LS-07". Standing up slowly, Kouta places the belt on his waist, generating what looks like a side-image of a samurai warrior on the far left of the belt, then holds the lock out in front of him.)

Kouta: Henshin!

With his battle cry known, Kouta presses a black button on the side of the lock, causing it to unlock)

Orange Lockseed: Orange!

After unlocking the Lockseed, Kouta places it in the belt, below the latch, and closes the Lockseed again, looping it through the latch.

Sengoku Driver: Lock On!

With the Lockseed secured, a zipper in reality opens up over Kouta, revealing a giant orange. With the fruit in place, Kouta pulls the knife-like portion of his belt down, causing the orange on the Lockseed to fall, revealing a design of an orange-slice looking sword on it, and showing the interior of an orange on the rest of it as the knife-looking portion restores to it's normal position.

Sengoku Driver: Suiya! Orange Arms! Hanamichi, On Stage!

As the Sengoku Driver makes it's announcement, the giant orange lands on Kouta's head, generating blue and gold armor around his body before the orange unfolds to create chest and shoulder armor, while revealing a blue head with a large gold crest resembling a long crescent of some sort with a red front portion, with the back of the helmet being orange with a green dot on top of it with a silver mouthpiece an a visor resembling an orange slice, as a long sword with a gun barrel materializes on his hip, and the orange slice looking sword from the Lockseed appearing in his hand.

Mitsuzane: Henshin!

With that, Mitsuzane pushes a button on the side of the Lockseed, unlocking it)

Budou Lockseed: Budou!

Upon activation of the Lockseed, Mitsuzane places it into the slot on the Sengoku Driver and relocks it, causing a strange grape bunch like construct to materialize above his head)

Sengoku Driver: Lock on!

With the Lockseed secured, Mitsuzane pushes forces the knife section of the Sengoku Driver down, flipping the front panel of the Budou Lockseed down, revealing what looks like a cross section of grapes on one side and a grape gun on the now inverted panel

Sengoku Driver: Hai! Budou Arms! Ryu! Hou! Ha, Ha, Ha!

At this seeming battle cry, the grape bunch descends onto Mitsuzane, generating a green undersuit with gold accents before the grape bunch unfolds much like Kouta's orange did, revealing a Chinese warrior styled armor with helmet with a grape styled back and straight violet visor, a gun similar to the one on the Lockseed's flipped down panel materializes in his hand.

Takatora: Henshin.

With his battle cry known, Takatora opens the Lockseed he has with him)

Melon Energy Lockseed: Melon Energy!

At this pronouncement, a strange techno-melon materializes above Takatora as he places the Melon Energy Lockseed into the Genesis Driver and locking it in place.

Genesis Driver: Lock on!

After locking in the Lockseed, Takatora forces a silver panel on the Genesis Driver across a track to hit the Melon Energy Lockseed, splitting the front panel into three pieces revealing the melon cross section beneath it, all the while funneling a strange orange liquid into a reservoir at the bottom of the Genesis Driver

Genesis Driver: Soda! Melon Energy Arms!

With that, the techno-melon descends onto Takatora, generating a white and black battle suit with gold accents as the melon splits open, the left side armor folding to the right to create more armor on the right shoulder, before revealing a helmet reminiscent of a samurai helmet mixed with a melon rind, and a straight orange visor, with a bow similar to Ryoma's in his hand.

Kaito Kumon: Henshin

With his battle cry known, Kaito presses the button on the side of his Lockseed, unlocking it)

Banana Lockseed: Banana!

After opening the Banana Lockseed, a giant banana appears over Kaito's head as he places the Sengoku Driver on his waist before placing the Lockseed into the Driver and locking it in.

Sengoku Driver: Lock On!

As fanfare starts to play, Kaito pulls the knife part down, flipping down the panel on the Banana Lockseed, revealing a cross section of the three bananas on the body of the Lockseed, and a picture of a lance on the panel

Sengoku Driver: Come On! Banana Arms! Knight of Spear!

As this happens, the armor banana lands on Kaito's head generating red and silver armor before splitting open forming the oddly off-balance shoulder pads, revealing the knight-looking helmet, with a yellow eyepiece behind the visor, marked with ends of a banana on either side of his head, and generating a lance that resembles a peeled banana, with the peel serving as a hand guard, in his hand.

Troy: No wars are benficial to anyone.

Tsukasa: This is no exception!

Me: All they bring is nothing but death, destruction, pain and suffering.

Kamen Ride: Mystic Force Red!

Kamen Ride: Mystic Force Blue

Kamen Ride: Mystic Force Green!

Kamen Ride: Mystic Force Yellow!

Kamen Ride: Mystic Force Pink!

Kamen Ride: Mystic Force Solaris Knight!

Kamen Ride: Mystic Force White

Maria: (TURNS DIAL) NUCLEAR SOVEREIGN 6!

She summoned P'Andor, Yost Crimson Dynamo, X-Ray, X-Squad Universe Pyron, Dennis and Reign of Fire Dragons along with all the fire members of the M.O.E.

P'andor: (Russian Accent) Lets make this a fun day to remember!

Qin: We will do that!

Trixie Lulamoon: I have had it up to hear with you to last an eternity, Word Paynn.

Suddenly, Trixie Lulamoon's purple eyes turned neon purple, and she's surrounded by a sapphire blue energy aura with stars, magic, and Alicorns as she unholstered her massive Trixie Lulamoon's Magical Greatsword of Redeeming Humility and Magician Humility from her back, and as she approached Word Paynn, she left sapphire blue energy, stars, magic, and Alicorns with every step.

Trixie Lulamoon: You absolutely make me sick, Word Paynn. You have caused both your own son and his friends nothing but pain and suffering because of your desire to start another Dragon Human War, one that'll spell the end for both races, and all for your own lust for power and desire for destruction. That's something I cannot forgive, as the Alicorn Princess of Humility, you are hereby sentenced to death for every last one of your crimes.

Suddenly, Trixie Lulamoon was surrounded by a massive vortex of purple energy with stars and magic surrounding the vortex, there's an Alicorn flying around the vortex, and inside the vortex is a purple phoenix with red eyes glaring at Word Paynn: the red eyes of death. Then, as the vortex faded, Trixie Lulamoon emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Trixie Lulamoon grew from 6'11" to 7'4" in height, she has the body of a goddess, she has purple highlights in the bangs of her long light blue hair, she has neon purple eyes and a sapphire blue energy aura with stars, magic, and Alicorns surrounding her, she has an Alicorn with a star and magic emblazoned on her forehead, she has on Alicorn earrings with purple gems for eyes and the Humility and Eternity Kanjis in its horns, she also has an Alicorn with purple gems for eyes and the Humility and Eternity Kanjis in its horn for the second pendant on the bottom of her Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with sapphire blue crystal links from her merged Crystal Necklace of the Buddha and purple gems on the gold lightning bolts, and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love, Trixie Lulamoon has on a long-sleeved dark blue hoodie with stars and magic on it, sleeveless purple dress with her cutie mark on it, dark blue socks, blue and purple high-heeled boots, and long sleeveless white trenchcoat with stars and magic on the coattails and on the back is an Alicorn surrounded by stars and magic. Suddenly, Trixie Lulamoon felt a sharp pain on her back, and then, her massive sapphire blue angel wings with purple tips on the large sapphire blue feathers grew much bigger for her new body, her horn got longer, and her light blue tail grew longer. Trixie Lulamoon has on her Ring of the Phoenix with large sapphire blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger, and she has her cutie mark on her right shoulder and Stone of Gelel embedded in her left hand.

Suddenly, Trixie Lulamoon's massive Trixie Lulamoon's Magical Greatsword of Redeeming Humility and Magician Humility and all the greatsword and swords she'd gotten began merging together, and they were surrounded by a kaleidoscope of sapphire blue energy, stars, magic, and Alicorns, and when it emerged, it was transformed into Trixie Lulamoon's Alicorn Magical Greatsword of Redeeming Humility and Magician Humility, it's a brand-new large greatsword with embedded sapphire blue gems and her cutie mark and stars etched on the 7'0" massive, wide, double-edged gold blade, large gold alicorn heads for the crossguard, large purple gem embedded in the rainguard, longer black handle, four large gold alicorn heads with sapphire blue gems for eyes and a large purple gem on the bottom of the alicorn heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with sapphire blue gems on her wrists, her Belt of Elemental Bravery with an Alicorn for the belt buckle with purple gems for the eyes and a large sapphire blue gem in its collar for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip, Eater of Sins revolver holstered on her left hip, and purple Crystal Saber holstered on her left hip. There's a cyan blue kanji below the alicorn that said, "Trixie Lulamoon, Alicorn Princess of Humility, Redeemed Magician of Equestria, Loving Future Wife of Lincoln Loud, Friend of Starlight Glimmer, Archenemy of Fritz Drizzle Also Known As The Tempest, Loving Sister of Artha Paynn and His Friends, Destroyer of Word Paynn, Destroyer and Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Destroyer of The Doomsday 23, Defender of Equestria, Ponyville, and Canterlot, Member of The Knights of The Friendship Table and The Redemption Squad, and Master of Magic and Alicorns"

We were amazed by Trixie Lulamoon's Super Angel-Alicorn-Harmony Celestial Eternal Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Word Paynn saw it, he flew into a homicidal rage and went at Trixie to kill her, but Trixie fired a powerful barrage of sapphire blue energy blasts with stars, magic, and Alicorns, and it hit Word Paynn and sent him flying into a wall, but he's not out yet, and now, he's even more pissed off than ever.

Artha: Whoa, so that…?!

Trixie Lulamoon: (Divine Echoing Cosmic Voice of The Cosmic Starstorm Magic Humility Alicorn and Divine Cosmic Starstorm Magic Humility Alicorn Love) **This is only my Phase 1 transformation, Artha, my Phase 2 transformation's coming up soon, and it's against another of Linky's old enemies from the past.**

Lincoln explained to them about The Legion of The Lincoln Haters and all the harm those monsters had done five years ago, which ended with Lincoln getting them expelled and they swore revenge on Lincoln, and now, five years later, they broke out to get their revenge.

Artha: Jeez, those girls are nothing but a bunch of monsters!

Me: Pure bad to the bone, and so far, the ones who've been killed by Lincoln and several members of his harem were Wrenley Bailey, Taytum McKinley, Selena MacKenzie, Raya Taylor, Olivia Paisley, Nyra Remmington, Mylah Palmer, Michaela Maddison, Melania Narcissa, Harper Reagen, Frejya Jordan, Flora Marley, Emberlynn Harlow, Charlotte Kensington, Arleth Presley, Angelique Sawyer, Isabella Morgana, and Natalie Everett.

Nico: Now, Lincoln and Trixie are going to kill Morgana Wesley, but she won't be alone, she's also going to bring Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson, the leader of The Legion of The Lincoln Haters with her, but Lincoln always has a way to keep those other monster bitches contained.

Twilight Sparkle: And it's always gotten them really really mad beyond imagination.

Artha: Release the Dragon!

Kouta: This is our stage now.

Artha unleashed a golden light and he and Beau went Golden!

Me: We would normally say our battle cries but that is for killing you.

Nico: That's right! TEAM LOUD PHOENIX STORM! ATTACK!

WE WENT AT THEM!

(FORSAKEN BY WITHIN TEMPTATION PLAYS)

We blasted and punched and pulverized the Kelzaks and blasted them all over. Then we went at Word and punched and kicked and bashed him.

Dan: (gets out Dodgeball Wizard's Lockseed) Drago! See if this helps!

He activated it and they fired waves of fire and blasted him all over.

Lloyd Montgomery: (gets out Evil Grave Clobber's Lockseed) A watery Grave awaits!

He activated it and fired waves of water and blasted him all over and drenched him.

2012 Donnie: (gets out Evil Choimpy Mage's Lockseed) Chompy power!

He activated it and fired Chompy's and they bit Word's legs. OUCH!

Kaito Kumon: (gets out Forces of Nature Lockseed) Now this is getting interesting!

He activated it and fired waves of earth, wind, fire and water and blasted him all over.

Word went at Moordryd and he got kicked in his face.

Word really felt that!

Word Paynn: Ignorant boy! This is not a world, a universe, in which a free man can't afford to be soft. I will teach you to be ruthless, Moordryd Paynn! Even if I must beat that lesson into your skull! (charges at Moordryd)

Decepshun got in Word's way and knocked him to the ground.

Moordryd: (solmenly gets out Evil Dr. Krankcase's Lockseed) I believe that was fairly ruthless, Dad. I hope it made you proud.

He activated it and fired sludge blasts and drenched him. I fired waves of energy and blasted him all over.

Cam Watanabe: (gets out Arachnitor's Lockseed) Time for spider action!

He activated it and fired waves of energy and blasted him all over.

Shane: Battlizer Mode, Engage!

Shane donned his Red Wind Ninja Battleizer!

Kouta presses a button on the Lockseed, not causing the lock on the top to open, but rather causing a small key to emerge from the point on the bottom

Kiwami Lockseed: Fruits Basket!

At the sound of this, a whole lot of fruit armors emerge. Of course present are the Orange, Banana, and Grapes used by Kouta, Takatora, and Mitsuzane, but there is also a Melon similar to what Zangetsu's armor is made from as well as Acorn, Pinecone, Durian, Pineapple, Strawberry, Watermelon, Lemon, Cherry, Peach, Walnut, Mango, and Kiwi armors as well. As the armors finish materializing, a port forms where the faceplate on Gaim's Sengoku Driver once was, which allows him to turn the Kiwami Lockseed on it's side, insert it into the port and turn it, revealing a second panel on the Kachidoki Lockseed, which bears a series of fruit half-cross sections on top and a portrait of Kachidoki Arms' head on the panel, as well as opening the panel on the Kiwami Lockseed, revealing the other half of the cross sections on the body and a silver variant of Kouta's head with a pointed helmet and large version of his crest over a rainbow visor on the panel

Sengoku Driver: Lock Open! Kiwami Arms! Dai, Dai, Dai, Dai, Dai Shogun!

As this announcement goes off, the fruit armors converge in a circle around Kouta, and fly into him, breaking off the Kachidoki Arms, revealing silver armor, with a red cape attached to his back, and a chestplate consisting of several fruits on a black background.

We blasted him all over the place with everything.

Cybertron Red Alert, Cybertron Scattershot, Ransack and Firestar used the Autobot and Velocitron Cyber Planet keys and they enhanced Firestar's weapons 100-fold, turned Cybertron Red Alert's rocket into a massive plasma cannon, had Scattershot's missile launchers get more blasters and cannons and turned Ransack's booster into a blaster!

Me: My turn for that! Leobreaker, Wingsaber! Lets do it!

Leobreaker: You got it!

Wingsaber: YEAH!

They then powered up with me!

Me: J.D. KNUDSON, SONIC SAVAGE CLAWWING MODE!

I was ready!

Me: CYBER KEY POWER!

I had the Cyber Planet Keys flow into my device and I got Starscream's blaster cannons, Hot Shot's missile blasters, Red Alert's cannon, Scattershot's blaster cannons, Crumplezone's shoulder cannons, Thundercracker's thunder cannon, Optimus Prime's cannon, Scourge's Dragon Heads, Quickmix's cannon, Galvatron's blaster, Leobreaker's claws, Wingsaber's cannon and Thunderblast's rocket cannon.

Ninja Storm Rangers: Thunderstorm Cannon!

Kouta steps back and turns the Kiwami Lockseed twice more

Kiwami Lockseed: Musou Saber! Hinawa Daidai DJ Ju!

As this pronouncement is made, Kouta's gun-sword materializes in one hand, and in the other a massive gun with what looks like an orange mixed with a turntable on one side. But Kouta doesn't focus on the gun, as he extends a section over the barrel and merges the Hinawa Daidai DJ Ju with the Musou Saber, creating an even bigger sword. Seeing this is happening, Kaito and Mitsuzaneeach activate their Sengoku Drivers again, Kaito doing this twice and Mitsuzane three times, but this is not cutting the Lockseeds further but rather channeling more energy into their weapons)

Sengoku Driver (Baron): Come On! Banana Au Lait!

Sengoku Driver (Ryugen): Hai! Budou Sparkling!

Seeing the preparation, Takatora removes the Lockseed from his Genesis Driver and places it in a port on his bow)

Sonic Arrow: Lock On!

Lockseed secured, Takatora draws back the Sonic Arrow and prepares to shoot it. This gives Kouta the signal to activate his finishing move, activating his Sengoku Driver twice.

Sengoku Driver (Gaim): Suiya! Kiwami Au Lait!

With that battle call, energy constructs of fruit begin to swirl around Kouta's blade, as the energy forming around Kaito's lance starts to take shape as, no surprise, a banana, and Mitsuzane's gun is overflowing with energy in the form of grapes. And in one moment, all the energy across all 4 fighters is released. Mitsuzane and

Takatora release their shots, Kaito impales Word with the energy-projection extended lance and Gaim slashes straight through Word.

The blasts all converged and they hit Word and exploded with incredible force and power!

EXTREMELY MASSIVE AND UNBELIEVABLE EXPLOSION!

The explosion was so massive and so powerful and so devastating that it shook the planet!

When the smoke cleared he was down.

Me: It's over for you Word!

Word: This isn't over. Not by a long shot!

A giant dragon appeared as Word hopped onto it.

Me: WHOA! That is a massive Dragon!

Nico: We need Megazord Power!

Kouta: Our turn now!

The Gaim Riders then summoned their own Ultra Super Zord and it was of all the fruits and vegetables of the world and in the Helheim Forest! It was called THE HELHEIM EDEN SUPERZORD!

We were in awe!

Me: WHOA!

Nico: That is awesome!

Kouta: It sure is!

Lillian: That is so awesome!

Kouta: Wow! I'll say! Lets get him!

Me: Fire!

Ninja Storm Rangers and Gaim Riders: NINJA FRUIT OMEGA BLAST!

They fired massive waves of energy and elements and fruits and the blasts all hit Word and his dragon and the dragon exploded!

EXTREMELY MASSIVE AND UNBELIEVABLY POWERFUL FIERY EXPLOSION!

His dragon was dead and Word was down.

I slapped the cuffs on him.

Lincoln made a focusing lens and he'd fired a rainbow energy blast into it, and thanks to the focusing lens, the rainbow energy blast became even more concentrated and more powerful, and it hits Word Paynn, and he was tied up in a rainbow energy straitjacket and rainbow energy chains.

Word Paynn: You think you've won?! You think this is the end?! I'll break out and I'll make sure to kill every last one of you!

Lincoln: Where you're going, you won't be attempting to break out ever again.

Lincoln had Word Paynn put in an indestructible rainbow crystal prison and he was going to be sent to The Saturn Insane Asylum's Extreme Isolation Wing, reserved only for the most insane and dangerous, and it's where he will stay there until the day he dies.

Moordryd: It's over, Father, your days of trying to start another Dragon Human War are over.

Nico: You got that right, Moordryd. Awesome job, gang, we've taken down Word Paynn and stopped him from trying to start another Dragon Human War.

Lincoln: Now, there's only one last thing to do, and one last loose end to tie up: Morgana Wesley.

?: LINCOLN LOUD, I WILL FUCKING KILL YOU FOR GETTING US EXPELLED FIVE YEARS AGO, YOU WHITE-HAIRED FREAK!

Lincoln: Oh great, I knew there's no mistaking that foul mouth from anywhere, you just don't know when to call it quits, do you, Morgana Wesley.

We saw a girl with black hair, red eyes, and dressed in a black coat, white blouse, black pants, and black knee-high boots heading our way on a motorcycle, it was Morgana Wesley of The Legion of The Lincoln-Haters, but we also saw Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson heading here as well.

Selene Arcangela: Oh great, that monster bitch's also got Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin

Hudson, Ava Parker, Alana Cameron, and Brianna Greyson with her.

Lincoln: If they think I'm going to take that lying down, they've got another thing coming.

Lincoln fired magnetic blasts at the motorcycles and destroyed them and that sent the Legion of The Lincoln Haters flying off the destroyed motorcycles, and when they got back up and saw Lincoln, they were now absolutely pissed off.

Morgana Wesley: You ruined everything, Lincoln Loud! We had every last loser cowering in fear before us, but you… ! YOU JUST HAD TO PLAY THE HERO AND RUIN OUR REIGN!

Brianna Grayson: And what you fucking did in killing our dads… , THAT WAS THE LAST STRAW THAT BROKE OUR FUCKING BACKS! KILL THEM ALL! LEAVE NONE OF THEM ALIVE!

But, before Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson could get after us, Lincoln trapped them in a rainbow energy field.

Alana Cameron: WHAT THE FUCK?! HE TRAPPED US INSIDE THIS AGAIN! I'LL FUCKING KILL YOU, LINCOLN!

Lincoln: Cry me a river!

Maria: You tell her, Lincoln! (Flips Middle Finger) And up yours, bitch!

Qin: They're just as, if not even worse, than Audrey Madison, and she was a heartless, sick, twisted, good-for-nothing, murderous slut!

Me: And they're still as stupid and murderous as ever.

Suddenly, Trixie Lulamoon's purple eyes turned neon purple, and she's surrounded by a sapphire blue energy aura with stars, magic, and Alicorns as she unholstered her massive Trixie Lulamoon's Alicorn Magical Greatsword of Redeeming Humility and Alicorn

Magician Humility from her back, and as she approached Morgana Wesley, she left sapphire blue energy, stars, magic, and Alicorns with every step.

Trixie Lulamoon: You really are everything that Linky has said you all are: remorseless, heartless, evil, bad to the bone, murderous, bloodthirsty, and vengeful, but you know what, Morgana Wesley, you would have some nerve to break out one day to get revenge on Lincoln for something that was entirely your fault, and the same goes with the rest of your cronies inside the energy field. You think that now that you and the rest of The Legion of The Lincoln-Haters have broken free you can just waltz in here and try and kill Lincoln, I'm not putting up with that. You've already put the final nail in your coffin, and as The Alicorn Princess of Humility, I hereby sentence you to death for your crimes against the state of Michigan, along with the town of Royal Woods, and against Lincoln Loud and all those close to him.

Suddenly, Trixie Lulamoon was surrounded by a massive vortex of purple energy with stars and magic surrounding the vortex, there's an Alicorn flying around the vortex, and inside the vortex is a purple phoenix with red eyes glaring at Morgana Wesley: the red eyes of death. Then, as the vortex faded, Trixie Lulamoon emerged, but she was changed forever.

Trixie Lulamoon has on her Ring of the Phoenix with large sapphire blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger, and she has her cutie mark on her right shoulder and Stone of Gelel embedded in her left hand.

We were amazed by Trixie Lulamoon's Super Angel-Alicorn-Harmony Universal Eternal Celestial Xelnaga transformation and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding. But, when Morgana Wesley saw it, she went fucking crazy and she got out her machine gun to fire at Trixie, but Trixie fired fired a powerful barrage of sapphire blue energy blasts with stars, magic, and Alicorns at Morgana Wesley and it sent her flying into a tree back first, she got back up and she ran at Trixie again with a knife she got out, but she disarmed Morgana Wesley and dislocated her arm and sent her flying into another tree with a roundhouse kick, she got back up, but now, she was mega pissed off!

Starlight Glimmer: Wow, Trixie's transformed into her Super Angel-

Alicorn-Harmony Universal Eternal Celestial Xelnaga form, that's really awesome!

Trixie: (Divine Godly Cosmic Voice of The Cosmic Starstorm Magic Humility Alicorn Angel and Divine Cosmic Starstorm Magic Humility Alicorn Love) That's right, Starlight. Now, I think it's your turn to transform, Hannah.

Hannah: Right, there's no way we're letting Morgana hurt our man.

Suddenly, Hannah's eyes turned neon pink and she was surrounded by a pink and black energy aura with darkness, dark flames, stars, and phoenixes, and as she approached Morgana Wesley, she left pink and black energy, darkness, dark flames, stars, and phoenixes with every step.

Hannah: I can't believe that you'd break out one day to get revenge on Lincoln for something that was entirely your fault, Morgana Wesley, and the same goes with the rest of the monster bitches inside the energy field. You think that now that you and the rest of The Legion of The Lincoln-Haters have broken free you can just waltz in here and try and kill Lincoln, we're not standing for it. You've already put the final nail in your coffin, and now, it's time for you to die.

Suddenly, Hannah was surrounded by a massive vortex of pink and black energy with darkness, dark flames, and stars surrounding it, there are phoenixes flying around the vortex and in the vortex is a midnight black phoenix with red eyes glaring at Morgana Wesley: the red eyes of death. Then, as the vortex faded, Hannah emerged, but she was changed forever.

Hannah has on a long-sleeved lavender sweater, black skirt, lavender stockings knee-high black boots, she has on large gold metal bands with pink gems on her biceps and thighs, and long sleeveless white trenchcoat with darkness, dark flames, stars, and phoenixes on the coattails, and on the back is a phoenix surrounded by darkness. Suddenly, Hannah felt a sharp pain on her back, and then, massive black angel wings with pink tips on the feathers grew and sprouted out from her back, and she now has eleven massive and long black wolf tails with pink tips and pink markings, Hannah has on her Ring of the Phoenix with pink gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Hannah's newly forged greatsword and all the greatswords and swords that she'd gotten began to merge together and they're surrounded by a kaleidoscope of pink and black energy, darkness, dark flames, stars, dragons, and phoenixes, and when it emerged, it transformed into Hannah's Eternal Cosmic Darkness Dark Star Phoenix Greatsword of Eternal Cosmic Darkness Dark Star Phoenix Justice, it's a brand-new massive greatsword with embedded pink gems and pink etchings and a phoenix etched on the 7'3" massive, wide, double-edged midnight black blade, large midnight black phoenix heads for the crossguard, large white angelic faces built into both sides of the hilt with pink gems embedded in the foreheads, longer midnight black handle, four large black dragon heads with pink gems for eyes and in their mouths and a large black dragon head with a pink gem in its mouth below the large phoenix heads for the pommel. Hannah has transformed into SUPER ANGEL-PHOENIX-HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE DARKNESS ETERNAL COSMIC DARK SHADOW PINK FIRE PHOENIX ANGEL OF DIVINE DARKNESS ETERNAL COSMIC DARK SHADOW PINK FIRE PHOENIX JUSTICE AND DIVINE DARKNESS ETERNAL COSMIC DARK SHADOW PINK FIRE PHOENIX LOVE!

We were amazed by Hannah's Super Angel-Phoenix-Harmony Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Morgana Wesley saw it, she went fucking crazy again and she aimed her machine gun to fire at Hannah, but Hannah fired a barrage of pink and black energy blasts with darkness, dark fire, pink fire, stars, and phoenixes at Morgana Wesley and it sent her flying into a tree back first, she got back up and she ran at Hannah again with a knife she got out, but she disarmed Morgana Wesley and dislocated her arm and sent her flying into another tree with a roundhouse kick, she got back up, but now, she was mega pissed off!

Nico: Whoa!

Me: You said it, Hannah's transformed into her Super Angel-Phoenix-Harmony Universal Eternal Celestial Xelnaga form, and she disarmed Morgana Wesley and she sent her flying into a tree with a roundhouse kick.

Lincoln: Morgana Wesley has been asking for this for a long time, and what better way to administer her final judgement than right in front of the other members of The Legion of The Lincoln-Haters.

Hannah: (Divine Godly Cosmic Voice of The Cosmic Eternal Darkness Star Phoenix Angel and Divine Cosmic Eternal Darkness Star Phoenix Love) You got that right. Now, let's rip her apart, Linky.

Lincoln unholstered his massive Lincoln Loud's Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Phoenix-Harmony Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Hope, and he joined Hannah and Trixie Lulamoon.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You and the others have caused more than enough grief and trouble to everyone in Michigan for too long, Morgana Wesley. We've made the right choice getting you all expelled and put in prison five years ago, but you know what, prison's too good for any of you. Now, we're going to fix that and do what should've been done to you years ago.

Trixie Lulamoon, Hannah, and Lincoln went after Morgana Wesley, who went extremely ballistic and continued firing at them, but they dodged the bullets, and they fired extremely powerful blasts of rainbow energy, pink and black energy, sapphire blue energy, fireworks, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Morgana Wesley and they exploded with incredible power as they hit her, and they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and he, Trixie, and Hannah attacked her with punches, kicks, and karate chops, and they were really, really, really pissing off her off now and driving her even more ballistic.

Just then, Morgana Wesley got out a second machine gun, but Lincoln put up a rainbow energy shield around him, Trixie, Hannah, and all of us, and she started shooting like crazy and also laughing like a deranged bitch, but the bullets were getting bounced off the energy shield. Suddenly, the machine guns ran out of bullets and Morgana Wesley's deranged laughter died down and she was really fucked now.

Me: Hah! You're out of bullets, bitch, and you know what that means!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal

Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smirks) You're shit out of luck!

Lincoln grabbed Morgana Wesley by the neck and he tossed her into the air, and Lincoln, Hannah, and Trixie fired a powerful barrage of energy balls with darkness, magic, stars, quintessence, elemental forces, and mythological animals, and as they hit Morgana Wesley, they exploded with incredible power and she was killed in the explosions, and that angered the rest of The Legion of The Lincoln-Haters. Then, Morgana Wesley's spirit appeared, and she was still incensed with anger and fury.

Morgana Wesley: You think you've won?! I'LL RETURN ONE DAY AND KILL YOU ALL!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) No, you're done and this time forever, Morgana Wesley. Give my regards to your lowlife dad when you see him.

Lincoln summoned the spirits of Morgana Wesley's victims from the past who seized her, and then, he drew the Judgement Kanji on her forehead, and as predicted, she was found guilty for her crimes, and she was fading away from existence.

Morgana Wesley: NO! NO! DAMN YOU, LINCOLN LOUD, DAMN YOU ALL, TEAM LOUD PHOENIX STORM! DAMN YOU ALL TO (FADES AWAY)

We cheered wildly as Hannah, Trixie, and Lincoln holstered their massive greatswords on their backs and powered down, and Trixie's new body, clothes, weapons, jewelry, Third Eye, and massive angel wings are permanent, and Hannah's new body, clothes, weapons, jewelry, Third Eye, and eleven massive and long black wolf tails, and massive black angel wings are permanent.

Then, the rainbow energy field Lincoln put up to keep Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson inside went down, and they ran up to the dead remains of Isabella Morgana. Then, they looked at Lincoln and they were absolutely really seething with rage!

Brianna Greyson: You're going to pay for this, Lincoln Loud! YOU FREAK! KILL HIM! KILL THE FUCKER!

Suddenly, the sound of police sirens were heard, and being the criminals they were, they knew they were in huge trouble!

Brianna Greyson: This isn't over, Lincoln Loud!

Then, Melanie Landon, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson ran off, but not before they gave us the finger, and me and Nico retaliated by giving them the finger and it drove them mad as they ran off.

Nico: Yeah, up yours too, bitch!

Hannah: We've taken another one down so far, and now, we got twelve more to go. Thanks for helping me destroy Morgana Wesley, Linky, you too, Trixie.

Lincoln: (Smiles Warmly) You're welcome, Hannah.

Trixie: That really was a lot of fun.

Suddenly, Trixie and Hannah wrapped their arms around Lincoln's wider and muscular back, as their chests pressed against Lincoln's massive pecs and their stomachs pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around them, which took them by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to the faces of Trixie Lulamoon and Hannah, they kissed passionately as they moved their arms and placed their hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, and Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and darkness and stars and magic behind them and we cheered wildly. Then, Lincoln, Trixie, and Hannah absorbed the stars and darkness and they came back to us as the display vanished.

Nico: Oh man, now that's what I call a dose of cosmic dark phoenix Alicorn justice. Lincoln, Trixie, Hannah, you three did really awesome in teaching that monster bitch, Morgana Wesley, a lesson and pissing off the rest of those monster bitches.

Lincoln: Thanks, Nico, but this is only the beginning of The War Against The Legion.

Me: You said it.

Lincoln: And for tomorrow, the next member of The Legion of The Lincoln-Haters that's going to show her face is Melanie Landon, which means you and I are up next, Persephone.

Persephone: Yes, we'll make her pay for all of her crimes in full.

Lincoln: But we've also got to keep an eye out, The Legion of The Lincoln-Haters are bound to send hired thugs after us.

Nico: We'll be ready for them since we've been dealing with hired thugs hired by our resident jerks to kill us, which always end with you killing them by sucking out their blood and pissing Flip and the other jerks off.

Lincoln: And I've got an idea for which Skylander Gene-Slammer we're meeting tomorrow: we're going to meet the Gene-Slammer for Spotlight.

Selene Arcangela: Awesome, and there's only one person who'd be Gene-Slammed into Spotlight: Maria Taiyou, she's Lincoln's Guardian Angel and The Master of The Element of Light, and among the first humans who were actually born in The Skylands and grew up there under the guidance of Master Eon and the

Skylanders, and as Maria grew, she'd discovered that she's a master of the Element of Light, one of the Ten Elements of The Skylands, and she trained a lot under the tutelage of Master Eon and the Light Skylanders and she proved to be quite the master of darkness. She left The Skylands and she moved to Royal Woods, Michigan, and this is way before Kaos, The Dark Portal Master, had launched his hostile takeover of The Skylands. Maria really hated that world-conquering warlord, and when Marie formed The Skylanders Liberation Coalition, Maria became one of the members and she had sworn to make Kaos pay for all his crimes against Skylands and against all The Skylanders.

Melanie Aranyani: After you guys freed The Skylands from Kaos and The Skylands merged with our world, The Skylanders Liberation Coalition had become part of The Earth-Skylands Federation. Plus, we also saw she fell in love with Lincoln when they first met, and she really trained him intensely on how to use the Element of Light, and she also had the additional help of Spotlight and the other Light Skylanders, who really helped Lincoln in advancing his training in mastering the element of Light, and over time, he really proved to be a master and at the same level as Maria.

Me: Hey, now I remember her all too well, she went missing long ago, and now I know why she went missing, she was Gene-Slammed by Team Rocket.

Lincoln: Yep.

Selene Arcangela: And although Maria hates Kaos with a blazing passion for all his crimes against Skylands, there's only one person that Maria hates with a passion ever since she came to Royal Woods: that person is Luan, and Maria has more than once used her skills in light to put Luan in her place and cause trouble on that psychopathic, deranged, homicidal prankster, and she even told her off saying that Luan's a crazed sadistic psychopathic prankster who enjoys torturing her older brother and everyone around her with her lethal pranks, that she's an evil monster who has no remorse for all the harm she's inflicted, and even worse, Maria called Luan an insane homicidal prank-crazed demon who used her love for pranks to inflict pain on everyone who got in her way!

We gasped in shock, and Nico's jaw dropped to the floor!

CLANG!

I put his jaw back.

Nico: She called her all that?! Oh, I wouldn't be surprised if Luan came charging right at her with intent to kill her.

Lincoln: She did, but she should've known if she messes with the bull, she gets the horns! You'll hear the whole story about that tomorrow.

Me: Trust me, Nico, you're going to like hearing this story, and the next hypothetical Akumatized Loud Sibling we'll be facing tomorrow on Lincoln's rescue is Fear Fox, the hypothetical Akumatized form of Lily Loud, a fox who enjoys causing fear and making peoples' fears come to life, and even worse, she feeds on the fears of people to grow stronger, but if someone who's proven to be a courageous and brave hero, only that person can put an end to Fear Fox's madness.

Lincoln: Which is what we're going to do to her tomorrow, J.D., we're going to show that fearmonger that bravery and courage are infinite times stronger than fear, and we'll bring an end to her madness and save everyone from being driven insane by fear.

Valiant pecked Freakzekiel many times.

He was knocked out from it.

Lewa: What do you guys want to do now?

We came back.

Marluxia: And with that, the second Dragon and Human war has been successfully averted.

Me: That is for sure.

Black Knight Ghost: And Word is in jail.

Me: Going to jail. I want to see how he reacts going there.

Xigbar: (to Valiant and his friends) You guys helped too.

Valiant: We sure did.

Me: We owe you guys big time Valiant.

Valiant: Think nothing of it.

Artha: See you guys in 7 days.

Valaint: See you then.

Valiant saluted and we saluted too before Artha offered him some birdseed in his hand. Valiant happily ate all of it.

Pyros: What about Freakzekiel?

Lewa: Which half?

Goro: Did you cut him horizontally or vertically?

Valiant: Actually he is knocked out.

Lewa showed him and then I went over to him.

Me: Sorry you have to see this.

I plunged my hand into his chest and ripped out his beating heart and then I ate it whole!

Sakura Knudson: THAT IS DISGUSTING!

I then swallowed it.

Me: (GULP) YUCK! Tastes like grass mixed with cheese and rat poop!

Nico: YUCK!

I then banished his spirit to the Black Gates.

Me: Sorry you guys had to see that.

Nico: No worries. But this was awesome! Trixie you did great on your mission.

Trixie Lulamoon: This was an awesome mission well completed by The Great and Powerful Trixie!

Starlight Glimmer: That's my awesome magic buddy!

Me: Yep!

Nico: But great job today everyone.

Artha Penn: (To the viewers) You start a war and you will pay for it big time.

Me: That is for sure.

We went back to the ship and went back to Earth and then we got the Dragon Booster Team settled in and enjoyed the rest of the day and went to sleep.

THE END

# REVENGE OF BARODIUS

## Barodius is Back

---

In the early morning hours of 3:25 AM, I was in The Dream World, and with me are Natilee and Princess Luna, and we were in Lincoln's dream.

Me: Whoa, we're here in Lincoln's dream.

Natilee: More like his nightmare regarding The Harvester, Dad.

Princess Luna: We've got to give him a hand, I fear something else is responsible for this.

Me: I agree, Princess Luna.

We flew across the skies, and then, we saw Lincoln.

Me: Lincoln!

Lincoln: J.D., Natilee, Princess Luna, what are you guys doing here?

Me: We came here to help you destroy The Harvester, Lincoln.

Lincoln: I can't! He's too powerful! Something's making him like this! (Realizes who it was) Oh no, Fear Fox!

Natilee: Lily's hypothetical Akumatized self?!

Lincoln: It has to be, she's using my fear of The Harvester to grow stronger. Guys, we need to end The Harvester and this for good, and then, Fear Fox is going to get the beating of her life for what she's tried to do to me.

Princess Luna: The Harvester's not far from here.

We flew to The Harvester's corn fields, and we began rescuing the many victims he's going to kill, and they escaped.

?: YOU HAVE RUINED MY HARVEST!

Suddenly, we saw our target: The Harvester, and he was furious that we ended his harvest.

Lincoln: You were the main cause of my nightmares, but not anymore, you're nothing more than a nightmare who needs to be destroyed for good. Let's get him, guys!

Me: Yeah! Let's put this nightmare to rest for good!

Lincoln unholstered his massive Lincoln Loud's Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Phoenix-Harmony Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Hope and I unholstered my massive J.D. Knudson's Universal Eternal Celestial Cosmic Elemental Wolf Moon Phoenix Greatsword of Universal Eternal Cosmic Elemental Wolf Moon Justice and I transformed, and we went after The Harvester, and we fired extremely powerful blasts of rainbow energy, green energy, midnight blue energy, fireworks, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at The Harvester and they exploded with incredible power as they hit him.

The Harvester tried to attack us with his scythe, but we dodged it, and we slashed off his arms as he screamed in excruciating pain. Then, Lincoln approached The Harvester with his massive greatsword in hand and he raised it above his head and above The Harvester.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Rest in Peace!**

Finally, Lincoln brought his massive greatsword down and slashed off The Harvester's head, and his evil spirit was sent to The Black Gates and Lincoln's nightmare has come to a permanent end. We cheered as we holstered our greatswords and powered down. Then, Lincoln ran up to us and hugged us, and we returned it.

Lincoln: Thanks, J.D., Princess Luna, and Natilee.

Me: You're welcome, buddy.

We then woke up, and Lincoln was now freed of his nightmare of The Harvester for good, and we told everyone what happened, and they were shocked to find out Fear Fox, Lily's hypothetical Akumatized self was responsible for prolonging Lincoln's nightmare so she could feed on his fear and grow stronger.

Nico: That miserable fearmongering fox, she's going to pay for this on your rescue today, Lincoln.

Drakus: I got a shotgun with her name on it!

Sebastian Mendez: Drakus, no, we're going to capture her and send her to Vypra.

Me: I agree with Sebastian, dude.

Nico: Same here.

Drakus: No, she won't get away with this, she dies here and now!

Sebastian Mendez: Are you trying to disobey Nico's direct order that we're not to kill Fear Fox? You trying to be some big shot Rambo out to kill potential choices for The Masters of Evil?! Huh, is that what you're trying to do?!

We heard what Sebastian said and we knew it all too well: he's starting to do a Pesto Rant.

Drakus: Uh… , yes?

WE GASPED IN SHOCK!

Me: OH, SHOOT! DRAKUS, YOU JUST SHOT YOURSELF IN THE FOOT!

Quickstrike: That guy is cold slag.

Sebastian Mendez: THAT'S IT! (Pounces on Drakus and they get into a fight cloud) I'LL SHOW YOU WHAT HAPPENS WHEN YOU TRY TO DISOBEY A DIRECT ORDER FROM YOUR LEADER! HOW ABOUT A LITTLE DISCIPLINE UPSIDE YOUR HEAD, YOU MUSHU PORK BRAIN! I'LL MAKE GRAVY OUT OF YOUR BACKBONE, YOU BIG SACK OF GARBANZO BEANS!

We busted out laughing.

May: (LAUGHS) Oh man, Nico, we might need to make Sebastian an official enforcer.

Nico: (LAUGHS) Good idea.

Then, Sebastian got off Drakus, and he was really mangled. Then, his superhuman regeneration kicked in and he was healed.

Xenia: I hope this planet is going to be a fun one.

Qin: Me too! I have a feeling this one will be exciting.

Lola: I have that feeling myself.

Varie: Same here.

Matau: I'm really excited for this one myself. I hope it's a good one.

Arrietty: Same with me too. I am going to love this one.

Sakura Knudson: I am excited too.

Nico: Matau, I want to thank you, Chemistro, and your teams are coming. And while your missions are going on.

Matau: No problem Nico. This is gonna be fun and awesome.

Amanda Benson: It sure will be awesome.

Nico: Amanda, remember when we first met you?

Amanda Benson: I sure do. You guys arrived and helped me fight a massive army of zombies in Kentucky.

Me: That was so awesome and epic. It reminded me of the movie Battle Los Angeles.

Xenia: That was awesome.

Qin: Yeah that was so epic.

Nico: It sure was.

Me: Yep.

Nico: Your adventure was the first Goosebumps book

Me: Welcome to Dead House.

Camie: (GULP) That must've been a scary one.

Nico: It sure was.

Sakura Knudson: No offense Nico but I never was a fan of the Goosebumps books. But after how bro told me that you guys destroyed numerous monsters from them I find them all very awesome.

Me: It's true.

Nico: Yeah and none taken.

Me: That was so awesome yesterday.

Nico: Looks like we have to prepare for another war… NOT!

Me: That is good! Word Paynn is now in jail.

Nico: Yeah no kidding!

Lola: But Trixie did so much awesome fun there.

Lana: That was so awesome too!

Nico: Yeah!

Twilight Sparkle: I honestly am proud of Trixie.

Starlight Glimmer: I am too Twilight.

Me: We all are. Starlight you helped Trixie become an awesome friend and an amazing magician.

Camie: I agree there. She is amazing at what she does.

Nico: Yep. I'm proud of Trixie too.

Eli: All of us are.

Camie: Yeah.

Rainbow Dash: She went from being a jerk to a good friend.

Me: Did start out as a jerk but now she is an awesome friend.

Maria: And a great member of the Redemption Squad.

Nico: That is for sure.

Lola: Yeah.

Varie: But I'm happy for Trixie.

Anna Anyanova: Me too and she is also teaching Lincoln some awesome new magic tricks.

Nico: Wow! That is awesome.

Lincoln: It sure is.

Maria: We're here.

We saw that we were at a planet that had multiple colors all over it.

Me: From up here it looks like a flower and nature planet.

Nico: Yeah it sure does.

Xenia: Yeah.

We went down to the planet and it was cold and we put on our parkas and then we got closer and landed and to our shock and amazement we saw it was a planet made entirely of ice cream!

Me: WHOA! A planet made of ice cream!

Nico: I scream for ice cream!

Sunset Shimmer: This is so amazing!

Lola: Wow! I LOVE ICE CREAM!

Camie: Who DOESN'T love ice cream?

Me: I brought lots of ice cream scoops!

I got out an ice cream table and some cones, cups and bowls along with sprinkles, syrups and toppings.

Me: Help yourselves guys.

We got scoops and toppings and more.

Nico was eating like crazy.

Me: WHOA! Nico slow down! You'll get the brain freeze!

Nico: Mmm! What did… (BOINK!) GAAAAGH! BRAIN FREEZE!

Me: I warned you.

I was eating my favorite flavor, Mint Chip.

Me: (SLURPS) Ahh! I love mint chip.

Sakura Knudson was eating cotton candy.

Sakura Knudson: (SLURP) Mmm! Cotton Candy is my favorite.

Eli: (SLURPS) Yummy! I love Orange Sherbet.

Leni: I totes love pistachio. (SLURPS)

Laney: (SLURPS) I love chocolate with marshmallows on top.

Lola: (SLURPS) Raspberry is for me.

Maria was eating too

Maria: (SLURPS) Bubble Gum is my favorite. (Chewing gum and blowing bubbles)

POP!

Maria: (LAUGHS)

Nico: But I love all flavors of ice cream.

Me: At least this planet doesn't have the worst flavors of Ice Cream.

May: Define worst.

Me: Those are flavors like garlic, pickles, onions, sweat socks, squid ink and black licorice.

All: EW!

Nico: That would be gross!

Lana: I would like them.

We laughed!

Me: That you would Lana.

Sunset Shimmer: What's the spiciest flavor ice cream?

Me: Carolina Reaper Ice Cream.

Nico: WHOA! That would be a deadly one.

Me: Yeah but that would be for me.

Nico: (LAUGHS) You love spicy food.

Maria: Kazarina, it's fitting that you're with us in this rescue.

Kazarina: Why's that?

Maria: Because we might be going after Barodius later.

Me: I have that same feeling myself. (SLURPS) When we face him I'm going to unleash all of my wrath on him.

Kazarina: I know you can do it J.D.

Me: (SLURPS) With the level of power I have it won't be a problem.

Nico: Yeah.

I was eating Chocolate Ice Cream with oreo cookies and gummy worms.

Nico: Chocolate Mud Ice Cream.

Rarity: EW!

Me: Rarity it's not really Dirt. It's made with chocolate ice cream and has oreo cookie crumbles, chocolate sprinkles and gummy worms.

Rarity: Oh. That's okay then.

Kazarina: You might have to consider that it might not be merely Barodius that you're facing.

Lumagrowl: And that he might not be alone.

Me: I have a feeling he won't be alone.

Qin: Yeah.

Me: He might have a clone of Dharak with him.

Nico: Eli, sense for Swartz's creations.

Eli: On it.

He concentrated.

Eli: Found them! Whoa! We have some new ones. We have Another Kardiak, Another Caramel, Strawberry, Vanilla, Chocolate, Banana Syrup Gang, and Another Super Bananas, Another Coconuts (Sonic), Another Sinestro and Another Chemistro.

Me: Kardiak that beating Biomechanical heart? Whoa!

Nico: But who are the Syrup Gang?

Me: Oh they are anthropomorphic bottles of flavor syrups and they wanted to destroy all people that eat ice cream.

Nico: GEEZ! And the Super Bananas?

Me: Bananas made super and they wanted revenge on humans for eating bananas.

Nico: Crazy!

Me: Yeah.

Nico: Who goes first?

Eli: Another Kardiak is up first.

Me: As much as it pains me for this Sapphire Nautilus is going to face him.

Nico: J.D. are you sure that's a good idea? You know she went through so much pain right?

Me: I do but we have to give her a shot.

Nico: Okay.

Qin: Oh boy.

Nico: Send her in then.

Me: I'll be right back.

I teleported back to the estate.

I went into her room and she was sitting on her bed lost in thought.

Me: Sapphire?

Sapphire saw me.

Me: Sapphire are you doing okay?

Sapphire Nautilus: J.D. I think I'm a freak.

Me: Sapphire why do you say that?

Sapphire Nautilus: Because I'm a gene-slammer for Thumpback as well as the daughter of a rapist!

Me: Sapphire your father did all that to you and you are not a freak. You were given incredible power and you have amazing gifts to share with the world. You can do anything that is amazing.

Sapphire Nautilus: What's the point? I can never look at myself in the mirror again! I will never be human again.

Poromon: (flies into her room) That's not true!

Me: Yeah Sapphire come on don't talk like that. You are not a freak. Team Rocket made you into the gene-slammer of Thumpback who is one of the skylanders. They have a great deal of power just like what you were given.

Sapphire Nautilus: Then you are lucky! (Tears up) YOU DON'T KNOW WHAT I WENT THROUGH! MY FATHER DID THIS TO ME! HE RAPED ME CONSTANTLY! HE DROVE MY MOTHER AND SISTER AWAY! HE TORMENTED AND ABUSED ME! AND HE BURNED DOWN MY ENTIRE SCHOOL AND KILLED ALL MY FRIENDS! I LOVED THEM AND HE TOOK EVERYTHING AWAY FROM ME! YOU DON'T KNOW HOW MUCH PAIN I WAS GIVEN!

Me: Sapphire you're right. I don't know what that's like. But we have seen so much death and destruction over the years that it virtually dwarves everything that happened to you. Sapphire what your father did to you was completely unforgivable and he deserves to be beaten shitless to within a very inch of his fucking miserable life for what he did. And he destroyed so many lives. But one thing I learned over these last 7 years ever since I formed Team Loud Phoenix Storm is to learn from the past and make sure that it never happens to you again. Would your mother want you to be sad and lonely for the rest of your life? You haven't lost lost all your friends. You have us including me.

Poromon: Yeah Sapphire. And you now have me too.

Poromon hugged her.

I hugged her too.

Me: Sapphire I'm sorry this happened. But please don't be sad for us. Let us help you.

Sapphire Nautilus: (CRYING) I HATE MY FATHER!

She cried hard and I comforted her.

Me: There there Sapphire.

Nico came back.

Nico: Oh man. Is she still distraught?

Me: Yeah.

Seeing Sapphire cry hard like this was making my heart hurt.

Nico: Poor Sapphire.

Poromon got an idea and tickled her.

Me: Poromon tickling her won't help her. She is in a very fragile state still.

Nico: Yeah Poromon. Lets give her a few minutes to let it all out.

Poromon: Okay.

She calmed down.

Sapphire Nautilus: (Sniffles)

Me: Feel better?

Sapphire Nautilus: A little.

I gave her a box of tissues and she blew her nose.

Me: There ya go. Come on Sapphire. Don't be sad. Your mother would want you to be happy. At least your mother is all right?

Nico: Tell you what? After we get back to Earth we'll go get your mother and sister and bring them here. That sound good?

Sapphire Nautilus: I would like that.

Nico: Good.

Poromon: Can I come with you guys along with Sapphire?

Nico: Sure! You'll like where we are right now.

Me: It's a good planet.

Sapphire Nautilus: I have a feeling it will be awesome.

I gave her a blue coat and we teleported back.

We were back on the planet of Ice Cream!

Nico: Here we are!

Sapphire Nautilus: Wow! A planet of ice cream!? This is amazing!

Poromon: OH BOY ICE CREAM!

Poromon dove into the ice cream.

Nico: He's gonna be busy doing that while the battles are going on.

Me: He sure is.

Sakura Knudson: Are you going to be okay Sapphire?

Sapphire Nautilus: I'll make it.

I gave Sapphire Blue Raspberry ice cream with rainbow sprinkles.

Sapphire Nautilus: Thanks J.D.

She ate it and it was awesome.

Sapphire Nautilus: Blue Raspberry my favorite.

Me: Yep.

Nico: There's Another Kardiak!

We saw a dark version of him! It was ANOTHER KARDIAK!

Sapphire Nautilus: Whoa so that's Kardiak!? He looks like a giant mechanical beating human heart!

Me: That was my first reaction when we saw him.

Nico: That's right.

Another Kardiak: (In a girls voice) Boy this is amazing being on an ice cream planet.

Me: (GASP) That voice!

She reverted back and was a sailor soldier with blue hair and blue angel wings and had blue clothes.

Me: (GASP!) Dahlia Drej A.K.A. Sailor Drej!

Shanan: Whoa the Sailor Soldier of the planet of the Drej!?

Sailor Drej: That's right.

Me: Wow! Awesome to see you again Dahlia. We faced the Drej in the 31st Century after they destroyed Earth.

Sailor Drej: I heard that you guys faced them. What they did to the Human Race is unforgivable.

Qin: Yeah that was awful!

Xenia: It sure was.

Nico: We should do a simulation adventure for all of us against the Drej in the future.

Me: That's a good idea.

Lola: Yeah.

Me: By the way Dahlia are the other Another Villains we have to face friendly or hostile?

Sailor Drej: The Another Coconuts is hostile but the rest are friendly. The Another Coconuts has a massive amount of hostility towards Anna Anyapova.

Anna Anyapova: Uh oh! I'm not going to like this.

Sapphire Nautilus: Let's do this!

Girl Jordan: First lets get you back to normal and separate you.

Leeli: Right!

Girl Jordan: Lets go Leeli.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

She glowed and Another Kardiak was separated from her!

Nico: WHOA!

Sailor Drej: That was amazing!

Sapphire Nautilus: Wow! That is cool! I love that song. Been with me since I was cured.

Me: Yep.

Girl Jordan: It's a crazy and awesome story Sapphire.

Another Kardiak was beating.

Me: Time to give him a deadly heart attack!

Sailor Drej and Sapphire fired waves of water and energy and blasted him and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He exploded!

I caught the Wonder Ride Book and it was called The Sailor Soldier of Drej and the Kingdom of the Beating Hearts of Carnage.

Me: Fitting.

Nico: Yeah.

Me: One down and 5 to go.

Nico: Who's next?

Eli: Another Caramel, Strawberry, Vanilla, Chocolate, Banana Syrup Gang.

Nico: Wow.

Me: Cheryl Velarrian and her three Litwick will face that one.

Nico: Awesome choice.

Maria called her in.

In a swirl of darkness and blue fire came Cheryl Velarrian and her three Litwick.

Cheryl Velarrian: (Transylvanian Accent) I'm here everyone.

Poromon: Hi, Litwick!

Litwick 1: Lit.

Cheryl Velarrian: (LAUGHS) He says he's happy to see you Poromon.

Poromon: Cool.

Me: Here they come!

We saw the Another Caramel, Strawberry, Vanilla, Chocolate, Banana Syrup Gang!

Nico: Whoa! They are bottles of syrup.

Me: My favorite flavors too.

Another Caramel Syrup: (In a girls voice) I'm glad you like them.

She reverted back and was a girl with pink hair with yellow and brown streaks and had pink clothes and yellow angel wings.

Me: (GASP) Alicia Neopolitana A.K.A. Sailor Neopolitana!

Nico: An Ice Cream Sailor Soldier? Whoa!

Sailor Neopolitana: That's right and you guys are all here on my home planet too.

Me: Whoa!

Sapphire Nautilus: This whole planet is your home planet? Wow!

Me: Your home planet is full of awesome flavors of ice cream that we all love.

Camie: I'll say!

Cheryl Velarrian: Let's do this!

Lincoln: After this.

He fired waves of light and separated the Another Syrups from her.

Nico: Awesome.

Sailor Neopolitana: Wow! This will be a good one.

They fired waves of blue fire and ice cream and blasted the Another Syrup Gang and they exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOMMM

I caught the Wonder Ride Book and it was called The Ice Cream Sailor Soldier and the Mad Syrup Gang.

Nico: Nice title.

Me: Another Super Banana next. Donkey Kong would love that one.

Lola: He sure would.

Nico: So would Lila Poseidon. I'll send for her.

Nico did so and she came.

Lila Poseidon: I'm here guys.

Nico: Another Super Bananas.

Lila Poseidon: Get Donkey Kong here too.

Nicole snapped her fingers and Donkey Kong came.

Donkey Kong: Donkey Kong is here.

Me: Awesome!

Nico: There she is!

We saw a dark super banana come and it was ANOTHER SUPER BANANA!

Me: Whoa! Another Super Banana!

Lola: This one is very Ap-pealing! (LAUGHS)

We laughed at that one!

Luan: (LAUGHS) Good one Lola!

Eddy: (LAUGHS) Good one!

Me: (LAUGHS) That was funny!

Another Super Banana: (LAUGHS) (In a girls Voice) That was a good one.

Lana: (GASP) That voice.

She reverted back and was a girl with golden yellow hair and had yellow and gold clothes and yellow angel wings.

Lana: (GASP) Bianca Bananahalla A.K.A. Sailor Bananahalla!

Laney: Whoa! We haven't seen you in over 1,000 years!

Bai Tza: Boy the last time we saw you was when that Monkey and his uncle were going to eat the bananas and we stopped them.

Nico: I remember hearing about that! That was nuts.

Me: That was in the year 3001 right?

Bai Tza: That's right and we were taken to that world when a portal sucked us in and took us to the future.

Nico: Whoa!

Laney: Yeah it was crazy! We saw that it was a world of Anthropomorphic bananas.

Lana: Yeah!

Me: How did you guys get back?

Bai Tza: We merged Bananahalla and the world of Bananas with ours.

Me: Wow!

Donkey Kong: Put on the DK Rap for this battle.

Lincoln: First this.

He fired a wave of light and separated Another Super Banana from her.

Sailor Bananahalla: Whoa! This will be good!

(DK Rap Plays)

He-he-here we go!

So they're finally here, performing for you

If you know the words, you can join in too

Put your hands together, if you want to clap

As we take you through this monkey rap!

Huh!

DK

Donkey Kong!

He's the leader of the bunch, you know him well

He's finally back to kick some tail

His coconut gun can fire in spurts

If he shoots ya, it's gonna hurt!

He's bigger, faster, and stronger too

He's the first member of the DK crew!

Huh!

DK

Donkey Kong!

DK

Donkey Kong is here!

This Kong's got style, so listen up dudes

She can shrink in size, to suit her mood

She's quick and nimble when she needs to be

She can float through the air and climb up trees!

If you choose her, you'll not choose wrong

With a skip and a hop, she's one cool Kong!

Huh!

DK

Donkey Kong!

He has no style, he has no grace

Th-this Kong has a funny face

He can handstand when he needs to

And stretch his arms out, just for you

Inflate himself just like a balloon

This crazy Kong just digs this tune!

Huh!

DK

Donkey Kong!

DK

Donkey Kong is here!

He's back again and about time too

And this time he's in the mood

He can fly real high with his jetpack on

With his pistols out, he's one tough Kong!

He'll make you smile when he plays his tune

But Kremlings beware 'cause he's after you!

Huh!

DK

Donkey Kong!

Huh!

Finally, he's here for you

It's the last member of the DK crew!

This Kong's so strong, it isn't funny

Can make a Kremling cry out for mummy

Can pick up a boulder with relative ease

Makes crushing rocks seem such a breeze

He may move slow, he can't jump high

But this Kong's one hell of a guy!

C'mon Cranky, take it to the fridge!

Walnuts, peanuts, pineapple smells

Grapes, melons, oranges and coconut shells

Aww yeah!

Walnuts, peanuts, pineapple smells

Grapes, melons, oranges and coconut shells

Aww yeah!

They danced and fired waves of coconuts, bananas, water and energy and blasted him down and he exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Wonder Ride Book and it was called The Future Banana Princess and the Evil Bananas and Monkeys.

Me: Cool!

Donkey Kong: Okay, you can turn the song off now.

I did so.

Nicole: Love that song!

Sapphire Nautilus: That one rocked!

Me: Yeah!

Anna Anyanova: Now the Another Coconuts.

Me: Bowser is next.

Nico: Yep.

I summoned Bowser!

Bowser: This will be fun! And wow on a planet of Ice Cream too. This will be fun.

We then saw ANOTHER COCONUTS!

Me: Boy if Scratch and Grounder we with that one it would be the Dumbbot Trio.

Nico: Alright. Who are you?!

Another Coconuts: (In a girls voice) (ENRAGED SCREAMING) ANNA!

Anna Anyanova: Oh great! Don't you know how to take a hint you bitch!?

She reverted back and it was TANYA ANYANOVA THE DISGRACED!

Nico: Tanya! I knew it!

Me: I've had enough of this crybaby bitch to last a goddamn eternity! Anna I hope you don't mind us giving your so-called sister the Black Gates!

Bowser: Remind me who she is again?

Me: She's Anna's disgraced singer sister. Anna had a really awesome and divine voice and Tanya wanted to be a star. But Tanya was a terrible singer and Anna sang for her backstage. She was later exposed as a fraud by Lori and Lincoln and Anna and she hated them and wants nothing more than to kill them. We committed her to the Saturn nuthouse forever and Lincoln turned her into a gold statue.

Bowser: Oh right that evil fraud singer that we stopped as Another G3!

Nico: Yep.

Bowser: Lincoln, don't bother separating her. I want her to feel every second of this!

Lincoln: Wouldn't dream of it.

Bowser: Good.

Tanya Anyanova: YOU TOOK AWAY EVERYTHING FROM ME! MY FAME, MY STARDOM, MY REPUTATION AT SCHOOL, THE BOY I LOVE! I'M GOING TO KILL YOU ALL!

Anna Anyanova: You brought all that on yourself! You're nothing but just a pretty dumb face!

Anna fired a blast of energy and blasted a hole in her chest and exposed her black heart out to the open and we saw it beating!

Me: You should have given your sister the full recognition she deserved! But you wanted all that fame and power all for yourself!

Bowser grabbed Tanya and then jumped into The air with her.

Bowser: I want you to burn!

He then breathed a massive blast of fire right into the hole in her chest and burned her alive from the inside and she screamed in excruciating pain and then she was burned into a skeleton that turned into ashes and disintegrated and they were blown into the wind!

Her spirit then appeared.

Anna Anyanova: Instead of the Black Gates I'll put her in a portrait.

Anna Anyanova went over and used her magic and locked her sister in a portrait.

Nico: Now for her Ridebook

Anna Anyanova: I got it right here.

It was called The Angel Hero VS The Insane Fraud Singer and the Army of Monkey Robots.

Nico: Nice title.

Me: Yep. Now for the Another Sinestro.

Nico: There she is!

We saw a dark figure come out and it was ANOTHER SINESTRO!

M.O.E. Sinestro: Another me!? This will be interesting.

Lola: Yeah it sure will!

Another Sinestro: (In a girls voice) It sure will be fun.

She reverted back and was a girl with magenta hair and yellow clothes and had yellow angel wings and had a yellow lantern ring.

Me: (GASP) Miranda Korugar A.K.A. Sailor Korugar!

M.O.E. Sinestro: Wow! The Sailor Soldier for my home planet. That is amazing.

Amanda Benson: Sorry we have to fight like this.

Sailor Korugar: No worries.

Lincoln: First this.

Lincoln fired a wave of light and separated Another Sinestro from her.

Sailor Korugar: This will be good. In Blackest Day, in brightest night; Beware your fears made into light. Let those who try to stop what's right, Burn like his powers… Sinestro's MIGHT!

She glowed in an intense yellow light and she and Amanda blasted Another Sinestro with intense energy and he exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Wonder Ride Book and it was called The Fear Sailor Soldier of Korugar and the Lord of Fear.

Me: Cool title. Now for Another Chemistro.

Lola: Yep.

Matau: This will be awesome.

Nico: There she is!

We saw a dark figure come out and it was a dark version of Chemistro! It was ANOTHER CHEMISTRO!

Me: Whoa! Another Chemistro.

Matau: This is gonna be good.

Another Chemistro: (In a girls voice) This will be as fun as combining Plutotium and Nitroglycerin.

Me: (GASP) Rebecca Elina Santiago.

She reverted back and was a girl with green hair and had a green shirt and green pants and green angel wings.

Nico: Wait the famous chemistry scientist? Wow!

Me: Yep and she is an awesome one too.

Rebecca Elina Santiago: It's true.

Nico: Boy at -370˚Fahrenheit that can easily do that to you.

Then melter and his team consisting of Yost Viper, Acid Breath, Scorn, Universe 666 Genie Jafar and Robot Devil came.

Nico: Nice team Melter.

Melter: Thanks Nico.

Me: Awesome!

Maria: Where's the next Gene Slammer?

May: I don't see it.

But then..

ZZZZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAPPPPPPPPP

May screamed as she was electrocuted!

Then I saw something on her back.

Me: Wait…

I went over and got it off her.

Me: A Stunfisk was on your back.

Nico: Whoa!

May: How did that get on me?

Me: No idea.

Stunfisk: (In a girls voice) (Japanese Accent) Sorry about that.

Nico: Lina Tako!? Wow!

She reverted back and was a girl with orange hair and in an orange Kimono.

Me: Wait you're the world famous Japanese Sushi Chef! Cool!

Lina Tako: That's right and it's an honor J.D. (BOWS)

Me: Oh same to you. (BOWS)

Lina Tako: I got this.

She fired a blast of lightning and blasted Another Chemistro and she was down and I caught the Ridewatch and purified it and brought her over.

Varie looked over Rebecca.

Varie: She is 100% better now.

Amanda Benson: What's your favorite memory of Nico?

Lina Tako: That would be when me and Nico saw a mean kid that everyone hated doing a prank on the disabled and me and Nico made my spiciest ever sushi roll for her. It was called the Unzen Meltdown Doom Roll.

Me: Whoa what is that one made with?

Lina Tako: It's made with eel and crab and has a special secret spicy sauce in it that is made with ingredients so spicy we aren't even allowed to mention them.

Me: Whoa that one must be deadly.

Nico: It was. She ate the sushi and then her head literally exploded.

Me: WHOA!

Eli: YUCK!

Sakura Knudson: Her head literally exploded!?

Qin: I remember that. It splattered her blood and brains all over the

place.

Me: YUCK!

Nico: Yeah. She never even knew what was in it and everyone cheered wildly.

Me: Nice!

Nico and Lina hugged.

Nico: I've really missed you.

Lina Tako: Me too Nico.

Me: This was an awesome adventure though.

Poromon: Boy it sure was.

Me: Now we got to bring Sapphire's mom and sister back.

Nico: Lets do it.

We went back to Earth.

Nico: Let's do this shit!

Me, Nico and Sapphire were off to the Indian Ocean.

We arrived an island located at 12°14'05.4"N 64°19'31.5"E.

Me: This the island?

Sapphire Nautilus: That's it.

I looked at my map and it showed that the island was not on the map.

Me: This island isn't even on the map.

Nico: A Totally uncharted island.

Me: Wow.

We landed.

Sapphire Nautilus: Wow. Mom and Bianca sure found an amazing island to hide out in.

We walked around and then we saw a treehouse.

Me: Wow that is an awesome treehouse.

Nico: Nice place.

We went up.

Me: Hello?

Nico: (knocks on the door) Hello? It's the pizza man.

Me: Nico you're not a pizza man.

Mrs. Nautilus and Bianca saw us.

Mrs. Nautilus: J.D.? Wow!

She went and hugged me.

Mrs. Nautilus: Its been a long time.

Me: It sure has been a while.

Mrs. Nautilus: Wow you have gotten so tall.

Me: I know.

Bianca: Wow! Big bro you look incredible.

Me: I know.

Sapphire Nautilus: Hello mother.

Mrs. Nautilus: (GASP) Sapphire? Is that you!?

Sapphire Nautilus: (Tears stream down her face) It is mom.

She and Bianca hugged Sapphire and it was an awesome reunion.

Nico: (gets out bag) I'm sorry. But you're coming with us.

Me: Nico no. No bag needed. We must do this peacefully.

Nico: Oh right sorry.

Me: We have some news to tell you. You don't have to live in fear anymore.

Nico: Your so-called husband is dead. I ripped him apart.

Mrs. Nautilus: That is wonderful news!

Bianca: YAY!

Me: And you don't have to be out here on this island all by yourselves anymore. We're going to place you into the protection of Team Loud Phoenix Storm.

Bianca: Wow! That's awesome!

Mrs. Nautilus: Wow! Thank you guys!

We got their stuff packed up and moved them back to the estate and had them settled into the estate.

They were right at home.

Lincoln: Ah, we're here in Madagascar, and I know what we're going to do here, not only am I going to rescue the six girls here, but we're going to face, take down, and recruit the next hypothetical Akumatized Loud Sibling, Fear Fox, the hypothetical Akumatized form of Lily.

Me: And from what we heard, she's a fox who enjoys causing fear and making peoples' fears come to life, and even worse, she feeds on the fears of people to grow stronger, but if someone who's proven to be a courageous and brave hero, only that person can put an end to Fear Fox's madness.

Eli: Yeah.

Suddenly, we sensed Fear Fox's power and she was growing stronger by the second by feeding on the fears of the people who fell victim to her power.

Liv Baker: She's feeding on the fears of the people here, at this rate, she's growing stronger by the second, I hate to find out if she can also transform into a more powerful form like the ghosts we'd been fighting in New York.

Lincoln: Right, so we got to free everyone by slaying their fears and cutting off Fear Fox's supply of power, and I want to thank you and your team for joining us, Lewa.

Lewa: You're welcome, Lincoln.

Lincoln: We'll need to travel to the dreams of the people, J.D., just like what happened last night in my dream.

Me: Right.

Suddenly, Lincoln's massive white angel wings turned midnight blue except for the aurora and orange tips, and so did my angel wings. Then, we teleported into The Dream World, and we saw the people being attacked by their nightmares, and their fear was flowing into Fear Fox and we felt her growing stronger.

Lincoln: Now, cut down the nightmares and end Fear Fox's madness!

We proceeded to slay the nightmares of everyone affected by Fear Fox's nightmare-inducing power, and in the process, we've also been cutting off her supply of power. Then, we left The Dream World, and just in time as the people began waking up and were freed.

Nico: Nice, now we've really irritated Fear Fox now.

Suddenly, we saw Spotlight appear before us, and with Spotlight are the six girls.

Cynder: Spotlight? But, how are you…?

Spotlight: (Girl's voice) Sorry about the scare, Cynder, but I had to get the girls out of here after you all freed them from Fear Fox's nightmare-inducing power.

Lincoln: (Gasps) That voice, Maria Taiyou, I knew it was you.

?: YOU WILL ALL PAY FOR WHAT YOU'VE DONE IN DESTROYING MY KINGDOM OF NIGHTMARES!

Suddenly, we saw who it was heading our way: Fear Fox, the hypothetical Akumatized form of Lily Loud.

Lily: (Gasps) So, that's Fear Fox?! she's exactly what I could've become during the fight to stop Gabriel years ago.

Fear Fox: You may have ruined my supply of power, but I have absorbed enough fear for this!

Suddenly, we saw Fear Fox glow with pink energy and she was surrounded by a pillar of pink energy, and as soon as she emerged, she now had nine massive pink fox tails, pink kimono, pink markings on her face, and larger pink fox ears.

Sylvester: You can't scare us anymore, Fear Fox.

Lily: The thrashing we gave her combined with cutting off her supply of power should weaken her greatly.

Just as Lily said, Fear Fox was seriously weakened as her eight extra tails vanished, along with the pink markings and her larger fox ears reduced to normal. Then, Lincoln fired waves of ladybugs and red fire at Fear Fox which exploded with incredible power as they hit her, and she was knocked out, tied up, and sent to The Masters of Evil. We cheered as we holstered our weapons and powered down.

Lincoln: Looks like my plan paid off.

Me: It sure did.

Nico: That was a smart move going into The Dream World and cutting off her endless supply of power by freeing her victims, but we also saw her transform into her more powerful form after feeding on enough fear.

Luna: But, in the end, we defeated that fox and sent her to The Masters of Evil.

Lincoln: Now, there's only one hypothetical Akumatized Loud Sibling left: Wolf Carnage. (To Maria Taiyou) And it's so good to see you again, Maria Taiyou.

Maria Taiyou reverted back to normal, and she's a beautiful girl with long white hair, blue eyes, she was tall at 6'11" in height, she has the body of a goddess, and ample breasts, fair skin, she has massive and beautiful white angel wings, she's dressed in a short-sleeved white blouse, sleeveless yellow top, white skirt with the Light Skylanders symbol on it, necklace with blue gem for the pendant, white bridal gloves, white knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with light, dragons, and angels on the coattails and on the back is Spotlight and on top is the symbol of The Light Skylanders, and holstered on her back is a massive Spotlight-themed greatsword with embedded yellow gems and Spotlight etched on the 7'0" massive, wide, double-edged white blade, large white dragon heads for the crossguard, large white angelic faces embedded on both sides of the hilt with yellow gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large yellow gem on the bottom of the large white angel heads for the pommel.

Maria Taiyou: You too, Lincoln, it's been a long time.

Lincoln went up to Maria Taiyou and he hugged her, and Maria Taiyou is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Maria Taiyou: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'9" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness, man, you've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal.

Me: And Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Maria Taiyou, Gene-Slammer of Spotlight, she's my Guardian Angel and The Master of The Element of Light, and among the first humans who were actually born in The Skylands and grew up there under the guidance of Master Eon and the Skylanders, and as Maria grew, she'd discovered that she's a master of the Element of Light, one of the Ten Elements of The Skylands, and she trained a lot under the tutelage of Master Eon and the Light Skylanders and she proved to be quite the master of darkness. She left The Skylands and she moved to Royal Woods, Michigan, and this is way before Kaos, The Dark Portal Master, had launched his hostile takeover of The Skylands. Maria really hated that world-conquering warlord, and when Marie formed The Skylanders Liberation Coalition, Maria became one of the members and she had sworn to make Kaos pay for all his crimes against Skylands and against all The Skylanders.

Nico: Wow, that's awesome!

Me: Yep, and after we freed The Skylands from Kaos and The Skylands merged with our world, The Skylanders Liberation Coalition had become part of The Earth-Skylands Federation. Plus, we also saw she fell in love with Lincoln when they first met, and she really trained him intensely on how to use the Element of Light, and she also had the additional help of Spotlight and the other Light Skylanders, who really helped Lincoln in advancing his training in mastering the element of Light, and over time, he really proved to be a master and at the same level as Maria.

Marie MacDougal: And although Maria hates Kaos with a blazing passion for all his crimes against Skylands, there's only one person that Maria hates with a passion ever since she came to Royal Woods: that person is Luan, and Maria has more than once used her skills in light to put Luan in her place and cause trouble on that psychopathic, deranged, homicidal prankster, and she even told her off saying that Luan's a crazed sadistic psychopathic prankster who enjoys torturing her older brother and everyone around her with her lethal pranks, that she's an evil monster who has no remorse for all the harm she's inflicted, and even worse, Maria called Luan an insane homicidal prank-crazed demon who used her love for pranks to inflict pain on everyone who got in her way!

Eli: Jeez.

Me: I still remembered the words all too well, and Luan went insane and tried to kill her, that was until Lincoln saved her by firing

Spotlight's gold halo rings from his angel wings and he bound Luan, and Maria and Lincoln kissed and it left that prankster seething with rage and thoughts of heartless revenge, but she got grounded big time and was thrown in a cage like a criminal and with Luna watching her like a hawk.

Luna: And this time, I was the one wearing the Warden Outfit, especially for keeping an eye on that clown.

Maria Taiyou: And you're going to see it for yourselves. (To Lincoln) Oh, Lincoln, there's something I also want to give you.

Lincoln: Let me guess, you want to give me your blood, right, Maria?

Maria Taiyou: How'd you guess what I was about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Maria Taiyou: I knew it, you marked them and fed on their blood, along with acquiring their powers as well, I knew that was coming since you'd done that more than once when he got brutally injured by Lori, Lynn, Lola, Lisa, and Luan more than once.

Lincoln went up to Maria Taiyou, and he hugged her in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Maria Taiyou: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Maria Taiyou's neck with yellow gems on the gold lightning bolts and yellow crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Maria Taiyou: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Maria Taiyou.

Maria Taiyou had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw who they were, he immediately recognized them. The six girls are Claves, Falsetto, Polka, Rondo, Serenade, and Viola from Eternal Sonata.

Lincoln: Oh wow, it's Claves, Falsetto, Polka, Rondo, Serenade, and Viola from Eternal Sonata.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Claves: Yes, we're okay, thanks to you.

Then, when Claves and the other five girls saw who it was that saved them from Fear Fox, the hypothetical Akumatized form of Lily Loud, their faces turned atomic red upon seeing the 17-year-old 7'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with a Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, He-Man's chest harness with colored gems on the orange crisscrossing straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud

Claves: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Lucia, Claves, Falsetto, Polka, Rondo, Serenade, and Viola with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team was shocked to find out the villain we went after was Fear Fox, the hypothetical Akumatized form of Lily Loud.

But, when Lincoln showed what we did first by going into The Dream World and freeing everyone who got hit by Fear Fox's power and by destroying the nightmares thus we cut off Fear Fox's supply of power, and then, we pulverized her and sent her to The Masters of Evil's HQ, everyone cheered and hugged us and Lincoln's harem kissed him all over. Lincoln and Maria Taiyou have a lot of catching up to do, now that she's back in town.

Maria: Oh man, that fear-inducing fox has gone too far in forcing people to be confronted by their own fears and she was getting stronger because of it! We should've taken Drakus' advice and shot her with a shotgun killing her!

Qin: If we did, Sebastian would've given us the business like he did to Drakus. Besides, we needed to capture her and send her to The Masters of Evil, and I already took the liberty to put it on social media, and everyone loved it!

Me: Plus, Lincoln's been getting a lot of likes from female fans like crazy!

May: Which is even more proof positive that Lincoln's a babe magnet!

Lincoln: May, don't try to give me a swelled head.

We laughed.

---

After taking down Fear Fox, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Maria Taiyou saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Maria Taiyou: My God, I was right that Lincoln's really grown into a 17-year-old, 7'9" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Maria, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Maria Taiyou: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Maria Taiyou: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Maria, what's the story on how you told off Luan and that not only did it drive her mad, but she tried to rush at you to kill you and how Lincoln saved you from her attack?

Maria Taiyou: Oh, you're so going to like seeing this.

Maria Taiyou pulled up the video as it played on the big screen, and we saw Maria Taiyou standing in between Lisa and Lincoln who was beside her, and Luan was completely driven insane, she had a psychopathic grin on her face, and she had one of her lethal pranks in hand.

Past Maria Taiyou: You've gone too far in trying to hurt Lincoln just because you see him as an easy target for your so-called pranks, Luan, but you know what, you've been asking for it for a long time, and if you think anyone's going to save you, you're wrong. Lincoln's not a target for you to abuse and murder just for a laugh, he's your little brother and you should've treated him with respect, but you know what, you're so psychopathic and completely insane, you don't even know what respect is, and now, you're going to get a taste of your own medicine, you parasite. You're a crazed sadistic psychopathic prankster who enjoys torturing your little brother, your family, and everyone around you with your lethal pranks, you're an evil monster who has no remorse for all the harm you've inflicted with your insidious pranks, and you're an insane homicidal prank-crazed demon who's used her love for pranks to inflict pain on everyone who got in your way!

We gasped at her harsh words.

Alicia Chan and Mindy Chan: OH! Now, that was just harsh!

Nico: You got that right, Alicia and Mindy. But, damn, Maria really laid down the law on her! If we laid down the law on Connor long ago, he would've been running scared into his room!

Me: Varie and I still remembered those harsh words she said to Luan, and man, did they sting!

We continued watching the video, and then, we saw that set Luan off and she absolutely lost it big time, and she tried to kill her with more of her lethal pranks, but Lincoln fired Spotlight's halo rings from his angel wings and they bound Luan and tied her up.

Past Maria Taiyou: Lincoln… , you saved me?

Past Lincoln: I wasn't going to let Luan kill you, Maria.

This made Maria Taiyou smile, and she went up to Lincoln and they kissed on the lips and it left that homicidal prankster seething with rage and thoughts of heartless revenge.

Past Luan: You two haven't seen the last of me, this isn't over! I'll get out of this, and you will both die laughing! (LAUGHING INSANELY)

Past Rita: Why don't you kids go upstairs? I've got a few words to say to that insane clown!

Lincoln and Maria Taiyou went up to Lincoln's room, but they did hear Rita tell Luan off big time, and that resulted in Luan getting grounded big time!

Past Luna and Lily: Alright, get in there, clown!

We then saw Luna and Lily dressed as prison wardens throw Luan who was bound in a straitjacket in a cage like a criminal and with Wardens Luna and Lily watching her like a hawk, and the video ended.

Nico: Dang, Luan really went way too far that day!

Luna: She sure did, and I was expecting Maria to blast her, but Lincoln saved her and used Spotlight's halo rings to bind her, and that made Spotlight smile.

Spotlight: I also taught him how to use eye beams and Heavenly Auras, and he mastered them both quickly.

We got a shower, and then, Clyde and his harem are heading to Jolly Rodger Bay.

Clyde snapped his fingers, and the 17-year-old, black-haired, 7'5", handsome and extremely muscular man was dressed in large dark blue swim shorts with a phoenix surrounded by clocks and stars on it with silver flames coming off the swim shorts, dark blue sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And his harem are dressed in colored two-piece bikinis colored sandals, and they had their weapons holstered in case of trouble, but they also got to keep their heads up, they got word that Melanie

Landon has sent thugs after them. But, they don't know that Lincoln was also here in Jolly Rodger Bay waiting for the thugs of Melanie Landon.

Syd Chang: Wow, so we're here in Jolly Rodger Bay, awesome.

Clyde: I knew you'd love it, Syd. Plus, Lincoln's been here before, and he's right, this place is really awesome. But, we also got to watch it though.

Rebecca Hawkins: Yeah, Melanie Landon has sent her thugs to kill us, if she can't try to kill Lincoln, she'll try to target those close to him. She's an absolute monster!

Clyde and his harem dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and his harem got a massive and extreme deep atomic red blush on their faces when they saw Clyde lift thirteen 900,000,000,000,000-lb barbells he summoned in his large and strong hands and thirteen massive and long black wolf tails, but then, he saw Melanie Landon's thugs heading for them.

Clyde: There's Melanie Landon's thugs, let's get them.

But, before they could get after Melanie Landon's thugs, Lincoln appeared from a tornado of rainbow energy, mythological animals and beings, stars, planets, and elemental forces, and he fired blasts of blood red energy which hit Melanie Landon's thugs and he sucked out all their blood and energy and killed them and sent them to The Black Gates forever.

Clyde: Lincoln?! Wow, you really responded quick.

Lincoln: I wasn't going to let you or your harem be put in danger by the hired thugs of those monster bitches. See you guys at home.

Lincoln teleported back home, and then, Clyde and his harem had lunch, and then, as the sun was about to set, Clyde made clones of himself and he and his clones went up to his harem, and they hugged the girls in their abnormally massive and powerful muscular arms, and his harem placed their hands on the massive pecs of Clyde and his clones, then they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico, Lincoln, and I also saw Clyde had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Nico: (Smirks) I take it you and your harem had tons of fun at Jolly Rodger Bay, eh, Clyde?

Clyde: (In Heaven) It… was… so… awesome!

Cozy Glow: And we also ran into Melanie Landon's thugs who came here to kill us. But, Lincoln appeared and he fired those blasts of blood red energy which hit Melanie Landon's thugs and he sucked out all their blood and energy and killed them and sent them to The Black Gates forever.

Starlight Glimmer: Those insane monster bitches are going after Linky's friends and family again?!

Lincoln: They sure are, and it stemmed from what I did to The Blood Dragons, their dads, and now that I killed Melanie Landon's thugs, she should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Melanie Landon scream with extreme hatred and rage.

Maria: Yeah, up yours, you monster bitch!

Carmen: Sheesh, those monster bitches just don't even know when to quit.

Nico: Serves her right, but she'll get hers later on today.

Me: They sure will, those monster bitches have gotten on our nerves five years ago, and now, they're going to pay dearly for everything they've done, but after what Melanie Landon did in sending those thugs to kill Clyde, now she's really crossed it now.

Lincoln: She sure has, and she'll die a horrible death later on today.

---

We were watching TV.

Me: Nico we may need to have all the Masters of Evil help us take down Barodius for good.

Nico: I agree there. We'll need all the help we can get from this one.

Lola: Yeah.

Dan Kuso: If Barodius is coming back he'll be more monstrous than ever.

Me: Yeah.

Nico: I'm so happy for Sapphire and that she is much better than ever.

Me: Me too.

Lola: Yeah we all are happy.

Qin: The pep talk and the trip to the Ice Cream Planet and the reunion with her mother and sister did her some good.

Nico: It sure did.

Me: The icing on the cake is sentencing her father to the Black Gates.

Lola: Yep.

Aurico: I'm going on patrol. Anyone want to come?

Me: Sure Aurico.

Maria: I got plenty of water for you.

Aurico: Thanks Maria.

We went down to the surface.

Me: One sec.

I got on the horn with the Masters of Evil.

Dark Spicer: (On my holographic communicator) What's happening J.D.?

Me: Not much Dark. Nico has had this feeling that Barodius will return.

Dark Spicer: Not him! I knew he was going to come. Let me guess you need all of us to take him down for good.

Me: Bingo. Stand by for our call.

Dark Spicer: Right. Will do.

He clicked off the call.

Runo: It's a nice day out, isn't it?

Me: Boy it sure is Runo.

Dan Kuso: I'm really excited for today.

Drago: Me too. This is gonna be awesome.

Blade Tigrerra: I hope nothing ruins it. And is it true J.D.? Is Barodius coming?

Me: Yes we have a feeling he is. But we're going to be ready for him. I'm going to make sure he pays for everything he did.

Nico: Yep.

We went into the city.

Me: So far everything looks peaceful.

Dan Kuso: Hang on. Who's that kid over there?

Drago: Is that Koichiro Higashi?

Me: It sure is. (In my head) I remember him. He was upset because he couldn't find out what his purpose in life is. Poor kid.

Nico: I remember him. Poor kid.

Me: Lets go see.

We went over to him.

Nico: Hi there!

Koichiro Higashi: Team Loud Phoenix Storm! An honor to meet you all.

Me: You too Koichiro. You look a little upset about something.

Eli: Is there something wrong?

Koichiro Higashi: I can't find my place in life.

Me: Well I'm sure there is something that you can do that you are good at.

Nico: Where's your mom?

Koichiro Higashi: I've… run away from her. Like I did the last time.

Me: Oh man. I remember that. I'm sorry. Did you and your mom had a really bad argument?

Koichiro Higashi: No I just couldn't play the piano right.

Me: Hey no sweat, we can teach you how to do it right.

Koichiro Higashi: You can?

Me: Sure. We are very talented in music and know a lot of awesome songs.

Miriam: I learned how to play the piano back when I was 4 and I know a lot of good songs.

Koichiro Higashi: That's impressive.

Me: Miriam is a special girl just like her sister Freya.

Aurico: But more importantly, we have to get you to your mom.

Koichiro Higashi: Don't you understand?! I can't face her right now! I need a reason… A reason to live! SOMEONE GIVE ME A REASON TO LIVE!

Me: Uh oh!

With that, he was surrounded by an energy circle with the Kakuranger logo and turned into Ninjaki from episode 24 of Donbrothers!

---

In town, Ninjaki strikes down several bystanders, with them vanishing and only their clothes remaining. He attempts to attack a young boy but Tsubasa rescues him as Ninjaki escapes.

Later on, Ninjaki is attacking the town once again and Taro and Haruka race to the scene, along with Tomoko who follows them. Tomoko beats Ninjaki over the head with her purse to defend her son, which stops the Hitotsuki. Taro is amazed at the strength of a mother's love and feels guilty for lying to her. Ninjaki feels sorrow and steps backward, his comment of needing a reason to live makes Tomoko pause as she recognizes it. The pair of Donbrothers change and charge at Ninjaki, with a grumpy Shinichi entering the fight and in no mood for poems. Tsuyoshi and Tsubasa appear next to engage, but Dangerous Jiro arrives and attacks both the Donbrothers and Ninjaki as Don Torabolt.

The real Jiro then stops him from hurting his friends further and wrests control of their body back to him to become Don Doragoku. He apologizes to the team but Shinichi is still in a foul mood and punishes Jiro by knocking him aside in Robotaro form. Shinichi then knocks Ninjaki off balance with a ground shockwave, with the rest of the team going into Robotaro forms and finishing Ninjaki with the Blast Party attack. Ninjaki becomes Ninjaking and Jiro splits in two again to become Toradragonjin, though Dangerous Jiro once again puts up a brief fight when combining. Ninjaking uses ninja techniques to gain a brief advantage but RoboTora breaks loose and attacks from behind. The two Robotaros recombine, with Jiro complaining that Dangerous needs to behave and not try to escape, finishing off Ninjaking with the Jiro's Hurricane. The Hitotsuki turned out to be the real Koichiro, who is seen walking away by his mother.

Later, Koichiro returns home and apologizes to his mother for running away, asking if they could play the piano again and this time he will take it seriously. Tomoko then opens the door and hugs her son, Koichiro kisses her cheek and both go into the house.

All: Donbrothers!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off behind us and we were ready!

Ninjaki slashed at Aurico with a pair of daggers but he blocked with his Aquitian Sabers

Me and Aurico clashed with him all over and sparks flew all over and I kicked him down.

Me: Koichiro I think I have found an awesome purpose for you.

Ninjaki: What is it?

Me: Would you like to be a Donbrother?

Ninjaki: One of you guys?

Me: Sure!

I fired a beam of light and separated Koichiro from Ninjaki!

Koichiro Higashi: (GROANS) That was a rush. But I would like that J.D.

Nico gave him a gun and a gear for the Grey Ranger.

Koichiro Higashi: Lets do it! AVATAR CHANGE!

He then turned into the Grey Donbrother!

Koichiro Higashi: THE SONG OF THE CLASSICAL FESTIVAL! DON MAESTORA! ドンマエストロラ

He was ready!

Nico: AWESOME!

Me: Wow!

Laney: Looking awesome Koichiro!

Koichiro: This is amazing! I feel awesome!

Me: You sure do!

Ninjaki: I will destroy you!

I kicked him and blasted him all over!

Me: Time for some Kyuranger Power!

I used the Kyuranger Gear and got the 88 Constellation Star Sword!

Me: ERIDANUS: RIVER OF THE SOUTHERN DELUGE!

The constellation of Eridanus glowed and fired waves of water and drenched him all over.

Taro: Wow! Koichiro this is awesome for you!

Shinichi: Yeah!

Koichiro: Thanks guys. Now time for this!

He fired waves of music and it was for The Swan Princess and blasted Ninjaki all over!

Nico: WHOA!

Haruka: That was awesome!

Me: It sure was! Darn shame there aren't that many Grey Rangers.

Nico: I know. What a ripoff.

Lola: Yeah!

We dodged out of the way as Ninjaki used a special ninja technique to make several civilians disappear, leaving their clothes behind

Me: Oh boy. The Fashion Brigade is going to be having a field day with this!

I fired waves of energy and blasted Ninjaki all over!

Piccolo: This is like what happened with Cell when he killed all those people. He left only their clothes behind.

Nico: Geez!

With enhanced swordsmanship skills, he used his daggers on Aurico again but he blocked again with his Aquitan Saber.

Aurico: You think you're the first Ninja we've fought? We've battled tougher ninjas then you. And they lost too!

Me: That's right!

I kicked Ninjaki down and blasted him with stars and fire and blasted him all over.

Ninjaki: I HATE THAT TEAM LOUD PHOENIX STORM!

Our auras flared up.

Me: HEY! Leave that line for Dr. Robotnik!

I fired waves of energy and blasted Ninjaki all over.

Lola: Take this Ninja butt!

She fired waves of fire and blasted them all over!

Me: Try this too! FORNAX: CHILI DOG FURIOUS FURNACE!

The Constellation of Fornax the Furnace in the Southern Hemisphere appeared in a galaxy in my sword and I fired a massive barrage of chili dogs and buried him.

Sonic: Ooh I'll have some chili dogs.

I gave Sonic some and he and Tails and Rainbow Dash loved them.

Me: That was a first. Funny though.

Me and Ninjaki then clashed ferociously with our swordsmanship and sparks flew all over and fire blasted everything all over with intense power! I was absorbing fire all over the place.

Nico: Top this one! (ACTIVATES HARDBALL'S RIDEWATCH)

Nico fired a spiked mace ball chain and smashed down Ninjaki!

Aurico tried striking Ninjaki but he disappeared to dodge it. Ninjaki reappeared behind Aurico and blew him away with wind Maria flew up and caught Aurico and I teleported and kicked Ninjaki and sent him flying!

Me: LAVA STYLE NINJA ART: UNZEN PYROCLASTIC RASENSHURIKEN!

I formed a Lava Style Rasenshuriken and threw it and it hit Ninjaki and exploded!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

He was blasted down.

Grounder: That was a cool one!

CLANG!

Grounder: OUCH!

Scratch hit Grounder on his head!

Scratch: You mean a hot one you dumbbot!

Taro: (to Koichiro) Can I be very honest with you?

Koichiro: Um… okay?

Taro: Running away from your mother won't solve your problems. Even right now, it's hurting her inside. She's a very sweet woman.

Koichiro: You know this because you posed as me before, right?

Shinichi: (grumbles) And in the process, she insulted my Haikus!

Tsuyoshi: And insulted Miho. Which actually isn't so bad considering that Miho was actually a Juto.

Me: The Juto's are all dead but yeah I agree with Taro. You're hurting inside from running away.

Nico: That's right.

Me: It never is the answer to anything. Your mother is a very sweet woman from what I remember and she loves you very much.

Koichiro: Oh you're right. I'll return home. But I have to tell her about what happens when I'm a Donbrother.

Me: You now have a tremendous responsibility now.

Lola: Yeah.

Me: I hope Nicole and Sakura don't kill me for this. But I heard that some Hitotsuki's are suckers for babes.

I put on my blind man glasses.

Me: MULTI SHADOW CLONE JUTSU!

I formed lots of clones.

My clones: HAREM JUTSU SWIMSUIT EDITION!

My clones turned into bikini clad versions of Naruto's harem and my harem and Lincoln's and Nico's Harems!

HUBBA HUBBA!

Me: Get him girls.

They squealed seductively and went at Ninjaki and just like I figured, Ninjaki had hearts in his eyes and then he went flying with a massive nosebleed!

WE LAUGHED HYSTERICALLY!

Haruka and Sononi gave stern glares at the Male Donbrothers.

UH OH!

Nicole: You guys better hope that you turned away when that happened! (CRACKS KNUCKLES) OR ELSE!

Eli: YEAH!

Maria: (to Haruka) So, do you REALLY have a crush on Taro?

Haruka: That was just part of the act back then, okay?!

Maria: Okay okay! Jeez!

Nico: Sorry. We have a habit of picking up on these things.

Then an Accelgor came!

Nico: An Accelgor! Cool!

Me: Neat!

Accelgor: (In a girls voice) I'M GOING TO BEAT THE FUCKING SHIT OUT OF THIS FUCKER FOR PEAKING!

Nicole: WHOA I like her!

Nico: Trudy Laurence!

Accelgor: Yep.

She fired a wave of energy and blasted Ninjaki down.

Nico: Take that!

I then felt something.

Me: What the?

I had a sign put on me.

Me: (Reading) "Sakura Haruno is a dummy?!" Whoever wrote this is gonna have my fist smashed into his face and out through his head!

Ruckus: Were you really gonna punch J.D.?

Sakura Haruno: Well he called me a dummy.

Me: No I didn't! Some douchebag put this sign on my back that said it.

Sakura Haruno: Oh.

Me: And when I find the guy I'm going to kill them!

Tsubasa: Relax. You'll probably never see him or her again.

But then I heard laughing and to my shock it was a prankster kid that I remember from my past!

Me: (GASP) Lewis Wilkins!

Lewis Wilkins: (LAUGHS) You fell for another prank J.D.!

Me: (LAUGHS) You haven't changed a bit Lewis!

Tsubasa: Of course I could be wrong.

Nico: You know him?

Me: You could say that. Lewis Wilkins was the biggest ever class clown in my entire school. He did all kinds of crazy pranks on the kids and the teachers and he got in trouble for it more times than anyone else can even count.

Allie Wilde: Good old Lewis. He is still as funny as ever.

Lewis Wilkins: Just like old times.

Me: Unfortunately they were both good and bad. I'd love to chat with you Lewis but we have a monster to destroy.

I went at Ninjaki.

Lewis then pulled down Sakura Haruno's pants and then she EXPLODED IN RAGE AND ROARED AND THEN…

EXPLOSIVE MASSIVE PUNCH!

She punched him so hard into the ground with devastating force that she buried him in a crater in the street!

Nico: OOH! OUCH!

Tsubasa: That's gotta hurt!

Nico: NO FUCKING SHIT!

He was brutally mangled up with every single bone in his body broken!

Ninjaki got up and I slashed him and bashed him down.

He got up and I teleported and kicked him back towards us.

Me: Lets finish him off guys.

Nico: With pleasure!

Me: Yeah!

Donbrothers, Me, Nico, Lyra and the Knights of the Friendship Table: SOLAR SYSTEM OF MAGIC FRIENDSHIP!

We formed a Solar System and they had the cutie marks of all of us and we fired waves of energy and the blasts all hit Ninjaki and he exploded!

KRABBBBBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOO

He was back to normal and I caught the Kakuranger gear.

Me: YEAH! Ninjaki you have failed this city!

Donbrothers: Demon Elimination complete! All's Well that Ends Well!

Twilight Sparkle: Knights of the Friendship Table…

All: FRIENDSHIP IS MAGIC!

Me: Yeah!

Koichiro: That was so awesome!

Moonracer: Koichiro, when you get back to Japan, you need to go back to your mom and spend as much time with her.

Me: I agree. Tell her everything that has been happening and what has been going through your mind. Open up to her and tell her what was wrong and she will help you as best as she can.

Koichiro: I will. Thank you guys.

Me: You're welcome.

Taro: But welcome to the team Koichiro.

Koichiro: Thanks Taro.

Me: You'll be an awesome Donbrother.

They teleported back.

Me: Boy Sakura I hope you didn't kill Lewis?

Varie and the Medical unit got him out and took him to our infirmary.

Trudy reverted back and she was a girl with neon red hair and had red eyes and had a red shirt and blue skirt and red leggings on and had red skirt.

Aurico: What's your favorite memory of Nico?

Trudy Lawrence: When me and Nico found this motherfucking pervert in the girls locker room and we smashed him into a fucking pulp.

Me: Whoa colorful mouth. And I thought me and Tayuya had rotten mouths.

Tayuya: No fucking kidding.

Me: Fuckin A.

Qin: Yep.

Nico hugged her.

Nico: I've missed you Trudy.

Trudy Lawrence: Me too Nico. Me fucking too.

Wood Man: Do you always say bad words?

Trudy Lawrence: Sorry I can't help it.

Me: Oh.

Nico: Lets get ready for our mission.

Me: Barodius is coming.

The Previous group came.

Felix Faust: Can me, Dumbbelltron, Gameface, SkullMeramon, Grundy, Marluxia, Black Knight Ghost, Xigbar, Pyros, and Goro go with you guys?

Nico: Yes you all can come with. We're going to need all the help we can get for this one.

Lola: I agree there.

Suzumebachi: Nico, which Gene Slammmers do you think you'll meet next?

Nico: Mienshao, Druddigon and Golurk next.

Me: Neat!

Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye glowed, and he had a vision and he saw who it was that we were going to confront: it was Barodius, the former Gundalian Emperor, and he's come back again for revenge and he's coming to kill Dan and make him suffer for defeating him. When we saw it, we all knew it meant trouble.

Nico: Lincoln, what's wrong?

Lincoln: Barodius is here! He's at the park.

Me: I always knew the bastard wouldn't stay dead for long.

Nico: Me too.

Lincoln: But, now the time has finally arrived. We're going to destroy Barodius and make sure that he is destroyed for good this time.

Daria Kuso: You got that right, Linky, there's no way I'm going to let that bastard kill my cousin.

Fabia: He'll also be after J.D. yet again, but he's in for one nasty surprise.

Me: That's right.

Lincoln: We also need to tell Stoica, Kazarina, Airzel, Gill, and Anubias about this.

Maria: It's already done, and Lumagrowl, Lythirus, Horridian, Dharak, and Krakix are also wanting to tear Barodius to shreds.

Jessie Glen: After what he did in trying to get help from Dustin Keystone last year to get revenge on us, I think he's already sealed his own fate.

Plitheon: Now, he's going to suffer badly.

Nico: You got that right.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Melanie Landon of The Legion of The Lincoln-Haters, and she's heading here to kill Lincoln and get revenge. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, it's Melanie Landon of The Legion of The Lincoln-Haters, and she's heading here to kill me and get revenge.

Selene Arcangela: Should've known Brianna Greyson would send her next. But, if we know that bitch all too well, she'll also be bringing Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava

Parker, Alana Cameron, and Brianna Greyson with her.

Nicholette Torrington: Just like what happened when The Chernabog Sisters came after us last year.

Lincoln: That won't be a problem, I'll trap them in a force field.

Persephone: While you, Trixie, and I deal with Melanie Landon and put an end to her for good, Lincoln.

Lincoln: But, we also got to watch it though, Melanie Landon will no doubt have her machine guns with her, along with the others.

Nico: Good thinking, if they broke out of jail, they're bound to have gotten access to high-powered machine guns they stole from the cops or got themselves from contacts outside. Alright, gang, let's go, it's time to destroy Barodius once and for all!

Me: Right!

Lincoln: We've sent him to The Warp enough times that he's already been driven insane by his crazed desire for revenge, but now, all his allies have left him along with Dharak, he's now alone and finally, we can get rid of him for good, and once we get done destroying Barodius for good, you're next, Melanie Landon.

Selene Arcangela: You better start praying for mercy, you remorseless bitch.

Selene Emperyous: Because, we will show you and the others none for everything you've done in the past.

Persephone: No way are we forgiving you for any of your actions, Melanie Landon, you better be ready to pay the price for your foul misdeeds right after we destroy Barodius.

Lincoln put up a rainbow energy field around The World Tree Estate and we headed off to finally destroy Barodius once and for all, and after that, Persephone and Lincoln are going to kill Melanie Landon of The Legion of The Lincoln Haters.

Just then, Vypra and the other Masters of Evil arrived.

Vypra: We got the message from Maria, is it true Barodius has come back for more?

Me: Yep, but now, this will be the last time we ever have to deal with him.

Lincoln: We're going to destroy him once and for all, and what better way than to have his former cohorts and Guardian Bakugan join in on the beatdown of that monster's life.

Nico: As they say, payback's a bitch!

Me: Get ready Barodius, (EYES GLOW RED) THIS TIME YOU DIE FOR GOOD!

Lincoln: Barodius is gonna pay for his crimes!

Dan Kuso: Yeah, about that…

Dan pushed a button and the rest of us were stopped by a force field.

Dumbbelltron: Dan, you better explain yourself right now!

Runo: Is this your idea of a joke?!

Dan (solemnly): I'm sorry, guys. But I have to do this alone.

Luna: You better have a good reason, dude!

Dan: The first time we killed Barodius, he injured my Mom! I can't let that happen to any of you! Hate me when I get back but you'll thank me when this is done.

With that, Dan went outside to where Drago was already waiting for him.

Drago: I'm with you all the way, Dan. But I'm not sure I agree with what you just did.

Dan: They'll understand when I get back.

Dan got on Drago's shoulder and they flew off.

I teleported and stopped Dan.

Me: Dan no! I am not letting you go through with this again! Last time this happened your mother got seriously hurt and you almost got yourself killed. All of us are helping you this time! Don't try and stop us!

Runo: Yeah Dan! Like it or not we're all in this together!

Ren Krawler: Dan, you're not forcing any of us into this. We CHOOSE to fight alongside you.

Linehalt: Besides, Barodius is me and Ren's problem too. He lied to us for so many years.

Me: He's EVERYONE'S Problem! Mostly mine too. The reason is he is in every way like Frieza. Countless lives were destroyed because of him and he will pay for it all.

Nico: Yeah! Barodius will pay in blood.

Me: If we don't stop Barodius, Dan he will continue to kill and kill and kill and kill and kill until no one is left in the universe!

Gameface: Look, I know that you don't want any of us hurt. But you don't have to fight him alone. We're fighting with you, not for you, okay?

Me: That's right Dan. Like it or not we are all in this together.

Dan: But J.D.

Nico: That's an order!

Dan: Okay okay. Lets go.

Drago: Yeah.

Dan: I'm sorry. It's just that-

Batch: You don't want us getting hurt like your Mom did? I know. But you're not alone in this. We're your friends, dude. And friends back each other up.

Me: That's right. But lets hurry.

We were off.

Nico: Time for the entrance.

We flew down to the park.

Barodius was looking around with an evil smirk on his face and then the spirits of all the Bakugan came and they swirled around him and then they converged and then…

KRABBBBBBBBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and a phoenix cry was heard and we appeared and landed in front of him and then we were teleported to the planet Vanqor!

Me: Barodius! So we meet again for the last time!

Eli: You're going to pay for everything you did!

Barodius laughed as he turned into Mag Mel.

SkullMeramon: Mag Mel?! So that's what Kazarina meant!

Nico: Yep.

Mag Mel: I HATE YOU ALL MORE THAN EVERYTHING IN THIS UNIVERSE!

Our auras flared up explosively!

Me: No matter who you turn into Barodius you are still just as ruthless and evil as Frieza!

Xenia: Yeah! You brought all this on yourself!

I looked at him with intense righteous justice and fury!

Me: You seem to delight in seeing other people suffer and you treat life like a disposable commodity. You destroy homes, you take the lives of so many innocent peace loving people. And you even take the lives of children. And all of this because of your own hatred towards all life and every living thing in the universe. Well now it's YOUR TURN! I've had it with you Barodius!

I then transformed into my new SUPER ANGEL EBONWU UNITED FRIENDSHIP UNIVERSAL ETERNAL CELESTIAL XELNAGA COSMIC ELEMENTAL WOLF MOON PHOENIX!

I walked over to him with my aura at full power.

We faced each other with eyes blazing with hatred and fury.

Barodius: You will die like Kuso will.

Me: **I don't think so. Like I said before when we fought the first time, I'm immortal. I will never die. The only one that's going to die here is you and your death will not be pretty.**

I kicked Barodius in the face with devastating force and sent him crashing through a bunch of rock pillers and went after him with incredible speed and then I teleported and kicked him in the back and sent him crashing into the rock ground and fired numerous energy blasts at him and they hit him all over and exploded with incredible power!

Me: **None of your fucking business.**

A figure came out and it was BOOM BOT FROM EPISODE 9 of RPM!

---

Boom Bot was sent by Venjix to serve as distraction maneuver while Tenaya 7 would steal the Black Diamond of Landsdowns, the treasure of Summer's family. This Attack Bot infiltrated the Corinth City Shields, with Tenaya 7 and the Grinders, by creating sonic interference. They were stopped and held up by the Corinth City Forces, but Tenaya 7 quickly took them out, allowing the Attack Bot & the Grinders to continue. Similar to the monsters Somnibot and Dischordia, he used sounds as his main power, even wielding a microphone staff as a weapon.

When they arrived in the city, the evil forces started attacking the citizens of Corinth. The City Patrol tried to stop them, but they weren't strong enough. Boom Bot could emmit powerful sound waves to attack. Scott, Flynn, Ziggy & Dillon soon arrived and took the Grinders out. They then morphed and were ready to battle Boom Bot. However, the robot used his Sonic Bombardment Cannons to keep the Rangers down.

Luckily, Summer showed up and battled Boom Bot. Ranger Operator Series Yellow was able to use her Energy Blast to weaken the beast. This gave the team enough time to form their cannons and blast the robot.

But the battle wasn't over just yet. Venjix made Boom Bot grow, forcing the Rangers to form the High Octane Megazord. The Megazord alone wasn't strong enough to take on Boom Bot. Dillon then joined in the fight with his Zord. By combining Ranger Operator Series Black's Zord with the High Octane Megazord, the Rangers gained the firepower they needed to destroy Boom Bot.

The Rangers & Doctor K later discovered that Boom Bot was not the primary threat to the city. Boom Bot had been implanted with a self-destruct device, that was activated during the battle, making him nothing more than a decoy to keep the Rangers busy while Tenaya 7 went to steal the Landsdown Diamond.

---

Nico: Boom Bot!

Summer: Not him again!

Nico: I remember you. You were trying to provide a distraction so that Tenaya 7 can steal the Black Diamond of The Landsdown's.

Boom Bot: That's right. Also I heard that you guys saw the diamond a while back.

Nico: We sure did. Summer's family has an amazing treasure.

Summer: I'm glad you think so.

Nico: And NO Kairi you can't have it.

Kairi Yano: Hey, I don't steal from you guys!

Boom Bot: Tell you what? You can help the RPM Rangers get my treasure.

Nico: I was expecting a pout but that works.

Kairi Yano: Okay.

Everyone got the battles underway.

---

Ragdoll was next.

Ragdoll: (to War Machine) I heard you guys met a gene-slammer for Spotlight. What's her name?

War Machine: Her name is Maria Taiyou and she is a really awesome master of light.

Thumbelina: She is a really powerful guardian angel of light.

Shirou Gou: She sure is and we're amazed for her.

Sapphire Constantine: Yeah she is a powerful master of light and a powerful force.

Shino Susaki: We're proud of her too for her story.

Mahoro Shimano: You should have seen what she did.

---

Nico: Yep. So, Maria, what's the story on how you told off Luan and that not only did it drive her mad, but she tried to rush at you to kill you and how Lincoln saved you from her attack?

Maria Taiyou: Oh, you're so going to like seeing this.

Maria Taiyou pulled up the video as it played on the big screen, and we saw Maria Taiyou standing in between Lisa and Lincoln who was beside her, and Luan was completely driven insane, she had a psychopathic grin on her face, and she had one of her lethal pranks in hand.

Past Maria Taiyou: You've gone too far in trying to hurt Lincoln just because you see him as an easy target for your so-called pranks, Luan, but you know what, you've been asking for it for a long time, and if you think anyone's going to save you, you're wrong. Lincoln's not a target for you to abuse and murder just for a laugh, he's your little brother and you should've treated him with respect, but you know what, you're so psychopathic and completely insane, you don't even know what respect is, and now, you're going to get a taste of your own medicine, you parasite. You're a crazed sadistic psychopathic prankster who enjoys torturing your little brother, your family, and everyone around you with your lethal pranks, you're an evil monster who has no remorse for all the harm you've inflicted with your insidious pranks, and you're an insane homicidal prank-crazed demon who's used her love for pranks to inflict pain on everyone who got in your way!

We gasped at her harsh words.

Alicia Chan and Mindy Chan: OH! Now, that was just harsh!

Nico: You got that right, Alicia and Mindy. But, damn, Maria really laid down the law on her! If we laid down the law on Connor long ago, he would've been running scared into his room!

Me: Varie and I still remembered those harsh words she said to Luan, and man, did they sting!

We continued watching the video, and then, we saw that set Luan off and she absolutely lost it big time, and she tried to kill her with more of her lethal pranks, but Lincoln fired Spotlight's halo rings from his angel wings and they bound Luan and tied her up.

Past Maria Taiyou: Lincoln… , you saved me?

Past Lincoln: I wasn't going to let Luan kill you, Maria.

This made Maria Taiyou smile, and she went up to Lincoln and they kissed on the lips and it left that homicidal prankster seething with rage and thoughts of heartless revenge.

Past Luan: You two haven't seen the last of me, this isn't over! I'll get out of this, and you will both die laughing! (LAUGHING

INSANELY)

Past Rita: Why don't you kids go upstairs? I've got a few words to say to that insane clown!

Lincoln and Maria Taiyou went up to Lincoln's room, but they did hear Rita tell Luan off big time, and that resulted in Luan getting grounded big time!

Past Luna and Lily: Alright, get in there, clown!

We then saw Luna and Lily dressed as prison wardens throw Luan who was bound in a straitjacket in a cage like a criminal and with Wardens Luna and Lily watching her like a hawk, and the video ended.

Nico: Dang, Luan really went way too far that day!

Luna: She sure did, and I was expecting Maria to blast her, but Lincoln saved her and used Spotlight's halo rings to bind her, and that made Spotlight smile.

Spotlight: I also taught him how to use eye beams and Heavenly Auras, and he mastered them both quickly.

FLASHBACK ENDS

Ragdoll: Boy Luan really made Maria mad! Boy did she really tell her off!

Pinkie Pie: You're not kidding! She really laid down the law on her.

Bakugan Battle Brawlers, Mane 10, me, Nico, Eli, Allie Wilde, Sakura Knudson and the Loud Kids: BAKUGAN FRIENDSHIP RETRIBUTION BLAST!

We fired waves of energy and elements.

Lincoln: BAKUGAN ELEMENT STYLE: OMEGA LEONIDAS!

Risky Boots: BAKUGAN DARK STYLE: BATTLE AX VLADITOR!

Jessica Shannon: BAKUGAN FIRE STLE: HYPER DRAGONOID!

Nanami Simpson: BAKUGAN WATER STYLE: PREYAS!

Julie Makimoto: BAKUGAN EARTH STYLE: HAMMER GOREM!

R. Mika: BAKUGAN LIGHT STYLE: BLADE TIGRERRA!

Juri Han: BAKUGAN DARK STYLE: ALPHA HYDRANOID!

They fired waves of energy and elements and they formed into said Bakugan.

Lincoln and his harem: BAKUGAN FINAL SMASH: BAKUGAN ELEMENTAL SPIRIT BOMB BLAST!

They made Spirit Bombs based on the elements of Bakugan which merged into a giant rainbow colored spirit bomb then they fired it at Barodius which explodes on contact!

EXTREMELY MASSIVE EXPLOSION!

He was knocked down.

Barodius then got up and he was using the last of his strength and was building up his power to incredible levels and he was incredibly enraged.

Barodius: IF I CAN'T HAVE THIS FUCKING UNIVERSE, THEN NO ONE CAN!

Me: **You will pay for everything Barodius (Cups hands to Side) TIMES 500,000 SOLAR KAAAA! MEEEE! HAAAA! MEEEE!**

Barodius: NOW YOU ALL DIE!

He fired a massive blast of pitch black energy from his hands and I fired a massive Rainbow Solar Kamehameha blast.

Me: **HAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA!**

I fired a massive Rainbow Kamehameha Wave of incredible power.

Krillin sensed the incredible amount of power coming from the blasts.

Krillin: That's way too big! Lets go!

Everyone flew away from the blast area. The blasts collided and a massive power struggle began. Once everyone got to a safe distance they saw the struggle that was taking place.

Krillin: They're gonna change the shape of the whole universe!

Piccolo: Barodius!

Varie: What power! Come on guys! Lets help J.D. out!

Goku: Right!

Everyone went to distract Barodius so I can finish him off once and for all.

(DBZ Calling The Dragon theme plays)

They landed on different sides.

Piccolo: SPECIAL BEAM CANNON!

He fired his Special Beam Cannon and it hit Barodius in the back.

Tien: TRI-BEAM!

He fired a yellow energy blast and the rest of the Z Fighters fired energy blasts.

Sailor Soldiers: PLANET ETERNAL POWER!

The Sailor Soldiers combined their power and fired a massive white energy blast.

Nico fired a powerful blast of fire energy and it hit Barodius. The blasts hit Barodius and it provided some form of distraction.

Me: **I've got to reach deeper! (Intensifies blast) HAAAAAAAAAAAAAAAAAA!**

Barodius was being pushed back and he intensified his blast.

Me: **I'VE HAD ENOUGH OF YOU AND YOUR FUCKING EXISTENCE BARODIUS!**

Barodius: You're all so anxious to die aren't you? Well all you had to do was ask!

He fired a blast of energy wind and blew them all away.

Me: **I HATE YOU BARODIUS! (INTENSIFIES BLAST) HAAAAAAAAAAAAAAAAA!**

Barodius intensified his blast. Lightning struck all over the area from the blast.

Everyone fired back at Barodius!

Barodius: WHY CAN'T YOU PEOPLE JUST STAY DOWN!?

He fired more energy wind and blew them away again.

But they kept getting up and fired more blasts.

Barodius: They just keep lining up to die!

They fired more blasts at him.

Barodius fired more wind.

Barodius: NO CHANCE! YOU HAVE NO CHANCE!

He intensified the energy wind even more and blew them away.

Will: We have to combine all our Guardian Powers on Barodius. Vegeta we have to help J.D.!

Vegeta: You know it Will!

Nico: Lets go!

They flew above Barodius and Nico, Vegeta charged up his blast.

King Kai felt the enormous power of our blasts and something was gonna happen!

King Kai: OH NO! VANQOR IS GONNA BLOW!

The power of our blasts was so strong and powerful that it was threatening to tear the entire planet of Vanqor apart!

The ground was shaking apart and earthquakes were going on all over the place!

Lincoln: The Planet is gonna explode!

The effects of our battle were being felt around the whole universe.

Lillian: Come on J.D.! Save the universe!

Goku: (To me telepathically) Release it J.D.! Release everything! Remember all the pain she has caused, the people she has hurt, now make that your power!

Me: **I will Master Goku!**

Vegeta: FINAL FLASH!

Nico: FINAL SHINE!

They both fired their powerful blasts and the Guardians fired their blasts.

Nico, Vegeta and the Guardians: ELEMENTAL FINAL DESTROYER!

The blasts combined and hit Barodius. It exploded and it provided a distraction. He saw them and it was the moment I was waiting for.

Goku: NOW'S YOUR CHANCE!

Me: **GO TO HELL BARODIUS!**

**HAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA!**

I intensified the blast to an incredible level of power and it overtook Barodius' blast and destroyed it. The blast was so powerful and so devastating that it was more than enough.

(Death of Frieza, Cell and Buu theme plays)

Lincoln: NOW!

We all fired black energy blasts, and thanks to the focusing lens, the black energy blasts became even more concentrated and more powerful, and they hit Barodius and exploded with incredible power

EXTREMELY MASSIVE AND POWERFUL UNBELIEVABLE EXPLOSION!

Barodius was being destroyed because of it.

Barodius: DAMN YOU J.D. KNUDSON!

Barodius was completely obliterated by the sheer power of the blast in an instant and there was nothing left of him. He was banished to the Black Gates forever as a result.

I powered down and I wasn't even in the least bit exhausted.

Me: It's finally over.

Dan: Good riddance forever, Barodius.

Me: May we never ever see your pathetic face ever again!

Nico: That's for sure. Awesome job, gang, we're finally rid of Barodius once and for all. Lincoln: Now, there's only one last thing to do, and one last loose end to tie up: Melanie Landon.

Lincoln: Oh great, I knew there's no mistaking that foul mouth from anywhere, you just don't know when to call it quits, do you, Melanie Landon.

We saw a girl with black hair, red eyes, and dressed in a black coat, white blouse, black pants, and black knee-high boots heading our way on a motorcycle, it was Melanie Landon of The Legion of The Lincoln-Haters, but we also saw Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson heading here as well.

Selene Arcangela: Oh great, that monster bitch's also got Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson with her.

Lincoln: If they think I'm going to take that lying down, they've got another thing coming.

Lincoln fired magnetic blasts at the motorcycles and destroyed them and that sent the Legion of The Lincoln Haters flying off the destroyed motorcycles, and when they got back up and saw Lincoln, they were now absolutely pissed off.

Melanie Landon: You ruined everything, Lincoln Loud! We had every last loser cowering in fear before us, but you… ! YOU JUST HAD TO PLAY THE HERO AND RUIN OUR REIGN!

Brianna Grayson: And what you fucking did in killing our dads… , THAT WAS THE LAST STRAW THAT BROKE OUR FUCKING BACKS! KILL THEM ALL! LEAVE NONE OF THEM ALIVE!

But, before Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson could get after us, Lincoln trapped them in a rainbow energy field.

Alana Cameron: WHAT THE FUCK?! HE TRAPPED US INSIDE THIS AGAIN! I'LL FUCKING KILL YOU, LINCOLN!

Lincoln: Cry me a river!

Maria: You tell her, Lincoln! (Flips Middle Finger) And up yours, bitch!

Qin: They're just as, if not even worse, than Audrey Madison, and she was a heartless, sick, twisted, good-for-nothing, murderous slut!

Me: And they're still as stupid and murderous as ever.

Persephone: This'll make sure the message is clear: those who cause trouble shall pay the price.

Suddenly, Persephone's eyes turned neon red and she was surrounded by a black and red energy aura with darkness, dark flames, stars, vampire bats, creatures of the night, and phoenixes, and as she approached Melanie Landon, she left black and red energy, darkness, dark flames, stars, vampire bats, creatures of the night, and phoenixes with every step.

Persephone: I can't believe that you'd break out one day to get revenge on Lincoln for something that was entirely your fault, Melanie Landon, and the same goes with the rest of the monster bitches inside the energy field. You think that now that you and the rest of The Legion of The Lincoln-Haters have broken free you can just waltz in here and try and kill Lincoln, we're not standing for it. You've already put the final nail in your coffin, and now, it's time for you to die.

Suddenly, Persephone was surrounded by a massive vortex of black and red energy with darkness, dark flames, and stars surrounding it, there are vampire bats, creatures of the night, and phoenixes flying around the vortex and in the vortex is a midnight black phoenix with red eyes glaring at Melanie Landon: the red eyes of death. Then, as the vortex faded, Persephone emerged, but she was changed forever.

(A DEMON'S FATE BY WITHIN TEMPTATION PLAYS)

Persephone grew from 6'11" to 7'5" in height, she has the body of a goddess, she has blood red highlights in the bangs of her long black hair and she now has vampire fangs, she has neon red eyes and a black and blood red energy aura with darkness, dark flames, stars, vampire bats, creatures of the night, and phoenixes surrounding her, she has a vampire bat with blood drops on its belly emblazoned on her forehead with Third Eye with blood red iris, she has on vampire bat earrings with blood red gems for eyes and holding the Dark, Death, and Eternity Kanjis in its claws, she also has a vampire bat with blood red gems for eyes and holding the Dark, Death, and Eternity Kanjis in the claws on the bottom of her blood red vampire bat-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love with blood red crystal links from her merged Crystal Necklace of the Buddha and blood red gems embedded on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Persephone has on a long-sleeved midnight black dress, knee-high black boots, she has on large gold metal bands with green gems on her biceps and thighs, and long sleeveless white trenchcoat with darkness, dark flames, vampire bats, creatures of the night, stars, and phoenixes on the coattails, and on the back is a vampire bat surrounded by darkness. Suddenly, Persephone felt a sharp pain on her back, and then, massive black angel wings with blood red tips on the feathers grew and sprouted out from her back, and she now has eleven massive and long black wolf tails with blood red tips and blood red markings, Persephone has on her Ring of the Phoenix with onyx gem and heart-shaped gem embedded in it on her right ring finger and Green Lantern Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Persephone's Dark Princess's Demonic Vampire Broadsword of Gothic Poetic Justice and all the greatswords and swords that she'd gotten began to merge together and they're surrounded by a kaleidoscope of black and blood red energy, darkness, dark flames, vampire bats, creatures of the night, stars, dragons, and phoenixes, and when it emerged, it transformed into Maggie's Eternal Cosmic Darkness Dark Princess's Demonic Vampire Greatsword of Eternal Cosmic Darkness Dark Princess's Demonic Vampire Gothic Poetic Phoenix Justice, it's a brand-new massive greatsword with embedded blood red gems and blood red etchings and a vampire bat and phoenix etched on the 7'3" massive, wide, double-edged midnight black blade, large midnight black vampire bat heads for the crossguard, large white angelic faces built into both sides of the hilt with blood red gems embedded in the foreheads, longer midnight black handle, four large black vampire bats heads with blood red gems for eyes and in their mouths and a large black vampire bat head with a blood red gem in its mouth below the large phoenix heads for the pommel. Persephone has on her new Bracers of The Champions of The Universe with blood red gems on her wrists and Dragon Ball Bracelet on the left bracer, her new gold Belt of Elemental Bravery with a gold vampire bat head with blood red gems for eyes and a large blood red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a blood red kanji below the vampire bat that said, "Persephone, Member of The Goths of Darkness, Member of The Young Morticians' Club, Goth of Michigan, Lover of Darkness, The Occult, and Vampires, Best Friend of Lucy Loud, Member of The Green Lantern Corps, Despiser of Killjoy Huggins, Dark Chandler and His Minions, And The Rest of Lincoln's Enemies, Loving Future Wife of Lincoln Loud, Archenemy of Misty Tredwell of The Dark Signers, Destroyer of Melanie Landon of The Legion of The Lincoln Haters, Destroyer and Slayer of Extremely Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Dark Magic, Dark Fire, Vampires, Creatures of The Night, Stars, Dark Curses, Green Fire, Phoenixes, and The Occult"

Persephone has transformed into SUPER ANGEL-VAMPIRE-PHOENIX-HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE DARKNESS ETERNAL COSMIC GOTHIC DARKNESS VAMPIRE PHOENIX ANGEL OF DIVINE DARKNESS ETERNAL COSMIC GOTHIC DARKNESS VAMPIRE PHOENIX JUSTICE AND DIVINE DARKNESS ETERNAL COSMIC GOTHIC DARKNESS VAMPIRE PHOENIX LOVE!

We were amazed by Persephone's Super Angel-Vampire-Phoenix-Harmony Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Melanie Landon saw it, she went fucking crazy and she got out her machine gun to fire at Persephone, but Persephone fired a barrage of black and blood red energy blasts with darkness, dark fire, vampire bats, creatures of the night, stars, dragons, and phoenixes at Melanie Landon and it sent her flying into a tree back first, she got back up and she ran at Maggie again with a knife she got out, but she disarmed Melanie Landon and dislocated her arm and sent her flying into another tree with a roundhouse kick, she got back up, but now, she was mega pissed off!

Nico: Whoa!

Haiku: Gasp!

Brittney: This is so incredible, Persephone's transformed!.

Me: You said it, Brittney, Persephone's transformed into her Super

Angel-Vampire-Phoenix-Harmony Universal Eternal Celestial Xelnaga form, and she disarmed Melanie Landon and she sent her flying into a tree with a roundhouse kick.

Lincoln: Melanie Landon has been asking for this for a long time, and what better way to administer her final judgement than right in front of the other members of The Legion of The Lincoln-Haters.

Persephone: (Divine Godly Cosmic Voice of The Demonic Cosmic Eternal Darkness Gothic Blood Vampire Phoenix Angel and Divine Demonic Cosmic Eternal Gothic Darkness Vampire Phoenix Love) **You got that right. Now, let's rip her apart, Linky, my King of The Eternal Night.**

Lincoln unholstered his massive Lincoln Loud's Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Phoenix-Harmony Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Hope, and he joined Persephone.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You and the others have caused more than enough grief and trouble to everyone in Michigan for too long, Melanie Landon. We've made the right choice getting you all expelled and put in prison five years ago, but you know what, prison's too good for any of you. Now, we're going to fix that and do what should've been done to you years ago.

Persephone and Lincoln went after Melanie Landon who went extremely ballistic and continued firing at them, but they dodged the bullets, and they fired extremely powerful blasts of rainbow energy, black and blood red energy, fireworks, quintessence, life energy,

illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Melanie Landon and they exploded with incredible power as they hit her, and they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and he and Persephone attacked her with punches, kicks, and karate chops, and they were really, really, really pissing off her off now and driving her even more ballistic.

Just then, Melanie Landon got out a second machine gun, but Lincoln put up a rainbow energy shield around him, Persephone, and all of us, and she started shooting like crazy and also laughing like a deranged bitch, but the bullets were getting bounced off the energy shield. Suddenly, the machine guns ran out of bullets and Melanie Landon's deranged laughter died down and she was really fucked now.

Me: Hah! You're out of bullets, bitch, and you know what that means!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smirks) **You're shit out of luck!**

Lincoln grabbed Melanie Landon by the neck and he tossed her into the air, and Lincoln and Persephone fired a powerful barrage of energy balls with darkness, stars, quintessence, elemental forces, and mythological animals, and as they hit Melanie Landon, they exploded with incredible power and she was killed in the explosions, and that angered the rest of The Legion of The Lincoln-Haters. Then, Melanie Landon's spirit appeared, and she was still incensed with anger and fury.

Melanie Landon: You think you've won?! I'LL RETURN ONE DAY AND KILL YOU ALL!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **No, you're done and this time forever, Melanie Landon. Give my regards to your lowlife dad when you see him.**

Lincoln summoned the spirits of Melanie Landon's victims from the past who seized her, and then, he drew the Judgement Kanji on her forehead, and as predicted, she was found guilty for her crimes, and she was fading away from existence.

Melanie Landon: NO! NO! DAMN YOU, LINCOLN LOUD, DAMN YOU ALL, TEAM LOUD PHOENIX STORM! DAMN YOU ALL TO (FADES AWAY)

We cheered wildly as Persephone and Lincoln holstered their massive greatswords on their backs and powered down, and Persephone's new body, clothes, weapons, jewelry, Third Eye, and eleven massive and long black wolf tails, and massive black angel wings are permanent.

Then, the rainbow energy field Lincoln put up to keep Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson inside went down, and they ran up to the dead remains of Isabella Morgana. Then, they looked at Lincoln and they were absolutely really seething with rage!

Brianna Greyson: You're going to pay for this, Lincoln Loud! YOU FREAK! KILL HIM! KILL THE FUCKER!

Suddenly, the sound of police sirens were heard, and being the criminals they were, they knew they were in huge trouble!

Brianna Greyson: This isn't over, Lincoln Loud!

Then, Megan Cooper, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson ran off, but not before they gave us the finger, and me and Nico retaliated by giving them the finger and it drove them mad as they ran off.

Nico: Yeah, up yours too, bitch!

Persephone: We've taken another one down so far, and now, we got eleven more to go. Thanks for helping me destroy Melanie Landon, Linky.

Lincoln: (Smiles Warmly) You're welcome, Persephone.

Suddenly, Persephone wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Persephone's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, and Angel flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and darkness behind them and we cheered wildly. Then, Lincoln and Persephone absorbed the darkness and they came back to us as the display vanished.

Nico: Whoa, now that's what I call a dose of dark vampiric justice. Lincoln, Persephone, you two did really awesome in teaching that monster bitch, Melanie Landon, a lesson and pissing off the rest of those monster bitches.

Lincoln: Thanks, Nico, but this is only the beginning of The War Against The Legion.

Me: You said it.

Lincoln: And for tomorrow, the next member of The Legion of The Lincoln-Haters that's going to show her face is Megan Cooper, which means you and I are up next, Hattie.

Hattie: Yes, we'll make her pay for all of her crimes in full.

Lincoln: But we've also got to keep an eye out, The Legion of The Lincoln-Haters are bound to send hired thugs after us.

Nico: We'll be ready for them since we've been dealing with hired thugs hired by our resident jerks to kill us, which always end with you killing them by sucking out their blood and pissing Flip and the other jerks off.

Lincoln: And I've got an idea for which Skylander Gene-Slammer we're meeting tomorrow: we're going to meet the Gene-Slammer for Flashwing.

Selene Arcangela: Awesome, and there's only one person who'd be Gene-Slammed into Flashwing: Helena Brooks, she's Lincoln's Guardian Angel and The Master of The Element of Earth and Crystals, and among the first humans who were actually born in The Skylands and grew up there under the guidance of Master Eon and the Skylanders, and as Helena grew, she'd discovered that she's a master of the Element of Earth, one of the Ten Elements of The Skylands, and she trained a lot under the tutelage of Master Eon and the Earth Skylanders and she proved to be quite the master of earth and crystals. She left The Skylands and she moved to Royal Woods, Michigan, and this is way before Kaos, The Dark Portal Master, had launched his hostile takeover of The Skylands. Helena really hated that world-conquering warlord, and when Marie formed The Skylanders Liberation Coalition, Helena became one of the members and she had sworn to make Kaos pay for all his crimes against Skylands and against all The Skylanders.

Melanie Aranyani: After you guys freed The Skylands from Kaos and The Skylands merged with our world, The Skylanders Liberation Coalition had become part of The Earth-Skylands Federation. Plus, we also saw she fell in love with Lincoln when they first met, and she really trained him intensely on how to use the Element of Earth and Crystals, and she also had the additional help of Flashwing and the other Earth Skylanders, who really helped Lincoln in advancing his training in mastering the element of crystals and earth, and over time, he really proved to be a master and at the same level as Helena.

Me: Hey, now I remember her all too well, she went missing long ago, and now I know why she went missing, she was Gene-Slammed by Team Rocket.

Lincoln: Yep.

Selene Arcangela: And although Helena hates Kaos with a blazing passion for all his crimes against Skylands, there's only one person that Helena hates with a passion ever since she came to Royal Woods: that person is Flip, and Helena has more than once used her skills in crystals and earth to put that mutant cheapskate in his place and cause trouble on that greedy mutant, and she even told him off saying that Flip's a empty-headed three butt-cheeked moron who enjoys ripping people off and satisfying his own greed, that he's an evil monster who has no remorse for all the harm he's inflicted with his scams and attempted murder hits, and even worse, Helena called Flip a greed-driven, insane, stupid, hairy mutant who doesn't care who he hurts to satisfy his greed!

We gasped in shock, and Nico's jaw dropped to the floor!

CLANG!

I put it back.

Nico: She called that mutant all that?! Oh, I wouldn't be surprised if Flip came charging right at her with intent to kill her.

Lincoln: Oh, he did, but he should've known if he messes with the bull, he gets the horns! You'll hear the whole story about that tomorrow.

Me: Trust me, Nico, you're going to like hearing this story, and the final hypothetical Akumatized Loud Sibling we'll be facing tomorrow on Lincoln's rescue is Wolf Carnage, the hypothetical Akumatized form of Lincoln Loud, a werewolf who has an endless thirst for blood, he has moonlight powers, and he's a monster of chaos.

Lincoln: I'm not showing that monster any mercy whatsoever, I'll rip him apart and more than leave a few scars on him. Wolf Carnage, prepare yourself! Lincoln the Nocturnal, Defender of The Night, is coming for you, and you won't have a single chance in Hell!

Nico: This will be a battle no one will ever ever forget: The Werewolf of White Moonlight Justice and Peace VS Bloodthirsty Werewolf of Moonlight of Blood Chaos and Carnage!

Me: Werewolves also have a nasty habit of getting into really bloody fights especially if an Alpha sees another Alpha in his territory, so yeah, you're right, Nico: it's going to get really ugly tomorrow.

Raven Branwen: And so ends the reign of Barodius.

Dr. Polaris: Yep. He's never gonna hurt anymore Bakugan again.

Me: That's for sure.

Hank Scorpio: You know Naga and Zenoheld are still out there, right?

Roxy Rocket: Hey, we'll go after them in the future.

Vulkanus: For now, let's enjoy the moment.

Me: I agree. Now Barodius is a forgotten memory. Besides Naga and Zenoheld pale in comparison to Barodius. So we'll face them on Nico's rescues.

Nico: Good idea. But great job everyone.

Me: Yeah!

Laney: (to the viewers) Never again will Barodius hurt anyone.

Me: That is for sure.

We went back home and enjoyed the rest of the day and went to sleep.

The next match-up in The War Against The Legion of The Lincoln-Haters is Hattie and Lincoln VS. Megan Cooper

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Belgium, and we're going to face, take down, and recruit the last hypothetical Akumatized Loud Sibling: Wolf Carnage, the hypothetical Akumatized form of Lincoln Loud, a werewolf with an endless thirst for blood and a creature of pure chaos untamed, and he also has moonlight powers, and it's going to be one bloody and ferocious fight especially when Lincoln turns into Lincoln the Nocturnal, Defender of The Night. And we're going to meet the next Skylanders Gene-Slammer, her name is Helena Brooks, Gene-Slammer of Flashwing, she's Lincoln's Guardian Angel and The Master of The Element of Earth and Crystals, and among the first humans who were actually born in The Skylands and grew up there under the guidance of Master Eon and the Skylanders, and as Helena grew, she'd discovered that she's a master of the Element of

Earth, one of the Ten Elements of The Skylands, and she trained a lot under the tutelage of Master Eon and the Earth Skylanders and she proved to be quite the master of earth and crystals. She left The Skylands and she moved to Royal Woods, Michigan, and this is way before Kaos, The Dark Portal Master, had launched his hostile takeover of The Skylands. Helena really hated that world-conquering warlord, and when Marie formed The Skylanders Liberation Coalition, Helena became one of the members and she had sworn to make Kaos pay for all his crimes against Skylands and against all The Skylanders. After we freed The Skylands from Kaos and The Skylands merged with our world, The Skylanders Liberation Coalition had become part of The Earth-Skylands Federation. Plus, we also saw she fell in love with Lincoln when they first met, and she really trained him intensely on how to use the Element of Earth and Crystals, and she also had the additional help of Flashwing and the other Earth Skylanders, who really helped Lincoln in advancing his training in mastering the element of crystals and earth, and over time, he really proved to be a master and at the same level as Helena, and although Helena hates Kaos with a blazing passion for all his crimes against Skylands, there's only one person that Helena hates with a passion ever since she came to Royal Woods: that person is Flip, and Helena has more than once used her skills in crystals and earth to put that mutant cheapskate in his place and cause trouble on that greedy mutant, and she even told him off saying that Flip's a empty-headed three butt-cheeked moron who enjoys ripping people off and satisfying his own greed, that he's an evil monster who has no remorse for all the harm he's inflicted with his scams and attempted murder hits, and even worse, Helena called Flip a greed-driven, insane, stupid, hairy mutant who doesn't care who he hurts to satisfy his greed!

The next chapter is for a battle with the Creator of the Number Cards and the Overlord of the Barion World himself, DON THOUSAND! We're going to make that monster pay for all the horrible events that took place in Yuma's life.

See you all next time.

# BATTLE IN THE BARION WORLD

Varie: It sure will.

Aquaman: This is gonna be a great and awesome adventure for us all.

Snow White: I sure am and so is the rest of my kingdom.

Me: She was a monster.

Eli: I'm glad we never have to see that monster again.

Camie: Me too.

Laney: Grimhilde deserved to be destroyed too.

Lola: I agree.

Kaoruku: Same here. I hated that queen.

Nico: She was especially weak as an old hag.

Me: What a colossal waste of time. Now the evil Queen from Snow White and The Huntsman? That was more of a challenge.

Lola: Yeah!

Camie: That must've been a good one.

Varie: Oh it was.

Nico: Yep. But J.D. you did amazingly well against Barodius yesterday.

Me: And now we've officially seen the last of him.

Nico: I don't blame Dan for trying to leave us behind. He didn't want to see us hurt.

Me: Me neither. But there was no way I was going to let him do that alone.

Nico: Me neither. Like you said J.D., we do this all together.

Me: Yep. And in the end, it erupted into a massive Kamehameha Struggle.

Camie: That was powerful and amazing.

Laney: Yeah it sure was.

Varie: Barodius was no match for our power when we work together.

Nico: Don't forget about Razenoid.

Lincoln: Yeah that was awesome. And we destroyed him too.

Lola: We sure did.

Lana: Our combos and powers did him in.

Leeli: That is for sure.

Girl Jordan: And the cancer known as Barodius is now a forgotten memory.

Lola: No kidding. I'm glad he is gone.

Camie: Thank goodness.

Nico: As for Naga and Zenoheld, we'll deal with them on our own time.

Me: They aren't NEARLY as bad as Barodius was but we'll face them when the time comes.

Lola: Yeah we sure will.

Twilight Sparkle: But at least Dan's mother doesn't have to live in fear anymore.

Camie: No kidding there.

Lola: Yeah.

Nico: By the way J.D. how is Sapphire doing?

Me: On the road to recovery. She is having her baby any day now and I vowed to make sure that the baby never turns out like her so-called father.

Nico: Good.

Me: She's expecting a baby girl.

Qin: Wow.

Me: Yummy! Perfectly salted and given the right amount of butter.

Nico: POPCORN!

Nico dove in to a pile of popcorn and was eating all over the place!

Me: Boy Nico sure loves popcorn.

Qin: (LAUGHS) He sure does. Nico always orders the biggest tub of popcorn they have whenever we go to the movie theaters. He loves Popcorn as much as chicken wings and chocolate.

Me: Boy he sure does!

Zuria: (LAUGHS) That is true.

Camie: Awesome!

Nico was eating like you wouldn't believe.

(BUZZSAW EATING AND CHEWING)

Maria: Save some for us, bro!

Maria: You're right.

We got some popcorn and butter and ate it.

Me: (EATING) MMM! Too bad we aren't at a movie for this.

Rarity: Indeed but this would be a perfect place to get some for it.

Camie: It sure would.

May ate some.

May: It's perfect and tasty.

Me: It sure is. But this planet reminds me of that mystery we were on that involved the Demon Farmer.

Lola: That was cool.

Laney: And we found out that Mr. B was making awesome buffet popcorn.

Camie: I heard about that.

Sakura Knudson: Boy that must've been really good popcorn.

Me: It was the best! He was making it grow right on the cob.

I told everyone how awesome it was and it was great.

Sakura Knudson: Wow! That is amazing! That is cool he was using a lab to make it.

She reverted and was a girl with blue hair and had blue clothes and blue eyes.

Nico: You know her?

Me: I sure do. She has powerful energy powers that can reduce anything into melted slop.

Lorelai Vegas: Yep. Watch.

She fired a blast of energy and it hit Nico and melted him into a puddle of slop!

Nico: (Gurgling Voice) HEY! WHOA! That is a really awesome power!

Nico reformed.

Kaito: (Gets out Gorenger gear) Did Swartz promise you anything?

Zocks: (Gets out JAKQ Gear) Because we can grant it instead.

Kaito got a Gorenger sword and Zocks got a JAKQ sword.

Lorelai Vegas: No he didn't. He knew I had the power to melt him so he sent me on my way because he was scared.

Me: Whoa! Even he was scared of you.

Lorelai Vegas: Yeah he sure was!

Lola: Nice!

Me: Sorry we have to fight like this.

Lorelai Vegas: No worries.

She turned into Another Melter!

Sougo: (gets out Gorenger Ridewatch): That was risky melting Nico like that.

Sougo got AkarengerArmor while Geiz got SpadeAceArmor.

Nico: Thanks to having Majin Buu's powers.

Qin: Yep.

Geiz: Forgot about that.

Nico: You aren't the only one that can melt things. (ACTIVATES MELTER'S RIDEWATCH)

He fired an energy blast and she ducked and it hit a tree and melted it.

Me: WHOA!

Nico: Now this. (ACTIVATES YOST VIPER'S RIDEWATCH)

Nico fired a wave of energy and blasted her down.

May: Sniff on this! (ACTIVATES ACID BREATH'S RIDEWATCH)

May: OWOWOWOWOWOWOWOW! THAT HURT!

Me: GEEZ!

May: OUCH!

Varie looked her over.

Varie: You'll be all right May.

May: Thanks.

Acid Breath: Sorry about that. Guess I should have warned you about my breath being so toxic and acidic.

May: No worries. (ACTIVATES SCORN'S RIDEWATCH)

She fired waves of energy and smashed her down.

Maria: Time for the Phenomenal Cosmic Powers to blast you down! (ACTIVATES UNIVERSE 666 GENIE JAFAR'S RIDEWATCH)

She fired a blast of energy and it separated Another Melter from her and Maria blasted Another Melter with fire blasts!

Lorelai Vega: WHOA! That was awesome!

Maria: Yep. Now this. (ACTIVATES ROBOT DEVIL'S RIDEWATCH)

She fired waves of energy and blasted Another Melter all over.

Snow White: Now here is me. (ACTIVATES YOST VIPER'S RIDEWATCH)

Then Hsi Wu, Fenghuang, Shizuka of the Wind, Birdbrain, Roostafa and the Space Gorillas came.

Nico: Nice team Hsi Wu!

Hsi Wu: Thanks Nico.

Maria: Where's the next Gene Slammer?

Then we saw a Golurk come!

Golurk: (In a girls voice) This is gonna be awesome.

Nico: Siobhan Shakkou!? WHOA!

Me: Wait the world famous archaeologist!? Wow!

She reverted back and was a girl with aqua green hair and had blue eyes and a jungle hat and had blue clothes.

Siobhan Shakkou: That's right. I got this.

She fired waves of energy and blasted Another Melter and it exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Ridewatch and purified it.

Nico: YEAH!

Snow White: What's your favorite memory of Nico?

Siobhan Shakkou: When me and Nico discovered the ruins of a long lost Aztec temple and I found this.

She pulled out a sword and it was a gold emerald jewel sword.

Nicole: WHOA! The Sword of Ozomatli! That is said to be a very powerful sword that can create emerald crystal as well as give you the power to talk to animals.

Nico: Yep.

Me: That is amazing!

Daring Do: That is amazing that you found a relic like that!

Rainbow Dash: That is so awesome!

Siobhan Shakkou: It sure is.

Nico and Siobhan hugged.

Nico: I've really missed you.

Siobhan Shakkou: Me too Colombia Nico. Me too.

Me: Colombia Nico. I like the sound of that.

Juran: Colombia?

Nico: It's my explorer Nickname. Like Indiana Jones, I like being called Colombia Nico because it brings out the adventurer in me.

Me: I think it's awesome.

Lola: Me too.

Juran: That does make sense.

Camie: Yep.

We went back home to Earth and told everyone everything and it was awesome.

Lincoln: Wow, we're here in Belgium, and I know what we're going to do here, not only am I going to rescue the five girls here, but we're also going to face, take down, and recruit the last hypothetical Akumatized Loud Sibling: Wolf Carnage, my hypothetical Akumatized form.

Me: And from what we heard, he's a werewolf with an endless thirst for blood and a creature of pure chaos untamed, and he also has moonlight powers.

Eli: This is going to get bloody!

Nico: You got that right, Eli. As we know all too well, a werewolf comes out at night and is especially dangerous whenever there's a full moon.

Lincoln: Along with leaving a trail of chaos and destruction in their path along with slaughtering any who cross them. But, I'm not letting that beast get away with this, and since we're dealing with a werewolf, only another werewolf can deal with him.

Lincoln let out a growl as white fur began growing on his massive and powerful muscular body and his abnormally massive and powerful upper and lower body muscles grew a little bit bigger, white fur also began growing on his massive and wide muscular pecs and eight pack abs, his nose changed to a wolf's nose and white wolf's muzzle, his deep sapphire blue eyes and the rainbow iris of his Third Eye remained the same, but his pupils turned into slits, along with the large white wolf ears with rainbow markings on his head, massive white angel wings with aurora and orange tips, his eleven massive and long and powerful white wolf tails with rainbow markings and rainbow tips and white rabbit's tail with rainbow markings above his white wolf tails, and he let out a powerful howl. Lincoln transformed into Lincoln The Nocturnal.

Lincoln: (Beastly Voice) Wolf Carnage is now is a lot of trouble when

I face him and make him pay for everything, and I want to thank you and your team for joining us, Mera.

Mera: You're welcome, Lincoln.

We walked through the streets of Belgium, and we saw the extent of Wolf Carnage's murderous and bloody rampage: those who encountered Wolf Carnage were brutally butchered and massacred in the most gruesome way as they had their throats torn out, their limbs ripped off, and Wolf Carnage had also devoured some of their flesh.

Me: Oh God!

Nico: Look at this. That animal, I can't believe what he's done!

Anna Anyanova: He's slaughtered and devoured those who've encountered him.

Lincoln: (Beastly Voice) That beast has left a trail of slaughtered bodies and spilled blood all over the streets of Belgium, he's been really busy.

Suddenly, we saw Flashwing appear before us, and with Flashwing are the five girls.

Cynder: Flashwing? But, how are you…?

Flashwing: (Girl's voice) Sorry about the scare, Cynder, but I had to get the girls out of here before Wolf Carnage came after them as well and killed them.

Lincoln: (Beastly Voice) (Gasps) That voice, Helena Brooks, I knew it was you!

?: (WOLF ROAR) (BEASTLY VOICE) YOU WILL ALL PAY FOR INTERRUPTING MY DINNER!

Suddenly, we saw who it was coming after us in a raging fury: Wolf Carnage, the hypothetical Akumatized form of Lincoln Loud.

Lincoln: (Beastly Voice) So, that's Wolf Carnage. I see, he's even more monstrous up close, and I knew we'd run into you, the last hypothetical Akumatized Loud Sibling, you slaughtered so many people in your path and you don't even care, you have no soul!

Wolf Carnage: (Beastly Voice) That is why I have no fear! And now, I will kill you all and feast on your carcasses!

Lincoln: (Beastly Voice) The only place where you belong is in a cage! (WOLF ROAR)

Lincoln unholstered his massive Lincoln Loud's Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Phoenix-Harmony Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Hope and he went after Wolf Carnage, and they got into a really brutal fight with Lincoln tearing into Wolf Carnage slashing at him with his sharp claws and massive greatsword, and he fired extremely powerful blasts of rainbow energy, fireworks, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at The Harvester and they exploded with incredible power as they hit him.

Wolf Carnage fired moonlight energy blasts at Lincoln, but it made him even stronger as he absorbed them and the infinite energy of the full moon was also fueling him and making him even stronger than ever, and they continued brutally fighting each other.

Eli: Damn, this is getting really brutal, should we jump in to help?

Nico: No, Eli, we shouldn't. Lincoln swore to make that animal pay for killing people, plus, it wouldn't be a good idea to get in the way of an Alpha Werewolf.

Me: Yeah, when two Alpha Werewolves engage in a fight, no one else is to interfere, but at this rate, it'll end with Wolf Carnage getting killed because look at how brutally Lincoln's tearing him apart.

We saw it for ourselves: Wolf Carnage had claw marks on his body, and he was really getting more and more furious by the second. Then, Lincoln fired waves of ladybugs and red fire at Wolf Carnage which exploded with incredible power as they hit him, and he was knocked out, tied up, and sent to The Masters of Evil. We cheered as Lincoln holstered his weapons and powered down.

Lincoln: (Beastly Voice) That's all of the hypothetical Akumatized Loud Siblings taken down and sent to The Masters of Evil, though I also had to make sure Wolf Carnage was also put in a cage after I threw him to Vypra.

Me: That's also a good idea, Lincoln, that beast needs to be taught some manners before anyone can let him out.

Nico: Trying to domesticate a werewolf with an endless thirst for blood, Vypra's in for quite a field day.

Lincoln: (Beastly Voice) If he acts up, I'll head down there and give him what for.

Then, Lincoln reverted back to normal.

Lincoln: (To Helena Brooks) And it's so good to see you again, Helena Brooks.

Helena Brooks reverted back to normal, and she's a beautiful girl with long pink hair, pink eyes, she was tall at 6'11" in height, she has the body of a goddess, and ample breasts, fair skin, she has massive and beautiful pink angel wings, she's dressed in a short-sleeved blue blouse, sleeveless pink top, pink skirt with the Light Skylanders symbol on it, necklace with pink gem for the pendant, white bridal gloves, pink knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with earth, crystals, dragons, and angels on the coattails and on the back is Flashwing and on top is the symbol of The Earth Skylanders, and holstered on her back is a massive Flashwing-themed greatsword with embedded colored gems and Flashwing etched on the 7'0" massive, wide, double-edged pink blade, large pink dragon heads for the crossguard, large white angelic faces embedded on both sides of the hilt with purple gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large pink gem on the bottom of the large white angel heads for the pommel.

Helena Brooks: You too, Lincoln, it's been a long time.

Lincoln went up to Helena Brooks and he hugged her, and Helena Brooks is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Helena Brooks: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'9" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness, man, you've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal.

Me: And Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Helena Brooks, Gene-Slammer of Flashwing, she's my Guardian Angel and The Master of The Element of Earth and Crystals, and among the first humans who were actually born in The Skylands and grew up there under the guidance of Master Eon and the Skylanders, and as Helena grew, she'd discovered that she's a master of the Element of Earth, one of the Ten Elements of The Skylands, and she trained a lot under the tutelage of Master Eon and the Earth Skylanders and she proved to be quite the master of earth and crystals. She left The Skylands and she moved to Royal Woods, Michigan, and this is way before Kaos, The Dark Portal Master, had launched his hostile takeover of The Skylands. Helena really hated that world-conquering warlord, and when Marie formed The Skylanders Liberation Coalition, Helena became one of the members and she had sworn to make Kaos pay for all his crimes against Skylands and against all The Skylanders.

Nico: Awesome!

Me: Yep, and after we freed The Skylands from Kaos and The Skylands merged with our world, The Skylanders Liberation Coalition had become part of The Earth-Skylands Federation. Plus, we also saw she fell in love with Lincoln when they first met, and she really trained him intensely on how to use the Element of Earth and Crystals, and she also had the additional help of Flashwing and the other Earth Skylanders, who really helped Lincoln in advancing his training in mastering the element of crystals and earth, and over time, he really proved to be a master and at the same level as Helena.

Marie MacDougal: And although Helena hates Kaos with a blazing passion for all his crimes against Skylands, there's only one person that Helena hates with a passion ever since she came to Royal Woods: that person is Flip, and Helena has more than once used her skills in crystals and earth to put that mutant cheapskate in his place and cause trouble on that greedy mutant, and she even told him off saying that Flip's a empty-headed three butt-cheeked moron who enjoys ripping people off and satisfying his own greed, that he's an evil monster who has no remorse for all the harm he's inflicted with his scams and attempted murder hits, and even worse, Helena called Flip a greed-driven, insane, stupid, hairy mutant who doesn't care who he hurts to satisfy his greed!

Eli: Jeez.

Me: I still remembered the words all too well, and that mutant went absolutely ballistic and charged at her like a mad bull to kill her, but Lincoln fired crystal shards at Flip which transformed into a pair of crystal handcuffs for his wrists and ankles, and he was also put in a crystal straitjacket, and then, the cops arrived and took him back to prison.

Helena Brooks: And you're going to see it for yourselves. (To Lincoln) Oh, Lincoln, there's something I also want to give you.

Lincoln: Let me guess, you want to give me your blood, right, Helena?

Helena Brooks: How'd you guess what I was about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Helena Brooks: I knew it, you marked them and fed on their blood, along with acquiring their powers as well, I knew that was coming since you'd done that more than once when he got brutally injured by Lori, Lynn, Lola, Lisa, and Luan more than once.

Lincoln went up to Helena Brooks, and he hugged her in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Helena Brooks: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Helena Brooks' neck with pink gems on the gold lightning bolts and pink crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Helena Brooks: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Helena Brooks.

Helena Brooks had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the five girls, and when Lincoln saw who they were, he immediately recognized them. The five girls are Konomi Kaneko, Kyoko, Menow, Neko Tsukahara, and Ruri from Tasokare Hotel: Re:newal.

Lincoln: Oh wow, it's Konomi Kaneko, Kyoko, Menow, Neko Tsukahara, and Ruri from Tasokare Hotel: Re:newal.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Konomi Kaneko: Yes, we're okay, thanks to you.

Konomi Kaneko: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln

and his clones, and we cheered wildly at the scene.

Konomi Kaneko: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Konomi Kaneko, Kyoko, Menow, Neko Tsukahara, and Ruri with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team was shocked to find out the villain we went after was Wolf Carnage, the hypothetical Akumatized form of Lincoln Loud, and he'd been busy slaughtering those who had quite the unfortunate pleasure to cross him.

But, when Lincoln showed what he did by turning into Lincoln the Nocturnal and going beast to beast with Wolf Carnage and tearing him apart by slashing him with his claws and massive greatsword and finally sending him to The Masters of Evil's HQ tied up and in a cage, everyone cheered and hugged us and Lincoln's harem kissed him all over. Lincoln and Helena Brooks have a lot of catching up to do, now that she's back in town.

Maria: Damn, that beast was busy slaughtering those who crossed his path while we've been taking down the others.

Lincoln: He sure was.

Me: But in the end, Lincoln The Nocturnal took that beast down and made him pay.

Nico: It was really awesome, and Wolf Carnage was definitely no pushover, he was really vicious and dangerous. But, we couldn't get in the way, this was something Lincoln had to do, and he won in the end.

Eli: Now, we have all the hypothetical Akumatized Loud Siblings in The Masters of Evil.

Lincoln: And we can also use their powers as well. I found out our ability to assimilate the powers and abilities of those we imprison or destroy has evolved, now it can also include those who've been sent to The Masters of Evil.

Nico: Awesome!

Me: Nice!

---

After taking down Wolf Carnage, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Helena Brooks saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Helena Brooks: My God, I was right that Lincoln's really grown into a 17-year-old, 7'9" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in

public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Helena, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Helena Brooks: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Helena Brooks: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Helena, what's the story on how you told off that greedy mutant cheapskate, Flip, and that not only did it drive him mad, but he tried to rush at you to kill you and how Lincoln saved you from him?

Helena Brooks: Oh, you're so going to like seeing this.

Helena Brooks pulled up the video as it played on the big screen, and we saw Helena Brooks standing in between Flip and Lincoln who was beside her, and Flip was completely driven insane by murderous rage after Lincoln exposed another of his scams.

Past Helena Brooks: I always knew you were nothing but a jerk, Flip, along with being a con artist and a gross, hairy, mutant cheapskate, but I never would've thought you'd go insane and tried to kill Lincoln. You know what, you've been a pain in the ass to everyone here for years, and it's high-time you got what you deserved, and you're about to get a taste of what everyone feels about you. You're an empty-headed three butt-cheeked hairy moron who enjoys ripping people off just to satisfy your own greed, you're an evil monster who has no remorse for all the harm you've inflicted with your dumb scams and attempted murder hits, and you're a greed-driven, insane, stupid, hairy mutant who doesn't care who you hurt to satisfy your greed! And I hope you either die in prison or someone kills you!

Everyone: OH!

CLANG! CLANG CLANG!

Nico, Eli and Qin's jaws dropped and I put them back.

Nico: OH, DAMN!

Me: Varie and I still remembered those harsh words she said to Flip, and man, did they sting!

Nico: Boy no kidding! You tell him Helena!

We continued watching the video, and those words absolutely set Flip off and he absolutely lost it big time, and he bellowed in rage and he tried to kill her, but Lincoln blasted Flip with crystal shards that transformed into crystal handcuffs and he was also put in a crystal straitjacket.

Past Helena Brooks: Lincoln… , you saved me?

Past Lincoln: I wasn't going to let that mutant kill you, Helena.

This made Helena Brooks smile, and she went up to Lincoln and they kissed on the lips and it left that mutant cheapskate seething with rage and thoughts of heartless revenge. Then, the cops came.

Cop: You again, Flip?! Honestly, we're getting sick and tired of you! Get up, you, it's back to prison for you!

The cops took Flip away as he bellowed and screamed with threats of revenge as the cops drove off, and the video ended.

Nico: Serves that stupid, mutant hairy cheapskate right!

Luna: You got that right, and I was expecting Helena to do that, but Lincoln saved her and he blasted him with Flashwing's crystal shards, and that made Flashwing smile.

Flashwing: He was really an awesome master at using my powers as well, along with the powers of the other Earth Skylanders, same with the Magic, Undead, Fire, Water, Light, and Dark Skylanders. But, I'm not spoiling the surprise until we meet the other Skylanders Gene-Slammers on Lincoln's side.

We got a shower, and then, Lincoln, Cerise Hood, Cannae le Fey, Syphfride, Kumiko, Momozono Satomi, Aihara Shizuka, and Saori Goda are heading to Shoal Atoll, and joining them are Izuku Midoriya, Mei Hatsume, and the rest of Izuku's harem.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'9", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble, and Izuku is dressed in green swim trunks, green sandals, and he had his weapons holstered in case of trouble.

And Cerise Hood, Cannae le Fey, Syphfride, Kumiko, Momozono Satomi, Aihara Shizuka, and Saori Goda were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble, and Mei Hatsume and the rest of Izuku's harem are also dressed in colored two-piece bikinis, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Cerise Hood, Cannae le Fey, Syphfride, Kumiko, Momozono Satomi, Aihara Shizuka, and Saori Goda had feelings for Lincoln and he also had feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant, but they also got to keep their heads up, they got word that Megan Cooper has sent some thugs to kill them.

Cerise Hood: Wow, so this is Shoal Atoll, this is really awesome!

Lincoln: It sure is, Cerise, and it's perfect for our first date, and I'm so glad you, Mei, and the rest of your harem could join us, Izuku.

Izuku: Thanks, Lincoln. Shall we?

Lincoln, Cerise Hood, Cannae le Fey, Syphfride, Kumiko, Momozono Satomi, Aihara Shizuka, and Saori Goda along with Izuku, Mei Hatsume, and the rest of Izuku's harem dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Cerise Hood, Cannae le Fey, Syphfride, Kumiko, Momozono Satomi, Aihara Shizuka, and Saori Goda got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails and Mei Hatsume and Izuku's harem got a massive and extreme deep atomic red blush on their faces when they saw Izuku lift two 900,000,000,000,000-lb barbells in his hands, but then, they saw Megan Cooper's hired thugs coming after them, but Lincoln fired orbs of black and blood red energy which hit them and he sucked out all their blood and energy and killed them and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Cerise Hood, Cannae le Fey, Syphfride, Kumiko, Momozono Satomi, Aihara Shizuka, and Saori Goda, and Izuku made clones of himself and he and his clones went up to Mei Hatsume and the girls in his harem and they hugged the girls in their abnormally massive and powerful muscular arms, and Cerise Hood, Cannae le Fey, Syphfride, Kumiko, Momozono Satomi, Aihara Shizuka, and Saori Goda placed their hands on the massive pecs of Lincoln and his clones and Mei Hatsume and the girls in Izuku's harem placed their hands on the pecs of Izuku and his clones, and then, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and

Nico and I also saw Lincoln and Izuku had lipstick marks all over their faces, massive muscular bodies, and eight-pack abs.

Nico: Whoa, looks like our two Casanovas really had an awesome time at Shoal Atoll, eh, Lincoln and Izuku?

Lincoln: (In Heaven) It… was… so… awesome!

Izuku: (In Heaven) I'm… never… ever… forgetting this!

Me: And Cerise Hood has been added to Lincoln's harem too? We meet the girls of Ever After High next on Princess Amore's missions after Matau's.

Nico: That is awesome

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Cerise Hood, Cannae le Fey, Syphfride, Kumiko, Momozono Satomi, Aihara Shizuka, and Saori Goda with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Cerise Hood, Cannae le Fey, Syphfride, Kumiko, Momozono Satomi, Aihara Shizuka, and Saori Goda are now in your harem.

Jenna: Flip had some nerve trying to kill them, that cheapskate's just making things much worse for himself.

Serena Logan: Even after all this time, Flip's still the same mutant cheapskate he's always been.

Lincoln: And we also had a run-in with Megan Cooper's hired thugs.

Izuku: But, Lincoln killed them all and sucked out their blood, and she should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Megan Cooper scream with extreme hatred and rage.

Maria: Yeah, up yours, you monster bitch!

Carmen: Sheesh, those monster bitches just don't even know when to quit.

Nico: Serves her right, but she'll get hers later on today.

Me: They sure will, those monster bitches have gotten on our nerves five years ago, and now, they're going to pay dearly for everything they've done.

Lincoln: You got that right.

---

Later it was time for Matau's second mission.

William: Anyone else want to go with Matau? Besides Chemistro and Cheese?

Red Bird: Me and my flock will go.

Chuck: Yeah this will be awesome.

Bomb: Yeah we'll love it!

Nico: All right then. Lets go.

We were off to Brazil.

---

We arrived.

Me: Here we are. (WHISTLES)

I called Blu and Jewel and friends.

Blu: Hey guys!

Jewel: Wow! Awesome to see you.

Matau: Blu, this is my archenemy.

Chemistro: Awesome to meet you all. My name is Curtis Carr but everyone calls me Chemistro.

Blu: Awesome to meet you. Red, Chuck, Bomb guys!

Red: Long time no see Blu! And you too Jewel!

Jewel: Wow you guys are doing awesome!

Chuck: We sure are.

Blue Birds: Yeah it's awesome to see you all.

Hal: How have you guys been?

Blu: Great Hal.

Nico: So, do you guys have a plane?

Blu: Just the one that crashed with us on it.

Me: That was the one that crashed onto the island of the Birds with Red and friends.

Red: Yeah that was the smugglers plane.

Nico: Yep.

Blu: But we should rebuild it. And then, you know what we should do? Paint it with Super duper red hot rod flames!

Cheese: No, bunnies!

Me: (LAUGHS) I knew this was coming.

Blu: Hot rod flames.

Cheese: Bunnies!

Blu: Hot rod flames.

Cheese: Bunnies!

Blu: (loudly) Hot rod flames!

Cheese: (quietly) Bunnies!

Blu: (louder) Hot rod flames!

Cheese: (quieter) Bunnies!

Blu: (even more louder) HOT. ROD. FLAMES!

Cheese: (even more quieter) Bunnies!

Me: (LAUGHS) Guys stop it you're killing me!

Nico: (LAUGHS) That cracks me up.

Me: Oh sorry guys this is Cheese. He is an imaginary friend.

Sunny Starscout: (LAUGHS) Yeah he is a funny one.

Jewel: Is he always like that?

Me: Yeah he is a total idiot. He has a brain the size of an amoeba but he does a really awesome job of driving the bad guys really bonkers.

Pipp Petals: He sure does.

Izzy Moonbow: He is really funny and awesome.

We laughed!

Me: Yeah.

Blu: So, Red. How did you and the others meet Team Loud Phoenix Storm?

Red: That was a really awesome story.

Me: My daughter Shanan and some of the team went to their island and defeated Leonard and his pig army.

Nico: Yeah they turned all his pig minions into cold cuts.

Eli: That was awesome.

Me: Yep.

Bubbles: We really socked it to them.

Matilda: And made them cry home to their mamas.

Stella: Yeah we sure did!

Nico: And then after the batlle with Thanos, Dark used his Celestialsapien form to restore Leonard.

Me: Yeah.

Blu: Wow!

Red: It's a crazy story.

Eli: But those were fun adventures.

Me: Lori does crazy gags with the pigs. She uses super speed and does awesome and funny pranks on the pigs and Leonard gets blamed for them and she and her group pulverizes them.

Nico: (LAUGHS) That was so funny!

Eli: (LAUGHS) Yeah!

Twilight Sparkle: Yeah that was awesome and funny.

Blu: I thought she had wind powers, not super speed.

Me: Her wind powers give her superhuman speed too.

Blu: Oh. That is really cool!

Qin: It sure is.

Nico: That is really awesome though. She moves as fast as Chuck.

Chuck: It's awesome.

Cheese: I like chocolate milk.

Nico: You know, how about we rebuild that plane?

Me: Good idea.

Nico: Lets get to work.

ZOOM!

Me and Rainbow Dash and Izzy Moonbow rebuilt the whole airplane in an instant.

Me: Done!

Blu: Wow! You guys are fast!

Nico: We get it done really quick.

Me: Yep. We modified it into a special search and rescue and battle plane to find Another M.O.E. Members.

Blu: That is awesome.

Twilight Sparkle: Boy it sure is.

Sunset Shimmer: This will be fun.

Matau: Now, let's use it to find more Another MOE members.

Nico: And me and J.D. will fly it.

Me: We both went to flight school and we know how to fly planes like this.

Nico: Yep.

Blu: All right.

We got it ready.

Me: Contact!

We started it and we were off.

Me: Wow!

Eli: The view of the Amazon is amazing from up here!

Nico: It sure is. You can see everything from up here.

Fluttershy: I think it's absolutely magical seeing it from this high up.

Rainbow Dash: Boy this is awesome!

Me: It sure is.

We saw the entire rainforest from high up and it was breathtaking.

Matau: Anything?

Me: Radar is showing all clear so far.

Nico: Yep.

Blu: Boy you guys sure know what you're doing flying planes.

Me: We flew everything.

Eli: Yep.

Then the radar picked up some blips.

Me: Another M.O.E. Members at 1:00. Scans show that it's Another Phoenix (Wizard), Another Dark Phoenix, Another Flame Mammoth, Another Blaze Heatnix, Another Torch Man, And Another Flare Woman.

Nico: WHOA! All Fire Members.

Me: This is gonna be infernal.

Nico: Who's up first?

Me: Another Phoenix. Better call in Sophia Nurenberg the Kaalia of The Vast Gene-Slammer.

Nico: Okay.

Rainbow Dash: Carmen is going to love facing the Another Dark Phoenix.

Sunset Shimmer: Fire Man for Flame Mammoth.

Rarity: Blizzard Man for Blaze Heatnix.

Nico: Cindy Richards for Another Torch Man.

Eli: And Sasame for Flare Woman.

Nico: Let's call them in now.

Pipp Petals: Already did so.

Eli: Awesome Pipp.

Nico: All right then.

They teleported into the plane.

Nico: Thanks for coming

Sophia Nurenberg: No problem Nico.

Carmen: Wow! This plane is awesome!

Me: We refurbished it from an old plane.

Nico: We call it the TLPS S&R Stratofortress.

Eli: Ooh nice.

Me: I like it.

Fire Man: Hey me too!

Nico: Time to land!

We got to landing and we landed in a clearing.

We got out and it was a grove of short grass. But it had wrecks of old bulldozers and construction vehicles.

Me: Wow. This looks like a junkyard.

Eli: Looks like all these vehicles were destroyed recently.

Nico: By who?

Blu: I know these bulldozers! They were from when we defeated Nigel the second time.

Me: I remember seeing that. They were about to clear cut the forest. But you guys stopped them.

Nico: Yep.

Eli: That was awesome.

Me: Boy they sure were totaled.

Carmen: No kidding.

Sophia Nurenberg: But at least you guys got rid of them.

Nico: The Another MOE members should be around here somewhere.

Sophia Nurenberg: I think one is there!

She fired a yellow hot fireball and it hit a tractor and melted it into liquid and then a figure came out and it was ANOTHER PHOENIX!

Me: Another Phoenix! Whoa this one is going to be hot!

Eli: No kidding!

Sophia Nurenberg: It sure will be awesome.

Nico: Who are you?

Another Phoenix (Wizard): (In a girls voice) An eternal power that knows J.D.

Me: (GASP) That voice.

She reverted back and was a girl with Red hair and had orange eyes and had awesome red, orange and yellow clothes and she had wings made of pure fire and had a deadly sword and she had the symbol of the phoenix of the Huntik in the middle of her forehead and on her arm and on her jacket.

Me: (GASP) Mikoto Everton!

Nico: Wow!

Mikoto Everton: It's good to see you again J.D.

Me: Same here.

Sophia Nurenberg: Um… explanation?

Eli: Do you know her?

Me: I sure do and you guys are going to be in for an amazing story about her.

I told everyone that Mikoto is a prehistoric cavewoman that lived over 2,000,000 years ago and aliens from another world came and they hit her with a powerful evolution laser and it formed her into a modern woman and then cosmic radiation appeared and mutated her and gave her incredible fire powers and made her an awesome angel of fire and she had also got turned into the gene-slammer of Phoenix from Huntik!

Me: She lived for over 2,000,000 years because of those amazing powers and she is known as Mikoto the Eternal and is also believe it or not the first distant relative of Sophie Casterwill and her family.

All of us: WOW!

Blu: That is amazing!

Eli: It sure is!

Sophia Nurenberg: That's amazing that you lived for so long like

that.

Mikoto Everton: It sure is. My real name however is Mikoto Casterwill. After the Blood Spiral reared its ugly head I went by Mikoto Everton.

Me: Well Blood Spiral is all dead now.

Eli: Yeah we were killing them left and right.

Mikoto Everton: Thank goodness!

Chemistro: How about I start things off?

Nico: Sure.

Sophia Nurenberg: Sorry we have to fight like this.

Mikoto Everton: No worries.

She turned into Another Phoenix and Chemistro fired an ice blast and froze her legs to the ground.

Sophia fired waves of fire, light and darkness and blasted her down. She got back up.

I fired waves of fire and blasted her all over and then she unsheathed her sword and me and her clashed.

CLANG CLANG CLANG CLANG CLANG CLANG!

SPARKS FLEW ALL OVER THE PLACE WITH INCREDIBLE FORCE AND POWER!

Chemistro: Yes, my gun can shoot an ice beam too.

Nico: That is awesome Curtis.

I jumped back.

Me: You have learned a lot Mikoto.

Another Phoenix (Wizard): So have you J.D. I watched all your adventures and you have become one of the strongest ever known.

Me: Nice to know you've been keeping up to date on them.

Nico: Yeah.

Me: But we learned tons of new tricks too. Watch.

I pulled out my Wonder Ride Book for Eternal Phoenix.

Me: (Reads Verse) "The Eternal Phoenix Flew freely across the stars and granted new life to planets that were stripped clean of all their life and their creatures. Flying through the stars she brought new life in great abundance to the worlds that were hurt."

Then new plants and creatures came in rapid force and it was amazing and the phoenix was seen in the sky! We were in awe!

Another Phoenix (Wizard): Wow! That is amazing!

Nico: It sure is!

Blu: You haven't seen anything yet!

Nico: That was just a small sample of what we can do.

Eli: It sure was. That's the power of the Wonder Ride Books.

Sophia Nurenberg: Yep watch this.

She summoned her Phoenix Amazon Weapon and it was a Phoenix Sword and she fired waves of fire and blasted her down and she exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Wonder Ride Book and it was called The Eternal Phoenix Warrior and the Eternal Phoenix Wizard of Fire.

Me: Very fitting for her.

Blu: That was incredible!

I brought Mikoto over and Nico gave her some water and some ice cream with Strawberry, Vanilla & Chocolate Phantoms powers.

Mikoto Everton: Thanks Nico.

Nico: No problem

Eli: That was still awesome though.

Me: But we're not done yet.

Carmen: Now it's my turn.

Nico: Yep.

Me: WHOA! I sense that the Another Dark Phoenix is intensely powerful.

Nico: Me too!

Carmen: Wow! This will be interesting. I have a secret I have been holding back to show you guys.

Me: What is it?

Carmen: You'll see.

Nico: Here she is.

(CODA BY HANS ZIMMER PLAYS AT 2:20 TO 4:24)

We saw a figure and it was ANOTHER DARK PHOENIX!

Me: Whoa! The power on this one is amazing!

Nico: YEAH!

Another Dark Phoenix: Been a long time J.D.

Me: (GASP) Connie Allerdyce!

She reverted back and was a girl that had red hair and had red clothes and angel wings made of pure fire and her eyes were glowing orange.

Nico: That energy! That's the Phoenix Force! Wait are you related to Pyro?

Connie Allerdyce: I sure am. John Allerdyce A.K.A. Pyro is my father. I am also the daughter of Angelica Jones A.K.A. Firestar.

Me: WHOA!

Nico: The Daughter of Pyro and Firestar. That is amazing.

Carmen: And so is this.

She glowed in a powerful awesome of fire and energy and then she grew powerful wings made of pure fire and then a Phoenix Cry was heard as fire swirled around her and then a Phoenix Formed above her!

WE GASPED!

Me: WHOA!

Nico: Carmen has the Phoenix Force too!?

Eli: Incredible!

Nico: Pyro and Firestar had a daughter?!

Connie Allerdyce: Yes they did. I am their daughter and I inherited both of their powers. I'm from an alternate time actually. I came here from 15 years into the future. I was sent here for my protection because the Hellfire Club was out to destroy me. Dad knew they were losing so they gave me their final goodbye as the Phoenix Force from Jean Grey. I was sent back in time to this time to be with you guys.

Me: Your mother and father would be very proud of you right now Connie.

Nico: They sure would.

Connie Allerdyce: And Carmen I did not expect you to have the Phoenix Force in you as well.

Carmen: Dark Phoenix is my archenemy in the Masters of Evil and I learned so much from her in my battles with her. Also I don't know how I was able to get the Phoenix Force myself but somehow I was able to tap into it.

Connie Allerdyce: That is amazing. Sorry we have to fight like this.

Carmen: No worries. Boy when we are like this our powers are both equally matched at this level.

Connie Allerdyce: That is amazing.

She turned into Another Dark Phoenix.

Nico: (gets out Melter and Chemistro's Ridewatches) See if this counts as heat.

He activated them and fired waves of fire and blasted her down and Carmen fired a powerful blast of fire and blasted her down and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She exploded and was back to normal!

I caught the Wonder Ride Book! It was called The Phoenix Warrior from the Future.

Me: Nice title.

I brought her over.

Nico: Heat Wave is gonna be teasing Pyro about this.

Me: Boy he sure is. Lets face the rest of them all at once now.

Nico: Good idea. Another Flame Mammoth, Another Blaze Heatnix, Another Torch Man, And Another Flare Woman left.

Fire Man: This will be awesome.

Cindy Richards: I'm looking forward to this one.

Sasame: Me too.

Nico: Here they come!

We saw them, Another Flame Mammoth, Another Blaze Heatnix, Another Torch Man, And Another Flare Woman!

Me: This is going to be infernal!

Sasame: Lets do it!

Nico: YEAH! Lets get them!

Blu: Let's see who they are first.

Me: You're right.

Another Flame Mammoth: (In a girls voice) Been a long time J.D.

She reverted back and was a girl with red hair, red eyes and red summer clothes.

Me: Sina Remmington!

Nico: You know her?

Me: One of my friends from band class and she plays the violin really awesomely and has awesome fire powers.

Nico: Wow!

Another Blaze Heatnix: (In a girls Voice) Been a long time J.D.

She reverted back and was a girl with orange hair and yellow and red clothes and had red eyes and fire angel wings.

Me: Rachel Houou!

Nico: You know her too?

Me: My friend from Cooking class and she makes awesome nuclear hot spice ramen.

Nico: Whoa that is awesome!

Me: Yeah.

Another Torch Man: (in a girls voice) Long time no see Cindy.

Cindy Richards: (GASP) It can't be!

She reverted back and was a girl with orange hair and had red and orange clothes.

Cindy Richards: (GASP) Callie!

Nico: Callie Richards! She's alive!?

Callie Richards: I sure am.

Cindy went over and hugged her sister!

Cindy Richards: (Crying) Oh sis! I thought I would never see you again! I was so angry at dad!

Callie Richards: I know sis. But dad is gone. He's now in prison forever.

Cindy Richards: I'm never going to lose you again Cal.

Nico: You remember me, right?

Callie Richards: Wow! Nico its been a long time! You grew into an awesome man.

Nico: I sure have. You have grown into a beautiful woman yourself.

Callie Richards: I know.

Cindy Richards: I'm sorry we have to fight sis. It's the only way to save you.

Callie Richards: I know sis. Do what you got to do.

Cindy jumped back.

Another Flare Woman: Been a long time J.D.

She reverted back and was a girl with red hair in a braided ponytail and she had red eyes and had red and orange clothes and red butterfly wings.

Me: (GASP) Nayla EvanEscence!

Nico: WHOA! Your last name is like the Goth Band.

Nayla: I know and I'm one of their biggest fans.

Me: Nayla loves EvanEscence. Also she is one of my friends from Cooking class. She can make awesome Vampire Blood Fruit Punch.

Nico: Perfect for Halloween.

Me: Yep.

Blu: Like old times?

Red: You were always a fan of the obvious!

Blu: That is for sure.

Me: Sorry we have to fight like this girls.

Callie Richards: No worries.

They turned into their Another forms.

Me: Red, Matau, lets do it!

Red: I can't believe I'm about to do this!

Me, Red and Matau: HIYOUHAAAAAA!

We did the Mighty Eagle Battle Cry!

Mighty Eagle: Oh My Battle Cry!?

Red and Matau flew at them.

They smashed them all over.

But then a Druddigon came!

Me: Hey a Druddigon!

Nico: YEAH!

Druddigon: (In a girls voice) This will be a really good one.

Nico: Amelia Covvington!? Whoa!

Druddigon: Yep.

She fired a blast of energy and blasted the 4 all over.

Mighty Eagle: MIGHTY! EAGLE!

The Mighty Eagle flew in and smashed the girls down and they exploded!

KRABBBBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

They were back to normal and I caught the Wonder Ride Books.
Then the Mighty Eagle rolled and crashed into a tractor wall!

BLANG!

Me: OOH! That's going to leave a mark!

Blu: That's a big dragon!

Nico: That's not just a dragon it's a Druddigon.

Me: And it's a friend of Nico's.

She reverted back and was a girl with Blue hair and red and yellow clothes and had blue angel wings.

Nico: That was awesome!

Mighty Eagle: (Dazed) I can sleep late mom, it's not a school day!

He got up with a nasty lump on his head.

Amelia Covvington: Boy that was so awesome and funny!

Eli: Yeah it was!

Chemistro: What's your favorite memory of Nico?

Amelia Covvington: When me and Nico found an awesome cave full of dragon artifacts in Scotland.

Me: Wow! That is awesome!

Eli: I think that's the Cave that Lincoln and his family saw.

Nico: It sust might be.

Nico and Amelia hugged.

Nico: I've really missed you.

Amelia Covvington: Me too Nico. Me too.

Me: That was awesome though.

Eli: Lets get the girls back to the estate to rest up.

Me: Agreed.

We came back.

May: How did it go guys?

Me: It was really awesome.

We told everyone everything and it was awesome.

Qin: Whoa! That is awesome!

Laney: Boy it sure was!

Camie: Boy that was an infernal battle.

Lola: But that's amazing that you know someone over 2,000,000 years old.

Me: I know but she is an awesome friend.

May: Next time, Tommy Oliver and Marinette should go with you guys.

Me: Good idea.

Qin: This will be good.

Laney: Yep.

Xenia: I agree.

* * *

Later we were looking over the Number Cards we collected over the years since Eli joined us.

Tori Meadows: Look at all the Clow Cards we've collected.

Me: Boy we have been busy.

We had them from 1 to 1,000 and it was amazing.

Me: Boy we have been busy. Turns out there were more Numbers than we previously thought.

Yuma: That is really amazing.

Lola: It's amazing how many of them there are.

Nico: Boy no kidding and they are all the Fragments of Astral's memory.

Camie: It's just hard to imagine that these cards can cause people to go crazy like that.

Nico: Because they each represent an emotion and a power.

Rio Kastle: Let's not forget about what they did to me.

Me: Yeah they brainwashed you and Reginald.

Rio Kastle: Yeah no kidding.

Me: But ever since we started hunting for them I have been doing tons and tons of research on them and found out what they represent and more. Number 56: Gold Rat for example. That one we got off a random crook that was robbing a bank. That represents ones greed.

Nico: Yeah that guy was holding up a bank with a banana.

Camie: (LAUGHS) That's really stupid.

Nico: (LAUGHS) That really was.

Jessie Knudson: And some of them also have a lot of historical references. Like Number 36: Chronomaly Chateau Huyuk. That one is based on the Ancient Turkish ruins of Çatalhöyük. That one existed back in 7500 BC.

Camie: Wow! That's over 9,000 years ago.

Me: I know. Shocking. But it's Number 25 : Force Focus that we have to be thankful for thanks to Cameron Clix.

Nico: Right! Thanks to that one he warned us about the 20 Days of Darkness coming.

Me: Yep. If it weren't for Cameron Clix we would not have been prepared for that.

Lola: Yeah.

Grimlock: Me Grimlock say we go after main boss now.

Me: I was just about to suggest that Grimlock.

Nico: Same here. The time has now finally come for us to destroy Don Thousand once and for all.

Maria: He can't possibly be that tough.

Yuma: For us it will be no problem.

Qin: Yeah.

Me: For Yuma and his team yes but not for us. We are the most powerful force in the entire universe and we have done so much good. So Don Thousand, not to sound arrogant and cocky, a walk in the park for us.

Lola: Yeah.

Nico: We just need to wait for more people.

Me: The last gene-slammer I bet.

Nico: Yep.

Then a knock at the door was heard.

Me: (Imitating Mr. Krabs) (Singsong) Come In.

In came a Mienshao.

Me: Cool a Mienshao!

Qin: I like this one.

Me: Me too.

Razorclaw: What's your favorite memory of Nico?

Kitty Chi: When I was teaching him how to use my signature move. It's called the Rasenshurihameha.

Me: That sounds like a mixture of the Kamehameha Wave and the Rasenshuriken.

Kitty Chi: That's correct.

Nico: Yes and it's a deadly move. It is so strong that is can obliterate an entire city in an instant.

Me: Whoa! That is powerful.

Nico: It sure is.

May: Can you teach us that move?

Kitty Chi: I sure can.

Me: How long did it take for you to invent a move like that if I might ask.

Kitty Chi: It took me 10 years to make it.

Me: Wow! Master Roshi took 50 years to make the Kamehameha Wave and Naruto invented the Wind Style: Rasenshuriken during his battle with Kakuzu. Master Goku learned the Kamehameha in seconds.

Kitty Chi: Very impressive.

Nico: Yep.

Nico and Kitty hugged.

Nico: I've missed you sensei.

Kitty Chi: Me too Nico.

Tania: This is gonna be another Duel for the ages! And there's also the fact that I've lost count of the Number Cards we've collected. But if we kill Don Thousand, we might be get the rest.

Me: We just might.

Qin: Yep. But we're going to be ready for him.

Valon: (Australian Accent) That's right mates! It's going to teach that bloke a lesson he will never forget.

The previous group came.

Rex Goodwin: As a fellow duelist, I'd like to request that me, Comic Book Guy, Juggernaut, Eccentro, Ragdoll, Raven Branwen, Dr.

Polaris, Hank Scorpio, Roxy Rocket, and Vulkanus come with you all.

Nico: That is granted and yes we'll need all the help we can get for this one.

Lola: Yeah.

Xenia: Yep.

Freon: Nico, which Gene Slammers do you think you'll meet next?

Nico: Bisharp and Bouffalant next.

Me: Ooh! That will be awesome.

Lola: Yeah!

Me: I hope we meet the Bouffalant on a planet made of donuts.

Homer: Mmm donuts. (Drools)

We laughed!

Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye glowed, and he had a vision and he saw who it was that we were going to confront: it was the Creator of The Number Cards and Overlord of the Barian World himself, Don Thousand. When we saw it, we all knew it meant trouble.

Me: Uh oh Lincoln. Is something wrong?

Lincoln: I just had a vision, and I saw who it was we're going to confront today: it's the Creator of The Number Cards and Overlord of the Barian World himself, Don Thousand.

We gasped in shock and horror.

Me: Don Thousand's on the move?! Wow, but now, this is our big chance!

Nico: Yeah, we're going to make that monster pay for the horrible events that took place.

Yuma: And put my life through Hell on numerous occasions.

Lincoln: And since we found all The Number Cards in the process and took down your old enemies, now, the time to destroy Don Thousand has finally arrived.

Eli: That monster will pay with his own blood!

Nico: Don Thousand will pay for what he's done, and he'll suffer the same fate as Barodius.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Megan Cooper of The Legion of The Lincoln-Haters, and she's heading here to kill Lincoln and get revenge. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, it's Megan Cooper of The Legion of The Lincoln-Haters, and she's heading here to kill me and get revenge.

Selene Arcangela: Should've known Brianna Greyson would send her next. But, if we know that bitch all too well, she'll also be bringing Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson with her.

Nicholette Torrington: Just like what happened when The Chernabog Sisters came after us last year.

Lincoln: That won't be a problem, I'll trap them in a force field.

Hattie: While you and I deal with Megan Cooper and put an end to her for good, Lincoln.

Lincoln: But, we also got to watch it though, Megan Cooper will no doubt have her machine guns with her, along with the others.

Nico: Good thinking, if they broke out of jail, they're bound to have gotten access to high-powered machine guns they stole from the cops or got themselves from contacts outside. Alright, gang, let's go, it's time to destroy Don Thousand once and for all!

Lincoln: It's been years since we met Yuma and his friends and we've also been hunting down and getting The Number Cards along with taking down those who had them in their hands, and now, the time has arrived: the time to destroy Don Thousand for good has finally come, and once we get done destroying Don Thousand for good, you're next, Megan Cooper.

Selene Arcangela: You better start praying for mercy, you remorseless bitch.

Selene Emperyous: Because, we will show you and the others none for everything you've done in the past.

Hattie: No way are we forgiving you for any of your actions, Megan Cooper, you better be ready to pay the price for your foul misdeeds right after we destroy Don Thousand.

Me: Yep.

Lincoln put up a rainbow energy field around The World Tree Estate and we headed off to the Barian World to destroy Don Thousand once and for all, and after that, Hattie and Lincoln are going to kill Megan Cooper of The Legion of The Lincoln Haters.

I cut open a portal and we went through it to the Barian World.

---

We arrived in the Barian world! It was a world from hell.

---

Barian World is a world made of various powerful energies resembling Astral World, but with a reversed color scheme. Like the Earth, Barian World experiences rainstorms on occasion. Unlike

Earth, Baria Crystals occupy most of Barian World, as do red tundras.

Thousands of years in the past, Don Thousand confronted Astral in battle and was defeated, but not before a shard of his essence was stuck to him. Astral then sealed him within the Barian Sea. When Dr. Faker entered Barian World by sacrificing two people - Kazuma Tsukumo and Byron Arclight, he was met by Vector. Vector agreed to use the powers of his world to sustain the life of Faker's son Hart Tenjo. In exchange, Faker was to destroy Astral World. To that end, he began gathering "Numbers" to power the Sphere Field Cannon. However, he told other people he made the pact with Vector in order to conquer the world. Faker's son, Kite, owns a robot called Orbital 7, which was fueled by Baria Crystal, a fuel source from Barian World. Although Faker did not tell Kite the whole story, he was at least aware that Barian World existed and was related to the "Numbers" in some way. Byron Arclight (who eventually became known as Vetrix), was rescued by a group of Barians and granted the abilities of Barian World. His saviors requested that he collect the "Numbers" and destroy Astral World as compensation for their help. These abilities included the power to restrain opponents with chains, and ownership of the card, "Final Prophecy", which is capable of opening the doorway to Barian World. Vetrix said that he trusted only two things - himself and Barian World, as they are what protected him after being betrayed by Dr. Faker. Vetrix gave "Final Prophecy" to Trey, which was activated during Trey's Duel against Yuma Tsukumo. It caused the gateway to Barian World to appear, which threatened to destroy all of existence. However, Trey and Yuma cooperated to seal the gate. In the semifinals of the World Duel Carnival, Vetrix used chains that came from Barian World on Yuma. He told Astral that his own powers would not be able to affect the material, as Astral's powers came from Astral World. After the constant failures of Girag and Alito, Dumon decided to send Mizar to Earth in order to Duel Yuma. He gave Mizar three Barian Sphere Cubes, one for Mizar and two of which he was to give to Girag and Alito. He then disappeared into a portal and appeared in another realm, where he approached Galaxy-Eyes Tachyon Dragon, which he sealed in a blank card. Following Alito's ambush by Ray, Mizar took him back to Barian World to recover from his wounds. After Girag's defeat by Yuma and Ray, he was severely injured and forced to retreat to Barian World. Frustrated that his machination against Yuma and his allies was defeated, Vector dove into the Barian Sea to release the Barian deity, Don Thousand, who granted Vector his power in exchange for locating the seven "Mythyrian Number" cards that sealed him away long ago. At the same time, Barian World began to crumble, leaving Mizar and Dumon wonder if their world was ending. Vector appeared to them, telling them that they need to find the "Numbers" before Astral recovers his powers and destroys their world. Locating these Numbers with assistance from Mr. Heartland, who had been transformed into a fly by Vector after falling into Barian World, Vector used his power to revive Alito and Girag. Number 96's power returned to Don Thousand upon his defeat. Thousand proceeded to lead Vector to his palace. Thousand revealed four "Numbers" with great power to Vector, who wished to go crush Yuma with them immediately. Thousand insisted that it was not time yet. He revealed a device, capable of combining Barian World and Earth, if the malice of the human world reached that of Barian World. This would amplify his power one-thousand fold - enough to destroy Astral World. To do so, he needed to make more of those devices, which was where the power he regained from Number 96 would go. He instructed Vector to sit on the throne. When Vector did, Thousand fused Vector to it, rendering him immobile as the two needed to stay in the palace in order to put the power to work by building more devices. After Erazor's defeat at the hands of Yuma and Trey, Heartland reported the failure to Vector and apologized. Vector responded that he would tolerate no more failures. Heartland revealed he had the next assassin set up - Chironex, a WATER Duelist who once served as Heartland's own mentor. Upon hearing this, Vector ordered Heartland to send Chironex after Shark and mused that whenever he thinks of Shark, his chest fills with rage. When Chironex was defeated, Scritch came to stop Yuma's journey to Astral World, but was defeated by Quinton and Kite, who managed to send Yuma to get Astral back. While Yuma journeyed through Astral World, he encountered Ena, who revealed that long ago, Barian World was once part of Astral World and that the same world was created with the purpose of hosting any soul that possessed the power of Chaos.

During this time, Don Thousand and Vector initiated their machination, sending many "Fake Numbers" they mass produced to corrupt the populace of Earth, as they were to be sacrificed so that Barian World can be merged with Earth via the Fusionizer. When Yuma returned, he started a Duel with Mr. Heartland, who harmed Kite using the "Number" he obtained from Scritch. Mr. Heartland used his "Number 1" and transformed himself into a demonic humanoid, depleting Yuma's points rapidly. However, Yuma and Astral merged into ZEXAL III and defeated Mr. Heartland, causing the counterfeit "Numbers" Vector and Don Thousand created to be destroyed. However, Dumon managed to get Rio and Shark back as Nash and Marin, the two missing Emperors, turning them against Yuma, Astral and Kite. After defeating Don Thousand, the Seven Barian Emperors were revived by Astral using the Numeron Code, but now as humans just as they were from their past incarnations. According to Eliphas, Astral fused Barian World and Astral World using the Numeron Code.

Nico: WHOA!

Me: So this is the Barian World!

Qin: This place is a nightmare!

Xenia: Yeah.

Comic Book Guy: (sees our surroundings) Worst. World. Ever.

Me: It looks like we just entered the Gates of Hell. The Gates of INTERDIMENSIONAL Hell.

Nico: Yeah.

Ryo of Wildfire: Boy it's like we're in the Netherworld again except no emperor Talpa.

Qin: Yeah no kidding.

But then we felt a massive surge of power and then our auras exploded out with massive intensity and our powers became supercharged!

Me: WHOA! This whole place is overflowing with intense Negative Energy!

Lola: It's so powerful.

Donna Diego: Wait. Maybe we should call the rest of Yuma's friends.

Yuma: I already did.

We saw Kite, Reginald, Luna (Zexal) Catty, Bronk Stone, Anna Kaboom, Dextra, Nistro, Nelson Andrews and Astral.

Nico: Great.

Kite Tenjo: Never thought we would be here again.

Reginald Kastle: This place brings back bad memories.

Dextra: It sure does.

Sandpit: We have to assume that this place is crawling with Duel Monsters.

Me: It has to be. This world is part of the Duel Monster Spirit World from what I heard.

Nico: Yeah.

Camie: Before we go on what can you tell us about Don Thousand.

Me: Oh right you don't know about him. Well he is a monster of pure evil.

I went over his history.

---

Don Thousand is the main antagonist of Yu-Gi-Oh! ZEXAL. He is a Barian deity of great power, who orchestrated the whole conflict driving the series, serving as the unseen overarching antagonist of the first half of the series, and the main antagonist of the second half. He is Astral's archenemy.

He was voiced by Haruhiko Jo in Barian form and Mitsuru Miyamoto in true from in the Japanese version, and by David Wills in the English dubbed version.

Don Thousand was once a denizen of the Astral World that got cast away. When that world decided to throw away the power of Chaos - which Thousand embodies - to be able to rank-up further. The castaway elements formed with time the Barian World, which Thousand ruled, plotting vengefully how to take down his old home world and filling it with Chaos. He clashed with the envoy of the Astral world, Astral himself, eons ago, in a battle that raged on and caused terrible destruction to even Planet Earth. One last move from Astral ended their battle and obliterated the two of them into energy forms, which were able to witness the Numeron Code, the source of all the universe's existence. The explosion also shattered part of Astral's memories, turning them into 50 Number cards that fell on Earth, and enabled Thousand to infect the envoy with a shard of his own malice, which will later become Number 96 Dark Mist. Astral was able afterwards to seal the deity in the Sea of Ill Intent of the Barian world, and 7 of the Number cards, known as Legendary - Mythirian Numbers, became seals for Thousand's true power. To restore his lost potential, the Barian deity used what remained of his energy to visit Earth in a reaper-like form or posing as a shaman, corrupting the Hearts of seven noble humans, which he orchestrated to become the Seven Barian Emperors, with Hatred and Chaos, to serve later on as expandable tools for his revival, many centuries later, while also planning on gaining the ability to tap into the limitless power of the elusive Numeron code to carry on his plans successfully.

Thousand first anticipated Vector to come to him in the Sea of Ill Intent, desperate to take revenge on Astral and Yuma. He offered him a deal, with Vector becoming his current host and doing his bidding, while receiving great power in return. He made it very clear for Vector that he was the one giving the orders, being able to stop his heart if the Barian Emperor disobeys, though he did so not out of sadism, but to carry on his plans smoothly. Vector used his new powers to accelerate the healing process of Girag and Alito, while also embedding them with much more sinister personalities, courtesy of Don Thousand, but was left in the dark over many things only Don Thousand knew about, including on the true purpose of the Mythirian Numbers, which the Deity told him they need to gather, letting him convince the other emperors to help them with this task. Unbeknownst to everyone else, the simple act of removing said Numbers from their location would restore Thousand's powers, something the protagonists achieved oblivious of the true consequences this would have. The Barian God also rescued Mr. Heartland and converted him into his servant, gifting him with a Fake Number to destroy Yuma Tsukumo. He was also aware of Vector's personal agenda, and seemingly cooperated with him, while also building Dimension-fusing machines without the other emperors being aware.

The machines were able to fuse Barian World and Earth into one plane, allowing all the Barians to conduct their assault at full power. Thousand assisted Vector in his personal thirst for power, by brainwashing and then eliminating the other Emperors, absorbing their energy and powers. The heroes discovered that the emperors, who were once great human heroes and sages, retained false memories of what led to their demise, filling the hearts with hatred and resentment, something Don Thousand manipulated from the start to cause them to ascend to Barian World instead of Astral World (which was filled with "pure and noble" humans), to claim the tremendous power of these beings as his own.

Vector turns on Don Thousand after realizing what Thousand did exactly to his memories, and feeling he has got enough power to slay the Barian god, which he apparently does much to the shock of the protagonists and his nemesis Nash. Unfortunately for him, Don Thousand was merely playing dead, rose from the ground after Vector lost and proceeded to absorb him with the power of the deceased emperors flowing through him. He emerged in a glowing humanoid form to face Nash and Yuma, until Mizar stepped in to duel him and defeat him, trying to end the duel in a draw at the cost of his life to finish off Don Thousand in an OTK, which failed and took only him out, due to Don Thousand mysteriously manipulating something in the duel. Yuma and Nash challenged Thousand to a duel with everything on the line, the deity revealing that he'll cause Astral World itself to take heavy blows each time the heroes get damage as well. During the duel, Astral deduces that Don Thousand was using a field spell called Numeron Network, that allowed him to alter the duel's reality in his own favor, which is how he won against Mizar without seemingly doing anything.

Don Thousand then reveals he knew only that the Numeron Code was hidden somewhere on Earth, so by merging Earth and Barian World, he had full control over the reality warping artifact wherever it may be hidden, utilizing its power to fuel his Field Spell. Astral tried locating the card's actual location and relocate it on the duel field, so his comrades may have a chance at disabling it, but Don Thousand anticipated this eventuality, telling the emissary that removing this card will cause all the built-up wild energy in its chamber to be unleashed and annihilate Earth, making Astral willingly try to sacrifice himself by taking in all that destructive energy instead. However, Eliphas, the Astral world's Will, took the blow to save him.

Unfortunately, Don Thousand was far from helpless without his field spell, revealing godlike card after another and pushing the heroes in a corner repeatedly. After an exhausting battle, Yuma was able to finish him off, using cards that symbolize his bond with Shark and Kite Tenjo. Although unable to believe that a god could lose, Don Thousand sneered, telling the last surviving emperor that the power of Chaos is eternal and that he will realize the true nature of the Curse the Barian god had cast: Nash's very existence as Barian. (This curse is about Nash willingly choosing to become a Barian to rejoin his fallen comrades, meaning he will defend that world no matter what, regardless of brainwashing). The remnants of Don Thousand died once Nash was defeated by Yuma in Nash's last moments before being revived as Shark.

---

When I was finished everyone that hadn't heard about it was shocked and horrified!

Camie: He's pure evil!

Qin: Yeah no kidding.

Lola: When we went after the Number cards we vowed to destroy him.

Dr. Polaris: The Number Card hunt started back in 2020.

Eli: Yep shortly after I joined the team.

Qin: That's right I remember that.

Me: That's when that all started. It was amazing.

Nico: It was amazing.

Me: Yep. Also Rio and Reginald were brainwashed to become part of the 7 Emperors. Their names were Nash, Dumon, Alito, Vector, Mizar, Marin and Girag.

Nicole: Those are also the stars of the Big Dipper.

Nico: Yep.

Eli: Pretty coincidental that they are named after those stars.

Lola: Yeah like being named after the Seven Sisters of The Pleiades.

Nico: Yeah crazy.

Block Man: Also, if we defeat Don Thousand here, we won't have to worry about Dark Orbs and Number Cards making zombies.

Me: That was a deadly combo. Without Don Thousand the Numbers will never hurt anyone again.

Nelson Andrews: Yeah. No kidding.

Roxy Rocket: (sees something) Someone summon Dark Magician. NOW!

Yugi: I summon Dark Magician!

We saw a bunch of Goblin Attack Force Monsters!

Me: A Bunch of Goblin Attack Force Monsters!

Yugi: Attack!

He attacked the Goblins and blasted them all.

Nico: That did it.

Overbite: There's probably more where that came from.

Me: But we'll be ready for them. We should summon all our monsters.

Nico: Right.

We did so and formed a massive army!

Qin: YEAH!

Nico: That is awesome!

Lola: Yeah!

Vulkanus: I'll get my Pickaxe Minions here too!

He did so.

Me: This is going to be good.

Lola: Yes it sure will be.

Qin: Yep.

Lola: Yeah.

Nico: Now where is Don Thousand's castle?

Yuma: Over there.

We saw a crystal spire castle and it was THE CASTLE OF DON THOUSAND!

Me: That's it huh?

Octopunch: Guys, there are a swarm of Man Eater Bugs heading this way!

Me: Nine-Headed Dragon destroy them!

It did so and blasted them all into oblivion!

Xenia: Awesome!

Nico: YEAH! Rex do you think the Barian Emperors like what Reginald and Rio turned into will be perfect for the M.O.E.?

Rex Goodwin: That's not a bad idea Nico.

Lola: Yeah!

Hank Scorpio: Is that a Clown Zombie?!

Lola: It sure is!

Me: Bonz would love that one.

I fired a blast of energy and destroyed it.

Eli: Yeah!

Lady Deathstrike: Isn't that the zombie version of Crass Clown?

Me: Yes it is.

Nico: That was a crazy weird one.

Lola: Yeah.

Rio Kastle: Lets just get rid of Don Thousand and get out of here.

Lola: I agree.

We arrived at the castle and went up the stairs.

Me: We got a lot of stairs to climb.

Xenia: Yep.

We went up the stairs and saw a Giant Soldier of Stone

Me: A Giant Soldier of Stone!

Raven Branwen: Fuck. Don Thousand picked a giant guard dog!

Megarock Dragon blasted it and destroyed it.

Me: Nice!

We kept going.

Coconuts: Okay. Are there any other hostile monsters we should know about?!

Me: We'll watch out for any.

Grounder: I think we should just go home.

CLANG!

Grounder got hit on his head by Scratch!

Grounder: OUCH!

Scratch: We're not leaving till our mission is done you dumbbot!

Ragdoll: Good words, Scratch.

Scratch: Thank you.

We continued and got to the entrance.

Me: Here we are.

Nico: Wow.

Hood Sickle: Time for our entrance.

Me: Lets do it.

We flew at it.

Don Thousand was watching over the Barian World.

Don Thousand: Soon the Astral World will de destroyed and the human world will be mine.

Then the spirits of all the numbers appeared and they swirled around him.

Don Thousand: What is this!?

Then they swirled around him and then converged and then…

1,000 MASSIVE FIERY ELEMENTAL EXPLOSIONS!

A massive number of fiery explosions of the elemental forces blasted off and they were of the elemental forces and then a phoenix cry was heard and we landed!

Me: Don Thousand!

Don Thousand: Team Loud Phoenix Storm! Yuma Tsukumo. Did you and your friends have a nice tour?

Yuma: Not as fun as the ads say but it will be fun when we destroy you!

Juggernaut: Ending your regin of terror ain't the only reason we're killing you. The other reason is because we honestly lost count of how many Number Cards we have and want to get the rest all at once.

Me: That's right you fiend! We played all your devilish tricks and even brought the pain to all your minions. Now all that's left is to finish you off permanently!

Nico: That's right! You will pay for everything you did!

Then Robo Roxy, Gentleman Ghost, Evil Green Ranger, Springfield Mafia, Evil Star, Biowulf, Top, Taskmaster, Dayu, and Copperhead appeared.

Nico: Robo Roxy, Gentleman Ghost, Evil Green Ranger, Springfield Mafia, Evil Star, Biowulf, Top, Taskmaster, Dayu, and Copperhead

Robo-Roxy: We had to fight a lot of Duel Monsters to get here.

Gentleman Ghost: But it was worth it.

Me: I can tell.

Evil Green Ranger: They honestly weren't that hard.

Nico: Great!

Fat Tony: (to Nico) We heard you went to a popcorn planet.

Nico: We sure did.

Evil Star: How much do you eat?

Nico: LOTS OF POPCORN!

Me: Yep!

Then Negatron came.

Me: Up for your first battle I see Negatron.

Negatron: Yep.

Negatron: This is honestly my first battle. But you already saw me on Control Freak's team.

William: I hope you're ready for a battle of insults.

Negatron: Of course I am! But I probably won't do much against J.D. The only insult I can think of is that he's not good at quantum physics.

Me: That may be insulting but it's true. (RASPBERRIES)

Nico: Yeah!

We got the battles underway.

Helena Brooks: Oh, you're so going to like seeing this.

Helena Brooks pulled up the video as it played on the big screen, and we saw Helena Brooks standing in between Flip and Lincoln who was beside her, and Flip was completely driven insane by murderous rage after Lincoln exposed another of his scams.

Past Helena Brooks: I always knew you were nothing but a jerk, Flip, along with being a con artist and a gross, hairy, mutant cheapskate, but I never would've thought you'd go insane and tried to kill Lincoln. You know what, you've been a pain in the ass to everyone here for years, and it's high-time you got what you deserved, and you're about to get a taste of what everyone feels about you. You're an empty-headed three butt-cheeked hairy moron who enjoys ripping people off just to satisfy your own greed, you're an evil monster who has no remorse for all the harm you've inflicted with your dumb scams and attempted murder hits, and you're a greed-driven, insane, stupid, hairy mutant who doesn't care who you hurt to satisfy your greed! And I hope you either die in prison or someone kills you!

Everyone: OH!

CLANG! CLANG CLANG!

Nico, Eli and Qin's jaws dropped and I put them back.

Nico: OH, DAMN!

Me: Varie and I still remembered those harsh words she said to Flip, and man, did they sting!

We continued watching the video, and those words absolutely set Flip off and he absolutely lost it big time, and he bellowed in rage and he tried to kill her, but Lincoln blasted Flip with crystal shards that transformed into crystal handcuffs and he was also put in a crystal straitjacket.

Past Helena Brooks: Lincoln… , you saved me?

Past Lincoln: I wasn't going to let that mutant kill you, Helena.

This made Helena Brooks smile, and she went up to Lincoln and they kissed on the lips and it left that mutant cheapskate seething with rage and thoughts of heartless revenge. Then, the cops came.

Cop: You again, Flip?! Honestly, we're getting sick and tired of you! Get up, you, it's back to prison for you!

The cops took Flip away as he bellowed and screamed with threats of revenge as the cops drove off, and the video ended.

Nico: Serves that stupid, mutant hairy cheapskate right!

Luna: You got that right, and I was expecting Helena to do that, but Lincoln saved her and he blasted him with Flashwing's crystal shards, and that made Flashwing smile.

Flashwing: He was really an awesome master at using my powers as well, along with the powers of the other Earth Skylanders, same with the Magic, Undead, Fire, Water, Light, and Dark Skylanders. But, I'm not spoiling the surprise until we meet the other Skylanders Gene-Slammers on Lincoln's side.

Lincoln: Oh great, I knew there's no mistaking that foul mouth from anywhere, you just don't know when to call it quits, do you, Megan Cooper.

We saw a girl with black hair, red eyes, and dressed in a black coat, white blouse, black pants, and black knee-high boots heading our way on a motorcycle, it was Megan Cooper of The Legion of The Lincoln-Haters, but we also saw Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson heading here as well.

Selene Arcangela: Oh great, that monster bitch's also got Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson with her.

Lincoln: If they think I'm going to take that lying down, they've got another thing coming.

Lincoln fired magnetic blasts at the motorcycles and destroyed them and that sent the Legion of The Lincoln Haters flying off the destroyed motorcycles, and when they got back up and saw Lincoln, they were now absolutely pissed off.

Megan Cooper: You ruined everything, Lincoln Loud! We had every last loser cowering in fear before us, but you… ! YOU JUST HAD TO PLAY THE HERO AND RUIN OUR REIGN!

Brianna Grayson: And what you fucking did in killing our dads… , THAT WAS THE LAST STRAW THAT BROKE OUR FUCKING BACKS! KILL THEM ALL! LEAVE NONE OF THEM ALIVE!

But, before Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson could get after us, Lincoln trapped them in a rainbow energy field.

Alana Cameron: WHAT THE FUCK?! HE TRAPPED US INSIDE THIS AGAIN! I'LL FUCKING KILL YOU, LINCOLN!

Lincoln: Cry me a river!

Maria: You tell her, Lincoln! (Flips Middle Finger) And up yours, bitch!

Qin: They're just as, if not even worse, than Audrey Madison, and she was a heartless, sick, twisted, good-for-nothing, murderous slut!

Me: And they're still as stupid and murderous as ever.

Hattie: This'll make sure the message is clear: we're putting an end to them once and for all.

Suddenly, Hattie's eyes turned neon green and she was surrounded by a green energy aura with plants, fruits, leaves, and phoenixes, and as she approached Megan Cooper, she left green energy, plants, fruits, leaves, and phoenixes with every step.

Hattie: I can't believe that you'd break out one day to get revenge on Lincoln for something that was entirely your fault, Megan Cooper, and the same goes with the rest of the monster bitches inside the energy field. You think that now that you and the rest of The Legion of The Lincoln-Haters have broken free you can just waltz in here and try and kill Lincoln, we're not standing for it. You've already put the final nail in your coffin, and now, it's time for you to die.

Suddenly, Hattie was surrounded by a massive vortex of green energy with plants, fruits, and leaves surrounding the vortex, there are phoenixes flying around the vortexes, and in the vortex is a teal phoenix with red eyes glaring at Megan Cooper: the red eyes of death. Then, as the vortex faded, Hattie emerged, but she was changed forever.

Hattie grew to 7'5" in height, she has the body of a goddess, she has green highlights in the bangs of her long brown hair and she no longer has braces, she has neon green eyes and a green energy aura with plants, fruits, leaves, stars, and phoenixes surrounding her, she has a phoenix and dragon emblazoned on her forehead with Third Eye with red iris, she has on phoenix earrings with red gems for eyes and holding the Plant and Eternity Kanjis in its claws, she also has a dragon with red gems for eyes and holding the Plant and Eternity Kanjis in the claws on the bottom of her green dragon-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love with green crystal links from her merged Crystal Necklace of the Buddha and green gems embedded on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Hattie has on a long-sleeved teal sweater, black shorts, teal sneakers, she has on large gold metal bands with teal gems on her biceps and thighs, and long sleeveless white trenchcoat with plants, fruits, leaves, and phoenixes on the coattails, and on the back is a phoenix and dragon surrounded by plants and fruits. Suddenly, Hattie felt a sharp pain on her back, and then, massive brown angel wings with green tips on the feathers grew and sprouted out from her back, and she now has eleven massive and long brown wolf tails with green tips and green markings, Hattie has on her Ring of the Phoenix with green gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Hattie's newly forged greatswords and all the greatswords and swords that she'd gotten began to merge together and they're surrounded by a kaleidoscope of green energy, plants, fruits, stars, and phoenixes, and when it emerged, it transformed into Hattie's Eternal Cosmic Nature Fruit Plant Fury Greatsword of Eternal Cosmic Nature Fruit Plant Fury Phoenix Justice, it's a brand-new massive greatsword with embedded red gems and red etchings and a dragon and phoenix etched on the 7'3" massive, wide, double-edged green blade, large green dragon heads for the crossguard, large white angelic faces built into both sides of the hilt with red gems embedded in the foreheads, longer midnight black handle, four large green phoenix heads with red gems for eyes and in their mouths and a large green dragon head with a bred gem in its mouth below the large phoenix heads for the pommel. Hattie has on her new Bracers of The Champions of The Universe with green gems on her wrists and Dragon Ball Bracelet on the left bracer, her new gold Belt of Elemental Bravery with a gold phoenix head with red gems for eyes and a large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a green kanji below the dragon and phoenix that said, "Hattie, Despiser of Killjoy Huggins, Dark Chandler and His Minions, And The Rest of Lincoln's Enemies, Loving Future Wife of Lincoln Loud, Destroyer of Megan Cooper of The Legion of The Lincoln Haters, Destroyer and Slayer of Extremely Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Plants, Fruits, and Phoenixes"

ハティ、キルジョイ・ハギンズの軽蔑者、ダーク・チャンドラーと彼の手下、そしてリンカーンの敵の残り、リンカーン・ラウドの愛情深い未来の妻、リンカーン・ヘイターズ軍団のミーガン・クーパーの破壊者、極度の悪、混乱、殺人の破壊者とスレイヤー、冷酷でサディスティックなろくでなし、優秀で強力な教師の優秀で強力な生徒、植物、果物、鳳凰の達人

Hattie has transformed into SUPER ANGEL-DRAGON-PHOENIX-HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE NATURE ETERNAL COSMIC PLANT FRUIT NATURE DRAGON PHOENIX ANGEL OF DIVINE NATURE ETERNAL COSMIC PLANT FRUIT NATURE DRAGON PHOENIX JUSTICE AND DIVINE NATURE ETERNAL COSMIC PLANT FRUIT NATURE DRAGON PHOENIX LOVE!

We were amazed by Hattie's Super Angel-Dragon-Phoenix-Harmony Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Megan Cooper saw it, she went fucking crazy and she got out her machine gun to fire at Hattie, but Hattie fired a barrage of green energy blasts with plants, fruits, stars, dragons, and phoenixes at Megan Cooper and it sent her flying into a tree back first, she got back up and she ran at Hattie again with a knife she got out, but she disarmed Megan Cooper by sprouting Firecracker Vines with peppers which wrapped around her arm and dislocated it and the peppers exploded and sent her flying into another tree, she got back up, but now, she was mega pissed off!

Me, Nico, and Lincoln: Whoa!

Carmen: Whoa is right, Hattie's transformed into her Super Angel-Dragon-Phoenix-Harmony Universal Eternal Celestial Xelnaga form, and she disarmed Megan Cooper by using Camo's Firecracker Vines and the peppers exploded and sent her flying into a tree.

Lincoln: I had absolutely no idea Hattie can also use Camo's Firecracker Vines, that was so awesome! And Megan Cooper has been asking for this for a long time, and what better way to administer her final judgement than right in front of the other members of The Legion of The Lincoln-Haters.

Hattie: (Divine Godly Cosmic Voice of The Cosmic Fruit Life Plant Firestorm Dragon Phoenix Angel and Divine Cosmic Fruit Life Plant Firestorm Dragon Phoenix Love) You got that right. Now, let's rip her apart, Linky.

Lincoln unholstered his massive Lincoln Loud's Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Phoenix-Harmony Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Hope, and he joined Hattie.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You and the others have caused more than enough grief and trouble to everyone in Michigan for too long, Megan Cooper. We've made the right choice getting you all expelled and put in prison five years ago, but you know what, prison's too good for any of you. Now, we're going to fix that and do what should've been done to you years ago.

Hattie and Lincoln went after Megan Cooper who went extremely ballistic and continued firing at them, but they dodged the bullets, and they fired extremely powerful blasts of rainbow energy, green energy, fireworks, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Megan Cooper and they exploded with incredible power as they hit her, and they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and he and Hattie attacked her with punches, kicks, and karate chops, and they were really, really, really pissing off her off now and driving her even more ballistic.

Just then, Megan Cooper got out a second machine gun, but Lincoln put up a rainbow energy shield around him, Hattie, and all of us, and she started shooting like crazy and also laughing like a deranged bitch, but the bullets were getting bounced off the energy shield. Suddenly, the machine guns ran out of bullets and Megan Cooper's deranged laughter died down and she was really fucked now.

Me: Hah! You're out of bullets, bitch, and you know what that means!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smirks)

You're shit out of luck!

Lincoln grabbed Megan Cooper by the neck and he tossed her into the air, and Lincoln and Hattie fired a powerful barrage of energy balls with plants, fruits, leaves, stars, quintessence, elemental forces, and mythological animals, and as they hit Megan Cooper, they exploded with incredible power and she was killed in the explosions, and that angered the rest of The Legion of The Lincoln-Haters. Then, Megan Cooper's spirit appeared, and she was still incensed with anger and fury.

Megan Cooper: You think you've won?! I'LL RETURN ONE DAY AND KILL YOU ALL!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) No, you're done and this time forever, Megan Cooper. Give my regards to your lowlife dad when you see him.

Lincoln summoned the spirits of Megan Cooper's victims from the past who seized her, and then, he drew the Judgement Kanji on her forehead, and as predicted, she was found guilty for her crimes, and she was fading away from existence.

Megan Cooper: NO! NO! DAMN YOU, LINCOLN LOUD, DAMN YOU ALL, TEAM LOUD PHOENIX STORM! DAMN YOU ALL TO (FADES AWAY)

We cheered wildly for Hattie and Lincoln holstered their massive greatswords on their backs and powered down, and Hattie's new body, clothes, weapons, jewelry, Third Eye, and eleven massive and long brown wolf tails, and massive brown angel wings are permanent.

Then, the rainbow energy field Lincoln put up to keep Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson inside went down, and they ran up to the dead remains of Megan Cooper. Then, they looked at Lincoln and they were absolutely really seething with rage!

Brianna Greyson: You're going to pay for this, Lincoln Loud! YOU FREAK! KILL HIM! KILL THE FUCKER!

Suddenly, the sound of police sirens were heard, and being the criminals they were, they knew they were in huge trouble!

Brianna Greyson: This isn't over, Lincoln Loud!

Then, Kylie Carter, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson ran off, but not before they gave us the finger, and me and Nico retaliated by giving them the finger and it drove them mad as they ran off.

Nico: Yeah, up yours too, bitch!

Hattie: We've taken another one down so far, and now, we got ten more to go. Thanks for helping me destroy Megan Cooper, Linky.

Lincoln: (Smiles Warmly) You're welcome, Hattie.

Suddenly, Hattie wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Hattie's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, and Angel flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and trees and plants growing behind them and we cheered wildly. Then, Lincoln and Persephone absorbed the trees and plants and they came back to us as the display vanished.

Nico: Whoa, now that's what I call a dose of true nature justice. Lincoln, Hattie, you two did really awesome in teaching that monster bitch, Megan Cooper, a lesson and pissing off the rest of those monster bitches.

Lincoln: Thanks, Nico, but this is only the beginning of The War Against The Legion.

Me: You said it.

Lincoln: And for tomorrow, the next member of The Legion of The Lincoln-Haters that's going to show her face is Kylie Carter, which means you and I are up next, Cici.

Cici: Yes, we'll make her pay for all of her crimes in full.

Lincoln: But we've also got to keep an eye out, The Legion of The Lincoln-Haters are bound to send hired thugs after us.

Nico: We'll be ready for them since we've been dealing with hired thugs hired by our resident jerks to kill us, which always end with you killing them by sucking out their blood and pissing Flip and the other jerks off.

Lincoln: And I've got an idea for which Skylander Gene-Slammer we're meeting tomorrow: we're going to meet the Gene-Slammer for Camo.

Selene Arcangela: Awesome, and there's only one person who'd be Gene-Slammed into Camo: Daniela Delgado, she's Lincoln's Guardian Angel and The Master of The Element of Fruit and Plants, and among the first humans who were actually born in The Skylands and grew up there under the guidance of Master Eon and the Skylanders, and as Daniela grew, she discovered that she's a master of the Element of Life, one of the Ten Elements of The Skylands, and she trained a lot under the tutelage of Master Eon and the Life Skylanders and she proved to be quite the master of plants and fruit. She left The Skylands and she moved to Royal Woods, Michigan, and this is way before Kaos, The Dark Portal Master, had launched his hostile takeover of The Skylands. Daniela really hated that world-conquering warlord, and when Marie formed The Skylanders Liberation Coalition, Daniela became one of the members and she had sworn to make Kaos pay for all his crimes against Skylands and against all The Skylanders.

Melanie Aranyani: After you guys freed The Skylands from Kaos and The Skylands merged with our world, The Skylanders Liberation Coalition had become part of The Earth-Skylands Federation. Plus, we also saw she fell in love with Lincoln when they first met, and she really trained him intensely on how to use the Element of Life, and she also had the additional help of Camo and the other Life Skylanders, who really helped Lincoln in advancing his training in mastering the element of life, and over time, he really proved to be a master and at the same level as Daniela.

Me: Hey, now I remember her all too well, she went missing long ago, and now I know why she went missing, she was Gene-Slammed by Team Rocket.

Lincoln: Yep.

Selene Arcangela: And although Daniela hates Kaos with a blazing passion for all his crimes against Skylands, there's only one person that Daniela hates with a passion ever since she came to Royal Woods: that person is her older brother, Pedro Delgado.

Me: Oh, I remember that asshole all too well.

Lincoln: Me too, Daniela never got along well with her brother at all, even when they were growing up. Pedro did all he could to try and break his sister, but she survived every last one of his attempts, but when he threatened to kill me and also sided with Lori, Lynn, Lola, Lisa, and Luan, that ultimately did it, and when I overheard it, I was really furious and I told Pedro off saying he was a misogynistic dumbbell with a brain the size of an amoeba, he was a psychotic moron with no respect for his sister or women at all, and even worse, I also said that he was even worse than Lori, Lynn, Lola, Lisa, and Luan.

Everyone who wasn't there at that time gasped in shock, and Nico's jaw dropped to the floor!

CLANG!

Nico: You called him all that?! Damn, and I hate to find out what you called Lori, Lynn, Lola, Lisa, and Luan.

Me: He called them a bunch of misandrist harpies who ruined their life-long bond with their little brother because of their stupid wants and greedy desires.

Eli: Ouch, oh, that must've really set them off!

Marie MacDougal: Oh, it did.

Selene Arcangela: That set Pedro, Lori, Lynn, Lola, Lisa, and Luan off, but before they could get after Lincoln for telling them off, he and Daniela used Camo's Firecracker Vines and when the peppers on the vines went off, they exploded and those six went flying off in different directions: Pedro was sent flying to the police station where he was eventually sent to prison after Daniela sent evidence of his many crimes against her and everyone around him including many counts of vandalism, kidnapping, assault, extortion, and even worse, murder for hire when it was discovered he was also a hitman for The Mexican Mafia, and Lori, Lynn, Lola, Lisa, and Luan were sent flying back to The Loud House where Lincoln texted Luna of what those five tried to do to him, and after the evidence was shown of them also siding with Pedro and also plotting to kill Lincoln along with Daniela, those five got grounded for fifteen weeks and thrown into metal cages like the animals they were.

Biowulf: I bet all the Number Cards are in our possession now.

Top: They probably are.

Me: Yep. I have them all right here in my hands.

I had huge piles of Number cards in my hands.

Nico: Awesome.

Taskmaster: Finally, Don Thousand's reign of terror has come to an end.

Dayu: It sure has.

Yuma: Good riddance.

Copperhead: The best part is that there won't be anymore Aparoid Zombies.

Nico: No kidding there.

We went back to Earth.

Me: Thank goodness we're out of there.

Lola: Yep.

Nico: But great job today everyone.

Lola: Yeah!

Yugi: (To the viewers) You better remember that never Duel Monsters should always be about fun and never a battle with life and death.

Me: That's right.

We went back home and enjoyed the rest of the day and went to sleep.

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Treetop Terrace in The Skylands, but we also got word that Pedro Delgado, the misogynistic ex-older brother of Lincoln's Guardian Angel, Daniela Delgado, and convicted felon and hitman of The Mexican Mafia, has broken out of jail, and he wants revenge on Lincoln for sending him to jail and ruining his plan to kill both him and Daniela. Me: I have a feeling this will be an amazing food planet.

Himiko Toga: Me too. I hope it's donuts just like you said.

Eli: Me too. I love donuts.

Lily: Mmm donuts.

Nico: (LAUGHS) That will be funny.

Georgina: I love good donuts and so does Sheila and Tom.

Xenia: Me too. That is so funny.

Lola: Anyone who doesn't like donuts has something wrong with them.

Nico: Yep.

Camie: I love good donuts too.

Toru: Same with me.

Nico: Georgina, I want to thank you, Hsi Wu, and your teams for coming.

Georgina: No problem Nico. This is gonna be so awesome and fun.

Camie: It sure will.

Spyro: You bet it will be. I'm really excited for this one.

Twilight Sparkle: All of us sure are.

Nico: Spyro, how exactly did you meet the other Skylanders?

Me: That's what I was wondering.

Spyro: Me and Master Eon met them as we were searching for them as we went along. It was one epic and awesome recruitment mission.

Nico: That is awesome.

Twilight Sparkle: That is really amazing and cool.

Camie: It sure is.

Nico: To think your adventures started off with just fighting Malefor.

Spyro: I know and then it worked its way up to fighting Kaos and the Darkness.

Nico: It sure did.

Qin: That is so awesome.

Me: Yep. Kaos banishing the Skylanders to Earth turned out to be the ultimate blessing in disguise and now Humans and Skylanders are now awesome partners and friends.

Nico: That's right.

Twilight Sparkle: And me and my friends are the Princesses of each element of the Skylanders.

Spyro: That's right and it's awesome.

Nico: It sure is.

Lola: That was awesome.

Me: But yesterday's adventure was just as fun and awesome.

Nico: We got all the Number Cards yesterday.

Me: And destroyed Don Thousand Once and for all.

Lola: Fighting all the Number Holders was fun while it lasted just like

Rainbow Dash Said.

Nico: That's true.

Rainbow Dash: It sure was awesome. Some of the Numbers were cool.

Me: Yeah they were.

Nico: I honestly did lose count of how many we got beforehand.

Me: Yeah I did too. I actually loved hunting the Numbers. It was fun.

Eli: We all did.

Lola: At least we'll never see Aparoid-Dark-Orb-Number Zombies again.

Nico: That's for sure.

Me: Yeah.

Laney: Many of the Number Holders were friends that we know.

Nico: No kidding there.

Lola: Yeah.

Nico: Killing Don Thousand was long overdue.

Me: It was.

Xenia: But it was awesome destroying him.

Lola: Yes it was.

Qin: Now Yuma, Tori and friends and the Astral World and us can rest easy knowing that there will never be anymore attacks from the Barian World.

Lana: Thank goodness.

Tsuyu: Yeah no kidding.

Kaina Tsutsumi: That is for sure. I'm glad that the threat of the Numbers is gone.

Nico: We can still use the Numbers in our fusions and battles.

Qin: That's true.

Nico: Here we are.

We arrived at the planet and it was a multi-color mountain planet and it had many colors.

Me: Wow from up here it looks like a flower, forest and mountain planet.

Xenia: Yeah.

Maria: Lets take a closer look.

We flew down and landed and then we saw that it was a WORLD MADE OF DONUTS!

Nico: A Donut Planet!

Lola: Wow!

Lily: OH BOY! DONUTS!

Nico: Lets get Homer here!

I teleported him to us and Homer and Lily saw it!

Homer and Lily: MMM DONUTS! (DROOLS)

Nico started eating donuts

Nico had donuts filled with jelly.

Nico: MMM! Jelly filled.

Homer and Lily had chocolate and double glazed.

Homer: Mmm Chocolate and Double glazed. (DROOLS)

Lily had mint and vanilla.

Lily: Mmm Mint and Vanilla.

We laughed!

Me: Homer and Lily are in Donut Heaven.

Zarya: (LAUGHS) They sure are.

Juran: Lily likes donuts?

Me: She LOVES Donuts. That was one of her first words she learned.

Nico: RIGHT! During the Potty Mouth Fiasco.

Eli: Oh yeah where she was trying to say Donut and everyone thought she said Damn It.

Lily: Yeah that was crazy. I love donuts that much.

Homer: (LAUGHS) That is a true Donut Guru right there.

Lola: I remember that. Lily has loved Donuts ever since.

Camie: Aww.

Eli: Yep.

Lily: I have that big a love for donuts.

Eli: (Senses Something) Whoa! We have More of Swartz's creations here. We have Another Malachite, Another Jasper, Another Roller Ghoster, Another Bad End Pretty Cure, Another Pitcher Plant Monster, Another Pintar, Another Fenghuang and Another Hsi Wu.

Me: WHOA! Those are the archenemies of Sunny and Friends. And Pintar. That name is familiar. Master Goku told me that Krillin faced Pintar in the World Martial Arts tournament.

Nico: Who's first?

Me: Malachite.

Sunny Starscout: This is going to be really cool!

Me: It sure is.

Camie: Malachite is an Unstable Gem from what I remember.

Varie: That's right. She is a fusion of Jasper and Lapis Lazuli.

Camie: Wow! And where are Malachite stones usually found?

Nicole: They are usually found in places like the Democratic Republic of the Congo, Gabon, Zambia, Tsumeb in Namibia, Mexico; Broken Hill, New South Wales; Burra, South Australia; Lyon, France; Timna Valley, Israel; and the Southwestern United States, most notably in Arizona.

Camie: Wow! That is amazing.

Eli: Whoa! This is a crazy one! Like the Malachite that Steven Universe and the Gems faced she is unstable but mentally.

Me: Mentally? Like how?

Eli: She has a split personality. One that's good and one that's evil.

We gasped!

Vroom: Is that her?

We saw a figure come out and it was ANOTHER MALACHITE! She looked like Malachite but had a pitch black aura around her.

---

Malachite is a colossal fusion, nearly equal in size to Sugilite on all fours and Alexandrite on her back legs. She possesses six arms, of which the lower four function as legs. She has four eyes with light green irises and pointed teeth. Her first set of eyes functions as eyebrows. Her eyes change shape based upon who is controlling her, with her eyes being small and catlike as Jasper's eyes and a larger, rounder shape as Lapis' eyes. Her wavy, pale-green hair, styled in a star-like Alexandrite's, is a short bob like Lapis', but wild and frizzy like Jasper's. Her skin is turquoise with dark green stripes, and its pattern is similar to Jasper's. She has two torsos joined, similar to a Centaur. Her upper torso and arms are longer and more slender while her lower torso and four limbs are more muscular. The upper half of her outfit, which is a deep-green and greenish-black stretched halter top, has a pattern like Lapis' suit with a neckline like Jasper's while its lower half is a greenish-black "uniform" similar to Jasper's with a V-neck "collar" that connects to form a Yellow Diamond insignia, serving as a waistband for her upper torso.

---

Qin: WHOA!

Me: Another Malachite!

Nico: Wow! This is gonna be one dangerously powerful one.

Another Malachite: (In a girls voice) I have been looking forward to this J.D.! (In Another Girls Voice) NO! YOU WILL LEAVE HIM ALONE! I LOVE J.D.!

We gasped!

Me: Wait I know those voices!

She reverted back and it was a girl with green hair and had green clothes and had a green gem in the middle of her forehead and had green angel wings!

She was clutching her head in pain.

Me: (GASP) Celeste Malachite!

Celeste Malachite: (GRUNTS) J.D.! HELP ME!

Nico: Oh man! What's happening to her!

Me: Celeste was a girl that has 2 personalities. One is her good self which is golden hearted and pure. That one is Celeste Malachite.

But there is another in her that is pure evil and filled with rage and hatred and extremely violent! That one is called Fiona Jade.

Everyone gasped.

Celeste Malachite: (GRUNTS) YES AND JADE WANTS TO KILL YOU!

Me: Sunny you take the Another Malachite and I'll face Fiona Jade.

Sunny Starscout: You got it!

Girl Jordan: First lets separate you.

Leeli: Right!

Girl Jordan: Lets go Leeli.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background.

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Spring abundant holoél

She glowed and Fiona Jade and Another Malachite was separated from her. We saw Fiona Jade! She had dark green hair and had piercing evil red eyes and had a gem of jade in the middle of her forehead and had black and green clothes!

Nico: WHOA! The hate she has is incomprehensible!

Sunny glowed and went into her Alicorn Power!

Me: Lets get them!

Sunny flew at Another Malachite with incredible speed and blasted her all over with energy and I kicked Fiona Jade in her face and knocked her down and she got up and went at me and I punched her in the stomach and kneed her in her face.

Sunny: Take this!

She fired waves of energy and blasted Another Malachite all over!

I punched Fiona Jade in her face and sent her crashing into a sprinkle rock!

Fiona Jade: (ENRAGED SCREAMING) I HATE YOU!

My aura flared up with explosive force and I teleported and kicked her in the back.

Sunny Starscout fired magic laser blasts and blasted Another Malachite all over.

She flew with the speed of a Double Rainboom blast and smashed into her and cleaved her in two and then Another Malachite exploded with devastating power!

EXTREMELY MASSIVE AND POWERFUL UNBELIEVABLE EXPLOSION!

She was blasted in a massive fiery explosion! Nico caught the Wonder Ride Book and it was called the Princess of Malachite and the Evil Malachite Warlord Warrior.

Nico: Cool title.

I fired an energy blast and it hit Fiona Jade and obliterated her in a powerful explosion!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was destroyed!

Me: YEAH!

Everyone cheered wildly for the both of us!

Zipp Storm: That was amazing!

Rainbow Dash: That was AWESOME!

Lola: WOW! It sure was!

Sunny and me High Five!

Me: YEAH!

I went over to Celeste and she was weak and really tired and me and Sunny brought her over.

Me: Sunny you were amazing! Your Alicorn powers got stronger.

Sunny Starscout: They sure have.

We saw Celeste down and Varie looked her over.

Varie: She'll be weak and tired like this for a few days. The separation really drained her.

Qin: Boy poor girl.

I saw the gem of Malachite on the ground and picked them up.

Me: Maybe there's a way we can have Malachite be good for her.

Then they glowed and formed into an amazing Malachite Sword!

Me: WHOA!

Camie: That is an awesome sword.

Me: Perfect for Celeste.

Nico: Yep.

Eli: We're not done yet.

Nico: Next!

Me: Another Jasper.

Nico: Oh boy.

Pipp Petals: Oh my glitter! This is going to be so fun.

Nico: Go get her Pipp.

Camie: Where can Jasper usually be found?

Nicole: Places like India, Russia, Egypt, Madagascar, Australia, and South and North America. Though it's common all over the US.

Camie: Wow! That is amazing.

Lola: Yep.

Nico: There she is!

We saw a figure and it was ANOTHER JASPER! It looked like Jasper but with a Dark Aura.

Nico: WHOA! This one is going to be tough.

Qin: Yep.

Another Jasper: But it's going to be fun guys.

Me: (GASP) Allie Jasper!? Whoa!

She reverted back and was a girl with Orange hair and orange clothes and had an orange gem in the middle of her forehead and had orange eyes and had orange clothes and orange angel wings.

Allie Jasper: Awesome to see you again J.D.

Me: Same here.

Pipp Petals: I take it you two know each other?

Me: Yep. Allie is a Jasper Miner from Idaho. She mines Jasper for

Jewelry.

Nico: Cool!

Allie Jasper: It sure is.

Me: By the way are the other Anothers hostile or friendly?

Allie Jasper: Friendly. They are all Crystal Gem Gene-slammers.

Me: WHOA! This is gonna be interesting!

Nicole: Crystal Gem Gene-slammers. Wow this will be interesting.

Me: Learn more about jewels and where they are found too.

Pipp Petals: I hope they don't have split personalities.

Allie Jasper: Don't worry they don't.

Varie: Sugalite and Malachite were the only 2 gem fusions I know that had that.

Lola: Yeah that was crazy.

Allie Jasper: It sure was. As you can see, I am the Jasper Gene-Slammer. I am essentially an artificial Gemsona.

Me: Wow! So when you got injected with the DNA of the gem you got their powers and qualities.

Allie Jasper: That's right.

Nico: That is amazing.

Eli: Yeah!.

Pipp Petals: Oh my glitter this is going to be so fun.

Allie Jasper: It sure will be.

Lincoln: Lets separate you first.

Lincoln fired a wave of light and separated Another Jasper from her.

Me: YEAH!

Pipp Petals: This is going to be good!

Another Jasper: BRING IT ON!

Another Jasper charged at Pipp and Pipp spread her wings and flew at her and kicked down Another Jasper with devastating force and smashed her into a million pieces and she exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Wonder Ride Book and it was called The Jasper Princess and the Brutal Warrior of The Jasper World.

Me: Nice title.

Zipp Storm: That was awesome sis!

Pipp Petals: That was so fun!

Nico: It sure was!

Me: Another Roller Ghoster is next.

Zipp Storm: Looks like I'm up next.

Me: Yep.

Then my Geiger Counter started clicking loudly like mad.

Me: Whoa! We got intense Gamma Radiation!

Hsi Wu: Roller Ghoster isn't radioactive!

Me: No but I have a feeling that it's radioactive because its gene-slammer is!

Then Another Roller Ghoster came and it was emitting Gamma Radiation Levels that were off the scale!

Me: WHOA! Stay back some of you! This one is intensely radioactive!

Qin: YEAH!

Another Roller Ghoster: (in a girls voice) It's because of my gem powers that I'm like that.

She reverted back and was a girl with neon green hair and neon green eyes and had a sash made of glowing green crystal and had green clothes and had neon green glowing angel wings.

Me: (GASP! Callie Cuprosklodowskite!

Nico: Whoa she is intensely radioactive!

Callie Cuprosklodowskite: Awesome to see you again J.D.

Me: You too.

Camie: Where is Cuprosklodowskite usually found?

Me: In the Katanga province, Belgian Congo. It's a Uranium mineral but it emits as much Gamma Radiation as Plutonium.

Camie: That is lethal.

Me: Yep.

Callie Cuprosklodowskite: I know. But I can control the radiation I have and make myself safe.

Me: That's good.

Nico: But why can't you?

Callie Cuprosklodowskite: Because this power that Swartz gave me is messing that up.

Me: Whoa!

Nico: We can fix that!

Zipp Storm: Just leave this to us.

Lincoln: First this.

Lincoln fired a wave of light and it separated Another Roller Ghoster from her.

Qin: Oh yeah!

Lola: YEAH!

Zipp Storm: This will be so fun.

Me: It sure will.

Zipp Storm: Let's do this!

ANother Roller Ghoster roared and Zipp flew fast and punched it down and kicked him in the back and sent him crashing into a rock and then it exploded! I caught the Ridewatch and it was called The Radioactive Gem Princess and the Amusement Park Saboteur Monster.

Me: Nice title.

Qin: Yeah.

Lola: Yep.

Me: Another Pitcher Plant Monster next.

Hitch Trailblazer: My turn next.

Nico: There she is!

We saw Another Pitcher Plant Monster.

Me: Whoa! This one has a huge appetite for bugs.

Lola: Just because it's a Pitcher Plant doesn't mean it eats bugs for real.

Xenia: Yeah.

Nico: Who are you?

Another Pitcher Plant Monster: (In a girls voice) I think it's cool that J.D. knows me.

Me: That voice.

She reverted back and was a girl with teal blue hair and had blue angel wings and teal blue clothes and blue eyes.

Me: Dahlia Dioptase! Whoa!

Lola: Wow! The Gemsona for Dioptase?

Me: Yep.

Dahlia Dioptase: Awesome to see you again J.D.

Me: Same here.

Hitch Trailblazer: This is gonna be interesting.

Qin: It sure will.

Lincoln: Lets get you cured of this.

Lincoln fired a blast of light and separated her from Another Pitcher Plant.

Nico: This is gonna be great!

Qin: YEAH!

Hitch Trailblazer: Let's do this!

Hitch fired waves of energy and blasted Another Pitcher Plant Monster and he exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Wonder Ride Book and it was called The Dioptase Princess and the Pitcher Plant Forest.

Me: Fitting.

Dahlia Dioptase: That was awesome!

Nico: Yeah it was!

Me: Now for Another Bad End Pretty Cure.

Izzy Moonbow: This one is going to be so fun and cool!

Nico: There they are!

We saw them and it was dark versions of The Bad End Pretty Cure. It was ANOTHER BAD END PRETTY CURE!

Me: Another Bad End Pretty Cure.

Qin: One of these days we'll find individual archenemies for them.

Lola: Good idea.

Nico: I agree.

Another Bad End Happy: This is gonna be a good one.

Another Bad End Peace: It sure will be.

They reverted back and merged into one and it was a girl that had rainbow hair and blue eyes and blue clothes and rainbow angel wings.

Me: (GASP) Aurora Aura Quartz!

Nico: Ooh that one is beautiful.

Me: Yep.

Aurora Aura Quartz: She sure is.

Nico: We need to separate you. Spreading your mind across them can't be healthy.

Me: I agree.

Lincoln: No it isn't.

Lincoln fired waves of light and separated the Another Bad End Pretty Cure from her!

Aurora Aura Quartz: So I was 5 girls!? That is crazy!

Izzy Moonbow: Lets make this fun!

She fired a blast of magic and blasted them all down and they exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Wonder Ride Book and it was called The Aura Quartz Princess and the Rampage of the Dark Rainbow Gang.

Me: Very fitting and cool.

Eli: Now for Another Pintar.

Misty Brightdawn: This will be awesome for me.

Nico: There she is!

We saw a big figure and it was ANOTHER PINTAR!

Me: Whoa! Another Pintar!

Xenia: Big one!

Lola: Yeah!

Another Pintar: (In a girls voice) I absolutely hate this form.

She reverted back and was a girl with aqua blue hair and blue eyes and blue clothes and had blue butterfly wings.

Me: (GASP) April Aquamaria!

Nico: Wow!

Me: Yep. April is an awesome girl with a powerful water power.

April Aquamaria: It's true.

Misty Brightdawn: Sorry we have to do this.

April Aquamaria: No worries.

Misty Brightdawn: This will be fun.

Lincoln fired a beam of light and separated Another Pintar and Misty fired waves of magic and blasted Another Pintar and he exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Wonder Ride Book and it was called The Aquamarine Princess and the Fighter of the Brutal Brawn.

Me: Fitting.

Nico: Who's next?

Spyro: Another Fenghuang.

Qin: This will be interesting.

Lola: Awesome.

Nico: Yeah!

Lola: Yep.

Nico: This will be good.

Spyro: That means I'm up next.

Me: Yep.

Qin: Yeah.

Then we saw ANOTHER FENGHUANG!

Lola: Another Fenghuang!

Nico: Yeah!

Another Fenghuang: This is gonna be a really fun one.

Me: (GASP) That voice!

She reverted back and it was a girl with dark blue hair and blue clothes with blue sparkles in them and she had blue angel wings and they were sparkling too.

Me: Goldie Goldstone! Whoa!

Xenia: WHOA!

Lola: Wow! Goldstone is magnificent.

Nico: It sure is.

Maria: Tine for backup! (TURNS DIAL) MELTING SLIME 6!

She summoned Melter, Yost Viper, Acid Breath, Scorn, Beelzebot and Universe 666 Genie Jafar!

Nico: YEAH!

Qin: Awesome!

Lola: This will be fun.

Nico: What's that in the sky?

Lincoln: (laughs) Man, that's a classic!

Nico: No, I'm not kidding. What's that in the sky?!

Me: Up in the sky look!

We saw it!

Laney: It's a bird!

Varie: It's a plane!

Me: No It's ANOTHER HSI WU!

We saw that it was Another Hsi Wu!

We saw it land and it was a dark version of him!

Nico: And you are?

Another Hsi Wu: (In a girls voice) I believe that J.D. knows.

Me: That voice.

She reverted back and was a girl with aqua blue hair, blue eyes, blue clothes and blue angel wings.

Me: (GASP) Hailey Hemimorphite!

Nico: Whoa!

Hailey Hemimorphite: Awesome to see you again J.D.

Me: Same here. Hailey is a girl I met on an airplane that had to make an emergency landing and the pilot had a heart attack and I had to help save the plane. All those flight school lessons really paid off and I saved everyone.

Nico: Wow!

Eli: That was awesome!

Hailey Hemimorphite: Yep and I helped J.D. too.

Me: Yeah that was awesome.

Sougo: (gets out In Space Ridewatch) Wait. How did you dissolve into the ground?

Geiz: (gets out Lost Galaxy Ridewatch) Does Hsi Wu have that power?

Sougo got InSpaceRedArmor while Geiz got LostGalaxyRedArmor.

Hailey Hemimorphite: Crystals are made from the ground and I merged with the ground with my powers.

Me: That makes sense.

Xenia: Yep.

Hailey turned into ANOTHER HSI WU!

Nico: Time to fly! (ACTIVATES HSI WU'S RIDEWATCH)

Nico fired waves of energy and blasted her down.

Nico: Time for Kung Fu Fighting! (ACTIVATES FENGHUANG'S RIDEWATCH)

Nico did the Thundering Wind Hammer and spun really fast and stopped and fired a wave of green energy and smashed her down.

May: Try this on! (ACTIVATES SHIZUKA OF THE WIND'S RIDEWATCH)

She fired a wave of wind and blasted her down.

May: And this too! (ACTIVATED BIRDBRAIN'S RIDEWATCH)

She fired eggs and blasted her down.

Maria: (CROWS LIKE A ROOSTER) (ACTIVATES ROOSTAFA'S RIDEWATCH)

She fired eggs and blasted her down.

Maria: And this! (ACTIVATES SPACE GORILLA'S RIDEWATCH)

Maria fired waves of energy and smashed her down.

Spyro: Oh yeah! All Fired Up! (ACTIVATES FENGHUANG'S RIDEWATCH)

He fired the Mongolian Fireball and blasted her down.

Then Vulture, Evil Aero Man, Astral Drop Hay Lin, Sonoi, Jorgan Von Strangle and the Sea Demon came.

Nico: Nice team Vulture!

Vulture: Thanks Nico.

Me: This is going to be awesome.

Maria: Where's the next Gene Slammer?

Then we heard rumbling and we saw a Bouffalant!

Me: WHOA! A Bouffalant!

Qin: WHOA!

Lola: That one is strong!

It jumped and charged and smashed down Another Hsi Wu and exploded!

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

She was back to normal and I caught the Ridewatch and purified it and I brought Hailey over.

Me: That was rough!

Bouffalant: (In a girls voice) YEEHAW! That was awesome!

Nico: Connie Cheyenne! Wow!

Me: Wait the famous Log Cabin Hotel Builder!? Whoa!

Xenia: That is awesome!

She reverted back and was a girl with brown hair and had a cowboy hat on and had brown eyes and red clothes and red angel wings.

Connie Cheyenne: That was so awesome!

Spyro: What's your favorite memory of Nico?

Connie Cheyenne: My favorite is when me and Nico built the Yellowstone Cabin Lodge and it's a beautiful hotel.

Me: That hotel was built by you two!? Wow!

Nico: Yep.

Nico and Connie hugged.

Nico: I've really missed you.

Connie Cheyenne: Me too Nico. Me too.

Sonoi: I'll be sticking with you guys back to the Estate.

Me: Okay. I have a feeling another Hitotsuki Attack is Imamate.

Nico: Me too.

Me: I can teach you new poem lines if you want Sonoi?

Sonoi: I would like that J.D.

Me: Awesome.

We went back home to Earth.

Me: That asshole just doesn't know when to quit, and now, he's broken out for revenge on you? That's it, he's going down!

Nico: Big time, and we just got word that he's stolen an experimental super soldier serum from a lab in California. Lincoln, where did Pedro get sent to after he got convicted for his crimes?

Lincoln: He was sent to a federal prison near the boarder between California and Mexico. Wait, I also heard there's a lab there as well. (Gasps) Oh no, after he escaped from prison thanks to help from his contacts in prison, he stole an experimental super soldier serum from the lab, and that's how he's going to take his revenge on me and Daniela?! The bastard!

Eli: We got to stop him now!

Lincoln: And we will, Eli, and I want to thank you and Yost Spiderman for joining us, Kendra.

Kendra: You're welcome, Lincoln.

Suddenly, we saw Camo appear before us, and with Camo are the six girls.

Cynder: Camo, but what are you doing here? Aren't you back at the Estate?

Camo: (Girl's voice) (Spanish Accent) Sorry about the scare, Cynder, but I had to get the girls out of here before my stupid older brother tried to kill them.

Lincoln: (Gasps) Daniela Delgado, I knew it was you, which means we're about to run into your evil ex-older brother, Pedro,… right now!

?: (Spanish Accent) (Enraged Screaming) YOU BITCH, YOU AND LINCOLN WILL DIE FOR STILL BEING ALIVE!

We then saw our target: a male with black hair, eyes full of hatred, tanned skin, and he was dressed in a red prison jumpsuit, it was Pedro Delgado, Daniela Delgado's misogynistic ex-older brother and convicted felon and hitman of The Mexican Mafia, and he was out for blood.

Lincoln: Pedro! I never thought I'd run into you again!

Pedro Delgado: And now, I will enjoy killing you and your whores along with your family, friends, and children!

Pedro Delgado took out a bottle and inside it was a red liquid: the super soldier serum. He was about to drink it until Yost Spiderman snatched it back with a web.

Yost Spiderman: You shouldn't drink any strange substances you stole.

Lincoln: Especially something he stole from an experimental lab.

Pedro Delgado: GIVE IT BACK NOW!

Lincoln: No.

Lincoln drank all of the contents of the experimental super soldier serum. Suddenly, he'd felt extreme heat rushing through his massive muscular body and really immense power flooding through every last one of his veins as his abnormally massive and powerful upper and lower body muscles grew a bit bigger and bulged even more and that also spread to his massive angel wings and eleven massive and long white wolf tails, and his version of He-Man's chest harness adjusted to the sudden muscle growth.

Lincoln: Whoa, now that was really incredible.

Sylvester: Let's put this sore loser out of his misery.

Then, Lincoln grabbed the collar of Pedro's jumpsuit with only one hand and lifted him off the ground and then, he threw him into a nearby tree which he hit back first and was knocked out, then Lincoln tied him up in a rainbow energy straitjacket and rainbow energy chains and beamed him to a brand-new prison. We cheered as we holstered our weapons and powered down.

Lincoln: That's yet another rescue for the books, and Pedro's back in prison where he belongs. (To Daniela Delgado) And it's so good to see you again, Daniela Delgado.

Daniela Delgado reverted back to normal, and she's a beautiful girl with long green hair, red eyes, she was tall at 6'11" in height, she has the body of a goddess, and ample breasts, fair skin, she has massive and beautiful green angel wings, she's dressed in a short-sleeved green blouse, sleeveless green top, green skirt with the Life Skylanders symbol on it, necklace with red gem for the pendant, white bridal gloves, green knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with plants, fruits, dragons, and angels on the coattails and on the back is Camo and on top is the symbol of The Life Skylanders, and holstered on her back is a massive Camo-themed greatsword with embedded green gems and Camo etched on the 7'0" massive, wide, double-edged green blade, large green dragon heads for the crossguard, large white angelic faces embedded on both sides of the hilt with green gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large green gem on the bottom of the large white angel heads for the pommel.

Daniela Delgado: (Spanish Accent) You too, Lincoln, it's been a long time.

Lincoln went up to Daniela Delgado and he hugged her, and Daniela Delgado is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Daniela Delgado: (Spanish Accent) Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'9" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness, man, you've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal.

Me: And Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Daniela Delgado, Gene-Slammer of Camo, she's my Guardian Angel and The Master of The Element of Life, and among the first humans who were actually born in The Skylands and grew up there under the guidance of Master Eon and the Skylanders, and as Daniela grew, she discovered that she's a master of the Element of Life, one of the Ten Elements of The Skylands, and she trained a lot under the tutelage of Master Eon and the Life Skylanders and she proved to be quite the master of plants and fruit. She left The Skylands and she moved to Royal Woods, Michigan, and this is way before Kaos, The Dark Portal Master, had launched his hostile takeover of The Skylands. Daniela really hated that world-conquering warlord, and when Marie formed The Skylanders Liberation Coalition, Daniela became one of the members and she had sworn to make Kaos pay for all his crimes against Skylands and against all The Skylanders.

Nico: Awesome!

Me: Yep, and after we freed The Skylands from Kaos and The Skylands merged with our world, The Skylanders Liberation Coalition had become part of The Earth-Skylands Federation. Plus, we also saw she fell in love with Lincoln when they first met, and she really trained him intensely on how to use the Element of Life, and she also had the additional help of Camo and the other Life

Skylanders, who really helped Lincoln in advancing his training in mastering the element of life, and over time, he really proved to be a master and at the same level as Daniela.

Marie MacDougal: And and although Daniela hates Kaos with a blazing passion for all his crimes against Skylands, there's only one person that Daniela hates with a passion ever since she came to Royal Woods: that person is her older brother, Pedro Delgado, and Daniela never got along well with her brother at all, even when they were growing up. Pedro did all he could to try and break his sister, but she survived every last one of his attempts, but when he threatened to kill Lincoln and even worse, he also sided with Lori, Lynn, Lola, Lisa, and Luan, that ultimately did it, and when Lincoln overheard it, he was really furious and he told Pedro off saying that Pedro was a misogynistic dumbbell with a brain the size of an amoeba, that he was a psychotic moron with no respect for his sister or women at all, and even worse, he said that Pedro was even worse than Lori, Lynn, Lola, Lisa, and Luan.

Selene Arcangela: Who wound up getting called a bunch of misandrist harpies who ruined their life-long bond with their little brother because of their stupid wants and greedy desires.

Eli: Jeez.

Me: I still remembered the words all too well, and that set Pedro, Lori, Lynn, Lola, Lisa, and Luan off, but before they could get after Lincoln for telling them off, he and Daniela used Camo's Firecracker Vines and when the peppers on the vines went off, they exploded and those six went flying off into different directions: Pedro was sent flying into the police station where he was eventually sent to prison after Daniela sent evidence of his many crimes against her and everyone around him including many counts of vandalism, kidnapping, assault, extortion, and even worse, murder for hire when it was discovered he was also a hitman for The Mexican Mafia, and Lori, Lynn, Lola, Lisa, and Luan were sent flying back to The Loud House where Lincoln texted Luna of what those five tried to do to him, and after the evidence was shown of them also siding with Pedro and also plotting to kill Lincoln along with Daniela, those five got grounded for fifteen weeks and thrown into metal cages like the animals they were.

Daniela Delgado: (Spanish Accent) And you're going to see it for yourselves. (To Lincoln) Oh, Lincoln, there's something I also want to give you.

Lincoln: Let me guess, you want to give me your blood, right, Daniela?

Daniela Delgado: (Spanish Accent) How'd you guess what I was about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Daniela Delgado: (Spanish Accent) I knew it, you marked them and fed on their blood, along with acquiring their powers as well, I knew that was coming since you'd done that more than once when he got brutally injured by Lori, Lynn, Lola, Lisa, and Luan more than once.

Lincoln went up to Daniela Delgado, and he hugged her in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Daniela Delgado: (Spanish Accent) You're still just as gentle as ever when you feed on one of your Guardian Angels, carino.

Sarah Tinsley: Your blood still has the tint of mixed berries and fruit from all that fruit you've grown and eaten, Daniela.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Daniela Delgado's neck with red gems on the gold lightning bolts and green crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Daniela Delgado: (Spanish Accent)(Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Daniela Delgado.

Daniela Delgado had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw who they were, he immediately recognized them. The six girls are Dorothy and Carol from Buddy Daddies and Dominique Cross, Echidna, Kaldea Orchid, and Leann Caldwell from The Bouncer.

Lincoln: Oh wow, it's Dorothy and Carol from Buddy Daddies and Dominique Cross, Echidna, Kaldea Orchid, and Leann Caldwell from The Bouncer.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Dominique Cross: Yes, we're okay, thanks to you.

Then, when Dominique Cross and the other five girls saw who it was that saved them from Pedro Delgado, their faces turned atomic red upon seeing the 17-year-old 7'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with a Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, He-

Dorothy: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Dorothy: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Dorothy, Carol, Dominique Cross, Echidna, Kaldea Orchid, and Leann Caldwell with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team was shocked to find out the villain we went after was Pedro Delgado, the misogynistic ex-older brother of Lincoln's Guardian Angel, Daniela Delgado, and the convicted felon and hitman of The Mexican Mafia, who broke out of jail, wanting revenge on Lincoln for sending him to jail and ruining his plan to kill both him and Daniela and stealing a super soldier serum to do it.

But, when Lincoln showed what happened such as snatching the super soldier serum Pedro stole and drank it which resulted in the sudden muscle growth and all of us pummeling that asshole and then sending him right back to prison for good, everyone cheered and hugged us and Lincoln's harem kissed him all over. Lincoln and Daniela Delgado have a lot of catching up to do, now that she's back in town.

Maria: I hate to find out if The Legion of The Lincoln Haters also helped him in his escape.

Lincoln: It wasn't, Maria. They may share the same hatred for me, but Pedro was a misogynist who hates all girls and women in general, no, the ones who helped in his escape were his fellow members of The Mexican Mafia.

Me: The Mexican Mafia, the most dangerous gang in history, they still have an influence in the prisons and they're extremely evil.

Nico: Yeah. So, his fellow Mexican Mafia members were the ones who helped in his escape, we need to keep an eye on them from now on.

Lincoln: We will.

After he was captured, Pedro Delgado was then sentenced to Eternity in The Uranus Prison's Super-Maximum Solitary Confinement Wing, where he was chained to the wall of his windowless doorless cell with Neutronium Chains lined with rainbow energy and condemned to darkness forever.

---

After taking down Pedro Delgado, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Daniela Delgado saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Daniela Delgado: (Spanish Accent) My God, I was right that Lincoln's really grown into a 17-year-old, 7'9" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Daniela, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Daniela Delgado: (Spanish Accent) That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Daniela Delgado: (Spanish Accent) Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Daniela, what's the story on how Lincoln told off your misogynistic ex-older brother, Pedro, along with Lori, Lynn, Lola, Lisa, and Luan?

Daniela Delgado: (Spanish Accent) That's something that I will always remember to this day.

Daniela Delgado pulled up the video as it played on the big screen, and we saw Daniela Delgado and Lincoln standing against Pedro Delgado, along with Lori, Lynn, Lola, Lisa, and Luan, who had an evil grin on their faces and they had knives in their hands, but Lincoln was absolutely pissed off now after he found out Pedro threatened to kill Lincoln and even worse, he also sided with Lori, Lynn, Lola, Lisa, and Luan in the plot.

Past Lincoln: I always knew you were nothing but a misogynistic jerk and criminal, Pedro, but what you just did in threatening to kill me, and even worse, you side with Lori, Lynn, Lola, Lisa, and Luan. You know what, you've been a pain in the ass to everyone here for years, and it's high-time you got what you deserved, and you're about to get a taste of what everyone feels about you. You're an evil misogynistic dumbbell with a brain the size of an amoeba, you're a psychotic moron with no respect for his sister or women at all, and you're even worse than Lori, Lynn, Lola, Lisa, and Luan.

Then, Lincoln turned to Lori, Lynn, Lola, Lisa, and Luan, and he was about to let them have it!

Past Lincoln: And as for you five, you're not getting out of this. You five are absolutely nothing more than a bunch of misandrist harpies who've single-handedly ruined that life-long bond you've had with your own little brother because of your own stupid wants and greedy desires!

Everyone: OH!

Nico: OH, DAMN!

Me: Varie and I still remembered those harsh words he said to Pedro, Lori, Lynn, Lola, Lisa, and Luan, and not only did they sting, but man, he was really really angry at them.

We continued watching the video, and those words absolutely set

Pedro, Lori, Lynn, Lola, Lisa, and Luan off, but before they could get after Lincoln for telling them off, he and Daniela used Camo's Firecracker Vines and when the peppers on the vines went off, they exploded and those six went flying off into different directions: Pedro was sent flying into the police station where he was eventually sent to prison after Daniela sent evidence of his many crimes against her and everyone around him including many counts of vandalism, kidnapping, assault, extortion, and even worse, murder for hire when it was discovered he was also a hitman for The Mexican Mafia, and Lori, Lynn, Lola, Lisa, and Luan were sent flying back to The Loud House. Then, Daniela and Lincoln kissed as the video ends.

Nico: Man, I knew Pedro was really bad, but Lori, Lynn, Lola, Lisa, and Luan siding with that asshole to kill you and Daniela both, now that's what I'd call a grand conspiracy.

Luna: Which didn't last long, Daniela also sent the police evidence of Pedro's many crimes against her and everyone around him including many counts of vandalism, kidnapping, assault, extortion, and even murder for hire when it was discovered he was also a hitman for The Mexican Mafia, and Pedro was eventually convicted and sent to prison for life. As for his conspirators, Lori, Lynn, Lola, Lisa, and Luan, Lincoln texted me of what those five tried to do in killing him and Daniela, and siding with that jerk, Pedro, those five got grounded for fifteen weeks and thrown into metal cages like the animals they were.

We got a shower, and then, Lincoln, Queen Tassara, Julie, Bethhannyy, Candlehead, Sapphire Shores, Ms. Harshwhinny, Ms. Peachbottom, Cherry Jubilee, and Princess Skystar are heading to Hydrocity Zone

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'9", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble, and Izuku is dressed in green swim trunks, green sandals, and he had his weapons holstered in case of trouble.

And Queen Tassara, Julie, Bethhannyy, Candlehead, Sapphire Shores, Ms. Harshwhinny, Ms. Peachbottom, Cherry Jubilee, and Princess Skystar were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Queen Tassara, Julie, Bethhannyy, Candlehead, Sapphire Shores, Ms. Harshwhinny, Ms. Peachbottom, Cherry Jubilee, and Princess Skystar had feelings for Lincoln and he also had feelings for them, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant, but they also got to keep their heads up, they got word that Kylie Carter has sent some thugs to kill them.

Queen Tassara: Wow, so this is Hydrocity Zone, it truly is beautiful!

Lincoln: It sure is, Your Majesty, and it's perfect for our first date. Shall we?

Lincoln, Queen Tassara, Julie, Bethhannyy, Candlehead, Sapphire Shores, Ms. Harshwhinny, Ms. Peachbottom, Cherry Jubilee, and Princess Skystar dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Queen Tassara, Julie, Bethhannyy, Candlehead, Sapphire Shores, Ms. Harshwhinny, Ms. Peachbottom, Cherry Jubilee, and Princess Skystar got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw Kylie Carter's hired thugs coming after them, but Lincoln fired orbs of black and blood red energy which hit them and he sucked out all their blood and energy and killed them and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Queen Tassara, Julie, Bethhannyy, Candlehead, Sapphire Shores, Ms. Harshwhinny, Ms. Peachbottom, Cherry Jubilee, and Princess

Skystar, and they hugged the girls in their abnormally massive and powerful muscular arms, and Queen Tassara, Julie, Bethhannyy, Candlehead, Sapphire Shores, Ms. Harshwhinny, Ms. Peachbottom, Cherry Jubilee, and Princess Skystar placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Nico: Whoa, looks like someone really had an awesome time at Hydrocity Zone, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Queen Tassara, Julie, Bethhannyy, Candlehead, Sapphire Shores, Ms. Harshwhinny, Ms. Peachbottom, Cherry Jubilee, and Princess Skystar with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Queen Tassara, Julie, Bethhannyy, Candlehead, Sapphire Shores, Ms. Harshwhinny, Ms. Peachbottom, Cherry Jubilee, and Princess Skystar are now in your harem.

Jenna: Flip had some nerve trying to kill them, that cheapskate's just making things much worse for himself.

Serena Logan: Even after all this time, Flip's still the same mutant cheapskate he's always been.

Rarity: And trying to kill Sapphire Shores, Ms. Harshwhinny, Ms. Peachbottom, Cherry Jubilee, and Princess Skystar, now he's really going to get it.

Sam Simpson: Along with trying to kill Queen Tassara, Julie and Bethhannyy.

Lincoln: And we also had a run-in with Kylie Carter's hired thugs, but

I killed them all and sucked out their blood, and she should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Kylie Carter scream with extreme hatred and rage.

Maria: Yeah, up yours, you monster bitch!

Carmen: Sheesh, those monster bitches just don't even know when to quit.

Nico: Serves her right, but she'll get hers later on today.

Me: They sure will, those monster bitches have gotten on our nerves five years ago, and now, they're going to pay dearly for everything they've done.

Lincoln: You got that right.

---

Later we were watching TV.

Then Nick Russell came.

Nick Russell: You guys want to go on patrol with me?

Amy Anderson: We sure would!

Me: Sure Nick.

Nico: Yeah we'll be ready for this.

Lola: Yep.

We went down to the surface and went into the city.

Me: Boy what a nice day.

Tyler Bowman: Ah, such a beautiful day. The sun is out, the birds are chirping, and- (sees someone) You again?!

We saw MINORU ONO!

Me: Not you again!

Nico: Geez Minoru can't you take a hint?

Qin: Yeah!

Me: You're really starting to get on our nerves like a bad rash.

Sonoi: You're persistant, I'll give you that.

Nick Russel: When are you ever gonna give this up?

Minoru: I will only give up when Don Momotaro is beaten by me!

Me: Like that will ever happen.

He was then surrounded by an energy circle with the Magiranger logo and turned into Mahouki from episode 27 of Donbrothers!

---

During Sonoi's and Taro's battle, Minoru Ono shows up and this time, he has a new hobby for the purpose of revenge against Taro: studying the occult and learning magic. His interest in the arcane arts combines with his desire for revenge turning him yet again into a Hitotsuki, Mahouki. Mahouki uses Magi Yellow's thunder magic to blast Taro and the Donbrothers teleport in to keep the Hitotsuki and Don Murasame away from Taro. Things get worse when the Cat Jutos appear and attack in a large group. Taro encounters a Juto for the first time and his attacks have no effect on it. The others are also struggling to deal with the Juto, with Tsubasa once again fighting the Detective Sayama Juto.

Mahouki binds Taro with Magi Green's earth magic, but Sonoi cuts him loose and the two stand in the center of the chaos ensuing around them. Sonoza and Sononi show up to drive back the Juto and the Donbrothers do so as well so Sonoi and Taro can have their duel.

Jiro gets annoyed with the chaos and willingly becomes Don Torabolt on his own, with Dangerous Jiro quickly defeating Mahouki. The Hitotsuki's defeat sends out an explosion that knocks back the

Juto.

Mahouki becomes Mahouking and Toradragonjin tries to deal with it on its own, but gets overwhelmed by his opponent using the spells of the Magirangers. Don Onitaijin appears to help, though Dangerous Jiro doesn't want anything to do with Taro. Taro tells him to be quiet as he has a duel to get to, quickly executing the DonBros Paradise alongside Toradragonjin's Jiro's Hurricane to defeat Mahouking

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMM

A massive fiery explosion blasted off behind us and we were ready!

Mahouki: The Flame Element!

Mahouki summoned the Red Mystic Force symbol to generate flames at Nick but he countered with his own flames.

Me: You aren't the only one that uses fire!

I fired a powerful blast of fire and it slammed into Mahouki and blasted him down in a powerful fiery explosion!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He was blasted down!

Nico: YEAH!

Luz: Taste Light!

Luz fired a blast of light and blasted Mahouki all over!

Qin: Take this!

She fired waves of fire and blasted him all over.

Mahouki: The Water Element!

Mahouki summoned the Blue Mystic Force Symbol to generate streams of water at Madison.

Oceanus Shenron: WHIRLWIND SPIN!

She fired a massive gale of energy wind and blew the water away and blew him around in a tornado!

Madison: Thanks Oceanus.

Oceanus Shenron: Anytime.

Madison: Now for this.

She fired a blast of water and drenched him!

Noriko (Disk Wars): This will shock you!

Noriko fired a blast of lightning and electrocuted Mahouki!

Lola: YEAH!

Mahouki: The Earth Element!

Mahouki summoned the Green Mystic Force Symbol to generate generate binding roots from the ground at Xander.

Laney formed a sword and slashed them and destroyed them.

Xander Bly: (Australian Accent) Thanks Laney!

Laney: No problem Xander.

Me: Now here is this.

I touched the ground a tree grew and entombed Mahouki in a tree and he was stuck!

Mahouki: WHAT THE!? LET ME OUT OF HERE!

But then George's Tarzan yell was heard and then he swung in faster than a jet plane!

Me: UH OH!

Nico: OH BOY!

Me: WATCH OUT FOR THAT TREE!

But then…

SUPER KRASMASH!

He slammed right into the tree head on with devastating force and smashed Mahouki out of it and he fell to the ground with a thud.

George: George not feel so good.

The tree then cracked and fell and then it smashed onto Mahouki!

KRASMASH!

Nico: OOH! That's going to leave a mark!

Mahouki got up and Xander grew muscular and punched and smashed Mahouki all over the place with brutal force!

Mahouki: The Wind Element!

Mahouki summoned the Pink Mystic Force Symbol to to generate cyclone-style windstorms at Vida.

Aang bended the wind and blew it back at him and smashed him into a bunch of cans of garbage!

Nico: This is awesome!

Me: Leanbow lets make an awesome Wolf Phoenix Combo.

Leanbow: You got it!

I fired a blast of fire and Leanbow fired a wave of red wolf fire.

Me and Leanbow: FALCHION WOLF INFERNO!

We fired a massive wave of fire that formed into wolves and phoenixes and they blasted Mahouki and exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He wasn't down yet.

Mahouki: You're not the only one that can do something like that! Elemants Celebrant!

Mahouki summoned all 5 Mystic Force Symbols to generate 5 blasts of elemental energy at Rippersnapper.

Rippersnapper: Didn't see that coming!

Me: Uh oh! KAA MEE HAA MEE HAAAAAA!

I fired a powerful Kamehameha Wave and the blasts collided and then a massive explosion blasted out!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The explosion was massively strong and powerful!

Nico: WHOA!

Eli: Nice save!

Then a Bisharp swooped in a slashed Mahouki!

Nico: Whoa a Bisharp!

Taro: Avatar Change!

He turned into the Red Operation Overdrive Ranger!

He fired waves of fire and blasted down Mahouki!

Bisharp: (In a girls voice) That must've hurt freak!

Nico: Charlene Lewis!? Whoa!

She slashed Mahouki all over.

Camie: Yeah take that!

Mahouki emitted a hot fire to try and burn Taro.

Carol: Not this time!

She fired a blast of Godzilla's Red Spiral Ray and it hit Mahouki and exploded with ferociously powerful blasts of fire!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMM
KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMM!

Nico: YEAH!

Me: Lets finish this buttface!

Taro: Let's do this, my companions!

Koichiro: Lets!

Me: YEAH!

I held out my hands and formed a powerful Wind Style: Rasenshuriken in my hands and then I cupped my hands back and channelled Kamehameha Wave Energy into it.

Nico: (GASP) He's going to do it!

Eli: Brace yourselves guys!

Mystic Force Rangers: ELEMENTAL MAGIC MEGA BLAST!

They formed a magical energy blast.

Donbrothers, Nico, Mystic Force Rangers, Lyra and the Knights of the Friendship Table: SOLAR SYSTEM OF MAGIC FRIENDSHIP!

(TWO WORLDS ONE FAMILY BY PHIL COLLINS PLAYS)

Somewhere something is calling for you

Two worlds, one family

Trust your heart

Let fate decide

To guide these lives we see

Me: RASENSHURIHAMEHA!

I thrusted my hands forward and fired a powerful Rasenshuriken Kamehameha Blast and everyone formed a Solar System and they had the cutie marks of all of us and they fired waves of energy and the blasts all hit Mahouki and pushed him high into the sky and he exploded with unbelievable power!

EXTREMELY MASSIVE AND UNBELIEVABLE FIERY EXPLOSION!

He was blasted into nothing and then I caught the Magiranger Gear.

Minoru then fell right into a big truck full of pig shit!

Me: YUCK! Mahouki you have failed this city!

Mystic Force Rangers: CHECKMATE!

Donbrothers: DEMON ELIMINATION COMPLETE! ALL'S WELL THAT ENDS WELL!

Twilight Sparkle: Knights of the Friendship Table…

Knights of the Friendship Table: FRIENDSHIP IS MAGIC!

Me: WHOA! THAT WAS EPIC!

Eli: He did it! He mastered the Rasenshurihameha!

Nico: That was awesome!

He then vanished.

Me: That was epic! But man he is going to be smelling like pig shit for a while. He'll be needing 30 showers a day.

Bisharp: No kidding there!

She reverted back and was a girl with red hair and had blue eyes and pink clothes.

Nico: That was awesome!

Sludge: What you Charlene's favorite memory of Nico?

Charlene Lewis: When me and Nico went into a cave in Idaho and we found an underground castle.

Nicole: Wow! That's the Lost Castle of the Eleasorna. That was a long lost castle that was said to have been lost back over 15,000 years ago from an ancient and long forgotten civilization.

Me: Wow! I never even know a castle like that even existed.

Charlene Lewis: Me neither.

Nico and Charlene hugged.

Nico: I've really missed you.

Charlene Lewis: Me too Nico. Me too.

Taro: Keep doing good work, guys!

Me: We will Taro and thanks again.

Taro: Anytime.

Koichiro: And J.D. your advice helped big time. Thank you.

Me: I'm so glad it did.

Koichiro: Yeah my mom is helping me big time.

Me: Great!

Shinichi: I still haven't forgotten how she insulted my Haikus!

Taro: And for the record, I gave ALL the Juto fair warning the first time.

Me: Well the Juto will never bother anyone ever again. But Shinichi please let what she did in insulting your haikus go.

Qin: Yeah it's unhealthy to keep that in you.

Eli: I agree.

Shinichi: Okay.

Nico: Good. See you all next time.

They teleported back to Japan.

Me: That was awesome.

Lola: Yep.

Nico: Now lets get ready for our mission.

We went back to the estate.

Kumiko: Why do I get the feelings this next mission is gonna involve packages?

Me: I got that feeling too.

Qin: Yeah me too.

Nico: Yep.

The previous group came.

Top: Can me, Robo Roxy, Gentleman Ghost, Evil Green Ranger, Springfield Mafia, Evil Star, Biowulf, Taskmaster, Dayu, and Copperhead go with you guys?

Nico: Yes you all can go with us.

Lola: Always awesome for that.

Nico: Yep.

Top: Sweet. We saw the battle with Mahouki and that was awesome!

Me: Boy it sure was!

Blast Off: Boss, which Gene Slammers do you think you'll meet next?

Nico: Durant, Braviary, Mandibuzz and Heatmor next.

Me: Ooh! Awesome choices. I wouldn't be surprised if we meet the Braviary and Mandibuzz gene-slammers on Matau's third mission.

Nico: Yeah and it's fitting for them.

Lola: Yep.

Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye glowed, and he had a vision and he saw who it was that we were going to confront: it was a criminal named Leepthor who's known by the name Corvis Copernicus, and he's in the town of Iron Bay in Saskatchewan, Canada. When we saw it, we all knew it meant trouble.

Nico: Lincoln, what's wrong?

Lincoln: Nico, where's Shanan?

Just then, Shanan arrived.

Shanan: You called, Lincoln?

Lincoln: Shanan, does the name Corvis Copernicus mean anything to you?

Shanan gasped.

Shanan: Oh no, not him! I never thought I'd see him again. Lincoln, this guy is really dangerous, he's actually an extraterrestrial entity named Leepthor from Planet X, and for millennia that planet's been nothing but trouble sending those faulty packages.

Me: Planet X? I thought that planet was a hypothetical one.

Nico: Whoa. And I can guess you've been after him, right?

Shanan: That's right, I've been after him for years, but I was unable to capture him since he was able to get away and slip into the shadows. But, thanks to Lincoln finding him, I'm going to see to it that he's taken down and sent to jail, and that planet destroyed once and for all.

Eli: WHOA! Blow Up Planet X!? That is an aweosme idea!

Me: You got that right, which means we better get the Superlaser ready to destroy that planet once and for all.

Eli: That planet has been nothing but trouble.

Nico: It's been a long while since we've used The Superlaser, and Planet X has already chosen to be the new target. Let's get ready to head to Iron Bay.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Kylie Carter of The Legion of The Lincoln-Haters, and she's heading here to kill Lincoln and get revenge. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, it's Kylie Carter of The Legion of The Lincoln-Haters, and she's heading here to kill me and get revenge.

Selene Arcangela: Should've known Brianna Greyson would send her next. But, if we know that bitch all too well, she'll also be bringing Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson with her.

Nicholette Torrington: Just like what happened when The Chernabog Sisters came after us last year.

Lincoln: That won't be a problem, I'll trap them in a force field.

Cici: While you and I deal with Kylie Carter and put an end to her for good, Lincoln.

Lincoln: But, we also got to watch it though, Kylie Carter will no doubt have her machine guns with her, along with the others.

Nico: Good thinking, if they broke out of jail, they're bound to have gotten access to high-powered machine guns they stole from the cops or got themselves from contacts outside. Alright, gang, let's go, it's time to take down Corvis Copernicus and destroy Planet X.

Lincoln: There's no way we're letting that evil alien run free ever again, he's getting sent to a more secure prison for good and we're going to destroy Planet X once and for all, and once we get done tying up Corvis Copernicus and destroying Planet X, you're next, Kylie Carter.

Selene Arcangela: You better start praying for mercy, you remorseless bitch.

Selene Emperyous: Because, we will show you and the others none for everything you've done in the past.

Cici: No way are we forgiving you for any of your actions, Kylie Carter, you better be ready to pay the price for your foul misdeeds right after we take down Corvis Copernicus and destroy Planet X.

We were off to Iron Hill

Lincoln put up a rainbow energy field around The World Tree Estate and we headed off to take down Corvis Copernicus/Leepthor and destroy Planet X, and after that, Cici and Lincoln are going to kill Kylie Carter of The Legion of The Lincoln Haters.

We were flying to Canada.

---

We were flying.

Robo Roxy: Ok. Planet X.

Louie: What's there to know about it?

Me: Well for years and a lot of speculation there have theories about worlds beyond the planet Neptune and planet X is one of them.

Qin: Yeah I remember that.

Me: Also there have been a lot of science fiction films about Planet X.

Nico: Yeah that's right.

Nicole: Lets not forget that Godzilla and Mothra had to deal with Planet X too.

Acid Storm: What about any heroes?

Legs: Are there any nearby?

Shanan: Actually there are. You guys are going to love meeting my friend Daniel Aloysius Zembrosky. He likes to go by Dan. Also he has his friends Amanda Highborn and Troll Moko. He was getting packages from Planet X by accident and thanks to those packages and Troll and Amanda's help they were fighting Leepthor for a long time.

Qin: Wow!

Me: Shanan that is really cool!

Nico: It sure is.

Evil Green Ranger: Where are they now?

Shanan: Usually in their garage in their house.

Eli: What can you tell us about Leepthor?

Shanan: You are not going to like him.

She went over his history.

---

Corvis Copernicus/Leepthor (voiced by Brian Drummond) is the series' main antagonist who constantly tries to take the packages back from Dan, cocoon everyone in Iron Bay and take over Earth in the name of Planet X. When he first came to the planet, Leepthor took over Copernicus' body and used him as a cover so he won't be exposed. It was once hinted that Leepthor was Rory's rival. He was temporarily sent back to Planet X in the season one finale, but was placed back on the Earth mission.

---

When she was done we were shocked!

Qin: WHOA MAN!

Shanan: Yeah no kidding. That's why we're sending him to the Null Void and we're going to destroy Planet X.

Me: I agree there. Planet X has been nothing but trouble. I'm sure the galaxy will thank us big time for destroying it.

Qin: Yeah.

Xenia: I agree.

Shanan: Also there's this jerkwad bully named Terrance Buckshot.

Nicole: (GASP) I have been after him for a long time sis!

Nico: What can you tell us about him?

Shanan: He is a big time motherfucking douchebag jerk of a bully.

She went over his history.

---

Terrance Buckshot (voiced by Kyle Rideout) is West Iron High's bully who tends to mess with Dan. This usually results in Dan using the package he recently received to one up him. Although Terrance usually comes out on top, he always gets his comeuppance.

---

When she was done I was growling.

Me: I'll give him a nasty punch to his face that is so bad he will never heal from it. Also he'll be a good cellmate to Kick's so-called older brother Brad.

We arrived at the house.

Stickybeard: So, this be the place?

Shanan: Yep this is it.

We saw them working in the garage.

Shanan: Hey guys!

Amanda Highborn: Shanan!

Dan: Team Loud Phoenix Storm!

Troll: Wow it's truly an honor.

Shanan and Amanda hugged.

Amanda Highborn: Awesome to have you guys all here.

Troll: Boy we are honored.

Me: Glad we could come. We came to help you guys out.

Nico: We're going to though Leepthor in prison and blow up Planet X.

Blackarachnia: Even pencils?

Dan: No those are just pencils we use every day.

Blackarachnia: I see.

Amanda Highborn: So what prison are you guys sending Leepthor to?

Me: The Null Void.

Camie: The Null Void?

Me: It's a prison dimension for the galaxy's worst ever criminals.

Kevin Levin: Yeah and I have been there myself. It's not a pleasant place.

Me: So have Michael Morningstar, Albedo and many enemies that Ben faced over the years.

Qin: Can't we use our space prisons?

Me: No if we do that there's a chance that his kind would break him out. The Null Void is our best chance.

Nico: Wise thinking there.

Me: Thanks. But those chances will be destroyed completely when we blow up Planet X. So the Null Void is the best option.

Qin: Good point.

Dayu: (laughs) How ironic that the things they've sent you will help you defeat them!

Dan: Well they were originally intended for Leepthor. But that is ironic that we're using them against him and Planet X.

Me: That is very ironic.

Nivenna: How about we get to work building you guys some ships?

Dan: We would like that. We don't have powers like you guys but that would be awesome.

Nicole: Luckily I have tons of blueprints for them.

Nico: Awesome.

Eli: Uh guys we have company.

We turned and saw TERRANCE BUCKSHOT!

Me: Terrance Buckshot I presume?

Copperhead: Do you mind, asshole? We're busy!

Terrance Buckshot: Oh yeah! What are you gonna do about it Wuss!

I went up to him.

Me: You better scram if you know what's good for you fuckface.

Terrance Buckshot: Do you think I'm scared of you!?

Me: You should be. I'm someone you don't want to fuck around with.

Terrance Buckshot: Says the guy who is nothing but a pathetic loser that defends the nerds! (LAUGHS)

Me: How about you say that closer to my face you motherfucker? Unless you're a big fat fucking chicken!?

Terrance Buckshot: What THE FUCK DID YOU JUST CALL ME!?

Me: YOU HEARD ME! A big fucking chicken! And I eat chickens like you for breakfast!

Terrance Buckshot: I'LL KILL YOU FOR THAT!

Me: Bring it on and your mother is an ugly whore!

WE GASPED!

Nico: Uh oh!

Snarler: (sighs) We don't have time for this! (Fired at him)

It hit the ground by Terrance's foot.

Nico: Stand down Snarler. Let J.D. handle this.

Terrance was REALLY SEEING RED! HE WENT BALLISTIC AND CHARGED AT ME LIKE A BULL INFECTED WITH RABIES! BUT THEN…

KRABLAM!

I then punched Terrance in his face so hard that it knocked out all of his teeth and even destroyed both of his eyes and sent him crashing into a fire hydrant!

His teeth were knocked out and both his eyes were destroyed and he was both blind and toothless.

I teleported him to the Jupiter prison.

I blew on my fist.

Me: (Blows on fist)

Then Dan and friends cheered.

Dan: That was AMAZING!

Amanda Highborn: YEAH! Way to go J.D.!

Me: Aw it was nothing.

Nico: That guy was a fucking psychopath.

Qin: You're telling me.

Lola: Yeah.

Copperhead: Call me a wuss, will he?

Me: Don't worry he is over in the Jupiter Prison. He's now permanently toothless and blind.

I went over and picked up all the teeth he got punched out.

Me: Here Dan. Get yourself a few bucks with all these.

Dan: Thanks.

I gave them to him in a jar.

Taskmaster: Now, where were we?

Nico: Before we were rudely interrupted.

Me: We were talking about what we should do to bring down Leepthor.

Shred Naught: You know while that jerk was running his mouth, we already completed the spaceships, right?

Me: I was just making sure he doesn't get near us.

Nico: Good call.

Loud House Taylor: You know J.D. did the same thing to Anderson. Punched him in the face and knocked out an eye.

Nico: He sure did.

Dan: Wow!

Lola: Look.

She showed a video of it from chapter 1320.

Me: Hey guys. Been a while.

Stella: Sure has. Morning, Lincoln.

Rusty: "What's up?"

Lincoln: "Hey, everybody! Finally Friday, am I right? Or Or should I say, Fri-yay? This girl knows what I'm talking about!"

Girl: [chuckles] "I do! I do know what he's talking about!"

Clyde: "Oh, Lincoln! I always love your early morning shtick!"

[A spring comes loose, sending Lincoln's backpack flying. He catches it]

Me: Oh man!

Nico: This bus needs new seats.

Laney: Yeah I'm trying to get the school board to know about that.

Lincoln: "That's okay. I guess I'll just sit in the back to-yay."

Clyde: "Uh-oh! The sequel!"

[Lincoln sits at the back of the bus and prepares to sip his OJ, when he's suddenly approached by three bullies.]

Anderson: "Um, what do you think you're doing, sixth-grader?"

Lincoln: "Having a little pulp-free OJ. Or should I say, O-yay?"

Clyde: "Oh yeah! Hit 'em with that trilogy!"

Me: (In my head) Uh oh looks like the fucking douchebag bullies rolled in to town.

Taylor: "Ugh, no. He meant why are you sitting in our seat?" [jabs Lincoln]

Lincoln: "Oh, uh, I didn't think this was taken."

Anderson: "Let me explain something to you, little man. See this line? Eighth-graders in the back and babies in the front! Wah-wah-wah!"

Pablo: "Yeah! Wah-wah-wah!"

Taylor: "Dude, he just said that."

[The bullies drop Lincoln]

Laney: HEY! Leave him alone you jerks!

Lincoln: "Well, no problems here. I'll just, uh, get out of your way."

[The bus bumps, causing Lincoln to spill his OJ on Anderson] "Whoops, sorry! Let me get that for you!" [rubs the stain] "Hmm, was it clockwise scrubbing or counterclockwise?" [keeps rubbing the stain, but makes it worse. Anderson growls]

Clyde: "Never scrub, always dab!"

Stella: "Lincoln, use this stain-removing pen!" [throws the pen and hits Anderson, leaving a red stain and enraging him more] "Oops, I guess that was a marker."

Zach: "Soak up some of the OJ with the bread from my sandwich!" [throws the sandwich, but it spills on Anderson]

Liam: "Don't worry, Lincoln! Help is on the way!" [throws cow pie on all three bullies, enraging them] "Oh, family secret. Cow manure can get out anything, even the frown on a tipped-over cow!" [lathers the stain with cow pie] "Oh, it was horse manure for stains, cow manure for shingles."

[Anderson grabs Liam, and all of Lincoln's friends cringe.]

Just as he was about to punch him I grabbed his wrist!

Me: How about you pick on someone your own size you fucking asshole!?

I crushed his wrist with my strength and broke it and he screamed in pain and dropped Liam.

Me: Who the hell do you three think you are!?

Nico: Yeah! It was an accident!

Anderson: I don't care! They ruined my shirt and hurt my friends! They will die!

Me: No YOU are the ones who will die! You tried to hurt my friends and that will cost you big time!

Anderson: Then you will die first!

He punched at me and I ducked and punched him in the face and smashed his eye out! He screamed in pain as blood was pouring out of his face and he crashed into the wall of the back of the bus. He was screaming in excruciating pain.

Me: (To Pablo and Taylor) You two better learn from this. (Holds up dagger) Or your fingers will be first.

Nico: Yeah what he said!

My dagger blade shined in the sun as it showed how sharp it was.

They quivered in fear and then they peed their pants.

Lola snagged a photo of it.

Lola: Wait till these get posted on social media!

I smirked deviously.

We later arrived at the school and I took the eighth graders to the principal's office and Laney told the Principal everything and showed footage of the whole incident. The three bullies were expelled and taken to prison. FUCKING LOSERS. Anderson was hospitalized with a damaged eye and a broken wrist and he and his friends were both charged with bullying, attempted 1st degree assault and battery and menacing. They were sentenced to 10 months in Juvenile Detention for their crimes.

When it was done they were amazed.

Qin: Yeah that was fun.

Lola: Yep.

Biowolf: Anyway, let's get going.

Nico: Yep we're ready.

Me: That was fun.

Nico: It was.

Dan: So what are we going to do?

Amanda Highborn: Are we going to take the fight to Planet X?

Nico: We're gonna take our spaceships and go to Planet X.

Me: Well then in that case we'll need some heavy transport and firepower.

Nico: I agree. Lisa deploy the U.S.S. Valorous Phoenix.

Lisa Loud: Affirmative.

Amanda Highborn: But that's all the way on the very outskirts of the Solar System.

Nicole: At 30 billion miles away. Long ways.

Nico: Yep.

The ship hovered over the area. We were all beamed aboard and we got ready and we were off to Planet X.

---

The U.S.S. Valorous Phoenix was flying passed some of the planets.

Nico: Captain's Log, Stardate 7910.1: The U.S.S. Valorous Phoenix is en route to the supposed hypothetical 10th planet of the Solar System, Planet X. Our mission is to destroy it once and for all and bring an end to the conflict it has caused to the entire galaxy over the years.

Dan: Boy this ship is amazing!

Amanda Highborn: Wow! It sure is and the views of the planets are amazing.

Nico: Yep.

Poromon: Want some beer, guys?

Dan: Uh we're a little too young for beer Poromon.

Me: But I got plenty of Root Beer.

I pulled out my cooler and gave them some.

Troll: Thanks.

Me: You're welcome.

Bone Chompy then spotted it.

Nico: Planet X ahead.

We saw it and it was a yellow planet with two ring systems in the shape of an X.

We gasped!

Me: There it is!

Nicole: Planet X!

Camie: Scary and terrifying!

Me: I never thought I would see it with my own eyes.

Nicole: Better get some pictures for proof.

She did so.

Fat Tony: Let's go down there.

Nico: I have a better idea. Lisa open hailing frequencies.

Lisa Loud: Aye sir.

She opened them.

Lisa Lisa: Channels open.

The Overlords appeared on the screen.

Nico: Greetings Planet X. I am Nicolas Chan, Leader of Team Loud Phoenix Storm from the planet Earth. And we have come to declare war on you.

Overlord: On us!?

Nico: You want to take over our planet and we're not going to let that happen. As you know you all have been sending packages to Shanan's friend Dan and I'm sure you remember Leepthor's attempts to take over. Well we're not going to let you get away with all that. We have come to blow you out of the stars. Starting with Leepthor.

Overlord: COME AND GET US!

Nico: So be it.

The screen turned off.

Nico: Battlestations!

The alarms sounded and we fired lasers at the planet and blasted all their ships and fired electromagnetic pulse bombs to disable all their teleporters.

Overkill: Entrance time!

We flew down to the planet.

Leepthor was enraged and didn't expect us to be coming to his planet!

But then the spirits of all the aliens of the universe appeared and they swirled around him and then they converged and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and in the conference room and numerous lasers blasted the overlords into nothing and then a phoenix cry was heard and we came out!

Me: Dr. Corvus Copernicus or do you prefer to be called Leepthor.

Nico: You're under arrest in the name of Interstellar law.

Gentleman Ghost: You know what? It doesn't matter what you call yourself. Because we're taking you down either way!

Leepthor: Come and try it!

I fired laser blasts and blasted him all over and he was knocked down.

Nico: You know for many years your home planet has thought to have been hypothetical. Now we can see that it is 100% real.

Nicole: That's right.

Nico: Yep.

Then Scorpion, Tchang Zu, Batroc, Knightbrace, Mercurymon, Bizarro, Absorbing Man, Kite Man, Trap Jaw, and Multiplex appeared.

Nico: Scorpion, Tchang Zu, Batroc, Knightbrace, Mercurymon, Bizarro, Absorbing Man, Kite Man, Trap Jaw, and Multiplex.

Me: Strange seeing all of you on the outskirts of the Solar System.

Batroc: So this is planet X? Wow! I thought it was just a Hypothetical planet.

Me: So did everyone else on Earth for many years.

Kite Man: No kidding there.

Scorpion: Now, we know Planet X is real.

Tchang Zu: It's still gonna be destroyed.

Batroc: Got that right.

Me: Yeah but at least we have proof that it's real.

Nico: Yep.

Knightbrace: (To Nico) We heard you went to a donut planet.

Nico: We sure did.

Mercurymon: What flavored donuts did you get?

Nico: All sorts.

Me: Homer and Lily loved it the most.

We laughed at that.

Then Dragonflay came.

Lola: Dragonflay!

Me: Up for another round I see.

Dragonflay: I sure am.

Me: Cool cool.

Dragonflay: Even Vrak and Mavro were skeptical about Planet X's existence.

Me: Many people all over were skeptical. Been that way since 1993.

Nico: Yeah no kidding.

Eli: Now we know that it exists.

Lola: Yep.

We got the battles underway.

Cubish, and Dr. Gene Splicer - Meeting a Camo Gene-slammer

---

Knightbrace was next.

Knightbrace: (to Zarya) I heard you guys met a Camo Gene-slammer. What's her name?

Zarya: Her name is Daniela Delgado and as I'm sure you guessed, she is Pedro's sister. But she is the polar opposite of her evil brother Pedro.

Lala: Boy she sure is and she is awesome.

Susie Remmington: She has a really potent and explosive amount of fruit.

Sailor Isla Nublar: Boy she sure does.

Sailor Equestria: And her story is really awesome too.

Sailor Raccoon City: She sure has a great story.

---

Nico: Yep. So, Daniela, what's the story on how Lincoln told off your misogynistic ex-older brother, Pedro, along with Lori, Lynn, Lola, Lisa, and Luan?

Daniela Delgado: (Spanish Accent) That's something that I will always remember to this day.

Daniela Delgado pulled up the video as it played on the big screen, and we saw Daniela Delgado and Lincoln standing against Pedro Delgado, along with Lori, Lynn, Lola, Lisa, and Luan, who had an evil grin on their faces and they had knives in their hands, but Lincoln was absolutely pissed off now after he found out Pedro threatened to kill Lincoln and even worse, he also sided with Lori, Lynn, Lola, Lisa, and Luan in the plot.

Past Lincoln: I always knew you were nothing but a misogynistic jerk and criminal, Pedro, but what you just did in threatening to kill me, and even worse, you side with Lori, Lynn, Lola, Lisa, and Luan. You know what, you've been a pain in the ass to everyone here for years, and it's high-time you got what you deserved, and you're about to get a taste of what everyone feels about you. You're an evil misogynistic dumbbell with a brain the size of an amoeba, you're a psychotic moron with no respect for his sister or women at all, and you're even worse than Lori, Lynn, Lola, Lisa, and Luan.

Then, Lincoln turned to Lori, Lynn, Lola, Lisa, and Luan, and he was about to let them have it!

Past Lincoln: And as for you five, you're not getting out of this. You five are absolutely nothing more than a bunch of misandrist harpies who've single-handedly ruined that life-long bond you've had with your own little brother because of your own stupid wants and greedy desires!

Everyone: OH!

Nico: OH, DAMN!

Me: Varie and I still remembered those harsh words he said to Pedro, Lori, Lynn, Lola, Lisa, and Luan, and not only did they sting, but man, he was really really angry at them.

We continued watching the video, and those words absolutely set Pedro, Lori, Lynn, Lola, Lisa, and Luan off, but before they could get after Lincoln for telling them off, he and Daniela used Camo's Firecracker Vines and when the peppers on the vines went off, they exploded and those six went flying off into different directions: Pedro was sent flying into the police station where he was eventually sent to prison after Daniela sent evidence of his many crimes against her and everyone around him including many counts of vandalism, kidnapping, assault, extortion, and even worse, murder for hire when it was discovered he was also a hitman for The Mexican Mafia, and Lori, Lynn, Lola, Lisa, and Luan were sent flying back to The Loud House. Then, Daniela and Lincoln kissed as the video ends.

Nico: Man, I knew Pedro was really bad, but Lori, Lynn, Lola, Lisa, and Luan siding with that asshole to kill you and Daniela both, now that's what I'd call a grand conspiracy.

Luna: Which didn't last long, Daniela also sent the police evidence of Pedro's many crimes against her and everyone around him including many counts of vandalism, kidnapping, assault, extortion, and even murder for hire when it was discovered he was also a hitman for The Mexican Mafia, and Pedro was eventually convicted and sent to prison for life. As for his conspirators, Lori, Lynn, Lola, Lisa, and Luan, Lincoln texted me of what those five tried to do in killing him and Daniela, and siding with that jerk, Pedro, those five got grounded for fifteen weeks and thrown into metal cages like the animals they were.

FLASHBACK ENDS

Lincoln and his harem: STATIONARY FINAL SMASH: STATIONERY KI BLAST!

They fired ki blasts based on the stationery items and blasted Leepthor all over.

Lincoln made a focusing lens and it was aimed right at Corvis Copernicus/Leepthor, who tried yet again to get away, but Lincoln fired a powerful rainbow energy blast and thanks to the focusing lens, the energy blast became even more concentrated and even more powerful, and then, the blast hits Corvis Copernicus/Leepthor and he was tied up in a rainbow energy straitjacket and rainbow energy chains.

We went back to the ship and had Leepthor with us.

Nico: Fu charge up the superlaser and lock on target.

Fu: Yes sir. Commence Primary Ignition.

Fu pressed some buttons and pulled some levers and then Nico pressed the button and fired.

Then, The Superlaser fired and it hit Planet X and destroyed it and nothing was left.

Corvis Copernicus/Leepthor: AGH! NO, WHAT HAVE YOU ALL DONE?! ALL OF MY DREAMS OF WORLD CONQUEST, RUINED! WHEN I GET OUT OF THIS, I WILL HUNT YOU ALL DOWN!

Shanan: You're never getting that chance, Leepthor, you're going right back to prison where you will stay there until the day you die for all I care.

Shanan kicked Leepthor and he was sent flying into a portal Lincoln opened up that led to the Null Void, and he was chained to the wall of his doorless windowless cell in the prison there with Neutronium Chains lined with rainbow energy.

Nico: That's one less trouble-causing alien and one less dangerous interstellar planet, awesome job, gang.

Lincoln: Now, there's only one last thing to do, and one last loose end to tie up: Kylie Carter.

?: LINCOLN LOUD, I WILL FUCKING KILL YOU FOR GETTING US EXPELLED FIVE YEARS AGO, YOU WHITE-HAIRED FREAK!

Lincoln: Oh great, I knew there's no mistaking that foul mouth from anywhere, you just don't know when to call it quits, do you, Kylie Carter?

We saw a girl with black hair, red eyes, and dressed in a black coat, white blouse, black pants, and black knee-high boots heading our way on a motorcycle, it was Kylie Carter of The Legion of The Lincoln-Haters, but we also saw Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson heading here as well.

Selene Arcangela: Oh great, that monster bitch's also got Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson with her.

Lincoln: If they think I'm going to take that lying down, they've got another thing coming.

Lincoln fired magnetic blasts at the motorcycles and destroyed them and that sent the Legion of The Lincoln Haters flying off the destroyed motorcycles, and when they got back up and saw Lincoln, they were now absolutely pissed off.

Kylie Carter: You ruined everything, Lincoln Loud! We had every last loser cowering in fear before us, but you… ! YOU JUST HAD TO PLAY THE HERO AND RUIN OUR REIGN!

Brianna Grayson: And what you fucking did in killing our dads… , THAT WAS THE LAST STRAW THAT BROKE OUR FUCKING BACKS! KILL THEM ALL! LEAVE NONE OF THEM ALIVE!

But, before Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson could get after us, Lincoln trapped them in a rainbow energy field.

Alana Cameron: WHAT THE FUCK?! HE TRAPPED US INSIDE THIS AGAIN! I'LL FUCKING KILL YOU, LINCOLN!

Lincoln: Cry me a river!

Maria: You tell her, Lincoln! (Flips Middle Finger) And up yours, bitch!

Qin: They're just as, if not even worse, than Audrey Madison, and she was a heartless, sick, twisted, good-for-nothing, murderous slut!

Me: And they're still as stupid and murderous as ever.

Cici: This'll make sure the message is clear: we're putting an end to them once and for all.

Suddenly, Cici's eyes turned neon sky blue and she was surrounded by a sky blue energy aura with winds, storm clouds, rainbows, and phoenixes, and as she approached Kylie Carter, she left sky blue energy, winds, storm clouds, rainbows, and phoenixes with every step.

Cici: I can't believe that you'd break out one day to get revenge on Lincoln for something that was entirely your fault, Kylie Carter, and the same goes with the rest of the monster bitches inside the energy field. You think that now that you and the rest of The Legion of The Lincoln-Haters have broken free you can just waltz in here and try and kill Lincoln, we're not standing for it. You've already put the final nail in your coffin, and now, it's time for you to die.

Suddenly, Cici was surrounded by a massive vortex of sky blue energy with storm clouds, winds, and rainbows surrounding the vortex, there are phoenixes flying around the vortexes, and in the vortex is a blue phoenix with red eyes glaring at Kylie Carter: the red eyes of death. Then, as the vortex faded, Cici emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Cici grew to 7'5" in height, she has the body of a goddess, she has sky blue highlights in the bangs of her long black hair, she has neon sky blue eyes and a sky blue energy aura with winds, storm clouds, rainbows, stars, and phoenixes surrounding her, she has a phoenix and dragon emblazoned on her forehead with Third Eye with sky blue iris, she has on phoenix earrings with sky blue gems for eyes and holding the Wind, Rainbow and Eternity Kanjis in its claws, she also has a dragon with sky blue gems for eyes and holding the Wind, Rainbow, and Eternity Kanjis in the claws on the bottom of her green dragon-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love with sky blue crystal links from her merged Crystal Necklace of the Buddha and sky blue gems embedded on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Cici has on a long-sleeved green sweater with star on it, green skirt, brown boots, she has on large gold metal bands with sky blue gems on her biceps and thighs, and long sleeveless white trenchcoat with rainbows, storm clouds, winds, stars, and phoenixes on the coattails, and on the back is a phoenix and dragon surrounded by winds, rainbows, and storm clouds. Suddenly, Cici felt a sharp pain on her back, and then, massive black angel wings with sky blue tips on the feathers grew and sprouted out from her back, and she now has eleven massive and long black wolf tails with sky blue tips and sky blue markings, Cici has on her Ring of the Phoenix with sky blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Cici's newly forged greatswords and all the greatswords and swords that she'd gotten began to merge together and they're surrounded by a kaleidoscope of sky blue energy, winds, storm clouds, rainbows, stars, and phoenixes, and when it emerged, it transformed into Cici's Eternal Cosmic Storm Rainbow Wind Fury Greatsword of Eternal Cosmic Storm Rainbow Wind Fury Phoenix Justice, it's a brand-new massive greatsword with embedded sky blue gems and blue etchings and a dragon and phoenix etched on the 7'3" massive, wide, double-edged sky blue blade, large sky blue dragon heads for the crossguard, large white angelic faces built into both sides of the hilt with sky blue gems embedded in the foreheads, longer midnight black handle, four large sky blue phoenix heads with sky blue gems for eyes and in their mouths and a large sky blue dragon head with a blue gem in its mouth below the large phoenix heads for the pommel. Cici has on her new Bracers of The Champions of The Universe with sky blue gems on her wrists and Dragon Ball Bracelet on the left bracer, her new gold Belt of Elemental Bravery with a gold phoenix head with blue gems for eyes and a large sky blue gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a sky blue kanji below the dragon and phoenix that said, "Cici, Friend of Girl Jordan and Mollie, Despiser of Killjoy Huggins, Dark Chandler and His Minions, And The Rest of Lincoln's Enemies, Loving Future Wife of Lincoln Loud, Destroyer of Kylie Carter of The Legion of The Lincoln Haters, Destroyer and Slayer of Extremely Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Winds, Storm Clouds, Rainbows, Stars, and Phoenixes"

Cici has transformed into SUPER ANGEL-DRAGON-PHOENIX-

HARMONY UNIVERSAL ETERNAL CELESTIAL XELNAGA DIVINE HURRICANE ETERNAL COSMIC SKY RAINBOW STORM CLOUD WIND DRAGON PHOENIX ANGEL OF DIVINE HURRICANE ETERNAL COSMIC SKY RAINBOW STORM CLOUD WIND DRAGON PHOENIX JUSTICE AND DDIVINE HURRICANE ETERNAL COSMIC SKY RAINBOW STORM CLOUD WIND DRAGON PHOENIX LOVE!

We were amazed by Cici's Super Angel-Dragon-Phoenix-Harmony Universal Eternal Celestial Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Kylie Carter saw it, she went fucking crazy and she got out her machine gun to fire at Hattie, but Cici fired a barrage of sky blue energy blasts with winds, storm clouds, rainbows, stars, dragons, and phoenixes at Kylie Carter and it sent her flying into a tree back first, she got back up and she ran at Cici again with a knife she got out, but she disarmed Kylie Carter by firing storm clouds and rainbows of dooms which hit her and sent her flying into another tree, she got back up, but now, she was mega pissed off!

Me, Nico, and Lincoln: Whoa!

Whirlwind: Whoa is right, Cici's transformed into her Super Angel-Dragon-Phoenix-Harmony Universal Eternal Celestial Xelnaga form, and she disarmed Kylie Carter by using my Rainbows of Dooms and Tempest Cloud and sent her flying into a tree.

Lincoln: I had absolutely no idea Cici can also use your techniques, that was so awesome! And Kylie Carter has been asking for this for a long time, and what better way to administer her final judgement than right in front of the other members of The Legion of The Lincoln-Haters.

Cici: (Divine Godly Cosmic Voice of The Cosmic Rainbow Storm Wind Dragon Phoenix Angel and Divine Cosmic Rainbow Storm Wind Dragon Phoenix Love) You got that right. Now, let's rip her apart, Linky.

Lincoln unholstered his massive Lincoln Loud's Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery,

and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Buffalo-Phoenix-Harmony Universal Eternal Celestial Xelnaga Universal Elemental Cosmic Thunderbird Buffalo Angel of Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Justice and Divine Universal Elemental Cosmic Harmonious Thunderbird Buffalo Mythological Hope, and he joined Cici.

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You and the others have caused more than enough grief and trouble to everyone in Michigan for too long, Kylie Carter. We've made the right choice getting you all expelled and put in prison five years ago, but you know what, prison's too good for any of you. Now, we're going to fix that and do what should've been done to you years ago.

Cici and Lincoln went after Kylie Carter who went extremely ballistic and continued firing at them, but they dodged the bullets, and they fired extremely powerful blasts of rainbow energy, sky blue energy, fireworks, rainbows, storm clouds, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Kylie Carter and they exploded with incredible power as they hit her, and they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws and he and Cici attacked her with punches, kicks, and karate chops, and they were really, really, really pissing off her off now and driving her even more ballistic.

Just then, Kylie Carter got out a second machine gun, but Lincoln put up a rainbow energy shield around him, Cici, and all of us, and she started shooting like crazy and also laughing like a deranged bitch, but the bullets were getting bounced off the energy shield. Suddenly, the machine guns ran out of bullets and Kylie Carter's deranged laughter died down and she was really fucked now.

Me: Hah! You're out of bullets, bitch, and you know what that means!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smirks) You're shit out of luck!

Lincoln grabbed Kylie Carter by the neck and he tossed her into the air, and Lincoln and Cici fired a powerful barrage of energy balls with rainbows, storm clouds, winds, leaves, stars, quintessence, elemental forces, and mythological animals, and as they hit Kylie Carter, they exploded with incredible power and she was killed in the explosions, and that angered the rest of The Legion of The Lincoln-Haters. Then, Kylie Carter's spirit appeared, and she was still incensed with anger and fury.

Kylie Carter: You think you've won?! I'LL RETURN ONE DAY AND KILL YOU ALL!

Lincoln: (Divine Godly Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Godly Universal Mythological Cosmic Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) No, you're done and this time forever, Kylie Carter. Give my regards to your lowlife dad when you see him.

Lincoln summoned the spirits of Kylie Carter's victims from the past who seized her, and then, he drew the Judgement Kanji on her forehead, and as predicted, she was found guilty for her crimes, and she was fading away from existence.

Kylie Carter: NO! NO! DAMN YOU, LINCOLN LOUD, DAMN YOU ALL, TEAM LOUD PHOENIX STORM! DAMN YOU ALL TO (FADES AWAY)

We cheered wildly for Cici and Lincoln holstered their massive greatswords on their backs and powered down, and Cici's new body, clothes, weapons, jewelry, Third Eye, and eleven massive and long black wolf tails, and massive black angel wings are permanent.

Then, the rainbow energy field Lincoln put up to keep Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson inside went down, and they ran up to the dead remains of Kylie Carter. Then, they looked at Lincoln and they were absolutely really seething with rage!

Brianna Greyson: You're going to pay for this, Lincoln Loud! YOU FREAK! KILL HIM! KILL THE FUCKER!

Suddenly, the sound of police sirens were heard, and being the criminals they were, they knew they were in huge trouble!

Brianna Greyson: This isn't over, Lincoln Loud!

Then, Justina Nolan, Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson ran off, but not before they gave us the finger, and me and Nico retaliated by giving them the finger and it drove them mad as they ran off.

Nico: Yeah, up yours too, bitch!

Cici: We've taken another one down so far, and now, we got nine more to go. Thanks for helping me destroy Kylie Carter, Linky.

Lincoln: (Smiles Warmly) You're welcome, Cici.

Suddenly, Cici wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Cici's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, and Angel flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and winds blowing behind them and a rainbow formed above them and we cheered wildly. Then, Lincoln and Cici absorbed the winds and rainbow and they came back to us as the display vanished.

Nico: Whoa, now that's what I call a dose of storm rainbow justice. Lincoln, Cici, you two did really awesome in teaching that monster bitch, Kylie Carter, a lesson and pissing off the rest of those monster bitches.

Lincoln: Thanks, Nico, but this is only the beginning of The War Against The Legion.

Me: You said it.

Lincoln: And for tomorrow, the next member of The Legion of The Lincoln-Haters that's going to show her face is Justina Nolan, which means you and I are up next, Jenna.

Jenna: Yes, we'll make her pay for all of her crimes in full.

Lincoln: But we've also got to keep an eye out, The Legion of The Lincoln-Haters are bound to send hired thugs after us.

Nico: We'll be ready for them since we've been dealing with hired thugs hired by our resident jerks to kill us, which always end with you killing them by sucking out their blood and pissing Flip and the other jerks off.

Lincoln: And I've got an idea for which Skylander Gene-Slammer we're meeting tomorrow: we're going to meet the Gene-Slammer for Whirlwind.

Whirlwind: (Gasps) Awesome, and there's only one person I know who'd be Gene-Slammed into me: Zephyr Summer.

Selene Arcangela: I remember her all too well, she's Lincoln's Guardian Angel and The Master of The Element of Air, and among the first humans who were actually born in The Skylands and grew up there under the guidance of Master Eon and the Skylanders, and as Zephyr grew, she discovered that she's a master of the Element of Air, one of the Ten Elements of The Skylands, and she trained a lot under the tutelage of Master Eon and the Air Skylanders and she proved to be quite the master of winds, storm clouds, and rainbows. She left The Skylands and she moved to Royal Woods, Michigan, and this is way before Kaos, The Dark Portal Master, had launched his hostile takeover of The Skylands. Zephyr really hated that world-conquering warlord, and when Marie formed The Skylanders Liberation Coalition, Zephyr became one of the members and she had sworn to make Kaos pay for all his crimes against Skylands and against all The Skylanders.

Melanie Aranyani: And after you guys freed The Skylands from Kaos and The Skylands merged with our world, The Skylanders Liberation Coalition had become part of The Earth-Skylands Federation. Plus, we also saw she fell in love with Lincoln when they first met, and she really trained him intensely on how to use the Element of Air, and she also had the additional help of Whirlwind and the other Air Skylanders, who really helped Lincoln in advancing his training in mastering the element of air, storm clouds, and rainbows, and over time, he really proved to be a master and at the same level as Zephyr.

Me: Hey, now I remember her all too well, she went missing long ago, and now I know why she went missing, she was Gene-Slammed by Team Rocket.

Lincoln: Yep.

Selene Arcangela: And although Zephyr hates Kaos with a blazing passion for all his crimes against Skylands, there's only one person that Zephyr hates with a passion ever since she came to Royal Woods: that person is her older sister, Miranda Summer.

Me: Oh, I remember her all too well.

Lincoln: Me too, she was so jealous Zephyr grew up to be a very beautiful, smart, kind-hearted, and courageous woman, while Miranda was just an evil awful bully and heartless monster. They never got along at all even when they were growing up. Isabella did all she could to try and break her sister, but she survived every last one of her attempts, but when she threatened to kill me and she also teamed up with Scoots in this attempted murder plot, that ultimately did it, and when we overheard it, Zephyr was extremely furious and she told her off saying she was a dumbbell bimbo with a brain the size of an amoeba and an IQ of a peanut, she was a psychotic envy-driven jealous moron with no respect and love for her sister at all, and even worse, she also said that she had the fashion sense of a bum.

Everyone who wasn't there at that time gasped in shock, and Nico's jaw dropped to the floor!

CLANG!

I put his jaw back.

Nico: She called her all that?! Damn, and I hate to find out what you called Scoots.

Me: He called her a heartless twisted troublemaking old shrew who has no love or respect for anyone except for herself and enjoys heckling people and ruining their lives for her own sick amusement.

Eli: That must've really set them off!

Marie MacDougal: Oh, it did.

Selene Arcangela: That set both Miranda and Scoots off, but before they could get after Lincoln and Zephyr and kill them for telling them off, he and Zephyr used Whirlwind's Rainbow of Dooms and they exploded as they hit them and those two went flying off in different directions: Miranda was sent flying to the police station where he was eventually sent to prison after Zephyr sent evidence of her many crimes against her and everyone around her including many counts of vandalism, kidnapping, assault, and extortion, and as a result, Miranda was convicted and she was expelled from school and thrown in Juvie, and Scoots was sent flying right back to Sunset Canyon, and when Varie saw her yet again, she called the authorities and Scoots was tied up in a straitjacket and sent right back to The Lansing Maximum Security Nuthouse.

Varie: I always knew Scoots was nothing but trouble, but she just doesn't know when to quit. Thank God Zephyr and Lincoln took down both her and Miranda.

Me: You said it.

Bizarro: This has been very bad day.

Absorbing Man: Planet X won't cause trouble ever again.

Kite Man: No, it won't.

Me: That's for sure. Planet X is now a forgotten memory.

Trap Jaw: (to Dan and his friends) You guys can still keep the stuff you got.

Multiplex: Not like you can return them now.

Dan: That's true.

Amanda Highborn: This was so awesome!

Troll: We had so much fun!

Me: Glad you guys did.

Nico: Yep. Great job today everyone.

Nicole: Everyone at NASA is going to flip when they see these pictures.

Nico: Yep.

Derpy Hooves: (To the viewers) Be careful what you open from the mail or it will be something unexpected.

Me: That's for sure Derpy.

Nico: Yep.

We went back home to Earth and went to enjoy the rest of the day and went to sleep.

Terrance Buckshot was found guilty of his crimes and was sentenced to spend eternity in the Jupiter Prison.

Leepthor was condemned to life in the Null Void.

THE END

---

Another awesome chapter done.

Planet X is a really crazy planet and I'm glad it's gone. But this is a chapter based on the show Packages from Planet X. That one aired from July 13, 2013 - February 24, 2014.

NicoChan11, JediAvatarOfShinobi, Omegahatchiyak12, kolbdog323, XP4Universe, Darkhai, vinjedi1995, Drako1234658, Nflemingful, Hynageneral, BumbleSparkle, EtstheClarenceandTLHfan and ninjakingofhearts gave me the ideas for this and so did the guest reviewer. Thanks guys.

the next match-up in The War Against The Legion of The Lincoln-Haters is Jenna and Lincoln VS. Justina Nolan

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Great Lakes City, but we're in for two headaches from the past coming back for revenge on us: that unibrow pest and wild animalistic bully from Great Lakes City, Becky Blickensderfer, has escaped once again, along with Dodge and the rest of the Dodgeball Bullies, and they still want revenge on us for getting them expelled a year ago and ruining their plans to kill us, take over Gotham Royal York, and unleash a reign of terror, and they also teamed up with Artie and Trent who escaped from prison, and they still want revenge on us for turning Chandler into a good guy by removing and destroying his dark side. But, we're not going to let those pests get away with this. No, this time, we're going to take them all down and send them to The Charon Reform School, and if they don't improve, they're going to get hit with Lincoln's King Midas' Golden Touch Vengeance Curse and be turned into gold statues for eternity. And we're going to meet the next Skylanders Gene-Slammer, her name is Zephyr Summer, Gene-Slammer of Whirlwind, she's Lincoln's Guardian Angel and The Master of The Element of Air, and among the first humans who were actually born in The Skylands and grew up there under the guidance of Master Eon and the Skylanders, and she's really beautiful like Whirlwind. As Zephyr grew, she discovered that she's a master of the Element of Air, one of the Ten Elements of The Skylands, and she trained a lot under the tutelage of Master Eon and the Air Skylanders and she proved to be quite the master of winds, storm clouds, and rainbows. She left The Skylands and she moved to Royal Woods, Michigan, and this is way before Kaos, The Dark Portal Master, had launched his hostile takeover of The Skylands. Zephyr really hated that world-conquering warlord, and when Marie formed The Skylanders Liberation Coalition, Zephyr became one of the members and she had sworn to make Kaos pay for all his crimes against Skylands and against all The Skylanders. After we freed The Skylands from Kaos and The Skylands merged with our world, The Skylanders Liberation Coalition had become part of The Earth-Skylands Federation. Plus, we also saw she fell in love with Lincoln when they first met, and she really trained him intensely on how to use the Element of Air, and she also had the additional help of Whirlwind and the other Air Skylanders, who really helped Lincoln in advancing his training in mastering the element of air, storm clouds, and rainbows, and over time, he really proved to be a master and at the same level as Zephyr, and although Zephyr hates Kaos with a blazing passion for all his crimes against Skylands, there's only one person that Zephyr hates with a passion ever since she came to Royal Woods: that person is her older sister, Miranda

Summer, she was so jealous Zephyr grew up to be a very beautiful, smart, kind-hearted, and courageous woman, while Miranda was just an evil awful bully and heartless monster. They never got along at all even when they were growing up. Isabella did all she could to try and break her sister, but she survived every last one of her attempts, but when she threatened to kill me and she also teamed up with Scoots in this attempted murder plot, that ultimately did it, and when we overheard it, Zephyr was extremely furious and she told her off saying she was a dumbbell bimbo with a brain the size of an amoeba and an IQ of a peanut, she was a psychotic envy-driven jealous moron with no respect and love for her sister at all, and even worse, she also said that she had the fashion sense of a bum, and Lincoln called Scoots a heartless twisted troublemaking old shrew who has no love or respect for anyone except for herself and enjoys heckling people and ruining their lives for her own sick amusement. That set both Miranda and Scoots off, but before they could get after Lincoln and Zephyr and kill them for telling them off, he and Zephyr used Whirlwind's Rainbow of Dooms and they exploded with it hit them and those two went flying off in different directions: Miranda was sent flying to the police station where he was eventually sent to prison after Zephyr sent evidence of her many crimes against her and everyone around her including many counts of vandalism, kidnapping, assault, and extortion, and as a result, Miranda was convicted and she was expelled from school and thrown in Juvie, and Scoots was sent flying right back to Sunset Canyon, and when Varie saw her yet again, she called the authorities and Scoots was tied up in a straitjacket and sent right back to The Lansing Maximum Security Nuthouse.

Get ready for a futuristic adventure as all of us take on the Drej in a chapter for Titan A.E. and we're going to bring Earth back and make the Drej pay for their crimes.

see you all next time.

# BATTLE WITH THE DREJ 2

Xenia: I'll say.

Nico: That is awesome Kurano.

Nico: I liked yesterday's mission

Xenia: We sure did. That was intense.

Lola: It sure was.

Varie: Yeah no kidding. Planet X was definitely real.

Nico: It sure was. Now it's gone.

Lana: The galaxy sent postcards and holographic messages like crazy telling us thank you for destroying them.

Lisa Loud: Indeed they have.

Me: Yeah in just under 12 hours we got mail and gifts from countless worlds telling us thank you for destroying them.

Nico: WHOA! That is amazing.

Juran: What were some of the gifts?

Me: Some of their fruit and foods, weapons and some of their technology and more.

Qin: Yeah and many of the fruits are unlike anything we know.

Lola: They sure are.

Nico: Boy no kidding.

Shanan: But I saw many of these fruits and weapons and technology many times before. The fruits are all safe for humans to eat.

Nico: That's amazing.

Qin: Wow!

Zocks: Are they really?

Lana: Yep.

Shanan: It's true. I like them.

Lana: Me too.

Nico: Neat.

Nicole: Turns out Earth wasn't the only one that Planet X affected. It affected NUMEROUS planets all over the galaxy and the universe and they caused nothing but chaos and disorder to cause problems for everyone.

Nico: Wow!

Lola: But now they are gone for good.

Me: And Leepthor is now cursed to be the last of his kind and Planet X is now a forgotten memory.

Qin: Yep.

Nico: So, where are we going again?

Nicole: Well you aren't going to like this quarry. This cave we're in leads to the Sword of Chumpocalova. It's a Sword that can fire Chum.

Me: YUCK!

Eli: That is gross!

Lana: COOL! I would love that one.

We laughed!

Me: You of all people would love that Lana.

Zuria: Lana likes eating chum?

Lana: Gladly.

She went over to it and then she grabbed the hilt and then she pulled it out successfully!

Then, Lincoln threw a massive barrage of elemental dodgeballs at the pests and they exploded as the dodgeballs hit them, then Lincoln tied them up in a rainbow energy straitjacket and rainbow energy chains and beamed them to a new prison. We cheered as we holstered our weapons and powered down.

Lincoln: That better be the last time we ever have to deal with you pests. (To Zephyr Summer) And it's so good to see you again, Zephyr Summer.

Zephyr Summer reverted back to normal, and she's a very beautiful girl with long sky blue hair, sky blue eyes, she was tall at 6'11" in height, she has the body of a goddess, and ample breasts, fair skin, she has massive and beautiful sky blue angel wings, she's dressed in a sleeveless sky blue top, sky blue skirt with the Air Skylanders symbol on it, necklace with sky blue gem for the pendant, white bridal gloves, sky blue knee-high high-heeled boots with butterfly buckles, and long white long-sleeved trenchcoat with winds, rainbows, storm clouds, dragons, and angels on the coattails and on the back is Whirlwind and on top is the symbol of The Air Skylanders, and holstered on her back is a massive Whirlwind-themed greatsword with embedded blue gems and Whirlwind etched on the 7'0" massive, wide, double-edged sky blue blade, large sky blue dragon heads for the crossguard, large white angelic faces embedded on both sides of the hilt with sky blue gems embedded in their foreheads, longer midnight black handle, four large white angel heads and large sky blue gem on the bottom of the large white angel heads for the pommel.

Zephyr Summer: You too, Lincoln, it's been a long time.

Lincoln went up to Zephyr Summer and he hugged her, and Zephyr Summer is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the large white wolf ears with rainbow markings on his head, eleven massive and long white wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long white wolf tails, He-Man's chest harness, and many other accessories, and they also met his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Zephyr Summer: Holy crap, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 17-year-old 7'9" tall, very handsome, and manly teen with really massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the large white wolf ears on your head and the eleven massive and long white wolf tails with markings and white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new, along with getting He-Man's chest harness, man, you've really really grown a lot in height, but you're still the same kind boy from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not even a

tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and he's become truly immortal.

Me: And Lincoln, you know this sexy hot mama?

Lincoln: Indeed I do, J.D., this is Zephyr Summer, Gene-Slammer of Whirlwind, she's my Guardian Angel and The Master of The Element of Air, and among the first humans who were actually born in The Skylands and grew up there under the guidance of Master Eon and the Skylanders, and she's really beautiful like Whirlwind. As Zephyr grew, she discovered that she's a master of the Element of Air, one of the Ten Elements of The Skylands, and she trained a lot under the tutelage of Master Eon and the Air Skylanders and she proved to be quite the master of winds, storm clouds, and rainbows. She left The Skylands and she moved to Royal Woods, Michigan, and this is way before Kaos, The Dark Portal Master, had launched his hostile takeover of The Skylands. Zephyr really hated that world-conquering warlord, and when Marie formed The Skylanders Liberation Coalition, Zephyr became one of the members and she had sworn to make Kaos pay for all his crimes against Skylands and against all The Skylanders.

Nico: Awesome!

Me: Yep, and after we freed The Skylands from Kaos and The Skylands merged with our world, The Skylanders Liberation Coalition had become part of The Earth-Skylands Federation. Plus, we also saw she fell in love with Lincoln when they first met, and she really trained him intensely on how to use the Element of Air, and she also had the additional help of Whirlwind and the other Air Skylanders, who really helped Lincoln in advancing his training in mastering the element of air, storm clouds, and rainbows, and over time, he really proved to be a master and at the same level as Zephyr.

Marie MacDougal: And although Zephyr hates Kaos with a blazing passion for all his crimes against Skylands, there's only one person that Zephyr hates with a passion ever since she came to Royal Woods: that person is her older sister, Miranda Summer, she was so jealous Zephyr grew up to be a very beautiful, smart, kind-hearted, and courageous woman, while Miranda was just an evil awful bully and heartless monster. They never got along at all even when they were growing up. Miranda did all she could to try and break her sister, but she survived every last one of her attempts, but when she threatened to kill me and she also teamed up with Scoots in this attempted murder plot, that ultimately did it, and when we overheard it, Zephyr was extremely furious and she told her off saying she was a dumbbell bimbo with a brain the size of an amoeba and an IQ of a peanut, she was a psychotic envy-driven jealous moron with no respect and love for her sister at all, and even worse, she also said that she had the fashion sense of a bum.

Nico: Oh, damn! That's something no girl wants to hear, but that snake deserved it.

Me: And Lincoln called Scoots a heartless twisted troublemaking old shrew who has no love or respect for anyone except for herself and enjoys heckling people and ruining their lives for her own sick amusement.

Eli: Which is indeed true.

Me: Yep, but that set both Miranda and Scoots off, but before they could get after Lincoln and Zephyr and kill them for telling them off, he and Zephyr used Whirlwind's Rainbows of Doom and they both exploded when they hit them and those two went flying off in different directions: Miranda was sent flying to the police station where he was eventually sent to prison after Zephyr sent evidence of her many crimes against her and everyone around her including many counts of vandalism, kidnapping, assault, and extortion, and as a result, Miranda was convicted and she was expelled from school and thrown in Juvie, and Scoots was sent flying right back to Sunset Canyon, and when Varie saw her yet again, she called the authorities and Scoots was tied up in a straitjacket and sent right back to The Lansing Maximum Security Nuthouse.

Zephyr Summer: And you're going to see it for yourselves. (To

Lincoln) Oh, Lincoln, there's something I also want to give you.

Lincoln: Let me guess, you want to give me your blood, right, Zephyr?

Zephyr Summer: How'd you guess what I was about to ask?

Lincoln's harem and Guardian Angels showed the bite marks that Lincoln left as he marked them.

Zephyr Summer: I knew it, you marked them and fed on their blood, along with acquiring their powers as well, I knew that was coming since you'd done that more than once when he got brutally injured by Lori, Lynn, Lola, Lisa, and Luan more than once.

Lincoln went up to Zephyr Summer, and he hugged her in his abnormally massive and powerful muscular arms, he leaned his head down the right side of her neck, and he slowly bit her and he fed on her blood, and we saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings with aurora and orange tips spread out and glow. He then slowly unlatched his fangs from her neck as her neck healed and the puncture marks sealed up, and he also kissed where he bit her.

Zephyr Summer: Wow, you're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Zephyr Summer's neck with sky blue gems on the gold lightning bolts and sky blue crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Zephyr Summer: (Surprised) Lincoln, are these…?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives,

Zephyr Summer.

Zephyr Summer had a smile on her face and tears in her eyes as Lincoln still had his abnormally massive and powerful muscular arms around her, and he leans down to her face and he kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw who they were, he immediately recognized them. The six girls are Ayaka Yukigaya, Megumi Tanigawa, Minaho Kudan, Mutsumi Takashina, Tania, and Yuuri Kaga from Doki Doki Vacation ~Kirameku Kisetsu no Naka de~

Lincoln: Oh wow, it's Ayaka Yukigaya, Megumi Tanigawa, Minaho Kudan, Mutsumi Takashina, Tania, and Yuuri Kaga from Doki Doki Vacation ~Kirameku Kisetsu no Naka de~.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Ayaka Yukigawa: Yes, we're okay, thanks to you.

Then, when Ayaka Yukigawa and the other five girls saw who it was that saved them from Becky Blickensderfer, Dodge and the rest of the Dodgeball Bullies, and Chandler's former goons, Artie and Trent, their faces turned atomic red upon seeing the 17-year-old 7'9" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and large white wolf ears with rainbow markings on top of his head, rainbow colored thunderbird with a gold lightning bolt and Ebonwu Squadron emblem emblazoned on his forehead with a Third Eye on his forehead with rainbow iris, rows of straight teeth with vampire fangs, Crest of Miracles on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle on his massive left pec, He-Man's chest harness with colored gems on the orange crisscrossing straps and large circular chest plate with phoenix on it, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates, Ultimate Force of Ultimate Good, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Emissary of The Cosmos and The Heavens, Ambassador of Harmony, Friendship, Purity, Hope, Courage, and Love, and God of Friendship, Hope, Love, Courage, and Justice Dodgeball Angel King of Gotham Royal

Ayaka Yukigaya: Oh wow, you're Lincoln Loud of Team Loud

Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider muscular backs of Lincoln and his clones, and we cheered wildly at the scene.

Ayaka Yukigaya: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ayaka Yukigaya, Megumi Tanigawa, Minaho Kudan, Mutsumi Takashina, Tania, and Yuuri Kaga with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to The World Tree Estate, and the rest of the team was shocked to find out the villains we went after were that unibrow pest and wild animalistic bully from Great Lakes City, Becky Blickensderfer, has escaped once again, along with Dodge and the rest of the Dodgeball Bullies, and they still want revenge on us for getting them expelled a year ago and ruining their plans to kill us, take over Gotham Royal York, and unleash a reign of terror, and they also teamed up with Artie and Trent

But, when Lincoln showed what we all did in pulverizing those pests and then sending them to The Charon Reform School for good, everyone cheered and hugged us and Lincoln's harem kissed him all over. Lincoln and Zephyr Summer have a lot of catching up to do, now that she's back in town.

Maria: That'll teach those pests never to come after us ever again!

Lincoln: You said it, but like I said, if they don't show any improvement, they're going to get turned into gold statues for eternity.

Becky Blickensderfer, Dodge and the rest of The Dodgeball Bullies, and Chandler's former goons, Artie and Trent were sentenced to The Charon Reform School, and if they showed no signs of improvement and if they also had thoughts of revenge on their minds, they will be turned into gold statues for all eternity.

---

After finally taking down that unibrow bully pest, Becky Blickensderfer, along with Dodge and the rest of the Dodgeball Bullies, and Chandler's former goons, Artie and Trent, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Zephyr Summer saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Zephyr Summer: My God, I was right that Lincoln's really grown into a 17-year-old, 7'9" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs really hard at work, and really working out with those 900,000,000,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been bodybuilding and working out for many years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and

he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Zephyr, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Zephyr Summer: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little boy into a really big, really strong, and really powerful man.

Zephyr Summer: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Zephyr, what's the story on how you told off your jealous driven envious older sister, Miranda, and how you and Lincoln told off that old goat, Scoots?

Zephyr Summer: Oh, that's one I'd never forget to this day.

Zephyr Summer pulled up the video as it played on the big screen, and we saw Zephyr Summer and Lincoln standing against Miranda Summer and Scoots, who were really really angry and they were out for blood.

Past Zephyr Summer: I always knew you were nothing but a jealous-crazed, envious, evil, awful bully and heartless monster. We never got along at all even when we were growing up, and you tried so much to break me, but you failed, but after finding out you threatened to kill me and you also teamed up with Scoots in your attempted murder plot, you crossed it, and you've been asking for it for a very long time. You're a dumbbell bimbo with a brain the size of an amoeba and an IQ of a peanut, you're a psychotic envy-driven jealous moron with no respect and love for your own little sister at all, and you have the fashion sense of a bum!

We literally busted out laughing hysterically when she said Miranda had the IQ of a peanut!

Me: (LAUGHING HYSTERICALLY) THAT INSULT STILL CRACKS ME UP TO THIS DAY!

Nico: (LAUGHING HYSTERICALLY) IQ OF A PEANUT?! OH MAN, THAT WAS A GOOD ONE!

Zephyr Summer: But, we were just getting started.

Then, in the video, we saw Zephyr and Lincoln turn to Scoots, and they weren't going to let her get out of this one.

Past Zephyr Summer and Lincoln: And as for you, you're a heartless twisted troublemaking old shrew who has no love or respect for anyone except for herself and enjoys heckling people and ruining their lives for your own sick amusement.

Eli: Amen to that!

We saw that set both Miranda and Scoots off, but before they could get after Lincoln and Zephyr and kill them for telling them off, he and Zephyr used Whirlwind's Rainbow of Dooms and they exploded with it hit them and those two went flying off in different directions. Then, Zephyr and Lincoln kissed as the video ends.

Nico: Damn, your sister really is nothing but bad news, and for her to team up with that old goat, she crossed it big time. So, what happened to Miranda and Scoots after you guys sent them flying?

Lincoln: Oh right, I forgot about that, Miranda was sent flying to the police station where she was eventually sent to prison after Zephyr sent evidence of her many crimes against her and everyone around her including many counts of vandalism, kidnapping, assault, and extortion, and as a result, Miranda was convicted and she was expelled from school and thrown in Juvie.

Varie: And Scoots was sent flying right back to Sunset Canyon, and when I saw her yet again, I called the authorities and Scoots was tied up in a straitjacket and sent right back to The Lansing Maximum Security Nuthouse.

We got a shower, and then, Lincoln, Crumbelina DiCaramello, Jubileena Bing-Bing, Donna and Reina, and Cynthia are heading to Resort Island.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'9", handsome and extremely muscular man was dressed in his new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble, and Izuku is dressed in green swim trunks, green sandals, and he had his weapons holstered in case of trouble.

And Crumbelina DiCaramello, Jubileena Bing-Bing, Donna and Reina, and Cynthia were dressed in the two-piece colored bikinis The Musiqidandi Sisters made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Crumbelina DiCaramello, Jubileena Bing-Bing, Donna and Reina, and Cynthia had feelings for Lincoln and he also had feelings for them, and Lincoln removed Cynthia's Dark Side and sent her to The Black Gates, and he also saved them all from an ambush by a group of thugs Flip hired to kill them, Lincoln killed them all and sucked out their blood, which made Flip go insane with anger, until Lincoln fired energy blasts at him and more gold and jewels and treasures came out of that mutant, but they also got to keep their heads up, they got word that Justina Nolan has sent some thugs to kill them.

Donna: Wow, so this is Resort Island, it truly is beautiful!

Lincoln: It sure is, Donna, and it's perfect for our first date. Shall we?

Lincoln, Crumbelina DiCaramello, Jubileena Bing-Bing, Donna and

Reina, and Cynthia dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, then they went back to the beach and they also had a game of volleyball, and Crumbelina DiCaramello, Jubileena Bing-Bing, Donna and Reina, and Cynthia got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, but then, they saw Justina Nolan's hired thugs coming after them, but Lincoln fired orbs of black and blood red energy which hit them and he sucked out all their blood and energy and killed them and sent them to The Black Gates forever.

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Crumbelina DiCaramello, Jubileena Bing-Bing, Donna and Reina, and Cynthia, and they hugged the girls in their abnormally massive and powerful muscular arms, and Crumbelina DiCaramello, Jubileena Bing-Bing, Donna and Reina, and Cynthia placed their hands on the massive pecs of Lincoln and his clones, and then, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive muscular body, and eight-pack abs.

Nico: Whoa, looks like someone really had an awesome time at Resort Island, eh, Lincoln?

Lincoln: (In Heaven) It… was… so… awesome!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Crumbelina DiCaramello, Jubileena Bing-Bing, Donna and Reina, and Cynthia with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Crumbelina DiCaramello, Jubileena Bing-Bing, Donna and Reina, and Cynthia are now in your harem.

Zola: I still remembered when Lincoln removed Cynthia's Dark Side and freed her, and Donna and Reina fell in love with him when they saw him.

Jenna: Flip had some nerve trying to kill them, that cheapskate's just making things much worse for himself.

Serena Logan: Even after all this time, Flip's still the same mutant cheapskate he's always been.

Rarity: And trying to kill Crumbelina DiCaramello, Jubileena Bing-Bing, Donna, Reina, and Cynthia, now he's really going to get it.

Lincoln: And we also had a run-in with Justina Nolan's hired thugs, but I killed them all and sucked out their blood, and she should be screaming with pure vengeance and hate at us in 3… 2… 1!

Suddenly, we heard Justina Nolan scream with extreme hatred and rage.

Maria: Yeah, up yours, you monster bitch!

Carmen: Sheesh, those monster bitches just don't even know when to quit.

Nico: Serves her right, but she'll get hers later on today.

Me: They sure will, those monster bitches have gotten on our nerves five years ago, and now, they're going to pay dearly for everything they've done.

Lincoln: You got that right.

---

Later it was time for Matau's 3rd Mission.

William: Anyone else want to go with Matau? Besides Tommy Oliver and Marinette?

Jet Vac: Me and my fellow Air Skylanders will go too.

Rainbow Dash: Awesome! They are going to love this one.

Qin: And it's perfect for them because it deals with the wind for Matau.

Nico: Yep. Lets roll.

We were off.

---

We arrived in Rio De Janeiro, Brazil.

Me: Here we are guys.

Free Ranger: Boy it's amazing being in Brazil again.

Me: It sure is awesome. Here we go. (WHISTLES)

I whistled and then Blu and Jewel came.

Blu: Hey guys!

Nico: Hey Blu.

Matau: Blu, meet Tommy Oliver and Marinette

Tommy Oliver: Awesome to meet you guys. Tommy Oliver, Leader of the Dino Thunder Rangers, Mighty Morphin Rangers and Zeo Rangers and temporary Leader of the Turbo Rangers.

Me: Tommy has been one of the first ever Power Rangers ever since it first started in North America 30 Years ago.

Blu: Wow it's an awesome honor.

Tommy Oliver: Same here.

Me: He is 5 rangers in one.

Nico: Yep.

Marinette: Marinette Cheng. Awesome to meet you.

Jewel: Wow! The famous Ladybug herself! It's an honor!

Marinette: You too.

Blu: Wow we heard about everything that happened in Paris. We're glad you're okay.

Marinette: Thank you.

Rainbow Dash: And there are my friends the Air Skylanders.

Jet Vac: It's capital to meet you both.

They introduced themselves.

Blu: Wow it's truly an honor to meet you guys.

Whirlwind: Same here to you.

Nico: By the way, I got some bird food for you two.

Blu: Awesome.

Nico held out a bag and gave him some bird seed and he was eating it.

Blu: (Eating) Mmm! Thank you.

Chuck: He sure is hungry.

Bomb: Boy he sure is.

Jewel and Blu were eating it.

Stella (Angry Birds): Boy they sure are hungry.

Bubbles: You got that right.

Nico: Next time, you should meet Poromon.

Me: And the mascots. You guys will love them. And you'll love meeting the Loud Kids.

Nico: Yep.

Eli: They are awesome friends.

Nico: And great to hang out with too.

Matau: So, what's been going on since the last visit?

Jewel: Just a bunch of Anothers. Also we have an unexpected guest.

We saw Gabi.

Me: Whoa Gabi.

Eli: Cool!

I held out my hand and she hopped into it.

Me: Boy you are a pretty frog.

Jewel: She's poisonous!

Me: No she isn't. She's actually a rare Pink Tree Frog. Very cool and really harmless.

Gabi: That's right. And I don't like being with Nigel. He is really going downhill.

Me: His hatred towards Blu is tearing him apart.

Nico: How would you like to be a spy on Nigel for us?

Me: Like with how Chameleon and Misty did with Team Dark Phoenix Storm and Opaline.

Gabi: I would like that.

Me: Don't let him know that we are on to him. He is still Ophelia Simpson's archenemy and she is going to face him in battles someday.

Gabi: Okay. You can count on me.

Gabi hopped off.

Me: That was awesome.

Nico: Luckily, our focus is still the Another MOE Members

Me: Yep. Lets get the S&R Plane ready.

We went and did so. Luckily I have it put into a garage that I'm renting in Rio. We got it ready and started it and we were off.

Nico: Yeah!

Jet Vac and Stormblade were flying in their Superchargers.

Whirlwind and the Skylanders that can fly were flying alongside us.

Me: Boy it's like we're flying an army.

Eli: It sure feels like it.

I called in Spada, Dew Gayl, Irina Wendolva, Camie Yukimura, Natalie, Nicole and Nadine Bernado and Metamorpho.

They appeared.

Metamorpho: You rang?

Me: That was fast.

Eli: Yeah no kidding.

Me: But yes we have Another M.O.E. Members.

Camie Yukimura: But I don't have an archenemy yet.

Me: Actually Camie you do. It's Superfriends Grodd.

Nico: Yep.

Camie Yukimura: Wow!

Natalie Bernado: This will be interesting.

Dew Gayl: It sure will be awesome.

Spada: I think so too.

Me: Better transform Spada.

Spada: Right.

SEIZA CHANGE!

Spada: Star Change!

He turned into the Yellow Ranger of Dorado the Swordfish!

Nico: Yeah!

Me: Better do the same too Tommy.

Tommy Oliver: Right. Which sounds good for you?

Me: Hmm. What do you think Nico?

Nico: Zeo.

Tommy Oliver: All right then! IT'S MORPHIN TIME!

He went Zeo!

Tommy Oliver: ZEO RANGER V - RED!

He turned into Zeo Red!

Marinette: Time for action! TIKKI SPOTS ON! HA!

She turned into LADYBUG!

Blu: That is so cool!

Eli: It sure is!

Me: You're going to see my Miraculous form too in a few minutes.

Nico: Nice!

We arrived in a clearing 20 miles outside of Sao Paulo.

Me: Wow!

We got out walked around.

Me: This is a grassy clearing.

Eli: Yeah.

Matau: Where's the first one?

Eli: Over there.

He was pointing to something.

Eli: I sense that they are all hostile.

Me: Uh oh.

Nico: Oh boy.

Me: Well then time to bring on the pain! KIBAL LETS HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

I turned into WOLF MOON 🌙!

I howled!

Me: Come and get us!

Metamorpho: YEAH!

Blu: Wow! J.D. your Miraculous form is amazing.

Me: Yep. In this form I am called Wolf Moon 🌙.

Blu: That is awesome.

I then fired a blade of blue fire from my scythe and it hit the first one and exploded!

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOMM

A figure came out and it was ANOTHER BEAGLE BABES!

Me: Another Beagle Babes first.

Nico: And you are?

Another Beagle Babes: YOU SHOULD FUCKING KNOW J.D.!

Me: (GASP) That voice!

She reverted back and was really a girl with blond hair and had blue eyes and was wearing an orange prison jumpsuit!

Me: (GASP) Oh great! Shit on me and fuck me sideways! I never expected to see you again Lauren Innies!

Lauren Innies: That's right! You ruined my life J.D. and you will pay for it!

Me: I had to nip this problem in the bud before things could escalate from bad to worse. And the only way to do that was to take out her father and his goons.

Eli: That is rough.

Me: Yep. But she deserved it.

Lauren Innies: And I WILL NEVER FORGIVE YOU FOR WHAT YOU DID TO ME J.D. I HATE YOU MORE THAN FUCKING LIFE ITSELF! I WILL KILL YOU IF IT'S THE LAST THING I EVER DO!

Eli: Come and try it you bitch!

She turned into Another Beagle Babes!

Nico: (gets out Vulture and Hsi Wu's Ridewatches) Blu, you'll like this one!

He activated them and fired waves of wind and blasted her down and Irina fired energy waves and blasted her down and she exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

I caught the Wonder Ride Book.

Me: Take that!

Eli brought her over and tied her up and gagged her.

Nico: Who's next?

Me: Another Rocky and Mugsy.

Nico: Oh boy.

Spada: This will be good.

Me: Yep.

Out came Another ROCKY AND MUGSY!

Me: This will be good!

Nico: Okay bub, who are you!?

She reverted back and it was a woman with black hair and red eyes and had an insane asylum patient uniform on!

Nico: Wait! MRS. RENDOLL!?

Mrs. Rendoll: THIS IS ALL YOUR FAULT NICO!

SHE WENT AT HIM LIKE A RAGING WILDCAT WITH RABIES AND I GRABBED HER IN AN ARM HOLD!

Me: (GRUNTS) GEEZ! WHAT THE FUCK IS WRONG WITH YOU LADY!?

I was holding her back!

Me: JEEZ!

Spada: You know her, Nico?!

Nico: I sure do. She's my friend Anna Yumigawa's mother. She did the most despicably insane thing ever.

Me: (GRUNTS) What did she do?

Nico: She was addicted to weight loss and body slimming pills and they were like cocaine and heroin and they made her insane and she was in massive debt because of them. She went to a weight loss lab and was made thin and beautiful. But she owed them thousands if not millions of dollars for it all and she was going to sell her daughter Anna to them. I got Anna out of there and she went completely ballistic and I knocked her out and had her committed to a maximum security insane asylum for the rest of her life. I ran some tests and found out that the pills she has are very poisonous ones that destroy the minds sanity and she is completely insane.

Me: (GRUNTS) Man those pills really destroyed her mind!

Mrs. Rendoll: I HATE YOU NICO! (INSANE BALLISTIC RAGE!) I HATE YOU MORE THAN LIFE ITSELF! I HATE YOU! I HATE YOU!

NICO'S AURA FLARED UP WITH EXPLOSIVE FORCE!

Me: SHE IS COMPLETELY OUT OF HER FUCKING MIND! Nico I think you may have to give her a mercy kill on this one!

Nico: I agree!

Tommy Oliver: (gets out Evil Star's Amazon weapon) Your daughter deserves better!

He had a staff of Evil Star!

Me: Yeah!

Nico got out a 12 Gauge Shotgun.

Nico: Blu, Jewel, sorry you have to see this. But she needs to be put down like a mad dog.

Spada: Hey, I want in on this!

Spada used Rocky and Mugsy's Amazon Weapons and they were guns.

I got out of the way and Nico, Evil Star and Spada slashed and blasted her and she exploded!

BLOOD AND GUTS SPLATTERED ALL OVER THE PLACE!

Me: EEEEEEEEEWWWWWWW!

Eli: That was disgusting!

Me: Yeah!

I picked up the Wonder Ride Book and cleaned it off.

Nico: I'm sorry Mrs. Rendoll.

Me: She probably deserved this even though it wasn't her fault. Now for Another Penguin.

Dew Gayl: My turn!

Dew Gayl was ready.

Nico: Here she comes!

We saw a figure and it was ANOTHER PENGUIN!

Me: Another Penguin.

Eli: Oh boy.

Another Penguin: (In a boys voice) Been a long time J.D.! It's PAYBACK TIME!

Me: (GASP) FORD TEXXINGTON!

He reverted back and it was a boy with pink hair and blue eyes had a red prison jumpsuit on.

Me: I never expected you to be here after what you did to my friend Barbara! Your own sister!

Ford Texxington: I HAVE NO SISTER! I WILL NEVER FORGIVE THAT FUCKING BITCH FOR WHAT SHE DID TO ME! SHE AND MY STUPID OLD MAN DAD WILL PAY FOR RUINING MY LIFE! I WILL KILL THEM BOTH! AS WELL AS YOU FOR HELPING THEM!

Me: You brought all that all on yourself you pink haired gold-digging motherfucker!

Dew Gayl: You know him?

Me: Unfortunately yes. Ford is the son of a very wealthy business entrepreneur and he and his sister Barbara always hated each other. I helped Barbara succeed in getting the company and he hated me ever since. He went ballistic and I punched him in the face and knocked him out and saved Barbara when he tried to hurt her. I got him sent to a prison in Russia for life. And ever since then he vowed terrible revenge on me.

Nico: GEEZ!

Ford Texxington: AND I WILL NEVER FORGIVE YOU FOR IT!

Me: You brought all that on yourself! You never cared about Barbara or your father's company! All you wanted to do was show off and throw wild parties worth millions and squander away all your fathers money like it was your own party! Well guess what!? I'M GLAD BARBARA got the company! Not you!

Marinette: (gets out Absorbing Man's Amazon weapon) Isn't she a little young to own a company?

Me: No when I helped her it was 1 week before I moved to Michigan. She was 18 back then.

Marinette: Oh. That's different.

Absorbing Man's Amazon Weapon was a blade that can form into anything by thought. She had it turn into lava and she swung it and threw lava on his face and he screamed in excruciating pain as his eyes were burned! Then the Wonder Ride Book left his body and I caught it and we tied him up and gagged him.

Nico: He really needs to be locked up good.

Me: No kidding there. Another Gorilla Grodd next.

Camie Yukimura: My turn!

Me: Yep.

Nico: This is gonna be good.

Eli: Yep. But I sense that this one is a friendly one.

Me: Really? Good.

Eli: But I sense that she's conflicted.

Me: Like how?

Blu: Is the Force acting up? You said she's hostile.

Eli: Half and half but it's telling me that the hostility and the friendliness are chaotic. I don't know why.

Nico: Hmm.

I then felt my Mermaid senses going off.

Me: Whoa my mermaid senses are reacting to something.

Nico: A Mermaid? Here?

Me: Yeah.

Then we heard the divine song of the mermaid.

Me: Whoa hear that?

Nico then got hypnotized by it and then went to the singing.

Me: Uh oh.

Eli: Lets go.

We followed Nico and we saw that he was in a total trance.

Me: He's totally mesmerized.

Eli: Yeah.

Blu pecked Nico on the head but it didn't work.

Me: He's totally entranced by the song.

We then came to a lagoon 30 yards from the S&R Plane and we saw a beautiful mermaid on a rock singing.

Me: Wow. Wait I know her.

Nico flew over to her.

He sat on her rock.

I flew over to her.

Me: That's my friend Nico you have with you.

Cirinia Atwaria: (GASP) J.D.!?

Me: Cirinia!? Wow its been a long time.

Cirinia: It has been a while.

Me: It sure has. Could you let my friend go please?

Cirinia: I'm sorry I didn't know.

She released him.

Nico: (GROANS) What happened? I have the worst headache.

Me: You were entranced by the Siren's song.

Cirinia: I'm sorry I didn't know you were with J.D.

Me: Oh Nico this is Cirinia Atwaria. She's a friend that I met and saved from Pirates in the South Pacific near Tahiti.

Nico: Awesome to meet you.

Cirinia: Same to you.

Camie: Have you seen Another Superfriends Grodd?

Cirinia: Yes that's me. I can't control its power. But I also have another evil force in me.

Me: Wait I sense it.

Blu: What kind of evil force?

Cirinia: I am trying to fight it. It's Abyzou.

Me: (GASP) That's the demon of water in Eastern European Folklore.

Nico: WHOA!

Eli: That explains why you're conflicted. Its possessed you and you're trying to hold it back.

Cirinia: That's right.

Blu: We'll help get it out!

Me: And the only way to do that is with an EXORCISM.

Nico: Lets do it.

Me: Sorry Cirinia but this will save you.

I held her in place on a cross with chains.

Me: (CHANTING INCANTATION)

*Exorcizamus te, omnis immunde spiritus, omni satanica potestas, omnis incursio*

*infernalis adversarii, omnis legio, omnis congregatio et secta diabolica, in nomini et* *virtute Domini nostri Jesu Christi, eradicare et effugare a Dei Ecclesia, ab animabus*

*ad imaginem Dei conditis ac pretioso divini Agni sanguini redemptis.*

*Amen!*

The demon roared ferociously and then it flowed out of her and as water and then back into the dark depths of hell! Then we let her go and I caught her.

Cirinia: (GROANS) What happened? I don't remember anything?

Me: You were possessed by a demon of water. I exorcised it and freed you.

Cirinia: I don't remember what I did.

Me: Demonic possession does that to you.

We heard a roar and saw ANOTHER SUPERFRIENDS GRODD! THE EXORCISM SEPARATED IT FROM HER TOO!

Blu: Let's get this bad monkey!

Me: YEAH!

Camie Yukimura: That's right!

Camie fired waves of fire and rockets and blasted him all over and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

He exploded! I caught the Wonder Ride Book.

Cirinia: That was amazing! J.D.?

Me: Yes?

She then kissed me as I was on top of the water and it was awesome.

Cirinia: Thank you.

Me: You're welcome Cirinia.

Nico: Who's next?

Me: Another Superfriends Scarecrow.

Nico: That will be good. (GROANS) My head.

Me: You're going to need an aspirin when we get home.

Eli: Yeah.

Nadine Bernado: This will be fun though.

Cirinia: It sure will.

Rainbow Dash: But this is getting awesome so far.

Whirlwind: It sure is.

Then we saw a figure and it was ANOTHER SUPERFRIENDS SCARECROW!

He came up to us.

Nico: Who are you?

Another Superfriends Scarecrow: (In a familiar man's voice) I believe you should know because I made Lori experience fear!

Me: (GASP) I knew you couldn't stay away from your games of fear Jonathan Crane!

He reverted back and it was none other than JONATHAN CRANE A.K.A. THE SCARECROW HIMSELF!

Nico: I did not see that coming!

Me: It's kind of superfluous that you're also Another Superfriends Scarecrow don't you think?

Scarecrow: Yes it does feel that way. But it's double the fear and double the horror!

Nico: You don't have Mr. Mind to help you this time, Crane! He's gone for good!

Me: That's right! Poromon ate him for dinner!

Eli: And also the Joker is dead! Just like you will be shortly!

Me: You cause fear because you're afraid of the one thing you're afraid of the most.

Scarecrow: What's that?

Me: Death itself!

Scarecrow: At least I can still be rid you all once and for all. I wonder how it's gonna be for one of us to be without the other?

Blu: Time to find out!

I held out my hand and opened it slowly as a flame formed in it.

Me: HOW ABOUT A LITTLE FIRE SCARECROW!?

Nadine Bernado: This will be good!

Me: Now I'm going to do something I should have done a long time ago and that is rid the world of you by giving you the Black Gates!

Nico: YEAH! We've had it with you Crane!

Me: You're just a fucked up lunatic that doesn't give a flying fuck about anyone!

Scarecrow: Without fear, life is meaningless!

Blu: We're not afraid, Crane!

Scarecrow: Fear is a disease that will consume you!

Me: You are the disease and we are the cure!

Me and the Bernado sisters fired waves of fire and lightning and the blasts all hit him and he exploded into oblivion and I caught the Wonder Ride Book! His evil spirit appeared and I banished him to the Black Gates forever!

Me: There!

Nico: Good riddance!

Me: I was really getting sick and tired of him.

Matau: Who's left?

Me: Another Mr. Freeze.

Nico: This one will be cold.

Eli: It sure will.

Cirinia: This one sure will be a cold one.

Rainbow Dash: Look there!

We saw a figure and it was ANOTHER MR. FREEZE!

Me: This one is gonna be cold!

She fired her ice ray and I fired a blast of fire and the blasts collided and a powerful struggle of fire and ice began!

Nico: WHOA!

Cirinia: Wow! That is intense!

Eli: Fire VS Ice! One of the oldest battles thats been around since the beginning of time.

We stopped.

Matau: Who are you?

Another Mr. Freeze: (In a girls voice) I believe that you all know my sister!

She reverted back and was a woman with blond hair and blue eyes and was dressed in black clothes.

Me: Wait you look like Nora Fries!

Nira Fries: I'm her twin sister Nira.

Me: We didn't know that Nora had a sister!

Eli: Yeah!

Me: What did Swartz promise you that he would turn you into Mr. Freeze?

Nira Fries: Revenge! He told me that Victor killed my sister!

Me: What!?

Nico: That's not true! Your sister is alive!

Me: Yeah it was the opposite! Victor was trying to save your sister! She had a terminal disease and Victor was keeping her in a cryostasis sleep till he could find a cure!

Nico: Lemme tell you something about Victor Fries. He's not like the Joker. He did nothing to deserve what happened to him. If you really want payback, go to Ferris Boyle. He hasn't been given the Black Gates yet!

Me: That's right! I'll be right back.

I teleported and went to Gotham Royal York to the Fries estate.

I came in.

Me: Nora!

Nora Fries: J.D. what's wrong?

Me: I'm sorry to come in like this so frantically Nora but something has arisen in South America. Your sister Nira is out for revenge and she thinks Victor killed you.

Nora Fries: WHAT!? Why would she think that?

Me: Swartz told her.

Nora Fries: And you need me for proof.

Me: Right.

Nora Fries: Lets go!

I teleported back with Nora.

Nira Fries: Why should I believe you!?

I teleported back.

Me: Because you need proof.

Nora Fries: Nira! Nira stop!

Nira gasped.

Nira: Nora? But Victor killed you!

Nora: He didn't. But Boyle tried to.

Me: Nora was cured by us and you have my friend Lily Loud to thank for it.

Nico: Don't you see Nira? Victor wasn't trying to kill her. He was trying to cure her.

Eli: He was doing everything he could to save her. But fate dealt him a bad card when Ferris Boyle pushed him into that table of cryogenic chemicals.

Me: Yeah. Those chemicals mutated him and because of Boyle he was cursed with living in subzero freezing temperatures. He couldn't go out of his suit in temperatures above 32˚Fahrenheit.

Nico: That's right!

Me: Swartz lied to you.

Nico: That's right.

Me: But also we cured Victor. It's a really long story.

Nora: I'll tell you all about it soon.

Nira: (sighs) I owe Victor an apology when I see him.

Metamorpho: Right now, we've gotta save you. Blu and Matau can help with this.

Me: Yeah. We'll cure you of this.

She turned into Another Mr. Freeze and fired her ice ray and I fired a blast of fire and the blasts collided. Metamorpho fired a blast of fire and the blasts pushed hers back and smashed her down.

Then a Braviary and a Mandibuzz came!

Me: Cool a Braviary and Mandibuzz!

Eli: Wow!

Blu: Wow that is perfect for this too!

Jet Vac: It sure is chaps!

Matau: Blu, what do you say we end this?

Blu: Yeah with pleasure!

Blu and Matau fired blasts of wind and blew Another Mr. Freeze around in a tornado.

Me: OH YEAH!

Braviary: (In a girls voice) Lets do it sis!

Mandibuzz: (In a girls voice) Gladly sis!

Nico: Ellie and Ella Von Richthofen!

Me: Wait! You two are related to the famous Red Baron!?

Braviary: That's right! He was our great grandfather.

Mandibuzz: Yes he sure was.

Me: Wow! He was the most feared pilot in all of World War I.

Nico: Yep.

They reverted back. Ellie was a girl with Red Hair and Blue eyes and had blue clothes and a red scarf and Ella was a girl with blue hair and red eyes and had a red clothes and red scarf as well and they had red angel wings.

Ella Von Richthofen: Lets get her!

They fired blasts of red energy and smashed her down and I caught the Wonder Ride Book.

Me: Yeah!

I brought Nira over.

Marinette: What are your favorite memories of Nico?

Ellie Von Richthofen: Our favorites are when me and my sister were in Flight School and we showed him our Great Grandfathers moves in a flight simulator.

Ella Von Richthofen: Our dream is to be the greatest ace pilots that ever lived and enter the competition A.C.E.S. and take down the Black Baron.

Me: You girls are a definite shoo-in to win A.C.E.S. You definitely have what it takes to win.

Nico: Yeah you sure do.

Eli: Your great grandfather would be very proud of how far you two have come.

Matau: And we can gladly train you for it.

Ella Von Richthofen: Wow! Thanks guys.

Me: Anytime.

Nico hugged them both.

Nico: I've really missed you girls.

Ellie Von Richthoven: We did too Nico.

* * *

Later we all came back.

May: Hey guys. How did it go?

Me: We have one helluva story to tell you all.

We went over everything and told everyone what happened.

Batman: WHAT!? Scarecrow came back!?

Me: That's right Bruce and he was Another Superfriends Scarecrow. But now he is gone for good as we gave him the Black Gates.

Batman: Good riddance.

May: Wow! And Nora's sister Nira came after Victor!? That's crazy!

Me: I know.

Lola: But at least you saved her from revenge.

Qin: No kidding!

May: Next time, Poromon, Tony Jones, and Nate should go with you guys?

Nico: Good idea May.

Me: Yeah they would love that.

Qin: They sure would.

* * *

Later we were at the beach relaxing. Most of us were in our swimsuits and it was awesome.

Me: Ahh! Nothing like a little relaxing on the beach.

Qin: Boy you said it.

Nico: This is the life.

The mascots were up to something.

Leela: (to Poliwag, Manaphy, and Horsea) Do I even want to know what you 3 are doing?

Horsea: We're going to try and spin this umbrella so we can fly.

Manaphy: Yeah.

Poliwag: I already can fly by spinning my tail.

Fry: Okay. Prove it.

Me: Weird, I thought usually Nico would stop this.

Nico: I want to see if they can do it.

Horsea and Manaphy then spun the umbrella fast and they floated off the ground and were flying!

Horsea: WEEEEEEE!

Poliwag was spinning his tail like a helicopter propeller and he was flying!

Nico: WHOA!

Me: Wow! Look at him!

Eli: Neat!

Poromon: Hey, guys. What's going on?

Me: Oh the other mascots are trying to fly.

Poromon: Whoa!

Manaphy: WEEEEE! We're flying!

Lola: (LAUGHS) That is awesome!

Nico: Yeah it sure is.

Bender: Boy it sure is. And if people tell them otherwise they can bite my shiny metal ass!

Qin: Yeah!

Me: They can bite my big fat fucking ass!

Cirinia: That's telling them!

Nico: Where are you going, Rampage?

Rampage: I'm calling the hospital for after they inevitably crash.

Me: Oh boy.

Qin: Yikes.

Ash: Nico, your Poliwag is probably the most unique one out of his species.

Nico: (LAUGHS) He sure is.

Me: That is really cool that Poliwag can use his tail like a helicopter propeller.

Nico: Yeah it sure is.

Eddy: I bet the Rabbids did something like what Horsea and Manaphy did.

Me: Be right back.

I flew up and just as the umbrella was about to spiral out of control I caught it and saved Manaphy and Horsea.

Me: There. You two okay?

Horsea: Yeah.

Nico: Poliwag is still flying

Poliwag floated to us and landed.

Me: That was awesome.

Nico: Yeah it was.

A Durant came.

Me: Whoa a Durant.

Nico: Awesome.

Durant: (In a girls voice) That was awesome work Poliwag.

Poliwag: Wow! Bethany Riffins!

She reverted back and was a girl with purple hair and had brown eyes and blue brown clothes.

Bethany Riffins: Awesome to see you again Nico and you too Poliwag.

Poromon: (pouts) What about me?!

Bethany Riffins: Oh bring it in Poromon.

She hugged both Poliwag and Poromon.

Nico: Aww.

May: What's your favorite memory of Nico?

Bethany Riffins: When me and Nico found a beautiful hidden butterfly garden in a hidden oasis in the forests here. It was over there.

She showed the forest that was untouched.

Me: We'll have to see it for ourselves.

Nico: Yeah.

Eli: This will be interesting.

Lola: Yeah.

Nico and Bethany hugged.

Nico: I've really missed you.

Bethany Riffins: Me too Nico. Me too.

Slug: Me Slug can't fly. Him Swoop can fly.

Me: Well that's okay.

Qin: Yeah but we still had fun.

Lola: We sure did.

Nico: Yep.

Tso Lan: Nira, if Ferris Boyle returns, you can let him have it.

Nira: With pleasure.

We went back to the estate and got ready for our mission.

Me: I wonder what our mission is?

Qin: We'll find out soon.

The previous group came.

Bizarro: Can me, Scorpion, Tchang Zu, Batroc, Knightbrace, Mercurymon, Absorbing Man, Kite Man, Trap Jaw, and Multiplex not go with you guys?

Nico: No you all can't go with us.

Me: (In my head) Opposite talk really confuses me.

Eli: Translation: Yes you can come with.

Scorpion: Awesome.

Lola: Yep.

Konan: Nico, which Gene Slammers do You Think you'll meet next?

Nico: Hydreigon and Volcarona.

Qin: Ooh! That will be cool.

Suddenly, Lincoln's deep sapphire eyes and rainbow iris of his Third Eye glowed, and he had a vision and he saw who it was that we were going to confront: our old enemy, The Drej, along with the evil Drej Queen Susquehanna, have returned from the dead, and they want revenge on us. When we saw it, we all knew it meant trouble.

Nico: Lincoln, what's wrong?

Lincoln: We got a huge emergency, Nico, and this also concerns all of us. I just had a vision, and I saw who it is that we're going to confront today: our old enemy, The Drej, along with the evil Drej Queen Susquehanna, have returned from the dead, and they want revenge on us.

We gasped in shock.

Me: Those malevolent human-despising energy aliens are back?! They just don't know when to quit, do they?!

Nico: Clearly not, J.D. Well, this time, we're going to destroy them once and for all!

Lincoln: They're in for one nasty surprise: we're not the same as we were back when we first faced them.

Lisa Loud: Affirmative. And we've stocked the Valorous Phoenix with anti-energy weapons.

Nico: Awesome, now, let's get ready to take off.

Me: Now there is many of us.

Camie: What do the Drej look like?

Me: They are energy aliens.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was Justina Nolan of The Legion of The Lincoln-Haters, and she's heading here to kill Lincoln and get revenge. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is someone coming after us?

Lincoln: You guessed it, Rayman, it's Justina Nolan of The Legion of The Lincoln-Haters, and she's heading here to kill me and get revenge.

Selene Arcangela: Should've known Brianna Greyson would send her next. But, if we know that bitch all too well, she'll also be bringing Gabrielle Reeve, Elena Archer, Catherine Mason, Camila Henley, Caitlin Hudson, Ava Parker, Alana Cameron, and Brianna Greyson with her.

Nicholette Torrington: Just like what happened when The Chernabog Sisters came after us last year.

Lincoln: That won't be a problem, I'll trap them in a force field.

Jenna: While you and I deal with Justina Nolan and put an end to her for good, Lincoln.

Lincoln: But, we also got to watch it though, Kylie Carter will no doubt have her machine guns with her, along with the others.

Nico: Good thinking, if they broke out of jail, they're bound to have gotten access to high-powered machine guns they stole from the cops or got themselves from contacts outside. Alright, gang, let's go, it's time to destroy Drej Queen Susquehanna and the entire Drej race once and for all!

Lincoln: We destroyed The Drej long ago, but now, this time, we'll see to it that both Drej Queen Susquehanna and the rest of The Drej are destroyed once and for all, and once we get done with destroying those human-hating energy aliens, you're next, Justina Nolan.

Selene Arcangela: You better start praying for mercy, you remorseless bitch.

Selene Emperyous: Because, we will show you and the others none for everything you've done in the past.

Jenna: No way are we forgiving you for any of your actions, Justina Nolan, you better be ready to pay the price for your foul misdeeds right after we destroy Drej Queen Susquehanna and the entire Drej race.

Nico: First we'll watch the movie Titan A.E. and then we'll head out. I want you to see what that movie is like.

Me: You guys are going to love it.

Xenia: Yeah!

Tchang Zu: I'll power on the TV

Me: Okay.

Nico brought the popcorn.

We got to watching the movie.

In 3028, a groundbreaking scientific project known as "The Titan Project" incurs the wrath of the Drej, a hostile race of aliens with bodies of pure energy, who fear that it will allow humans to challenge them. Determined to wipe out humanity, the Drej destroy Earth in a massive attack, forcing the surviving humans to evacuate and flee into space. During the evacuation of Earth, Professor Sam Tucker-head researcher on the Titan Project-leaves his young son Cale in the care of his alien friend Tek as he flees Earth in the spaceship Titan. Before he leaves, he gives Cale a gold ring, promising him that there will be hope for humanity as long as he wears it.

Fifteen years later, following his father's death, with humanity on the verge of extinction following the destruction of their planet, a jaded and cynical Cale works in the salvage yard of space station Tau 14. Ex-military officer Joseph Korso, a former friend and confidant of Cale's father, tracks Cale down and reveals that the location of the Titan is encoded in his ring, allowing him to find the long-missing ship by following a holographic map in the palm of his hand. Korso invites Cale to join the crew of his spaceship Valkyrie as they seek the Titan. Accepting Korso's offer, Cale befriends Korso's pilot Akima Kunimoto and his three alien crew members: first mate Preed, weapons officer Stith, and scientist Gune.

After Cale and Korso escape Tau 14 with the Drej in pursuit, Cale's map leads the crew of the Valkyrie to the planet Sesharrim, where the alien Gaoul help them interpret the map, revealing that the Titan is hidden in the Andali Nebula. On Sesharrim, Drej fighters abduct Cale and Akima and copy the map. Akima is rescued by the crew after being jettisoned by the Drej Queen, while Cale escapes the Drej mothership in a stolen fighter and makes his way back to the Valkyrie. The map changes to reveal the Titan's hiding place within the Andali Nebula: the ice rings of Tigrin, a labyrinthine asteroid field.

While resupplying at human space station New Bangkok, Cale and Akima discover that Korso and Preed are planning to sell the Titan's location to the Drej. Cale and Akima manage to escape the Valkyrie, but are left stranded on New Bangkok when Korso and the remaining crew leave for the Titan. Determined to beat Korso to the Titan, they fix up a dilapidated spaceship with help from the station's inhabitants.

Cale and Akima navigate the ice rings of Tigrin and dock with the Titan before the Valkyrie arrives. They discover DNA of animals onboard and a pre-recorded holographic message left by Cale's father explaining that the ship was designed to create planets, but the ship's power cells were drained in the escape from Earth, and lack the energy necessary to create a planet. After Korso and Preed arrive, Preed reveals that he has betrayed Korso and made his own deal with the Drej. Korso kills Preed by snapping his neck, and Korso seemingly falls to his death in a fight with Cale.

As the Drej attack the Titan, Cale and Akima fight them off with the help of Stith and Gune. During the battle, Cale realizes that he may be able to recharge the Titan by converting its systems to use the Drej's bodies of pure energy, but a circuit breaker stalls before he can complete the process. Korso, who survived his fall, has a change of heart after overhearing Cale's plan and sacrifices his life to repair the circuit breaker, while Cale triggers the Titan's systems, killing the Drej as the Titan absorbs their mothership.

Cale and Akima embrace in the rain on the newly created human homeworld, and ships filled with human colonists arrive to start a new life.

We were in awe and more and we were amazed. When it was done we cheered wildly!

Me: That is always an awesome movie!

Nico: Yeah it is!

Eli: Too bad that movie didn't do well in the box office.

Me: Yeah.

Varie: That movie is awesome though.

Dusk Wars Mandarin: It looks pretty good to me

Me: It sure was.

Ruby Salazar: Yeah!

Camie: What are the Drej entirely?

Me: Well they are malevolent energy based aliens.

I went over their history.

---

The Drej are a race of malevolent energy-based aliens and major antagonists in Don Bluth's 10th and final animated feature film Titan A.E.. They despise humanity due to an expermental discovery called "Project Titan", which alarmed them due to the power it would have allowed humanity to possess. Terrified that humanity would use their new power to "dethrone" them or otherwise threaten them as the most powerful species, the Drej declared war, and they intend to get rid of all humans from the universe, in order to be the only dominant species in the galaxy.

The prologue of this movie is set in the year 3028 AD, then flashes forward 15 years to the year 3043. The film focuses around a young man named Cale Tucker, and a special ship called the Titan. In 3028, Earth is destroyed by the Drej, a malicious race of aliens that are made of pure energy. The ship in which they travel is called the Alahenena, supposedly the Drej language term for planet killer. This ship positions itself over the North Pole of Earth and fires an energy beam at it, causing the planet to spin faster and faster, until centrifugal force overpowers gravity, thus causing Earth to fly apart at the seams.

Not much is known about the Drej, other than the fact that their social structure is much like that of bees, with a queen and several armies of drones. One thing to notice about the Drej is that the queen is the only one who has eyes; the rest are eyeless drones.

The Drej have two primary modes of transportation; the large mothership called the Alahenena supposedly the Drej language term for "planet killer", and swarm upon swarm of smaller ships called Stingers. The Stingers are very aggressive looking; a small central fuselage with a pair of sharp fins on the back and another pair on the sides, and a pair of long arms coming up at an angle from the sides, then leveling off, and coming back down at a slight angle inward toward each other. After Cale was taken prisoner aboard the Drej mothership, he managed to escape and steal a Stinger, which he then flew back to the starship Valkyrie. Captain Joe Korso and his crew did not know that our hero was aboard the Drej Stinger; Stith fired a few shots, which Cale manage to dodge by manipulating bolts of energy on the ship's seat. The starship Valkyrie picked up the stolen Stinger, and Mr. Tucker dropped out of the bottom of the ship.

The Drej are not much different from our species, yet they are made of bright blue pulsing energy. They're not corporeal entities, yet they have a physical form which appears to be both skeletial and humanoid. Their ships are also made of energy, a fact that young Mr. Tucker exploited. You won't need a dictionary to know that the Drej were victims of bad karma. Mr. Tucker reconfigured the Titan's systems to use that very energy from which are Drej are made; they and their ship and their queen were absorbed into the interior of the starship Titan, and as she awakened from her 15 years slumber, she unleashed that energy in three violent bursts. These bursts created three beams, each long enough to span a planetary radius. This created a gravity well, which caused all material around the Titan's position to coalesce into a hot clump of molten matter, thus giving new life to a planet upon which the human species could live.

## DREJ QUEEN SUSQUEHANA

Drej Queen Susquehana is the main antagonist of Don Bluth's 10th and final animated feature film Titan A.E..

She is the Drej Queen, the ultimate leader of an energy-based alien race known as the Drej, possibly with smaller-ranking Queens under her command.

She was voiced by Christopher Scarabosio, who also provided the vocal sound effects of the Behemoth in the 2004 film Hellboy.

What is little known about Susquehana is that she comes from a special matriarchal hierarchy of powerful Drej known as Drej Queens, and she rules over her people with an iron fist. In the year 3028 AD, she ordered her drones to destroy the planet Earth. Their attempt was successful, although several humans managed to escape into space. Many years have passed and Susquehana and her drones spotted humans at Tau 14. At the planet of the Gaol, she captures Cale Tucker and Akima Kunimoto and imprisons Cale and sends Akima off into space, but Cale manages to escape and meet up with the crew of the Valkyrie. When the crew of the Valkyrie discover the location of the Titan, Joseph Korso, the captain of the Valkyrie, and his first mate named Preed betray their comrades by exchanging the location of the Titan for cash from Susquehana. The Valkyrie's crew arrived at the Titan near an ice ring to destroy the Drej and create a new Earth. As the Titan activates, Susquehana and the rest of her Drej army were incinerated, as their bodies were made of energy. However, other Drej and Drej Queens could still be out there that were not part of her army.

When I was done everyone that hadn't heard about it was shocked!

Qin: I remember facing the Drej. They were brutal.

Camie: That is terrible!

Lola: Yeah it was!

Camie: But the way they act is very similar to the insects of Earth.

Me: Very much like it.

Qin: Yep.

Nico: Either way we're not going to let them get away with it.

Sailor Drej: My people are going to pay for their crimes. Especially the queen!

Nico: Lets head to the ship and meet up with Cale and Akima.

Lincoln put up a rainbow energy field around The World Tree Estate and we boarded The Valorous Phoenix and we headed off to destroy Drej Queen Susquehanna and the entire Drej race and make them pay for their crimes, and after we get done with them, Jenna and Lincoln are going to destroy Justina Nolan of The Legion of The Lincoln Haters.

We traveled through a portal to the year 3044 AD.

---

The U.S.S. Valorous Phoenix arrived in the year 3044 A.D.

Nico: Captain's Log, Stardate 7914.5: The U.S.S. Valorous Phoenix is en route to meet up with Cale and Akima and help them save humanity with the power of an awesome planet creating ship called the Titan and destroy he malevolent Energy Alien race called the Drej.

Knightbrace: Here we are!

Nico: The year 3044 A.D.

Me: That's 1,021 years into the future.

Fry: Wow that is awesome.

Me: Yeah it sure is.

Lola: But this is gonna be so awesome.

Nico: According to the Space Scanners, Cale and Akima are on the planet Sesharrim.

Lisa Loud: Which is 200 light years from our current position.

Shego: Let's get a move on then.

Luan: Why would we do that? We were moving all day! (LAUGHS) Get it?

Most of us laughed while the Loud Kids sighed.

Eddy: (LAUGHS) That was a good one!

Me: (LAUGHS) That was funny!

Nico: (LAUGHS) Yeah! But lets get going.

We engaged the warp engines and we were off to planet Sesharrim.

Kite Man: Should I fly to look for them?

Lisa Loud: Actually that's not necessary. We're here.

We arrived at the planet Sesharrim.

We saw that we were at a red planet that looked so much like Mars.

Me: There it is.

Nico: Wow.

---

Sesharrim is a planet in the Titan A.E. universe. It is part of the Spiral Arm. It is also the fourth planet in its star system. Its name comes from the Gaoul language, "sesh" meaning "home" and "arrim" meaning "world", so its names literally means "home world", as it is the homeworld of the Gaoul.

Sesharrim is a distant world in the Spiral Arm, not known about or visited by many travellers.

The planet Sesharrim is a ruddy-red color, covered mostly in oceans of red liquid, much like what Earth's oceans would have looked like several times in the Proterozoic eon. It has a thin atmosphere, which is breathable to humans and the native Gaoul.

Sesharrim's surface is mostly rocky, comprised mainly of islands made of black rock. Some of the islands contain ruined monuments, possibly former cities of the Gaoul. It is hinted that the planet was once devastated by the Drej, but not to the point of total annihilation.

The planet also has two unnamed moons, one of which has a large piece missing either from a past Drej attack or from a collision with a larger celestial body eons ago. As a result, this moon was given the nickname "The Broken Moon" by Sam Tucker and used as part of the first clue to find the Titan.

Sesharrim is the home of the Gaoul, a bat-like species who allied with Sam Tucker during his development of the Titan, and his mission to hide it.

Sesharrim's oceans are also covered in "Hydrogen Trees", large globes that are prone to explode once breached.

Sesharrim was the place where Sam Tucker learned of the technologies that could be used to develop the Titan Project. During his stay, he developed a bond of trust with the Gaoul, and left them with a message to help guide Cale on the search for the Titan.

The crew of the Valkyrie visit Sesharrim during their hunt for the Titan, as it is a checkpoint on Sam's map. Cale is summoned by the Gaoul leader and shown to raise his hand toward the Broken Moon, which (when Cale's hand is aligned so that three stars are between his fingers underneath the moon) programs the map's compass to point to the Andali Nebula, the hiding place of the Titan.

---

Nico: Wow! So this is Sesharrim. It's amazing.

Qin: It sure is.

Lola: Wow!

Nico: Yeah. Those plants are amazing though.

Me: Yep.

Nico: Yep.

Eli: Cale and Akima are up ahead.

We saw a city.

Nico: Magnify.

The screen zoomed in and we saw them in the city.

Me: There they are.

Nico: Wow it has been a while.

We flew over the city.

Cale saw our ship.

Cale: That is a big ship!

Akima: Who has a ship like that?

Korso: No idea.

Cale: Are they friendly?

The ship hatch opened and then we came out.

Me: Long time no see Cale and Akima.

Cale: J.D.! Guys!

Me: Long time no see guys.

Akima went and hugged me.

Nico shook hands with Cale.

Nico: Been a long time.

Trixie Lulamoon: The Great and Powerful Trixie is honored to meet you guys!

Korso: Wow! You guys have lots of new recruits.

Me: So much has changed to us over the last 4 years ever since we last saw each other.

Laney: We have one awesome story to tell you.

Cale: What happened?

Me: Well you guys might want to make yourselves comfortable because we have an amazing series of adventures to tell you all. Starting with what happened right after we helped you guys destroy the Drej the first time.

We went over what happened from chapters 827 to now and what we revealed was all amazing and awesome!

When we were done we were panting like you wouldn't believe.

Me: WHEW!

Maria gave us a lot of water.

Cale, Akima, Korso and everyone were SPEECHLESS!

Cale: Wow! That is incredible!

Akima: You guys have really come a long way since we saw you last!

Korso: Boy no kidding! That is amazing that you guys have become so powerful.

Stith: That is really amazing. We're really proud of you all.

Korso: And congratulations on becoming Leader, Nico. I always knew you were destined for great things.

Nico: I'm glad you think that.

Multiplex: Is Preed still causing trouble?

Cale: Well yeah. He is hiding it though.

Me: Well we're on to him. I know he is a traitor working for the Drej. But he is not worth killing.

Nico: We'll put him into the M.O.E.

Multiplex: Yeah he'll be a perfect recruit.

Strut: Sorry about your version of Earth. But I think I know a way to restore it.

Me: With the Titan.

Nico: Yeah.

Qin: Yeah.

Cale: That's right. We got to find it.

Me: And I know where it is. In the Andali Nebula.

Cale: Then we need to head there.

Me: The Drej will follow but we'll be ready for them.

Sailor Drej: My people will pay for it. Sorry I'm the Sailor Soldier for the Drej and my people will answer for what they did.

Me: Sounds shocking I know but we encountered lots of Sailor Soldiers from many planets.

Trap Jaw: She's not like her people.

Sailor Drej: I'm what you call the Black Sheep of The Family so to speak.

Cale: I see. That is interesting.

Me: Yeah.

Nico: Either way we got to get you guys a new home. Shall we head out and find the Titan?

Cale: Lets do it.

Dusk: How about you guys call Preed over here too?

Cale: Okay.

They did so.

When he came we were glaring at him with stern looks and looks of reprimanding.

Me: Hello Preed. Been a long time.

Nico: You're looking good.

Me: We need to have a little talk.

Preed: You guys have grown a lot in numbers! Wow!

Me: So we have been told. Long story on that. But that's not why we need to talk to you.

Maria: We know you're who you're working for.

Me: The Drej. So you can drop the act.

Preed: (chuckles) Clever as always. You see, what you fail to realize is that Earth was never meant to be brought back. For the sake of humanity's survival a deal had to be made- (takes out gun)- with the Drej! Goodbye, Korso. It really was an honor working with you.

Preed fired at Korso but Absorbing Man, having just absorbed the metal of the ship, blocked the shot.

Absorbing Man: While you were monologuing, I absorbed the metal of the ship.

I fired an energy beam and blasted the blaster out of his hands and Eli caught it.

Eli: I could use this.

Eli holstered it.

Me: Preed we're going to give you an option. Back out of the deal you made with the Drej and join the Masters of Evil or attack us and we kill you. So what's it going to be?

Preed: Alright, you win.

Eret: Good. But why don't you go now so the Drej assume that we've killed you?

Preed ran and hid in the brig on the ship.

Me: The Brig works.

Nico: Good.

Lola: Yeah.

Nico: Now lets go find the Titan.

Mercurymon: And kill any Drej that try to stop us.

Nico: Yep. Set course for the Andali Nebula. Standby battlestations.

Laney: Aye sir!

We went onto the ship and we were off to the Andali Nebula.

We arrived at the Andali Nebula.

Viceroy: There it is!

Me: Wow! The Andali Nebula.

Qin: Look at all those ice asteroids.

Laney: It's going to be like finding a needle in a haystack.

Varie: A nebula sized haystack.

Lola: Yeah.

Nico: Lets see.

We got to searching and then we saw a ball of ice that was there.

Nico: Switch on X-Ray viewer.

Lincoln did so and the viewer showed the Titan inside the ball of ice shield!

Me: That's it!

Qin: There it is!

Lola: The Titan!

Camie: Wow!

Me: Boy how are we going to get it out of there.

Xenia: We'll have to beam aboard the ship and get it ready.

Lola: I agree.

Batroc: Guys, we got Drej incoming!

We saw Drej Stingers incoming!

Nico: Red Alert! Battlestations!

The alarms sounded and we fired laser blasts and blasted the ships apart.

We went on board the Titan and it was a magnificent ship. It was incredible.

Me: Wow look at this.

Qin: Yeah it sure is.

Nico: Amazing!

Cale then put his ring on a switch and it turned on. Then a hologram of his father appeared.

Sam Tucker: [During his posthumous holographic message which Cale activated on the Titan] Cale.

Cale: Dad?

Sam Tucker: If this message has been activated, then I have died before finding you. I hope you can forgive me for breaking my promise to see you again. What I wouldn't give to see you now. I can't change the past, Cale, but I hope I can give you a future. This ship has the power to create a planet, to create a new home. Your ring would have activated the transformation sequence, but the Titan's power cells were drained in the escape. They are unable to fuel the transformation. It is up to you to restore their power. After that, the procedure is simple.

Me: Then we better do so.

We got the Titan on board the ship and hooked it up to it and restored it.

Me: Drej Mothership incoming!

We saw it!

Tayuya: Let's use our entrance on these dumbasses!

Nico: Lets do it!

We got ready and hooked the ship up to the Drej Mothership!

Drej Queen Susquehana: (IN DREJ LANGUAGE) Destroy the Titan and the humans.

Then the spirits of the humans and planets appeared and swirled around the queen and then they converged and then…

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above her and then a phoenix cry was heard and then we came out!

Me: Surprised to see us QUEENIE!

Susquehana: (In Drej Language) Team Loud Phoenix Storm! But there are more of you this time! WHY CAN'T YOU ALL JUST DIE!?

A Drej tried to shoot at me only for it to be stabbed by Scorpion's tail.

Scorpion: What can we say? We're all kinds of stubborn!

I used my lightsaber and deflected the Drej laser blasts back and blasted them.

Me: Nice try!

Susquehana: (In Drej Language) You humans are a wretched cancer and you all will be destroyed so that the only species better than you fools is the Drej!

Me: No way in hell are we going to let that happen! The Drej are the cancer here!

Sailor Drej: You are the real threat! Humans Aren't!

Then Dai Gui, General Schwarz, Zavok, Vypra, Evil Seed, Mirror Master, Metal Sonic, Marionette Shadow, 10,000 Volt Ghost, and Hydrax appeared.

Nico: Dai Gui, General Schwarz, Zavok, Vypra, Evil Seed, Mirror Master, Metal Sonic, Marionette Shadow, 10,000 Volt Ghost, and Hydrax.

Me: Strange seeing you all here on a ship made of pure energy.

Qin: Yeah.

Zavok: It sure feels amazing though.

Susquehana: (In Drej Language) YOU FOOLS! Don't just stand there and talk to these monsters! Destroy them!

Dai Gui: We don't take orders from you! We are here for our fun!

Me: That's right!

Dai Gui: You guys are gonna make sure to use the Titan this time.

Me: You bet we are!

General Schwarz: As for the Drej? They're going extinct!

Zavok: Except for Sailor Drej.

Me: That's right because she is a good friend and we love her.

Qin: Yeah!

Vypra: (to Nico) We heard you went to a chum cave.

Nico: We sure did.

Evil Seed: I hope you didn't vomit.

Me: He threw up all over me!

Evilseed: YUCK!

Nanonanoda Then came out.

Me: Nanonanoda. Back for another round I see.

Nanonanoda: I sure am.

Me: Cool.

Susquehana: (to Nanonanoda) I remember you and your Space Empire Zangyack. You had the audacity to destroy a quarter of our forces!

Nanonanoda: Because you attacked us first!

Me: We didn't know the Drej attacked you back then.

Nanonanoda: Long story on that.

Me: Wow.

We got the usual battles underway.

Dai Gui the Demon Sorcerer of The Earth was first.

Dai Gui: (to Cornelia) Nico's rescue was A Treasure Hunt into a Cave of Chum!? He vomited, didn't he?

Cornelia: He sure did. All over J.D.!

Genkai: Yes he sure did and it was gross.

Carlota Santiago: That was a really crazy treasure hunt there.

Nicole Hale: It sure was. But Lana got a sword that fires chum.

Juvia Lockser: It was awesome seeing that.

Android 18: It sure was amazing.

Applejack: It sure was a great treasure hunt though.

Apple Bloom: We all thought it was fun too.

Flashwing: Yeah it was fun.
